To win public approval in his bid to eliminate the Scub Coral, Dewey has KLFs attack the Scub Coral to release the Antibodies and orders Anemone to defeat them, and then presents her to the public as their savior. This cheers her up into thinking she can retain her title as theEND's pilot and being Dewey's favorite. However, when the Gekkostate arrives at the Vodarac Shrine to send Renton, Eureka, and the kids over the Great Wall and into the Promised Land, Anemone is sent into the chaos to stop them. Holland confronts her instead but she easily defeats him by tearing his LFO apart, and then tries to follow Renton and Eureka as they entered the wall, but due to that theEND wasn't designed to reach the other side of the wall, she was ejected from entering. But before she returned to the real world, she had a brief image of her parents before she became a military experiment. For the next several days, Anemone fell into a deep depression over her third failure to defeat the Nirvash and achieving her mission to enter through the Great Wall. In her grief, Dominic paid her a visit and brought her an anemone flower. She accused him of giving her the flower to mock her (the flower - which is her namesake - symbolizes dying hope), which he denied. She then calls him stupid for not knowing anything, but confides in him about her wanting to be saved and asks Dominic to save her. He agreed and kissed her, and she bit his lips and told him to stay away from her because he doesn't understand anything about her. Dewey took her to a New Year's party, where he told her about his past and how he came to despise Holland & the planet. Anemone thought he was exaggerating, but then he quickly left to find a replacement for theEND, sending her into a deeper despair. At this point, it depicts Anemone had always feared Dewey and that she was just a tool for his own ambition. Dominic later informed Dewey that the potential replacements died and Dewey later found the location of the Command Cluster, so he decided to send Anemone on a suicide mission: entering through the Scub Coral by blasting into it, arrive at Earth, and shoot a tracker on the Command Cluster so he can destroy it with the Oratorio 8. Saddened to hear that Dominic has now defected the military, all Anemone really wanted was a place she can belong.

Now believing that she has lost her purpose in living and has no one to love her, Anemone agreed to the mission, but spoke to herself how she wanted to tell Dominic how she feels about him even though she thinks he wont understand. She enters through the Scub Coral without knowing Dominic is chasing after her to stop her from possibly killing herself. She confronts Renton and Eureka as the two tried to protect the Command Cluster and fires the tracker at the Command Cluster. She then fights them without seriously trying to kill them unlike her previous battles. Eureka finds out that Anemone is in pain and convinces Renton that they need to talk to her. Via the Compac Drive, they hears her thoughts about how she wants to practice smiling and be happy so that she can be with the person she loves. They tried to convince her she can live a happy life and Dominic would accept her, but Anemone said it was hopeless and was about to fire the Vascud Crisis at them to end the battle until she saw Dominic falling from the sky. TheEND turned completely white and ejected Anemone from inside it, and she reunited with Dominic. She called him an idiot for risking his life to save her, but he professed his love to her and they shared their first consensual kiss, with Anemone declaring she is the happiest she has ever been. However, Dewey used the Oratorio 8 to destroy the Command Cluster and theEND sacrificed itself to protect Anemone and Dominic. After Dewey committed suicide, the collars that Anemone and Eureka wore are activated; they were designed because Dewey foresaw the one of them would replace the Command Cluster if it were to be destroyed and the collars would send a self-destruct sequence into the Scub Coral. Anemone was able to take hers off but while Eureka was able to reject the effects, she started becoming the new Command Cluster. Anemone helped the Gekkostate realize that the Limit of Questions wasn't occurring because Eureka willingly allowed herself to turn into the Command Cluster but was now rejecting the transformation because she wanted to see Renton and the kids again. Anemone was then standing with Dominic and the Izumo crew as they watched Renton and the Gekkostate rush to rescue Eureka. Anemone said she wished she has someone to save her like how Eureka had Renton, and Jurgens berated her because she had Dominic. She agreed and said that Dominic is more cute than Renton. In the final scene of the series, Anemone and Dominic are seen camping and looking at the full moon with Renton and Eureka's names carved into it.

---

When he was done we were shocked.

Me: Whoa man!

Nico: She is nuts!

Tayuya was shocked to know that there is someone that went through the same pain that she went through on another Earth set 9,984 years into the future.

Tayuya: She's just like me!

Lola: What do you mean Tayuya?

Tayuya: Anemone and I both went through the exact same pain.

Me: That is very coincidental.

Lola: Yeah.

Eureka: Wow.

Brawl: There's something about her that just isn't right.

Me: Yeah her mind is all messed up because of the wars here on this world.

Eureka: No kidding.

Me: But maybe we can save her from herself.

Renton: How do you plan to do that?

Me: We did it several times before but we have ways of helping many supervillains get saved from themselves.

Bai Tza: It's true.

Me: We've had a huge impact on our planet Earth and we helped many supervillains redeem themselves.

William Dunbar: It's how we formed the Redemption Squad.

Nico: Yep.

Me: But Anemone has to be saved from this monster controlling her.

Coop: Well, if she isn't really a bad guy, how about we let her kill my so called dad and sister?

Maria: Coop, can't you just let it go?

Coop: Why should I? Maybe Nico can just tear our their hearts and feed them to Lola, Lynn, and Lori!

Arbormon: Hey! Lori, Lynn, and Lola aren't attack dogs!

Me: Yeah Coop!

Nico: And besides Coop that is low even for you!

Me: We are not animals. And they are innocent people.

Eureka: What's wrong with him?

Me: He hates his father and sister for not believing him when a cat from another planet was out to kill him.

Lola: It might seem crazy but it's true.

Laney: Yeah and he wants us to kill them.

Me: But that goes against our code. 1 because Millie is a kid and we can't kill kids. Only in VERY RARE Cases are we permitted to do so. And 2 Burt is an innocent. And our code also prohibits us from killing the innocent.

Renton: Wow! That's interesting.

Eureka: What rare cases are you allowed to kill kids?

Me: That is something we don't like to talk about but you do have a right to know. Kids that are pure evil and absolutely consumed with hatred and darkness and have done things that are absolutely despicable are where we kill them and destroy them.

Laney: 2 prime examples are the Delightful Children From Down The Lane and Jock Jockerson.

Ashley: The Delightful Children were us brainwashed.

Tyler Bowman: And Jock Jockerson was a monster and a heartless sociopathic freak.

I went over both of their histories and when I was finished they were horrified.

Renton: Oh man! That's awful!

Eureka: The Delightful Children wanted to annihilate all kids on Earth!?

Me: Yeah and the kids are the future of the entirety of the human race. The Adult Villains were gonna cause the extinction of all of mankind. And Jock Jockerson was a monster that tormented everyone and everything and made them all look like total imbeciles.

Eureka: That's insane!

Nico: Yeah we thought so too.

Renton: How old was Jock?

Me: Hmm. I think he was around 16 or something like that.

Nico: Yeah that's right.

Lola: Yeah.

Me: But we are not gonna kill Coop's father and sister or let them be killed.

Eureka: Well, I for one am glad you guys aren't letting those two die.

May: Of course not. This shows that even though we kill most of our enemies or throw them in our space prisons, we're still heroes that protect the innocent.

Luxord: Especially if said innocent people are feeling remorse of past crimes.

Eureka: Well, I for one am glad you guys aren't letting those two die.

May: Of course not. This shows that even though we kill most of our enemies or throw them in our space prisons, we're still heroes that protect the innocent.

Luxord: Especially if said innocent people are feeling remorse of past crimes.

Me: That's right.

Eureka: Yeah.

Shanan: I thought you looked familiar Eureka. You are what's called a Coralian.

Eureka: That's right.

Qin: What is a Coralian?

Shanan: They are a race of creatures from the planet Zooxanthelis located in the Galaxy IC1101.

Nico: Whoa!

She told us all about them.

---

Humanoid Coralians are beings born in the form of humans from the Scub Coral, which, since its arrival on Earth 10,000 years prior to the Eureka Seven series beginning, has been desperate for contact with humans and co-existing with them so it can learn more on human nature and their way of thinking. In the original series, the only true Humanoid Coralians were Sakuya, Eureka and Gonzy (the latter in the anime only). Sakuya was the first Humanoid Coralian to be created from the Scub Coral, but at the time of her creation, no one was aware of the purpose of the Humanoid Coralians' existence. Upon her discovery, the Vodarac tribe mistook her as a saint, and was referred to as a "child of the planet" because of how she was born and found. Because of this, others were banned from interacting with her, however, she later fell in love with Norb, a Vodarac monk and her caretaker. During this time, the Vodarac came up with an idea of uniting the Scub Coral and humans by pairing Sakuya up with a human partner to pass over the Great Wall. Sakuya and Norb attempted to pass over the wall, but under unknown circumstances, they failed, leaving Sakuya in the form of lotus flower and Norb with a Compac Drive in his chest.

Shortly after their failure, Norb received a prophecy, via his connection with Sakuya through the Compac Drive, that Eureka would be born and unite the Scub Coral and humans with her partner. Several years later, Eureka was born as the second Humanoid Coralian, but lacked the knowledge of her mission to find her partner until Holland learned it from Norb. Three years later, she met Renton and developed an instant bond with him. While she struggles with issues of understanding emotions, such as love, hate, and so on, she falls in love with Renton, declares him as her partner, and set out with the Gekkostate to achieve her mission. As predicted by Norb, Renton and Eureka are able to pass over the Great Wall and unite the Scub Coral and humans through a co-existence on the planet. Where and when Gonzy was born is unknown.

When the existence of Coralians was discovered shortly after the

First Summer of Love, the military sought to create their own Coralian. Artificial Humanoid Coralians were created by the military by treating girls with Desperation Disease with medication created from Eureka's blood. Anemone is the only subject that has survived the process to fully become an artificial Humanoid Coralian.

---

Me: Wow! That's incredible!

Eureka: It sure is.

Me: So you were made to be avatars in a sense.

Lola: Like with Jake Sully and the Na'Vi.

Eureka: That's a good way to put it.

Lola: That's amazing!

Ets: It sure is.

Me: Right now our priority is to find Anemone.

Kite Man: I'll go fly in the air with my kite to find out where Anemone is.

Me: Okay.

Kite Man flew into the air and he was off searching.

Nico: We better find her too.

Renton: We can take you to her.

Emma (ELGVTWD): Great! We got to save her from herself.

Niko: And we will.

Nico Robin: It won't be easy but if Tayuya can get through to her we can save her and face her dark self.

Nami: Just what I was thinking.

Me: Yep.

Muscle Man: You know who else likes to protect the innocent?

Itassis: (chuckles) Oh, we all know the answer to this one.

Muscle Man: My mom!

We laughed at his joke.

Renton: I don't get it.

Emma (ELGVTWD): We don't either. But his jokes are funny.

Nico: They sure are.

Me: You knew what was coming with that one huh Itassis?

Itassis: I sure did.

Duskmon: (to me) You realize that if Coop keeps wanting his father and sister to die, we'll end up losing our motivation to kill our former fellow villains.

Me: I know and we have to snap him out of this grudge or he could end up as insane as Ray Finkle.

Duskmon: Yeah.

Kickback: (to the Trinty of Violence) If Anemone has foot soldiers, you girls should kill them on sight. After all, you girls don't want to lose your reputation if people think you're going soft, right?

Lori: No we don't want that.

Lynn: It would be our pleasure!

Lola: Oh this is gonna be good!

Mandy: Now you're talking!

Maria: Does Anemone have foot soldiers at all?

Renton: Yes she does.

Me: Awesome! This is gonna be good.

Lola: We'll blast them all into oblivion.

Kite Man: (On the radio) Kite Man to J.D. Knudson. Do you copy?

Me: J.D. here. Report.

Kite Man: I found Anemone's flying fortress. It's over the Sahara Desert in Africa.

Me: We're on our way. Lets roll!

We were off to the Sahara Desert and we saw Renton surfing in the sky and Eureka was flying with butterfly wings.

Me: Wow! Renton that is amazing!

Renton: Thanks. It's called Lifting. It's like surfing except it is for the clouds.

* * *

In Eureka Seven, **lifting** (リフティング *rifutingu* ), or **reffing** (in other countries), is an activity similar to surfing.

Though trapar-propelled airships are relatively common, using trapar waves for "lifting" is their predominant use. Lifting uses surfboard-like devices called **liftboards** (リフボード *rifutobōdo* ) or **reflection boards** to ride trapar waves in a manner similar to surfing, and is a popular sport in the series. The most grandiose use of trapar-massive humanoid fightercraft-are a recent development, made possible by the discovery of bizarre alien lifeforms within the Scub Coral.

* * *

Me: That's cool!

Eli: So awesome!

Ets: That is one of the coolest things I've ever seen.

Lola: It sure is.

Lincoln: Think you can teach me how to do that?

Renton: Sure.

Laney: Eureka your wings are beautiful.

Eureka: Thanks Laney. All your wings are beautiful too.

Me: They are beautiful huh.

Nico: There it is!

We saw Anemone's Sky Fortress.

Me: That must be Anemone's Sky Fortress.

Renton: That's it all right.

Eureka: This is gonna be good.

Optimus Primal fired 3 missiles and they hit the back of the fortress and blasted 3 holes into it and we flew in. Alarms were sounding and then henchmen came.

Lola pinned one of Anemone's henchmen to the ground.

Lola: Nothing personal. But me, Lori, and Lynn can't have everyone think we're going soft.

Grumblemon watched as Lola burned the goon alive.

Grumblemon: (smiles) Now that's the Trinity of Violence we know.

Me: YEAH!

Lola and Lynn blasted a bunch of henchmen and footsoldiers with fire and lava and incinerated them all over.

Me: Take that!

We went to the main control room.

Anemone was watching the ground. But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive blue fire explosion blasted a hole through the door and a wolf howl was heard and we came out.

We saw that Anemone was a pink-haired girl with pink eyes and she had a beautiful red dress on.

Me: Anemone. So we meet at last.

Anemone: The famous Team Loud Phoenix Storm. What an honor of you to grace my flying fortress.

Me: It's very impressive.

We saw Burt and Millie tied up and gagged.

Veon: (to Anemone) Not that they don't have it coming. But we can't let you kill Burt and Millie!

Anemone: I am afraid you don't have a choice.

Tayuya: Anemone wait.

Tayuya went up to her.

Tayuya: Anemone I know what you went through and all the trauma you went through.

Anemone: What do you mean?

Tayuya: You went through the same kind of pain that I went through.

Anemone: How would you know!? You never had to endure being experimented on and turned into a weapon of destruction!

Tayuya: You're wrong Anemone. I know what you went through more than anyone can even fathom. My whole life has been one fucked up tragedy and one big fucking nightmare.

Tayuya went over her background.

---

In the anime, the Sound Four were originally prisoners of Orochimaru, forced to fight other prisoners to the death in battle royales. By surviving their respective matches, they proved themselves to be the strongest of Orochimaru's prisoners and as such were made his bodyguards. The Sound Four were at some point forced to accept Kimimaro as their leader, who easily defeated them all in battle and, because of his Shikotsumyaku abilities, was slated to be Orochimaru's next host body. Under Kimimaro their group was known as the Sound Five (音隠れの忍五人衆, Otogakure no Shinobi Gonin Shū, literally meaning: Hidden Sound Shinobi Five People).

In the anime, the Sound Five assisted Orochimaru with assassinating the Fourth Kazekage and killing Shiore's team during the Chūnin Exams in Konohagakure. Kimimaro fell terminally ill after this, forcing him to withdraw from the group; he became ill at some unspecified time in the manga.

---

Emma, The Bakugan Brawlers and everyone that hadn't heard her story were shocked!

Runo: Tayuya went through all that!?

Naruto: Yeah. My cousin went through a terrible ordeal at the hands of Orochimaru and all that.

Fu: It was a horrifying nightmare for her.

Lola: Yeah and it was sick.

Me: Orochimaru is probably one of the most fucked up monsters we have ever faced and he has no honor or love and only cared about one thing and that was annihilating the Leaf Village.

Emma (ELGVTWD): That is awful!

Me: It sure is. Many ninjas that we met over the course of 150,000 years had really dark backgrounds. Most of them were at the hands of villains and fucked up monsters like Orochimaru.

Lola: Yeah.

Niko: They went through a nightmare.

Anemone: Let's make this interesting, shall we?

With that, Anemone threw Burt and Millie to the ground in front of Coop.

Maria: What the Hell is this?

Anemone: (to Coop) I heard that you want these two to die. Well, here's your chance to do the deed yourself!

Plastique: Coop, if you kill Burt and Millie, we'll have no choice but to take you down.

May: And we really don't want to do it!

Eddy: (points his blaster at Coop) C'mon, man. Don't make me pull the trigger on you.

Me: Coop they are not worth it.

Lola: But if you do it, it will be the last thing you ever do!

Anemone: What are you waiting for Coop!? Kill them!

Coop was sweating.

Coop: No!

He threw the gun away.

Me: Good choice Coop.

Coop: I'm still mad at these two for hurting me but it will take a long time for me to forgive them.

Tayuya: Anemone you don't have to follow this path anymore. I can help you become a better person and not someone that is insane like I once was.

Anemone: Why should I believe you!?

Tayuya: Because there is still good in you. You would never harm anyone. Would Dominic want that from you?

Anemone knew that Tayuya was right and then she broke down crying and Tayuya comforted her.

But then a blob of darkness separated from her and formed into ANOTHER ANEMONE! But this one had black clothes and had EVIL RED EYES! It was DARK ANEMONE!

Me: Just like we planned.

Nico: Now we can destroyed Anemone's dark side.

Dark Anemone: Then come and get me.

Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Eccentro, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff then appeared.

Me: Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Eccentro, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff.

Stinky Butt: Looks like we got here just in time.

Anti-Wanda: (sees the Anemones) Two Anemones?!

Maria: They were split up after Tayuya got through to her.

Cavalier: Ah. That explains it.

Mammoth: (to Coop) You made the right choice, kid. I knew you would.

Coop: Yeah but I'm still mad at my father and sister.

Eris: And you have every right to be after everything that happened.

Raven Brenwen: Indeed you do. I'm sorry you went through all that.

Yang: What that kat did was terrible mom.

Raven Brenwen: You are not kidding.

Me: Now I see what is going on. Linka and her brothers are getting ALL their battles done in one sitting.

Stinky Butt: That's right.

Professor XXXL: This is gonna be so fun. For I, PROFESSOR XXXL, will have great fun with my new invention.

He pulled out a snowcone ray.

Me: Wow! What's that?

Professor XXXL: It's my new Snowcone Ray.

He fired it and a Snowcone appeared in my hand.

Professor XXXL: Try one.

I licked it and it was tasty.

Me: Yummy!

I ate it in one bite and it was delicious.

Me: Fruit Punch flavor. Delicious and refreshing. (Feels a headache) Agghh! Brain freeze!

A block of ice formed on my head.

Lola fired a blast of fire and melted the ice and I was warm.

Me: Whew! Thanks Lola.

?: That was genius.

A figure came out and it was NUMBOR from episode 11 of TURBO!

---

**Numbor** is a number-altering scholar/calculator monster used by Divatox. He is able to add and subtract from any measurable quantity. He demonstrated this by changing the tides in the ocean. He then subtracted a lot of weight from Kat, making her levitate. While she was being tended to at the Power Chamber, Numbor battled the other four Rangers. He added weight to both Tommy and Adam, and subtracted weight from Justin. It seemed he would have the upper hand until Katherine realized that her own insecurity was the problem, returned to battle and defeated him. He was destroyed by the Turbo Megazord.

---

Justin Stewart: Numbor!

Numbor: Been a long time rangers.

Me: I remember you! You were sent by Divatox to destroy the rangers by making them heavy and light and you made the world's tides change.

Numbor: Good observation J.D. You have been watching us on TV.

Me: Never missed an episode.

Edd: (to Numbor) You actually could make a good teacher.

Numbor: You really think so?

Me: We know so.

Laney: You bet.

Numbor: Thanks.

Malevolent cackling was heard and out of a flash of light came THE WITCH OF SALEM!

Shaggy: ZOINKS! It's the Witch of Salem!

Twilight Sparkle: Whoa! What was she known for?

Qin: She was really the long lost twin sister of Velma's friend Arlene Wilcox, Gemini. Arlene's ancestor Milissa Wilcox was burned at the stake for witchcraft 329 years ago. Gemini hoped to look like Arlene so she could drive her out of Salem and keep the inheritence all for herself.

Rarity: That is madness!

Nico: It sure is.

Qin: Yep. The gang busted her and she and Gar Mooney got 20 to 40 years in prison. They got life after that.

Twilight Sparkle: Whoa.

But then numerous figures came out and it was THE ENTIRETY OF THE UCHIHA CLAN! They were being led by FUGAKU UCHIHA, Sasuke and Itachi's father. Madara Uchiha and Obito were not with them.

---

**Fugaku Uchiha** (うちはフガク, *Uchiha Fugaku* ) was a shinobi of Konohagakure. He was the head of the Uchiha clan as well as the leader of the Konoha Military Police Force.

During the Third Shinobi World War, shinobi from other nations trembled at the mention of Fugaku's nickname of **Wicked Eye Fugaku** (兇眼フガク, *Kyōgan Fugaku* ). In the final weeks on the war, Fugaku took his four year old son Itachi to the battlefield to see mountain of corpses, with the purpose to show Itachi the reality of the world he lived in as a shinobi. In the anime, during the war, a dear friend of Fugaku died in battle, allowing him to awaken the Mangekyō Sharingan, a fact he decided to keep hidden from everyone.

In the aftermath of the war, while villagers mourned its dead at the Konoha Cemetery, a clansmen informed Fugaku that there were voices to install him as the Fourth Hokage, as the Third Hokage intended to retire. Fugaku was then questioned by the man on what they should do with Kakashi Hatake possessing their clan's dōjutsu. Understanding that Obito Uchiha fought bravely, he decided to respect the boy's wishes and let Kakashi keep his gift. When Fugaku's wife Mikoto gave birth to their second son, with Hiruzen's blessing, Fugaku proudly named the baby Sasuke after the Third Hokage's father.

With the Nine-Tailed Demon Fox's Attack, the village accused the Uchiha clan of orchestrating the attack as they did not take action against the tailed beast (in the anime, this was because of orders from Danzō Shimura to focus all the Uchiha's efforts solely on protecting the villagers). This, combined with the Uchiha being relocated further away from the village, caused a rift between the village and the Uchiha clan. Despite this, the villagers still admired Fugaku and the Uchiha Clan's efforts of maintaining peace. This did not stop Fugaku from conspiring a coup d'état that would allow the Uchiha clan to take control of the village out of spite. Eventually, Fugaku placed Itachi as a spy in the Anbu to pass information back to the clan. However, Itachi secretly betrayed the Uchiha and became a double agent, leaking information right back to the village.

Recognising Itachi's prodigious mind and talent, Fugaku began training him regularly, amazed when he mastered the Fire Release: Great Fireball Technique on his first try after witnessing it only once. Seeing such potential in Itachi and being his eldest son, hence the successor of the clan, Fugaku focused most of his attention on him, even defending Itachi when he was suspected of killing Shisui Uchiha. However, the two had a falling out when Itachi lost hope in the clan, leading Fugaku to shift his attention to Sasuke, even teaching him how to use the traditional Fire Release techniques of their clan, and was impressed at how Sasuke was able to master the technique after just one week. Sasuke was finally able to enjoy his father's company, but Fugaku advised him not to follow in Itachi's footsteps.

After another clan meeting about the coup d'état, Fugaku called Itachi to speak with him privately. He revealed that the stone tablet within the Naka Shrine held secrets to a better world for all, but required an evolved Sharingan to read it at all, revealing the truth about his acquisition of Mangekyō Sharingan. Knowing of his son's hesitance for bloodshed and reluctance to attack the village, he expressed his desire for this revolution to end without any deaths, insisting that with Itachi's help they could achieve that. Further proving his point, he revealed that he never told anyone in the clan of his Mangekyō Sharingan in fear they would ask him to use its power to take control of the Nine-Tails to use to attack Konoha. During the Uchiha Clan Downfall, Fugaku quickly realised Itachi was behind this attack and confronted him via a clone, expressing their respective views. Itachi then confronted his parents, but Fugaku and Mikoto did not resist and told Itachi that they were still proud of him and to promise to take care of Sasuke before they let Itachi kill them. Fugaku was later found laying dead on top of his wife's corpse.

---

Me: The entirety of the Uchiha Clan!

Nico: Oh man!

Nico saw purple splotches all over them.

Nico: They have been infected by the Aparoids!

Me: Oh shit!

Eddy: (to the Trinity of Violence) Well, here's another chance to prove to the public that you're not going soft. Unfortunately, none of us will be able to keep track of how many Uchiha Ninjas each of you kill.

Lola: Oh boy.

Me: No guys. They are mine.

I went up to the Uchiha.

Me: We have an old score to settle after 150,000 years.

Fugaku: You bet we do! YOU WILL PAY FOR KILLING ALL OF US!

Me: You all got what you deserved because of your selfish and delusional ambitions. Now I'm going to make sure that the Uchiha's hatred dies forever.

We powered up and went at them.

Battle 1: Loki Loud, Rainbow Dash, Scootaloo, Magma Gloom, Spitfire, Lightning Dust, Vapor Trail, Sky Stinger, Angel Wings, Soarin, Night Glider, Wind Socks, Flash Magnus, Cloudkicker, Blossomforth, Derpy Hooves, Lemon Zest, Sour Sweet, Sunny Flare, Sugarcoat, Frosty Orange, Air Skylanders, Zarya (Overwatch), Andropov, Galova, Chill, Cross Crow, KGBeast, Crimson Dynamo, Gloriosa Daisy and Indigo Zap VS Stinky Butt the Foul

---

Stinky Butt the Foul was first.

Stinky Butt: (to Loki) I really like how Lola, Lynn, and your female counterpart have been calm about things lately.

Loki: Yeah thanks to Mandy and their hearts for not literally taking things too far.

Rainbow Dash: Yeah it's Awesome! But I feel bad for everyone that had to live here on this world. They went through so much here.

Scootaloo: No kidding but Eureka is really cool and those butterfly wings she has as we were flying were amazing!

Magma Gloom: They sure were. I think it's so cool that Renton has a Coralian for a wife.

Stinky Butt: Love can happen to anyone either on Earth or other planets.

Spitfire: That's true. I think it's amazing.

Lightning Dust: I do too. But I feel bad that Anemone had to go through all that.

Vapor Trail: Yeah that was awful. Tayuya feels for her because they went through the same things.

Sky Stinger: I wouldn't wish everything they went through on our worst enemies.

Angel Wings: Me neither. That's horrible.

Soarin: Everything that J.D. said about Orochimaru was absolutely despicable. He has no honor. Just all insane evil.

Night Glider: Yeah it's REALLY Sick.

Wind Socks: Yeah.

Stinky Butt: Thank goodness we didn't recruit him into the Masters of Evil.

Flash Magnus: And thank goodness J.D. banished him to the Warp forever.

Cloudkicker: Yeah after everything that Orochimaru did in his own selfish pursuits to learn all the worlds jutsu and live forever, he can burn in the Warp forever.

Blossomforth: Yeah he deserves it.

Derpy Hooves: I agree with you all on that.

Lemon Zest: Everything Orochimaru did is absolutely insane.

Sunny Flare: Yeah it was horrible.

Sour Sweet: So many lives were destroyed because of him.

Sugarcoat: And so many homes were destroyed too.

Frosty Orange: Yeah it's horrible.

Indigo Zap: He is a monster.

Gloriosa: Yeah he is.

Whirlwind: But thank goodness that J.D. got rid of him forever.

Thunderbolt: And thank goodness we will never see him again.

Stinky Butt: That is good. I see all of the Russian Members are with you.

Zarya (Overwatch): (Russian Accent) Yes it's part of a theme J.D. did. It's called Friends of Russia.

Andropov: (Russian Accent) It's a really good theme comrades.

Galova: (Russian Accent) You said it cousin.

Chill: (Russian Accent) I may not be from Russia but I do have a Russian Accent and that makes me part of Russia.

Cross Crow: (Russian Accent) I have a Russian Accent too and that makes me part of Russia too.

KGBeast: (Russian Accent) Russia is amazing.

Crimson Dynamo: (Russian Accent) It sure is.

Stinky Butt: Lets not forget Comrade Red. He is Russian too.

Loki: True.

Stinky Butt: Lets get it on!

FFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRTTTTTTT

He fired a powerful fart at them and Loki fired a huge fart at him.

FFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRTTTTTTT

The fart blasts collided and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They jumped out of the explosion and blasted him all over with energy and wind blasts and smashed him down.

Loki Loud: That was a stinky win!

Rainbow Dash: That was AWESOME!

---

Anti-Wanda was next.

Anti-Wanda: (to Loni) I don't think Lola, Lynn, and Lori have gone soft at all.

Loni: I don't think that either. They are just as good as they are whether they are soft or not.

Princess Luna: That's right. They may be the Trinity of Violence but they are still human and have great capabilities.

Snowdrop: Definitely. And their power is great.

Gari: Absolutely. No villain should EVER tell them otherwise.

Ink Rose: I agree. Villains can go screw themselves.

Moonlight Raven: You said it.

They high-five.

Blackout: I hope no villain tells them otherwise.

Nightfall: You said it!

Timmy Turner: I feel bad for Coop though. His dad and sister put him through a lot.

Cosmo: I'll say. (Picks his nose)

BLAM!

Wanda hit him in the head with a frying pan.

Wanda: Quiet you dunderhead! But Coop will come around and forgive them. It just takes time.

Poof: Yeah it does.

Trixie Tang: Thank goodness Coop didn't go through what I did.

Tootie: Yeah. Living with my former sister Icky Vicky was a total nightmare.

Chloe Carmichael: Yeah Icky Vicky is a monster.

Sparky: She sure is and she deserves to stay in prison.

Napalm Man: Yeah.

Crystal Man: Yep.

Anti-Wanda: I agree y'all. Lets do it!

She fired a magic blast and they dodged it and fired blasts of darkness and magic and smashed her down.

Loni: Totes fun!

Princess Luna: A victory of the night!

---

Cavalier was next.

Cavalier: (to Luke) This Earth does have similarities to our own.

Luke Loud: It sure does. But it was forever changed because of that alien coral.

Rarity: But thank goodness that no one got hurt here.

Sweetie Belle: The people here thought that the coral would destroy the world when in fact it was just the opposite. This coral made avatars to learn about us and be like us.

Thunder Terror: It sure did. That is amazing.

Sassy Saddles: (British Accent) I think so too. It's amazing.

Sapphire Shore: And Renton is a lucky guy. He and Eureka have their names carved into the moon.

Cavalier: I saw that! That is so adorable and romantic.

Saffron Masala: (Indian Accent) I think so too. I like it.

Vinyl Scratch nodded in agreement.

Octavia Melody: (British Accent) It is a most amazing sight and I can tell they were made for each other.

Cavalier: Indeed. I'm happy for them.

Jet Set: We are too.

Upper Crust: Absolutely.

Fleur De Lis: It's a beautiful romance for them.

Fancy Pants: Most amazing.

Rose: It's so beautiful seeing a romantic couple.

Daisy: It sure is.

Lily Valley: So cool.

Gill Grunt: It sure is.

Cavalier: You said it. But I feel bad for Anemone. She went through a nightmare.

Sugarcoat: She sure did.

Lemon Zest: Tayuya got through to her by revealing the full extent of her pain and torture.

Bloom: Yeah what happened to her was terrible.

Flora: They both went through horrible backgrounds.

Layla: Yeah that's awful.

Tecna: (British Accent) It sure is.

Stella: I have a feeling a new member of the Redemption Squad is in the works.

Roxy: I have that feeling too.

Musa: Same here.

Cavalier: Indeed.

Luke Loud pulled out a white glove and slapped Cavalier across his face.

Cavalier: I accept your challenge! Lets dance!

Luke Loud unsheathed his sword.

Luke Loud: En garde!

Cavalier unsheathed his sword and they clashed powerfully and sparks were flying all over and the group blasted and smashed him all over with water and elements and knocked him down.

Luke Loud: All right dudes!

Rarity: Rapture darling that was grand!

---

Battle 4: Lane, Princess Celestia, Light Skylanders, Hercules, Meg, Sora, Goofy, Donald, Kairi, Roxas, Xion, Namine, Mickey, Aqua, Ventus, Terra, Riku, Centaur Man and Flame Man VS Eris

---

Eris was next.

Eris: Now what is the deal with the Uchiha and why do they hate J.D. so much?

Lane: Well in 150,000 years, J.D. helped Itachi kill EVERY single one of the Uchiha except for Mikoto, Sasuke and Itachi. Even though Itachi killed all of the others. The reason is because the Uchiha were planning a massive revolt to overthrow the Hokage and take over the government.

Eris: Oh my goodness!

Princess Celestia: Yeah that's horrible!

Spotlight: All because they let their hatred, jealousy and evil get out of hand over the years.

Knight Light: Yeah they have no honor.

Hercules: No they don't and I hope J.D. makes the Uchiha extinct.

Meg: Yeah after everything that they did they don't deserve a second chance.

Sora: They brought all that on themselves.

Goofy: They sure did.

Donald: Yeah!

Kairi: The Uchiha have no love for anyone but themselves and they don't deserve anything.

Roxas: Yeah.

Xion: J.D. already killed Madara Uchiha and banished him to the Warp forever for his crimes.

Namine: Yeah and he was completely helpless against J.D.'s power.

Mickey: Madara Uchiha was the Devil Incarnate and he got what he deserved.

Aqua: He sure did.

Ventus: He was gonna destroy the entire world.

Terra: He makes me sick.

Riku: Yeah.

Centaur Man: He was a monster.

Flame Man: Yeah.

Eris: He was the worst ever monster ever known. Lets get it on!

She threw Golden Apples and they turned into bear traps and they dodged them and blasted her all over with light blasts and smashed her down.

Lane: All right!

Princess Celestia: That was amazing!

Lynn Jr.: It sure did but it wasn't all that bad.

Applejack: Yeah Renton told us that he and Eureka marrying brought two races from different planets together.

Apple Bloom: It sure is adorable.

Frozen Fright: Yeah it sure is. But what happened here that drove the people away was awful.

Apple Fritter: Yeah it was horrible. After 10,000 years everyone on Earth came back.

Big Mac: Eeyup.

Sugar Belle: But it's so cute that Renton and Eureka are together and have a family.

Mammoth: Yeah that is great. But why do the Uchiha hate J.D. so much?

Granny Smith: We heard that he is the one who killed the entirety of the Uchiha except for Mikoto, Sasuke and Itachi .

Apple Rose: We don't know the full extent of the story but it was awful.

Goldie Delicious: Yeah whatever happened with the Uchiha must not have been pretty.

Bright Mac: They must've done something that prompted them to be executed by him.

Pear Butter: And J.D. must've brought justice to them by killing them.

Rockhoof: (Scottish Accent) Aye. Whatever the reason is it must've been really big.

Cocoa Axe: (Irish Accent) Indeed lads.

Steela Oresdotter: (Norwegian Accent) Yeah whatever the Uchiha did must've been terrible.

Mammoth: We'll have to find out about it later. But it's amazing that Tayuya got through to Anemone.

Autumn Blaze: It sure is. Who would've thought that she and Anemone had very similar backgrounds.

Coloratura: Yeah that is very interesting. They both have really dark backgrounds and went through EXACTLY the same kind of backgrounds.

Flashwing: Yeah talk about coincidental.

Wallop: I feel bad for both of them however though.

Robin: We all do.

Starfire: They went through nightmares.

Raven: Nightmares we wouldn't wish on our worst enemies.

Beast Boy: Yeah that was horrible.

Cyborg: It sure was.

Tara: No kidding.

Blackfire: Yeah.

Brawl: That was awful.

Swindle: No kidding.

Blue Raspberry: I wouldn't wish that on my worst enemies either.

Strawberry Sunrise: Me neither.

Grand Pear: Same here.

Mammoth: Yeah. Lets do it!

Mammoth charged at them and they dodged him and smashed him down with Earth and fruit blasts and smashed him down.

Lynn Jr.: WINNER!

Applejack: YEEHAW! That was great!

---

Eccentro was next.

Prince Eccentro: (to Linka) I'm glad you guys didn't have to take Coop down.

Linka: We are too. But what that Kat did REALLY tore his entire family apart.

Sunset Shimmer: Yeah and it severed his bonds with his family.

Pepperdance: I hope that he can get his family bonds reinstated.

Cayenne: I do too. What the Kat did was awful.

Wallflower: Yeah it sure was. Poor kid.

Firecracker Burst: That Kat is ultimate evil.

Eccentro: Indeed. And that kat doesn't deserve to go to Heaven for its crimes.

Adagio Dazzle: No he doesn't.

Aria Blaze: OUR cats might but that one won't.

Sonata Dusk: Yeah.

Gusty: What the Kat did was absolutely disgusting.

Eruptor: I hope he burns.

Flare Wolf: Yeah he has no honor.

Eccentro: No he doesn't.

Mondo: But we've seen the last of him.

Rockna: And I hope he gets what's coming to him in the future.

Spectra: An eternity of damnation.

Gluko: You said it.

Batch: And it won't be pretty for him.

Luxord: Yeah.

Eccentro: No it won't. Lets do it!

He summoned an army of Sandworms and they fired fire blasts and they dodged them and fired waves of fire and lightning and smashed him down.

Linka: All right!

Sunset Shimmer: That was awesome!

Mondo: Another victory for…

Mondo and Rockna: THE MON COLLE KNIGHTS!

---

Raven Branwen was next.

Raven Branwen: (to Lars) If me and Yang can patch things up, Coop should be able to patch things up with his dad and sister as well.

Lars: Absolutely. Coop should never stay mad at his family forever after everything he went through.

Fluttershy: No he shouldn't. Not after everything we found out during the fight with Ray Finkle.

Tree Hugger: Yeah what he did was not cool.

Mage Meadowbrook: No kidding. But Ray Finkle got what he deserved because he let his hatred of Dan Morino destroy his mind.

Discord: Indeed he did and he deserves to be burning in the fires of hell for his crimes.

Zecora: What Finkle did was lack of good sport and he brought it down on himself in that sort.

Raven Branwen: He sure did. And all because he missed that easy field goal back 37 years ago. What a sore loser. But what is the deal with J.D. and the Uchiha?

Apple Bloom: J.D. killed all the Uchiha minus Itachi, Mikoto and Sasuke because the Uchiha were going to launch a revolt.

Sweetie Belle: They were going to overthrow the Hokage and take over the Government.

Scootaloo: The Third Hokage tried to talk them out of it. But because of their own selfishness they wouldn't listen.

Diamond Tiara: So J.D. was told to destroy the entirety of the Uchiha Clan except for Itachi, Mikoto and Sasuke. Nicole spared Sasuke when she formed Team Cosmic Dragon because she knew there was good in Sasuke.

Silver Spoon: But the Sasuke in 150,000 years was pure evil.

Raven Branwen: Oh man! So they were brought back by the Aparoids to get revenge!

Pipsqueak: (British Accent) Yeah that's crazy!

Triple Berry: I can't believe that the Uchiha had that much hatred and evil in them!

Snips: I hope J.D. brings the ultimate beatdown onto them.

Snails: Me too!

Zipporwhill: (Latin American Accent) Yeah they don't deserve a second chance after everything they did.

Tornado Bolt: It's absolutely sickening that they can have that much evil in them.

Tender Tap: No kidding. Awful people.

Button Mash: Justice was brought to them before and J.D. can bring it to them again.

Rumble: Yes he can.

Matoombo: The Uchiha have no honor.

Itassis: Except for Sasuke, Itachi and Mikoto and not those Evil Sasuke's.

Raven Branwen: You got that right. Lets do it!

Raven unsheathed her sword and they went at her and clashed all over and fired waves of leaves and energy and magic and smashed her all over the place and knocked her down.

Lars: Darkness prevails.

Fluttershy: That was fun.

The Condiment King was next.

Condiment King: (to Leif) I guess Anemone wasn't a bad person after all.

Leif: No she wasn't. She was just mentally unstable because of all the abuse she went through.

Starlight Glimmer: The poor girl went through a nightmare.

Trixie: Yeah she didn't deserve this.

Thorax: And I thought having to suffer the abuse of Chrysalis was bad but she went through something worse.

Sunburst: Yeah that is horrible.

Juniper Montage: Yeah no kidding. Poor girl.

Clover the Clever: It's sick that she went through all that.

Hex: But thanks to Tayuya and how she went through the same thing it's good that she helped set Anemone on the road to redemption.

Wolfgang: (Australian Accent) You said it mates.

Condiment King: Yeah that is a good thing. But it's also good that

Billy is back on the team.

Mordecai: It sure is. And he is loving it more than ever.

Rigby: You said it dude.

Benson: What that Professor Hardly did to him was disgusting. He made him insane and caused most of the Endsville sector to hate him.

Skips: What he did shows that he has no honor.

Muscle Man: Yeah it was sick dudes.

High Five Ghost: Yeah it was terrible.

Bombshell: Yeah no kidding.

Kickback: Yep.

Condiment King: Boy you're telling me. Lets do it.

He fired waves of ketchup and mustard and they dodged them and fired element blasts and smashed him down.

They pulled out hot dogs and put ketchup and mustard on them and toasted.

Lilly Crystal: Yeah he should have all that done to him.

Cloud Star: But the Warp is better.

2016 Morbucks: No kidding and I agree with all of you. Do you guys feel sorry for what happened to Coop?

Minuette: Absolutely! He did nothing to deserve all this from his family.

Twinkleshine: It was all because of that Kat that he had all this treatment done to him.

Lemon Hearts: Yeah he gives all cats everywhere a really bad name.

Moondancer: Because of that monster he severed his bonds to his family.

Lyra Heartstrings: It will take a long time to repair them after everything he did.

Bon Bon: It sure will. What a fiend.

Star Swirl: You said it girls.

2016 Morbucks: I hope he gets his family back together.

Spyro: Me too.

Pop Fizz: Yeah it is awful that all that happened to him.

SpongeBob: Thank goodness Plankton didn't do that to my family.

Sandy: He sure was.

Mr. Krabs: I just miss him though. Not the monster he turned into. I miss the Plankton that I knew that was me best friend.

Squilliam: I know Eugene. I know.

Mrs. Puff: And all because a recipe tore apart a great friendship.

Pearl: Yeah daddy never told us about how that happened.

Karen: I'm sorry that Plankton and Mr. Krab's friendship was ripped apart like that.

Larry the Lobster: Yeah that was rough.

Veon: Hard to believe something as petty as a recipe can tear apart a great friendship like that.

Hagger: Yeah that's wrong.

2016 Morbucks: No kidding. Lets do it!

She fired a money ray and they dodged it and fired elemental blasts and magic blasts and smashed her down.

Lexx: All right!

Professor XXXL: Wow! You all have amazing stories.

Octane: We sure do.

Shrapnel: Yep.

Professor XXXL: Lets do it!

Curly: Success!

Curly kissed Moe full on the mouth.

Moe: (Spits) I'm poisoned!

SLAP SLAP! HONK HONK! TWIST!

He slapped Curly twice, Honked his nose twice and twisted his ears.

Moe held his fist down.

Moe: See that?

Curly slapped his fist and Moe bonked him on the head.

BONK!

He strangled Curly.

---

Battle 14: Me VS The Uchiha Clan infected with Aparoids

---

I was facing the entirety of the Uchiha Clan and I mean ALL OF THEM! Except for Obito and Madara. I saw that Shisui, Izumi, and

Naori Uchiha were mindless.

Me: You guys don't have any idea who you are fucking around with.

Fugaku: We don't huh?

Me: That's right. Because I killed all of you like I did to Madara Uchiha.

Fugaku: YOU KILLED MADARA!?

Me: And I'm gonna do the same to all of you like I did 150,000 years in the future.

Fugaku: How did a fucking loser like you kill Madara!?

Me: He totally underestimated my power and he had no idea what he was up against. I am a god.

Fugaku: YOU ARE NO GOD!

Me: Oh really?

(IMPERATRIX MUNDI BY JO BLANKENBURG PLAYS AT 1:35 to 2:14)

I then had rainbow fire swirl around me and I was enveloped in a vortex of rainbow fire and then I transformed into my Super Angel-Ebonwu-Phoenix-Harmony 500,000,000 form.

Me: (Divine Echoing Elemental Voice) **Does this look like I'm bluffing?**

They totally had no idea that I had such power!

FUGAKU WAS INFURIATED!

Fugaku: (ENRAGED SCREAMING) YOU ARE JUST A WORTHLESS LOSER! YOU ARE NO MATCH AGAINST THE POWER OF THE UCHIHA! WE ARE THE ELITE AND THE BEST THERE IS!

Me: **Shit. Now I know who the evil Sasuke's got his fucking**

**balls from. I killed you all because you brought all your crimes all on yourselves. Your own selfishness, hatred, delusional ambitions lead to your downfall.**

Fugaku: YOU MOTHERFUCKING CUR!

He went at me and punched at me in the face and I blocked it and kicked him in the face and sent him crashing into the others.

Me: **Pathetic.**

(RAGE - NARUTO SHIPPUDEN MOVIE 2 OST PLAYS AT 2:18)

Fugaku then got up and then HE WENT COMPLETLEY INSANE! He went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! I fired energy blasts and they hit him all over and exploded and he was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and glared at me with extreme fury! All the other Uchiha came at me and I kicked and punched and pulverized them all over with incredible fury and I punched Shisui in the face and knocked him down and slashed an Uchiha in the stomach and bissected him and I kicked an

Uchiha in the stomach and punched him in the face and knocked him down and then I blasted all the other Uchiha with energy and Naori, Izumi and Shisui were restored and back to normal. I kicked Fugaku in the face and sent him crashing into the wall. He looked at me ferociously.

Fugaku: I HATE YOU!

My aura flared up with incredible force and he went at me again and I punched him in the stomach with incredible devastating force and he belched up a huge amount of blood and he was on the ground in agony.

Fugaku: I HATE YOU MORE THAN LIFE ITSELF YOU FUCKING CUR! YOU HAVE ALWAYS BEEN A MENACE TO THE ENTIRETY OF THE UCHIHA CLAN! YOU HELPED ITACHI KILL THEM AND YOU EVEN HELPED THAT RETCHED LOSER VILLAGE AND HOKAGE GET FAR STRONGER THAN ME AND FORGET ALL ABOUT THE UCHIHA!

Me: **Because they are nothing but a bunch of traitors, murderers, thieves and delusional monsters that care about no one other than themselves. Your crimes against the world are completely unforgivable. You think you are so entitled to everything and have everything handed to you all on a silver plater. That's all you ever care about is nothing but power. But there were exceptions in the Uchiha. Itachi, Naori, Izumi, Shisui, Mikoto, they were those that are exceptions. But the rest of the Uchiha are pure evil incarnate. You are nothing more than a bunch of sad and fucked up megalomaniacal fuckpots that has absolutely no respect for the value of human life at all and will do anything to get what they want. Even kill the people of their own village. You all fucking disgust me!**

Fugaku was enraged.

Me: **You're now about to see just how merciless the power of a god can be to anyone. Including you. I'm far more powerful than you ever will be in a quadrillion number of lifetimes and I am now going to make sure that you never get your hands on anymore power.**

Fugaku: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR!

Me: **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that you said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When you made your speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all you did was seal your fate. You poisoned your own son with your own hatred and turned him into a miniature version of you and you poisoned his mind with so much of your hatred that he became a totally lost cause. You made him into a homicidal and completely mentally unstable psychopath and he did not show any value towards friendship or comradery. He wanted everything handed to him on a silver platter just like you do. He cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that you were leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and are nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way you do all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy Madara Uchiha, murdering innocent people, stealing jutsu, and above all betraying the very village you founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your**

**pathetic goddamned motherfucking selves and that is why I killed them all. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry. YOU ALL FUCKING DISGUST ME!**

I went at Fugaku and kicked him in the face and knocked out some of his teeth and punched him in the stomach with a massive flurry of punches and he belched out blood and then I kicked him in the face and punched him in the nose and slammed a Rasengan in his stomach and sent him crashing into the wall. He got up and came at me again.

Me: **This will REALLY hurt. SENJU STYLE NINJA ART: ULTRA WOOD FLAME RASENSHURIKEN!**

I formed a Wood Rasenshuriken made of pure green fire and I smashed it into the floor and wood grew and skewered all the Uchiha bodies and trapped them in a huge tree and fruit rained down and smashed Fugaku all over and knocked him around and knocked him down.

He was knocked down.

---

We regrouped and we were facing Dark Anenome. Radiant Hope, Varie and Maria were healing curing Naori, Shisui and Izumi Uchiha.

Tayuya: In the words of Dark Spicer, your ass is about to be kicked!

Me: **Big time! Lets tear her apart everyone!**

Nico: YEAH!

Troy: It's over for you!

Megaforce Rangers: Legendary Ranger Mode: Star Earth Five!

The Megaforce Rangers turned into the Fiveman Rangers and we went at Dark Anemone.

We punched and smashed and pulverized her all over the place with incredible force and more.

Ed Cowart: EAT DIRT INSANE MONSTER OF DEATH! (BLASTS DARK ANEMONE ALL OVER) HAHAHAHAHAHAHAHAHAHAHA!

Earthworm Jim: EAT DIRT INSANE DIRTBAG! (BLASTS DARK ANEMONE ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Ets: Take this one! TECHNO STYLE NINJA ART: PLASMA BALL BARRAGE!

He turned his hand into a plasma cannon and fired energy balls and they hit Dark Anemone all over and burned her all over the place.

Ed then had a sword for his hand and he slashed Dark Anemone all over and cut her badly.

Lincoln: LIGHTNING STYLE: F-16 FIGHTING FALCON!

R. Mika: STRENGTH STYLE: C-146A WOLFHOUND!

Menat: SHADOW STYLE: RC-26B METROLINER!

Nanami: WATER STYLE: EH-60A BLACKHAWK!

Jessica: STING STYLE: AH-64 APACHE!

They summoned modern aircrafts made of different elements and they went at Dark Anemone.

Offroad, Ultra Humanite, Tsunade and Sideswipe used the Earth Cyber Planet Keys and they enhanced Offroad's Glass Gas, Ultra Humanite's Psychic Powers, Tsunade's strength and Sideswipe's phosphorus flares 100-fold.

Offroad and Ultra Humanite: PSYCHIC GLAS SHRAPNAL!

Tsunade and Sideswipe: SMASHING FLARE STRIKE!

Offroad fires waves of glass gas and Ultra Humanite fired psychic blasts. Tsunade punched the ground and Sideswipe fired flares.

Tayuya, Renton and Eureka: LIFE FLUTE ULTRA BLAST!

Lincoln, R. Mika, Menat, Hilda, Toph, Entrapta, Frosta, Perfuma, Mai, Nanami and Jessica: FINAL SMASH: JET ICARUS SLASH!

They fired elemental energies and they formed into Jet Icarus from the Jetman rangers and it used its Biirdonic Saber and slashed Dark Anemone all over.

The blasts all hit Dark Anemone and obliterated her into nothing and sealed her into the Book of Vile Darkness forever.

Me: **That did it!**

We powered down. We won!

Renton: Thank goodness.

Eureka: Yeah.

Lola: At least Anemone is cured.

Eureka: Thank you all for helping us today.

Eccentro: No problem, Eureka.

Raven Branwen: You guys are going to love it on our Earth.

Condiment King: (to Coop, Burt, and Millie) I think there's something that you guys should say to one another.

Maria: I don't think it's a good idea to rush things.

2016 Morbucks: If this isn't settled now, Coop's going to be put in the same position that Dark Anemone forced him into.

Me: I agree.

Coop: Dad, Millie, I am not ready to fully forgive you just yet. But I will give you another chance. It's gonna take a while for me to fully trust you all again.

Burt: I understand son.

Millie: Thanks bro.

Me: Awesome. And I brought back Shisui, Naori and Izumi Uchiha.

Sasuke: Always good to have fellow clan members back.

Shisui: Same here Sasuke.

Itachi: It's great to have my best friend back.

Shisui: Same here Itachi. Same here.

Naori: It's awesome to be back.

Fugaku then appeared and he was bleeding profusely and was out of his mind!

Fugaku: YOU WILL NEVER GET OUT OF HERE ALIVE!

Sasuke: Father it's over! You've lost. Accept your defeat like a man.

Fugaku: I WILL NEVER LOSE! I'M SORRY SON! THIS IS FOR YOU LORD MADARA!

He went through a huge number of handsigns and I recognized the jutsu he was gonna use.

Me: Oh no! Lets get out of here!

I teleported everyone on the planet and us back to the ship and we hightailed it out of there. We got out of the planet and took the Coral Ring and Moon with us.

Fugaku: FIRE STYLE: ARMAGEDDON!

He released a massive flash of white light and fire and then the entire planet exploded in a massive explosion!

***KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

We got out of there just in time!

Me: Whoa! That was a close one!

Twilight Sparkle: What was that technique he used?

Me: It was a deadly catastrophic forbidden jutsu called Fire Style: Armageddon. What it does is it's a Kamikaze Technique that turns the user into a bomb that possesses enough power to destroy an entire planet. It turns them into a living Gamma Ray Burst and it has that kind of power.

Twilight Sparkle: Whoa! That's horrible!

Me: No kidding.

Eureka: But thank goodness we're heading to another Earth.

Lola: Yeah. You will love it.

Eureka: (To the viewers) This was one intense adventure! I hope you all like the next one as much as all of us will.

Lola: I know I will.

Me: Same here. Set course for home.

We went back home.

The ship was flying through space towards our Earth. Fugaku's evil spirit and the spirits of the Uchiha that were killed were banished to the Warp forever for their crimes. Now we have seen the last of the Evil Uchiha Clan.

Bart and Lisa: Are we there yet?

Homer: No.

Bart and Lisa: Are we there yet?

Homer: No.

Bart and Lisa: Are we there yet?

Homer: No.

Bart and Lisa: Are we there yet?

Homer: No.

Bart and Lisa: Are we there yet?

Homer: (Annoyed) No!

Bart and Lisa: Are we there yet?

Homer: (ANGRY) NO!

Bart and Lisa: Are we there yet?

Homer: No!

Bart and Lisa: Are we there yet?

Homer: NO!

Bart: Are we there yet?

Homer: WHY YOU LITTLE!?

Lily tazed him and calmed him down and we laughed at that. We got Eureka and Renton and his friends and the people settled into our Earth and then we had dinner and went to bed.

THE END

Another funny and awesome adventure done.

Eureka Seven was an awesome show back in 2005. I never saw it but it's amazing that it all took place all that time into the future. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Etstheclarencefan, vinjedi1995, Darkhai, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this one. Thanks guys. Get ready to laugh your heads off until your sides bleed as we go to the year 3001.5 and meet Bobobo Bo-Bo-Bobo and help him take down the evil Shavers and the evil king. We're REALLY gonna be laughing at everything he does in that adventure. Expect a lot of Fourth Wall Breaking, crazy shenanigans, silly jokes and more in that.

See you all tomorrow.

HOLD ON TO YOUR SIDES

---

We were over in Paris, France and we were there to visit Marinette's mom and dad and Chloe's dad.

Bounce Man: Good to be back in Paris.

Me: Boy you said it.

Marinette: I can't wait to see my mom again.

Chloe: Yeah and my dad.

Anne-Maria: I missed dad.

Chloe: Me too.

Me: Things have been really busy for all of us.

Applejack: Hoowee! I'll say.

Nico: Yeah they have.

Lola: I can't wait to see how Marinette and Chloe's parents are doing since we saw them the last time.

Rainbow Dash: I can't wait to meet them.

Rarity: I can't wait either.

We arrived at the Cheng residence and knocked on the door and answering it was Sabine Cheng and Tom.

Pinkie Pie: Hi! You must be Marinette's mommy and daddy!

Sabine: We sure are.

Me: Bonjour Mrs. Cheng and good to see you again Tom.

Tom Dupain. Same to you J.D.

Nico: How have you all been doing since we were here the last time?

Sabine: Doing really well. Come on in.

Me: We have so much to tell you all.

Sabine: Come on in guys.

We went in and just by coincidence Chloe's dad André and mom Audrey were there.

Chloe: Mom, dad!

Mayor Bourgeois: Oh sweetie.

They hugged.

Audrey: We're so glad you're doing good.

Me: Hello Mr. Mayor, hello Audrey.

Audrey: Hello J.D.

Me: We have quite a series of adventures for you all to hear.

We had some tea and we had cookies too.

Nico: We have so much to tell you all. But I have something to say first.

Sabine: What is it?

Nico: (to Marinette's parents and Chloe's parents) I would like to apologize for what happened when we fought Hawk Moth. I was temporary leader of the team during that time. So, it's my fault that Lila was pushed into injuring two of you and most of Paris getting Akumatized. And for that, I'm truly sorry.

Drag Strip: (looks at me and the Loud Kids) Although, none of it would've happened if certain people hadn't been so reckless in exposing Lila.

Me: Drag Strip now is not the time for reprimanding. But yeah you do make a good point.

Twilight Sparkle: What did Nico mean by that?

Me: Right it was long before most of you all joined us. It was one of the most amazing adventures we've ever had.

I went over everything that happened during the events of chapter 901.

When I was finished everyone was amazed.

Eli: Wow! That's incredible!

Emma (ELGVTWD): Yeah that is amazing!

Hunter: (German Accent) It was. Und it was one of the most strenuous missions we have ever been on.

Me: It was really tough.

Applejack: Boy I'll bet. But who is Lila Rossi?

Me: You would hate her to the core Applejack.

I went over her history.

---

**Lila Rossi**, also known as **Volpina** and later **Chameleon** in her Akumatized forms, is a major antagonist in the 2015 French superhero cartoon series *Miraculous: Tales of Ladybug and Cat Noir* . She is the minor antagonist of Season 1 and Season 2, as she first appears in the Season 1 finale "Volpina" and Season 2 two-part finale "Heroes Day" and then she returns in a recurring role in Season 3 as a major antagonist. She is a student at Collège Françoise Dupont with a penchant for lying, who is bent on destroying Ladybug (and, by extension, ruining her alter-ego Marinette Dupain-Cheng) and getting Adrien Agreste to love her, thus allowing her to be Akumatized by Hawk Moth on several different occasions.

She is voiced by Clara Soares in French and Lisa Kay Jennings in English.

Pre-Series

Not much is known about Lila's early life aside that she was born in Italy and that her mother works at an embassy. She enrolled in Collège Françoise Dupont in Paris, France as a transfer student.

Season 1

In " *Volpina* ", while heading to class, Marinette begins to hear numerous stories about Lila, who is said to know Prince Ali, even having ridden in his private jet, have a song written about her by Jagged Stone, and know all the famous Hollywood directors. Confused, Marinette asks Alya about Lila, who explains she is a new student from Italy, pointing to her upstairs with Adrien (whom she is very clearly infatuated with), before playing a Ladyblog interview in which Lila claims she is close friends with Ladybug. Seeing Lila with Adrien, Marinette begins to panic about how he might fall in love with her and follows them both into the library. In the library, Lila prepares to study with Adrien and notices the Miraculous Spellbook which he had taken from his father. Seeing the past heroes documented within it, she claims to love superheroes, only to become quickly annoyed upon noticing Adrien's crush on Ladybug. Again claiming to be friends with Ladybug, she suggests that they meet at the park after school where she can tell Adrien more about their friendship.

As Adrien hastily attempts to leave for his fencing class, Lila startles him, making him spill his books from his bag. Whilst confirming their meeting at the park, she slips the Spellbook away from him. After Adrien leaves, she flips the book open to a page about a Fox Miraculous holder, and, declaring it "interesting", leaves. Later, Lila goes to a jewelry shop, where she buys a necklace that resembles the Fox Miraculous, all while being watched by Marinette and Tikki, the latter wanting to find out if the book is the same one Master Fu lost. While comparing her necklace to the one in the book, Lila spots Adrien and panics, immediately hiding the book by tossing it in a garbage can. As Marinette and Tikki recover the book, Lila lies to Adrien by claiming that she is the descendant of the vixen superheroin Volpina, who is far more powerful and celebrated than Ladybug. Enraged, Marinette transforms into Ladybug and calls Lila out for her lies, making her run off, crying. Saddened that her chances with Adrien have been ruined, Lila declares her hatred of Ladybug to a poster featuring her and begins crying again.

Sensing Lila's sadness, Hawk Moth sends an Akuma after her, which possesses her necklace. Hawk Moth offers to grant Lila the power to bring her lies to life, also instructing her to pretend to be a real superhero so that she can gain Ladybug and Cat Noir's trust in order to betray them and steal their Miraculous. Lila eagerly accepts the offer and transforms into Volpina, using her powers to make the Ladybug poster of one of her carrying Adrien away, before leaving. Later, she uses her powers again to create an illusion of a giant meteor, which, using another illusion of herself, she stops and throws away with ease, though the meteor illusion falls apart upon hitting a pigeon. Volpina declares herself as the only superhero Paris needs while Ladybug and Cat Noir discuss her arrival, only for her to suddenly come to them asking for help. The three-run to another rooftop to see Hawk Moth standing out in the open, Volpina claiming that they need to pool their talents in order to take him down. Ladybug becomes skeptical about the meteor and Hawk Moth both appearing in one day and questions Volpina about her Miraculous and abilities, which is cut short when Hawk Moth makes his escape.

The three chase him to the Hôtel de Ville and Volpina orders Ladybug to go right and Cat Noir to go left while she takes Hawk Moth from behind, only for Ladybug to rebut her orders with her own, which doesn't bother Volpina. Volpina then flies behind a chimney, where she is destroyed by the real Volpina, who comments that Ladybug and Cat Noir are falling into her trap. Ladybug soon loses Hawk Moth and is cornered by an assembly of fake weapons conjured by Volpina, who reveals her true intentions and, indirectly, her identity. Volpina proclaims that everyone now thinks she is a superhero and everyone will think Ladybug is the liar, before being instructed by Hawk Moth to get Ladybug's Miraculous. Volpina threatens Ladybug and seemingly destroys a building in order to force her to give up her Miraculous, only for a pigeon to destroy the illusion and make Ladybug realize what her powers are. Ladybug destroys the weapon illusions and the fake Volpina and calls Cat Noir to tell him the truth, theorizing that Volpina could be headed to Adrien's house.

At his house, Cat Noir detransforms back into Adrien, planning to talk Volpina down. Immediately afterwards, Volpina, again just an illusion, quickly arrives and proclaims how she is a "real" superhero to him. Ladybug then bursts in and confronts Volpina, who claims that she is jealous of her and Adrien's relationship, the latter gently dismissing her claims before running off to transform. While Ladybug and Cat Noir are distracted by several illusions of herself, another illusion of Volpina kidnaps "Adrien" and takes him to the Eiffel Tower, threatening to throw him off if the heroes don't give up their Miraculouses. While Ladybug prepares to give up, Cat Noir isn't fooled and destroys the illusion, and he and Ladybug chase the real Volpina up to the top of the tower. Volpina creates an illusion army of herself, however, using her Lucky Charm, Ladybug summons an ice cream bar, which gives out a powerful light in order to blind and gives away the real Volpina. Cat Noir then traps Volpina using his Cataclysm, allowing Ladybug to destroy her necklace and de-akumatize her. Ladybug apologizes for her overreaction previously, hoping to settle Lila's anger, although she refuses to forgive her, claiming they'll never be friends before storming off. From his lair, Hawk Moth, sensing that Lila is still angry, ominously says that Ladybug hasn't seen the last of Volpina.

Season 2

In " *The Collector* ", Marinette mentions Lila while telling Master Fu where she found the Miraculous Spellbook.

In " *Sapotis* ", Alya, after using the Fox Miraculous to transform into Rena Rouge, remarks how she looks "like Lila when she was akumatized".

In " *Catalyst* ", while preparing for his new plan to take Ladybug and

Cat Noir's Miraculouses, Gabriel Agreste remarks that he won't forgive himself if it fails, only for Nathalie Sancoeur to tell him that it is flawless as Lila has spent months growing her hatred of Ladybug and it will be peaked now that everyone is celebrating her on Heroes' Day. At the same time, Lila, video chatting with her classmates from the Kingdom of Achu, tells Miss Bustier's class about how Prince Ali had invited her family to stay in his palace. Marinette quickly tries to debunk her claims by pointing out that Prince Ali is in the U.S., but Lila rebuffs this by reminding her she never said Prince Ali was with them. Lila then tells the class that, for her Heroes' Day assignment, she is going to get Prince Ali's approval for a project to reduce pollution in several different countries, claiming even superheroes like Ladybug can't solve every problem.

Upon ending the chat, Lila, who was really just in her room the whole time, is met by her mother, who is wondering who she was talking to on the phone. Lila lies and says it was her boyfriend Adrien, and further claims that the school is still closed because of the constant akuma attacks. Her mother is subsequently called by Mr. Damocles, although Lila convinces her not to answer him as he's probably been akumatized as well. They are both then interrupted by the Heroes' Day parade, which irritates Lila. Following her mother's leave, Lila is seen bitterly scrolling through news feed of people showing their appreciation for Ladybug, when, as part of Gabriel's plan, she comes across an interview featuring him. Gabriel claims that to show his appreciation towards Ladybug for saving him, his son, and Paris on numerous occasions, he is financing a movie about her, while also dismissing fake heroes like Volpina.

Seeing this, Lila is driven over the edge and proclaims her hatred of Ladybug. Sensing her anger, Gabriel transforms into Hawk Moth and sends an akuma after her, which attaches to her bracelet. Greeting Hawk Moth, she is offered the power of illusion again and the opportunity to get back at Ladybug, which she readily accepts, turning back into Volpina. Over the parade, Volpina casts an illusion of an evil, akumatized Ladybug dueling with Cat Noir, culminating in Ladybug destroying the latter with his own Cataclysm, imbuing all of Paris with fear and sadness. Pleased, Hawk Moth contacts Volpina and tells her that she played her part perfectly and will see him again soon, Volpina claiming that she can't wait. Hawk Moth then revokes Lila's akuma, and she, smiling, watches as it is de-akumatized and her illusion fades away. Later, after Hawk Moth re-akumatizes most of his past victim's thanks to Catalyst's empowerment, Lila is presumably transformed again off-screen.

In " *Mayura* ", as the final step of Hawk Moth's grand plan, Volpina is summoned to the Eiffel Tower and creates an illusion of him to hold Ladybug and Cat Noir's attention while they are shot by Dark Cupid's arrows and imbued with hatred in order to make them vulnerable to akumatization by the real Hawk Moth. However, the plan fails when Ladybug spots Hawk Moth due to the reflective cover of the Miraculous Box she received from her Lucky Charm, resulting in Hawk Moth's cane being destroyed by Cat Noir, de-akumatizing everyone at once. When this happens, Lila is shown being shocked at the sight of her purified akuma flying away. After everything is reverted back to normal by Ladybug, Lila is last seen bitterly looking down on the picnic Marinette had thrown for her class before closing the shutters on her window.

Season 3

In " *Chameleon* ", after finding that the class seating has been rearranged, leaving an open spot beside Adrien, Marinette believes that Alya had set things up so that she could sit with Adrien, only to quickly find out that she is really sitting in the back, since Adrien's new seating partner has a hearing problem and has to sit in the front. Lila subsequently arrives and sits down beside Adrien, and Marinette skeptically asks about her hearing problem. Lila claims that she has suffered from tinnitus ever since she burst her eardrum while saving Jagged Stone's kitten, and then becomes excited with the idea of having Adrien help her catch up on all the school she missed while travelling the world with her parents. Marinette complains about having to sit alone at the back of the class, and Adrien offers to switch spots with Marinette, which both she and Lila firmly oppose. Lila pretends to mope about how her return has caused problems for everyone and how she should have stayed on the other side of the world, gaining everyone's sympathy and forcing Marinette to sit in the back.

Outraged by Lila's lies, Marinette becomes vulnerable to akumatization, only to back down before she can be akumatized, though Hawk Moth remains confident that her emotions will get the better of her again. During lunch, Lila has her classmates hand her food, telling them that she can't do it herself due to a sprained wrist. Marinette angrily informs Alya and Nino that Lila is manipulating everyone and explains to them why she believes she's a liar (summarizing her appearance in " *Volpina* "), although, without clear proof, they both refuse to believe her. To prove her point, Marinette hurls a napkin at Lila, and she catches it with her "injured" wrist, proving she was lying about it. However, Lila quickly covers herself by pretending to be hurt and claiming that she was trying to save Max since she saw a man get his eye gouged out with a napkin while in India and didn't want the latter to be hurt in the same way (which doesn't have any sense at all, as Max is wearing glasses and these should protect him from something like that). As Marinette's classmates turn on her, Lila tries to sway their anger by claiming Marinette was really just trying to hand her a napkin, causing the latter to angrily storm off.

In the bathroom, Lila confronts Marinette on why she doesn't like her, insisting that they should be friends and that she could even help her with Adrien, but Marinette rebuffs her by stating they will only be friends when she stops lying to everyone. Lila quickly remarks that she only tells people "what they want to hear", which Marinette calls out as plainly lying. Lila, unconcerned, smugly remarks that there's nothing Marinette can do about what she's said anyway and threatens to make her lose all her friends and destroy her chances with Adrien if she decides to work against her, leaving her to decide whose side she's on by the end of the day. After Lila leaves, Marinette enters a state of distress, concerned about the former ruining her entire life, making her once again vulnerable to akumatization. In the hall, Lila meets up with Adrien, asking him when he is going to help her catch up on her studies and if he could also help her learn piano as well, claiming that her uncle was a great pianist who was unable to teach her due to arthritis. Adrien agrees to take up Lila's proposal yet kindly asks her not to lie to him as she did before, even offering to help her out if she has a problem.

Upset by Adrien still thinking she's a liar because of Ladybug, Lila storms off, believing that he's trying to act like Ladybug as well by lecturing her. At the same time, Marinette, with help from Tikki, drives off the Akuma by losing her negative emotions, confusing Hawk Moth, who quickly decides to grab onto another source of negative emotions instead. Immediately afterwards, Lila, still furious with superheroes, spots the Akuma and, wanting to have powers again, grabs it and plants it in her earring. Lila then greets Hawk Moth and asks to have supervillain powers so that she can destroy Ladybug, and he agrees, transforming her into Chameleon. Lila, as Chameleon, heads off to Adrien after this, feigning remorse for her actions while stating that she wants to make peace with him. She then kisses him, both stealing his appearance and putting him to sleep, sarcastically remarking that she lied about her claims. After stuffing the real Adrien in a locker, Chameleon heads up to Nino, insults him, and steals his cap before hopping away to the Eiffel Tower, with Ladybug following her.

Chameleon quickly starts causing chaos in order to slow Ladybug down before hopping up to the Eiffel Tower, remarking how the former always shows up at the first sign of trouble. Chameleon falls off the tower so that Ladybug will save her, and she tries to kiss her in return. However, Ladybug refuses this, knowing that she isn't the real Adrien and the two fight. Ladybug holds Chameleon down and tears Nino's cap, believing it to be her akumatized object, only for nothing to come out and the former to get away. Ladybug chases after her, and is directed over to a merry-go-round by boy named Quentin who claims to have seen Chameleon in it. However, "Quentin"'s mother then appears and thanks Ladybug for finding her son, revealing that he is actually Chameleon in disguise. Chameleon leaps towards Ladybug in order to kiss her, only for Cat Noir to show up and take the kiss instead. Now transformed into Cat Noir, Chameleon attempts to steal the real Cat Noir's ring but is stopped by Ladybug. Chameleon summons Cat Noir's Cataclysm and engages Ladybug, who runs away, encouraging the former to follow her. Hawk Moth commands Chameleon to take Cat Noir's Miraculous, but she denies him, wanting to take Ladybug's first, immediately chasing after Ladybug in response.

Chameleon confronts Ladybug on the Eiffel Tower, where she summons her Lucky Charm and receives a T-shirt, with the former arrogantly certain that she can't do anything to stop her with it.

Chameleon engages Ladybug again and tries to kiss her and put her to sleep, only for Ladybug to make her use her Cataclysm on the tower, bringing them both to a cafe stand on the lower level. There, Ladybug tricks Chameleon into kissing an oyster, transforming her into one as well. As Cat Noir wakes up and returns to her side, Ladybug has the woman at the stand open Chameleon's mouth using a prying tool and the T-shirt, destroying her akumatized object (now a pearl) and deakumatizing her in the process. Seeing that Lila was Chameleon the whole time, Ladybug remarks that she can't lie about being saved by her now and successfully calls a truce between them. Ladybug subsequently advises Lila not to lie in order to get people to like her, as they will like her for being herself, and she agrees. However, after Ladybug and Cat Noir leave, Lila stares off hatefully, revealing she was just pretending to change. Hawk Moth, knowing her skill at lying and that she's still holding onto her grudge, says that Lila's hatred for Ladybug will end up serving his goals one way or another.

Back at school, Lila continues to lie about her relationship with Ladybug, and Marinette prepares to call her out, only for Adrien to talk her down, claiming that humiliating Lila will only make things worse and that it doesn't matter so long as they both know the truth. When class resumes, Adrien, admiring her choice of the high route, decides to sit at the back with Marinette - to Lila's confusion - resulting in Marinette missing Miss Bustier's attendance call three times. Thinking Marinette actually does have hearing problems now, Miss Bustier decides to place her at the front of the class with Lila. In order to avoid sitting with Marinette, Lila tells Miss Bustier that her tinnitus has gone away thanks to Ladybug and that she can now sit at the back of the class with Adrien. Ironically, this ends up setting off a domino effect, resulting in everyone switching back to their original seats, leaving Lila alone at the back of the class. After school, Lila confronts Marinette, declaring that they are both at war. She promises to make her wind up all alone and steal Adrien from her, however, Marinette calmly blows her off. Shocked at Marinette's response to her threat, Lila walks away in a huff.

In "Gamer 2.0", Max approaches Lila with the offer to play the new video game he created, but she politely declines the offer, claiming to be busy meeting with Prince Ali after school. Later, when Max is akumatized into Gamer 2.0, Lila is one of the many past akumatized victims summoned to his lair, and is turned back into Volpina to serve as a a character in his game. Gamer subsequently plays as Volpina in order to face Ladybug as The Evillustrator; Volpina summoning a number of illusions of herself before being easily knocked out of the arena by a boxing glove drawn by Evillustrator, Ladybug additionally remarking she has "wanted to do that for a long time". During the final battle against Gamer 2.0, Ladybug, using the items of the characters she has defeated, summons Cat Noir's ring, Troublemaker's pen, Sandboy's pillow and Volpina's flute to assist her, with her using illusions of herself created by the flute to fool Gamer 2.0 into touching the ground and eliminate himself.

In "Oni-Chan", Lila is shown getting ready for school while listening to a message given to her by her mother, who claims she will again be late tonight but will make sure to spend time with her on the weekend. Lila then leaves her house and is met by Nino, who notices that she looks upset. She convinces him that the reason she is troubled is that she will have to pass up a chance to go to a gala with her mother because of all the homework she missed in her first trimester, and that she doesn't want to ask Adrien for help because he will think she's in love with him as his other fans, thus getting Nino to ask him for help for her. Later on, Adrien approaches Lila and offers to help her with her homework, while, at the same time, Marinette spies on both of them. Lila then tells Adrien that they would work better at his house, which he disagrees to since his father does not allow his friends to be over, though Lila is sure she can convince him otherwise.

Lila proceeds to exit the school with Adrien and manages to persuade his bodyguard into letting her come back to the Agreste mansion with them; while, at the same time, Marinette peruses them. Once they reach the mansion, Lila is confronted by Nathalie, who refuses to let her inside until she fools her by saying that Adrien needs help with his math homework and that she will only need to be in the house for a half hour, although Adrien criticizes her for lying afterwards. In Adrien's room, Lila begins to snoop around and becomes jealous after seeing photos of both Kagami Tsurugi and Ladybug. Nathalie then comes to tell Lila her time is up afterwards, and she takes a photo of her kissing Adrien before leaving, which she immediately sends to everyone in the school, including Kagami. As she is about to exit the mansion, Gabriel spots Lila, who quickly proclaims that she is his biggest fan before rushing out. Outside, Lila spots Marinette (who had fallen in a pile of garbage as a result of her attempt to get into the mansion), and considers posting a photo of her on the Internet to humiliate her, but deems this as "too easy".

At the same time, Gabriel chastises Nathalie for letting Lila in his house, claiming that he doesn't want his son to be influenced by his friends, yet, at the same time, the photo she had sent may be useful in keeping her away from him. Surely enough, Kagami is heartbroken upon seeing Lila's photo, allowing Hawk Moth to akumatize her into the villain Oni-Chan to seek vengeance on Lila. Oni-Chan immediately sets out after Lila and tries to force her to renounce Adrien, and becomes further enraged as she continues to lie. Cat Noir then arrives and fights Oni-Chan while Ladybug helps Lila escape, although she is ungrateful and claims she can take care of herself. Oni-Chan manages to catch up to them and touches Lila with her sword before she runs away, stating that there is nowhere she can run from her. Lila manages to stop Roger Raincomprix and convinces him to help her, and afterwards notices that a red horn is forming on her forehead. Then, Roger checks his phone to see a strange message, which causes him and Oni-Chan to switch places.

Lila runs out and tries to get help from Sabine Cheng in her bakery, only for her to also swap places with Oni-Chan upon checking a strange message on her phone. As Oni-Chan is confronted by Tom Dupain, Lila escapes and lies to Ladybug and Cat Noir by claiming she now trusts them, causing her horn to grow. Ladybug switches place with Oni-Chan after checking a message, which causes her to realize that Oni-Chan transports herself by sending messages to those near Lila. Oni-Chan again catches up to Lila when she runs away and tries to force her to renounce Adrien, which she does, only for her horn to grow and give away the fact she is lying. Oni-Chan tells Lila that the only thing that will make her horn go away is if she gives up Adrien sincerely, and Lila responds that doing such a thing would be too hard for her, and that the only thing that could make her renounce Adrien would be if she eliminates Ladybug for her; a claim which amazes Hawk Moth. As Ladybug and Cat Noir arrive, Lila pretends to have hurt her ankle and has the latter take her away, leaving Ladybug to be defeated and restrained by Oni-Chan. Cat Noir manages to stop the Fire Captain and tries to get him to take Lila to the hospital.

As he is inspecting Lila's leg, the Fire Captain receives one of Oni-Chan's messages, which Cat Noir stops him from reading by telling him that Lila's leg is more urgent, though he reveals it is fine. Cat Noir then realizes that Lila deliberately got him to abandon Ladybug so that she would be defeated, which she denies doing, only for her horn to grow and again give away her deception, and he has the Fire Captain swap places with Oni-Chan before she can take Ladybug's Miraculous. Formulating a plan, Ladybug has Cat Noir bring Lila back to her, which causes her to receive one of Oni-Chan's messages, thus allowing them to swap places, leaving Oni-Chan restrained and open to being deakumatized. Cat Noir then takes Kagami back to her home, while Ladybug, noticing that Lila's leg has "healed", leaves her to walk home by herself. At the same time, Hawk Moth, instead of mourning his defeat, remarks that it was unwise to try and keep Lila away and that she will be a great ally. The next day, Lila tries to get Adrien to help her with homework again, though he chooses not to, telling her that her lies had gotten Nathalie and his bodyguard in trouble and that he won't help her if she hurts the ones he loves. Then, Lila receives a call from an unknown person, who is later revealed to be Gabriel Agreste. Gabriel and Lila meet at the former's mansion, where he decides to allow Lila to be friends with Adrien, noting that they will meet again soon.

In "Miraculer", as part of their new plan to bring Chloé over to their side, Gabriel and Nathalie decide to use Lila to manipulate her into losing faith in Ladybug. The two drive up to Lila as she is reading in the park, and she tells them of how grateful she is for Gabriel letting her protect Adrien from bad influences, particularly voicing her disdain towards Nino, Marinette, and Chloé; the latter of whom she claims is too busy boasting about being Queen Bee, though Adrien is so perfect he doesn't care. Gabriel tells Lila that Chloé and Adrien won't be easy to separate since they have been friends for a long time and then promises that they will meet again soon before driving off. In his limousine, Gabriel states his confidence to Nathalie that Lila will swiftly take care of Chloé for them. Surely enough, Lila goes to school and greets Chloé, Sabrina, Marinette, Adrien, Nino, and Alya as the former is complaining about Ladybug not calling on her to help fight akumatized villains, though upon seeing her Marinette quickly pulls Alya away to study, and Adrien and Nino follow.

Left alone with Lila, Chloé fails to recognize her, claiming that she mustn't have made a strong impression on her when Sabrina points out that she's in their class. Lila then brings up the topic of Ladybug and states that the both of them are actually good friends, much like how she and Chloé "used" to be, and further claims to have a magic code that, unlike Chloé's Bee Signal, always brings Ladybug to her. Chloé initially shrugs this off, only to become interested when Lila offers to share her code, telling her that she'll know if Ladybug is a true friend or not if it works. Following this, Hawk Moth senses that Lila has succeeded as Chloé's anger is rising and sends Mayura off to further their plan, with her creating a giant lollipop Sentimonster from August's frustration to cause destruction.

Seeing the monster, Chloé decides to use Lila's code to bring Ladybug to her-said code is jumping around in a circle on one foot while chanting Ladybug-though this fails to work before Ladybug succeeds in defeating the monster. Chloé angrily realizes that Lila had tricked her and subsequently lashes out her frustration on Sabrina, which makes her vulnerable to being akumatized after Hawk Moth's attempt at doing so with Chloé fails. The next day, Chloé angrily confronts Lila over her deception, though she is quick to point out that she actually did end up spending the day with Ladybug in fighting against Miraculer with her. Realizing that Lila is technically right, Chloé deems that she "isn't totally useless" before walking away, Lila being seen smirking in response.

In "The Puppeteer 2", a wax statue of Volpina is seen at the Musée Grévin, and is later among the many villain statues brought to life by the Puppeteer to fight Ladybug and Cat Noir, although it is destroyed by the latter.

In "Startrain", Lila attends her class trip to see Big Ben in England, sitting beside Sabrina on the train there. Later, when Marinette and Adrien end up sleeping beside one another, to the approval of their friends, Lila notices and goes over to Marinette to wake her up. Alya stops her from doing so, with Lila claiming that she gets motion sickness while travelling and wants Marinette's advice since she has a solution to everything. Sabrina then offers to help by getting something from her suitcase, which Lila thanks her for. As Sabrina leaves, Lila stares off at her in an annoyed manner.

In "Timetagger", Lila babysits Ella, Etta, and Chris for Alya and Nino. She tells Chris that not only does she play the game Freestyle Clash 2 - she invented it. When Chris asks if this is true, Lila says that she never lies and kisses his nose, causing Chris to think that she is cool.

In "Félix", on the anniversary of the disappearance of Adrien's mother Emilie, Lila is seen on a video chat with Marinette and her other classmates, and supposedly joins in on the latter's plan to send Adrien a comforting video message. Later, after Adrien's cousin Félix disguises himself as Adrien and insults all of his friends in a reply video, Lila shares it with Nathalie in Gabriel, who realize Félix's deception and decide to use the negative emotions it will cause to their advantage.

When I was done everyone was horrified!

Eli: That rotten parasite!

Ets: That girl is a monster! She should have never gone to Marinette's school.

Emma (ELGVTWD): When I see her I will hack her to death.

Me: No need for that Emma. She's locked up in the Saturn Insane Asylum.

Eureka: Good she can stay there for all I care.

Nadia: I agree.

Me: I agree. She is a heartless psychopath that hates everything and everyone and she will stop at nothing to get what she wants.

Sasuke: She is so much like my evil father and clan.

Me: What Lila Rossi did makes the crimes of the Uchiha Clan look like drawing on the walls in comparison. She is a totally lost cause and is completely incurable.

Lola: Yeah!

Sabine: That is nuts!

André: Yeah she is evil!

Hunter: (German Accent) Ja und she is beyond pure evil.

Nemo: You said it Hunter.

May: (To Chloe's parents) You two should probably know that Chloe got kidnapped by a bounty hunter a while back.

Audrey: Oh my. I hope she was okay.

Chloe: I am, mom. But I found out that said bounty hunter was a dark side of Billy.

Billy: What?! Why didn't you guys tell me that?!

Nico: We didn't think it was important for you to know.

Chloe: (to her parents) Billy's dark side told me while I was his prisoner that he planned to make me suffer for ditching him on that planet. And he was going to do that by kidnapping you two and killing you both in front of me. And with his dark orb, he could do it more than once by bringing you both back and killing you two again.

Nico: Again, and again, and again. Those were actually his exact words.

Me: Yeah. Sicko. But we stopped him and sealed him into a black crystal and banished him to the Pluto Prison forever.

Laney: Thank goodness.

Sabine: Yeah. What else has been going on since the War with the Royal Defenders?

Me: Lots of things.

I went over everything that happened from chapters 1159 and beyond and it was a bunch of incredible adventures and all that. One awesome adventure after another.

When we were done the parents were shocked.

André: Wow! You guys went through it all.

Eli: We sure have.

Emma (ELGVTWD): Most of those adventures were incredible.

Lola: They sure were.

Laney: The most epic of our battles were the wars we went in.

Varie: Yeah those were awesome.

Maria: (to Marinette and Chloe's parents) You know, if we hadn't shown up here to help Marinette and her friends, Chloe and Gabriel would've become very worse then they originally were.

Me: Yeah they would have. So would Lila.

Nico: Yeah.

Marinette: (to her parents) One more thing. If you see any Akumatized villains, kill them on sight. They'll actually be clones since Adrien's dad is no longer Hawk Moth.

Hound: Not that any of your friends can be Akumatized anymore anyway.

Me: That's right. Lola was almost Akumatized.

Twilight Sparkle: WHAT!?

Sunset Shimmer: Really?

Me: Yeah. But she turned down the Akumatizing no problem.

Nico: Thank goodness.

Rarity: How did you nearly get Akumatized?

Me: I think I might know. It was because of the Dark Orbs that were inside us that were affecting us. We had Dark Orbs in us without even realizing it remember?

Nico: Right! I remember. That explains it all. Our recklessness and all that was because of that.

Me: Yeah.

Lola: Now that we're Dark Orb free we'll never be Akumatized or attempted to be Akumatized again.

Eli: Thank goodness.

Nunnally: Yeah.

Sabine: Thanks for the warning.

André: Yeah.

---

Later we were getting ready for our next mission.

Pam: So, where are we going next?

Me: We're going to another Earth.

Nico: Again?

Eli: Wow! That's twice in a row.

Lola: What year is this one set in?

Me: It's a really weird one but it's set in the year 3001.

Nico: Really?

Me: Yep.

Varie: What else does it say about this Earth?

Me: It says that this version of Earth is in battle with an evil tyrant of some kind.

Laney: This is gonna be interesting.

Me: Yeah.

Eccentro, Condiment King, Raven Branwen, 2016 Morbucks, Mammoth, Anti Wanda, Stinky Butt, and Cavalier then appeared.

Eccentro: Can me, Condiment King, Raven Branwen, 2016 Morbucks, Mammoth, Anti Wanda, Stinky Butt, and Cavalier go with you guys?

Me: You all sure can. Lets get a move on. Lisa, Deploy the U.S.S. Valorous Phoenix!

Lisa Loud: Affirmative.

We got in the ship and got it ready and we were on our way. The Alternate Earth was located in the Sombrero Galaxy at 29.35 million light-years away from Earth and it was gonna be an epic battle.

---

The ship was flying through space.

Me: Captain's Log, Stardate 2935.7: The U.S.S. Valorous Phoenix is en route to an Alternate Planet Earth that is set in the year 3001 and we're going to help stop a tyrant there as soon as we arrive and help out.

Nico: This is gonna be interesting.

Lana: Yeah I can't wait to see what this version of Earth is gonna be like.

Laney: Yeah.

Lisa Loud: We arrived at our destination.

Me: On screen.

The screen came on and we saw that we arrived at the Alternate Earth.

Me: We're here. Lets engage the landing procedures.

We went down and landed on the planet.

We get out and saw that we were in a deserted city.

Me: Weird. Where is everybody?

Energon Scorponok: It's quiet. Too quiet.

Me: Yeah I don't like it. I've got a bad feeling about this.

We heard a scream and and then we saw 4 bald guys going at a big buff man with a blue shirt and he had a Blond Afro Hair style. That man was Bobobo Bo-Bo-Bobo and with him were Beauty a 13 year old girl with pink hair and Gasser, a grey hair kid with a black shirt and Don Patch, An Anthropomorphic Sun. They were fighting a group of 4 bald bad guys called the CHROME DOME 4!

* * *

Taking orders directly from Tsuru Tsurulina IV himself, these four are the most powerful Hair Hunters in the empire, below only to the emperor and his right-hand men. These elite members rule from specific locations throughout the empire (excluding Purupu, who travels around the world on his own). While extremely powerful in themselves, each of these four have a vast team of warriors under their command, similar if not more effective than an average Hair Hunter. The loyalty of these four vary from member to member: while powerful and evil members such as Purupu and OVER have no mercy in either killing or in ripping hair out and are extremely loyal to the Empire, Halekulani is more concerned with his own profits and in making as much money as possible. On the other hand, Gunkan, while seemingly loyal to the 4th, finds his own ulterior motives in taking out enemies to the empire as well as Hair Hunters.

* * *

Gunkan: You will die and then we will take your hair and make you bald in your graves.

Beauty screamed.

Gasser: I don't think so! FIST OF THE BACK WIND!

He formed a ball of energy from his FART GAS!? WHAT THE FUCK!?

Gasser: Get a whif of this!

He fired it and it hit Gunkan and he threw up his guts.

Me: That's funny and clever.

Nico: Yeah it is.

Me: Lets add some fire with that.

I pulled out a grenade and pulled the pin and threw it and it landed in the middle of the Chrome Domes and as they were throwing up and then it exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It sent all four of them crashing into oil drums and they exploded and were lit on fire and were screaming in pain as they were burning.

Me: Showtime!

We jumped out and got ready to face them.

Cavalier: I hope we're not interrupting things, dear fellow!

Bobobo: You all arrived in time!

Beauty: WOW! Team Loud Phoenix Storm!

Gasser: Wow! You guys are awesome!

Don Patch: Yeah and a powerful force to be reckoned with.

Eli: We get that a lot.

The Chrome Dome 4 came at us and I went at them and punched Gunkan in the face so hard that I broke his jaw right out of his mouth! OUCH!

He was on the ground crying like a baby!

Eli: Take this one! STRENGTH STYLE NINJA ART: METEOR CROTCH KICK!

Eli ran fast and his feet glowed and he flew at Purupu and then slammed his feet into his crotch with devastating force and with heard a really loud sickening crunch as Purupu screamed like a little girl in a chipmunk voice and he was foaming at the mouth!

We winced at the sight of that!

Nico: (Winces) OOOH!

Lola: THAT'S GONNA LEAVE A MARK!

Me: AI YI YI!

Chris McLean: YIKES!

Nunnally: Try this one on! SHARK STYLE NINJA ART: NUT CHOMP BITE!

Nunnally fired a wave of water and it formed into a ferocious bull shark and it bit Halekulani's crotch and ripped his manhood off! He screamed in excruciating pain!

I fired a wave of fire and incinerated all 4 of those jerks in an instant.

Me: Take that!

Beauty: That takes care of them!

Gasser: Thank you for helping us take them down.

Me: Anytime.

Alister: Now that those 4 have been taken care of, can you tell us about yourself?

Bobobo: Sure. My name is Bobobo Bo-Bo-Bobo.

Beauty: My name is Beauty.

Gasser: I'm Gasser.

Don Patch: Name's Don Patch. It's an honor.

Me: Pleasure to meet you guys.

They told us more about themselves.

---

Bobobo

Bobobo-bo Bo-bobo is the cool and incomprehensible hero, swarthy and musclebound, sporting sunglasses and a large golden afro. His hair is 24-karat gold but is usually said to be yellow or blonde; some viewers even argue about its true color. He is called "Bo-bobo" for short, as he refuses to let people call him "Bo".

He apparently has some control over an army of bears which are seen in many of the earlier episodes. There is a large colony of tiny humans and humanoid boogers living in his nose, who sometimes aid him in battle. He also has many denizens living inside of him.

Beauty

Beauty is the female heroine of Bo-bobo's group and usually the only girl when Torpedo Girl isn't around. Unlike the puns used for many of the characters, she received her name because the manga writer was looking at a video tape of the movie "American Beauty" when he created her character. She is one of the few sane characters who is the first to join Bo-bobo. Beauty also serves a "damsel in distress" during some story arcs.

Gasser

Heppokomaru is the quiet, but sensible teenage hero of Bobobo's group. He has long, spiked-up white hair with short bangs and gold eyes. The "heppoko" in his Japanese name means "untrained", while "maru" is a common name suffix for a samurai or other type of warrior. He has been known to wear a black shirt with a skull and crossbones on the back.

He was formerly an outcast who was studying power. He briefly broke from his trail to literally save the hair of a kidnapped Beauty. Heppokmaru followed them to C-Block Base where he once again saved Beauty, and after Wall Man's defeat joined the team, but he rarely is seen fighting. He is mostly seen punching someone (mainly Don Patch), for being completely stupid or annoying. He is another "sane" person among the group like Beauty, though he sometimes joins Bo-bobo in his antics or acts oddly on his own.

Don Patch

Don Patch's name is a pun on "donpachi", the Japanese sound of machine gun fire, and the name of a Japanese confectionery similar to Pop Rocks, which is why he is named "Poppa Rocks" in the English translation of the manga. In the English translation of the anime, he is called Don Patch. He is an orange, round creature, possibly a parody of Sonic the Hedgehog or Ristar.

He was the original leader (or "don") of the Hajike Gang, a group of rebels who oppose Tsuru Tsurulina IV. Don Patch has henchmen named KoPatch (Lil' Rocks in the English manga). He quits the Hajike Gang claiming that they never gave him space, but really so he could wig out more with Bo-bobo.

In some episodes Don Patch or other characters will mention that he hasn't taken a certain medication of his, which indicates that he might be somewhat mentally ill but this hasn't been truly proven yet (and likely never will be). In the most recent (and possibly final) popularity poll of the series, he was the most popular character, and his Super form came in seventh.

---

Me: Wow! That's awesome.

Nico: It sure is. And Gasser those Fart Energy blasts pack a wallop.

Stinky Butt: They sure do and you are a true flatuence master.

Gasser: Thanks.

Me: He sure is.

Stinky Butt: I actually have done a lot of farting in battle myself.

Gasser: Neat!

Sakura Haruno: I like your hair color Beauty.

Beauty: Thanks Sakura. I like your hair too.

Sakura Haruno: Thank you.

Pain Yatta: Who were those jerks working for anyway?

Beauty: Those jerks were the Chrome Dome 4 and they work for the Emperor.

Me: Who is this Emperor?

Gazzy: His name is Czar Baldy Bald IV.

Me: Czar Baldy Bald IV?

We laughed at his name.

Me: (Laughs) That's hilarious!

Nico: Yeah that's funny!

Me: (Calms down) What can you tell us about him?

Bobobo went over his history.

---

The leader of the Maruhage Empire. His name is an onomatopoeia for something slippery. Growing up, he was apparently wealthy, and at some point, he became the fourth leader of the Maruhage Empire. During his childhood, he was extremely cruel to his younger brother Hydrate, to the point where one day, Tsurulina IV had him thrown into the dark realm (an action that he would regret years from now).

Tsurulina IV's major accomplishment came in the form of conquering The Hair Kingdom (with some help from Bibibi-bi Bi-bibi), something that his ruthless predecessor failed to do! This however lead to the origin of his most hated adversary, Bobobo-bo Bo-bobo, who personally began to crush the emperor's forces as revenge for destroying his home.

---

When he was finished we were shocked!

Me: Whoa man! So you guys are out to destroy him for ruining this planet and making everyone bald.

Bobobo: That is right. He must be destroyed so that he never touches another strand of hair again.

Me: We'll gladly help you all out.

2016 Morbucks: BTW, if you make anymore funny attacks, we would like in on them.

Gasser: Noted.

Me: And we all have a million of them.

Nico: We'll make that cueball monarch pay for his crimes in not just hair but in blood. And I have a secret weapon in store for him.

Me: What do you mean Nico?

Nico: Remember how my kind has been able to form those Artificial Moonlight energy balls?

Me: Yeah I remember. Wait a second. Are you gonna transform into the Giant Ape?

Nico: You better believe it. I have a special surprise for him.

Vegeta: Bokrua can you even control the Giant Ape transformation?

Nico: Yes I can Vegeta.

Me: Oh this is gonna be good.

May: Wow! I can't wait to see what Nico looks like as a Giant Ape.

Goku: The apes we turn into are huge and big and powerful.

Me: We'll have to do it at night.

Nico: Right.

Me: Lets get ready. We have a tyrant to dethrone and kill.

Lola: YEAH!

Muscle Man: Hey, Bobobo. You know who else likes using nose hairs to kick ass? My mom!

We laughed at Muscle Man's joke.

Beauty: WHAT KIND OF IDIOT HAS THEIR OWN MOTHER DO THAT!?

Nico: Beauty quiet!

Muscle Man: WHAT DID YOU SAY!?

Mordecai: She said nothing!

They smiled.

---

Later at night we were getting ready for battle as we were outside the castle of Czar Baldy.

Anti-Wanda: How about I use my magic to get us to where Czar Baldy is?

Me: Actually we don't have to go far. We're already here.

Nico: Awesome. Now I can unleash the power of the giant ape on this whole kingdom.

Me: Awesome.

Scavenger: I see more henchmen up ahead. And as expected, they're bald.

Me: Yep. Nico are you ready?

Nico took off his clothes and he had Saiyan Armor underneath.

Nico: Just about.

Lola: Nice armor.

Nico: It's what my people wore for years when serving Frieza. It's big enough to support even a giant ape transformation.

Me: Cool. All right this is it.

Nico: Ready guys?

Me: Ready.

Eli: Let her rip.

Nico unfurled his tail and then formed a ball of moonlight.

Nico: Here we go. Get ready for the flash.

Nico threw the ball into the sky and he clenched his fingers and then a massive flash of light illuminated the sky with the force of a million suns and night was turned into day as an artificial moon as bright as the sun was in the sky.

Me: This is it.

Runo: WHOA!

Nico: Here we go guys! I can feel it!

Nico's eyes turned pink and then his muscles and body were beating and his teeth turned into fangs. Then his eyes turned blood red and he started growing in size as his mouth turned into a snout and his skin turned dark and furry and he grew bigger and bigger and bigger as he was roaring and then he was as tall as a FIFTY STORY SKYSCRAPER and he was A GIANT APE!

He roared ferociously!

Nico: (Really Deep Voice) **AWW YEAH!**

Me: WHOA! Nico how do you feel?

Nico: **Amazing J.D. What do you think?**

Me: Wow! You look awesome like this man!

May: Yeah your giant ape form is amazing!

Nico: **Aw thanks guys.**

Me: Lets go get these fucking bastards!

Bobobo: It's action hair time!

We went at the henchmen and Nico fired a wave of pink energy from his mouth and it cut through a bunch of buildings around the castle and destroyed them in a massive chain of explosions!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA! What power!

Eli: That is intense!

The chain of explosions blew the buildings apart in an instant and lit most of the buildings around them on fire.

The Henchmen all came out.

Mammoth: (dressed in gym coach clothes) Hey. I'm your new gym teacher. And I'm about to teach you a lesson in pain!

Beast Boy: Why couldn't he have been like this when we fought in the past.

Me: (Laughs) That's funny!

Nico: Yeah it is!

Lola: That is awesome!

Me: Work those gluts!

Mammoth: Ready!? OKAY!

Bobobo: Lets do it!

They did workout moves and Mammoth kicked a guy in his face and Bobobo used his Fist of The Nose Hair to bash a man in the crotch and then rip his tongue out and

Mammoth punched a man in the face and kicked him in the chest and sent his heart splattering out through his back!

Laney: AW YEAH!

Mixmaster: I have an idea for the next attack.

Mixmaster turned into his cement mixer form.

Mixmaster: Don Patch, get in my vehicle form. We're gonna make some art.

Don Patch: Okay.

Don Patch got in and he drove at then henchmen and they poured cement all over the henchmen and stuck them to it.

Krillin: Oh yeah! You guys give bald guys a bad name!

Krillin formed an energy disk.

Krillin: DESTRUCTO DISK!

He threw it and slashed the henchmen in half and killed them.

Condiment King: How about we add a little ketchup and mustard to these attacks?

He fired waves of ketchup and mustard and drenched them all over.

Pinkie Pie: Don't forget the hot sauce!

She poured a bottle of EXTREMELY HOT AND SPICY HOT SAUCE down a man's throat and it was BIG BANG APOCALYPSE HONDURAS APOCALYPSE PEPPER HOT SAUCE and he glowed Neon Blue and then exploded in a massive pillar of blue fire and the explosion took many henchmen with him.

Wildrider saw a blue humanoid.

Wildrider: (to a blue humanoid) Hey, Blue Gumby! You with these bald guys?

Jelly: No I'm not.

Me: You look so much like Gumby from my mother's youth.

May: So cool!

Nico: That's awesome.

Jelly: Name's Jelly Jiggler.

---

**Jelly Jiggler**, known in the Japanese versions as ***Tokoro Tennosuke*** (ところ天の助) the captain of the A Block division of Hair Hunters (or "Hair Hunter Troop A") also uses the fighting style "Shivering True Fist" (Purupuru Shinken). In the English dub, it is known as the "Fist of the Wobble-Wobble" and in the English manga, it is called "Shakey-Shake Fist". By the time he officially joins Bo-bobo's team, he possesses a handkerchief with the Japanese hiragana for "Nu" (ぬ) written all over it (ぬのハンカチ *Nu no hankachi*, the "handkerchief of 'nu'", known in English dub as "the Lucky Hanky" ) which he uses to wipe away tears at first, but eventually leads to an all-out "nu" obsession (By contrast he utterly despises the hiragana character "ne" [ね]!) He's used as a shield by

Bo-bobo constantly, but always bounces back (due to his ability to regenerate himself). His Japanese name is a pun on "tokoroten", a type of jelly made from agar, thus his ability to shape himself into any form.

---

Me: Awesome. Pleasure to meet you.

Nico: **Now for the Fun Part!**

Nico grabbed the castle and ripped it off with his huge size and we busted in.

Wolfgang: Hey there. Hope you don't mind. But we let ourselves in.

Nico: Thanks to me ripping the roof off!

Czar Baldy: Well if it isn't Team Loud Phoenix Storm. How gracious of you to join us.

Me: Skip the pleasantries Baldy. This time you die.

Bobobo: You will pay for destroying my home!

Beauty: And it will be in blood!

Czar Baldy: Oh I don't think so.

He threw an electric shaver at me. But I was expecting this.

I snapped my fingers and teleported Heather in front of me like a human shield and like on Total Drama Island she had her head shaved and she was now completely bald and she looked at her head and screamed!

Me: Sucker!

I teleported her back to the prison.

Nico: **You want some hair? Here you go!**

Nico ripped off some of his hair and forced it down Baldy's throat.

Nico: **Occasionally, I tend to get hair stuck in my mouth.**

Raven Branwen: We're sorry to hear that, Nico.

Nico: **It happens.**

Baldy then threw up his guts.

Beauty: OH YOU HAVE GOT TO BE KIDDING ME!

Lola: (LAUGHS) That was so funny!

Me: Especially from a big Saiyan Ape.

Nico: Yeah.

Femme Fatale, Control Freak, Merman, Mr. Fizz, Steam Smythe, Iron Lung, Zzzax, Bonz, Robo-Blaze and Robo-Roxy then appeared.

Me: Femme Fatale, Control Freak, Merman, Mr. Fizz, Steam Smythe, Iron Lung, Zzzax, Bonz, Robo-Blaze and Robo-Roxy.

Steam Smythe: Hello everyone.

Femme Fatale: Did any of you guys see a giant ape around here?

Maria: Actually, yes.

Control Freak: Well, where is it?

May: That ape was actually Nico.

Merman: Wait. That ape was Nico?!

Mr. Fizz: How's that even possible?!

Me: Well look up in the sky.

I pointed to the ball of artificial moonlight.

Control Freak: Whoa! That is a ball of Artificial Moonlight isn't it?

Me: Yep. And it's Blutz Wave energy helped Nico Transform.

Mr. Fizz: Wow!

Me: The Saiyans have been using this kind of move under the control of Frieza for a long time before Planet Vegeta was destroyed and Frieza wiped out most of the Saiyan Race.

Femme Fatale: Wow!

Eli: Guys something is happening to Nico!

We turned and we saw him glow golden yellow and then his fur turned golden yellow. Suddenly a massive aura of yellow energy formed around him and his power was rising exponentially fast at an unbelievable rate and the ground was shaking violently and lightning flashed and flickered all over him. Then he was shrinking and then he turned into a golden version of his Super Saiyan 4 form. When it was done his power level was astronomical and far more powerful than ever before! He had a power level as strong as mine at Super Angel-Ebonwu-Phoenix-Harmony 500,000,000 at full power! His hair was now golden yellow and his fur and tail were golden yellow. He was now a SUPER SAIYAN 5!

Me: WHOA! Nico you look amazing!

May: Wow! Nico your power!

Nico: (Deeper adult voice) What happened?

Me: Look.

I formed a mirror and he saw himself.

Nico: Wow! What happened?

Me: I think you ascended passed Super Saiyan 4. You have become a Super Saiyan 5.

Nico: I look awesome.

A figure then came out and it was Praying Mantis. Back for round 2.

Me: Praying Mantis. Back for Round 2.

Praying Mantis: Yep.

Lola: Cool!

Baldy: (to Praying Mantis) I guess one of my henchmen managed to shave off your hair!

Praying Mantis: Actually, me and most of my fellow monsters don't even have hair to begin with.

Me: That's right! True story.

Nico: You better be ready for the full extent of Super Saiyan 5.

Me: This will be the first time seeing it in Action.

Then 3 monsters appeared and it was THE GAGGLE OF GALLOPING GHOSTS!

Shaggy: ZOINKS! It's the Gaggle of Galloping Ghosts!

Eli: Dracula, Frankenstein and the Wolfman!

Brittney: The three great monsters of legend!

Qin: These three were really the same guy. Big Bob Oakley The Actor. He was a master of disguises that was wanted in 7 States. He was after the Frankin Jewels that were woven into a tapestry.

Twilight Sparkle: Wow! That's incredible.

Thorax: It sure is.

Qin: The Gang caught him and he was sentenced to 50 years in Federal Prison.

Twilight Sparkle: And then life right?

Qin: Nope. He was beaten to death by prison guards for snide remarks.

Lola: Ouch.

Laney: Jeez!

Lola: Yeah.

Me: Lets get them guys.

Alexis Rhodes: It sure is and they were really amazed about all the adventures we went on and so much we have done since the War with the Royal Defenders.

Rainbow Dash: Yeah that must've been a crazy adventure back then.

Scootaloo: Yeah no kidding!

Magma Gloom: Vypra told us all about that war. Hard to imagine that it was that brutal and dangerous.

Femme Fatale: It sure was. All because of Sindri Myr that they were forced to turn evil. But it's good that Marinette and Chloe's parents are fully caught up on everything.

Spitfire: Yeah it sure is.

Lightning Dust: And it's absolutely incredible that we did so much over the years.

Vapor Trail: Even though we've only been on the team for almost a year we have learned and done so much.

Sky Stinger: Not just in Equestria but all over the entire universe.

Angel Wings: It sure is amazing and I love all our adventures.

Soarin: Me too. We do so much and accomplish a lot.

Wind Socks: We sure do.

Night Glider: It's all amazing.

Flash Magnus: You said it.

Derpy Hooves: Yeah and thank goodness the team stopped her.

Indigo Zap: Yeah what a parasite! I hope she dies a horrible death in the Saturn Insane Asylum.

Lemon Zest: Yeah she makes all us girls look bad.

Sugarcoat: We'll have to see her when we see her.

Sunny Flare: After everything she did she doesn't deserve to call herself human.

Sour Sweet: No kidding.

Gloriosa Daisy: Whoa! She must be that bad.

Hunter: She is Gloriosa. Und she deserves to be sent to the Warp for her crimes.

Edwayl: (Bretton Accent) We should have killed her back then. But it's best to let Nature take its course.

Chloe Nicholson: Yeah she's not worth it.

Pam: No she isn't.

Battle 2: Nicole Knudson, Princess Luna, Snowdrop, Children of The Night, Ink Rose, Moonlight Raven, Dark Skylanders, Mario, Luigi, Princess Peach, Princess Daisy, Donkey Kong, Diddy Kong, Link, Kirby, Samus, Fox, Wolf, Pikachu, Captain Falcon, Bowser, Palutena, Pit, Dark Pit, Zelda, Mega Man, Ryu, Inkling, Banjo & Kazooie, Falco, Rosalina, Energon Scorponok and Tidal Wave VS Control Freak and Fury Bowser

---

Control Freak was next.

Control Freak: (to Nicole) I think the battle against Hawk Moth really gave the Redemption Squad members a chance to shine. (To

Bowser) Also, the next monster I'm going to summon is going to shock you.

Nicole: Bring it on.

Bowser: Yeah!

In a vortex of dark slime came a huge black version of Bowser. IT WAS FURY BOWSER From 2021's Bowser's Fury!

---

In Super Mario 3D World: Bowser's Fury, Bowser Jr. paints Bowser black, causing him to go berserk, becoming the dark and massive Fury Bowser. Bowser Jr. summons Mario to Lake Lapcat to help him stop Bowser's fury and turn him back to normal. Bowser will awaken after some time has passed, unleashing flames and meteors to alter the landscape of Lake Lapcat. Bowser will eventually return to his slumber after some time or if a Cat Shine is collected, activating a lighthouse that drives him away. After collecting a certain number of Cat Shines, a Giga Bell can be awakened to transform Mario into Giga Cat Mario to stand a battle against Fury Bowser, defeating him by ground-pounding his belly.

Once Fury Bowser is defeated, he sinks into the black paint, some of which clear up and reveal a new portion of the map. Upon defeating Fury Bowser three times, the black paint is removed from Fury Bowser. However, he is still massive and furious, and takes all three Giga Bells within a large shield. Mario has to ride on Plessie to reach the shield and damage it. Once it is broken three times, Plessie absorbs the three Giga Bells and grows enormous, slamming on Fury Bowser, causing him to be launched into the air and burst into fireworks. Once he comes back down, Bowser is back to normal but still angry at Mario, although Bowser Jr. holds him back.

Once all hundred Cat Shines are collected, Fury Bowser's appearance is altered to where his hair, spikes, and chest turn white.

---

Nicole: WHOA MAN! That's Fury Bowser from 2021's Bowser's Fury.

Nicole: Not all the characters. Some of them we haven't met yet. But yeah. All of the characters from 1981 to today are here.

Mario: (Italian Accent) That's-a right.

Luigi: (Italian Accent) Lets-a go!

Princess Peach: This is gonna be so fun!

Princess Daisy: Yeah it is!

Nicole: And as Goddess of Video Games, I figured why not go with a theme for Super Smash Bros.

Control Freak: Very good reason and you picked the perfect time for it.

Nicole: Fury Bowser will be perfect for this theme for the group. Against every character from every game over the course of 40 years.

Fox: It's perfect!

Kirby: Yeah!

Samus: This is gonna be great!

Rosalina: It sure is.

Energon Scorponok: I am looking forward to this.

Yumi: All the Saiyans have that kind of power when they are under the light of the full moon.

Rarity: It is a really amazing and most amazing transformation.

Sweetie Belle: It sure is. The Saiyans used this kind of power for years when they were under Frieza's control.

Thunder Terror: Yeah it was terrible that Frieza could do this to the Saiyan's just to expand his evil empire.

Merman: Wow. That's terrible.

Sassy Saddles: (British Accent) Yeah it was.

Aurora: Yeah no kidding.

Golden Queen: Frieza's rule is worse than mine.

Chompy Mage: Yeah that is sick.

Sakura Haruno wanted first crack at him.

Me: Get some popcorn guys. We're gonna be watching a funny fight.

Sakura had her gloves on and so did Czar Baldy.

Czar Baldy: Ladies first.

Sakura H.: How gentlemanly. But first…

She dipped her hands in a bucket full of glue and then in a bucket full of razors, then nails, then broken glass and caltrops.

She shook them around and she was ready to rip his ass apart!

Sakura H.: These hands are ready to nail your ugly ass!

Czar Baldy: I like a fiesty woman. Hope you have a sweet tooth.

He dipped his hands in caramel and then dipped them in skittles, sprinkles and oreo cookies and he was ready.

Sakura H.: Those are all my favorites.

Czar Baldy: Glad.

A Thai Referee came.

Referee: (Speaking Thai) ทุกคนพร้อม!? พร้อมสู้! (EVERYONE READY!? READY! FIGHT!)

Czar Baldy's subjects had money ready for betting.

Sakura H.: Lot of people have bets ready.

Czar Baldy: We're a gambling kingdom. Here we go!

Sakura kicked him in the chest and punched him in the face and slashed him all over with her gloves. The Referee was collecting money and Sakura had her own cheerleading team? Funny! Czar Baldy kicked at her and she dodged all his strikes and she ducked as Baldy kicked a man holding a sign that said John 3:17 and kicked his head clear off his body. Blood poured out of his body. People were pouring in to watch.

Man 1: Programs. Get your programs. Right here.

A Subway Restaurant was there too.

Subway Man: One pig snout sandwich.

Lana: Right here!

Sakura punched a step on a ladder and the wood hit a mans face and he screamed in pain and Sakura swung her punch and it hit the Referee and he fell to the ground and he had cut wounds all over the place. They both kicked him all over as he got in between them and he dropped all his money he was collecting and Lola went and got it all as he was knocked down. Sakura and Baldy screamed in fury and they both went for a flying kick. The Referee got up and they both kicked him in the head from both sides and smashed his head off!

Me: OOH! That's gonna hurt!

Lana ate the sandwich with a pig snout.

Baldy smashed a ladder and people from the stands came falling down all over.

Announcer 1: Both fighters are starting to show serious signs of fatigue. But it looks like Baldy is not moving around the ring as much. And walking around and this is where conditioning pays off.

Baldy kicked a pillar and brought down a stand and a bunch of people fell to the ground as Sakura was dodging his strikes.

Baldy roared and went at her with a flying kick and then he stopped in mid air and fell to the ground just as his food was about to hit her.

Sakura H.: YEAH!

We cheered.

Naruto: Way to go Sakura!

But Baldy pulled out a knife from his boot!

Me: Sakura look out!

Baldy roared and Sakura kicked the knife out of his hand and kicked him and he grabbed her and then she tickled him.

He was laughing hysterically.

Sakura H.: Coochy coochy coo.

Then she grabbed his head and then…

SICKENING CRUNCH!

SHE KNEED HIM RIGHT IN HIS FUCKING BALLS AND WE HEARD A LOUD SICKENING CRUNCH!

Everyone covered their manhoods and an announcer fainted and nuts dropped from Baldy's mouth.

Me: OOH! That's gonna leave a mark!

Nico: AY YI YI!

May: OUCH!

Sakura H.: It's over for you! NOW!

We rushed in.

Me: It's buttkicking time!

Lola: YEAH!

R. Mika: COMEDY STRENGTH STYLE: SQUID THROW!

She threw Giant Squids and smashed him all over.

Her shadow slapped him all over the place.

Entrapta: COMEDY TECH STYLE: MECHA LOBSTER IN YOUR PANTS!

Zzzax: And Nico got to use two new transformations.

Bonz: Too bad only one of them will be used more often.

Nico: That's all right. But it was cool transforming into a giant ape again.

We looked at the ball of Artificial Moonlight and it vanished.

Me: And just in time too.

Lola: But we still have many enemies of Bobobo to destroy.

# Women of Power VS The Night Dragon

At the World Tree Estate, we were getting the table ready for a very interesting guest. The doorbell rang and out of the elevator came Lillie's mother LUSAMINE, LEADER AND FOUNDER OF THE AETHER FOUNDATION!

---

**Lusamine** is the main antagonist of the 2016 video games *Pokémon Sun* and *Pokémon Moon* . She is the corrupt and insane president of the Aether Foundation. She is the mother of both Gladion and Lillie.

In the anime, she was voiced by Sayaka Kinoshita in the Japanese version, and by Bobbi Hartley in the English version.

Lusamine is introduced as the president of the established Aether Foundation, an organization that takes care of injured and hurt Pokémon, and later revealed as the mother of Gladion and Lillie. At first, Lusamine is shown to be a "good lady with good intentions", and is first seen when the player and their rival, Hau, arrive in Aether Paradise, the base of the Aether Foundation, as well as an artificial island. They first come across Lusamine when she is seen comforting a few Pokémon before greeting the player and Hau, whom she discusses the purpose of the Aether Foundation with and says she will "shower all Pokémon with love" in a motherly sense.

After talking with the two, a mysterious portal appears, and an Ultra Beast known as "UB-01" appears from it, shocking everyone. However, Lusamine seems so pleased. UB-01 then disappears and Lusamine bids farewell to the player and Hau as they leave for the next island.

After the rise of the villainous organization Team Skull and the kidnapping of Lillie, the player's companion and good friend, Hau, the player and Gladion head to Aether Paradise, where Gladion claims that is where Lillie must've been taken. He states that he wants to keep her and Nebby, a small and vulnerable Pokémon she's been trying to keep hidden, safe. Once they arrive at Aether Paradise, they're confronted by several Aether Paradise members who reveal their true intentions, along with their dark side. It was revealed that Team Skull had been working with the Aether Foundation, who had been sponsoring them. After the player, Hau and Gladion discover the experiments the Aether Foundation conduct, they head to Lusamine's chamber where they find her talking with a frightened Lillie. Surrounding Lusamine are several frozen Pokémon, preserved perfectly as part of Lusamine's "collection". She asks the player what she thinks of her collection, showing a slightly evil grin on her face. Upon arguing with Gladion and Lillie, she reveals to the player and Hau that they're her children, accusing them of stealing Type: Null (an artificial Pokémon created by the Aether Foundation that Gladion stole) and Nebby from her. Picking up a chest that Nebby is trapped inside, she questions how many Ultra Wormholes (portals connected to the Ultra Beasts) she will open before unleashing Nebby's power, opening a few portals around the Alola region. Lillie exclaims that if she uses too much of Nebby's power, it will die. Lusamine doesn't seem to care though, and goes to her office. Soon after, Guzma enters the room right before another Nihilego enters through a portal. At that moment, the player is forced to fight Lusamine while Hau battles Guzma and Gladion fights the Nihilego. After Lusamine battles the player, she, Guzma and the Nihilego proceed to travel through the portal into Ultra Space, disappearing in there after it closes.

She had been obsessed with the mysterious "Ultra Beasts" after her husband ventured into the Ultra Space (where the creatures reside) and vanished. Lusamine dressed herself to resemble one of the Ultra Beasts known as Pheromosa, and also dressed her daughter Lillie in clothes that looked a lot like Nihilego (UB-01). When Lillie and the player reach Ultra Space, they come across an insane Lusamine. She recalls that Lillie once was "adorable" to her, and notes that she has now "turned ugly" due to her befriending the player, and then proceeds to place accusations upon the player. Lusamine sends out Nihilego and reaches her arms out above as it fuses with her, becoming "Lusamine-Nihilego", then battling the player with her Pokémon. After being defeated, Lusamine-Nihilego is seen to be furious. Before she is able to crush the player with her bare hands, Lillie calls out the Sunne Pokémon Solgaleo/Moone Pokémon Lunala (depending on the version), who then blasts Lusamine-Nihilego with their special power. Lusamine then detaches from Nihilego and returns to normal.

Lusamine collapses to the ground, visibly tired. Lillie rushes to her aid and seemingly forgives her mother, whom wonders when her daughter had "started to become beautiful". It was later revealed that Nihilego emitted neurotoxins that had gradually corrupted Lusamine. When Lusamine was intoxicated, she acted as if Nihilego was her own child, and loved it more than Gladion and Lillie. Lusamine's obsession with the Ultra Beasts may have stemmed from trying to find her lost husband according to what Gladion speculates post game. However, Nihilego's neurotoxins amplified it, to the point of insanity. After her defeat, Lusamine fell into a deep coma.

It was mentioned by Lillie that Lusamine wanted to join the players celebration for becoming The Pokémon League's first Champion.

It was mentioned in the post-game that Lusamine had traveled to Kanto with her daughter, Lillie, to seek more treatment.

*Pokémon Ultra Sun* / *Pokémon Ultra Moon*

Much is the same as in *Pokémon Sun* and *Pokémon Moon* ; however, she is no longer driven to madness by Nihilego's toxins. She now desires to use the Ultra Beasts as weapons to protect their world, regardless of what anyone tells her. Lusamine eventually gets kicked out of Ultra Space by Necrozma before this can happen. After Necrozma's defeat, Lusamine realizes that using the Ultra Beasts as weapons was not the best idea and she reforms herself again. During the credits scene, Lusamine can be seen waving goodbye to her son, when the latter departs to Kanto and Johto to continue training his Pokémon. Following the player's success of becoming champion, Lusamine is kidnapped by Giovanni and his newly established Team Rainbow Rocket, although the player defeats him and his minions, saving Lusamine once again.

On every first day of the month, Lusamine can challenge the player at the Pokémon League to a Title Defense battle. Following

Gladion's defeat here, Mohn will pay a visit to Aether Paradise after many years since his vanishing. Although excited to see him again, Lusamind stays quiet on Mohn's past, thinking himself to be happy as he is now.

*Pokémon Masters*

Lusamine appears as one of the numerous Sync Pairs usable to the player. For her Sync Pair, she is a five-star Sync Pair of the Bug-typing, using a Pheromosa. She was first introduced in the Family Ties event, in which Lusamine enters a tournament for families alongside Lillie and Gladion. Their personalities originally cause them to be unable to properly work together, but with the help of the protagonist and other trainers, their bond grows deeper and they succeed in working together as a team.

Anime In the anime, Lusamine is rather cheerful and likes to tease others. She is overly affectionate towards Lillie, treating her like a baby and failing to understand her daughter's feelings, resulting in friction between the two. For instance, Lusamine evolved her Clefairy into Clefable despite Lillie preferring Clefairy as it was, with the two arguing about which one was "cuter". Several flashbacks to Lillie's early childhood reveal Lusamine to have once been far less overbearing while enjoying a healthy relationship with her children.

When fused with Nihilego, Lusamine's personality reverts to that of a child and her mind is corrupted by her own desires. In this state, she refers to the Ultra Beasts as her possessions and reacts violently to those she assumes are trying to take them away from her, even to those who are close to her, like Lillie and Gladion.

Unlike her original game adaption, this version of Lusamine was never truly a villain, and instead only served as an unwilling antagonist as a result of Nihilego's corruption.

*Pokémon Adventures*

Lusamine debuts in the Sun & Moon chapter, and is first seen at Aether Paradise, talking to a employee.

Nico: Thanks for coming, Lusamine.

Lusamine: This food isn't poison, is it?

Helga Sinclair: Of course not. You really think we'd invite you over to have poisoned food for dinner?

Nico: Yeah it's just for a friendly talk.

Me and Eli were watching.

Earlier this morning Nico was suggesting a REALLY CRAZY Idea.

Me: You want to do what!?

Nico: I want to bring Lusamine to us for dinner so we can talk.

Me: Nico that's crazy! Lusamine is out to destroy the world with the power of the Ultra Beasts.

Eli: Yeah!

Nico: I know.

Me: But I can tell that you have your own reasons for wanting her to come to us so proceed.

Nico: Thanks man.

In the present I went up to Lusamine.

Me: Pleasure to meet you Lusamine.

Lusamine: Same to you J.D. I heard so many good things about you.

Lola: (Whispers to Emma (ELGVTWD) She sure is beautiful.

Emma (ELGVTWD): (Whispering) Lillie's mom sure is beautiful. How can she be bad? She's pretty.

Lola: No idea.

We had a great.

We were having a great dinner and more. Lusamine had her Pokemon out too. She had a Pheromosa, Celesteela, Naganadel, Salazzle, Absol, Herdier, Lapras, Lopunny, Mismagius, Lilligant, Milotic, Clefable and a Bewear. We fed them apples and Pokemon food.

Me: Wow. You have a great selection of Pokemon.

Lusamine: Thank you J.D.

Nico: They are amazing.

Lillie: That's my mom for you.

Lusamine: And you have an Alolan Vulpix, Lillie. She's beautiful.

Lillie: Thanks mom. Snowy is her name.

Me: Cute.

Rabbit: (Skunk Fu) Look, toots. I'm not gonna beat around the bush. How much do you love your daughter?

Lusamine: I love my daughter more than anything.

Me: Rabbit please. Lusamine, Lillie has been REALLY worried sick about you ever since you started the Aether Foundation. She is worried about their ideals and that you will do something you will forever regret.

Lillie: That's right mom. I love you and I don't want you to do this.

Lusamine: Oh honey.

Eli and I sensed something was wrong with her. Her brainwave patterns were seriously wrong. As if they were not hers at all.

Nico: (In his head) Something is wrong with her. I got a bad feeling about this.

Me: Lusamine we think that the Aether Foundation can do so much good in the world and help humanity instead of destroying it.

Breakdown: Think of all the good the Aether Foundation could do if you stopped the path of evil you're on. And we'll even pay you.

Lusamine: I don't think I can.

Me and Eli then saw an invisible outline around her.

Nico: (Gasp) Lusamine it's never too late for you to change and there's something wrong with you. You are not yourself.

Nico's voice got through to her and Lusamine then clutched her head!

Lusamine: NICO! HELP ME!

Eli: Nico you have to help her!

Nico: I'm on it!

Nico used Aa'une the Oligarch's Psychic Powers and fired a beam of psychic energy from his forehead and got the figure off of Lusamine and it was a NIHILEGO!

Twilight Sparkle: Whoa man! What is that!?

Me: It's one of the Ultra Beast Pokemon.

Eli threw a Pokeball and caught the Nihilego. He had an Ultra Beast Pokemon.

Eli: Got it!

Lola: Nice job Eli!

Lusamine was weak and disoriented. We went over and helped her.

Lusamine: (Weak) What happened?

Me: It's a weird story.

Lillie: Mom?

Lusamine: What happened Lillie?

Lillie: An Ultra Beast Pokemon was making you nuts.

Me: Lets get her to the infirmary.

We took Lusamine to the infirmary and she was put in a bed.

Mirage: On the bright side, now the Alola region only has Team Skull to worry about.

Me: And we'll deal with them when the time comes.

Emma (ELGVTWD): What was that on Lusamine?

Eli: That was a Nihilego. It's a Jellyfish Pokemon that has a menacing personality.

Nico: It's one of the Ultra Beast Pokemon and it is dangerous.

Lola: Yeah and it's scary.

Starfire: It sure is.

Eli: But now it's one of my Pokemon.

Nunnally: It sure is.

Laney: Guys!

Laney came.

Me: What's wrong Laney?

Laney: Something is going on in the Library!

We went over and found 4 books glowing on the floor.

Me: Hmm.

Nico: What is going on?

I put the books together in a square formation that followed the gold lines and they glowed and formed into a big book.

Me: Wow.

I opened it and a text in an unknown language formed. But surprisingly it was a text that I have seen before.

Nico: What does it say?

Me: "Be the Snowflake, the Cleansing Flame, the Ancient Stone, the Endless Wind." It's the 4 Elemental Forces of Nature.

Laney: What does that mean?

Nicole: (Gasp) It's the Libram of Turan!

Nico: From Dungeons & Dragons?

Nicole: Yeah!

Later we were getting ready for our next mission.

Tempest Shadow: We're gonna have to do this mission without Lillie.

Me: She needs all the time in the world she can get to help her mother after she was poisoned by Nihilego.

Nico: Yeah.

Eli: Poor Lillie.

Ets: But we'll gladly help her in any way we can.

Mallow: Count on it.

Nico: What did you find out from the Libram?

Me: I'm afraid it's not good guys. Faluzure the Evil Dragon God of Decay and Undeath is coming!

Everyone gasped.

Hank (D&D): Oh man!

Sheila: Who is Faluzure?

Me: Well his history is not good. He first appeared in Eberron over 3,000 years ago.

I went over his history.

---

Faluzure (also sometimes spelled Falazure is a dragon deity aligned in Neutral Evil found in the Dungeons & Dragons universe. He made his cinematic debut in Dungeons and Dragons: Wrath of the Dragon God as one of main antagonists (the other being Damodar).

Three thousand years prior to the events of the film, Faluzure descended upon the ancient civilization of Turan and waged war against the land's inhabitants in response of them refusing to pay the dragon god his tribute. An epic and devastating battle ensued, as the united Turanian mages were able to match Faluzure's dark powers with their elemental magic. In the end, the Turanians successfully sealed Faluzure deep within Hearth Mountain and stripped him of his dark powers which were stored within an artifact called the Orb of Faluzure, the same artifact which used to perform both deeds. Due to Faluzure's divine nature however, the Orb is hidden deep within a fortress built around the artifact, which then put the Dragon God into a state of suspended animation to help maintaining the seal.

Despite their success, it was a pyrrhic victory for the Turanians, as the cost of their victory proved too great - most of their cities and crafts were destroyed. To make matters worse, no efforts made to maintain and improve the security of the Turanian fortress where the Orb being kept. As a result, Damodar, after learning enough information about the Orb of Faluzure, easily removed the Orb from its resting place and turning the fortress into his new lair since he lost his original home at Izmir from the war against Empress Savina a century prior.

Although he briefly faced a setback where the Orb of Faluzure was stolen by Berek and his companions, Damodar managed to call forth Faluzure after Klaxx the Maligner retrieved the Orb for his behalf. Breaking free from his prison, Faluzure approached the two and instructed Damodar to give him the Orb. After the dragon god destroyed the artifact that drained him of his dark powers, Damodar offered Faluzure his servitude in return of him destroying Izmir on his behalf. Faluzure accepted the archmage's proposal under the condition where he sacrificed 100 people every new moon in honor of his release.

As Falazure begins his rampage, Berek and Melora discovered that the original Orb of Falazure was created from Turanians's prayers for Obad-Hai, and that she had to prove her worth to the deity of nature to gain another. With a new Orb in her possession, Melora rallied her surviving fellow mages to combat the dragon god while Berek set out for Damodar both to cure her and ensuring her success. Knowing that the tide has turned against him, coupled with Klaxx denounced his service and left, Damodar attempted to leave the scene only to be intercepted by the vengeful Lux who sought to avenge her comrades. Fortunately, Berek managed to calm Lux down and the two proceed to coerce Damodar to break the curse she put on Melora. Reluctantly giving in to their demands, Damodar reluctantly lifted the curse, but reassured Berek that he is currently delaying the worst. With maladies Damodar put on her completely undone, Melora swiftly turned the tide of her fight against Falazure and imprisoned him deep within a lake not far from his original prison.

Powers and Abilities

Transcendent Undead Dragon Physiology: As the Dragon Deity of Energy Draining, Undeath, Decay, and Exhaustion, Faluzure takes the form of a massive undead dragon with immense powers.

Flight: Exclusive to film incarnation, Faluzure can fly with use of his wings.

Immortality: Being the god-like undead dragon himself, Faluzure can live forever.

Absolute Invulnerability: There is nothing that can destroy Faluzure thanks to his divine nature, and that the only way to stop him is by imprisoning him.

Fire Breath: Like common mortal dragons, Faluzure can breathes fire, though in his case, he projected the flames in form of expanding fireballs.

Magic: Faluzure possesses immense mystical powers where most of them involves manipulation of forces of death. His powers can be crippled with aid of other divine beings such as Obad-Hai however, and the extent of his powers only hinted through Damodar's use of Orb of Faluzure.

Absolute Necromancy: True to his title, Faluzure possesses a vast amount of power over the force of death.

Death Beam: Faluzure can project a destructive beam of death energy at will, which can kill mortals struck by it. The beam is depicted as silverish white in the film.

Death Empowerment: Faluzure can gain strength from death of others. In fact, he relies on death to maintain his perfect form.

Curse Breaking: Faluzure himself can also break a powerful curse on a whim.

---

When I was finished everyone was shocked.

Nico: Oh man! This is not good!

Eli: If Faluzure is released he will destroy everything in his path.

Ets: And kill everyone he comes into contact with.

Laney: But I thought his powers were sealed away forever.

Me: So did everyone else. But I have a theory. After we killed Venger, all of Eberron merged with our world. Someone found the weakened Turanian Fortress after all these years and acquired the Orb that was used to trap his powers and now he will free himself on the first new moon.

Nico: That's tonight.

Me: In a few hours.

Nico: Someone must've have found the fortress where the orb that has Faluzure's powers in was at and removed it from its seal that kept him dormant.

Me: Then we have to stop him at all costs.

Eli: Where is he gonna surface?

Me: The scans show that Faluzure is imprisoned on a mountainous island somewhere in the south Pacific Ocean 3,000 miles east of Australia.

Nico: Wow.

Emma (ELGVTWD): That's a long way from here.

Me: Yeah.

Femme Fatale, Control Freak, Steam Smythe, Iron Lung, Mr. Fizz, Merman, Zzzax and Bonz then appeared.

Femme Fatale: Can me, Control Freak, Steam Smythe, Iron Lung, Mr. Fizz, Merman, Zzzax, and Bonz go with you guys?

Me: You all sure can. But I'm afraid the situation is about to get dangerous. Faluzure is coming.

Bonz: Oh man! You mean the Night Dragon from Dungeons & Dragons!?

Me: Yeah. After being trapped in Suspended Animation for over 3,000 years.

Zzzax: I watched the movie Dungeons & Dragons 2: Wrath of The Dragon God and whoever is about to release Faluzure has no idea the kind of pain he will wrought unto this world.

Lola: This is gonna be the first ever dragon god we face.

Mr. Fizz: How much time do we have before he is released?

Me: He will be released on the dark of the New Moon this month.

Control Freak: That's tonight.

Me: In the next few hours.

Iron Lung: Where did you find all this out?

Twilight Sparkle: The Libram of Turan appeared in our Library.

I pulled out the Libram and they saw everything in it. It was all true.

Control Freak: Oh man! We're in for one helluva fight.

Me: I know. Jessica can you tell the other Masters of Evil about this and let them know that we're gonna need all the help we can get if we are to stand a chance against Faluzure?

Femme Fatale: I sure can.

Me: We better get moving. Lets go!

Mr. Fizz: Where will Faluzure appear?

Nico: Our scans show that it will be on a mountainous island in the South Pacific Ocean.

I pulled up a map and it showed where the island was at.

Me: Lets get moving.

We were off to the island that Faluzure was imprisoned.

SOUTH PACIFIC OCEAN

We were flying over the Pacific Ocean.

Gus Grav: Where are we going anyway?

Me: We should be just about there.

We arrived at the island and we saw a girl fighting an evil girl in a weird outfit and she had the girl in a strangle.

Me: Oh no!

But the girl was only in her underwear.

Melona: No one calls me a monster and lives!

Me: (Offscreen) Pick on someone your own size you bitch!

I swooped in and kicked Melona in the face and knocked her down.

I faced her and it was MELONA OF THE ACID!

---

Melona is one of the four servants of The Swamp Witch and her strongest minion. She is a shapeshifter who can change the shape of her body freely and instantly. She is skilled in obtaining information and assassination. It is assumed that she was ordered to bring about chaos to the Queen's Blade tournament. She is the secondary antagonist of the Queen's Blade anime series.

Melona is one of the faithful partners of the Swamp Witch. She's a shapeshifter that can instantly alter her body's shape and was trained in espionage and assassination. She was sent to Queen's Blade under orders to cause confusion. With a very childish nature, she likes playing cruel pranks and acting and speaking as if she would devour people. Instead of choosing the more rational way to accomplish her missions, she has fun devising the way to get her opponents scared the most.

Her body is soft like jelly, but she can harden it instantly at the time when she's attacking or defending. She may also replicate shields to look like they're made by skilful blacksmiths, or replicate her opponent's weapons to the slightest detail. Melona is a frightening monster beyond human knowledge. She can raise her stamina indefinitely by absorbing the bodies of little creatures around her, until she eventually becomes invincible.

Melona is one of the faithful partners of the Swamp Witch. She's a shapeshifter that can instantly alter her body's shape and was trained in espionage and assassination. Melona is a frightening monster beyond human knowledge. She can raise her stamina indefinitely by absorbing the bodies of little creatures around her, until she eventually becomes invincible.

Although she originally had a very childlike personality, her knowledge and judgement increased by having absorbed a certain ancient demon. In order to achieve the ideal world of the Marshland Witch, and in order to take the world aback with her own ability, Melona planned the huge conspiracy which shook the world.

Me: Melona of the Acid. I've heard a lot about you. The Swamp Witch sent you to kill the famous Vance Family.

Melona: That's right! Now you will die J.D. Knudson!

Me: I don't think so! MASENKO HA!

I fired a blast of energy and it hit Melona and she screamed in pain as she was completely obliterated in an instant and sealed her into the Book of Vile Darkness forever.

Me: Take that!

I pulled out a blanket and covered the girl.

Me: Are you all right?

Leina: Yeah. Thank you.

Mr. Fizz: Are you okay?

Leina: Yeah.

I held out my hand and she took it.

Leina: Wow! J.D. Knudson and all of Team Loud Phoenix Storm. It's an honor to meet you.

Me: Same here. You must be Leina Vance. I've heard incredible things about you.

Leina: Same with you J.D. It's an honor to meet you and all of Team Loud Phoenix Storm.

Me: Thank goodness you're okay. Wow you are REALLY beautiful.

Leina: Thank you.

Me: Lets get you some new clothes.

Varie: Leave this to me and the team.

They got to work and gave her new clothes. She got a white version of Rinoa Heartilly's outfit and she also had the kanji for Leina Vance, Angel of The Royal Blade on the back.

I formed a mirror.

Me: How do you look.

Leina: Wow! I look amazing.

Mai: You sure look awesome.

Leina: Mai!?

Mai: Good to see you again Leina.

They hugged in a reunion.

Leina: Wow! I didn't expect you to be part of Team Loud Phoenix Storm.

Mai Shiranui: It's a strange story. But it's great to see you again after so long.

Leina: Yeah.

Me: You two know each other?

Mai: We sure do. We participated in the Queen's Blade Tournament a while back.

Me: Wow!

Hotlink: What's the Queen's Blade Tournament?

Leina: It's a really interesting tournament.

She went over what it is.

---

Queen's Blade is a single-elimination combat tournament that is held every four years to determine who will be Queen of the continent.

The Queen's Blade tournament started 120 years ago, following the tradition from the founders of the Continent: "The strongest woman can rule this country."

The twenty-eighth and twenty-ninth Queen's Blade tournaments were won by Aldra, thanks to the great demonic powers she received from Delmore.

The thirtieth tournament was won by Leina, who relinquished the throne to her sister Claudette.

As of Rebellion, the tournament has been abolished due to Queen Claudette's mandate.

---

We were amazed when she was finished.

Me: Wow! It's like the World Martial Arts Tournament and the Olympics except it's only for woman.

Nico: Like a mixture of the Olympics, The World Martial Arts

Tournament and Amazon Contests.

Wonder Woman: That's very similar.

Leina: It sure is.

Risty: It will be a great honor to be in the tournament.

Me: It sure will.

Leina: And this tournament is happening right now.

Risty: It sure is.

Tomoe: Yep.

Merman: Wait. This tournament's happening now?!

Leina: Yes it is.

Me: This is bad guys. This tournament could very well be the last one ever.

Leina: Why do you say that?

Me: This island was used as the prison of the Evil Dragon God of Decay and Undeath, Faluzure. It's a really complicated story.

I went over everything that Faluzure did and all that.

The girls were shocked!

Tomoe: Faluzure is that dangerous!?

Eli: He is and if we don't stop him he will destroy everything.

Sigui: This is a disaster!

Tina (Queen's Blade): Whoever is about to unleash Faluzure has no idea the kind of evil he will bring.

Leina: How much time to we have till he is unleashed?

Me: 7 hours. He will be released when the New Moon comes.

Vypra: This is a nightmare.

Me: Yeah.

Eli: His prison is over in that mountain over there.

Eli pointed to a mountain 10 miles from the mountain we were on.

Me: That's not far away. We got to hurry and warn everyone.

Mason Brown: Leina, before we talk about our next move, why were you in your underwear before?

Leina: Melona used her acid and destroyed my clothes.

Me: Geez!

Clyde had a nosebleed.

Me: But thanks to me coming I killed Melona and sealed her into the Book of Vile Darkness.

Nicole: She was a monster.

Nico: Yeah she was.

Me: Yep.

Zzzax: Can you girls think of anyone who would be stupid enough to unleash Faluzure?

Tomoe: I know just one: Airi.

Me: Airi the Maid of Hades. I've heard about her.

Nico: What do you know about her?

I went over her history.

Airi is a wraith summoned by the Swamp Witch, to kill her enemies in the Queen's Blade Tournament. Airi is totally devoted to her mistress, the Swamp Witch, much more so than Menace or Melona. She can suck away the life energy of her enemies simply by touching them.

Airi serves the Marshland Witch, she who controls the undead and apparitions from the Netherworld and plans to rule over the Continent. She is a spirit summoned from the Netherworld and was enchanted with an obedience spell by the witch. Even if she's being forced to work under her, Airi performs her duties admirably and with no complaints.

Although she is a spirit, Airi's body has substance. Her clothes don't, and they're just an image projected by her, that seem real in the eyes of normal people. Without sucking energy from living beings, Airi can't stay in the earthly plane. She manages to suck energy by touching directly the bodies of her victims, and she seems to enjoy it more when the victim is frightened.

To rule over the Continent as soon as possible, the witch sends an elite troop to enter Queen's Blade. Airi, liking to suck energy from beautiful women, goes to serve her master all too willingly.

---

When I was done everyone was shocked.

Nico: Whoa man!

Eli: So she sucks life energy from women to stay in the world?

Emma (ELGVTWD): That's crazy!

Me: And I can tell that she does not like working for the Swamp Witch.

Lola: She needs help and she needs to be saved from herself.

Leina: How do you plan to do that?

Me: Over the years we helped save villains from themselves and get them to be better people.

Bai Tza: It's true Leina. I was saved from myself.

Girl Jordan: Lots of villains we have faced over the years have a lot of good in them. We just have to reach down and help save them and pull them back into the light.

Brittney: I can help Airi get saved from herself.

Rizzy: How do you plan to do that?

Brittney: I am the Empress of Darkness and we creatures of the Netherworld have a huge understanding.

Me: We haven't got a moment to lose. Lets head up and warn everyone.

Nico: Right.

We went to the stadium at the top of the mountain and just as the tournament was about to begin we jumped in!

Me: Everyone listen up!

Ed: Everyone! You need to get out of here! There's an evil dragon about to be unleashed!

Everyone gasped and started panicking.

Lync Volan: Maybe yelling it out in front of a large group of people wasn't very smart!

Eddy: (Sarcastically) Nice job Lumpy!

Me: Yeah! Listen to me everyone! This evil dragon is not an ordinary dragonn! It's a Dragon God.

I told everyone everything. They gasped.

Me: Everyone you have to get off this island. We don't want any of you to get caught in the crossfire when we battle Faluzure.

Everyone agreed and they ran to the boats that brought them to the island.

?: NO! You all ruined everything!

A figure came out and it was AIRI THE MAID OF HADES! And imbedded in her left hand was a Dark Orb and it was making her stay in the world and in her hands was a black orb that had a really malevolent black aura around it. It was THE ORB OF FALUZURE!

Me: Airi the Maid of Hades.

Airi: Team Loud Phoenix Storm. I didn't expect you all to show up.

Brittney: Let me talk to her.

Iron Lung: I think someone needs to call the Lupinrangers and Patrangers about what's going on in case we die in this battle.

Me: No one is going to die Iron Lung.

Brittney: Airi listen. Faluzure is coming. You know that as much as we do.

Airi: I know. And I summoned him because I want him to make me stay in this world forever. Serving the Swamp Witch is a nightmare and I didn't want to work for her anymore. I thought that if I could release Faluzure from his prison that he would grant me my freedom and help me be part of this world and help people in need.

Brittney: That didn't work out well though. Do you really think that a monster like Faluzure will uphold his end of the bargain? No he won't. He will kill you like he did to so many innocent people on Eberron over 3,000 years ago. Countless lives were destroyed and many cities were wiped out because of Faluzure. His power was that ferocious. But you can prevent that same thing that happened on Eberron from happening to Earth. Just give me the orb and you can have a better life with us and be part of the redemption squad.

Airi: I'm not sure I can.

Brittney: Yes you can Airi. It's not too late for you. All you have to do is just give me the orb.

Airi was crying and she held out the orb and Brittney took it and then she broke down crying and Brittney comforted her and the dark orb fell of Airi and Brittney chanted a magic incantation that made her fully capable of staying in the world forever.

Brittney: It's gonna be all right.

But then a blob of darkness separated from Airi and it formed into DARK AIRI!

Me: There is her dark side.

Kairi Yano was working at Bistrot Jurer when he got a call on his phone.

Kairi Yano: (picks up) Hello?

Alice Gehabach: Kairi? It's Alice. Alice Gehabach.

Kairi Yano: Do you need me, my team, and the Patrangers' help with anything?

Alice Gehabach: No. But we need you guys to protect the Earth in case we die in the battle we're about to start.

Kairi Yano: Why do you say that?

Alice Gehabach: It's a weird story.

She told him everything and he was shocked.

Kairi Yano: Alice you guys won't die that easily. You are Team Loud Phoenix Storm the most powerful force the entire universe has ever known. You never give up.

Alice Gehabach: You are right! Thanks.

After Alice made her call we were facing Dark Airi.

Me: You will pay for your crimes Dark Airi!

Dark Airi: We'll see about that.

Then we felt a huge rumble and over then we saw the mountain 10 miles away from us explode and a figure blasted out of the top of it and it was a dragon! But it was no ordinary dragon! IT WAS FALUZURE, THE EVIL DRAGON GOD OF DECAY AND UNDEATH!

Me: It's him!

Eli: Whoa man!

Sheila (D&D): Is that Faluzure!?

Ets: That's him all right!

Nico: Even without his powers, his power level alone is unreal!

He was flying towards us.

Me: Here he comes.

Steam Smythe: How did Faluzure awaken?! Airi already gave Brittney the orb!

Me: The Orb at the temple of Turan was placed on an altar that kept him dormant for over 3,000 years. When it was removed from his suspension he awokened.

Steam Smythe: Oh man!

Eli: I will face him guys!

Nunnally: And I will help you out Eli.

Me: Eli. You are gonna need this.

I took out a dagger and slashed my wrist and coated the blade in my blood. The blade turned red with my blood.

Me: Stab the blade in his head.

I gave it to him.

Eli: Okay bro. Lets do it Nunnally.

Nunnally: Right!

Eli: Time to fight Dragon God with Dragon God. I summon the Egyptian God, SLIFER THE SKY DRAGON!

In massive strikes of thunder and lightning and descending from the sky came the red dragon god SLIFER THE SKY DRAGON!

Eli and Nunnally jumped onto his back and they went after Faluzure!

Volt Luster: (to Dark Airi) Do you know what you've done?!

Dark Airi: Destroyed you all!

Me: You have unleashed a terrible nightmare to kill us all that's what!?

Lola: You will pay for this!

Ets: Yeah!

Leina: You will pay for your crimes Dark Airi!

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys. Next up is where we go after Dren from Tokyo Mew Mew and we're going to make sure that he pays the ultimate price for his crimes against humanity and for trying to kill us. It will not end well for him.

See you all tomorrow.

# The Magical Cat Girls

In the living room, Nicole and Beast Boy were playing one of Beast Boy's Games. It was Mega Monkeys IV.

Carl Mach: Hey, Beast Boy. What are you and Nicole playing?

Beast Boy: Mega Monkeys IV. It's an awesome game that fun and epic.

Nicole had the all time high score and Beast Boy is miles behind her.

Lubber: Wow! Nicole is REALLY beating you!

Nicole: HA! I win!

Nicole had won!

Beast Boy: AW MAN!

Me: Good try though Beast Boy. But you should know that when it comes to video games that Nicole is the ultimate champion.

Nicole: You said it dad.

STOMACH GRUMBLES.

Me: (GROANS) Oh man!

Nicole: What's wrong dad?

Me: REALLY BAD GAS!

FFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRTTT

Me: Oops! Pardon me. Sorry everyone I had a huge bowl of blue Cherenkov Chili for lunch.

Nico: (GAGS) That is lethal.

Me: Sorry.

Luna Lovegood: Beast Boy, didn't you play Mega Monkeys 4 in the past?

Beast Boy: No I didn't. I tried to make a game of it for me to play and I used Cyborg's Recharge station to try and play it and it ended up giving him a virus.

Robin: I remember that! That was crazy.

FFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRTTTTTT

Me: Oops! Pardon me!

Starfire: Cyborg mistook us for stealing his waffles.

Gizmo: Boy I remember that. Beast Boy and I went inside him to take down the virus.

Beast Boy: I remember that. I was an amoeba.

Scrapper: Why did Cyborg mistake you guys for stealing his waffles?

Robin: Well, the virus made Cyborg picture everything as food.

Raven: And he mistook a satellite dish for a giant sundae and went for the top of it to eat it for the cherry.

Me: Boy that is crazy.

Laney: No kidding. But Beast Boy you have to be VERY careful about what you download off the internet.

Lola: Yeah Beast Boy!

Nico: I agree.

FFFFFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRR

Me: Pardon me!

Robin coughed and gagged.

Robin: J.D. you need to stop eating that chili!

Me: Sorry guys but that chili that Chief Wiggum makes is just that good.

Chief Wiggum walked by.

Chief Wiggum: Nice to know I have someone who likes my chili.

Nico: Well that's all right.

Bluestreak: Cyborg, how did all the stuff you ate taste like?

Cyborg: I don't really remember. That virus really scrambled my mind.

Me: Boy that is crazy.

Tara: No kidding and I think I was a stone statue still back then.

Robin: Yeah you were Tara.

Lola: Wow.

FFFFFFAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRTTTTTTTTTTTTT!

Leina: Geez! That chili is powerful J.D.

Varie: Yeah it's ravaging your insides.

Lola: (GAGS) No kidding! And I thought Lori's farts smelled horrible!

Lori: (Offscreen) I HEARD THAT!

Laney: J.D. you need to stop eating that chili.

Me: I know but it's just that good! Chief Wiggum's chili is addictive.

Nico: Boy I can tell.

Later we were getting ready for our next mission.

Drill Man: (to me) Before the next mission, you need to get rid of the gas inside you!

Me: You're right. (Stomach Grumbles) Whoa man! I got to go to the bathroom bad!

Nico: Better hurry!

I went for the bathroom and everyone heard me let out a huge sigh of relief.

I came out 20 minutes later with dripping hands for washing my hands.

Me: Whew! That's better.

Nico: Good.

Me: But don't go into the bathroom for a couple of days or weeks.

Ace Ventura: DO NOT go in there!

The toilet came out and the toilet comes out of his bathroom groaning.

Toilet: Please, please, somebody put me out of my misery! [toilet jumps into Nico's hands, coughing] Have mercy on my soul… ! [toilet dies]

Squidward: Man that is too coincidental.

Lily: I remember the same thing happened to you Squidward.

Lola: Yeah.

Emma (ELGVTWD): That is really funny.

Jet, Golden Glider, Magneto, Black Adam, Melter, Jack O Lantern, Mole Man, and Brass Knuckles then appeared.

Jet: Can me, Golden Glider, Magneto, Black Adam, Melter, Jack O

Lantern, Mole Man, and Brass Knuckles go with you guys?

Me: You all sure can.

Black Adam: Why is J.D.'s toilet in Nico's arms?

Nico: You don't want to know.

Me: We're going to Japan to investigate mysterious extra terrestrial activity at the edge of the Aokigahara Forest.

Jack O'Lantern: The Suicide Forest.

Me: Yep. That place has been known as a big spot over the centuries where people go to kill themselves.

?: (German Accent) Guten morgen everyone.

A girl came out and it was Hunter's friend from Germany, Margareta Gottschalk. Born from May 2nd, 2000 AD. She has blonde hair tied in twin pigtails with red ribbons, oval shape face, grecian nose, thin long blonde eyebrows, crystalline blue eyes, height similar to either Lori's or Bobby's. She wears an Short white, black, and yellow Dirndl, with an red apron on the front, brown Lederhosen hot pants, white socks and black Dirndl shoes. Her powers are Forest, Water, Earth, Wood, Germany, Nature, and Holiday Releases.

Hunter: (German Accent) Margareta!

Margareta: Hunter good to see you ja!

Me: Another one of your friends Hunter?

Hunter: Ja. Everyone this is Margareta Gottschalk.

Me: Pleasure to meet you Margareta.

Margareta: You too J.D.

Me: Glad to have you with us.

Edwayl: (Breton Accent) It will be great having you with us lass.

Nataša: (Czech Accent) We always like having one of our friends with us.

Margareta: Danke.

Me: Lets go.

We were off to Japan.

---

AOKIGAHARA FOREST, JAPAN

---

We were in front of the Aokigahara Forest. The sight of the forest alone was enough to send shivers down our spines and make even the toughest of Japanese Warriors cringe in fear.

Me: There it is guys.

Nico: The Suicide Forest.

Me: Yep. This is one of the most notorious forests ever known.

Nicole: Yep.

Brittney: This forest has been widely known as a spot where people go to kill themselves.

Eli: Creepy and scary.

Ets: Yeah it sure is.

Tania: Is this where you said the mysterious activity was located?

Me: Yep the signal is coming from 3 miles into the forest.

?: Looks like we're not the only ones searching.

We turned and we saw the Tokyo Mew Mew girls: Zoey Hanson/ Mew Zoey, Corina Bucksworth/Mew Corina, Bridget Verdant/Mew Bridget, Kikki Benjamin/Mew Kikki, Renée Roberts/Mew Renée and

Berry Shirayuki

Eli: Wow! The Tokyo Mew Mew Girls.

Me: Wow! It's an honor.

Zoey Hanson: Master J.D. Knudson and all of Team Loud Phoenix Storm it's such an honor to meet you.

Corina: We love all your adventures and you all are legends at what you do.

Zoey Hanson: Oh master J.D. we love you.

Me: (Blushes) I'm honored girls.

Corina saw the Masters of Evil members

Corina: What the Hell are they doing here? (tries charging at them)

Maria: (holds Corina back) Corina, we can explain!

Corina: I think I can put two and two together! (to the Masters of Evil members) You guys are going back to prison!

Jack O Lantern: (takes out pumpkin bomb) You're more then welcome to try and send us back there.

Me: Whoa whoa whoa calm down everyone. Girls it's okay. They are now our frenemies and they are now Anti-Villains.

Lincoln: Yeah the Masters of Evil are our frenemies and they help us out.

Me: It's a really strange and awesome story.

Zoey Hanson: We'll have to hear about it master. You should come to our restaurant and hotel.

Me: Sure thing.

Gluko: (stormach growls) I actually could use some food.

We walked to the hotel and we were there already.

Zoey Hanson: We're here.

We saw their awesome restaurant and HQ and it was amazing and cute.

Me: Wow!

Lola: What a cute restaurant!

Emma (ELGVTWD): It sure is amazing!

Pinkie Pie: I like it!

We went in and got the 10 Diamond Treatment there and it was luxurious and relaxing and so royal.

Me: Ahh this is the life.

Nico: Boy you said it.

Sailor Moon: Zoey I think that you look like us in a sense.

Me: I was just about to point that out.

Zoey Hanson: We get that a lot.

Muscle Man: Hey, Zoey. You know who else thinks you and your friends are like the Sailor Scouts? My Mom!

We laughed at his joke.

Zoey Hanson: I don't get it?

Me: We don't either. But his jokes are funny.

Sailor Moon: But it's true Zoey. You and your friends are REALLY like us.

Sailor Venus: Yeah it's true. You guys are like us.

Poromon: Do you girls have any drinks? Like beer or coffee?

Golden Glider: You don't ask for that stuff in restaurants like this one!

Poromon: Okay soda then.

Zoey and Corina brought loughts of soda and Poromon guzzled it all down.

Me: Wow. That's a lot of soda.

Gulper: Yeah and Gulper can drink all that.

Lola: Yeah.

Bridget: It sure is a lot though.

Rose the Huntsgirl: Any reason why you girls are calling J.D. "Master"?

Zoey Hanson: Because we love him. He has touched our hearts with his amazing kindness and love.

Me: I'm honored girls. I'm honored.

Laney: That's so cute.

Brass Knuckles: This is going to sound weird but… would you girls be interested in joining J.D.'s harem?

Zoey Hanson: We would be honored.

Leina: Welcome aboard girls.

Me: When we get back I'll take you all on dates to get to know you. But first thing's first. We're here to kill one of your enemies.

Zoey Hanson: You mean you're here to help us kill Dren?

Me: I guess but who is Dren?

Zoey Hanson: We'll tell you master.

The girls told us about his history.

Kish ("Quiche Ikisatashi" in Japanese, Dren in the 4Kids dub) is one of the main antagonists of Tokyo Mew Mew. He is the first of the aliens to appear.

Tokyo Mew Mew Anime

Kish's goal is to reclaim his home planet, Earth, for his loved ones and himself since they were starting to die off. Kish is the first of the aliens to come to earth, along with Pie and Tart. His people were originally from Earth and were forced to flee their planet. When he and the other aliens ended up on a planet with an inhospitable surface environment he was forced to live underground because of the sandstorms and high temperatures. He never forgot about Earth, and when he returns he's disgusted by the human inhabitants, as he feels that humans are destroying the planet.

Kish uses Chimera Anima to accelerate the humans' environmental damage to destroy all life, and reclaim the planet. As a child, he is seen as rather sad, but it appears he hides it with his cheerful personality so it did not bother anyone close to him.

Tokyo Mew Mew Manga

He is introduced at the end of the first volume of the manga and in the second episode. In the second episode was his real introduction, but only his eyes were seen.

More About Kish in the Japanese Anime

In his first full body appearance, he was watching the movements of Ichigo Momomiya in the search of the "ghost" at a junior high school. He speaks to Ichigo at the end of the episode, saying that he was "rather fond of her." Then he jumps down onto Ichigo and kisses her; unknowingly stealing her first kiss. He leaves her after saying "thanks for the meal." (translated as "thanks for the kiss." in the manga and fansubs) and the episode ended with her standing there stunned. From then on, Kish has been seen using Chimera Anima for the beginning of the series. Kish very much enjoys his battles with the Mew Mews and treats it as a game. He has said before that all of the Mew Mews are rather cute, but he finds Mew Ichigo the cutest.

---

When they were finished we were shocked!

Me: Whoa man! This guy is bad news.

Nicole: No kidding!

Shanan: Not good! He's a Doomfelinus.

Qin: What's a Doomfelinus?

Shanan: They are an evil race of Cat Humanoid Warriors that want to extinguish all lifeforms in the universe that are fatally flawed.

Papillon: My former boss Queen Beryl had secret dealings with the Doomfelinus before.

Shanan: Right I remember! But this Dren guy is not out to destroy the universe. He's trying to reclaim the Earth for his kind. You see guys, before humans lived here on Earth, the Doomfelinus were here before us. But we killed them and Dren is one of the last of his kind. He made it his ambition to destroy all of humanity so that his kind can reclaim the Earth.

Me: That is sick! We were given this planet as our home and now he want's to take it away from us? No way in the 9 Levels of Hell are we gonna let that happen!

Lincoln: No way, no how, no chance!

Applejack: Yeah!

Me: If he want's our planet he will have to take it from our cold dead fingers.

Nico: That's right!

Black Adan: In addition to Faluzure, the Doomfelinus were also one of the beings I knew during my early days.

Me: Wow we didn't know that Adam.

Nico: Yeah you have a lot of experiences like us.

Black Adam: Comes with the job desccription.

Me: It sure does. But now we know who we're up against.

Eli: And we have to destroy him before he destroys us.

Toxica: Before we go after Dren, can one of you girls give J.D. a toilet for his bathroom?

Me: No need for that. I'm all right now.

Toxica: I was talking about the toilet that died in Nico's arms earlier this morning.

Me: Oh right.

Zoey Hanson: We can do that for master.

Corina: We sure can.

Me: Thanks girls.

Varie: We have to get moving.

Me: Lets go.

We were off to the Aokigahara Forest.

---

(The Chopper Theme of Predator Plays)

In the Aokigahara Forest we were trekking through the dense trees.

Me: This place has a lot of horror stories behind it.

Laney: No kidding. This place is also know as the Suicide Forest for a reason.

Eli: Yeah. Lots of people came here to kill themselves.

Nico: A forest like this gives me the creeps.

Melter: There's still the matter of the mysterious activity that we were all looking for in the forest.

Zoey Hanson: That is Dren. He is sending out radio signals to the rest of his kind for the recolonization.

Me: Then we better have Dark Spicer find the ship of his kind and blow it to space dust.

Nico: Good idea.

Lisa Loud: Look sharp everyone. Scans show that the radio frequencies are detected at 5 kliks to the north of our present location.

Me: Lets go. Follow me.

We trekked on and it was a REALLY scary forest. Luckily no Yautja were watching us and all that.

Me: His lair has to be in here somewhere.

Eli: It's close. I sense it.

Brawlrus: You girls go in there and get Dren to explain his plan. After that, feel free to fight him before we come in.

Zoey Hanson: We don't even know where his hideout is.

Lisa Loud: We're close. The radio signals are coming from in there.

We saw the mouth of a huge cave.

Me: It's a cave.

Lola: Looks like we have to go in there.

Me: All right lets go.

We put on miner helmets and had road flares lit and we went into the cave and I had my Infrared Vision on to help see.

Me: Wow. This cave is amazing. It must've taken thousands of years to make it.

Nico: It sure is breathtaking.

Nicole: Amazing.

Bridget: It's amazing though.

We went deeper and deeper down the cave and it was incredible. There were stalactites, stalagmites, columns and even crystal spires and more in the cave and it was amazing. As we went down further into the cave it was getting REALLY hot.

Me: Whew! It's getting hot.

Nico: Yeah I'm sweating hard.

Eli: Me too.

Lola: What's the temperature?

I looked and it said it was 132˚Fahrenheit!

Me: 132˚Fahrenheit!

Nico: Wow! We've gone down far into the Earth's interior.

Lola: I like it.

Earth: Me too.

Eli: Wait what's that?

We saw a door.

We went up to the door.

Me: Wow. This door is amazing.

Lola: Yeah.

Me: Wait. There's something on this door.

I wiped off dust and it showed some kind of symbols.

Me: These symbols look familiar.

Brittney: These are vampire symbols.

They were the 12 Symbols of Erebus.

Blade: The Symbols of the 12 Purebloods needed to Summon La Magra.

Me: But we killed and banished his fucking ass to the Warp forever.

Blade: I have a feeling it's all of his minions. His fellow vampire followers.

Me: You might be right. And if they are here then we are gonna be in for one helluva fight.

Zoey Hanson: All right leave this to us.

We hid and the girls opened the door and they went into a huge room and it was as big as a massive city. In the middle of the room on an island size plateau surrounded by a huge lake of lava was DREN!

Dren: Zoey Hanson and the Mew Mew girls. Welcome.

Zoey Hanson: We are not gonna let you destroy the human race Dren.

Dren: I want the world to be perfect for all of us Zoey. Is that so wrong?

Zoey Hanson: By wiping out all of humanity yes it is!

The door buckled and ripped off.

Magneto just used his powers to rip the metal door off its hinges. And then the planets of the Solar System floated in and then they converged and exploded in a massive fiery explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A phoenix cry was heard and then we flew in and we were ready to face him.

Me: Dren. How nice to finally meet you.

Magneto: (to Dren) Did you really think a metal door would hold back the Master of Magnetism?

Dren: (nervously) Um… I was counting on it.

Magneto: You don't even know how much power I have.

Me: Or our power for that matter. Now you will pay for your crimes.

Zoey Hanson: And will will be with our master after this!

Me: That's right!

Dren: So you girls call J.D. your master now? Tell me, does he give you cat treats whenever you do something good? (laughs)

Shred Naught: I think J.D. knows that Zoey and her friends are human beings, not pets!

Me: That's right! And Dren this is our planet now and it was NEVER Yours.

Dren: EARTH IS OUR RIGHTFUL HOME!

Me: BULLSHIT! So you can destroy us and repopulate it with your wretched kind? I don't think so!

Emma (ELGVTWD): You are a monster Dren! You want to wipe out humanity because Earth was your planet first! We'll here's a newsflash!

She slashed his leg off with her axe and he screamed in excruciating pain!

Emma (ELGVTWD): Your kind is old news!

Me: This is our planet now and you will NEVER be welcome here! Your kind had your chance.

Dren: Don't worry. The planet won't be destroyed. Only the humans populating it. But at least Grandfather and the Hellfire Club will die as well! (laughs)

Mole Man: As much as we want the last part to happen, that doesn't mean the rest of humanity has to die with them!

Me: What you are doing is the genocide of the human race! Something we never tolerate!

Nico: Yeah!

Then Robo-Blaze, Robo-Roxy, Skulker, Atomic Skull, Ghost, Crimson Dynamo, Johnny 13, Absorbing Man and Count Marzo appeared.

Me: Robo-Blaze, Robo-Roxy, Skulker, Atomic Skull, Ghost, Crimson Dynamo, Johnny 13, Absorbing Man and Count Marzo.

Skulker: Looks like we got here just in time.

Me: Fancy seeing you all this far under the Earth.

Atomic Skull: Yeah.

Robo Blaze: If you're wondering about your ship, Dren, it's completely totaled.

Dren: WHAT?!

Robo Roxy: It's true. Dark used Ultimate Stompasaurus Rex's missiles to destroy it.

Skulker: (laughs) Have fun calling your home planet now!

Atomic Skull: (to you) Nice job getting new harem members, J.D.

Me: Thanks. Also tell Dark Spicer great job.

Skulker: Will do. Also here's something funny we heard for the version of Chrysalis here that we faced.

Me: What is it?

Skulker: Chrysalis's mother was a stinkbug!

We laughed hysterically at that and so did the Alt. Chrysalis!

Me: (LAUGHS) OH THAT IS SO FUNNY!

FFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAARRRRRRTTTTTTT!

I farted out blue fire.

Me: (Blushes) Oops! Pardon me! Wiggum's chili.

Lola: (LAUGHS) That was funny!

Me: Yep.

A figure came out and it was WHIRLIN! Back for Round 2.

Me: Whirlin! Back for round two I see.

Whirlin: You got that right.

Me: Sweet.

Whirlin: Loyax might not have gotten his archenemy yet. But I've already decided on mine.

Linka: (Captain Planet) (Russian Accent) And I'm guessing it's me?

Whirlin: You got that right!

Me: Cool!

Then a figure came spinning in and it was KUNG FOOD!

Marinette: Kung Food!

Chloe Bourgeois: Has Wang Cheng been Akumatized again?

Nico: I don't think so. I think this is a clone that was recruited into the Masters of Evil.

Kung Food: (Japanese Accent) Hai young Chan. And I'm here to challenge (Points to Margareta) her!

Margareta: Wunderbar! Looks like I get an archenemy ja?

Mandy: This is gonna be good.

A flash of light appeared and it was a nun.

St. Patricia: Looks like the grace of God called me to help you all.

Me: Oh hello St. Patricia.

St. Patricia: (Swiss Accent) Peace be forever with you J.D.

Me: You too.

Nico: Who is this J.D.?

Me: Everyone meet St. Patricia. She is a nun that I met and saved from the demon Valac.

Brittney: Oh man! He is the Demon of Treasure.

Me: Yep. And I exorcised him out of St. Patricia and got him sent back to hell.

Laney: That's amazing!

St. Patricia: And I'm forever grateful to you J.D.

Me: It was my pleasure.

But then numerous figures then appeared and it was THE MINIONS AND FOLLOWERS OF DEACON FROST! And it wasn't just them. It was ALL OF THE VAMPIRES THAT BLADE KILLED!

Blade: All of Frost's followers.

Me: And EVERY single vampire you killed. But Look again.

We saw that they had ugly purple splotches on them and that means one thing.

Me: They're now the followers of the Aparoids.

Quinn: (Points to me) That's him!

Me: These guys are mine.

I went over to face them.

Quinn: That's him! Get him! Fuck him up! We're gonna jack you up and make you hurt bad! WOOOOO!

Me: Shut your fucking mouth Quinn.

We went at them.

---

Battle 1: Sora, Princess Celestia, Light Skylanders, Aqua, Kairi, Namine, Tsuki, Drill Man and Blade Man VS Robo-Blaze

---

Robo-Blaze was first.

Robo Blaze: (to Sora) I'm not kidding. Ultimate Stompasaurus Rex really did blow up Dren's ship.

Sora: And we believe you completely on that. He did a great job.

Princess Celestia: But if more of Dren's kind show up they will be blasted into space just.

Spotlight: They sure will be and justice will be brought to them.

Knight Light: You got that right.

Aqua: Dren's kind will rue the day they messed with us.

Kairi: They sure will and it won't be pretty.

Namine: And that is a promise.

Tsuki: Yes it is.

Robo-Blaze: You said it. Lets do it!

Robo-Blaze fired laser blasts and they dodged it and fired blasts of energy and magic and smashed him down.

Sora: All right!

Princess Celestia: Yeah!

---

Battle 2: Akiza Izinski, Fluttershy, Life Skylanders, Crysta, Laney, Pipps, Tania and Valon VS Robo-Roxy

---

Robo-Roxy was next.

Robo Roxy: (to Akiza) Dren's an idiot if he thinks he can wipe out all the humans off the Earth.

Akiza: You got that right. No one wipes out the human race without a fight from Team Loud Phoenix Storm.

Fluttershy: That's right. They will never touch our friends and the sweet animals.

Stealth Elf: Yeah they are monsters.

Tree Rex: Big time monsters.

Laney: We will make sure they pay for it.

Crysta: You said it Laney.

Pipps: And it won't be pretty.

Robo-Roxy: No it won't. Lets do it!

Robo-Roxy transformed and slashed at them and they dodged her strikes and blasted her all over the place and smashed her down.

Akiza: Take that!

Fluttershy: That was fun.

---

Battle 3: Aqua, Starlight Glimmer, Cozy Glow, Undead Skylanders, Emma (ELGVTWD), Alice (Resident Evil), Sean (Total Drama), Gluko and Storm Shadow VS Skulker

---

Skulker was next.

Skulker: (to Aqua) Good thing I don't have a nose to smell J.D.'s farts.

Aqua: That's because you're in a mechsuit and your true form is in your face.

Skulker: Touché.

Starlight Glimmer: But J.D. loves Wiggum's chili. It was just that good.

Cozy Glow: It was REALLY good for him.

Hex: But those blue fire farts J.D. unleashes are horrible.

Eye Brawl: (Transylvanian Accent) And lethal.

Emma (ELGVTWD): But it is really funny.

Alice (Resident Evil): I think so too.

Sean (Total Drama): Me too.

Twilight Sparkle: Yeah it's just really good to him. But not to Homer.

Spyro: Yeah that was funny how he was running around like that screaming in pain.

Hoot Loop: It sure was. I thought it was really funny.

Leina: That was funny though.

Riffy: It sure was.

Tomoe: Yeah it was hilarious.

Tina: I thought it was too.

Twilight Sparkle: Yeah!

Ariel: Boy it sure must've been funny for that to happen.

Eli: Yeah that must've been really crazy.

Rainbow Dash: To eat everything like it was food like that must've been crazy.

Scootaloo: No kidding.

Magma Gloom: Yeah but thank goodness that Cyborg is not like that anymore.

Whirlwind: I would hate to imagine what would happen if that happened to us.

Gusto: Yeah that would have not been good.

Sailor Moon: It sure would not have been good.

Sailor Mercury: No it wouldn't.

Sailor Mars: Yeah.

Ghost: I don't want to even think about it. Lets do it!

Akira: Not really sure but one thing is clear: We have to be careful with what we download off of the internet.

Applejack: Yeah and Cyborg going crazy like that because of that virus made it REALLY clear for that.

Apple Bloom: You said it sis. But thank goodness Cyborg is alright.

Frozen Fright: Yeah thank goodness for that. Poor guy went through a nightmare.

Flashwing: He sure did go through so much.

Fist Bump: Yeah that was crazy.

He-Man: Thank goodness he's alright thanks to Beast Boy and Gizmo.

Man At Arms: And thank goodness he is back to normal.

Snowdrop: Yeah you got that right.

Gari: We're proud of all three of them.

---

Battle 8: Marinette, Pinkie Pie, Tech Skylanders, Hercules, Meg, Phil, Shred Naught and Trolling Thunder VS Absorbing Man

Marinette: Plenty of rocks and hot lava if you can handle that.

Pinkie Pie: But yeah. Zoey and her friends sure are like the Sailor Soliders.

Sprocket: That is so cool!

Wind-Up: It sure is neat.

Hercules: Boy you said it. I think that is so cool!

Meg: You got that right wonderboy.

Phil: Yeah baby!

Absorbing Man: You said it. (Turns into solid rock) Lets do it!

He went at them with a huge hammer of rock and they dodged his strikes and blasted and smashed him all over the place and knocked him down.

Count Marzo: It sure is. I'm really looking forward to this.

Tifa: Me too. Its been a long time since I fought against a formidable adversary.

Count Marzo: You said it. By the way what is in Chief Wiggum's chili that makes J.D. gassy like that?

Tifa: It's some kind of deadly blue chili pepper that grows down in an evil Honduras prison.

Rarity: Indeed darling. It turned Wiggum's chili blue and it was lethal to Homer but delicious to J.D.

Sweetie Belle: Yeah J.D. can't get enough of that chili.

Thunder Terror: That chili is considered as a weapon of mass destruction. But Chief Wiggum said he was ready for Homer when we were at that chili cookoff.

Gill Grunt: Yeah that's true.

Echo: But it was awesome how J.D. loves that deadly chili.

Crag: You said it. J.D. is as tough and as manly as us.

Rip: And he RIPS good!

Chunk: Yeah he does!

Slab: Oh yeah man!

Anemone: And he has an awesome love for spicy food.

Sly (Ty): (Australian Accent) Right on mates.

Count Marzo: Love his spirit and love of spicy food. Lets get it on!

He unsheathed his sword and Tifa had her new sword unsheathed and they clashed powerfully and massive thunderous shockwaves were emitted from each strike and so was red lightning. Tifa fired blasts of lightning and Marzo fired energy blasts from his amulet and the blasts collided all over and exploded with incredible power. Their power was both equal.

Tifa: Wow! Your power is amazing.

Count Marzo: So is yours. You have gotten stronger since the last time we fought.

Tifa: That was a warmup battle. Now we go all out. This is so fun.

Count Marzo: Yeah it is!

Crag: Come on fellas!

Ripping Friends: IT'S RIPPING TIME!

The group all went at Marzo and smashed him down.

Tifa: Not bad! That was great!

Kung Food: You better believe it. Are you a master of Oktoberfest Food?

Margareta: Ja. I love Oktoberfest. Und it's a great holiday for me.

Sunset Shimmer: I love Germany because of the sausages and the food. But I bet our mascots would love it because of the beer.

Sunburn: (Laughs) I bet they would.

Spitfire: You got that right.

Dan: But Germany is so cool and the culture is amazing.

Runo: So is the history behind it.

Marucho: You got that right. Germany food is awesome and the history and culture is amazing too.

Julie: So are the castles. They are beautiful.

Alice: That's my favorite landmark.

Kung Food: It's all amazing there. And Mandy I love your Swiss outfit.

Mandy: Thanks. I wanted to make it part of a tradition whenever I participate in the usual battles with you. I dress up in a Swiss outfit whenever we fight you.

Kung Food: Good tradition. And St. Patricia did J.D. really save you from an evil demon in you?

St. Patricia: He sure did. Valac was the Demon's Name.

Sunset Shimmer: That's a scary name for a demon.

St. Patricia: It is. Brittney will tell you more about him. I am forever indebted to J.D. for saving me. Though I don't remember anything about what I did when I was possessed.

Kung Food: He is a truly gifted man. Lets do it!

He formed a sword of pizza.

Margareta: How do you like this? HOLIDAY STYLE NINJA ART: OKTOBERFEST SAUSAGE SWORDWHIP!

She formed a sword of sausages and it had a blade whip made of sausages sharp enough to cut through anything. They clashed and then she lashed him in the back and kicked him in the face.

Margareta: Wunderbar! Und here is this. GERMANY STYLE NINJA ART: WALPURGISNACHT!

Margareta floated into the air and bands of black, red and yellow energy swirled around her as she was singing Walpurgisnacht by Faun and she fired them and they formed into pagan dancers and they danced around Kung Food.

The group blasted and smashed Kung Food down all over the place.

Margareta: Wunderbar!

Mandy: That was really cool.

Sunset Shimmer: It sure was! So awesome!

Linka (Captain Planet): I can't wait to see how I do. Let me have my fun first and then you come at him.

Carter Grayson: Right!

Linka: Lets dance!

Whirlin: With pleasure! WIND SPIN!

He spun around like a tornado and unleashed a powerful tornado and Linka blasted him all over with wind blasts from her ring and she went at him and punched and kicked him all over the place and smashed all over him with wind blasts and more and let him have it.

Linka: YEAH! Now guys!

Carter: Lets do it!

Lightspeed Rescue Rangers: LIGHTSPEED RESCUE!

Ryan: TITANIUM POWER!

The Lightspeed Rescue Rangers transformed and they were ready!

Carter: **"Red Ranger, Rescue ready!"**

Megaforce Rangers: LEGENDARY RANGER MODE! LIGHTSPEED RESCUE!

The Megaforce Rangers turned into the Lightspeed Rescue Rangers too!

Emma (ELGVTWD): Awesome!

Tornado Bolt: Lets tear him apart!

Carter: V-LANCERS! BLASTER MODE! SPECTRA BLAST!

They fired blasts of rainbow energy and focused it as an energy ball.

Carter: ON TARGET!

Linka: FIRE!

They fired energy blasts and the rangers fired a blast of energy and it hit Whirlin and he exploded in a massive fiery explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Emma (ELGVTWD): That was awesome!

Tornado Bolt: Like Nico says, Whirlin you have failed this universe again!

Whirlin then reassembled himself and he was back.

Whirlin: You passed the test Linka.

Linka: Awesome!

## Battle 12: Me VS All the Vampires of Blade Infected with the Aparoids

---

I had my sword drawn and I was ready to kill some vampires.

Me: You guys are about to be fucked up bad.

Mercury: We'll see about that you fuck!

Me: Try me you motherfucking bitch.

Vampire: Come on J.D.!

I fired a blast of energy and blew his head off and he disintegrated into a pile of ashes and then I slashed a vampire girl's head off and killed her and stabbed another vampire with a silver stake and disintegrated it. I slashed a bunch of Vampires all over and killed them.

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated a UV Flashbang Bomb and it released a blast of Ultraviolet Light and incinerated numerous vampires all over and toasted them all over and killed them. They were toast!

Mercury and a bunch of Vampires fired guns at me and I used magnetic energy to hold all the bullets from all their guns into the air and I sent them at numerous vampires and blew their heads off.

Me: Try this one. SOLAR FLARE!

I released a massive flash of light as bright as 1 million suns and it incinerated many vampires all over into flaming dust and killed them instantly. They kept on coming.

Vampire Girl: HEY! I'M GONNA RIP YOUR FUCKING HEAD OFF!

I punched her and blasted a vampire with an energy blast and kicked the girl in the stomach and she hissed at me and I blew her head off and she disintegrated.

Me: Sniff on this! POISON STYLE NINJA ART: GARLIC SMOG!

I released a toxic cloud of garlic nitrate and poisoned the vampires all over the place and their heads exploded.

Me: Take this one! SILVER STYLE NINJA ART: SILVER STAKE

SHOWER RAIN!

I fired a barrage of silver stakes and they stabbed numerous vampires through their hearts and killed them.

Me: Rise and shine you douchebags! ULTRAVIOLET STYLE NINJA ART: SOLAR FLARE BEAMDANCE!

I formed a blue sun in my hands and it fired massive pulsing flashes of light that incinerated many vampires on contact and killed them.

Me: Hope you vampire fuckups don't like getting heart attacks. EDTA STYLE NINJA ART: SHOWER OF EDTA!

I fired auto-injectors filled with Ethylenediaminetetraacetic acid and they hit a bunch of vampires and they puffed up like balloons and screamed in pain and then they exploded in massive piles of blood and guts. Splattering everything all over the place. All the vampires were dead and banished to the Warp. Only Quinn and Mercury was left.

I then formed rock slabs and threw silver stakes and pinned Mercury and Quinn to them by stabbing them in their shoulders and blood poured from them.

Quinn was chanting something in Slavic.

Me: Some motherfuckers are always trying to ice skate uphill.

I stabbed him in the head with an auto injector.

Me: Say hi to Frost for me in the Warp.

I went over to Mercury as Quinn exploded and was banished to the Warp.

Mercury: YOU FUCKING BASTARD! You are nothing but a piece of meat to us!

Me: Well sorry to disappoint you Mercury but I'm an angel. I'm immortal. I can't die.

Mercury: Then I will make you.

Me: How do you plan to do that?

Mercury: I will turn you into one of us.

Me: Go ahead and try. You won't be happy with the results.

I pulled out a grenade and it was a solar fluid grenade. Prototype bomb that I made for Vampires.

Mercury: Welcome to slavery.

Me: No thanks. I already have a bunch of wives.

I pulled the pin and threw it and she swallowed it down her throat and ran fast.

Then Mercury exploded in a massive explosion of fire and light and she was incinerated and obliterated and banished to the Warp.

I killed 120,000 vampires all in one day. Most kills by one person in one day.

Me: Yeah!

---

We regrouped and we were facing Dren.

Me: This is gonna be good.

Troy: Time to end this.

Megaforce Rangers: Legendary Ranger Mode: Train Rail Force!

Bridget: Aw, sweet! I love trains!

Me: Nice! They turned into the ToQger Rangers from Japan. Now it's time to take him down!

Ets: This is gonna be good!

Emma (ELGVTWD): YEAH!

We went at Dren and smashed and pulverized him all over the place with incredible fury.

Ed Cowart: EAT DIRT CAT FREAK OF GENOCIDE! (BLASTS DREN ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Earthworm Jim: EAT DIRT CAT FREAK OF EVIL! (BLASTS DREN ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Intress slashed and kicked him all over the place with incredible fury.

Ets: This will hurt! TECHNO STYLE NINJA ART: LIGHTNING COIL BLAST!

He fired a wave of lightning from a Tesla Blaster in his hand and electrocuted Dren all over.

Ets punched and kicked Ets all over and he smashed him in his crotch and Dren screamed like a little girl.

Scrapper and Phage: LASER SYMBIOTE SLASH!

Bluestreak and Luna Lovegood: LIGHTNING MAGIC BURST!

Scrapper and Phage fired waves of energy and Symbiote Matter and Bluestreak and Luna fired waves of lightning and magic.

Me: This is the power of our love and friendship combined and that is something that we humans have and people like you don't Dren!

Zoey Hanson: That's right you jerk!

Me and the Mew Mew Girls: EARTH MEW ULTRABLAST!

We fired a massive blast of energy.

They fired elemental energies which formed into the Wild Force Megazord and it slashed Dren all over.

The blasts hit Dren all over and exploded.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Dren was still standing.

Zoey: It's over, Dren!

Me: Now die!

Me and Zoey fired an energy blast and obliterated him into nothing!

His evil spirit then appeared.

Nicole: You will never be welcome here on Earth.

She pulled out the Book of Vile Darkness.

Nicole: ALDRUON ENLENTHRANEL VOSOLUN LIRUS-NOR!

She had him being sucked into the book and then he grabbed Zoey's Leg!

Me: Oh no!

Zoey Hanson: Let me go!

Dren: I WON'T GO IN ALONE!

I grabbed Zoey's hands!

Me: HOLD ON ZOEY!

Dren: SHE IS MINE!

Me: SHE! WILL! NEVER! BE! (FLARES UP RAINBOW AURA!) YOURS!

I got him to let go and Zoey was free and I flew into the air as Dren was sucked into the book and sealed into it forever.

I was holding Zoey bridal style and I smiled at her.

Zoey hugged me.

I landed.

Nico: Nice save J.D.!

Lincoln: Way to go buddy!

Me: Yeah that was a close one.

Nico: Just like what happened with you and Sabretooth.

Me: Yeah that was a close one.

Zoey kissed me on the cheek.

Zoey Hanson: Thank you master.

Me: You're welcome Zoey.

We got out of the cave and we were covered in sweat.

Zoey: Thanks for your help today.

Ghost: It was nothing.

Crimson Dynamo: The important thing is that Dren's people aren't invading this planet anytime soon.

Johnny 13: And you girls are JD's lovers now.

Absorbing Man: We'll find good places for dates when the time comes. But for now, let's celebrate this victory!

Pinkie Pie: VICTORY PARTY!

Me: Lets Party everyone! And I'll get to know Zoey and friends too.

Zoey Hanson: (To the viewers) This was an awesome adventure! Now we have seen the last of Dren. But there are more of our enemies to face. I hope we get rid of them all.

Me: And we will Zoey.

We went back home and had the hotel and restaurant of the Mew Mew Girls teleported to Restaurant Row in Canterlot in the World Tree Estate and it was a huge success moving it there and everyone wanted to go their for a vacation and all that. I got to know the girls as we were helping them moving them in. We later had a great dinner and then went to sleep.

# WRESTLERS FROM ANOTHER PLANET

LETS GET READY TO RUMBLE!

---

At the World Tree Estate we were in the gym working out. We were exercising and really working up a tremendous sweat.

Shadow the Hedgehog: Another good day at the gym.

Me: (Lifting Weights) You said it Shadow. This is good.

Eureka: (Punching a punching bag) It's very therapeutic.

Laney: (Meditating) Oooooooommmm….

Rainbow Dash was running on the treadmill set on high and she was using her superspeed to run fast and REALLY burn rubber.

Same with Lightning Dust, Vapor Trail, Spitfire and the Wonderbolts and Shadowbolts.

Fluttershy was doing wing pushups.

Applejack was lifting weights.

Applejack: This is really good.

Nico: Yeah it is.

Stewie: This reminds me of the time the fat man injected me with steroids.

Me: What the!?

I dropped the weight and then…

CLANG!

It landed on Nico's foot!

Nico: Ow.

Rarity: (eyes widen) Stewie, please tell me that you're talking about a cutaway.

Stewie: No it's all true Rarity. I was able to lift up weights no problem with them.

Me: Stewie having steroids at your age is crazy.

Nico: I agree.

Kickback: Stewie, you should stick to your brains in battles.

Eddy: Yeah! Leave the muscle stuff to guys like Lumpy and Hulk.

Me: Yeah! Sorry Nico.

Nico: No worries.

Poromon: Can me and the other mascots take steroids sometime?

Cliffjumper: Poromon, please tell me you're joking!

Me: I don't think it works that way for Pokemon and Digimon.

Poromon: Yeah you're right.

I drank raw eggs.

Me: Ahh!

Eli: I didn't know you like drinking raw eggs J.D.

Me: Lynn and Lightning got me into it. Took a while to get used to.

Ets: That's cool.

Leina: It sure is. But that must taste awful.

Me: It did at first. But I got used to it.

Stewie: Hey He-Man get this. When I lifted up a weight after I got all bulky and stuff from Steroids, I said I HAVE THE POWER!

He-Man: (Laughs) That was great Stewie.

We laughed.

Nico: I guess Peter's antics actually proved beneficial to Stewie in this case. Even if it wasn't permanent.

Me: Yeah but since when have Peter's antics been beneficial for anyone? All he did was make things progressively worse.

Lois Griffin: Yeah I don't know what I was thinking marrying that fucking idiot.

Lola: Yeah he is a testicle-chinned douchebag freak!

Rita: Lola!

Me: It's all right Ms. Rita. But Lola is right.

Rita: Oh you're right.

Me: Yeah I don't like Peter.

Later we showered up and cleaned off all the sweat and put on new clothes.

Me: Ahh all clean.

Shield Shredder: It's actually a good thing we just went to the gym considering what our next mission is.

Me: Yep and we're gonna go wrestling in Japan!

Lynn: ALL RIGHT!

Me: But we're going to Japan to meet Kid Muscle and his friends and kill one of his enemies.

Nico: ALL RIGHT! This is gonna be fun! I heard he is so hilarious.

Me: Oh yeah!

Muscle Man: Hey Nico you know who else likes to wrestle? MY MOM!

We laughed at his joke.

Nico: That's funny!

Ghost, Robo-Blaze, Robo-Roxy, Skulker, Atomic Skull, Crimson Dynamo, Johnny 13 and Absorbing Man then appeared.

Ghost: Can me, Robo-Blaze, Robo-Roxy, Skulker, Atomic Skull, Crimson Dynamo, Johnny 13 and Absorbing Man come with you guys?

Me: You all sure can and we're going to Fukuoka, Japan.

Nico: This is gonna be awesome. We're gonna meet Kid Muscle.

Atomic Skull: Oh wow! I heard about him. He is a prince from another planet and he is chosen to be the savior of the world. We're being attacked by evil wrestlers.

Me: Looks like we're going after them.

Nico: Yep.

Me: Lets roll.

We were off to Japan.

## FUKUOKA, KYUSHU, JAPAN

We were in the city of Fukuoka on the island of Kyushu in Japan and it was a beautiful city.

Koichi: Always good to visit Japan.

Maria: Though the Japan the Lupinranger, Patranger, and other Super Sentai are in is probably at another Earth.

Me: That's what I am thinking too.

Nico: Yeah.

Me: See that tower over there?

I pointed to the Fukuoka Tower.

Me: That's the Fukuoka Tower.

Eli: And right by it are the crystals that are the remnants of where Godzilla destroyed Space Godzilla.

We saw giant crystal spires that were surging with energy.

Lola: Wow! That is amazing!

Nico: Incredible.

Ets: That's cool that they are here. But I had no idea that Godzilla VS Space Godzilla was real.

Me: You haven't seen anything yet.

Eureka: This is gonna be so cool.

Me: Lets find Kid Muscle.

We walked around and we saw a big man in a wrestlers outfit.

Robo-Blaze: Hey there! Are you Kid Muscle?

Kid Muscle: You better believe it small fry. (Sees us) Wow! Team Loud Phoenix Storm it is a great honer to meet you. Give me a greeting punch to the stomach.

POW!

I punched him in the gut.

Me: Nice to meet you too Kid Muscle.

Kid Muscle: Yeah baby!

Laney: That was funny.

Kid Muscle: But it's a great honor to meet you all.

Nico: Same here.

Me: It's awesome meeting you. We love all your deeds in wrestling and how you thrashed your opponents.

Kid Muscle: Thanks. I like farting in my enemies faces.

We laughed.

Nico: That's funny!

Eli: Yeah it is!

Kid Muscle: Let me show you all the Hercules Factory.

We followed him to said place and we saw that it was a school of wrestlers for wrestlers.

Slobber Trap: I can't believe we're at the Hercules Factory.

Me: So awesome!

Kid Muscle: Yep this is where they taught me everything i know about being a hero.

Hercules: I'm honored that they have a factory named after me.

Me: So cool.

Eli: Boy I'll say.

2014 Maleficent: It's amazing.

Muscle Man: Hey Kid Muscle you know who likes smashing peoples heads in?

Kid Muscle: Who?

Muscle Man: MY MOM!

We laughed at his joke.

Kid Muscle: (Laughs) That was a good one!

Mordecai: You get it?

Kid Muscle: Yeah I thought it was funny.

Me: Neat.

Nico: That's funny.

Eli: It sure is.

Robo-Roxy: (to Kid Muscle) FYI, we actually do know some female wrestlers.

Kid Muscle: Neat!

Nico: Oh yeah!

May: And wrestling is so much fun!

Misty Tredwell: And we kick some butt in wrestling too.

Carly Atlas: You got that right!

Muscle Man: Hey, Kid Muscle. This joke I told the others earlier. You know who else likes to wrestle?

Kid Muscle: (grins) I know the answer to this one.

Muscle Man: My mom!

Kid Muscle: (laughs) I bet she does! But what about you? After all, your name is "Muscle Man".

Broccoli Guy: He's got a good point.

Me: That's true! Also Kid Muscle we came to help you kill one of your enemies.

Kid Muscle: Awesome! I know just the one for you: Bone Cold.

Atomic Skull: Oh man! I know him! He's a dangerous intergatactic criminal.

He told us all about him.

---

Bone Cold (ボーン・コールド) (Lone Bone Cold in the English manga) is a fictional character from Yudetamago's manga and anime series Ultimate Muscle (Kinnikuman Nisei). He is appears during the Fire of Inner Strength Challenge Arc as an antagonist toward Mantaro, while he is also the murderer of Mince and the son of Kinkotsuman.

Bone Cold is the most powerful member of No Respect (ノーリスペクト) and the son of Kinkotsuman. As a child he ran away from home in order to escape his father's abuse (harsh training in the anime). He becomes an assassin that specialises in murdering Seigi Chojin. He teamed up with Hanzo and Fork the Giant to form No Respect. On Planet Kinniku he has killed 152 soldiers and while this is considerably lower than Hanzo and Fork's body count, he is still considered the strongest and cruellest of the three. The reason why his was lowest was because he does not kill anyone unless he is paid for it; the 152 he killed were all important officers with bounties on their heads.

Prehistory

Kinkotsuman physically and emotionally abused Bone Cold during his upbringing, which included causing a facial scar by attacking him with a cane. He was constantly attacked by Kinkotsuman, who resented his history of defeat at the hands of Kinnikuman, and Bone Cold felt unloved by his father. He ran away as a child, at the age of eight fearful that he would be murdered by his father. His mother abandoned them when he was five-years old, as she could not stand the abuse.

Bone Cold went on to become a member of No Respect and a contract killer. He specialised in contracts against the Muscle League, and will only kill for a fee and not for free. He thus has the lowest number of kills of the Gruesome Threesome, but is the most powerful.

Fire of Inner Strength Challenge Arc

Bone Cold is introduced in disguise, where he relaxes and trains on a beach in anticipation for his upcoming match. He appears without his disguise during an exhibition match that Mantaro Kinniku is in attendance, and proceeds to challenge a blindfolded Jyro to a friendly match and wins. He then attacks Jyro in earnest, after removing his blindfold, and proceeds to remove Jyro's ears and threatens to murder him, at which point the Planet Muscle guards arrive. Bone Cold murders Jyro with a "3D Crush".

He reveals he has a contract out on Mince, who is the second-most wanted Muscle League member to be killed. He is attacked by Check Mate and Terry the Kid, but neither have contracts on them, and so he defeats the former and injures the leg of the latter, which incapacitates them. Bone Cold then takes Mince hostage, taking him to Shuri Castle, Okinawa. Bone Cold places Mince inside the mouth of a lion statue, which he crunches down to cause him pain any time he speaks inappropriately (or to prevent the truth of Meat's past from being revealed). He reveals the Shiisa ring, shaped like a lion in Okinawan tradition designed to ward off evil.

The winner of the match will be the first to incapacitate their opponent and retrieve their lantern, and Bone Cold uses his visor to gauge Mataro's strength. Mantaro - after a slow start - eventually gains the upper-hand, and Bone Cold realises Mantaro is useless without his manager, thus he attacks Mice to cause Meat to become distracted, and the two continue to battle a bloody fight. Mince intervenes by flustering Bone Cold by telling him that he knows about his upbringing - he threatens to reveal Bone Cold's secret, should Bone Cold reveal his secret first. Bone Cold tells Meat that he was abandoned by his parents, before he shoots at Mince and pierces his heart.

Mince dies, leaving Bone Cold to continue his match. After a long and bloody match, Kinkotsuman finally makes his appearance at the ringside. Bone Cold goes all out with his attacks, as he seeks to prove his worth to his father, but Kinkotsuman wants him to lose, as he wants Bone Cold to be redeemed as he himself found redemption. Bone Cold is defeated with a Muscle Millennium attack, and willingly breaks off his hand in his defeat in order to free himself. Kinkotsuman offers Bone Cold a sum to hire him as an assassin, with himself as the target, and hopes this will make them even and redeem himself, but Bone Cold refuses; although he does not forgive his father, he realises the importance of charisma and friendship.

Bone Cold is taken back into custody.

---

When he was done we were shocked!

Me: Oh man! This guy is one psychopathic fuckfreak!

Nico: Yeah I hate this guy! I will enjoy eating his heart!

Me: And banishing his spirit to the Warp.

Skulker: Do you have any friends we should look for before the fight?

Kid Muscle: Well there's Terry the Kid, Wally Tusket and Dik-Dik Van-Dik.

Me: Cool names.

Chill Bill: Let's look for them. We still have time before we take Bone Cold down.

Me: Okay.

Kid Muscle: Follow me guys.

We followed him.

Absorbing Man: The minute I absorb something, I'll help you beat the crap out of that asshole!

Kid Muscle: (smirks) Now you're speaking my language!

Me: Same with me Carl. You are talking the way I like.

Absorbing Man: YEAH!

Nico: We're gonna rip the heart out of that son of a bitch!

Eli: And Nico is gonna eat it in front of him before banishing him to the Warp.

Kid Muscle: OH YEAH!

Emma (ELGVTWD): Yeah and it will be delicious for him.

Nico: Yeah.

We saw a big wrestler and it was Terry the Kid and 2 others were with him too.

Eye Five: Hi there! Your name is Terry the Kid, right?

Terry the Kid: That's right! (Sees us) Wow! Team Loud Phoenix Storm! It's an honor.

Me: Same to you Terry.

Nico: We came to help you guys kill Bone Cold.

Terry the Kid: Awesome! Hey guys we got awesome help.

Wally Tusket and Dik-Dik Van-Dik came.

Wally Tusket: Wow! Team Loud Phoenix Storm. It's an honor to meet you guys.

Dik-Dik: Same here.

Kid Muscle explained to them everything and what we were there for.

Wally: Wow! We'll gladly help you all kill Bone Cold.

Terry: Yes we will.

Dik-Dik: Yeah!

Me: AWESOME!

Crimson Dynamo: We should eat some food first before going after Bone Cold.

Our stomachs growled.

Me: Yeah we can't fight on an empty stomach.

Nico: Yeah we haven't eaten since breakfast and after we exercised.

Naruto: I hope there is a ramen shop here.

Me: There are lots of them here in Japan.

We went to find a restaurant.

Grave Clobber: I see a restaurant nearby.

It was a ramen restaurant.

Naruto: My stomach's prayers have been answered.

Me: Ours too bro.

We went in and got to eating and we had bowls of ramen.

Me: (Slurps) (Eating) Good ramen.

Nicole: You said it dad.

We were having lots of bowls of ramen and man was it good. When we were done we were stuffed.

Me: Ahh. That was great. I'm full.

Nico: Me too.

Pinkie Pie: That was great.

Later we were walking to the fight sight and we saw a man up ahead and it was BONE COLD!

Me: That's him!

May: (sees Bone Cold walking by without noticing us) There he is. And he doesn't even notice us!

Johnny 13: (to Ghost Rider) Wanna do the entrance together this time?

Ghost Rider: You know it dude.

Me: This is gonna be good.

Bone Cold was in the Fukuoka Tower courtyard when suddenly a huge wall of fire exploded out in front of him and two motorcycle engines were heard and then he was trapped inside ring of fire and then Johnny and Ghost Rider came out and then when they landed…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted Bone Cold into the air and then souls of the damned swirled out of it and smashed Bone Cold into the ground and we came out of the explosion and we were ready to face him.

Bone Cold: Well well. Team Loud Phoenix Storm. I knew this was your handiwork.

Me: So you are Bone Cold. I've been waiting a long time to meet you face to face.

Bone Cold: So you have J.D. So you have.

Me: Now I'm going to destroy you!

Bone Cold: Oh no! I had better run! But you have no idea what you are up against you fuckup.

Me: I know exactly what I'm up against and let me tell you, I'm not worried. Make no mistake, we're going to kill you once and for all.

Bone Cold: You filthy brat!

Me: (Smirks)

Magma: Before we fight, someone else wants to say hi as well!

Bone Cold: Oh and who would that be?

Kid Muscle and team came out.

Kid Muscle: Hello Bone Cold. Miss us?

Bone Cold: YOU!

Atomic Skull: (to Kid Muscle) You can stick with wrestling moves against Bone Cold. I'll stick to ranged attacks.

Me: And when we kill you Bone Cold, I'm going to slash you into tiny pieces and blast you into dust.

Trunks: Just like when I killed Frieza.

Bone Cold: (Taunting) Ooh I'm so scared.

Me: You should be. Because that is a promise.

Kid Muscle: You make me sick Bone Cold. You have no honor.

Me: And now you will die.

Then The Mummy, Shendu the Demon Sorcerer of Fire, Hsi Wu the Demon Sorcerer of the Sky, Beast Man, Unicorn, Killer Shrike, Titanium Toenail, Bane, Myotismon, Golden Gut, Baron Mordo and Whiplash (He-Man 2002) appeared.

Me: The Mummy, Shendu, Hsi Wu, Beast Man, Unicorn, Killer Shrike, Titanium Toenail, Bane, Myotismon, Golden Gut, Baron Mordo and Whiplash.

Shendu: Looks like we got here for the fun.

Mummy: (to Kid Muscle) It's really nice to meet you, Kid Muscle.

Kid Muscle: Right back at you guys!

Shendu: Before you get to killing Bone Cold, you get to see our usual battles.

Hsi Wu: Now, with that being said-

Trap Jaw: Hold on! I think there's some other guests we should wait for before the battles. (winks at me)

Me: Yep. Come on out guys.

The red carpet came out of the flames and opened up and out came THE WWE WRESTLING STARS!

John Cena: Looks like we made it just in time.

Paige (WWE): (British Accent) You better believe it!

Lori: WOW! The great stars of WWE!

Ets: GET OUT! You guys know the famous stars of wrestling!?

Me: You better believe it Ets. They helped us out in our adventures 3 times and it was awesome!

Hulk Hogan: You know it J.D.

Ben: Lets get this party started!

He turned into Rath!

Rath: (To Bone Cold) LEMME TELL YA SOMETHING BONE COLD! YOU ARE GONNA BE IN FOR A MAJOR ASSKICKING LIKE NO OTHER!

Nico: YEAH YOU TELL HIM!

Lola: YEAH!

?: You tell him guys!

A figure came out and it was CHAMELIACON from episode 35 of Time Force!

---

Just like all other mutants, Chameliacon was created in the result of science accident on the scientific facility. Before the events of the season, he was captured by Time Force organization and frozen in the Cryo-Prison. In the thirty fifth episode, Ransik released Chameliacon and ordered to help his daughter Nadira with her wishes. Ransik also ordered Chameliacon to destroy the Power Rangers. Nadira and Chameliacon went to Silver Hills to have some fun. Together they attacked the work area and people there with Cyclobots. The Rangers arrived and Jen ordered Chameliacon to surrender, but the mutant refused. The battle began and Chameliacon fought Lucas. In battle, Chameliacon used his long tongue. Lucas offered the mutant to surrender, but Chameliacon refused and left. Then Chameliacon returned and attacked the city where he again encountered the Rangers. Chameliacon again fought Lucas and nearly overpowered him, but Ransik arrived and ordered Chameliacon to not hurt Lucas, because Lucas had romantic relationships with Nadira. Chameliacon didn't understand his boss but followed the order. Then after the battle Chameliacon left. Later after the Rangers spoiled Nadira's date with Lucas, Ransik ordered Chameliacon to destroy the Blue Ranger. Chameliacon attacked Lucas and caught him with his tongue. However, the other Rangers helped their friend and Wes freed Lucas by striking the mutant's tongue. Then Lucas also morphed and battled the villain. During the fight, Lucas even threw the mutant's tongue over the bridge. After being defeated, Chameliacon removed his Seal Patch and enlarged himself. In the giant fight, he used his tongue against Rangers' Megazord, but the Rangers eventually defeated him. Eric also helped them and summoned Quantasaurus Rex. Chameliacon was defeated and frozen by Shadow Force Megazord Mode Blue's Time Target attack.

Lucas: Chameliacon!

Chameliacon: Been a while rangers!

Chameliacon: That's right. Good memory on you.

Me: Never missed an episode.

Chameliacon: (to Ransik) Why didn't you tell me the Blue Ranger was dating your daughter the first time around? That would've been more easier to understand!

Ransik: You never asked about that.

Chameliacon: Touche but I'm happy for you Ransik.

Me: We all are.

He was gonna scare everyone away and buy the place cheap.

Fluttershy: Goodness!

Twilight Sparkle: What did they get?

Qin: Alice Dovely got 20 to 40 years in prison, C.L. Magnus got 15 to 30 years and then he busted out and tried to murder the gang with natural gas and he got 5 life sentences without parole and Herbert Blomm got 15 to 45 years in prison.

# The Japanese Cops & Robbers Rangers

In the mall massive fiery explosions were ringing out and blowing the place apart.

KRABBBBBOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM

The whole Mall was under siege by terrorists yet again!

KROW!

I kicked a terrorist in the face and sent him crashing into the window and he was dead.

Nico: Take that!

Nico fired blasts of fire and killed a bunch of terrorists by incinerating them!

Clawful: Another day of killing terrorists at the mall!

Me: Yep! And I love it! But this is the 2nd time this month this has happened!

Nico: (Slashes a terrorist's head off) Yeah!

Terrorist: GET OFF OF OUR PLANET!

Me: Says who you fuckfreak!?

Terrorist: Says Lord Trump!

Me: Trump!? Oh man! I didn't know he was back!

I slashed the man's throat and killed him.

Lori was about to charge at a terrorist holding a family at gunpoint. But then, she tripped on a rock and landed on Lynn and Lola.

Kin Tsuchi: You okay, Lori?

Kin helped her up.

Lori: Thank you.

Lynn: Way to crash into us you Fatbutt Dumb Blonde!

Lori: (ENRAGED) WHAT DID YOU JUST CALL ME!?

Lola: If you didn't have such a klutzy footing and a big fat butt you wouldn't have tripped!

Lori jumped on them and smashed and pulverized them brutally and ferociously!

Eli grabbed them.

Eli: Excuse me girls but I must discipline the nanny-goats!

BLAM!

Eli smashed their heads together!

Lori, Lynn and Lola: OW!

Mandy: Nice move Eli.

Lincoln slashed the Terrorist and killed him and then he blasted his head off with lightning.

Bonecrusher: Lori, what happened out there? You usually don't mess up like that.

Lori: I literally tripped on a rock. It's not like I collided with Lynn and Lola on purpose!

Nico: Well, everyone makes mistakes. As long as you don't make that mistake twice, I'm cool with it.

Me: That's right Lori.

Lori: Thanks guys.

Me: You're welcome.

Later we went back to the World Tree Estate and we were getting ready for our next mission. Lori went to her room and she was sad.

Trailbreaker: Did Lori seem a little sad to you guys?

Me: Yeah she did. It's because she tripped.

Eli: Poor Lori.

Bobby: I hope she is all right.

Roxanne: Yeah. Poor Mommy.

Me: Yeah. Right now lets focus on our mission and get ready.

Lisa deployed the U.S.S. Valorous Phoenix and we were on our way.

---

The U.S.S. Valorous Phoenix was flying through space.

Me: Captain's Log, Stardate 2938.2: We're on our way to another Earth to meet the Japanese Ranger Team called the LupinRangers and PatRangers and we're gonna get a great thrill out of helping them out in an awesome adventure. We encountered them in a battle with one of the members of P.L.O.O.P. and it was awesome helping them out. Our mission is to help them face one of their enemies and have them join us in our adventures.

Nico: This is gonna be so awesome to meet them!

Emma (ELGVTWD): Yeah it is!

Twilight Sparkle: It will be awesome to see them again.

Nico: It sure will and J.D. that was so cool how you used one of the weapons and finishers of one of the Japanese Ranger teams to take down Prince Herbert.

Me: It sure was cool.

Krankenstein: Monster can't wait to meet Lupinranger and Patrangers!

Me: Me too Krankenstein.

Lola: This is gonna be so cool seeing them.

Nico: We owe them big time for helping us kill Prince Maurice.

Me: Yeah. He died in prison shortly after we beamed him there.

Lola: Good riddance.

Laney: Yeah he was a monster.

Nico: No kidding and we banished 2 princes to the Warp.

Me: That makes 3 members of P.L.O.O.P. dead.

Ets: Good riddance to bad rubbish.

Lola: Yeah.

Titanium Toenail, Unicorn, Killer Shrike, Beast Man, Shendu the Demon Sorcerer of Fire, Hsi Wu the Demon Sorcerer of the Sky, Trap Jaw, and the Mummy then appeared.

Titanium Toenail: Can me, Unicorn, Killer Shrike, Beast Man, Shendu, Hsi Wu, Trap Jaw, and the Mummy come with you guys?

Me: You all sure can. We're heading to another Earth to meet the LupinRangers and PatRangers.

Nico: We sure are.

Killer Shrike: This is gonna be so cool!

Hsi Wu: I heard that they helped you all kill Prince Herbert.

Lola: Yes they did.

Emma (ELGVTWD): This is gonna be so cool meeting them.

Me: Yep and they will be the first ever Japanese Power Rangers team we met aside from the ones that helped us take down Thanos.

Eli: This is gonna be so cool!

Ets: Yeah it is!

Lana: Yeah it is!

Lisa: We arrived at our destination.

Me: On screen.

We saw that we were at another Planet Earth located in the Cigar Galaxy, 11 million light-years away from our Earth.

Me: Wow.

Nico: Every time we go to these alternate Earth's it makes us feel like we never actually left home.

Me: It does feel that way doesn't it? Lets land.

We were landing and we got off in Tokyo, Japan.

Me: Wow. It's like we're back in Tokyo.

Lola: Yep.

Scratch: Where are they?

Me: (Scans the area) (Beep beep) This way!

We went north and we found the LupinRangers and PatRangers fighting a Gangler named KAZEMI!

Scratch: There they are.

Grounder: And they're fighting some Pordermen and one of those Ganglers!

Me: I remember that one. That's Kazemi. He is the last of the Gangler's that they went after when the series ended.

Nico: Cool.

Lola: I don't like that one.

Eli: Me neither.

Me: He looks like a Kingfisher.

Nico: He sure does.

Keiichiro: How did Kazemi get his Lupin Collection powers back?!

Kairi Yano: No clue. Since said Lupin Collection Piece was already taken by us.

Suddenly, Kazemi felt something touch his foot. He looked down to see Manaphy laying still. Thinking she was a plush toy, he picked her up.

Kazemi: A plush toy. How cute. Maybe if Pengino is back as well, I can give this to him as a gift.

That's when Manaphy came alive.

Manaphy: CUTE RUSH! (latches on to Kazemi's face)

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blew out the wall and a Phoenix Cry was heard and May smashed down Kazemi and got Manaphy back.

We landed by them.

Me: Been a while guys.

Kairi Yano: Team Loud Phoenix Storm! Been a while.

Keiichiro: Good to see you all again.

Me: Lets take this dirtbag down and then we'll talk. Luckily I learned this.

I teleported and placed my newly made Lupin Morpher on his safe and opened it and in it was a dark orb and I got it out along with the Lupin Treasure.

I jumped away and fired an energy blast and destroyed Kazemi and completely obliterated him in a fiery explosion.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nothing was left of Kazemi.

Nico: Yeah! Kazemi you have failed this universe.

Me: And his Dark Orb is ours and here Kairi.

I gave him the Lupin Treasure.

Kairi Yano: Thanks guys.

I destroyed the Dark Orb and we got an immense power increase and no fragments went into us.

Maria: We owe you guys for helping to take down Prince Herbert.

Touma: Any chance for a rematch with him?

May: Don't count on it.

Me: He was banished to the Warp after he died in prison.

Touma: That's a shame.

Sakuya: What is the Warp?

Me: It's an interdimensional plane that is full of an intense psychic energy and anything that is banished there gets trapped there for all eternity. The Psychic Energy there is so strong that nothing escapes it. It's the ultimate curse.

Kairi Yano: Wow! That's big.

Me: It sure is. But it's only reserved for the most evil of our enemies. And we have faced a lot of them.

The PatRangers saw the Masters of Evil.

Unicorn: (to the Patrangers) You guys don't seem shocked to see the 8 of us.

Tsukasa: Well, we did see your teammates when we fought Prince Herbert.

Keiichiro: And considering our relationship with Kairi and his team ever since 2019, we don't mind that you guys are frenemies of J.D. and the others.

Unicorn: Well that is a relief.

Me: I know.

Sly Cooper: And that is very coincidental. It's like my relationship with my team and Inspector Fox of INTERPOL.

Nico: Right I forgot about that.

Me: We have so much to talk about.

Keiichiro: You can tell us over at our headquarters in Japan.

Me: Cool.

We went to the PatRangers headquarters: The Global Special Police Organization or GSPO for short and it was an awesome place. We met Commander Hilltop.

Commander Hilltop: Did you guys destroy Kazemi again?

Noel: Yes, Hilltop. This time, there's nothing left of him. Not even his safe.

Me: And you have me for that.

Commander Hilltop: Team Loud Phoenix Storm! It's a great honor to meet you all.

Me: Same to you Commander. It's a pleasure to meet you too.

Nico: We saw all the adventures with the LupinRangers and PatRangers.

Me: We have so much to talk about with both teams. Some of their adventures are very similar to what happened with us.

Kairi Yano: Are they really?

Me: Yeah it's a long story.

We went to the room of the PatRangers and we met Good Striker.

Strut: (to Good Striker) Nice to meet you, Good Striker.

Good Striker: Same here to you. Wow! I never saw a live Struthiomimus before.

Strut: I know. I get that a lot.

Me: But this headquarters is amazing.

Keiichiro: It sure is.

Muscle Man: (to Kairi Yano) Hey, Kairi. You know who else likes taking treasure?

Kairi Yano: Arsene Lupin?

Muscle Man: No. My mom!

Umika: (shocked) Your mother is a Phantom Thief too?!

Killer Shrike: (laughs) He doesn't mean it like that, Umika.

Me: He tells these funny jokes about his mom and we laugh at them.

Muscle Man: Yeah!

Lola: Yeah they are really funny.

Nico: Yeah and we get a good laugh out of them.

Laney: We sure do.

Me: But anyway lets tell you about what happened with some of our adventures. On one adventure we had one of the villains that we faced use these necklaces that were linked to a bomb and they were gonna destroy us whenever they got angry.

Nico: And we had an encounter with one of our enemies that used an invisibility move and make me strike the Loud Kids Aunt.

Lola: And Ed used that very silly dance that you guys did.

Kairi Yano: Wow! That is REALLY coincidental.

Me: It sure is. We had no idea where the bad guys were getting the scenarios for those adventures from but now we know. They got them from you guys and the bad guys you all faced.

Eli: That is really cool and very interesting how they are managing to do that.

Vince: It sure is interesting.

Me: Also Dark Spicer and Maxxor based their trademark lines on your ranger roll calls. Kairi you would say Here's an An Advance Notice: We're taking your Treasure, Dark Spicer would say Here's your warning: Your ass is about to be kicked.

Nico: And Keiichiro you would say By Order of the G.S.P.O., we're taking you down by Force, Maxxor would say By Order of the Tribal Alliance we're Taking You Down by Force.

Kairi: Wow! That's amazing.

Keiichiro: We're honored that you would base your trademark quotes off our our lines.

Maxxor: Thank you.

Me: We put the pieces of the puzzle together after we saw you guys in action and watching you guys on TV back home.

Laney: Yeah it was really something.

Me: Yeah at first we thought they were a bunch of bad guys making us miserable. But now we see that we were actually living a few episodes from you guys. Very coincidental.

Lola: That sure is awesome!

Nico: It sure is.

Umika: Wow! That is really amazing.

Doofenshmirtz: You know that Vypra is planning to recruit the Ganglers you fought, right?

Keiichiro: That's perfectly fine. That way, all of us have the chance to fight them. Including Dugon Manattee, who me and my team didn't get a chance to fight.

Sakuya. I still can't figure out if he's a dugong or a manatee.

Me: We'll find out when we face him in the future.

Lana: Yeah it'll be cool to see him.

Emma (ELGVTWD): This is gonna be really cool facing your enemies too.

Eli: Yeah and kicked their butts.

Me: This will be interesting. But if they have any treasure it should be treasures from other planets and all that.

Nico: Not a bad idea.

Kairi Yano: That would be amazing.

Me: Yes it would. Since we're waiting for the Dino Fury Rangers when we meet them in the next year to year and a half we're gonna recruit some of the new Japanese Power Rangers team to the team.

Umika: That's awesome! But what about the other Japanese Ranger teams?

Me: Well the Japanese Ranger Teams 1975 on up have all either retired or moved on.

Nico: Its been over 40 years since they got back into the game.

Me: But the Battle with Thanos was their final mission before they officially retired.

Laney: Yeah.

Touma: Wow. It's great they helped you all out in such a devastating battle.

Me: It sure is. And we saved the entire universe from Total Destruction that day.

Kairi Yano: Wow. You guys have done it all.

Me: We don't like to brag. But it's what we have to do to help the universe. We went through it all over the last 5 years.

Varie: Yeah its been one amazing adventure after the other for all of us.

Lynn: And it's amazing doing it all.

Tara: Yeah we get to see new places, meet new people, pulverize bad guys and all that.

Ets: We've been to many places and been to many different universes and all that.

Kairi Yano: Wow! We'll have to see what you all went through.

Me: Yeah.

Jim: Kazemi wasn't the only Gangler brought back. There have been reports of Herlock Sholmes and Wilson being in the area as well!

Shendu: Herlock Sholmes? Now those two names are mixed up!

Laney: Not necessarily. Herlock Sholmes is the Inspector that was relentlessly after Arsene Lupin long ago. He tried to get him for years.

Twilight Sparkle: Yeah it was amazing that he went after him for so long.

Sunset Shimmer: It sure was.

Me: Lets not forget that Arsene Lupin was the most amazing and most legendary thief ever. He was commonly known as the Gentleman Thief.

Nico: Yep.

Sly Cooper: And one of the greatest thieves ever known.

Lola: Yeah.

Me: Before we go after them, what can you tell us about them?

Kairi went over their history.

---

Herlock Sholmes

**Herlock Sholmes** is a fox-themed Gangler Monster and the main antagonist of the 2018 movie called *Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger en Film* . Also he's equiped with a Saturn Model-like treasure called *Météorite osei* .

He was voiced by Naoki Tanaka.

History

Herlock Sholmes made his first appearance disguised as a detective when he arrived to Japan from London England and he used his knowledge to deduce his partner Wilson that he's gangler in disguise after that he fool the police into attacking the lupinrangers and the gangler.

However in his monster form he helped his partner by firing the blue flames at the two teams while Wilson takes Lupin Red and Patren1gou to the Back World. After that he then battle Patren X/ Lupin X and the result sends the cross-thief and police flying off the building.

He appeared at the police Headquarters still disguised as a Detective prompting the police to head to the museum to meet up with his partner. Speaking of which they already arrived there when the two cadets received a calling card about a Gangler arriving here at the museum. However at the exact moment he revealed his monster form to the teams as he sent flying out of museum, and he was about to eliminate them with it wasn't for the arrival of the cop and police duo who used Goche Ru Medou to create a portal back to the human dimension.

After that both Herlock Sholmes and Wilson battle the two team. However during the fight Lupin Blue used his Dial Fighter on Herlock's safe (which his password is 8-1-2) and stole a Saturn Model called *Météorite osei* (which translate as "Meteorite Fall") after that the gangler duo were taken out by PatrenUgou and Lupin Tricolor. However thanks to Goche she'd enlarged the duo where they put the whole world into darkness, so they'd battle Lupin Rex and Pat Kaiser which turns out they were destroyed by the teams finisher called Lupin & Pat's Freedom Slash.

Wilson

**Wilson** is a Raccoon Dog-themed Gangler Monster and the Secondary antagonist of 2018 movie called *Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger en Film* . Also he is equiped with a magnifying glass-like treasure called *Bienvenue dans la jungle* .

He is voiced by Chafurin who previously voiced Bucrates and Makuin of the Blob.

He made his first appearance of the 2nd part of a 2 part TV special called *Kaitou Sentai Lupinranger + Keisatsu Sentai Patranger ~The Ultimate Weird Combination!~* where he witness the destruction of Magooda Pone by the hands of the cop and thief duo.

Wilson appeared the 2nd time at an airport waiting for the arrival for his partner Herlock Sholmes after the "detective" deduce that he was in disguise. The thieves used their calling card and revealed the disguise gangler. He then battle the lupinrangers and patrangers with some help from the Pordermen. The two teams and Wilson took the fight to the cargo bay, however before Lupin Red could get the chance to steal Wilson's treasure Herlock Sholmes (in his monster form) managed to save his partner by using one of his ability to take out the teams while Wilson used one of his ability and took the two Reds to his home dimension which is the back world where the duo will be destroyed by him, Destra Majjo and Goche Ru Medou a while later during the battle the three all fire at the tied up cop and thief and "destroyed" them, so with that they went back to the mansion to report to Dogranio Yaboon about their success.

He then appeared at the Gangler mansion to give a report about the defeat of the duo to his boss and his plan about his partner eliminating the for in the human world. However he was sent back to the human world to assist his partner in their plan.

Speaking of which he appeared at a museum where Herlock Sholmes revealed his true color to the police and thief team, and the duo were outside and he was watching Herlock Sholmes to eliminate the two teams however thanks to the arrival of the leaders (where they used Jackpot Striker and forced Goche Ru Medou to create a portal back to the human realm) they interrupt the attack and he was being scolded by his partner for not eliminating the duo. After that the two teams battle the Gangler duo, and during the fight Lupin Yellow used her dial fighter to gain access Wilson's safe (which his password is 6-1-8) and stole *Bienvenue dans la jungle* (which translate as "Welcome to the jungle") Magnifying Glass, after that both he and Herlock were then taken out by Patren Ugou and Lupin Tricolor respective finisher. However thanks to Goche Ru Medou (who managed to recover from fall) enlarged the duo as they put the town into darkness then they battled PatKaiser and LupinRex, after that they were both destroyed by the teams finisher called Lupin & Pat's Freedom Slash.

---

When they were finished we were shocked!

Me: Oh man! So he is making a totally mockery of the very Inspector and his partner that have relentlessly pursued Arsene Lupin for

years.

Kairi Yano: Yeah it's crazy.

Me: Looks like we got an evil imposter inspector to take down.

Nico: Yep.

Lana: (to the Patrangers) After we take Herlock and Wilson down, would you guys be interested in replacing Lynn, Lola, and Lori?

This shocked the Patrangers.

Sakuya: Now, hold on! We'll join Team Loud Phoenix Storm but we're not going to replace anyone! Not even your family.

Kevin Levin: Don't mind Lana. She's still mad at Lori, Lynn, and Lola for trying to mess with time.

Me: Yeah we went through a horrible ordeal called the 20 Days of Darkness. I would call that time 20 Days of Hell. We had to deal with Organization XIII, The Digimon Emperor and the Sullen 6 all at once. Organization XIII was a dangerous evil organization that was out to destroy the entire universe, The Digimon Emperor was a brainwashed tyrant that wanted to rule over the Digital World with an iron fist and he was Nico's ruthless archnemesis and the Sullen 6 were 6 of the most ruthless bad guys that we worked REALLY hard to put away.

Umika: What were the 6 bad guys?

Me: Their names were Vlad Masters A.K.A. Vlad Plasmius - Danny Phantom's Archnemesis, Denzel Crocker the most fucked up teacher that ever lived and Timmy Turner's archnemesis, King Goobot V of the Yolkians - Jimmy Neutron's archnemesis, Sheldon J. Plankton - Owner and Founder of the Chum Bucket and Mr. Krabs, SpongeBob and Lily's archnemesis, Jock Jockerson - Tyler and the Superdudes Archnemesis, and Charles Montgomery Plantagenet Schicklgruber Burns - Enemy of Springfield, Oregon and Homer Simpson's archnemesis.

Kairi: Whoa man!

Touma: These guys sounded like they were REALLY bad news.

Me: They sure were. And they hated us with EVERY FIBER of their being.

Varie: Yeah it was crazy.

Me: Those 20 days from January 23rd to February 11th were a nightmare for all of us.

Kairi Yano: Sorry to hear that guys.

Me: No worries guys. But we never have to see those doochebags again. They were Super Hakaied and destroyed from existence forever.

Eli: Yeah good riddance.

I told them everything that happened and when I was finished they were shocked.

Kairi Yano: Whoa! That is intense!

Keiichiro: No kidding! Thank goodness you guys are alright.

Me: Yeah. Lana hates what happened back then.

Rita: But Lana you have no right to say that about your sister! We're gonna talk about this when we get home.

Lori: (sad) It's okay, guys. I'll just wait outside until the usual battles are done. (to Keiichiro) But at least you and your team can take care of my family when me, Lola, and Lynn leave!

With that, Lori sadly walked outside.

Tsukasa: (to Lana) Don't you think you're being a little harsh on your sisters?

Hsi Wu: Tsukasa's right. Some of us don't mind Lori, Lynn, and Lola being taken down a peg once in a while. But we don't want them off the team!

Nico: Yeah Lana what is wrong with you!?

Bobby: I'll go with Lori.

Roxanne: Let us help too.

Lori's kids and Bobby went to find her.

Me: Sorry about that guys.

Ets: Yeah Lana must still be mad about what happened back then.

Emma (ELGVTWD): Yeah me, Niko and Ets were not there when all that happened.

Me: Right sorry about not telling you about that.

Ets: No worries.

Concrete Man: (to Lynn and Lola) Look, if you two and Lori ARE forced off the team, you can always find jobs at the Krusty Krab. Spongebob, Lily, and Mr. Krabs probably won't mind 3 extra fry cooks.

Mr. Krabs: Yeah we don't mind.

Lily: We can always have fun together.

SpongeBob: Yeah.

Lynn: Thanks guys.

Lola: I wouldn't mind.

Me: Well we'll have to wait till Lori comes back.

Mummy: Before we find Lori, how about we get the usual battles out of the way?

Me: Might as well. Maria call them in.

Maria: You got it.

She pulled out a phone with the Masters of Evil symbol on it.

Sly Cooper: By the way Kairi the LupinRangers and my team all have so much in common.

Kairi Yano: How so?

Sly Cooper: My family has been stealing from Criminals over 12,000 years.

Qin: It's true. For many generations dating back to prehistoric times, Sly Cooper's family has been stealing from criminals for a long time.

Qin went over everything by showing them the book of the Cooper Clan: The Thievius Raccoonus.

---

The **Cooper Clan** is the most successful lineage of master thieves in history. Numerous grand heists have been performed by various Coopers, occasionally by assembling other thieves and experts of their fields around them to form a Cooper gang.

Notably, the Cooper Clan is also one of the most honorable lineages of thieves; Coopers steal only from those undeserving of what they possess, due to underhanded dealings or more sinister arrangements. A pervasive code of honor binds each Cooper, as the general ethos of a Cooper heist is to deprive the real criminals of their possessions - there is "no honor, no challenge, no fun in stealing from ordinary people." As INTERPOL Inspector Carmelita Fox puts it, the Coopers and the police work towards the same goal on different sides of the law. The Cooper Clan often clashes with criminal organizations due to its honor code, including the Fiendish Five and the Klaww Gang. They have also had encounters with rival thieves, such as Clockwerk or the Le Paradox clan.

**Sly Cooper** - The most recent master thief, Sly is the son of an honorable Cooper that went down fighting while protecting his family and the *Thievius Raccoonus* .[1] After the death of his parents, Sly was placed in an orphanage where he met his pals, Bentley and Murray, who he would later create their own Cooper Gang with.[1]

He defeated Clockwerk and Cyrille Le Paradox, two major enemies of the Cooper Clan. He also defeated Neyla, a corrupt INTERPOL agent who planned on becoming immortal, and Dr. M, a member of his father's gang who attempted to steal the fortune within the Cooper Vault.

Deceased

**Bob Cooper** - The first known Cooper, Bob was a cave thief from Gungathal Valley circa 10,000 BC. He stole pterodactyl eggs as food for his tribe. His major contribution was the invention of the tool that became the very first cane. His special ability was being able to climb on icy surfaces. He could not do common Cooper moves such as the Ninja Spire Jump or Rail Walk due to his enormous size.

**Slytunkhamen Cooper I** - Sly's ancestor from ancient Egypt circa 1350 BC, he was the father of Slytunkhamen II and the creator of the *Thievius Raccoonus* . His signature ability was to turn invisible to aid in stealing from corrupt pharaohs and greedy noblemen. He was the earliest ancestor known to Sly before the Cooper Gang's escapades in the Ice Age.

**Slytunkhamen Cooper II** - Sly's ancestor from ancient Egypt circa 1300 BC and supposed creator of the Cooper Vault. He had two canes that bore a striking resemblance to the Egyptian Khopesh, and these were hand-me-downs from his father. He was skilled at creating the traps that were used in ancient Egyptian tombs.

**Salim al-Kupar** - Sly's ancestor from middle age Arabia, who was an old man by 1001 AD. Salim was said to have the stealth of forty thieves, and was also a member of an organization of master thieves called the Forty Thieves. His weapon was a curved, hooked blade sporting a scimitar-like look, but with a much thicker blade. He perfected the climbing technique by creating a move called the Climbing Cobra. He owned a magic carpet and loved to eat.

**Sir Galleth Cooper** - Sly's ancestor from medieval England circa 1301 AD. He was an honorable knight and cunning thief who fought with a lance featuring a hook point. He perfected the wall hook climbing technique by creating a barrier-smashing move called the Catapult Crash.

**Slaigh MacCooper** - Sly's ancestor from Scotland from 15th Century Scotland. The strongest of all of the Coopers, he could break any lock with a single blow using his large wood cane with a stone crook. He was the Cooper who created the wall edge move.

**Rioichi Cooper** - Sly's ninja ancestor from feudal Japan circa 1603 AD. He created the Ninja Spire Jump and implemented Japanese artwork of himself in his part of the vault. His weapons were two small canes; they resembled hooked sais before *Thieves in Time*, where they were instead bamboo canes that could connect into one longer cane. He used the Spire Jump to sneak into heavily fortified castles in Japan. He was also responsible for the creation of the Leaping Dragon technique, allowing him to jump far distances from a ninja spire point. The Leaping Dragon technique, unlike its predecessor, was not recorded in the *Thievius Raccoonus* . He also invented sushi, with his first serving coming from his dying best friend and fellow ninja, who was a shark.

**Henriette Cooper** - A female ancestor of Sly and also a pirate who sailed the seas circa 1616 AD and stole from other pirates. Originally wielding a hooked dagger, she lost a hand and replaced it with a pirate hook shaped like that of the trademark Cooper cane.

**"Tennessee Kid" Cooper** - Sly's outlaw ancestor from the Wild Western United States circa 1884. He carried two six-shot revolvers with hooked handles before switching to a single revolver rifle with a hooked handle named "Ol' Blue" by 1884. "Tennessee Kid" also invented the Raccoon Rail Walk and Rail Slide. He used these to his advantage, due to the fact that there were many train rails all over the land. He also created the Crackshot technique exclusively for gunslinging, and it was not recorded in the *Thievius Raccoonus*, although Rail Walk and Rail Slide were.

**Thaddeus Winslow Cooper III** - A Cooper from Victorian-era London, 1839 or 1893,[note 1] who was the most "gentlemanly" thief and a master of disguise. He had a cane similar to Sly's; the only difference between the two is that Thaddeus' cane has a red ruby-like gem at the end of its hook.

**Otto van Cooper** - A presumably-European ancestor of Sly who was a genius mechanic and skilled fighter pilot, much like Penelope.

Due to his physical ineptitude, he used his talent to pull off heists with his machines facilitating his thievery. He kept some of his technical blueprints in the *Thievius Raccoonus* . The propeller blades of his biplane were shaped like the trademark Cooper hook.

**Conner Cooper** - Sly's father, who used the same cane that now belongs to Sly. Before being killed by the Fiendish Five, he pulled heists with Jim McSweeney and Dr. M as a team, and also created a laser slide technique. He is usually seen either from the neck down or as a silhouette throughout the series. He did not write the laser slide move in the *Thievius Raccoonus* ; rather, Sly learned the move while in the Cooper Vault.

**Sly Cooper's mother** - Conner's wife. Very little is known about her, as she has no confirmed entries written in the *Thievius Raccoonus* and also no section in the Cooper Vault.

Slytunkhamen Cooper III

He appears in the opening cutscene of *Sly Cooper and the Thievius Raccoonus*, it shown that he was stealing from a corrupt pharaoh, much like his father and grandfather. His cane is very similar to Sly Cooper's cane. He was presumably born between 1300 and 1280 BC.

Drake Cooper

He created the Dive technique. The main use of this is spinning the cane while lunging forward. This move is also available as an unlockable power-up in *Sly 2: Band of Thieves*, and as a purchasable power-up in *Sly 3: Honor Among Thieves* .

Sally Cooper

"Old" Sally Cooper was a female member of the Cooper Clan. She created a mobile move, the Raccoon Roll, which is only available for Sly in *Sly Cooper and the Thievius Raccoonus* . Later, it was upgraded by Kelle McCooper so that it could project an electric field around the user.

Dev Cooperinda

Dev is the creator of the Slow Motion Jumps. This move is dubbed "Slow" in *Sly Cooper and the Thievius Raccoonus*, and "Thief Reflexes" in *Sly 2* and *Sly 3* . He is named after Dev Madan, an art director for Sly Cooper.

Chris Cooper

He invented the coin-collecting dive technique by modifying the Knockout Dive. The move comes standard in all three sequels, however, after *Sly Cooper and the Thievius Raccoonus*, it no longer collects coins as it makes its impact, rather relying on its brute force to daze or stun enemies. He is named after Sucker Punch Productions employees Chris Zimmerman, Chris Heidorn or Chris Bentzel, though exactly which one is unknown.

Karin Coopergiwa

She invented the Coin Magnetism technique. She is named after Karin Yamagiwa.

Rob McCooper

He is responsible for the creation of the Mine technique. He is named after Rob McDaniel.

B.F. Cooper

He is Sly's hyperactive ancestor who invented the Speed up the Clock technique, an ability that not only allowed security to go faster but himself in addition. He could be described as the opposite persona of Dev Cooperinda. Bentley said that he might have used it to speed up long stakeouts.

Suzanne Cooper

She developed the Water Safety technique, a move that allows Sly to jump out of water without losing a Lucky Charm. She is named after Suzanne Kaufman.

Andrew Cooper

Known as Sir Andrew Cooper, he created the thief replica, or

"Decoy" technique. This allowed one to distract guards, giving the user the chance to slip past them. This trick is only used in *Sly Cooper and the Thievius Raccoonus* . He is named after Andrew Woods.

### Kelle McCooper

Kelle McCooper was a female member of the Cooper Gang who discovered how to harness the electromagnetic field created by rolling and augmented Sally Cooper's rolling technique with an electrical aura. This Cooper is named after Kelle Deforrest.

### Bruce O'Coop

He was an expert hacker, and was known as the smartest of all Coopers. He presumably lived in the 60s or later, due to his hacking abilities. He is named after Bruce Oberg.

### Matthew de la Coopeur

He was French and the slowest Cooper, creating the perpetual slow motion technique. This is available in all of the *Sly* games, but renamed "Thief Reflexes" in *Sly 2* and *Sly 3* . In *Thieves in Time*, Bentley wondered if he was influenced by the Thief Costume's ability to slow time. He is named after Matthew Morgaine.

### Huckleberry Cooper

Taking after the famous fictional Huckleberry Finn, he was the inventor of the ability to move, albeit slowly, while invisible. The technique itself is available in all of the *Sly Cooper* games in the original trilogy.

### Sir Augestine of Cooper

Sir Augestine of Cooper was the inventor of the ability to briefly Defy Gravity. It allows Sly to fall in bottomless pits without losing a Lucky Charm.

### Colonel Reid Cooper

He was the inventor of the Time Stopper technique. The freeze move is in the first game and works on all guards including bosses. He is named after Reid Johnson.

Kairi: Wow! That's incredible! And you all kept your secrets written down in this very book?

Sly Cooper: We sure have. This book has been in my family since 1300 B.C.

Eli: Wow! That's a really long time.

Me: But it turns out that Sly's family has been stealing from criminals since 10,000 B.C.

Umika: For over 12,000 years!?

Keiichiro: That's incredible.

Me: I know. I was really shocked myself.

Brittney: So was I.

Lucy Loud: We all were really amazed about it.

Umika noticed giant shadowy owl-like bird figures in the backgrounds of each of the pages.

Umika: What is that giant owl-like creature in these pictures?

Qin: That is the ultimate enemy of the entire Cooper Clan. Even thieves have their own mortal enemies. But this guy was the worst you could ever imagine. His name was CL O CKWEЯK!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Qin: You would not like this guy. Clockwerk is a monster. He is what is called PURE EVIL INCARNATE! He lived for over 12,000 years and was completely Hellbent on annihilating the entirety of the Cooper Clan and erasing them from existence forever so that he can reign surpeme.

Qin went over his history.

---

**Clockwerk** is the main antagonist in *Sly Cooper* series, and the founder and mastermind behind The Fiendish Five. A large owl who resided in Russia, Clockwerk replaced his entire body with advanced machinery in the hopes to wipe out the Cooper line out of jealousy for their reputation as master thieves. He is the arch-nemesis of the entire Cooper Family and Sly Cooper.

He was voiced by Ross Douglass.

Clockwerk was born a long time before the events of the *Thevius Racoonus as* a Eurasian Eagle-owl with red eyes and brown plumage. No information is given of his family, real name, or early life, though it is known that, at some point he learned of the great fame of the Cooper Clan and was overcome with rage and jealousy. Due to this burning hate, he knew he had to carry on in order to wipe out the Cooper family. He made a final decision and began replacing his own body with machinery. How such advanced technology was acquired back then is still a mystery, though it may be that Clockwerk was an inventor or builder of sorts. He may have been born in the Ice Age as Clockwerk was sighted there in *Thieves in Time* .

Prior to the Series

Clockwerk is more than a thousand years old, enough that even in some of the oldest pictures Sly has of his family, Clockwerk's shadow can be seen in the background against the sky or moon. He has been kept alive by his fierce, fiery hatred for the Cooper family, a line he made himself a rival of. Either when, before, or after Sly was born, he formed the Fiendish Five. When Sly was around the age of eight, he led them in an attack against the Cooper family, slaying Sly's father and mother. In the process, he stole the family's sacred book of thieving, the "Thievius Raccoonus", tore the pages out of the book, and gave some of the other pages to the other four members. Even though Clockwerk was aware of Sly's existence, he doesn't hurt him. The reason for this is can be found by a famous quote from Clockwerk during their confrontation over a volcano, "… I wanted to show the world that without your precious book, the Cooper line was nothing."

*Sly Cooper and the Thievious Raccoonus*

Sly Cooper traveled the world with Bentley and Murray once he left the orphanage, seeking to recover The Thievius Raccoonus from The Fiendish Five, which are Sir Raleigh, Muggshot, Mz. Ruby, Panda King, and of course Clockwerk himself.

Sly studied the pictures in the book as he recovered them; seeing Clockwerk's frame in each photo, he began to piece it together. However, it was Bentley who figured out where the evil owl was hiding, and they traveled to a volcano in Russia to finally face the murderer of his family. Clockwerk didn't directly meet Sly at first; instead he caught Carmelita and used her to lure Sly into a gas chamber, where Bentley saved him by hacking into the device, shutting it off. Sending one of his smaller Robot Falcons, nicknamed "Falcons", he stole Sly's cane in which Carmelita promptly helped the raccoon get it back. Finally, borrowing the Inspector's jet pack, Sly faced his robotic foe, who answered Sly's questions with what he thought to be the correct answers. The metal in Clockwerk's armor was too strong for the jet pack's bullets to break alone, so Carmelita shot the owl's body with her gun, which weakened the armor and allowed Sly to strike his foe down. Clockwerk falls into the lava only to fly back out, no longer with his wings but jets, which hold the massive owl aloft. Shooting more deadly missiles now, they continue to fight over the lava until finally the owl falls again. Sly lands on the Clockwerk pieces with Bentley's warning in his ears, that the owl will reconstruct himself if Sly doesn't finish him off fast. Sly slams Clockwerk's face with his cane, while Clockwerk shouts out, "Cooper! You will never be rid of me! Clockwerk is superior!"

Though thought to be defeated, an end cutscene shows Clockwerk's head floating in the lava, as one red eye opens slowly then Murray screams after that have happened after the credits. He regenerated after Sly destroyed his head in the final battle.

*Sly 2: Band of Thieves*

Neyla betrayed Sly and the Klaww Gang, sealing her body and soul into Clockwerk. During the battle with Clock-La she claims that a new power is growing inside her, this is actually Clockwerk taking control of her body, during the final phase of the fight Clockwerk is in control of Clock-La and uses Neyla's hate to fuel himself.

Clock-La was destroyed by Sly, Carmelita, Bentley and Murray, but not before its beak clamped down and broke Bentley's legs. After Neyla's death, Sly and Carmelita destroy the Hate Chip, thus destroying Clockwerk and his remaining parts for good.

### *Sly Cooper: Thieves in Time*

Clockwerk has been seen in many locations in *Thieves in Time* watching Sly. He first appears in Japan, watching Sly and Riochi from a building. He later appears in the Wild West, watching the battle between Tennessee Kid and Toothpick's soldiers. He returns again in the Ice Age, monitoring Bob and appears in Medieval times and ancient Arabia. Clockwerk also appears in Bentley's dream, where he confronts the things he fears.

In the present day Sly finds Clockwerk's eye, which was not destroyed along with him, revealing that Clockwerk still exists and is not gone for good.

## Powers and Abilities

**Defunct Physiology** : Clockwerk's biological body was at some point replaced with highly advanced robotic parts imbued with the ability to never rust or decay.

**Regenerative Durability** : His advanced robot parts could even repair itself after suffering incredible damage. This allowed him to survive beyond his intended life span as a person.

**Bionic Weapons** : Equipped with a multitude of weapons, including missiles, flamethrowers, laser emitters, launchers that could fire electric rings, mechanical eggs that could launch minichoppers, and an energy weapon.

**Enhanced Durability & Endurance** : Clockwerk was extremely resilient to damage, as simple weapons like Carmelita's shock pistol and jet pack missiles were individually ineffective against him. In addition, Clockwerk's body could survive being heavily damaged and submerged in molten lava.

**Propulsion** : It was given spare engines in the event Clockwerk was unable to use his wings to fly.

**Hatred & Envy Empowerment** : Due to his Hate Chip, Clockwerk has kept himself for hundreds of years on a steady diet of jealousy and hate against the Cooper Clan's Thieving reputation.

**Immortality** : Due to the Hate Chip fueled by his own hatred and jealousy, Clockwerk was kept alive for hundreds of years.

**Eternal Youth** : This also stopped Clockwerk's aging because of the Hate Chip prevents his robotic body from rusting or decaying, this also stems from his comment that perfection has no age.

**Genius Intellect** : Clockwerk was remarkably intelligent.

**Mechanical Expert** : He had constructed his lair on Karak-Karov Volcano and developed multiple weapons and vehicles for the Fiendish Five to use for their own personal schemes including hover vehicles and his death ray, as well as devising a gas chamber which he would later used to incapacitated Sly.

**Expert Inventor** : He also created a legion of mechanical birds called Robo-Falcons, similar to him, and hordes of lava slugs to do his bidding.

**Master Strategist** : He was able to think accordingly and execute cunning plans, assaulting and slaughtering Sly's father and being able to lure Sly into his gas chamber by manipulating his feelings for Carmelita.

---

When she was done they were shocked.

Kairi Yano: Oh man!

Touma: Clockwerk was ultimate evil!

Lola: Yeah!

Lily: He was worse than that! He was the devil in the form of a bird.

Me: Yep. And like us heroes, even thieves have mortal enemies.

Sly Cooper: They sure do.

Laney: It works both ways for both good and bad.

Kairi Yano: Yes it does.

Then Tri-Klops, Dayu, Mirror Master, Mr. Mittens, Koragg, Evil Green Ranger, Loki, Diabolico, Deker, Whiger, Cargill, Lord Drakkon, Vypra and Leonard then appeared.

Me: Tri-Klops, Dayu, Mirror Master, Mr. Mittens, Koragg, Evil Green Ranger, Loki, Diabolico, Deker, Whiger, Cargill, Lord Drakkon, Vypra and Leonard.

Vypra: Glad you guys are here.

Evil Green Ranger: Looks like the fun is about to start.

Leonard: Hey where's Lori?

Me: She's outside taking a walk.

Leonard: Upset about what happened at the mall earlier this morning?

Me: Yeah.

Maria: I'm surprised you guys aren't putting your own opinions in this argument.

Tri Klops: Like what happened with Nico, we're not going to take sides in this.

Dayu: Tri Klops is right. This is a very personal matter.

Mirror Master: (to the Lupinrangers and Patrangers) It's nice finally meeting you guys!

Mr. Mittens: Dark and Maxxor based their catchphases on you all!

Kairi Yano: Glad to hear it. And I know Kei-chan and his team are just as badass as me and my team. (smiles at Lincoln) But there's no replacement for family.

Lincoln: No there isn't. The 20 Days of Darkness really scarred the Trinity of Violence.

Nico: Yeah it sure did.

Lola: Yeah that was a scary time for us back then.

Freezer Org then appeared.

Me: Freezer Org. Back for round 2?

Freezer Org: Yep and I get to be Killer Frost's archenemy.

Killer Frost: Cool!

Freezer Org: (to the Lupinrangers and Patrangers) So you guys are the Lupinrangers and Patrangers, huh? Nice to finally meet you guys!

Kairi Yano: Same to you Freezer Org.

Keiichiro: Yes indeed.

Killer Frost: Yeah!

Me: Keiichiro do you guys have a training room in here?

Keiichiro: We sure do.

Me: Awesome. First Lets find Lori and then we'll help her blow off some steam.

We went to find her.

As Lori was taking a walk with Bobby and her kids, Lori was suddenly under attack by a bunch of Pordermen. We appeared and blasted them all into nothing.

After the Pordermen were defeated, Keiichiro demorphed and approached Lori.

Keiichiro: (puts his hand on Lori's shoulder) Are you okay, Lori?

Lori: (slaps his hand away) I'm literally fine! In fact, I didn't need your help! I could've literally taken them down on my own!

Keiichiro grabbed Lori and turned her around so she could face him.

Keiichiro: I have been calm up until now because this is our first mission with you guys. But this is the last straw! Why can't you understand?! I'm trying to help you and your team. I'm not trying to replace you!

Lori: Don't give me that bullshit! It's obvious you and your team want to literally replace me, Lynn, and Lola! (cries) And all because I made a mistake this morning and a few weeks ago! Just admit it. You and your team are more perfect then the 3 of us!

Keiichiro: (sighs) No. You're wrong. Me and my team aren't perfect at all.

Tsukasa: Keiichiro's right. When Yoshi Urazer revealed himself, I fell for the deception that he was a Gangler that defected!

Sakuya: And when I was affected by Pekka Zeppelin carelessness attack, I let him get away. And he was free to make that bomb powered by anger from the necklaces he sold!

Keiichiro: And because of my obsessiveness with arresting the Lupinrangers back then, Bundorute Peggy was able to evade us for a while. And don't get me started on Noel and Kairi's team.

Kairi Yano: We're still here, you know.

Noel: I will take that as a compliment.

Paragus: Bottom line, Lori? We all make mistakes. But what matters is that we learn from said mistakes.

Me: That's right Lori. Tripping like that was an accident.

Derpy Hooves: That's right Lori. I crash into stuff all the time.

Nico: How do you think I felt doing all that stuff when the Digimon Emperor took over me?

Lola: And how do you think I feel when I get mad.

Bobby: Babe don't say things like that. You are my awesome wife and I love you.

Roxanne: Yeah mommy.

Lori: Oh you're right. I'm sorry guys. I was a total bitch.

Me: No worries Lori. Lets go have our usual battles to help you blow off some steam.

Lori: Good idea.

Leonard: I'll help you with that.

Lori: Thanks Leonard.

We went to the training room and we got ready for our battles.

Vypra: I have a new recruit for us and he's a rather unpleasant fellow to look at.

Out came a living glob of snot and it was MAJOR MUCUS!

---

Major Mucus is one of the main villains from the Earthworm Jim series.

Story

Major Mucus is the evil ruler of Planet Mucus, a planet completely made of slippery green slime. He keeps a strict military dictatorship over his subjects, severely punishing anyone who disobeys his orders. He also captures any living being that gets near his planet, and just for fun hangs them over huge slippery pits just to watch them fall in and be devoured by his pet, the Mucus Phlegm Brain, which is a monster that dwells in the bottom of the pits, with a huge mouth and a big eye that it uses to peek over the slime. Being a power-hungry dictator, he wishes to conquer all the galaxy, but is unable to do so because of the Queen Pulsating, Bloated, Festering, Sweaty, Pus-filled, Malformed, Slug-For-A-Butt, who have a much more powerful empire that is also bent on conquering the universe. Angry by the mere thought of existing something more powerful than him, he sent a spy to steal information from the Queen's subjects, and discovered about a special equipment being delivered to the Queen. Deducing it should be a very powerful weapon, he decided to steal it. Luckily, he didn't had to move a inch, because this special weapon just happened to go straight to him. Earthworm Jim, the owner of the space suit, got into Planet Mucus while following Psy-Crow, so Major Mucus captured him and hanged him over a pit, but Jim fought back and the two entered a bungee-jump battle, which ended with Jim victorious and Mucus humiliated in front of his servants, who laughed for the first time in their lives. Jim came to his planet a second time, but decided to avoid confrontation. Mucus, however, wouldn't let Jim get out of his planet so easily, as he was more than eager to get his revenge. Jim simply let loose a huge bomb over Mucus, making him fall over his pit once again, making him get even more angry.

When the time came for us to move in on him to arrest him he was gone. All that was left on his office was the message "Come and Get Me you fuckers" written on the wall. I vowed that I would bring that monster to justice for his crimes against the country and the world.

Goche uses her Lupin Collection powers on the two safes. Before we knew it, Herlock and Wilson reappeared as giants.

Herlock: I won't let this be my last case!

Wilson: What Herlock said!

Goche: What will it be? Fight those two? Or fight me?

Just then, we heard sounds coming from trains.

Sakuya: Noel, did you already activate the X Trains?

Noel: This is not my doing, Sakuya.

We then heard a voice.

?: Now transforming! Please stand behind the white line!

We saw a new Megazord appear and it was THE TOQGER RANGERS AND THEIR MEGAZORD! THE RESSHA MEGAZORD!

Me: Oh wow! The ToQger Ressha Megazord!

Nico: I'll take those!

Goche: NO!

Nico blasted her all over the place and sent her flying and she grabbed a wall.

Goche: Don't think this is over!

Goche retreated into a portal.

Haru Tokashiki: Should we go after her?

Right: No. We've done our part for now. (looks into the distance) Good luck, Team Loud Phoenix Storm. (To the viewers) See you all on May 27th.

Cargill: If you apologize, we promise you'll only be punished with painting Vanzilla.

Me: Russ I don't think Vanzilla needs that.

Mr. Krabs: Instead she will give the Krusty Krab a fresh coat of paint and a total overhaul.

Lana: That I can do. Lori, Lynn, Lola, I'm so sorry. I was still mad when I said that. I don't know what I was thinking.

Lori: Oh Lana it's all right. We understand.

Lola: Yeah it's not your fault.

Me: Yeah.

Kairi Yano: But this was an epic adventure. (To the viewers) I hope you all liked this one. It was so much fun!

Me: Yeah it was.

Goche: Damn those Lupinrangers and PAtrangers! If it weren't for those ToQgers, I would've finished them off!

?: Hee hee hee hee ha ha. Such primitive simples, wouldn't you agree?

In that instant, Goche's fury vanished and was now fully alert. She looked around to locate the source of the voice when it came back.

?: A woman such as yourself shouldn't have to suffer at the hands of a bunch of walking, talking monkeys.

Turning to her left, Goche saw a small creature sitting on the tree just a few feet from her. She slowly walked over to it as it spoke again.

?: You assume there is only one way to destroy Team Loud Phoenix Storm. No, no, no. There are more ways than a mind can imagine.

Upon closer inspection, the creature was an oversized light-green caterpillar with long antennae and a voice box-like device attached to it. Curious, Goche held out her right hand to it and the insect crawled onto her palm. That insect was MR. MIND - SHAZAM'S ULTIMATE ENEMY!

---

**Mister Mind** is a minor antagonist in the 2019 superhero film

*Shazam!* . He is an alien caterpillar from the planet Venus who was trapped in the Rock of Eternity of the wizard Shazam and an ally of Thaddeus Sivana. He will return as the main antagonist in *Shazam!: Fury of the Gods* .

He was voiced by David F. Sandberg, the film's director, who also voiced the Crocodile Men.

Captured by the Wizards

At some point, Mister Mind visited the planet Earth to cause chaos but was captured by the Wizard Shazam and the Council of Wizards, and was kept in a terrarium prison in the Rock of Eternity.

Meeting Thaddeus Sivana

In 1974, Mister Mind was first seen looking at a young Thaddeus Sivana from his terrarium. After an older Thaddeus Sivana frees the Seven Deadly Sins and attacks the wizard, Mister Mind's terrarium breaks and he was able to escape. After Sivana's defeat by Billy Batson and his family, Mister Mind later appears in Sivana's prison cell and Mister Mind insults him in his fruitless effort to reenter the Rock of Eternity and told him that the seven deadly sins aren't the only way to possess magic as he recruits him in a partnership to take over the seven realms.

---

Goche: Who are you?

?: My name is Mr. Mind. And should you accept my proposal of an alliance, the Seven Realms are about to be ours. Ho ho ho ha ha ha ha ha!

UH OH!

We went back home and merged the world of the Japanese Rangers with our world and we got the LupinRangers and PatRangers settled in to the World Tree Estate and we now had an enemy of my past to deal with. We had a really nice dinner and headed off to sleep.

THE END

---

Another awesome fanfic complete.

LupinRangers VS PatRangers was a great series of the Japanese Power Rangers Series and it was so cool how it had very similar styles to the Cops and Robbers theme. And it was awesome how it followed the legacies of Arsene Lupin and how Sly Cooper was very similar to them. Also no I DID NOT help the FBI and CIA go after Trump like that in real life. But now Trump is our dangerous enemy we're going after next but not for a while. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, Drako1234658, Darkhai, vinjedi1995, Etstheclarencefan, Nflemingful and ninjakingofhearts all gave me the ideas for this. Thanks guys. Next up is where we go into battle against the evil dragon of World of Warcraft: Cataclysm and we're going to face DEATHWING THE DESTROYER! We're going to make that evil dragon pay for his crimes and make sure he suffers for them 100,000,000-fold and we're going to destroy him big time!

See you all tomorrow.

# The Apocalyptic Dragon of Azaroth

In the World Tree Estate, Lola was on her laptop computer and she was playing the 3rd expansion of World of Warcraft: Cataclysm and she was rally playing it really well.

Meta Knight: What is that you're playing, Lola?

Lola: World of Warcraft Cataclysm.

Me: It's the sequel to World of Warcraft Wrath of the Lich King.

Nico: Oh this is a good one. It's about the evil dragon Deathwing the Destroyer and how he's going to destroy all of Azaroth.

Lola: Yep.

Eli: Wow! That's a REALLY awesome game.

Hunter: (German Accent) Ja. Und it's really good.

Ets: I played that game years ago and it was awesome.

Eli: One of the coolest games ever.

Emma (ELGVTWD): That's so cool!

Pepe Le Pew: (French Accent) May some of us play that as well?

Kairi Yano: I'd like to play that too.

Keiichiro: (sighs) Okay. I guess since I have time, I can play that as well.

Lola: It's for everyone. Come on guys.

Me: And I have just the systems for you all.

I clapped my hands and the floor opened up and out came a table with a bunch of laptop computers and they were all ready for World of Warcraft Cataclysm.

Emma (ELGVTWD): Sweet! I'll play too!

Sunset Shimmer: Me too! This is gonna be so fun.

Fluttershy: I'll play too. This looks like fun.

They sat down and put on gaming headsets and they got to playing.

Nico: Wow! That was awesome J.D.

Me: I've got a lot of free time here for things like this.

Nico: Neat!

Everyone got to playing and it was really fun.

Good Strike: Can I play too?

Scavenger: No offense, Goodie. But you're a Lupin Collection Piece. I don't know how you'll be able to play.

Me: Oh let him have a shot at it. Besides it's for everyone.

Scavenger: Okay then.

Good Striker got to playing.

Rarity: J.D. darling how did you get Lola into playing a game like that?

Me: That is an interesting story. Nico you remember when Vypra returned for the first time right?

Nico: How can I forget? That was amazing.

Me: Well when we were facing the aliens that BOB and his team were facing, Lola sang that song from Wrath of the Lich King.

I went over everything that happened in chapter 882.

When I was finished, Rarity and Sweetie Belle were amazed.

Rarity: My word!

Sweetie Belle: Wow! So that's how Lola got into such an amazing and awesome game.

Applejack: Wow! That is amazing that she loves that game as much as Sunset Shimmer, Hunter and Fluttershy.

Me: It sure is.

We were shocked that Good Striker was doing so well at the game.

Brawn: How?

Good Striker: How what?

Brawn: How are you doing so good at this game?! You don't even have hands!

Good Striker: I just have a lot of talent.

Me: But you are really good at that Good Striker.

Touma: I'll say.

Lola: This isn't a competition though. It's all about adventure and riddles and battles to save Azaroth.

Fluttershy: It sure is fun though.

Starlight Glimmer: It sure is.

Emma (ELGVTWD): I'm doing well for my first time too.

Emma was facing lots of Orcs and monsters and doing well for her first time.

Lana: Yeah!

Laney: Go get them Emma.

Emma and Good Striker won the game!

Emma (ELGVTWD): YEAH!

Good Striker: Yeah that was fun!

Lola: Way to go guys!

Touma: Guys I just thought of something.

Me: What is it Touma?

Touma: If the Lich King ended up being real before, don't you think Deathwing might be real as well.

All of us thought about that before our eyes widened.

Magma Man: We've gotta get to the World of Warcraft right now!

Me: Right! Lisa deploy the U.S.S. Valorous Phoenix!

Lisa Loud: Affirmative!

We got to the ship and we were off to Azaroth.

---

The U.S.S. Valorous Phoenix was flying through space.

Me: Captain's Log, Stardate 2940.1: We are flying to the planet Azaroth for another harrowing mission to save it from total destruction from the evil dragon Deathwing the Destroyer. This dragon is bad news and he plans to destroy the entire planet of Azaroth and make everyone suffer for all the pain and suffering he went through by destroying the entire planet. Our mission is to destroy Deathwing and save the people of Azaroth from doom.

Nico: This is gonna be really dangerous and awesome.

Eli: It sure is.

Cargill, Dayu, Loki, Koragg, Evil Green Ranger, Mr. Mittens, Mirror Master and Tri-Klops then appeared.

Cargill: Can me, Dayu, Loki, Koragg, Evil Green Ranger, Mr.

Mittens, Mirror Master, and Tri-Klops go with you this time?

Me: You all sure can but this one is gonna be really dangerous.

Mr. Mittens: Why is that?

Me: We're going up against the most dangerous villain Azaroth has ever seen: Deathwing the Destroyer.

I went over his history.

---

Deathwing the Destroyer, originally Neltharion the Earth-Warder, is the main antagonist of World of Warcraft: Cataclysm. He is one of the five Dragon Aspects and was the leader of the Black Dragonflight.

Thousands of years ago, Neltharion was empowered by the Titans with dominion over the earth and the deep places of Azeroth. Though he was once a kind benevolent dragon, he was driven mad by the Old Gods and he turned against the other Aspects during the War of the Ancients, using an weapon he created called the Dragon Soul which could channel the power of all the Aspects. However, the weapon nearly destroyed Neltharian himself. Among both mortals and dragons his name has become one whispered with a feeling of fear and contempt

The black aspect involved himself in the Second War, adopting the form of Lord Daval Prestor, in order to destroy the Alliance from within. He also managed to turn his greatest enemy, Alexstrasza, into a slave of the Horde, with whom he later allied himself. After suffering a series of defeats, including the destruction of the Dragon Soul, now known as the Demon Soul, Deathwing was chased off by the other Aspects, Deathwing retreated to the elemental plane Deepholm to recuperate. From Deepholm, Deathwing observed his former mate Sintharia's experiments with the twilight dragonflight in Grim Batol. Deathwing now continues his late consort's work. Despite his hatred of mortals, he had a fear of Medivh, admitting he would never face the mortal in battle, however, this could be because of the portion of Sargeras' power within Medivh.

Deathwing made his return as the primary antagonist in World of Warcraft: Cataclysm, the third expansion. Though long believed by most to be dead, Deathwing regained his strength in Deepholm and plotted a return that shook Azeroth to its foundations.

He appeared briefly at the end of the Badlands quest chain, where he attempted to destroy the last known redeemed Black Dragon egg in existence. Little did he know that what he really destroyed was a Red Dragon egg, and that the redeemed Black egg was hidden in an unknown location.

He appeared once more during the Twilight Highlands quest chain, where he led the Black Dragonflight forces at the battle in the skies over Grim Batol. He battled Alexstrasza at the top of the mountain, where they both fell from the sky. Alexstrasza got up, and two other Red Dragons came to help her. Believing Deathwing died from both the fight and the fall, she and the two Red Dragons spoke among each other about how the war will end now with Deathwing's demise. Unfortunately, Deathwing took to the skies, and Alexstrasza was forced to flee. The Destroyer's current whereabouts are unknown, but made occasional appearances across the globe and burning entire regions until Patch 4.3 was released.

Deathwing is the greatest weapon for the Old Gods as his existence will bring the Hour of Twilight, an ancient prophecy created eons ago by the imprisoned Old Gods that will cause the end of all life on Azeroth, including his own, with himself impaled atop Wrymrest Temple.

Deathwing has control over the land and its fathoms, including lava. His main attack, and that of his dragonflight's, is to use his breath as a cannon of lava. He can live within volcanoes and high temperature areas. During his stay in Deepholm, he was further corrupted by the Old Gods and increasing Deathwing's power. Because of the corruption, no force in Azeroth could destroy Deathwing. Because of this, The remaining Aspects realize the only weapon that could destroy Deathwing was the Dragon Soul itself. They send Adventurers to the past to retrieve the Dragon Soul.

Deathwing was the final two bosses in the Dragon Soul raid.

In the first battle, heroes jump down onto Deathwing's back and begin ripping his armor off in order to make a hole big enough for Thrall to make a clear shot with the Dragon Soul. After enough armor was ripped off and Deathwing was shot with the Dragon Soul, he fell down into the Maelstrom, where he rose out of the ocean and began to literally fall apart, allowing his corruption to finally take over. Now more of a molten monstrosity than a dragon, Deathwing's new tentacles and claws battle the heroes as they scatter across the rocks around the Maelstrom, preventing him from starting a second Cataclysm that would finally destroy Azeroth. In the end, after the adventurers do enough damage to his head, the Dragon Aspects combine all their powers in the Dragon Soul to finally destroy Deathwing, but in doing so draining their powers and making them mortal. Deathwing was literally unmade with only a few fragments of his elementium jaws left behind, and all of Azeroth celebrates his demise. With the death of Deathwing, the Hour of Twilight was prevented, ruining the Old God's ancient plans. The fragments of Deathwing's metallic jaws were placed in the Eastern Earthshrine in Stormwind and the Western Earthshrine in Orgrimmar. With Deathwing dead and the remaining Dragon Aspects mortal, Alexstrasza declared that the age of mortals has begun.

Also if a rogue completes the Legendary dagger questline, Wrathion, the only uncorrupted black dragon left on Azeroth, becomes the only black dragon left alive.

---

When I was finished everyone was shocked!

Mirror Master: Whoa man! This guy is REALLY bad news!

Evil Green Ranger: If he is that dangerous we're going to need all the help we can get taking him down.

Me: Good idea. Maria you better call in all the Masters of Evil for this one.

Maria: Right.

Maria did so.

Eli: It's just hard to imagine that Deathwing is that evil and dangerous.

Sheep Man: Any heroes that can help us when we get there?

Me: We'll have to find out when we search. But if we do find any they will need all the help they can get to face Deathwing.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We saw the planet Azaroth and what we saw was shocking! The entire planet was under siege by a bunch of disasters and fire was slowly sweeping across the land.

Me: Oh man.

Nico: This is terrible. Deathwing is REALLY moving fast.

Lola: Just like in the movie at the beginning of the game.

Varie: Yeah.

We went down to the planet and we saw that the entire planet was in the grip of chaos and disaster.

Me: This is a catastrophe.

Kairi Yano: This world has a terrible taste in decoration.

Dayu: If Xandred were still alive, he would enjoy this type of carnage.

Me: He sure would. But this is terrible. It's worst than what we saw on the computer.

Nico: Yeah this is a travesty.

Jaina Proudmoore: Yeah this is a nightmare.

Naruto: Hard to imagine that Deathwing can cause all this damage.

Me: No kidding. Lets go help put these fires out and search for survivors and then get them on board.

Varie: Right! Neptune Crusaders and everyone follow me.

The Neptune Crusaders and everyone that can use water followed her and flew out and were putting out the fires.

Fangry: We have to put out those fires first!

Keiichiro: (gets out Trigger Machine Splash) I'll use Trigger Machine Splash for that!

He fired a blast of water from Trigger Machine and extinguished the flames.

Me: Nice save! Lets split up and search for survivors.

Nico: Right!

Horsea was then tearing up.

Mr. Mittens: What's wrong, Horsea?

Horsea: (starts to cry) I'm scared of what's happening now!

Maria: Oh Horsea it will be okay.

Horsea: I know.

Bomb Burst: I see some nearby civilians!

Me: Beam them aboard fast!

Sakura Haruno did so and we got them all on board.

Me: So far survivors are coming in good.

Tri-Klops was searching with his Visor on Search Mode.

Tri-Klops: There are some more civilians over here!

Me: Roger that.

Sakura beamed them up.

Me: So far so good.

Skullgrin: Any sign of any possible heroes?

Lynn: None yet.

Me: We got to keep searching.

Jaine Proudmoore then gasped.

Me: Jaine what is it?

Jaine: Deathwing. He knows we're here. He's coming.

Me: Oh shit. Lets get the dragons ready.

Evil Green Ranger: Before we fight, let's make sure the civilians are off this world!

Me: Right.

We scanned the area and we scanned the planet and it showed that we got everyone.

Me: We got everyone out.

Eli: That's good.

Me: But I'm afraid that's only the good news. The worst news is that the entire planet is going to explode!

We gasped in shock!

Lola: Oh man!

Nico: Deathwing's presence must have destabilized the entire planet.

Me: Yeah that's what I'm thinking. He is REALLY bent on destroying this world.

Lola: No kidding.

Iguanus: We should probably have the usual battles after Deathwing's defeated. Or do we have to time for the usual battles during this?

Me: We have time for them to be done now.

Nico: How much time do we have before the whole planet explodes?

Me: 3 Hours.

?: We can help you defeat Deathwing.

5 Figures came and they were the DRAGON ASPECTS, Alexstasza the Life-Binder, Kalecgos the Steward of Magic, Nozdormu the Timeless One and Ysera the Awakened!

---

Alexstrasza the Life-Binder - the red leviathan chosen by Eonar to safeguard all living creatures on the world.

Kalecgos the Steward of Magic - former investigator for Malygos and guardian of Anveena, he succeeded Malygos as the new Blue Aspect after his death.

Nozdormu the Timeless One - the massive bronze dragon chosen by Aman'Thul to guard time itself and police the ever-spinning pathways of fate and destiny.

Ysera the Awakened, formerly the Dreamer - Alexstrasza's younger sister, chosen by Eonar to watch over the growing wilds of the world from her verdant realm, the Emerald Dream. Ysera fell to the Nightmare and was put to rest by Tyrande Whisperwind. Her spirit was reborn in Ardenweald.

---

Lola: Oh wow! The Dragon Aspects!

Alexstrasza: It's an honor to meet the famous Team Loud Phoenix

Storm that smite the Lich King Arthas.

Me: Same to you Alexstrasza. We came to help you all destroy Deathwing.

Ysera: It's good you all did. Neltharion is a totally lost soul that must be destroyed.

Lana: And he will be destroyed.

Loki: How else are we going to stop Deathwing?

Kairi Yano: (grins) Leave that to me and my team.

Me: Be careful guys.

Kairi Yano: We will J.D.

The Lupin Rangers and PatRangers summoned the LupinKaiser and the Patranger Megazord.

Lola: Lets get ready.

Key, Major Disaster, Cheshire, Multiple Man, Titanium Man, Firebrand, Overdrive, Boomerang, Firepower and Scorcher then appeared.

Me: Key, Major Disaster, Cheshire, Multiple Man, Titanium Man, Firebrand, Overdrive, Boomerang, Firepower and Scorcher.

Major Disastor: Looks like you guys have been busy.

Titanium Man: (Russian Accent) This world REALLY went to hell.

Me: You have no idea. Deathwing the Destroyer completely destabilized this whole planet and it's going to explode.

Alexstrasza: Neltharion has completely been lost to the darkness. We have to destroy him.

Me: And we will.

Key: (to Noel) You know, Kairi and Keiichiro's teams could use some extra backup.

Noel: You're right about that.

Major Disaster: First, which mode are you going to use?

Noel: My Gold mode, of course.

Cheshire: And your Mecha?

Noel: X Emperor Gunner.

Multiple Man: Good. We didn't see that one when we fought Herlock and Wilson.

Noel: You will now.

He turned into PATREN X!

Me: NICE!

Nico: Wow! Two rangers in one.

Lola: Yeah!

?: That is really cool though.

A figure came out and it was BEEVIL from episode 22 of Ninja Storm!

---

When Marah accidentally blows up Lothor's Lairship, she tries to make it up by bringing an old friend of hers to the ship, a bee/ helicopter-like creature name Beevil. Lothor was not too impressed with her until she told him all of the evil deeds she did. After creating the new Kelzak Furies, everyone, including Lothor were highly impressed with her powers. The evil inja master then decided to replace Marah with Beevil (with Marah being much heartbroken). Beevil first enters a Power Plant and gets attack by the Thunder Rangers, but Beevil land a complete beat down on the Thunder Rangers with her sheer power.

She was about to finish them off until the Green Ranger came in. She blasted him too, the Red, Yellow and Blue Rangers came to help but she quickly retreated. She then faces all five of the Ninja Storm Rangers (Dustin staying at Ninja Ops to prepare a devise that Marah gave that could defeat Beevil), she summons an army of Kelzak Furies to battle the Ninja Power Rangers, The Kelzak Furies were too much for the Ranger and were about to finish them off until Marah came in and blasted all of the Kelzak Furies, she decided to battle Beevil herself, Marah was a formidable fighter but Beevil had the upper hand and was about to make the final strike until Dustin came in and gave Marah the device to take down Beevil, but it was actually an energy boost for Beevil to help her take down the Rangers (Marah was never replaced by Beevil and had been working with Lothor this whole time), an enraged Dustin morphed into the Yellow Ranger and did battle with Beevil while the other Rangers battled the Kalzak Furies, they were all outmatched, but luckily Cam has created the Ninja Swords, Gold Mode, with this new upgrade, the Ninja Storm Rangers were able to take out the Kalzak Furies, the Yellow Ranger and Beevil had a show down and Beevil had the upper hand until the Yellow Ranger used his Ninja Sword Gold Mode, Dirt Blade to destroy her. Marah enlarged Beevil with the Scroll of Empowerment, Dustin (who was still enraged by all of the trust he had with Marah and had became good friends with, only to be lied at because of Beevil) summons the Storm Megazord and uses the new Power Sphere #14: The Star Blazer, to ultimately destroy Beevil for good.

---

Shane Clarke: Beevil!

Beevil: Been a while rangers.

Me: I remember you! You're one of Marah's best friends and you came up with new Kelzak Furies.

Beevil: That's right. Good memory on you.

Me: Never missed an episode.

Beevil: Marah, even though we're in different groups and despite the situation we're in, it really is good to see you again.

Marah: It sure is Beevil.

Me: And it's awesome that you all are friends.

Nico: Yep.

But then we heard roaring and groaning. Out came 3 monsters and they were THE TAR MONSTER, THE GHOST OF DR. COFFIN and OLD IRONFACE!

Shaggy: ZOINKS! It's the Tar Monster, The Ghost of Dr. Coffin and Old Ironface!

Twilight Sparkle: What were they known for?

Qin: The Tar Monster was really the greedy assistant of an archaeology professor named Stoner. He dressed up as the Tar Monster so he could get a priceless treasure of an underground city all for himself. The Ghost of Dr. Coffin was really Officer Oldfield in Canada that was trying to smuggle millions of dollars in gold bricks out of the country and into the U.S.A. And Old Ironface was really famous champion waterskier Mama Mione and she was smuggling convicts from Skull Island Prison to the mainland.

Twilight Sparkle: Geez! And what did they get?

Qin: Stoner got life in a Turkish Prison for theft, Officer Oldfield got 20 years for his crimes and Mama Mione got 50 years in federal prison for her crimes. Then they all got sent to our prisons for life without parole.

Sunset Shimmer: Whoa!

Me: And Old Ironface beat the living shit out of Lori.

Lori: He sure did!

Then 2 more figures came out and they were Sam's biological parents ERIK AND SARAH SHARP!

We gasped.

Sam S.L.: Mom? Dad?

Maria: Sam, are those your parents?!

Sam was completely shocked to see her biological parents Erik and Sarah Sharp back from the grave!

Sam S.L.: (In shock) Mom! Dad!

Nico: Wait Sam look!

We saw that they had ugly purple splotches on them.

Fox McCloud: They have been infected by the Aparoids!

Luna Loud: Oh no! Sam we have to save them!

Sam S.L.: (Shakes head) Right Luna!

Me: Lets go!

We powered up and went at them.

---

Battle 1: T.J. Johnson, Rainbow Dash, Scootaloo, Magma Gloom, Flash Magnus, Air Skylanders, Hornet Man and Magma Man VS Key

---

Key was first.

Key: (to T.J.) I didn't know Lola was into World of Warcraft.

T.J.: Yeah we all were amazed at how much she likes it.

Rainbow Dash: It's awesome how she plays it so well.

Scootaloo: It sure is. We all think so too.

Magma Gloom: Me and my brothers love playing it all the time.

Flash Magnus: It sure is a fun game.

Whirlwind: Boy I'll say. I think it's cool that Lola likes playing it.

Blades: You got that right.

Key: Boy I can tell that she likes it. Lets do it!

Key went at them and they went at him and blasted him all over with wind blasts and smashed him down.

T.J. Johnson: All right!

Rainbow Dash: That was AWESOME!

---

Battle 2: Tyler Navarro, Fluttershy, Pip-Squeak, Mage Meadowbrook, Life Skylanders, Solar Man and Sheep Man VS Paul Booker A.K.A. Major Disaster

---

Major Disaster was next.

Major Disaster: (to Tyler) It's impressive that Goodie was able to play World of Warcraft without any difficulty.

Tyler Navarro: It sure is. He is really talented at video games like that.

Fluttershy: Just like me and Sunset Shimmer. She is really good too.

Pip-Squeak: (British Accent) I think they both have amazing talent. Just like Fluttershy.

Mage Meadowbrook: World of Warcraft is awesome and it has an amazing adventure in it.

Stealth Elf: It sure is amazing learning all about it.

Zoo Lou: (African Accent) It sure is neat.

Major Disaster: Boy I can tell. Glad you all have fun with it. Lets do it!

He fired waves of lightning and they dodged the blasts and went at him and smashed him down waves of leaves and energy and smashed him down.

Tyler: That was great!

Fluttershy: That was fun.

---

Battle 3: Casey Rhodes, Rarity, Sweetie Belle, Thunder Terror, Mistmane, Water Skylanders, Sparkstalker and Fangry VS Cheshire

---

Cheshire was next.

Cheshire: (to Casey) There's a way of saving this world, is there?

Casey Rhodes: I'm afraid the damage has already been done. Deathwing completely destroyed this entire planet.

Rarity: Yeah he sure did. Because of him everyone here is now gonna lose their home.

Sweetie Belle: The least we can do is bring some justice to the monster that did this.

Thunder Terror: I agree. Deathwing will answer for his crimes.

Mistmane: He sure will and it will be by our hands.

Gill Grunt: You got that right and it won't be good for him.

Punk Shock: Death is his only path.

Cheshire: I agree. Lets get it on!

She extended her claws and went at them and they dodged her strikes and blasted her all over with water and jewels and energy and smashed her down.

Casey Rhodes: All right!

Rarity: Rapture darling that was grand!

---

Battle 4: Scott Truman, Pinkie Pie, Triple Berry, Tech Skylanders, Somnambula, Doubledealer and Bomb Burst VS James Arthur Madrox A.K.A. Multiple Man

---

Multiple Man was next.

Multiple Man: (to Scott) Good thing the survivors are all evacuated.

Scott Truman: That is a REALLY good thing. The last thing we want is for another situation like what happened on the world we came from to happen here.

Pinkie Pie: Yeah that was REALLY awful from what we were told.

Triple Berry: But thank goodness we got here just in the neck of time when we did.

Sprocket: Yeah what Deathwing did here is absolutely horrible.

Wind-Up: Yeah no kidding. I can't believe he would do all this to this world.

Multiple Man: I know. It's horrible. Lets do it!

He formed many clones and they blasted him and his clones all over the place and smashed him down.

Scott Truman: All right!

Pinkie Pie: BEST USUAL BATTLE EVER!

## Battle 5: Mack Hartford, Applejack, Apple Bloom, Frozen Fright, Rockhoof, Earth Skylanders, Skullgrin and Submarauder VS Boris Bullski A.K.A. Titanium Man

Titanium Man was next.

Titanium Man: (to Mack) So, these are Sam's ACTUAL parents, right? Not imposters who hate gay people?

Mack Hartford: Yes they are the real thing and these are the parents that Sam lost.

Applejack: I can't believe that Sam's uncle would do all that to her!

Apple Bloom: Yeah no kidding! She went through a nightmare!

Frozen Fright: I don't think I even want to even begin to think about the kind of pain and horrors that Sam went through because of her sexual orientation.

Rockhoof: (Scottish Accent) Aye that was horrible laddies. Poor lass.

Flashwing: Yeah what Sinclair Sharp did makes him the worst animal of all.

Head Rush: You're not kidding about that.

Titanium: Poor kid. But how did J.D. find her brother Simon?

Mack Hartford: J.D. told us that he found him thanks to a dream. It was more like a message. A map of some kind.

Titanium Man: Wow! So it showed him where he was located.

Applejack: That's amazing.

Titanium Man: It sure is. Dreams have often been viewed as messages and vision into the past and the future.

Apple Bloom: That is amazing.

Titanium Man: Yeah. Lets do it!

He went at them and the group dodged all his strikes and smashed him all over the place with energy and earth blasts and smashed him down.

Mack Hartford: That was awesome!

Applejack: YEEHAW! That was great!

---

Battle 6: Kevin Reynolds, Sunset Shimmer, Tornado Bolt, Gusty the Great, Fire Skylanders, Bugly and Iguanus VS Gary Gilbert A.K.A. Firebrand (Marvel)

---

Firebrand was next.

Firebrand: (to Kevin Reynolds) First, Qin's parents. And now, Sam's parents? The Aparoids are pretty much doing us favors at this point. You guys didn't even think of bringing Sam's parents back.

Kevin Reynolds: No we sure didn't but the Aparoids sure saved us a whole lot of trouble.

Sunset Shimmer: Yeah we were absolutely horrified that Sam's uncle could do that to her.

Tornado Bolt: I can't believe his hatred towards Sam being like that would end up tearing her family apart by her own evil uncle.

Gusty: Her uncle has NO HONOR and he deserved to be banished to the Warp like that.

Sunburn: I agree completely on that.

Torch: Yeah.

Firebrand: Me too. Poor Sam went through a nightmare. Lets go!

He fired a blast of fire and they dodged it and fired blasts of energy and fire and smashed him down.

Kevin Reynolds: ALL RIGHT!

Sunset Shimmer: That was epic!

---

## Battle 7: Andros, Twilight Sparkle, Luster Dawn, Star Swirl the Bearded, Magic Skylanders, Birdbrain and Bristleback VS James Beverley A.K.A. Overdrive (Marvel)

---

Overdrive was next.

Overdrive: (to Andros) Even if the Lupinrangers and Patrangers can't kill Deathwing, they'll at least buy some time until we're done with the usual battles. BTW, the vehicle I'm controlling this time is a 1969 Land Rover.

Andros: Good choice of car.

Twilight Sparkle: Yeah it sure is.

Overdrive: Thanks. But still I can't believe that Sam went through all that because of her Uncle's hatred towards LGBT people.

Twilight Sparkle: Yeah that really sickens me and saddens me at the same time. Lyra Heartstrings and Bon Bon are like Sam and Luna and they would be infuriated about what Sam's uncle did.

Luster Dawn: You got that right. What he did is completely reprehensible and absolutely inhuman!

Star Swirl: You said it. And those are exactly the words I was looking for.

Spyro: Same with me. Poor Sam went through a nightmare because of her uncle.

Star Strike: She did nothing to deserve that kind of treatment.

Overdrive: I agree. Poor think. But after today she will have her family back. Lets do it!

He drove the car and they dodged it and smashed him all over with magic and energy and knocked him down.

Andros: All right!

Twilight Sparkle: That was great!

---

Battle 8: Nick Russell, Starlight Glimmer, Cozy Glow, Clover the Clever, Undead Skylanders, Icepick and Scowl VS Frederick Myers A.K.A. Boomerang (Marvel)

---

Boomerang was next.

Boomerang: (to Nick) Don't the Lupinrangers and Patrangers have an Ultrazord too?

Nick Russell: As a matter of fact they do and I have a feeling that we'll be seeing it as the battle with Deathwing progresses.

Starlight Glimmer: It will be so cool to see it.

Cozy Glow: Yeah it will! I remember seeing it on TV and it was awesome!

Clover: It sure was. I thought it was really cool.

Hex: Me too. It looked amazing.

Funny Bone: I hope it STEALS the show! (Laughs to Rimshot)

They laughed.

Boomerang: That was funny! Lets do it!

Princess Celestia: Yeah and Sam did nothing to deserve this terrible treatment. Her uncle was a monster.

Spotlight: He sure was. I'm glad he is gone forever.

Knight Light: You said it.

Sonata Dusk: Sam has sure had it rough. I feel really bad for her.

Firepower: We all do. Just because we are villains doesn't mean we don't have hearts. Lets do it!

He fired lasers and missiles and they dodged them and blasted him all over with light blasts and smashed him down.

Jason Lee Scott: No kidding. That was terrible that her uncle can be so mean to her like that.

Princess Luna: Yeah and that shows that her uncle is full of hatred and evil. Justice was brought to him.

Snowdrop: Yes it was.

Gari: And thank goodness that Sam will have her parents back after today.

Blackout: Yeah she needs her heart and soul fixed after everything she went through.

Nightfall: She sure does.

Scorcher: Indeed. Lets do it!

He fired a wave of fire and they dodged it and blasted him all over with energy and darkness and smashed him down.

Jason Lee Scott: YEAH!

Princess Luna: A victory worthy of the night.

Sam and Luna were facing Sam's Parents.

Sam S.L.: Hold on mom and dad. We're gonna free you!

Luna: That's right dudes! Sam needs you more than ever after everything she went through!

Luna and Sam flared up their auras and fired waves of water and fire and destroyed the Aparoids on them and they were down. Radiant Hope and Varie looked them over and they were gonna be fine.

Varie: They are gonna be all right.

Radiant Hope: Yeah thank goodness.

They were moving and they opened their eyes and saw Sam.

Sam S.L.: Mom? Dad?

Sarah Sharp: Sam? My gosh Sam is that really you?

Sam S.L.: Yeah mom it's me.

Sarah Sharp: Oh Sam!

They hugged for the first time in 10 years.

Sam S.L.: Dad!

They hugged and were reunited.

Sarah Sharp: Sam my gosh look at you. You've grown up so much. How old are you now?

Sam S.L.: 16 almost. I have so much to tell you guys.

Erik: We couldn't be anymore proud of you Sam. Our little girl is now a full grown woman.

Sam S.L.: Oh this is my awesome girlfriend Luna Loud.

Luna Loud: It's great to see you again dudes.

Erik: Wow! Luna it's great to meet you.

* * *

We got the usual battles done.

Birdbrain: Now that the usual battles are done, let's see how the Patrangers and Lupinrangers are doing.

Me: Right.

We looked at how they were doing and we saw that they were losing!

Me: Oh man! They're losing! We better go lend a hand!

Nico: Good idea!

Sakuya: (to his teammates and the Lupinrangers) Guys, in case we die here, I want you to know that you've all been the best friends I've ever had!

Umika: I feel the same way, Sakuya!

They agreed.

Kairi Yano: We're not beaten yet. Lets have all our zords combine!

They agreed and they formed their Megazord into the Good Cool Kaiser VSX!

Nico: WOW!

Me: Oh sweet! Lets head to the Dragons!

We went to the dragon pen on the ship and got on our dragons!

Me: Lets bring this apocalyptic dragon down for good!

We were off and we were after Deathwing.

Koragg: Do you all need a hand?

We saw ALL of the Masters of Evil and we saw that they ALL have dragons.

Me: We sure do. Wow! You guys look awesome with dragons.

Vypra: We sure do.

Lola: This is amazing!

Nico: YEAH!

Alexstrasza: Let us help you all as dragons.

The Dragon Aspects were all in their dragon forms.

Me: Wow! This is awesome!

Mizore Shirayuki: Yeah it is!

Eli: It's like we're flying into action in the show Dragon Flyz.

Ets: That show is awesome!

Me: One of these days we'll have to meet them in the future.

Kairi Yano: Why don't I show you guys what Lupin Magnum can do?

Me: Go for it man!

Lupin Magnum fired massive energy blasts and they hit Deathwing all over and it really hurt.

Me: Whoa what power!

Marianas: That was intense!

Me: Yeah! Awesome shooting Kairi.

Kairi Yano: Thanks J.D.

Me: Time to show this monster the combined powers of humans and dragons.

Lupin Magnum then became a robot all by itself.

Scowl: Lupin Magnum can turn into a Megazord too?!

Me: Oh wow!

Nico: That is awesome!

Eli: Yeah man!

Emma (ELGVTWD): That is amazing!

Kairi Yano: Watch this!

He went at Deathwing and punched and kicked at him all over with incredible speed and force and smashed him down all over the place and fired energy blasts and more and really mangled him up.

Me: YEAH!

Ets: All right Kairi!

Deathwing: Pathetic! It will take more than that to destroy me!

Troy: Since we're fighting a dragon, I know what team to use.

Megaforce Rangers: Legendary Ranger Mode: Dragon Blitzkrieg!

The Megaforce Rangers turned into the Changeman Rangers!

Deathwing: You all are no match for my hatred and rage!

Lola: We feed off of hatred and rage!

Brawn, Pepe Le Pew, Meta Knight and Scavenger used the Earth Cyber Planet Keys and they enhanced Brawn's strength, Pepe Le Pew's stench, Meta Knight's swordsmanship and powers and Scavenger's missile launcher 100-fold.

Brawn and Pepe Le Pew: SMASHING STINKBOMB BOULDER!

Brawn through a boulder and Pepe Lew Pew stunk it up.

Meta Knight and Scavenger: MISSILE CANNON SLASH!

Meta Knight fired blades of energy and Scavenger fired waves of missiles.

The blasts all hit Deathwing and smashed and exploded all over him.

May: He's almost dead!

Me: One ultimate combined blast should do it!

Deathwing: Take your best shot!

Ets: Gladly!

Earthworm Jim: EAT DIRT DRAGON OF HATRED! (BLASTS DEATHWING ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Ed Cowart: EAT DIRT DRAGON FREAK! (BLASTS DEATHWING ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Me, Naruto and Lincoln and our harems: ULTIMATE DRAGON FINAL SMASH: LEGENDARY DRAGON RAMPAGE!

We summoned every dragon monster from the Yu-Gi-Oh franchise and they all hit Deathwing and obliterated him in an instant!

Mirror Master: Finally! He's dead! And it looks like the planet isn't going to blow up after all.

Me: Uh don't be so sure! We have 10 minutes! Lets get out of here!

We got to the ship and hightailed it out of there just as the planet exploded.

***KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The entire planet exploded and it was completely obliterated in an instant.

Titanium Man: It was a pleasure having you and your friends with us, Alexstrasza.

Alexstrasza: Thank you, Titanium Man.

Firebrand: Not to mention Deathwing's gone for good.

Overdrive: I just wished we could've saved the planet while we were at it.

Boomerang: Well, let's just remember all the good we accomplished today.

Ysera: Plus, the survivors can now make new lives on our Earth.

Me: Earth will be an awesome haven for them. But it will take a long time for them to get used to it. But home is where the heart is.

Nico: That's right. Earth will be perfect for them like Azaroth was.

Alexstrasza: Indeed it will. Because you all have given us something that made us Dragon Aspects whole?

Me: And what is that?

Ysera: Friendship. And that is one of the things that Nelthareon never understood when he was with us.

Kalecgos: His heart was blackened by the massive amount of hatred that corrupted him over the centuries. But thanks to you and your ways of justice you have made sure he never will terrorize the world or the universe again.

Me: I'm glad we were able to help.

Muscle Man: Hey, guys. You know who else believes in friendship. (smiles) My mom!

We laughed at his joke.

Nico: Good one!

Alexstrasza: (To the viewers) No devil dragon will mess with the great heroes of Azaroth and us.

Me: No they won't.

We went back home. We got the people of Azaroth acquainted with Earth and we made them right at home. It was gonna take a while for them to adjust but it was gonna be perfect for them. We later had dinner and went to sleep.

THE END

# The Dark WarGreymon Returns

HAPPY BIRTHDAY JEDIAVATAROFSHINOBI!

---

At Lynn's Table we were having an awesome Birthday Party for Hunter.

Manaphy, Tentacool, Poromon, Poliwag. Horsea and Jirachi: HAPPY BIRTHDAY HUNTER!

Me: (Speaking German) Alles Gute zum Geburtstag Hunter. (Happy Birthday Hunter.)

Hunter: (German Accent) Danke everyone.

Nico: How does it feel to be 22?

Hunter: Wunderbar.

We had an awesome birthday for him. We did it all. We had German Dancing, sausages and more.

At the World Tree Estate we were in the infirmary because of something that REALLY thrashed Irwin, Pud'n, Sperg, Ms. Butterbean, Comic Book Guy, Nelson, Milhouse, The Springfield Bullies, Pablo, Anderson, Richie and Trent. They were REALLY Thrashed into pulp and REALLY hurt. Sperg was hurt the worst because he suffered the worst kind of wedgie ever known.

Rhino: What happened, Jimbo? Did you, Comic Book Guy, Kearney, and Dolph go back to being jerks for a few minutes?

Comic Book Guy: Actually, yes. And look where that got us!

Jimbo: Look, dude. We're very happy to be alive after what we just saw!

Kearney: You wanna know who did this?

Maria: Um… who?

Dolph: A fucking tricycle beat us up! And there was no one driving it!

Me: What!? A tricycle? How is that possible?

Nico: That's can't be right! Little kids wouldn't use tricycles like that.

Naruto: Yeah they wouldn't be able to run over a car. (To the younger Loud's) No offense guys.

Lola: None taken Naruto.

Me: How can a tricycle do all that to you guys?

Nico: Yeah those things don't have any hands.

Laney: Yeah that's crazy.

Me: Even though Sperg, Pablo and Anderson deserved it for being bullies and jerks.

Keiichiro: Look, I hate Sperg as much as the next person. But it's our duty to help people in need. (scowls) Even if said people ARE jerks.

Brock: Keiichiro actually has a good point.

Me: Yeah you're right Brock. I don't like Sperg either and neither does all of Endsville but we have to find out what caused this and all that.

Lori: Yeah someone is literally hurting our friends.

Me: Lets go.

Eli: Whatever is causing it is definitely supernatural.

Shaggy: Zoinks! Supernatural!

Scooby Doo jumped into his arms.

Tsukasa: Are you sure a motorcycle gang didn't do this? Or maybe a Cybertronian who scanned a tricycle as an alternate mode?

Onslaught: A tricycle is too simple for us Cybertronians to transform into.

Me: I agree with Onslaught. Also motorcycles are big enough to kill people. Tricycles are tiny things.

Nico: J.D. is right. There's a big difference between them.

Eli: If it was a Tricycle gang that would be weird.

Emma (ELGVTWD): But that would be freaky.

Me: Yeah. Irwin who was it that had the Tricycle?

Irwin: It was Billy.

Me: Then lets go find him.

We went to Billy's house and we found Billy with the tricycle.

Me: Billy get away from that tricycle!

Billy: Why?

Eli: That tricycle is possessed by an evil force and we have to destroy it!

The Tricycle roared.

The Patrangers aimed their VS. Changers at the tricycle.

Keiichiro: Freeze! Global Police!

Windcharger: Let's see if my magnetic powers can restrain it.

Windcharger held the Tricycle in place with his Magnetic Powers and so did Ben as Lodestar. The Tricycle was roaring ferociously.

Me: Man that is REALLY freaky! It's like a tricycle version of the 1983 movie Christine.

Nico: Or the Haunted Car in the Goosebumps books.

Twilight Sparkle: That is really weird!

Rainbow Dash: No kidding.

Eddy: Lets get this bad roadhog!

Eddy blasted it with his blaster.

Ed Cowart: EAT DIRT ROTTEN TRICYCLE OF THE NETHERWORLD! (BLASTS THE TRICYCLE ALL OVER) HAHAHAHAHAHAHAHAHA!

Earthworm Jim: EAT DIRT TRICYCLE OF DESTRUCTION! (BLASTS THE TRICYCLE ALL OVER) HAHAHAHAHAHAHAHAHAHAHA!

Me, Nico, Eli and Emma blasted the Tricycle into many pieces and it was nothing but a bunch of shrapnel pieces now!

Billy: Is it over?

Mandy: Trykie has left the building.

Billy: I'm sorry Trykie.

A ghostly head came out and it was the ghost of the kid that gave Billy the tricycle!

Kid: YOU'RE SHITSUCKING PISSPOT MONKEY PEOPLE ALL OF YOU!

He faded away and was sealed into the Book of Vile Darkness.

Me: GEEZ!

Nico: That was crazy.

Laney: That's the end of that killing machine.

Me: Yep.

Cree Lincoln: We should go on patrol to see if there are villains causing trouble in the city.

Me: Good idea. But first we need to have a serious talk with Irwin and Pud'n.

Nico: Yeah.

We went to the infirmary.

Me: Boy you guys are lucky to be all right.

Irwin: I know. But look.

He revealed that he has tire tracks all over him.

Irwin: I got tire tracks over 85% of my body.

Me: Ouch.

Pud'n: Look what happened to me. Look what that mean tricycle wrote on my full body cast.

Laney: "Your pain has only begun. I will be back to finish the job. You stink! ❤ Trykie." Whoa that is harsh!

Me: No kidding.

Ms. Butterbean: Look what happened to me. That tricycle broke every single bone in my legs.

Lola: Ouch!

Lana: Yeah!

Laney: What did you do that was mean to Billy?

Ms. Butterbean: I gave him a double "F-" on his math test.

She showed us his test and it was a picture of a clown with a flamethrower.

Me: Billy!

Billy: What?

Me: And I bet Pablo, Anderson, Trent, Richie and the Springfield Bullies, Nelson, and Sperg did the same thing.

Pablo groaned in agony.

Milhouse: I didn't do anything to him.

Me: Geez!

Lola: Yeah.

Nico: I would say that some of you had it coming.

Me: Yep. Now lets get ready for our mission.

Key, Titanium Man, Cheshire, Overdrive, Major Disaster, Boomerang, Multiple Man, and Firebrand then appeared.

Key: Can me, Titanium Man, Cheshire, Overdrive, Major Disaster, Boomerang, Multiple Man, and Firebrand join you guys?

Me: You all sure can.

Multiple Man: (Sees Jimbo and everyone pulverized) GEEZ! What happened to all of you!?

Trent: Don't ask!

Richie: We got pulverized by a haunted tricycle.

Me: This tricycle was haunted and it was pulverizing anyone that was mean to Billy.

Comic Book Guy: Yeah and we regret it.

Jimbo: We got our butts kicked bad.

Dolph: But look at Sperg. He got the worst of it.

Me: Same with Pablo and Anderson. Well they have had it coming for a while.

Laney: Yeah what a bunch of jerks.

Lola: Yeah!

Lynn: Next time they cause trouble we'll thrash them into pulp.

Me: Lets head out.

We went out on patrol.

---

As we were walking, two trees swung down to try and crush Nico's head.

Nico: (sees a penny on the ground) Look, a penny!

Nico bent down to pick the penny up, causing the two trees to hit each other.

Terrorsaur: (sees this) That was close!

Me: GEEZ!

Nico: What the!?

Nico saw the logs.

Nico: Wonder who did that?

Eli: No idea but whoever it was REALLY has it out for you.

Lola: Yeah.

Me: Someone really set this up really well.

Eli: Yeah.

Ets: Thank goodness Nico ducked.

Overdrive: See any vehicles nearby? I want to use them to find out who made this trap.

Me: Hmm.

I looked around and saw a bunch of cars in a junkyard.

Me: There's a junkyard full of cars there. You can use those.

Overdrive: That works.

Me: Cool.

We continued on. Nico was about to fall into the pitfall full of spikes when he flew up at the last second.

Ratbat: (laughs) I could've flown to avoid that too!

Me: And it was a close one too. Look what that pit was lined with.

We saw that the bottom of the pitfall was lined with spikes!

Nico: Geez! I would've been shish-kabab!

Naruto: No kidding!

Fu: Yeah!

Major Disaster: (to the Trinity of Violence) Did you three have anything to do with this?

Lori: (shocked) Of course not! We would literally never try to kill Nico!

May: Well, you girls do get pissed off whenever Nico forces you three to keep your emotions in check.

Me: Guys Lori, Lynn and Lola didn't do this.

Lynn: Yeah and traps are not our forte.

Me: This is more like something that Jessie, James and Meowth would do.

Jessie (Pokemon): It sure is but we didn't build those traps.

Eli: Jessie is right. I sense that this wasn't their work.

Ets: Yeah and scans show that they were all made for Nico only.

Lola: Weird. Looks like someone or something has it out for him.

Nico: But who?

Me: Hmm.

Sakuya: Who would want to kill Nico that's even still alive?

Nico: It might be Goche. She's probably still pissed that I took her Lupin Collection Piece.

Kairi Yano: While we're on that topic, Nico, you actually didn't take ALL her Collection Pieces.

Hunch: She has more then one?

Touma: Well, you do remember that she has this Collection Piece that enlarges Ganglers, right?

Nico: Of course I do.

Umika: That's the one you took from her.

Noel: It's called Get big/Gros calibre. She still has two Lupin Collection Pieces to use. Which are Heal the World/Guéris le monde and Cut the cake/Coupe le gâteau.

Me: That's interesting and I remember those. But I don't think Goche has anything to do with all this.

Eli: Yeah she is not part of this.

Takato: J.D and Nico are right. This has something to do with Digimon.

Nico: A Digimon?

Lola: I wonder which one.

Me: Hmm.

Boomerang: Let's head to the Digital World. We can look for the culprit there.

Me: I was just about to suggest that.

Nico: It'll be good being back in the Digital World again.

Me: Lets get going.

I cut open a portal and it went into the Digital World.

We were in the world of Digimon and it was just as amazing as ever.

Razorclaw: Okay. The culprit couldn't have gotten far.

Me: But in a place like this he could be anywhere and with over 1400+ Digimon it could be any one of them.

Laney: Yeah.

Luna Loud: This is gonna be tough dudes.

Eli: He's that way. (Points to the north) We just have to follow that line of those black obelisks.

Nico: Those are control spires.

Me: Scans show that they are totally dead.

We flew off and we were following the line of Control Spires.

Poromon: It's a strange story.

Nico: But you would be amazed at how I trained him.

Me: Yep. Lets keep going.

We got to the edge of a forest and started flying through it.

Sinnertwin: I can't wait to wipe the smug look of whoever's trying to off Nico!

Me: Yeah! Me too!

Nico: Guys in here!

We landed by Nico.

Nico: Shh. (Whispers) Look.

We looked from behind a tree and we saw an old enemy from the Digidestined and Nico's Past. It was the black version of WarGreymon that gave the Digidestined a major league run for their money: BLACKWARGREYMON!

---

BlackWarGreymon is one of the major antagonists later supporting protagonist in the anime Digimon Adventure 02.

In the Japanese version, BlackWarGreymon is voiced by Nobuyuki Hiyama who voiced Hiei, Viral and the Tachibana alias of Kuniteru Emoto. In the English version, BlackWarGreymon is voiced by Steve Blum who voiced a wide range of villains including Mitsuo Yamaki, Megidramon, Beetlemon's Shadow, Orochimaru, Hakaider, Ghosfreak, Vilgax (from the original Ben 10 series), Lord Darcia III, Emperor Velo XXVII, Starscream (from Transformer Prime) and Darkscream (from Transformers: Robots in Disguise (2001 cartoon)).

## Creation

BlackWarGreymon first appeared when he was created by Arukenimon. He was created by Arukenimon's Spirit Needle attack, and 100 Control Spires. But after he easily defeated the DigiDestined, BlackWarGreymon refused to obey Arukenimon nor Mummymon's orders. BlackWarGreymon's first goal was to find a powerful adversary, then his second goal was to destroy the Destiny Stones in order to find out his true nature.

## Finding Meaning

After BlackWarGreymon betraying Arukenimon and Mummymon, Arukenimon created an army of Mammothmon from 200 Control

Spires to attack BlackWarGreymon. Despite this, BlackWarGreymon was able to kill them all. During the fight, BlackWarGreymon spotted a flower. For unknown reason, he decided to protect it when one of the Mammothmon was about to step on it. After killing all the Mammothmon, BlackWarGreymon questioned why he protected the flower. Sadly, BlackWarGreymon eventually stepped on the flower as he considers it meaningless. Shortly after, BlackWarGreymon encountered Agumon and had a conversation about trying to tell BlackWarGreymon that he must have a heart. During all of this, Paildramon, Silphymon, and Ankylomon were fighting Knightmon that was created using several Control Spires. Knightmon attempted to destroy the Destiny Stone. When the Destiny Stone was almost destroyed, BlackWarGreymon felt pain and flew towards the first Destiny Stone. As soon as he arrives, BlackWarGreymon killed Knightmon and destroyed the first Destiny Stone. Doing so caused temporal disruption throughout the Digital World.

After BlackWarGreymon destroyed the second Destiny Stone, BlackWarGreymon disappeared. Yolei encountered a shadowy version of BlackWarGreymon, along with a few other Digmon including; and Apemon, and Musyamon. Eventually, BlackWarGreymon returned to the Digital World, continuing his search for the remaining Destiny Stones.

While finding the third Destiny Stone, Paildramon and Silphymon attempted to fight back, but BlackWarGreymon was too powerful. Patamon Digivolved to Angemon, and confront BlackWarGreymon, and much like the others Angemon proved to be no match. Angemon then Digivolved again to MagnaAngemon and confronted BlackWarGreymon. MagnaAngemon attempts to imprison BlackWarGreymon in the Gate Of Destiny, but BlackWarGreymon quickly avoids the gate and destroys the third Destiny Stone. After destroying the third Destiny Stone, BlackWarGreymon spotted a strange looking figure inside the energy. He assumed that that was the opponent he's been searching for. But the figure disappeared before BlackWarGreymon could fight him. So BlackWarGreymon flew off to find and destroy another Destiny Stone. During some time, BlackWarGreymon destroyed two more Destiny Stones, and much like before, he encountered the strange figure. BlackWarGreymon demanded the figure to fight him, but it ended up disappearing.

While Ikakkumon, Submarimon, MegaSeadramon, and several Dolphmon were guarding the sixth Destiny Stone, they launched their assault attacks on BlackWarGreymon, as well as Paildramon, Silphymon, and Angemon's combined attacks against him. However, they were only able to injure him BlackWarGreymon, as the latter soon proved to be more than a match for Paildramon, Silphymon and Shakkoumon, despite him being in an injured state, he most definitely would have destroy the last Destiny Stone (if Azulongmon did not appear as BlackWarGreymon wanted). Azulongmon was freed and revealed himself. BlackWarGreymon wanted to fight this powerful Digimon, but Azulongmon convinced him that fighting is not the answer. BlackWarGreymon disappeared into a black hole.

Nico: (Whispers) I don't believe it! It's BlackWarGreymon!

Me: (Whispers) Is he an old enemy from your past?

Nico: He sure is. He's also the first ever equal opponent that was equal in strength and power to me before I went Super Saiyan.

We were amazed! Nico went toe-to-toe against a powerful Mega Level Digimon of BlackWarGreymon's calibur and put up a really good fight with him.

Maria: No one make a sound. Let's quietly get out of here while he doesn't see us.

We tip toed away from BlackWargreymon. But then Poliwag stepped on a twig.

Poliwag: Oops!

Multiple Man made 8 duplicates of himself.

Multiple Man: (to his clones) Buy us some time to escape!

Multiple Man clone: You got it!

BlackWargreymon turned to see the clones dogpile on him.

But he slashed all of them.

BlackWarGreymon: Pathetic.

Nico: BlackWarGreymon!

Nico came out.

BlackWarGreymon: Its been a long time Nico. You've grown quite a bit since we fought the last time.

Nico: And I'm amazed that you've come back after cutting off Oikawa's path into the Digital World.

BlackWarGreymon: Indeed. You are still the only worthy opponent that has ever put up a good challenge for me.

Nico: Nice to know that I've made quite an impression for you.

Sonata Dusk: Nice going, Poliwag! Now we're dead thanks to you!

Poliwag: Sorry.

Me: Guys I can tell that Nico wants to have some fun first. It will be cool to see how he fairs against him.

BlackWarGreymon: So you have come to fight me again.

Nico: Just like old times wouldn't you say?

BlackWarGreymon: Indeed. I sense that you have gotten stronger since the last time we fought.

Nico: I sure have. And I've learned tons of new tricks too.

BlackWarGreymon: I'll believe that when I see it.

Titanium Man: So, you were the one who made those traps!

BlackWarGreymon: Indeed I was.

Me: But's absolutely incredible that Nico was able to fair well against a Mega Level Digimon like you.

BlackWarGreymon: Nico is the greatest opponent that I have ever faced and he is the most amazing challenge for me.

Nico: Glad I can amuse you.

BlackWarGreymon: I see the Digidestined are all with you and your team Nico.

Nico: They sure are. Things have changed a lot over the last 13 years.

BlackWarGreymon: So I have seen.

Maria: There's no need to fight. Arukenimon, Mummymon, and the Digimon Emperor are all gone!

Me: Same with Oikawa. But they were all pawns in a terrible and extremely diabolical plot that was going to tear both worlds apart.

Nico: That's right and MaloMyotismon had his very essence inside me after I destroyed him. He was poisoning my mind with darkness and sadness and feeding off if it and trying to regain his strength. But thanks to J.D. and everyone (Looks at us) who are the best friends anyone can ever have they saved me from my past and did so much for me.

Laney: It's all true.

BlackWarGreymon: You've been through a lot haven't you?

Nico: All that and more.

BlackWarGreymon: But you are still a formidable foe. Lets get it on.

Nico: Gladly.

Manaphy: Well, Nico's dead.

Horsea: Nico, after you die, can I have your secret stash of chicken wings?

Nico: No you can't. How did you even find out about that?

Horsea sweated in nervousness.

Me: Lets let him have his fun and when the time comes we'll come and help him out.

Lola: Yeah!

Nico: Lets do it!

BlackWarGreymon: Gladly!

They got ready and Nico was in a fighting stance.

Me: (Hands Boomerang some popcorn) Want some popcorn?

Boomerang: Sure.

Nico then slammed his foot into the ground and charged at him and then their punches collided and a massive fiery explosion shockwave exploded out of the ground and they went at each other with incredible speed and punched and kicked at each other with incredible force and massive thunderous fiery explosion shockwaves were blowing much of the area apart and setting much of the area on fire. BlackWarGreymon went at him some more and Nico dodged him and fired a Death Cannon blast with Frieza's powers and BlackWarGreymon dodged it and the blast hit the ground and exploded with incredible power in a huge mushroom cloud.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico teleported behind him and kicked him in the face and BlackWarGreymon jumped from the ground and went into the air.

Nico was fighting BlackWarGreymon with everything he had.

Nico: Let me show you one of the new powers I've learned! Snake Bandages!

Nico fired a stream of bandages from his arm and they tied BlackWarGreymon up. But then he busted out of them.

BlackWarGreymon: Try this! TERRA DESTROYER!

He formed a huge ball of red energy and threw it at him.

Nico: Then this too! TERRA DESTROYER!

Nico threw the same size energy ball and the balls collided and exploded with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was incredibly powerful and it blasted a hole into the ground! BlackWarGreymon came out of the explosion and Nico teleported away!

Nico: Try this one on. CRIMSON MIST!

Nico fired a wave of blood red mist with MaloMyotismon's powers and BlackWayGreymon dodged it.

BlackWarGreymon: Try this one! BLACK TORNADO!

He spun around at a tremendous speed and went at Nico and Nico dodged it. Take this one! GIGA CANNON!

Nico used Machinedramon's power and blasted him all over with powerful energy cannon blasts and BlackWarGreymon dodged them all as they hit the ground and exploded with incredible power!

---

BlackWarGreymon: Very impressive. You've gotten a massive menagerie of techniques on you.

Nico: Digimon techniques are just for starters.

BlackWarGreymon: Then how about this one.

He fired a massive barrage of small Terra Destroyer energy balls.

Nico: Try this on! BLASTER METEOR!

Nico enveloped himself in a ball of energy with Broly's powers and fired a massive shower of energy balls and they all collided with BlackWarGreymon's energy balls and exploded with incredible power all over the place.

When the smoke cleared, Nico and BlackWarGreymon went at each other some more with incredible power and ferocious fury.

Nico: Time to mix it up a little!

Nico poured some gasoline on the ground near BlackWarGreymon and then used Electro's electrity on it.

It ignited and formed into a huge wall of fire!

Nico: This is one I learned from Daemon. EVIL INFERNO!

Nico fired a massive blast of fire at him and burned him all over.

BlackWarGreymon blasted out of the fire and went at Nico some more.

Nico: Now you see me.

Nico used Walker's powers to turn intangible.

Nico: Now you don't!

Nico punched and kicked BlackWarGreymon all over the place while he was invisible and he really let him have it.

Me: (Eating Popcorn) Wow! What a show!

Gearhead: Nico is doing REALLY well.

Tai: He sure is.

Nico went at him some more and pulverized and kicked him all over with incredible power.

Tentacool: You can do it, Nico!

May: Yeah!

BlackWarGreymon: Now for this! TERRA DESTROYER!

He fired a massive energy ball.

Nico: TIDE OF DESPAIR!

I fired a bolt of lightning with Azulongmon's powers and it tangled up BlackWarGreymon and smashed him into the ground.

Nico: Like J.D. I can also use all the attacks of all 1400+ Digimon. COSMIC RAY!

Nico used Ornismon's power and fired a dazzling ray of energy and it hit BlackWarGreymon and exploded all over.

Ironclad: We just didn't expect to hear that BlackWarGreymon's back. That's all.

Titania: We'll have to decide if he'll be in the Masters of Evil or the Redemption Squad later.

Me: I hope it's the Masters of Evil since he was made from 100 Control Spires thanks to our old friend Arukenimon.

Nico: Yeah and she was not our friend.

---

Brainiac 8

**Indigo** is an alien android cyberterrorist that attempts to wipe out the human race. Formerly known as Brainiac 8 she is associated with Brainiac 1, the one that Superman often fights.

She has a history with Non and as the prisoner of Fort Rozz that helped Kara make it out of the Phantom Zone and is also the one who allowed all alien prisoners in the prison to escape and run loose on Earth. She is one of the main antagonists in the second half of season 1 of *Supergirl* .

She was torn in half by J'onn J'onzz and she seemed to deactivate while Supergirl stood over her.

She was portrayed by Laura Vandervoort, who also played Anna in *Jigsaw* .

Planning nuclear annihilation

Arriving on Earth, Indigo hacks an infidelity website and tries to have the sensitive information released by sending it to Cat Grant. However, Cat refuses to publish the information. When Indigo realizes that Cat will not publish the data, she hacks into every monitor at CatCo. and contacts Cat directly claiming that there will now be chaos in National City as retribution. She then hacks the city, turning every traffic light in the city green resulting in traffic chaos. Casualties are only prevented because of Supergirl.

She later contacts Winn through his computer when he tries to crack her code. Moments later she enters the room through the computer, manifesting not in her human form but in her android form - revealing to Supergirl that the hacker is not human. After manifesting, Indigo arrogantly mentions Kara's alias Supergirl and asks what exactly makes her so super. Kara notices the sign on Indigo's forehead which Indigo claims is the sign of her people. Indigo then claims that she knows everything about Kara. She then attacks Kara and blasts her through the window. She turns to kill Winn and James but Kara returns in time to witness both men being defeated by Indigo with ease. Indigo sarcastically asks Kara whom of the two she should skin first but the DEO storms into the room just in time to prevent bloodshed. When Alex and Hank burst into the room, Indigo enters the internet and escapes the building.

Indigo reappears somewhere else in National City much to the horror of two civilians. After seeing the two, Indigo claims that she would kill the two but refrains from doing so as their world is days away from ending anyhow. The two flee immediately. Indigo is alerted by a noise behind her and sees an old associate of hers, Non. Ignoring all social conventions, Indigo claims that she despised Non's recently deceased wife Astra and that she is glad she is dead. Although Non is angry, he attempts to convince her that Myriad is working and attempts to recruit her to the project. However, Indigo in turn claims that Astra's idea of living alongside humans cannot work as predators cannot live alongside prey. Non asks her what she has done but Indigo merely states that she did enough to turn the wheel. Indigo states that hell is coming to earth and that only the Kryptonians and Indigo herself will survive it. Before Non can ask more questions, Indigo teleports away.

To destroy humanity, Indigo uses a US general to get into a nuclear missile silo. After entering the compound through the general's phone, Indigo takes out the general and the men surrounding him. When the remaining survivor tells her that she can't kill him as she has to turn two keys at once to launch the missiles, Indigo claims that she is aware of that. She knocks out the man nonetheless and takes the keycards from the corpses. She then easily stretches her arms and turns both keys and activates the missiles. When Supergirl arrives, the launch sequence is already activated. Indigo attacks Kara nonetheless to prevent her from stopping the missile. However, Kara breaks free and flies after the missile. She manages to defuse the missile and has it plummeting into the bay.

Back at the base, Indigo rages at the failure. Supergirl returns to the base to take her down but Indigo then notices her smartphone. Realizing that Supergirl is not working alone, Indigo uses the smartphone to attack Winn who is currently writing a virus at the DEO to destroy Indigo. Although Indigo manages to send her hand through Winn's monitor and throttle him, Winn continues to write the code as Indigo brags to Kara. Winn successfully completes the virus, causing Indigo to fall to the floor in pain. As she is succumbing to the virus, Indigo spitefully lashes at Supergirl, claiming that Kara would have never even reached Earth if it wasn't for Indigo. Indigo reveals that Fort Rozz escaped the Phantom Zone when Indigo linked Fort Rozz to Kara's pod when she was passing by on her way to Earth. After that explanation, Indigo is ripped apart by the virus and is assumed to be dead.

Indigo's body is later retrieved by Non, who gleefully claims that she might now be more inclined to do things his way.

Myriad

Non manages to reassemble Indigo who joins him in his cause.

However, Indigo keeps attempting to manipulate Non into murdering Kara and using Myriad to conquer, not to save.

After failing to convince Non to kill Kara, she tries to convince him to use Myriad to conquer the entire universe instead. Before she learns the decision Non has made, she notices the presence of the martian J'onn J'onzz in National City. Indigo heads to the location where she senses J'onzz and swiftly takes out his companion Alex Danvers. She then turns to J'onzz and taunts him about the annihilation of his family and planet, which causes J'onnz to rage at her, grab her and throw her into a shed filled with explosives. The shed goes up in flames but Indigo survives and ambushes the distracted J'onn. She stabs him in the stomach and while the wounded J'onn falls to the ground, Indigo turns to Alex.

Indigo grabs Alex and tells her that after J'onnz' death, Alex will be next. When J'onn passes out from his wounds, Indigo grabs Alex and brings her to Non's headquarter. There, she convinces Non to use Myriad on Alex to have her fight Kara.

## Death

Kara and the DEO eventually track down Non and his group and are shocked to find out that they have been in the wreckage of Fort Rozz, which is still on the crash site in Nevada, the entire time. When Kara and J'onn J'onnz arrive there, they are met by Non and Indigo in the plains in front of Fort Rozz. When asked where his army is hiding, Non reveals that they are already in their sleeping pods, ready for the journey to another planet. He tells Kara that nothing is keeping him on earth but that she still will not save humanity as the new myriad signal is powered by Indigo herself. Kara uses her heat vision against Indigo, smashing her away, but Non then engages her in a furious battle. While Kara fights Non, J'onn engages Indigo who once more stabs him in the stomach with her blade hands. Nonetheless, J'onn gains the upper hand and rips Indigo in half, killing her.

## Dartz

**Dartz** is the main antagonist in season 4 of *Yu-Gi-Oh! Duel Monsters*, which is made up entirely of the anime-exclusive *Waking The Dragons* filler arc.

He lives in the ancient city of Atlantis while he was the legendary continent's former king and is the father of Kris and son of Ironheart.

Dartz was turned evil by the power of the Orichalcos, making him believe that mankind was evil. As a result, he served the Orichalcos' master, the Orichalcos God (also known as the Great Leviathan) and planned to awaken him by using Orichalcos cards to steal souls from victims to feed to him. The power of the Orichalcos kept him alive for over 10,000 years. He is the one who stolen Yugi's Egyptian God Cards. Disguising himself as Gozaburo Kaiba, he killed Alister's brother Mikey (kidnapped him in the 4Kids dub), framed Valon by paying a gang to burn down the church that he lived in (framed him for an unknown crime in the 4Kids dub) and caused a ship Rafael was on to crash into a typhoon, which killed Rafael's family (in the dub his family survived but forgot about him) and he defeated Mai Valentine and brainwashed her, making them work for him.

He dueled Dark Yugi and Kaiba together and defeated Kaiba, but was defeated by Yami when his Divine serpent (whose attack power was infinity) was destroyed by the combined form of the three dragon cards (whose power was beyond infinity). He then offered his own soul to the Leviathan, but was released from his influence when the Leviathan was destroyed by Atem. Dartz then returned below the sea with Atlantis, Kris and Ironheart to enter the afterlife.

He was voiced by Wayne Grayson.

## Life in Atlantis

Ten thousand years ago, Atlantis, an island isolated from the rest of the world, was a perfect civilization. One day, however, meteors rained down upon the kingdom. These meteorites were mysterious and powerful stones of the Orichalcos, and glowed a bright greenish blue light. These stones imbued the people of Atlantis with ultimate knowledge and power. In just a few years, Atlantis became the most advanced civilization on the planet, even more advanced than the modern world of today. However, with power comes corruption and greed.

Ironheart, the king of Atlantis, gave his throne to his son, Dartz. Soon, the stones of the Orichalcos began to expose the evil in people, turning those with darkness on the inside into monsters on the outside. Dartz witnessed his own wife Iore become a horrid, ugly beast who attacks him. Confused and frightened, Dartz consulted a stone of the Orichalcos for guidance. The Orichalcos granted Dartz great power and lent him soldiers to do his bidding. It told him to resurrect an ancient mystical beast known as the Orichalcos God, which would help him to destroy the world and create a new one that would be free of evil. Eventually, Dartz became corrupted and misguided.

Ironheart and Dartz's daughter Kris fled and called upon the world of Duel Monsters and its guardians, the three Legendary Dragons (which were, in actuality, three soldiers whom Dartz had transformed into dragons) for help against the corrupted Dartz. One day, an army of benevolent magical creatures-including the three dragons-led by Ironheart met with Dartz's army of evil Orichalcos Soldiers and the Great Leviathan, and the Battle of Atlantis took place. The battle concluded with neither side being victorious. The three dragons were frozen in ice, and the magical creatures were sent back to their own world. The bestial soldiers of the Orichalcos were destroyed, and the Orichalcos God was sealed away from this world. The island of Atlantis sank beneath the sea.

## Gathering Souls

The corruption of the Orichalcos made Dartz believe the world to be a wicked place, and that humans had an inherent malice in their hearts. The transformation the Orichalcos had inflicted on his fellow Atlanteans was, he believed, the punishment for being evil, as the outside of man became as twisted as the inside.

Dartz was driven to revive the Great Leviathan to raze the world, so that he may reconstruct it in the image of glorious Atlantis. To do so, Dartz required human souls. He proceeded to wander the Earth for the next 10,000 years, presumably kept alive by the power of the Orichalcos, and knew he had found one of the powerful souls he required when he encountered the Pharaoh Atem in ancient Egypt, witnessing his control of the powers of darkness and his ability to command Duel Monsters. He also witnessed the Pharaoh, with Slifer the Sky Dragon pursuing Thief King Bakura and his Diabound. However, Dartz could not capture the Pharaoh's soul because Bakura was in his way. He therefore had to wait another 3000 years (5000 in the 4Kids version) to capture the pharaoh's soul.

It is unclear precisely when Dartz began to collect souls, but eventually, Dartz established a multinational conglomerate named Paradius, which became a well-known, yet mysterious force in the business world. But this was not the only organization Dartz had formed. He also controlled the Doma Organization (unnamed in the English version), a group formed to gather souls to feed the Great Leviathan by challenging unsuspecting players to games of Duel Monsters only to have their souls taken by the "Barrier of Orichalcos," a card he had suffused with the Orichalcos' power.

For ten thousand years, Dartz collected the souls of his adversaries and many innocents in order to ensure the return of the Orichalcos God into this world. With time, the number of souls Dartz had stolen stretched into the millions, thanks in part to his underlings.

### *Yu-Gi-Oh!*

Dartz's most recent underlings, Rafael, Valon and Alister, a trio of Duel Monsters players, had their lives manipulated by Dartz to make them feel only hatred, molding them to be ideal servants to his cause. He gave them each a small fragment of the Orichalcos, which can be used to break the "Seal of Orichalcos" from outside in case of emergency and gives them magical abilities that rival the Millennium Items. Dartz defeated and brainwashed Mai Valentine as his pawn.

Once aware of the fact that the Pharaoh had been reincarnated and his spirit revived in the present day, Dartz began his agenda to take his soul by freezing over the Tablet of Memories (thus preventing the Pharaoh from remembering his own past). Later, he ordered his minions to steal the Egyptian God Cards, using their power along with human souls to revitalize the Leviathan. Subsequently, Yugi Muto, Seto Kaiba and Katsuya Jonouchi released and joined forces with the Legendary Dragons as the souls of both them and their friends come under threat. Dartz's surviving family, Ironheart and Kris, would assist Atem in recovering his self-confidence and the trust of "Timaeus." Events gradually converge on a duel between Dark Yugi, Kaiba and Dartz, in which Dark Yugi claimed victory by releasing the power of the Legendary Dragons and returning them to their human forms. Yugi, Kaiba, and Jonouchi's souls are emancipated from the clutches of the Orichalcos God.

However, Dartz sacrificed his own soul, with his human body reduced to dust, to give the Orichalcos God enough power to fully resurrect and raise Atlantis once more with himself combined with the Great Beast. In the ensuing battle, Dark Yugi released the spirits of the Egyptian Gods from within the god and together they destroyed it, discharging all of the captive souls. However, a trace of its darkness remains, revealing the god's original form, along with Dartz's soul, which Dark Yugi is able to banish, releasing Dartz from the influence of the Orichalcos and allowing him to be reunited with the spirits of his family and enter the afterlife as Atlantis sank back beneath the sea.

## Kimeramon

**Kimeramon**, also known as **Chimairamon** in the Japanese version, is the secondary antagonist in the first 21 episodes in the anime

*Digimon Adventure 02* . It was an abominable amalgamation that was created by the Digimon Emperor to destroy the Digidestined and conquer the Digital World.

It had no voice actor in the Japanese version, having only monster noises for speech, but in the English version, it was voiced by Tom Wyner, who also voiced Devimon.

The Digimon Emperor (aka Ken), angered that the Digidestined keeps foiling his plans several times, decides to stop the Digidestined for good by creating the ultimate and powerful Digimon. He took several Digimon parts on his monoitor, creating a powerful creature with the parts, calling it Kimeramon. After his creation is complete, Kimeramon was born, and Ken sent his powerful creation to attack the Digidestined. Kari, Yolei, Nefertimon, and Halsemon were the first to encounter Kimeramon. Nefertimon and Halsemon's attacks had no effect on Kimeramon. It seemed that Kimeramon was an unstoppable monster, so the Digidestined and their Digimon partner had to retreat.

While the Digidestined thought of the plan to defeat Kimeramon and stop Ken, Ken sent Kimeramon on a rampage, destroying a nearby village. After the Digidestined and their Digimon partners defeated several Bakemon, Kimeramon stopped the Digidestined in their tracks. After Kimeramon killed several Bakemon, the 5 Armor Level Digimon tried to fight Kimeramon but no avail, and Kimeramon easily defeated all of them. Then all of a sudden, Ken commanded Kimeramon to stop, and so it stopped moving and stood still like a statue, allowing Davis and DemiVeemon to escape and enter a secret engine room as the other Digidestined escaped too.

Davis and Veemon discover a powerful Golden Armor thanks to Wormmon, and Veemon Golden-Armor Digivolved to Magnamon. Even with the power of the Golden Digi-egg, Magnamon was able to do some damage to Kimeramon. Kimeramon then betrays Ken, turning against his own master and attacks him. After Ken's floating ship goes down, Kimeramon captures Magnamon in an attempt to crush him, Wormmon rescues Magnamon, freeing him from the wicked beast's grasp. Kimeramon then smacks Wormmon away, and Wormmon nobly uses his remaining energy to Magnamon, sacrificing himself. Magnamon manages to finally defeat

Kimeramon, obliterating the creature with his Magna Explosion attack.

Despite being obliterated, Kimeramon manages to survive, though barely, and meets a dying Machinedramon, they DNA digivolve to form Millenniummon.

## The Amoeba Boys

The **Amoeba Boys** are recurring antagonists in *The Powerpuff Girls* franchise.

They are voiced by the late Chuck McCann.

As their name implies, they are a gang of amoeba who were originally featured in McCracken's original short, *Whoopass Stew* .

They reappeared in the *World Premiere Toons* segment "Crime 101". With their gangster affectations, these aspiring criminals would love nothing more than to be regarded as serious villains worthy of fighting, and even getting beaten up and sent to jail by the Powerpuff Girls. Unfortunately, their brains are far too primitive to devise a crime above the level of littering or jaywalking (in contrast to the original short, where they are seen having successfully robbed a bank and using their semi-solid bodies to stick to the girls and create a dilemma for them); indeed, they considered stealing an orange to be their greatest crime ever (in the episode "Divide and Conquer").

They are definitely Townsville's least malicious villains, even having a friendship-of-sorts with the Powerpuff Girls. They are generally harmless, but their actions have on several occasions endangered both the girls and the town purely by accident. The greatest threat they have posed to Townsville and the girls was in "Geshundfight," when they each caught a cold that, when merged with their DNA, created a severe virus that quickly spread through the city, making even the healthiest person fall ill instantaneously. It wasn't until the girls, who were also infected, acquired their DNA (after a brief and very easy fight, despite the fact they were all very sick) so Professor Utonium could create a vaccine he soon dispensed to the town, curing them just as quickly.

The biggest act of villainy they've ever committed was successfully stealing every orange in town, which caused everyone to get scurvy. They were able to do this when seeing an orange split into it's segments triggered something in their minds which made them undergo Mitosis and divide to great numbers. Fortunately the girls were able to merge all the copies back into the original criminals and locked them up.

### See Me, Feel Me, Gnomey

The Amoeba Boys appeared in the rock musical episode "See Me, Feel Me, Gnomey", where, like other villains, they are seen causing chaos and terrorizing people in Townsville. Yet, when it comes the Gnome, he is responsible for eliminating all the villains, including the Amoeba Boys, but later, when all the villains revive, the Gnome loses power.

They are also seen along with all the villains singing "Why Can't We All Get Along?".

### The Powerpuff Girls Rule!

The Amoeba Boys appeared in "The Powerpuff Girls Rule!", trying to get the key to the world and take over Townsville. They were all seen attacking the other villains and Powerpuff Girls in attempt to get the key. During the race to get the key, The Amoeba Boys could not even get their own car so they just called a taxi. At the end of the episode, they all got beaten up.

## Jellax

**Jellax** is a droid that Avery sends to help her and Prizma run the charm shop, which is a crystal point in Tokyo. She has the appearance of a woman made entirely of red jel. She can trap her enemies with the jel. She appeared in *Sailor Moon R* Episode 19, *A Charmed Life* .

Jellax fought Sailor Jupiter and Sailor Venus and gained the advantage, even when Sailor Mars and Sailor Mercury joined the fight, but met her doom when Serena transformed into Sailor Moon and used Moon Scepter Elimination on her.

The co-pilot got 40 years in Brazil's prisons and Voltner and the Mayor got 50 years in prison.

Nico: Geez!

THE END

---

Another awesome fanfic done.

BlackWarGreymon was one of the most powerful Digimon that packed a dangerous wallop in season 2 of Digimon. He REALLY gave the Digidestined a run for their money and he REALLY packed a wallop. But in the end he was no match for the power of the Digimon Sovereign. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, etstheclarencefan, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. From tomorrow to May 23rd I'm going on break till the 24th. But next up will be Little Witch Academia and we're going to make one of their villains pay for their crimes and meet Akko, Lotte, Sucy and Professor Ursula and help them out all over. It will be cool meeting them and helping them out.

See you all on the 24th of May.

For day one of my dates with the Mew Mew Girls, I was taking Zoey Hanson out. I took her to a great restaurant to get to know her. She has a really great background and is very amazing at what she does.

Zoey Hanson: Wow J.D. you have done it all over the years.

Me: Not to brag but yeah.

But then a biker came up to Zoey.

Biker: Hey, baby. Why don't you and I go make out in the parking lot?

Zoey Hanson: Go suck on a lemon!

Me: She's already spoken for you dickhead!

Biker: Get off our planet you freak!

I punched him in the face and knocked him out and tied him up.

Me: What a jerk.

Waiter: Thanks for getting rid of that freak. He came from that bar down the street.

Me: The Bike and Brawl? Thanks man.

I paid him and we went over to the bar. We went in and everyone saw me and Zoey and then they saw a big wanted poster of me. It said "Wanted for Crimes Against Earth. Reward by the Trump Coalition."

Me: Oh fuck!

Zoey Hanson: Uh oh.

The bar was full of Anti-J.D. Knudson thugs, mercenaries and thugs that were hired by Trump to take me down and they had guns, swords and knives drawn and they were all ready to kill me.

Me: So you guys are working for that fuckhead Trump huh? I can't believe you guys would follow that fuckup dickhead. All right then. We do this the hard way.

I unsheathed my sword and my machine gun. Zoey unsheathed her sword too.

Me: Since you don't want to talk about this like gentleman over some tea, HOW ABOUT SIX FEET OF BLAZING STEEL!? (ROARS)

Zoey Hanson: LETS DANCE!

They fired their weapons at us and we dodged their blasts and slashed them all over and cut them all over. Some of them were robots and we slashed them all over the place to kingdom come and I blasted them with my machine gun and blew them apart and I grabbed one and threw him. Applejack and Lincoln appeared and blasted them all with lightning and apples and smashed the robots down and I fired waves of fire and burned the Trump supporters all over and smashed them all over the place. Zoey slashed and smashed and pulverized a bunch of thugs and mercenaries all over. Then we tied them all up and the F.B.I. came and arrested the men working for Trump and were loading them into trucks.

Agent Waco: Thanks for catching these guys.

Me: You're welcome Agent Waco. Now Trump has become a major threat to the world and he must be dealt with for good.

Agent Waco: And he will. We put a massive bounty on his head for you all.

Me: Nice. We'll take care of it when the time comes. Zoey I'm sorry if this date didn't turn out like you thought.

Zoey Hanson: Are you kidding!? This was the most fun I've ever had! Thanks J.D.

Me: Ah you're welcome.

Applejack: YEEHAW! That was a lot of fun.

Lincoln: Yeah it was!

May 19th

Next was a date with me and Corina. We were over in Paris, France and we were sightseeing. We went to the Eiffel Tower, The Palace of Versailles, different castles all over France and even Monte Carlo and more.

Corina: Wow there is so much to do over in France.

Me: There sure is. I think France has so much to learn from and how much they did over the centuries.

Then we heard an explosion and saw a crook stealing the French Crown Jewels from the Louvre Museum.

Me: Uh oh! We got a Museum Robbery in progress!

Corina: Lets get them!

We went at the crook and smashed and knocked him out and got the jewels back.

Me: Take that you fiend!

Corina: Freeze Buster!

We tied him and arrested him.

The crook was sent to prison for life and the French Crown Jewels were returned safely to the Louvre.

At England in Buckingham Palace, me and Bridget were on a date and we were looking at the portrait of the most evil king in all of Britain's history and the worst king in all of the British Monarchy: Henry VIII.

Bridget: So who was Henry VIII?

Me: Beyond a shadow of a doubt the worst king in all of England. Maybe the world. Everyone in the Tudor Dynasty except for Queen Elizabeth I was the worst ever. For 118 years from 1485 to 1603 the Tudor Dynasty ruled over all of England and became one of the most influential dynasties in the world.

Chorus: Oh listen, ye all to a tale that's true,

When the War of the Roses tore England in two,

King Richard III one fateful day, Fought Henry Tudor in a brutal fray.

For poor King Richard life grew worse, He lost his kingdom for want of a horse.

Henry VII was then made king, To Elizabeth of York he offered his ring.

She said,

Elizabeth: "I do! Let's give it a fling!"

Loud, CMB: The union again made England one,

The couple was blessed with a healthy son.

Young Henry grew up in Catherine's home, When his father passed on he ascended the throne.

Girls: Henry VIII took a wife from Spain,

Catherine Aragon was her name.

She bore him a daughter a cute little one,

But to keep the throne he needed a son.

WOW: Back then, that's how things were done.

Pepper: For girls, it really wasn't much fun.

Chorus: Their rocky marriage couldn't get worse,

But the pope refused to grant a divorce.

So Henry started a church of his own,

He got his divorce and stayed on the throne.

Miss Info: Then Henry VIII wed Anne Boleyn, His former wifey's handmaiden.

Anne gave birth to Elizabeth, But with no male kin, well you do the math!

Chorus: Poor Anne Boleyn, she lost her head,

So once again, King Henry wed. Jane Seymour gave to him a prince,

Charity: But poor ol' Jane hasn't woken up since.

Boys: So for a while, our Henry grieves,

Then he marries Anne of Cleves.

Anne came from fine German stock,

Toast: She had a face that could stop a clock.

Girls: Their marriage was cancelled in less than a year,

His fifth wife, Catherine Howard, was dear.

But Henry found out that her love was not true,

WOW: He gave her the axe, what's a fella to do?

Chorus: So after five, came wife number six,

Catherine Parr is who Henry picks, He promised her he would do her no harm,

So six wives proved to be the charm!

Henry gained pound right after pound, 'Til he needed machinery to move him around.

He weighed about a quarter ton, 'Cause he couldn't resist a sticky bun.

In fifteen-hundred forty-seven, Henry VIII went off to heaven.

Froggo: Or maybe for his dirty tricks, To H-E-double hockey sticks!

(And Froggo is right. He is currently burning in Hell even as we speak.)

Chorus: His young son Edward was only ten,

When he took the English throne but then,

Poor Edward died by age fifteen,

His reign was followed by a queen.

Jane Grey ruled for just nine days,

WOW: She lost her head, to coin a phrase!

Chorus: Mary Tudor was next in line,

Mary Tudor: The British throne is mine, mine, mine!

Chorus: Mary had strength, she took no flack,

Pepper & Joan of Arc: She brought the Catholic church right back!

Chorus: At forty-two Mary met her death, Then along came queen Elizabeth.

She was loved by her people and made England strong,

WOW: She had a few boyfriends, they didn't last long.

Chorus: The Elizabethan age was just and fair, But Elizabeth never gave birth to an heir.

And so we sing our last refrain, The end finally came to the Tudor's reign.

Elizabeth died in 1603, The end of the Tudors' family tree.

Boys: The end of the Tudors,

Girls: There can be no disputers,

Chorus: The end of the Tudors' family tree… Chop, chop, chop, chop, chop, chop, chop!

Loud: Timber!

They chopped the Tudor tree down.

Bridget: Geez!

Me: Yeah the Tudor Dynasty was one of the most sinful dynasties in all of England.

Bridget: Oh man. And there hasn't been any bloodlines from the Tudors for 417 years?

Me: Nope. But our friend Gabrielle is actually a direct descendant of Mary Tudor.

Bridget: Wow! That's amazing!

Me: It sure is.

Then a figure came running and we saw that it was a thief and he had the Crown Jewels of England!

Me: Oh no you don't!

Bridget: No one steals from England!

Me and Bridget punched him down as the cops were chasing him and Bridget tied him up and I gave the Crown Jewels back.

Me and Kikki were in Los Angeles, California for our date. We saw everything and even Mount Wilshire, the new volcano that we saved all of Los Angeles from when it formed and that was crazy. It was a great adventure. But then we heard an explosion and we saw my archnemesis SIMON PHOENIX!

---

**Simon Phoenix** is the main antagonist of the 1993 sci-fi action film *Demolition Man* . He is the most crazed and dangerous psychopathic criminal of the 20th century, and only the toughest cop could be a match for him. He is John Spartan's arch-nemesis.

He was portrayed by Wesley Snipes who also played Nino Brown.

Phoenix was a wanted psychopathic criminal responsible for many crimes like theft, kidnapping, robbery, and murder. He declared his own kingdom in South Central within Los Angeles, having all other street gangs, drug dealers and even some murderers under his control.

In his last crime in 1996, he made 30 people hostage for trespassing at his building, but when his arch-enemy, LAPD officer Detective John Spartan interfered, he set alight tanks of C4 and after a brief fight with Spartan, he was captured and taken away before the building was blown to pieces.

Meanwhile, other cops have found the corpses of the hostages with Phoenix being found guilty of the murders and condemned. But he framed Spartan for not caring about the hostages and as a result of John too was wrongly accused of killing the civilians, and the two were instead frozen in a cryogenic chamber, remaining there for years.

36 years later, society has changed drastically, with San Diego, Santa Barbara, and Los Angeles being merged in one large so-called utopia named San Angeles. Phoenix was released from his confinement with a rehabilitation program that gave him astounding new skills and extra strength to help him adapt to the future.

The reason for his programming was to kill Edgar Friendly, the leader of the resistance group called Scraps who lived in the sewers of San Angeles since the society of Dr. Raymond Cocteau first established. Phoenix reassembles a new gang of not only the hardened residents of the sewers but also half a dozen defrosted, bloodthirsty criminals of the 20th century he requested released from the cryo-prison and decides to kill Cocteau who released him, setting on his own goals to spread chaos again.

Simon Phoenix (in a scene cut out from the film to shorten running time) shoots and kills Spartan's old friend Zachary Lamb just when Lenina Huxley and John Spartan go after him on the roads of San Angeles. He was pursued by Sgt. John Spartan of the old LAPD once again. During a car chase, Phoenix admits that the hostages Spartan tried to save in 1996 were already dead before he even arrived, meaning that Spartan was sent into rehabilitation for no reason.

With the help of Edgar Friendly and Lt. Lenina Huxley of the SAPD along with the armed Scraps, Spartan breaks into the facility and fights Phoenix, who uses his futuristic skills to his advantage. According to what was cut out, John Spartan kills newer henchmen to Simon Phoenix and battles the goon played by Jesse "The Body" Ventura named Adam who did the work for Phoenix in killing Raymond Cocteau and defeats Adam just before going up against

Simon Phoenix one last time.

During an intense battle, Spartan smashes a container of the potent cryogenic liquid against the floor and leaps to grab a malfunctioning crane arm overhead, as the floor and everything in contact with it freezes solid, including Phoenix. Spartan then kicks Phoenix's frozen head off after shouting "Heads up!", reminiscing Simon's predictable loss of his head, and it hits the ground before smashing to pieces, avenging himself and all the people Phoenix killed.

The damaged equipment in the room then explodes, with Spartan escaping just before the cryo-prison is destroyed, along with Phoenix's decapitated frozen body and the criminals he attempted to set free, ending his reign of chaos forever.

---

Me: Simon Phoenix!?

Kikki: You know him?

Me: He's my father's archnemesis. He sent him to prison and I killed him in the end and saved my sister Elaine. That was one of the most brutal fights I was in.

---

I walked up to him and we looked at each other with fury.

Me: Is it cold in here or is it just me?

Phoenix: Like father like son.

Phoenix punched me twice in the face and kicked me in the stomach and sent be crashing into some containers. He picked me up and punched me in the face hard and elbowed me into the fence. He punched me all over and I belched up a huge amount of blood.

Phoenix: Fucking piece of shit!

He punched me in the face and I kicked him in the mouth.

Me: Go to Hell!

I kick him in the stomach and punch him in the face and punch him in the stomach and the back of the head and he backhanded me and punched me in the eye and whacked me in the mouth with a chain and I rebounded and flip him over and grab his arm and bend it and cause the bone to break through. He screamed in pain and I elbow him in the crotch.

Phoenix: I hate cops!

He got up and whacked me in the face with a punch. I belched up more blood.

Phoenix: Look in my eyes J.D.! I'll see you in Hell!

Me: Not if I take you there with me!

I spit some of my blood into his face and it landed in his eyes and burned them like acid.

I punch him all over the place and kick him around like a rag doll caught in a storm and then I knocked him down.

Me: Now you die you motherfucker!

I plunge my hand into his chest and rip out his beating black heart.

Me: Enjoy the darkness of Hell you motherfucker

I crush the heart and it splattered all over the place as bloody tissue. Phoenix died in an instant. My accelerated healing made me better. I fired a blast of fire and incinerated Phoenix's body.

---

I saw that Phoenix was infected by the Aparoids as he had purple splotches all over him!

Me: And he has the Aparoids all over him.

Kikki: Oh man! Lets get him.

We went at him and fired energy blasts and obliterated him in an instant and banished him to the Warp forever.

In Prague in the Czech Republic, me and Berry were fighting Blade's old enemy JARED NOMAK.

---

**Jared Nomak** is the main antagonist of the 2002 superhero horror film *Blade II* . He is the first of a super breed of vampires called the Reapers, and the estranged son of Eli Damaskinos, an old hierarchial vampire who is also his creator and the brother of Nyssa.

He is portrayed by Luke Goss, who also portrays Prince Nuada in *Hellboy II: The Golden Army* .

Damaskinos created the reaper strain and infused it with Nomak's blood, making him more powerful than the common breed of vampires. Reapers only had a weakness to sunlight and their hearts were encased in bone to prevent being stabbed with a stake. Like vampires, the Reapers must feed but must so every few hours or they'll die. Both humans and vampires would become Reapers. Because Nomak was the first, he did not have an immediate taste for the thirst and behaved more maturely than his savage minions. After being disgusted with his father, he went rogue and attempted to wipe out the vampire world and make it a Reaper world and get his revenge.

Biography

The film opens in the Czech Republic where Nomak goes to a blood bank in need for blood. The bank surgeons plan to kill him but Nomak fakes an illness to get in the back and attacks two surgeons and a guard, all of whom were vampires. After learning that Nomak has spread the Reaper disease in other vampires, Damaskinos is given no choice but to ask Blade, the daywalker for a temporary alliance and help kill Nomak. Blade reluctantly agrees and he and Whistler were forced to team up with a team of special trained vampires to take on Nomak. They go a vampire nightclub in downtown Prague and find Nomak and a few Reapers. One of the Reapers attacks and turns one of the Bloodpack members. With dawn approaching, Blade confronts Nomak and they battle it out. After a brutal stalemate, Nomak offers Blade an allegiance as they both despise the same thing but he refuses and Nomak retreats from the sun.

Blade and the bloodpack find an entrance to the sewer where Nomak and hundreds of Reapers are living and feeding and infiltrate it the next day in broad daylight. After being betrayed by two of the vampires, Whistler runs into Nomak who spares his life in exchange for a message. Blade kills all of the reapers with a UV bomb but is attacked by Damaskinos' guards and brought back to his lair. Damaskinos explains that he is the creator of the Reapers. Whistler tells everyone Nomak's message which was that he is Damaskinos son and Nyssa becomes disgusted. Damaskinos brings Blade to a torture chamber and explains that the reaper strain in Nomak must be infused with the blood of a daywalker in order to make vampires completely invincible.

Nomak finds his father's lair and single-handedly takes down all the guards and proceeds to kill Damaskinos. Nyssa betrays her father and puts the lair in lockdown preventing anyone to escape. Nomak confronts his father and to save his own skin, Damaskinos offers his son power and everything he could desire. Nomak doesn't believe him and bites him but the bite kills him instead of turning him and bleeds to death. Nyssa shows compassion for her brother and offers herself to him and he bites her. Blade then appears having survived and revived from his injuries and the two fight to the death. Nomak gains the upper hand with his vampire strength and almost beats Blade to a pulp. Blade grabs his broken sword and stabs Nomak on the side of the heart where it is not encased in bone. Nomak decides not to live anymore and willingly inserts the blade further into the heart, killing him and causing his body to disintegrate into ash. Nyssa then burns in the sunlight and all of the Reapers Nomak had turned may have also been destroyed, since Nomak was the sole carrier.

Me: Boy your father was really fucking around with the laws of nature.

Nomak: So he was. Why kill me? We are after the same thing.

Me: Maybe so but the Vampires that Blade killed were all destroyed for a good reason.

I picked up the ring of the deceased overlord Eli Damaskinos.

Me: You know Brittney would like this kind of ring. She is a huge lover of vampires.

Berry: She sure would.

Nomak: So you pity me?

Me: In a way. You did not deserve to be made into this abomination. So I will put you out of your suffering.

Berry: Me too.

Me and Berry fired a massive blast of Ultraviolet light and it hit him and incinerated him into nothing.

Me and Berry went over to Nyssa.

Me: Nyssa hold on we'll get you help.

Nyssa: No it won't be long. I can already feel it burning inside of me.

Me: Nyssa your brother was the main carrier. It should be destroyed with him.

Nyssa: And it will be with me. I want to die while I'm still a vampire.

Me: I understand.

Nyssa: I want to see the sun.

Me: Okay.

I opened the door and carried her to the helicopter pad and the Sun rose and Nyssa saw it and it was beautiful to her. She put her hand on my face and I had tears streaming down my face as she was burning and she closed her eyes as she was being incinerated into ash. I looked up at the sky as Nyssa's ashes went up to heaven as an angel.

Nyssa: (In Spirit) Thank you J.D. Thank you.

Me: Rest well Nyssa.

Berry: She is free now. She is free.

May 23rd

At Mandy's room in the World Tree Estate, her phone was ringing and Billy was calling. She answered it.

Mandy: What do you want Billy?

She was reading a book.

Billy: (On the phone) (Falsetto) (Clears throats) This is P.U. Poopenhauser and I am conducting a national survey. Tell me, do you smell like dog doo-doo or just look like it!

Irwin: (Laughs) That's a good one yo.

Billy: (Sighs) Billy I know it's you. I have caller ID. In fact most people have caller ID. They can tell it's you calling them.

Irwin: Tell Mandy I think she's got silky hair.

Billy: (Whispers) Shh. I think she's on to us Irwin. (Resumes Falsetto) Uh I am sorry madam. I do not know this Billy of which you speak of mm-hmm.

She hung up and put her book down.

Billy is in his room with Irwin making prank calls.

Billy: Perhaps I can meet him sometime. (No Answer) Hello? Mandy? You there?

The door knocked.

Billy: Go get the door Irwin.

Irwin: All right but I still want to breathe heavy into Mandy's phone.

He went to the door and Irwin was blasted into the wall by a garden hose from Billy's house.

Billy: That's odd.

The water smashed him into the wall too and we saw Mandy armed with the hose.

Mandy: Oops. Looks like you guys wet yourselves again.

Irwin looked down.

Irwin: Aw man. I didn't think anybody would notice that.

Billy: LOOK OUT IRWIN! IT'S MANDY! RUN FOR IT! SHE'S GONE CRAZY!

Irwin: DON'T LEAVE ME!

Mandy blasted his open mouth and filled him up with water and he inflated like a balloon and Billy closed the door and Irwin popped.

POP!

YUCK!

Billy ran all the way to his house as Mandy was squirting him with water.

Billy's dad Harold was sprayed.

Harold: Now that's what I'm talking about!

Billy: (SCREAMS) (GETS SPRAYED) SHE'S CRAZY! CRAZY! CRAAAAAAAAZZZZYYYYYYYY! (See's his parents close) What are you guys doing so close together?

Mandy: I'm not through with you Billy! I'm going to drench you until you die!

Gladys: Mandy! What are you doing with that hose in my house!? Turn that water off this instant young lady!

She sprayed Gladys 3 times.

Billy: Dad? What's Caller ID?

Harold: That's easy son. It's what butt-ugly dogs wear around their hairy necks so that we'll know when we're calling on the phone. Like your mother in law. Right honey? Right?

Gladys growled and punched him in the face so hard that his big nose and eyes were thrusted onto the back of his head. He got up and looked and saw that his butt was huge as he was wiggling his buttcheeks as seals were barking.

Harold: (Muffled) Why didn't anyone ever tell me my butt was so big?

The phone rang and he answered it.

Harold: Hellooo?

Billy: (On the phone) (Falsetto) Hello Mr. Dad. This is your doctor. I'm calling to tell you that your brain is broken and it has to be removed.

Harold: Billy I know it's you.

Billy: (Falsetto) Billy? Who is Billy?

Billy was on the phone by him.

Harold: It says here on the Caller ID.

He showed it to him and on the ID it said "Name: Billy, Bloodtype: O, Occupation: Idiot, Likes: Eating Grass, Wet Boogers."

Billy: Curse you caller ID! CURSE YOU TO HECK!

Next me and Renee were having our date at Lynn's Table and we were having the Ulti-Meatum.

Renee: Mmm! (Eating) Wow! This burger is so good!

Me: Told you it was good.

My cell phone rang.

Me: I'll get that.

I saw that it was Billy on the phone.

Me: What's up Billy?

Billy appeared on a split screen and he was dressed as a chef and he was calling from Lori's phone.

Billy: (French Accent) Bonjour Monsieur J.D. I am a member of the French Chefs of Disgusting Foods Committee and we have nominated you for head chef.

Me: Nice try Billy. But I know it's you silly. My phone has Caller ID you know.

Billy: You knew it was me too!? I even used Lori's phone and dressed up as a Chef!

Me: It was a nice try though. But keep at it.

Lori: BILLY GET OUT OF MY ROOM!

Billy: Uh oh!

Billy ran!

I hung up.

Later Grim was having a bath and he was playing with action figures that looked like him as an army commando and Gladys in a smoking hot bikini.

Grim: (Jamaican Accent) (Deep Voice) Hey there little lady. How are you doing? (Woman Voice) No! Go away! You're scary! (Deep Voice) Yes my ripping biceps can be intimidating. (Woman Voice) I hate you Grim! Yet you're so powerful. Kiss me!

The Phone in the bathroom Rang.

Grim: Always when I'm bathing!

The caller ID said that it was Billy calling and it said "Reason for Call: Attempting a Prank Call!"

Grim answered.

Grim: This better be good boy!

A split screen appeared and it showed Billy who was at a Pay Phone by the Kwik-E-Mart and he was dressed as a cowboy.

Billy: (Cowboy Dorky Accent) Duh howdy there Mr. Grim. I am a member of the National Stupid Head Ugly Butt Committee and we have just nominated you for President.

Grim: I have Caller ID you know.

Billy: You still knew it was me!? I even dressed up as a stupid cowboy so I wouldn't be recognized! I HATE CALLER ID SO MUCH! IT'S RUINING MY LIFE GRIM! MY LIFE! MY LIFFFFFEEEEEEE!

Grim hung up and the split screen disappeared and Billy wound up in Grim's bathtub! Even Grim was shocked.

Billy: Grim I need to know if there's a way to beat Caller ID!

Grim: I'm sorry Billy but almost every phone nowadays comes equipped with it. Now go away! I have serious matters to attend to.

He pulled the drain plug and Billy got sucked down the drain as he was laughing and spinning.

Billy walked down the hall.

Billy: I need to find some way or something to beat caller ID.

A monster from the basement came out.

Monster: Dude you should totally check in there.

Billy went downstairs and looked through Grim's trunk.

Billy: Lets see. A jar of pickled pixies, a shrunken head, invisible underwear, a dragon's snout and a scroll of magic missile.

He threw said items out.

Billy: AUGH! There's nothing in here that will help me beat Caller ID!

Then a strange glow hit him.

Billy: I said nothing!

Billy didn't see the glow.

It faded and came back.

Billy: I SAID NOTHING WILL…

He saw that the glow was coming from a strange phone that looked like a skull and the receiver was in its mouth and the skull had a weird symbol on its forehead and the dial was its left eye! Billy went to reach for it but Grim stopped him.

Grim: BILLY! What are you doing! Stay away from that phone!

Billy: But Grim I just wanted to see if that phone had Caller ID on it.

Grim: BILLY! THAT IS THE MOST DANGEROUS PHONE IN THE UNIVERSE!

He had fire in his eye sockets.

Billy: But Grim, Phones are our friends. They take us to magical places. Hong Kong, Hawaii, Japan, Greenland, Iceland…

Harold had a phone bill at his home.

Harold: Alaska, Guatemala, Jamaica, Korea!? HEY! WHO'S BEEN CALLING ALL THESE PLACES!?

Nico came down.

Nico: Hey what's all the commotion about?

Grim: Billy was about to make a call on that phone.

Nico: What's so bad about that?

Grim: That is not an ordinary phone mon. This is the Phone of Cthulhu, an ancient and terrible being that can drive men mad just by speaking to them. If anyone ever made a call on that phone, it would awaken the ancient slumbering creature known as Cthulhu and if he is awakened he will rise from the murky depths AND DESTROY THIS WORLD!

Grim had his eye sockets on fire again.

Nico gasped in shock!

Nico: WHOA MAN! That phone is an artifact of doom!

Nico ran upstairs.

Billy: Uh Grim your eyes are still on fire.

Grim: (SCREAMS) Help Me Billy! Help Me! Quick! Get me something to put my eyes out with!

He handed Grim a pot full of coffee and he splashed it on himself!

SPLASH!

He screamed in pain from the scalding hot coffee!

Grim: (SCREAM!) Get me something else! Quick!

He shook his head and Billy handed him a bottle of hot sauce and Grim poured it on his face and he screamed in pain.

Billy: Here Grim! Try this!

He handed Grim a barrel full of acid and Grim put it on his head and he shook and screamed in pain as it burned him!

Grim: IT BURNS! IT BURNS!

Billy pulled out a jug full of rocket fuel!

Billy: Here Grim! Douse it with this!

Grim poured the rocket fuel on him and then his head bursted into flames and he screamed and then ran to the bathroom in Billy's house and he pushed Harold out and dunked his head into the toilet and he sighed in relief.

Grim: Ahh. Much better!

Harold: Hey! I wasn't done in there!

Later Billy took Irwin to the basement.

Billy: Come on Irwin it's down here.

Irwin: Uh I don't know Billy. This Kahlua guy might not find prank calls very funny yo.

Billy: First of all Irwin it's not Kahlua it's Cocka-Juju! Second of all it doesn't matter if he finds it funny or not. It only matters if it's funny to us. Come on.

They went downstairs and saw the phone.

Billy: There it is Irwin. (Points to the Phone Of Cthulhu) The Phone With No Caller ID. (Picks Irwin Up) NOW GO!

He threw Irwin and he crashed into the wall and talked on the phone after knocking it off the wall and it hit him on the head!

UH OH!

Irwin: Hello? Is Joe there?

Man: (Incoherent Babbling)

Irwin: Jo mama?

Then Octopus tentacles popped through the phone receiver and went for Irwin!

Irwin: BILLY HELP!

They grabbed him and pulled him through the phone and his shoes popped off!

BURRRPPP!

The Phone Receiver burped.

Billy: IRWIN! IRWIN WHERE'D YOU GO!?

The tentacles came back and grabbed Billy!

Billy: (Screams) WHAT'RE YOU DOING! NO! NOOOOOOOO!

The tentacles pulled him into the phone and his shoes were popped off too.

The next morning Grim was coming out of the bathroom and the monster came out of the basement.

Monster: Dude! Some crazy stuff went on down there! HA!

Grim wondered what he meant by that.

Receiver: The time allowed for you to call has expired. Please hang up and dial again.

Grim saw that the Phone of Cthulhu was tampered with.

Grim: Oh no! They didn't!

He saw that it was REALLY true and that Billy and Irwin's shoes were there.

Grim: They did! NOOOOOOOOOOOOOOOOOOOOOOOOOOOO! (CRYING)

Me, Nico, Renee and Mandy came.

Me: Grim what's wrong!?

Renee: What happened!?

Nico: Yeah what happened!?

Mandy: All right what's all the screaming about?

Grim: Oh guys! You're never gonna believe what happened! Billy and… and his ugly friend, they made a phone call during the week and I only have a limited number of weekday minutes! That's so evil mon! And I know evil. I'm the Grim Reaper!

Me: Grim calm down. I'm sure it's not a big deal.

Mandy: Yeah get ahold of yourself. They were probably just playing around with your phone making phony phone calls. Where are they anyway?

Nico: That's what we're wondering.

Grim: Oh I don't know. They probably got sucked through the phone into another dimension beyond space and time and… Yadda yadda yadda. And we're all doomed because they have awakened the great Cthulhu because he'll probably destroy the universe.

We gasped in shock!

Me: Those peabrain idiots!

Nico: This is what happens when you mess with forces you have no idea of understanding.

Renee: Who is Cthulhu?

Me: I'll tell you all about him later Renee.

Grim: Yeah. Lets go watch television.

Me: Grim this is serious!

Nico: Yeah!

Mandy picked up Billy's shoes.

Mandy: Why didn't their shoes go too?

Grim: Shoes can't fit through the phone silly. They are way too big.

WHAP!

Mandy whacked him in the face with them.

Mandy: We better go in after them.

Grim: Do we have to? I mean the world is already doomed. Why can't we watch TV instead?

I grabbed Grim.

Me: Grim get ahold of yourself! The world will never be doomed as long as Team Loud Phoenix Storm has anything to say about it. And besides Billy has been through a nightmare because of Professor Dick and us kicking him out because of him. We got to get him back.

Grim: Oh I guess you're right.

Me: Nico you keep an eye on the team while we're gone. Me and Renee will go with Mandy and Grim to find Billy and Irwin.

Nico: Right!

I called the world of Cthulhu on the phone and answering it was an orange dinosaur monster with long hands and purple striped horns and a big red mouth. He talked to me in beatbox language.

Mandy: Hi is this Cthulhu?

A split screen showed us on the right and the monster on the left.

James Silverman: (In Beatbox) No, this is James Silverman. What's up?

I used my language translator.

Me: Do you know of two kids that came through the phone recently?

James Silverman: If you're talking about the new interns you'll find them in the cafeteria.

Mandy: Thanks.

We got sucked through the phone and our shoes came off.

We were in the dimension of Cthulhu. It was a wicked ugly and terrifying dimension. It was freaky and scary.

Me: Whoa! So this is the dimension of Cthulhu.

Renee: It sure is an ugly place.

I saw that my shoes popped off.

Me: Shoes are too big.

Renee: Yeah my shoes popped off too.

Mandy: Same here.

Me: Lets get searching.

We walked around.

Grim: It's no use guys. We've searched for hours and still can't find any sign of Billy and Irwin. I say we just give up and head on home. Come on. I'll drive.

Me: I don't give up that easily Grim.

Mandy: First of all, we got sucked here through the phone. Secondly we've only been here for 5 minutes.

Me: And we've only just begun our search.

Grim: But lets face reality guys! We'll never find them! We could look and look and look and look and look, but it's pointless all right! Billy is nowhere to be found so we might as well give up and call it a day!

Billy then appeared.

Grim: Oh hey Billy. 'Cause you're making me miss my favorite show!

We looked at Billy and gasped! Grim screamed!

Me: WHAT THE FUCK!?

Billy had an ugly squid-like nose and he had an ugly lamprey-like mouth!

Billy: I love that show!

He ran.

---

Back at home, everyone was watching TV.

Jessie: (Pokemon) I wonder if J.D. and Renee are back from their date yet. Let me give them a call. (about to touch her phone)

Soundwave: Jessie don't touch your phone.

Jessie: What's the problem?

Nurse Joy then came and she had torn up clothes!

Nico: Nurse Joy are you all right!?

Nurse Joy: I just had a dangerous encounter!

Laney: I think we're seeing it right now!

They saw monsters that were ugly and full of tentacles running around and spreading terror all over the city.

Nurse Joy: It's not just in the city. The people in the Pokemon Center are being turned into monsters too!

Brittney: This is not good! This is the work of Cthulhu!

Nico: Cthulhu!? Oh man! I hope J.D. and Renee, Mandy and Grim can stop him.

Lola: They will. We have to give them faith in this.

Lana: Yeah!

Nico: We need to block off the phones!

Vortex: Soundwave, block all phone communications. NOW!

Soundwave: Affirmative!

Soundwave cut off all the phone lines and communications.

Nico: I hope J.D. and the others find and stop Cthulhu.

In the dimension of Cthulhu, Me, Grim, Mandy and Renee were walking to Cthulhu's cafeteria.

Mandy: We saw Billy run in here after you freaked out Grim.

Grim: I guess I should be used to weird stuff coming out of Billy's nose.

We went in.

Renee: I didn't know that you never take your shoes off J.D.

Me: Well I was born with webbed feet and it's the reason why I never take my shoes off.

The camera shows my feet and they were webbed feet.

Me: It's pretty weird but I'm also a great swimmer with them.

In Cthulhu's Cafeteria, Billy was in line for lunch and he was being served by a green monster with 8 mouths and 15 eyes.

Green Monster: What'll you have kid?

Billy: What do you got?

Green Monster: Well we got goop, we got glop, we got goo, we got slop, some slime with slather, roast face with lather.

Billy: Whoa! I'll take something gelatinous.

Green Monster: You got it kid.

He scooped out some blue slop and put it on his tray.

Billy: Thank you.

He left for his table.

A blue monster with 6 mouths and 19 eyes came.

Blue Monster: I'll take one of everything.

He must be really hungry.

We arrived in Cthulhu's Cafeteria.

Mandy: Cthulhu's Cafeteria.

Me: Wow. Look at all the monsters.

Renee: There's a lot of them.

Grim: I'm going for the calamari.

The monsters did not like what Grim said.

Me: Lets focus Grim.

Mandy: Yeah lets just find Billy and get out of here.

Grim: Oh all right. Now where could that little loaf be?

We looked around.

Me: Is that him over there? (Points to a table)

Grim: Over there? There's Billy. I think.

We went over.

Billy: Hey guys.

Me: Billy you look weird.

Mandy: Yeah what happened to you? You look disgusting.

Grim: I have to admit, it is a bit of an improvement.

Billy: Ain't it sweet? Cthulhu liked our prank call so much that he gave us a job making prank calls for him. I'm living the American dream guys. I'm doing what I love for a living.

Me: I didn't know Cthulhu ran a prank call enterprise.

Renee: Yeah that's new.

Mandy: But your nose looks like a cuttlefish.

Billy: Chicks dig cuttlefish.

Me: I don't think Squidward would like it.

Billy: Maybe.

Mandy: And your mouth looks like a big disgusting sucker.

Billy: Chicks dig…

Grim: Don't go there.

Renee: Yeah your mouth looks like that of a lamprey.

Me: Yeah just don't bite me with that.

Billy: Yeah. (Giggles) And I've got a tentacle growing out of my chest.

He scooted back and lifted up his shirt and we saw that he had an ugly pink octopus tentacle growing right out of the middle of his chest.

Me: Yuck! I'm gonna need serious therapy after today.

Renee: Me too.

Billy: (Giggles) Actually I'm still in the larval stage. But if I keep eating this crud…

He hit his blue food with his fork and it formed into a ghostly structure and screamed horrifically.

Me: EW! I've eaten weird stuff on different planets but that is the weirdest I've ever seen.

Renee: No kidding.

Billy: I know but I'll grow as big and strong as Irwin.

Me, Renee, Grim and Mandy: Irwin?

Billy: Sure! Yo! Irwin!

We heard a weird screech and we a huge purple tentacled mouthed monster with glasses and it was Irwin!

Me: Irwin!? YIKES!

Irwin: (Through translator) It's great you guys are here!

Me: Same to you Irwin.

Later they got back to work and the phone calls were spreading all over the planet like wildfire and turning many people into ugly tentacled monsters.

Billy was dialing.

Me: I got to admit, using a telemarketing ring to transmogrify everyone into Cthulhu creatures is genius.

Renee: It sure is.

Mandy: This is getting out of hand. We had better put a stop to it.

An old woman taking a shower came up on the screen.

Old woman: Hello?

Billy: I'm with the United Cosmetologist Salivation Donations. Do you have any small boxes? (Snickers)

Mandy: That's it. Grab him Grim.

Grim: Oh not yet. I love this one.

Me: I want to see how they do it.

Old woman: Is that you Barney?

Billy: I'm asking for donations for the councilman. Do you have any small boxes?

The water stopped and pink tentacles came out of the shower head and wrapped around her.

Old Woman: Oh my!

They covered her and turned her into an ugly yellow 3 mouth monster with 5 eyes.

Grim and Billy laughed.

Me: I got to admit that is cool.

Renee: It sure is.

Me: But Grim lets stop this madness.

Grim: Oh very well. Billy, lets go. The fun is over.

He laughed and his nose lifted up and popping out of it came little Billy headed creatures with little tentacles.

Grim: On second thought, go on with your fun. (Laughs Nervously) I mean who am I the fun police?

Numerous little Billy creatures came out and screamed ferociously and they went at Grim.

Billy: Tickles. (Laughs)

Grim screamed as they chased him and mauled him all over.

I blasted the creatures with fire and incinerated them.

Me: I think I'm gonna be sick.

Renee: Me too.

Grim: Someone answer the phone.

Me: (Gets an idea) I have an idea.

Back at the estate, everyone was watching TV.

William: (to Maria) Hey, Maria. While we're waiting for J.D. and Renee, you wanna make out?

Maria: You bet I do!

They got to kissing.

The Phone of Cthulhu rang on the emergency line.

Nico: I'll get that.

Nico went to the Phone of Cthulhu in the basement and answered it.

Nico: Team Loud Phoenix Storm basement. Nico Speaking.

Grim: Nico thank goodness you're all right mon.

Nico: Same to you Grim.

Nico then saw a head stick through the phone receiver and he backed away and saw Grim come through it.

Nico: WHOA! Grim are you alright?

Grim: I'm fine.

Me: (On the phone) Grim are you through?

Grim: Yeah I'm here.

Me: Good. We're going after Cthulhu and we're going to make sure he never harms anyone again. We are going to make sure he pays for his crimes before he wipes out the entire human race.

Grim: Just remember: Never look directly into the face of Cthulhu or he will drive you mad.

Me: I get pretty mad already. But if I don't make it, tell Nico to lead the team in my place.

Grim: Will do mon.

I hung up.

Billy: Break time guys! Lets have a cup of mud and get really wired!

Mandy: They let you drink coffee?

Billy: No just mud.

He drank it.

Me: Ew. Billy lets go meet Cthulhu. We have to stop him.

Billy: Okay.

We went to a golf course and there we saw CTHULHU!

---

**Cthulhu** is the main antagonist of the Season 5 episode " *Prank Call of Cthulhu* " in the cartoon series *The Grim Adventures of Billy and Mandy* .

Prank Call of Cthulhu

He was awoken by Billy and Irwin when they were making prank calls to the Endsville citizens. When he was awoken, he pulls the two boys into his world, but when he realizes how good they were with making prank calls, he gives them the job of sending cursed phone calls to people throughout Endsville, and they were all turned into horrible tentacled monstrosities as a result. When Mandy discovers this predicament, she goes to Cthulhu's world and confronts him. Cthulhu was shown casually playing golf at the time of her visit and he immediately tried to attack her after she had infuriated him. Mandy tricks him into hearing his own cursed message, and he's sucked into the phone himself. He attempted to get through a phone while Grim was on it, but Mandy stops him, and Grim smashes the phone to bits, thereby causing Cthulhu to be trapped in the phone lines for eternity. However, Cthulhu didn't seem as upset over his situation, since he continued to play golf as if nothing had happened.

---

Billy: That's him guys! That's Cthulhu.

Me: He sure is ugly looking. But he's nothing like the one I saw in the books.

Renee: Yeah no kidding.

Me: I will say this though. He is a really good golfer.

Renee: Yeah.

Me: All right leave this to me and Renee.

Renee: Lets get him!

Me and Renee fired a massive energy blast and completely obliterated him from existence forever and super-hakaiing him from existence forever.

Me: YEAH!

Then the cursed calls of Cthulhu were stopped and everyone that was cursed was back to normal.

Billy: YEAH! Way to go guys!

Irwin: We're back to our normal selves again yo!

Me: Thank goodness. Sorry you guys had to go through all this. Lets head home.

I pulled out my phone and called home and we were pulled through the phone and we were back home.

We crashed onto the floor.

Me: OOF! Ow.

Renee: Man that was close.

We came back into the living room.

Nico: You're all okay!

Gears: Please tell me that you guys took Cthulhu out.

Me: We sure did. This was an epic adventure.

Lola: Boy no kidding.

Twilight Sparkle: Thank goodness you're all okay.

Sunset Shimmer: Yeah.

Rainbow Dash: J.D. you have webbed feet?

Me: Yeah it's the reason why I never take off my shoes. I was born with webbed feet. But thank goodness you all are okay.

Lori: What was Cthulhu like?

Me: The ugliest creature I've ever seen. But he was a great golfer. If he weren't so evil he would make a great golfing partner for you Lori.

Lori: Wow! I didn't know he liked to golf.

Me: Yeah.

Renee: But thank goodness he will never bother anyone again.

Nico: Yeah thank goodness.

Mandy: And Billy?

SMASH!

Mandy punched him in the face.

Mandy: That's for endangering the world.

Me: Mandy he has been through enough already.

Sabrina: (Pokemon) Now that Cthulhu is dealt with, what mission are we going on now?

Me: We're going to a cool place called Luna Nova Magic Academy.

Brittney: Wow! I know that place!

Zoe Weathers: Me too! That is the very school we went to.

Brittney: It's where I learned how to use the secrets of dark magic.

Harry Potter: (British Accent) Wow! Is that school like Hogwarts?

Brittney: It's actually much different than Hogwarts. You'll see when we get there.

Me: Neat!

Nico: This is gonna be interesting!

Titania, Blizzard, the Dark Turtles, Scorcher, Firepower, Onyx, Ssserpent, and the U Foes then appeared.

Titania: Can me, Blizzard, the Dark Turtles, Scorcher, Firepower, Onyx, Ssserpent, and the U Foes go with you guys?

Me: You all sure can. You guys weren't affected when Cthulhu was turning everyone into ugly freaks were you?

Onyx: No we weren't.

Scorcher: What was going on that was causing everyone to become like that?

Me: Well Billy and Irwin were messing around with Grim's Phone of Cthulhu and it ended up waking up Cthulhu and he was turning everyone into ugly monsters.

Eli: It was gross and disgusting.

Ets: We had to cut off the communications and phones until it was all resolved.

Me: Smart thinking.

Vector: Whoa! Did you guys defeat Cthulhu?

Me: We sure did.

X-Ray: Thank goodness.

Me: We destroyed him forever and super-hakaied him.

Dark Raph: Good riddance.

Firepower: Thank goodness.

Me: This has been one crazy series of dates for me.

Blizzard: I can tell. But thank goodness you're all okay.

Me: Yeah. Lets head out.

We were off to Luna Nova Academy.

* * *

We arrived in Luna Nova Academy in England and it was beautiful.

Cindersaur: It really does look like Hogwarts.

Me: It sure does.

Brittney: Wow! Feels like forever since we were here.

Zoe Weathers: Yeah but those were good times. You guys will love the magic they have here.

We went into the school.

Brittney: You guys are gonna love meeting my friend Akko and her friends. They are awesome.

Me: Cool

We arrived at a dorm and went in and we saw Akko and her friends Lotte, Susy and Professor Ursula.

Dark Leo: Excuse me. Are you Akko?

Dark Mikey: And is there a vending machine around here? I'm getting hungry!

Akko: I don't think there is. (See's us) Wow! Team Loud Phoenix Storm! Wow it's such an honor to meet you all!

Me: You too Akko. Brittney told us a lot about you.

Brittney: Long time no see Akko.

Akko: Brittney!

They hugged for the first time in like forever.

Brittney: Feels like an eternity huh?

Akko: It sure does.

Lotte: You are looking great Brittney and Zoe wow its been a while.

Zoe Weathers: It sure has been a while and Susy you are looking good.

Susy: (Deadpan) Same to you Zoe.

Prof. Ursula: It's great to have you all here.

Me: It's an honor to be here.

Akko: We're glad you all are here. It's so awesome to have you all here.

Me: Same here.

Slog: Quick question. Did any of you guys get turned into monsters by answering your phones earlier today?

Akko: No we don't even have phones here.

Lotte: Our phones are prohibited here.

Susy: Why do you ask?

Me: Well that is a really ugly story.

I went over everything that happened over the last 18 hours and it was really crazy and weird.

When I was done they were shocked and more!

Prof. Ursula: Cthulhu was unleashed!?

Akko: Who is Cthulhu?

Me: He's the main monster from H.P. Lovecraft's Cthulhu Mythos and he's a wicked and really ugly and terrible being that can drive man mad just by looking or speaking to them.

Nico: Yeah it was crazy! He was turning everyone into ugly tentacled freaks because of a huge telemarketing ring.

Lola: Yeah it was spreading all over the world like wildfire.

Lana: But seeing them turn into freaks like that was cool.

Me: He had a massive telemarketing campaign that was transmogrifying all the people.

Lotte: Whoa! What happened to your shoes J.D.?

Me: We got sucked through the phone and our shoes popped off. Also I never take off my shoes because I was born with webbed

feet.

Susy: Interesting.

Vector: I didn't know you had webbed feet J.D.

Me: No one ever asked and it's one of the reasons why I never take my shoes off. But I am a good swimmer.

Lori: Wow.

Carol: That's interesting.

Me: But thank goodness you all weren't affected.

Vapor: It really sucks that you guys can't use phones here.

Vector: But can you guys still communicate with each other in some way?

Akko: Only in our free time.

Susy: Yeah we don't get to use phones but we still hang out in our spare time.

Me: But thank goodness you all didn't get affected by Cthulhu's crazy transmogrification.

Eli: Yeah. You should've seen what everyone in Endsville looked like when they were Cthulhuized.

Akko: I'm not sure I want to find out.

Luna Loud: Yeah it was crazy dudes.

Princess Luna: It was ugly too.

Snowdrop: I couldn't see what they looked like because I'm blind but I felt what they looked like because of their auras.

Gari: Yeah it was crazy.

Nico: But thank goodness that everyone is all right.

Akko: Yeah. Well we are honored that you all are here. Lets give you all the tour.

Muscle Man: (to Akko) Hey, Akko. You know who else likes using magic?

Akko: Who?

Muscle Man: My mom!

We laughed at his joke.

Nico: Funny!

She and her friends did so and we saw everything around the castle.

Gilda: This place is actually similar to Hogwarts.

Akko: It sure is except it's much different than Hogwarts.

Susy: But the magic and lessons here is much more advanced than what Hogwarts has.

Me: I'll say and I know a lot about magic. We learned so much from it.

Akko: Neat. What can you do?

Me: Watch.

I fired a beam of red magic and formed a tree in the courtyards into a pizza tree.

Me: Ta-da!

Akko: Oh wow!

Me: That's nothing. Watch this!

I fired several more beams of red magic and formed a bunch of chicken wing bushes, meat bushes and even bread bushes.

I blew smoke off my finger.

Akko: WOW! That was so cool!

Me: That was just a sample of what we learned.

Nico: Yep.

Susy: That's impressive.

Maria: I just hope there are no snake wizard assholes here. (to Ssserpent) No offense.

Ssserpent: None taken. I don't use magic to fight so I know who you're talking about.

Akko: Who are you are talking about?

Me: Well have you ever heard of an evil wizard named (Dramatic Tone) Lord Voldemort?!

THUNDERCLAP THUNDERCLAP THUNDERCLAP! CAT YOWLS! BLOODCURDLING SCREAM!

Akko: Who is Voldemort?

Susy: I've heard of him! He was the worst wizard that ever lived.

Lola: Yeah he and his followers were monsters!

Laney: They were the meanest monsters ever known.

Akko: What were they known for?

Me: Voldemort and his followers were a cult of Pureblood Supremacist Dark Wizards called the Death Eaters and they were evil wizards that wanted to exterminate all half-blood and muggleborn wizards and wipe out the entire human race so that Pureblood Wizards can rule the world in the name of evil. 7.3 billion innocent people were in danger.

Nico: What they were doing took Genocide and Racism to the extreme on a whole new level.

I went over the histories of Voldemort and his followers and it was

NOT PRETTY. I told them everything down to the last detail starting with Salazar Slytherin and then Voldemort and all of his followers and it was shocking!

When I was finished they were horrified and shocked!

Akko: That's insane!

Me: Yeah it was just absolutely sickening and pure evil.

Nico: That is right. What Voldemort and his followers did make even the worst dictators in the world look like a joke.

Beastbox: A lot of the Slytherin students believed in Voldemort's goals and were racist towards other students as a result.

Me: And they REALLY pissed us off.

Scorcher: Maria, Nico, and May actually did teach three racist students a lesson. And it was also the first time that the three of them found out that they had a lot in common with Riku, Sora, and Kairi respectively.

Nico: That is right.

Me: That's right I remember that. Draco Malfoy, Vincent Crabbe and Gregory Goyle. They were very loyal to the goals of Salazar Slytherin. Bunch of racist jerks.

Abbe: Those guys sounded like they were nothing but trouble.

Me: They sure were. And I hate people like that with a vengeance. Everything that Voldemort and his followers did makes me so mad that it makes my blood boil.

I clenched my fist so tight that blood poured from my knuckles and burned a hole through the floor.

Me: Sorry about that. Also me and Zoey beat up a bunch of racist asswipers that follow an enemy of mine that I am helping the FBI and CIA bring to justice.

Akko: You mean Trump?

Me: Yeah the very same guy.

Lotte: I've heard about Trump. He is a monster!

Susy: He sure is.

Zoe Weathers: Yeah he is a monster and a traitor.

Brittney: Yeah he sure is.

Me: Yep.

Wingspan: I just hope you guys have no one like Voldemort here.

Abbe: No we don't thank goodness.

Me: Well that's a relief. The Supreme High Council of Magic has made all forms of Dark Magic in schools like Hogwarts illegal as hell. Punishment is expulsion and stripping of magic and eternal imprisonment in the Comet Lovejoy Prison with a terrible curse.

Prof. Ursula: What kind of curse?

Me: Eternal life without eternal youth. I call that a fate worse than death.

Abbe: That's horrifying!

Me: Yeah it is. Speaking of enemies do you girls have any enemies that you all need help dealing with?

Abbe: As a matter of fact yes we do.

Nico: Before we get into that, what is the Supreme High Council of Magic?

Me: After we killed Voldemort and his cronies I brought back the Ministry of Magic and with the help of us we formed the Supreme High Council of Magic, it's a very powerful tribunal that is a combination of the British Court Systems, The Ministry of Magic and us.

Nico: Oh I get it. That's interesting.

Me: Yep.

Blizzard: So, which villain of yours is active at the moment?

Abbe: Her name is Vajarois.

Brittney: Vajarois the Ghost of Grief? I remember her.

Zoe Weather: Me too and I feel sorry for her.

Me: What is her story?

Brittney: She went through a lot ever since 2nd Century B.C.

Brittney told us all about her history.

---

Previously Vajarois was a cheerful girl from a royal family around the 2nd century BC who was blessed with good friends and had a happy life, but by having fallen into depression for losing her friends, she ate the Seed of Sorrow to never forget them and was cursed to be a vicious ghost creature.

For 1600 years, at midnight of the Samhain Festival, Vajarois woke up to devour the sacrifices given by Luna Nova Magical Academy and stay asleep until the next festival in hopes to appease her spirit. The sacrifices were expelled unharmed soon after.

Unfortunately, as Akko discovered, instead of appeasing her, this only prolonged her suffering and sadness for the entertainment of the audience, and the only solution to end her misery was by removing the Seed of Sorrow within her.

Eventually, the knowledge of the cause of her suffering was lost but could be found in her vestige, stored in the Luna Nova Archives. The vestige, being so ancient, contains a faerie which can reveal the truth. It resembles half of a nutshell and is identified by a plaque. A flashforward of Vajarois is shown to Akko when the second Word of Arcturus is revived.

When Akko and her team are given the task of being the "sacrifice" during the Samhain Festival, the teachers show her a projection of how Vajarois devours the chosen teams on each holiday, to the horror of Akko and the amusement of the other students.

She appears in her ghost form when the midnight bells of the Samhain Festival sound. Akko, Sucy, and Lotte are chosen as the group of sacrifice for Vajarois, but instead of letting themselves devoured, they make a great fun show to make her happy in an attempt to free her from her curse, but this does not work because of the Seed of Sorrow. When Vajarois finally devours them, all three, following the advice of Ursula, managed to expel the Seed of Sorrow of her body when they are consumed and releasing her of the curse, putting an end of her seemingly eternal suffering once and for all at cost of the tradition and being disqualified. Before she disappears, Vajarois' spirit thanks the girls for releasing her with a smile and a bow.

---

When she was done we were shocked!

Me: Oh man! Poor girl.

Varie: Yeah she is a cursed spirit that did not deserve this.

Eli: Poor girl. She needs to be free from her pain and all that.

Lola: Yeah and she's a princess.

Azula: She does not deserve this kind of fate.

Lola: Yeah. But we can help you guys free her.

Akko: Oh thank you guys!

Slugfest: Where's Vajarois right now?

Abbe: She appears in our school courtyard at night.

Me: Then we'll have to wait for her to show up.

Nico: Okay.

We waited till dark and when midnight came we heard an eerie moan and out came VAJAROIS!

Akko: Vajarois!

Vajarois: What do you want from me?

Akko: To free you.

Blizzard: And we're going to free you ourselves if we have to.

Vajarois: (to the Masters of Evil members) It's almost sad how this generation of villains turned out. Mere helpers to Team Loud Phoenix Storm whenever they run off to be stupid heroes. Zemo would be ashamed if he saw you all right now.

Onyx: (growls) Well, I'm sorry if we all can't be murderous psychopaths like Zemo!

Nico: Not all villains are evil like Zemo you know!

Me: That's right. Some villains are good and others are not. And it's those other villains that deserve nothing short of death.

Eli: Yeah! Monsters like Cthulhu and all those guys.

Ets: Yeah that's right!

Barricade: (points blaster at Vajarois) Just stand down, okay? We don't want this getting messy.

Vajarois: You can't kill me. I'm a ghost.

Me: No but we can save you from this monster that you were turned into because of this curse.

Brittney: That's right! You didn't deserve this kind of fate.

Brittney fired a wave of light and it hit Vajarois and freed her from the horrible curse she had on her for over 2,000 years! Vajarois was a girl with long pink hair and a fair complexion. She wore a white dress with a teal sash and a golden crown.

Lola: Wow! Vajarois you are beautiful!

Vajarois: I'm free now thanks to you all.

Brittney and Vajarois hugged.

Vajarois: Thank you.

Brittney: You're welcome.

Firepower: (to Vajarois) Look, I can't say much about me and my team. But J.D. and the others can relate to the pain you've been through.

Me: That's right. I walked this world for 150 millennia and it was not pretty.

Nico: Yeah we all went through so much over the years.

Eli: Yeah. All of our stories are different. Some are good and some are bad.

Nunnally: That's right.

Batman: I can relate to what you've been through, Vajarois. When I was young, Joe Chill gunned down my parents in front of me.

Lana: And I helped bring that monster to justice.

Nico: My entire race was destroyed by a ruthless galactic tyrant.

Naruto: My entire village hated me out of spite for something that happened on the night I was born.

Sasuke: My entire clan was butchered in cold blood because of the corruption of my village's council.

Me: Most of us all have many backgrounds that are dark.

Vajarois: That's terrible! You all went through so much!

Me: That's putting it mildly.

Then a blob of darkness came out of Vajarois and formed into her ghost form, DARK VAJAROIS!

Dark Vajarois: (Demonic Voice) **You all are gonna pay for your crimes!**

Me: You are the one that is going to pay for your crimes!

Nico: YEAH!

Madame Masque, Cluemaster, Silver Samurai, Spot, Girder, Black Spider, Multiplex, Turtle, Rex Goodwin, Jellax and Carly Atlas then appeared!

Me: Madame Masque, Cluemaster, Silver Samurai, Spot, Girder, Black Spider, Multiplex, Turtle, Rex Goodwin, Jellax and Carly Atlas.

Jellax: Looks like the fun has begun.

Silver Samurai: Good to see you all here.

Madam Masque: Vypra wasn't kidding. Luna Nova Magic Academy really is similar to Hogwarts.

May: (laughs) I know, right?

Cluemaster: It's a pleasure to meet you, Akko.

Akko: The pleasure's all ours.

Silver Samurai: (sees Vajarois) And it seems that Vajarois is under control

Spot: (sees Dark Vajarois) Um… I don't think we're out of the woods yet.

Me: She just separated from her.

Dark Vajarois: **And now you all will be consumed by me.**

Me: Don't count on it.

Lola: Yeah!

Mysticon and Al of SPD then appeared!

Me: Mysticon and Al back for round 2.

Mysticon: Yep.

Jack Landors: (laughs) Now, why are we not surprised to see you two here again?

SPD Mysticon: Can you blame us? This academy teaches magic. And magic is what me and Al use!

Me: So we have seen. This is gonna be fun.

Laney: Like it always is.

Then a scary and eerie groan was heard and a glowing figure came out. It was THE GHOST OF CAPTAIN CUTLER!

Shaggy: ZOINKS! It's the Ghost of Captain Cutler!

Twilight Sparkle: He looks creepy.

Rainbow Dash: What was he known for?

Qin: He was really Captain Cutler who faked his death. He was stealing fancy yachts from a harbor to paint and sell for a huge amount of money. He and his wife both did it. They were busted and got 20 to 30 years in prison.

Applejack: And then life right?

# Revenge of The Evil Emperor Talpa

In Tokyo, Japan we were checking out the restaurant of the LupinRangers.

Amorpho: (to the Lupinrangers) So, this is your headquarters?

Kairi Yano: It sure is. Welcome to Bistro Juhrer.

We saw that we were right outside an awesome French Restaurant not far from downtown Tokyo.

Me: Wow. It sure is a nice restaurant.

Laney: It sure is. And I love French food.

Lana: It sure looks awesome.

Nico: Just like what we saw on TV.

Me: It sure looks like a really nice place. I wouldn't mind coming here for lunch and dinner.

Nico: Me too.

?: (Japanese Accent) It is a nice restaurant.

We saw the LupinRanger's butler Kogure.

Lizabeth: (to Kogure) You must be the Lupinrangers' butler.

Touma: Well, I wouldn't say that.

Kogure: It's an honor to meet you all Team Loud Phoenix Storm.

Me: (Speaking Japanese) 小暮に会えて嬉しいです。カイリは、彼と彼のチームが行うすべてのことと、これまでで最も偉大な紳士泥棒のコレクションを取り戻すためにそれがどのように行われたかについて、私たちに多くを語りました。(Pleasure to meet you Kogure. Kairi told us so much about everything he and his team does and how it's all done to get the collection of the greatest gentleman thief ever back.)

Kogure: Indeed.

Me: We have so much to tell you about what happened with us and the LupinRangers.

Kogure: I would like to hear it.

We told him everything that happened with us and how that some of the villains we faced were using some of the tactics that the PatRangers and LupinRangers were dealing with and they were all sheer genius.

Nico: Some of the Lupin Collection look similar to the various items used by the Power Rangers.

Huffer: I see what you mean. That Collection Piece you got from Wilson resembles one of the Transmorphers that the Lost Galaxy Rangers used. And the one you got from Goche resembles Dana's Rescue Injector.

Me: They sure do. And I see that some of the Lupin Collection looks like the morphers from Mystic Force, Samurai, R.P.M., Operation Overdrive, Megaforce, Super Megaforce and Wild Force.

Nico: And all the morphers from over the last 27+ Years for the America Power Rangers.

Laney: Yeah.

Merrick: Now that you mention it, this one looks like my Wolf Morpher.

He pointed to the Silver Wolf Lupin Treasure.

Nico: That is very coincidental.

Laney: Shame these won't work for humans otherwise they would prove to be very useful.

Me: But maybe it's highly possible that we can use them for us because of our powers.

Nico: That does seem possible.

Me: And they all have incredible powers that made the Ganglers all do those crazy crimes.

Kairi Yano: They sure do. It's clever how they did it.

Me: And in the end they all got their ugly asses kicked by us and you guys.

Umika: Yep.

Me: Hmm. I have a hunch but I have a feeling that Frost might have used one of the Lupin Treasures to make himself invisible and make it look like that Nico struck Aunt Ruth.

Nico: It sure sounded like it but he had a special watch on him that made it look like he could become invisible.

Me: Yeah that is interesting. But genius.

Nico: Yep.

We later walked around the city.

Me: As long as we're here we might as well do some patroling and see how everything is doing.

Poromon: What's the next mission?

Me: I think it just found us! LOOK!

We saw in the sky a malevolent-looking dynasty over the heart of the city of Tokyo!

Me: Oh no!

Varie: What in the world is that!?

Me: That's the Evil Dynasty!

Nico: Is that the Evil Dynasty that you talked about after the war ended?

Me: The very same one. This can only mean one thing guys: TALPA HAS RETURNED!

Everyone gasped!

I went over Talpa's history!

---

Talpa, also known as Emperor of the Evil Dynasty (also called Youja Teiou Arago; Demon Emperor Arago in YST), is a powerful evil spirit and the main antogonist on the TV series, Ronin Warriors. He threatened to conquer the earth-plane a millennium ago. He was defeated by The Ancient One, who was the guardian of the mortal world. Before his defeat, Talpa vowed to exact revenge in a thousand years. While his spirit was sent back to the Nether Realm, his armor remained in the mortal world. Since the armor could not be destroyed, The Ancient cast a powerful spell, and split Talpa's armor into nine separate armors with their own separate powers and Virtues. Talpa eventually re-acquired four of them: Cruelty, Corruption, Illusion, and Venom. He gave them to four humans who became his Dark Warlords.

During the modern era, Talpa follows through with his revenge and takes over the city of Tokyo by capturing its citizens. Talpa would send the Dark Warlords out on missions to destroy the Ronin Warriors who threatened to wreck his plans of world domination. Eventually, the Ronins enter the evil emperor's castle, but Talpa absorbed each of the Ronin Warriors and the Dark Warlords to regain his armor. However, Ryo refused to let down the other Ronin and broke free using the Inferno Armor to defeat Talpa. Talpa was assumed to be dead by the Ronins, but he did survive the battle. In the second TV series, Talpa returns stronger and more determined than ever. He even unleashes a secret weapon against the Ronins that even his own Warlords didn't know about: Lady Kayura, the last of Ancient One's clan, whom he corrupted to serve his own purposes. This time Talpa had his eyes on gaining the Inferno Armor and using its power to destroy the earth. Eventually, he was able to capture three of the Ronin Warriors, but they freed themselves after Anubis sacrificed himself to free Kayura from Talpa's control, and even the Dark Warlords turned on him when they realized that they were only pawns to him, despite their previous seeming fanatical devotion. In the final battle Talpa proved far stronger than before, even overpowering the Inferno armor, but still lost. Ryo managed to possess him, allowing the other Warriors to attack him, leaving him badly injured. Ully's desire to save Ryo causes the Jewel of Life to fire a blast of energy that finishes Talpa and saves Ryo.

Talpa's weapon is six double edged swords formed in a circle on the back of his body. Before re-gaining his armored form, Talpa only appeared as a giant floating helmet.

In episode 2 of Gaiden, Shikaisen's last form against the Ronin Warriors looked eerily like Talpa, but until Message was released a few years after Gaiden, Talpa never made another appearance.

Talpa's origin was told in a book written by a member of the Sunrise staff. It came out around the same time as the novelized versions of the TV series, and a special novel about the Kaos clan.

When I was finished everyone gasped in shock!

Lola: This is terrible!

Varie: We got to stop him!

Me: We got to find the Ronin Warriors and team up with them. First we're gonna need all the help we can get. Maria call ALL of the Masters of Evil. We're gonna need them all like they helped us with Tara's evil father.

Maria: Right!

Maria called them all in.

Nico: (to Kairi Yano and Keiichiro) I don't think we'll have time for the usual battles today. But to make up for it, would you two be interested in doing a Forever Red Morph?

Kairi Yano: Why not?

Keiichiro: But only if we get archenemies of our own.

Me: Fair enough. But we'll have to decide on that later. Right now the fate and future of the Earth hangs in the balance.

Vypra and everyone came.

Vypra: Is that the Evil Dynasty?

Me: Yeah that's the very one and Talpa has returned for revenge.

Dark Spicer: We got to stop him.

Me: And we will. He doesn't know the full extent of our power. He completely underestimated the power of the Ronin Warriors the last time from what I heard. Now he has all of Team Loud Phoenix Storm and all of us to deal with as well.

Nico: That's right.

Me: First lets find the Ronin Warriors and then we'll head out to destroy Talpa for good.

We went to the city to find them.

Poliwag: Are we getting close?

Me: Just about.

Eli: (Points to something) There!

We saw in the park, the Ronin Warriors and they were with Mia and Ully.

Me: Lets go!

We went up to them.

Me: Guys!

Ryo: Hey J.D., everyone!

Me: As much as I love pleasantries I'm afraid this isn't time for reunions. We got big problems.

I pointed to the Evil Dynasty and they gasped in shock!

Cye: That's impossible! Talpa was destroyed!

Sage: Yeah we made sure nothing was left of him!

Kento: This can't be right.

Lady Kayura: That monster Talpa just won't leave us alone.

Me: No he won't. But that's why we're ALL going after him and making him pay for his crimes forever.

Cale: We'll gladly help out!

Anubis: Indeed we will.

Me: Awesome!

Maria: Before we discuss our next move, you guys are just meeting us for the first time.

Me: Second time actually. Remember they helped us during the war.

Maria: Right! I forgot about that.

Nico: And we owe you guys big time for helping us out during that time.

Kento: Think nothing of it.

Me: But we're ready for anything and Talpa is gonna be erased from existence for all eternity when we're done with him.

I looked up at the Evil Dynasty.

Me: Get ready Talpa. (Eyes glow Red) Your date with death has come.

Jirachi: When exactly did you meet the Ronin Warriors? I wasn't exactly there at the time.

Me: It was on April 12th last month. I wasn't born when the Ronin Warriors beat Talpa the 2nd time but that was one of the most awesome battles we've ever had.

Max: That's right Jirachi.

Jirachi: Wow.

Firefly: Wait! Now I remember! Sorry about that! We must've forgotten because we were too busy trying to destroy Chrysalis and her forces.

Me: It's all right Garfield. It happens to all of us.

Nico: Yeah.

Ryo: Now we have a chance to finish Talpa off for good.

Dais: And we will make sure he is banished to the Warp.

Me: Yep. But this time he'll be Super Hakaied. We'll make sure he is wiped from existence forever.

Nico: Good and he will.

Electro: Shouldn't we find a place to stock up on weapons?

Me: No need.

I pulled out a huge scroll and unrolled it and unsealed a huge number of magical weapons.

Me: We made numerous magical weapons and powerful armaments for all of you guys.

Vypra: Sweet!

Dark Spicer: Aw yeah!

Waffle Woman: These look awesome!

Snake: Dude, maybe we should evacuate the civilians to somewhere safe.

Me: No Snake. The Evil Dynasty according to my scans exists in another dimension outside of this one.

Snake: Oh that makes sense.

Me: We're gonna go there by cutting open a hole that leads to it.

Vypra: Everyone but us can't see it.

Mia: We have to be careful everyone. The Evil Dynasty is a dangerous place. It's crawling with soldiers all over.

Me: This is gonna be brutal. All right are there anymore questions?

Everyone didn't answer.

Me: Good. Now that we're all set, lets go bring the pain to Talpa and end his reign of terror forever.

Georgina: You think we should have lunch first before we go? Can't kick Talpa's ass on an empty stomach.

Me: Uch! Yeah you're right.

I fired a beam of light and it hit a flower and grew into a pizza tree.

Georgina: Cool!

Nico: Nice.

We were eating the pizza.

Kendra: (to the Ronin Warriors) Is this your first time eating pizza?

Ryo: Had it many times actually.

Cye: It's great food.

Sage: Yeah it is.

Me: We all like it.

We had a great meal.

Eli: It's also the first time for you all to eat pizza grown from a tree.

Lady Kayura: It sure is.

Nanette was eating her pizza when all of a sudden, she saw… a man riding a tricycle and holding a lollipop and paddleball?

Nanette: Um… what am I supposed to be looking at?

Man: I can explain.

Lynn: That happened to me too Nanette. I was going through a mid-sports crisis and Lincoln was helping me out and I saw that happen to someone.

Nanette: That's funny!

We laughed!

Soarin: It sure is and Ryo I couldn't help but notice that me and you have identically sounding voices.

Ryo: Yeah we sure do sound alike huh.

Soarin: Yeah!

Manaphy: I always love eating pizza!

Muscle Man: You know who else loves eating pizza?

Manaphy: I think I know this one.

Muscle Man: My mom!

We laughed at his joke.

Lola: (Laughs) Good one!

Nico: Yeah!

Me: Ahh that was great!

Sydney: Should we get going now?

Me: Lets do it. Get ready Talpa we're coming for you.

I used my sword and cut open a portal and we were in the realm of the Evil Dynasty.

Me: Here we are guys.

Vypra: Wow. So this is the Evil Dynasty. I've read so many stories about it but this is my first time seeing it.

Me: Same here. But this place reeks of Evil.

Nico: No kidding.

Ets: It's horrible.

We went to a hill and we hid on it and we saw EMPEROR TALPA HIMSELF and he was addressing his armies.

Tentacool: That must be Talpa.

Tsukasa loads Trigger Machine Biker into her VS Changer.

Tsukasa: This will take him by surprise.

Me: But that's him alright.

Ryo: I can't believe he came back.

Kento: We need to make sure he is destroyed for good.

Lola: Yeah.

Me: All right lets get ready. Jason lets do a Forever Red Morph. Ryo go for it.

Ryo: Right.

Jason: Lets do it guys!

Red Rangers: IT'S MORPHIN TIME! FOREVER RED POWER!

The Red Rangers transformed!

Red Rangers: FOREVER RED!

Me: Lets do it!

Ryo: (Echoing) ARMOR OF WILDFIRE! TAO JIN!

In a blast of Red Energy, Ryo transformed and donned his armor.

Kento: (Echoing) ARMOR OF HARDROCK! TAO GI!

In a blast of orange energy he transformed and donned his armor.

Cye: (Echoing) ARMOR OF TORRENT! TAO SHIN!

In a burst of blue energy he transformed and donned his armor!

Sage: (Echoing) ARMOR OF HALO! TAO CHI!

In a burst of green energy he transformed and donned his armor!

Rowen: (Echoing) ARMOR OF STRATA! TAO INOCHI!

In a burst of blue energy he transformed and donned his armor!

Anubis, Cale, Sekhmet and Dais donned their armors and Lady Kayura was ready for action!

Me: Lets do it!

We went for him.

Talpa: SOON THE HUMANS WILL BE OUR SLAVES AND WE WILL WIN!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and a phoenix cry was heard and we landed in front of them!

Me: Talpa you will pay for your crimes!

Talpa: Who are all of you?

Me: Your worst nightmare!

Nico: Sorry. But you're getting sent to the Warp before this gets messy. (holds out hand) HAKAI!

But nothing happened.

Talpa: (laughs) If this is your best, I'm not impressed!

Horsea: Um… shouldn't Talpa be going to the Warp by now?

Me: We have to weaken him first. He's too powerful.

Nico: Right!

Me: Lets get it on!

I transformed into my Super Angel-Ebonwu-Phoenix-Harmony 500,000,000 form!

Dark Spicer: Here's your warning…

Kairi Yano:… we're taking your treasure!

Keiichiro: By the authority of the GSPO…

Maxxor:… we're taking you down by force!

Me: (Divine Echoing Fiery Voice) **And kicking all your big ugly asses into oblivion!**

Dark Spicer: I'll use Sockin Chicken against Talpa's goons. He's the alien with the closest powers to a sword.

He turned into Sockin Chicken!

Me: **Lets get them!**

We went at the Dynasty Soldiers and had our weapons and powers ready for action! I slashed a bunch of Dynasty Soldiers and killed them in massive fiery explosions and Nico blasted and slashed a bunch of them into massive fiery explosions and smashed them all over.

Maxxine was fighting some Dynasty Warriors and decided to transform into Queen Nail. But as she was doing so, she saw the same man with the tricycle from before.

Man: I can explain.

Maxxine: (hair falls out) Will you get out of here?!

He ran fast as she was transforming and she then slashed and killed numerous soldiers.

Robo-Blaze: Tronics! Tear those Dynasty Warriors apart!

Robo-Blaze and Robo-Roxy summoned numerous Tronics and they blasted and tore the Dynasty Soldiers apart.

Shiv: (uses light blades to cut off a leg of a Dynasty Warrior) Sorry to cut you off!

Shiv killed a bunch of them with incredible fury and power.

Me: **Take this!** (Echoing) **RAGE OF INFERNO!** 超弾動閃煌斬

I swung my sword and fired a massive vortex of powerful fire and light and it incinerated numerous Dynasty Soldiers and obliterated them in massive explosions of fire and energy.

Ryo: Try this on! (Echoing) FLARE UP NOW! 双炎斬

Anubis: This is for using me like a puppet! (Echoing) QUAKE WITH FEAR! 紅雷閃

He swung his chain blade and fired a massive blast of red lightning that formed into a massive barrage of chain hammers and they smashed numerous soldiers all over.

Cale: You were never our master Talpa! (Echoing) BLACK LIGHTNING SLASH! 暗黒跳飛斬り

Cale had massive blasts of black lightning and lasers fire from his sword and they hit numerous soldiers and killed them.

Dais: This will drive you insane! (Echoing) WEB OF DECEPTION!

He fired sword blades from his Kamas and they skewered many soldiers and killed them in a huge web.

Sekhmet: This will poison you! (Echoing) SNAKE FANG STRIKE! 蛇牙剣・六節大蛇

He connected his swords together and swung them around like a whip and slashed numerous soldiers and they dissolved in a painful wave of poison.

Lady Kayura: No one conquers Earth and lives! (Echoing) STAR STORM SCREAM! 嵐星斬

She fired massive purple lightning blasts from the stars and obliterated the Dynasty Soldiers all over and they were all destroyed!

Rice: Was that the best of your forces, Talpa? Because that was weak!

Me: **Your forces are nothing but a joke. Now you will pay for your crimes.**

Talpa: **We'll see about that! And my warlords how dare you defy me and betray me!? After I offered you the gifts of power and immortality!**

Cale: Liar! What you have offered us is not immortality!

Sekhmet: You were using us to get the Nine Armors!

Dais: I was a fool for following you, but now I see the truth!

Anubis: All you did was use us for your own selfish plots!

Talpa: **That warlords does not change who you are! I made you and I can destroy you!**

Lady Kayura: Finally your true colors are shown!

Talpa: A pity Kayura! You were my favorite but you too will meet oblivion!

Me: **You still have us to deal with Talpa! Your reign of terror will be destroyed once and for all!**

Talpa: We'll see about that. In a few moments you will all bow down before me!

Me: **You don't have any idea who we are Talpa. We are Team Loud Phoenix Storm, the most powerful force in the entire universe and we will never submit to you! You will pay for all of your crimes ∞-FOLD!**

We went at Talpa and I grew giant size and kicked him in the face.

Muscle Man: You know who else likes to get kicked in between the legs?

Talpa: What?

Muscle Man: My… Mom! (kicks Talpa in the groin)

Nico then punched Talpa down.

Nico: Try this on! FINAL SHINE ATTACK!

Nico fired a green energy wave and it smashed into Talpa and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: **It's over for you Talpa! You have lost!**

Talpa: I will never surrender to you fools!

Me: **Good will always triumph over the forces of evil! As long as there is love, hope and friendship in our hearts we will never surrender to monsters like you!**

Mia then glowed in a neon purple aura and Ully then glowed in a yellow aura and we felt a massive energy increase from them!

Me: **What the!?**

I saw the kanji for Friendship glow neon purple as it appeared on Mia's forehead! 友情

And also the kanji for Hope glowed yellow as it appeared on Ully's forehead! 望む

Me: **Friendship and Hope!**

Suddenly Mia was enveloped in a glow of purple energy and she emerged from it in a totally new purple armor and it was radiating with the energies of the element of The Moon! It was The Armor of Moon! Ully had a ball of yellow light appear around him and he was in a new Yellow Armor that was as bright as the sun! It was radiating with the energies of the Element of The Sun! It was The Armor of Solar!

Me: **WHOA!**

Ryo: Wow! Ully, Mia, you both have new armors!

Kento: All right!

Mia and Ully saw their armors.

Mia: Wow! This is amazing!

Brittney: Wow! The Armors of Moon and Solar! I've heard legends about them! I thought they were lost eons ago when Talpa was defeated the first time!

Mia: Looks like they are no longer lost.

Ully: This is amazing!

Ully had an awesome Dao Saber and Mia had a deadly Trident Staff.

Me: **I will say this, those weapons and those armors look amazing!**

Ancient One: (To me in spirit) J.D. listen to my voice. I have bestowed upon my descendents the armors that I have had hidden away for the world's protection. Have them use it wisely as it is powerful enough to destroy Talpa 100,000,000-fold.

Me: **I… I understand Ancient One.**

Talpa got up and he was enraged!

Talpa: NO! That accursed fool has always been a thorn in my side for eons! I will not lose to you all again!

They formed weapons of said elements and fired elemental blasts and they hit Talpa all over and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: **This is our planet Talpa and you are not welcome here!**

Me, Nico, Eli, Ets, Ronin Warriors, Mane 9, Mia, Ully and the Forever Red Rangers: FURY OF ELEMENTAL JUSTICE!

We fired a massive wave of elemental energy and they formed into the Kanjis of the Ronin Warriors and the Elements of Harmony!

Lincoln: Girls lets do it!

Jessica, Ibuki, Frosta, Perfuma, Entrapta, Menat, R. Mika, Hilda, Mai, Girl Jordan and Dew Gayl: OKAY!

They each donned a suit of armor based on their elements and they each wielded a katana based on their elements which they used to slash tulpa all over.

The blasts then hit afterwards and obliterated Talpa and he was destroyed!

His evil spirit then appeared!

Me: **You are never gonna touch another soul again!** (Holds up hand) **SUPER HAKAI!**

I obliterated him from existence forever! The reign of terror of Emperor Talpa was over and silenced forever!

We powered down and we were back on Earth.

Me: Wow! That was intense!

Nico: Yeah it was! Now we've officially seen the last of Talpa.

Eli: Thank goodness.

Ryo: Thanks for helping us destroy Talpa once and for all.

Kairi Yano: It was no problem. Next time, you guys can see our usual battles.

Me: Yeah.

Muscle Man: You know who else likes our usual battles? MY MOM!

We laughed.

Mordecai and Rigby: WOOOOOAAAAA!

Me: But the coolest part is that we got to see Mia and Ully get new awesome armors.

Ryo: We sure did. How does it feel guys?

Mia: It feels incredible.

Ully: It sure does.

Me: Yeah. Mia your ancestor would be really proud of you.

Mia: I know he will.

Nico: You all did a great job.

Me: We ALL worked together and took down Talpa and made sure that he stays gone forever.

Vypra: Yep.

Dark Spicer: It was awesome facing him.

Me: It sure was. And the Evil Dynasty is no more. But the world will need the Ronin Warriors still. No reason you all can use the powers of your armors to help fight crime.

Ryo: That's true.

Lady Kayura: We will always be ready for anything that comes our way.

Apple Bloom: That we can count on.

Applejack: YEEHAW! And we'll be ready for anything.

Me: Yeah we will!

Ryo: (To the viewers) Talpa is gone and now the world will never see his ugly mug again. His dynasty is gone too.

Me: Yes it is. Thank goodness. Anubis, you, Cale, Sekhmet and

Dais all did good too. You're now on the road to redemption.

Anubis: We sure are. Thank you all.

Me: You're welcome.

We went back home and went to dinner and then we got ready for bed. The Ronin Warriors are now OFFICIALLY part of the team.

THE END

Another awesome fanfiction done.

Ronin Warriors is one of my all time favorite shows from my childhood. I watched it all the time on Toonami back when I was a kid and it was so awesome and explosively awesome! It was made in April 30, 1988 - March 4, 1989 and it aired on Toonami in the 1990s and it was so cool! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Etstheclarencefan, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. Next up is a battle that will rock the universe and the dimensions as we meet Darkrai and help him quell the Time Pokemon Dialga and the Space Pokemon Palkia and stop them from destroying the entire universe in a terrible battle. It's a battle of time and space in the 10th Movie of Pokemon, The Rise of Darkrai and it will be awesome!

See you all tomorrow.

# The Universal Armageddon Pokemon Fight

In the southern part of the city, we were walking over to an awesome house. But this wasn't just any ordinary house that we were walking to.

Majiramon: This isn't the next mission, is it?

Nico: Don't worry. It's not. We're just here to meet someone.

Me: You guys will love this newest recruit. We're going to meet Garfield.

Nico: Garfield the Cat!? Whoa! This is gonna be so cool!

Lana: I love Garfield!

Laney: Me too. He loves to eat everything.

Shaggy: Like that sounds like my kind of cat.

Nico: Yeah!

Me: You guys will love Garfield. He is the laziest and funniest and most hungry cat ever. He loves to eat lasagna.

Delizia: (Italian Accent) He has-s good taste.

Nico: He sure does.

We arrived at Garfield's house and knocked on the door and answering it was John Arbuckle.

John A.: Wow! Team Loud Phoenix Storm! It's such an honor.

Me: You must be John Arbuckle. It's a pleasure to meet you.

John A.: Same here J.D. I love all your adventures and I love how you all have done it all over the years.

Me: We don't like to brag but we do have a lot of fun on them.

Lucy Loud: We sure do.

Me: Can we come in to meet Garfield?

John A.: Sure.

We came in and saw an orange cat watching TV.

Me: Garfield?

Garfield: That's me. Team Loud Phoenix Storm!? Wow! It's such an honor.

MLP Spike: Hi. You must be Garfield.

Garfield: Um… yes. That's me. What pet shop are you from?

Me: Garfield he's not from a pet shop.

Twilight Sparkle: He's a dragon from Equestria.

Me: He's with us. Also I see you like eating a lot of lasagna.

We saw that Garfield had eaten 4 trays full of lasagna.

Lynn Sr.: Wow! That's a lot of lasagna.

Nico: No kidding. I can eat more than that.

Shaggy: Like me too.

Scooby Doo: Me roo.

Laney: You guys will eat anything.

Me: So will Garfield. But that's what makes you guys lovable.

Nico: Thanks guy.

Garfield: I actually don't have a lot of enemies. But, I can help you guys on missions.

Soundwave: That's all we ask.

Me: Sweet. From what we remember you have only one major enemy and that's a grey cat named Nermal.

Garfield: You got that right.

Odie: Ruff ruff.

John Arbuckle: Yeah that cat is a nuisance around Garfield.

Me: Lets see.

I pulled up Nermal's info.

---

**Nermal Cooper Kitten** is a small Grey Tabby cat, whom Jon first called "The Worlds Cutest Kitten" and of whom Garfield is jealous.

Nermal called himself this from then on. He frequently made unannounced visits into Garfield's home, where he flaunted his cuteness and became the focus of Jon's attention for the entire duration of his visit, much to Garfield's exasperation. In frustration, Garfield frequently expressed his desire to send Nermal to Abu Dhabi.

He also frequently hurled Nermal through the door, leaving a hole in the shape of his body. This was never shown in either show, most likely because it was considered inappropriate for a children's show. Nermal especially did this on Garfield's birthdays to remind him of his advancing age. Although Nermal was introduced as belonging to Jon's parents (09-03-1979), the connection was later dropped. He is one of the two tritagonists (alongside Jon) of *The Garfield Show* .

Although Garfield once ceased attacking Nermal after having a nightmare where a hulking cat introduces himself as a full-grown Nermal and proceeds to brutalize Garfield, this has not actually happened. Nermal once mentioned that he is going to stay cute and small forever because he is a midget; "I think small," he once quipped, "and the coffee and cigarettes don't hurt." Another time Garfield caught Nermal "in the act" was when he sneaked up on a mortified Nermal wearing a facial mask and said "I knew it!" His first television appearance was on the Garfield and Friends episode *School Daze*, and his last was on *The Feline Philosopher* ; on the show, he became a recurring cast member.

Desirée Goyette regularly provided Nermal's voice on the series, which confused viewers to think that he was a female due to the feminine voice. A running gag on the show featured Garfield mailing (or trying to mail) Nermal to Abu Dhabi, which once resulted in himself getting mailed instead. Garfield even had his own song called "Abu Dhabi", which he uses to tell Nermal all about the United Arab Emirates and how he will love it there (or rather, Garfield will love it for having Nermal on the other side of the world). When Garfield is spared a trip to Abu Dhabi himself (a stuffed cat was sent to the UAE instead) Jon demands Garfield stop threatening to send Nermal to Abu Dhabi. Garfield promises this, then makes attempts to mail Nermal to the North Pole after that.

In *Garfield: The Movie*, Nermal is portrayed by an adult Siamese cat in the neighborhood and Garfield's friend and is voiced by David Eigenberg. Nermal is voiced by Jason Marsden in *The Garfield Show*, and the movies *Garfield Gets Real*, *Garfield's Fun Fest*, and *Garfield's Pet Force* . Here, he sounds more like a young male cat and less feminine.

It was also revealed in several strips (published next to each other) that Nermal has had cosmetic surgery, which is undoubtedly related to his cuteness. The first strip in those involved a conversation between Nermal and Garfield starting with Garfield asking Nermal if he has ever had cosmetic surgery. It goes as follows: Nermal: You see this eyelash? Garfield: Yeah… Nermal: That's real.

Although Nermal has not appeared in the strip since 2008, he still appears in *The Garfield Show* .

---

Me: Huh. He's a mischievous kitten.

Lola: But he sure is cute.

Me: Well no problems there other than cuteness overload.

We laughed.

Shaggy: Like, you should try foods besides lasagna.

Blaster: Shaggy might be a coward most of the times. But he's actually right.

Me: Yeah and he eats as much food as you do Garfield.

Garfield: How about we put that to the test with an eating contest?

Nico: Ooh! Now you're speaking my language!

Billy: What language is that?

SMACK!

Mandy slapped him across his face.

Me: Lets get it on!

At Lynn's Table we got the contest underway! Nico, Horsea, Shaggy, Scooby Doo and Garfield were ready to eat!

Mr. Krabs: Ladies and gentlemen, welcome to the Lynn's Table Ultimate Eat-Off! [Everyone cheers] All right, mates. First to finish all their plates full of food wins!

Me: On your marks… Get Set…

I held up a starting pistol.

Me: (BANG) GO!

They got to eating and eating and eating and eating! But in the end, Nico emerged victorious after eating 502 trays full of Lasagna, Chicken Wings, Hamburgers, Spaghetti and Chili Dogs!

Me: NICO WINS!

Shaggy and Scooby got 501 trays down.

May: WAY TO GO NICO!

Laney: Wow! Nico is one huge black hole for food!

Lori: And the new eating contest champion is, NICO CHAN!

We cheered for him. Nico won a great trophy and he was bloated!

Later back at the World Tree Estate we were watching TV and playing card games.

Also we were getting ready for our next mission.

Ember McLain: So, where to now?

Ash: How about I show you all Alamos Town?

Me: Ooh I heard about that place. That's where you all encountered the legendary Pokemon, Darkrai.

Eli: Wow! This is gonna be interesting and I heard that it's where the legendary Pokemon, Dialga and Palkia battled and nearly destroyed everything.

Me: WHOA! That must've been a really harrowing adventure.

Ash: Yeah it sure was.

Me: And it's also located in San Antonio, Texas.

Nico: Awesome! I've always wanted to go see San Antonio!

Tuddrussel: YEEHAW! We're going to Texas!

Applejack: YEEHAW! I can't wait to breathe the fresh Texas Air.

Apple Bloom: Me too!

Me: I can tell that the Apple Family loves Texas.

Madame Masque, Girder, Cluemaster, Silver Samurai, Black Spider, Spot, Multiplex, and Turtle then appeared.

Madame Masque: Can me, Girder, Cluemaster, Silver Samurai, Black Spider, Spot, Multiplex, and Turtle go with you guys?

Me: You all sure can. We're going to San Antonio, Texas to see Alamos Town. Ash and friends went there before and met the legendary Pokemon of nightmares, Darkrai.

Eli: And they saved the entire universe from being destroyed when Dialga and Palkia were fighting.

Spot: Whoa man! That's terrible!

Multiplex: I can't wait to see San Antonio. I have always wanted to see the Alamo.

Me: Practically everyone in America does.

Girder: I know.

Me: The Alamo is one of the most famous history spots of the American South.

Nico: It sure is. Wow! This is gonna be interesting.

Silver Samurai: Indeed. Congratulations on winning that eating contest Nico.

Nico: Thanks. For an appetite like mine, that was just a light snack.

Coop: One of these days you'll have to match me Nico.

Nico: Count on it Coop.

Me: Lets head out to the Lone Star State everyone!

We were off to Texas.

---

SAN ANTONIO, TEXAS

We arrived in San Antonio, Texas.

Bright Man: Breathe in that nice Texas air.

Tuddrussel: (Inhales) Ahh. YEEHAW! Smell that Texas Air!

Me: Yeah! Nothing like the smell of the air of Texas to get the heart of the Lone Star State going.

Eli: I've always wanted to come here because of the Texas State Fair.

Nico: The Texas State Fair is awesome!

Lana: I'll say!

Tuddrussel: And while we're here we're gonna eat steaks that are bigger than your heads.

Me: And I know just the spot for the best steaks in Texas.

Ets: Me too. The Big Texan Steak Ranch in Amarillo.

Me: YEAH MAN!

We high five!

Me: I can't wait to eat a 72 oz. Steak.

Nico: Me too.

Crag: Love the good taste of beef.

Rip: Yeah man!

Applejack: Love the state of Texas. It's so beautiful.

Me: It sure is. Lets walk around and see San Antonio before heading to Alamos Town.

Nico: Good idea.

We walked around San Antonio and we saw the most famous fort in all of Texas, The Alamo.

---

The **Alamo Mission** (Spanish: *Misión de Álamo* ), commonly called the **Alamo** and originally known as the *Misión San Antonio de Valero*, is a historic Spanish mission and fortress compound founded in the 18th century by Roman Catholic missionaries in what is now San Antonio, Texas, United States. It was the site of the Battle of the Alamo in 1836. Today it is a museum in the Alamo Plaza Historic District and a part of the San Antonio Missions World Heritage Site.

The historic district was one of the early Spanish missions in Texas, built for the education of local American Indians after their conversion to Christianity. The mission was secularized in 1793 and then abandoned. Ten years later, it became a fortress housing the Second Flying Company of San Carlos de Parras military unit, who likely gave the mission the name Alamo. During the Texas Revolution, Mexican General Martín Perfecto de Cos surrendered the fort to the Texian Army in December 1835, following the Siege of Béxar. A relatively small number of Texian soldiers then occupied the compound for several months. The defenders were wiped out at the Battle of the Alamo on March 6, 1836. As the Mexican Army retreated from Texas several months later, they tore down many of the Alamo walls and burned some of the buildings.

For the next five years, the Alamo was periodically used to garrison soldiers, both Texian and Mexican, but was ultimately abandoned. In 1849, several years after Texas was annexed to the United States, the U.S. Army began renting the facility for use as a quartermaster's depot, before again abandoning the mission in 1876 after nearby Fort Sam Houston was established. The Alamo chapel was sold to the state of Texas, which conducted occasional tours but made no effort to restore it. The remaining buildings were sold to a mercantile company that operated them as a wholesale grocery store.

The Daughters of the Republic of Texas (DRT) formed in 1895 and began trying to preserve the Alamo. Adina Emilia De Zavala and Clara Driscoll successfully convinced the state legislature in 1905 to purchase the remaining buildings and to name the DRT as the permanent custodian of the site. Over the next century, periodic attempts were made to transfer control of the Alamo from the DRT. In early 2015, Texas Land Commissioner George P. Bush officially removed control of the Alamo to the Texas General Land Office. The Alamo and the four missions in the San Antonio Missions National Historical Park were designated a UNESCO World Heritage Site on July 5, 2015.

Me: There it is guys! The Alamo!

We saw it and it was amazing!

Tuddrussel: Now this brings back memories! My ancestor Jeremiah Tuddrussel battled the Mexican Army here. But on a mission we found out that he was planning a huge party for them. In the end it was Larry that was insulting them. Jeremiah hated Larry since.

Me: Wow! So that's where your hatred towards Larry came from.

Nico: Wow! Talk about a nasty bloodfeud. Or Oil-Feud in Larry's casw.

Larry 3000: Yes it is crazy isn't it?

Otto Osworth: No kidding.

We walked around the Alamo and saw the inside of it and learned all about what happened in The Battle of The Alamo.

---

The **Battle of the Alamo** (February 23 - March 6, 1836) was a pivotal event in the Texas Revolution. Following a 13-day siege, Mexican troops under President General Antonio López de Santa Anna reclaimed the Alamo Mission near San Antonio de Béxar (modern-day San Antonio, Texas, United States), killing most of the Texians and Tejanos inside. Santa Anna's cruelty during the battle inspired many Texians and Tejanos to join the Texian Army. Buoyed by a desire for revenge, the Texians defeated the Mexican Army at the Battle of San Jacinto, on April 21, 1836, ending the rebellion.

Several months previously, Texians had driven all Mexican troops out of Mexican Texas. About 100 Texians were then garrisoned at the Alamo. The Texian force grew slightly with the arrival of reinforcements led by eventual Alamo co-commanders James Bowie and William B. Travis. On February 23, approximately 1,500 Mexicans marched into San Antonio de Béxar as the first step in a campaign to retake Texas. For the next 10 days, the two armies engaged in several skirmishes with minimal casualties. Aware that his garrison could not withstand an attack by such a large force, Travis wrote multiple letters pleading for more men and supplies from Texas and from the United States, but the Texians were reinforced by fewer than 100 men because the United States had a treaty with Mexico, and supplying men and weapons would have been an overt act of war.

In the early morning hours of March 6, the Mexican Army advanced on the Alamo. After repelling two attacks, the Texians were unable to fend off a third attack. As Mexican soldiers scaled the walls, most of the Texian fighters withdrew into interior buildings. Occupiers unable to reach these points were slain by the Mexican cavalry as they attempted to escape. Between five and seven Texians may have surrendered; if so, they were quickly executed. Several noncombatants were sent to Gonzales to spread word of the Texian defeat. The news sparked both a strong rush to join the Texian army and a panic, known as "The Runaway Scrape", in which the Texian army, most settlers, and the new, self-proclaimed but officially unrecognized, Republic of Texas government fled eastward toward the United States ahead of the advancing Mexican Army.

Within Mexico, the battle has often been overshadowed by events from the Mexican-American War of 1846-48. In 19th-century Texas, the Alamo complex gradually became known as a battle site rather than a former mission. The Texas Legislature purchased the land and buildings in the early part of the 20th century and designated the Alamo chapel as an official Texas State Shrine. The Alamo has been the subject of numerous non-fiction works beginning in 1843. Most Americans, however, are more familiar with the myths and legends spread by many of the movie and television adaptations, including the 1950s Disney mini-series *Davy Crockett* and John Wayne's 1960 film *The Alamo* .

Eli: Wow! The Battle of the Alamo must've been brutal.

Nunnally: No kidding.

Me: Yeah. And for over 185 years the Battle of The Alamo will forever be part of the great history of Texas.

Nico: It's amazing that they put up that big of a fight back then.

Lola: Yeah.

We later continued and we arrived in Alamos Town.

**Alamos Town** (Japanese: アラモスタウン *Alamos Town* ) is an anime-exclusive location in the Sinnoh region and the setting of *The Rise of Darkrai* . It is known for the works of architect Godey, which include the Space-Time Towers.

According to promotional maps, Alamos Town is located northwest of Oreburgh City and northeast of Jubilife City, near the Ravaged Path. The main part of the town is on top of a large mesa in the middle of a lake. There is a bridge connecting the mesa to the mainland. The area around Alamos Town is heavily wooded with many hills and plateaus.

Alamos Town is the hometown of Alice, Tonio, and Baron Alberto. Many Pidgey and Rattata can be seen roaming around town, and the local garden is home to a number of wild Pokémon, including the Mythical Darkrai.

Ash and his friends decided to visit Alamos Town because Dawn wanted to participate in the local Pokémon Contest. However, while on their way there they took the wrong road and ended up on a hill on the opposite side of town, away from the bridge that connects the mainland to the mesa where the town is located. Luckily for them, Alice offered them a ride on her hot-air balloon and later took them on a tour around town.

After getting injured by Dialga's Roar of Time during a battle with it in the Unown Dimension, Palkia fled to Alamos Town to recover. It transported the town to a newly created dimension, which prevented townspeople from leaving, and hid above the Space-Time Towers. Eventually, Dialga found Palkia's hiding and decided to continue their battle, which nearly destroyed the entire town despite Darkrai's efforts to stop them.

It was revealed in *Arceus and the Jewel of Life* that the two Legendary Pokémon were fighting due to distortions in both the Temporal World and the Spatial World caused by Arceus's imminent awakening. Darkrai tried multiple times to end the battle between Dialga and Palkia, but it was unsuccessful, and their rage only subsided when Ash and Dawn placed the Oración disk on the Space-Time Towers' music machine. After the song soothed them and healed Palkia's shattered pearl, Palkia returned Alamos Town to its proper dimension.

Alamos Town briefly appeared in a flashback in *Giratina and the Sky Warrior*, in which Newton Graceland observed the battle between Dialga and Palkia through images in the Reverse World. It then made two brief reappearances in *Arceus and the Jewel of Life* . After observing disruptions in the Time-Space Axis, Sheena and Kevin traveled to Alamos Town and were present at its plateau when Palkia returned the town to its proper dimension. Later on, during the ending credits, a brief update on Alice, Tonio, Baron Alberto, and Darkrai is shown. Alamos Town also appeared in *I Choose You!*, which is set in a timeline different from the main series.

Me: Wow! So this is Alamos Town.

Nico: It's beautiful.

Lola: And right next to San Antonio.

Applejack: Wow! This place is an amazing town.

Apple Fritter: It sure looks amazing too.

Eli: Wow! And those towers look amazing.

Lynn: They sure look awesome.

Twilight Sparkle: The Architecture is amazing.

Me: Lets go walk around.

Ash: I can't wait for you all to meet Maury, Allegra, Kai and Alice.

Me: Sweet.

We went into the town and we saw three kids.

We saw that they were Maury, Allegra and Kai.

Me: Are those three Maury, Allegra and Kai?

Ash: That's them.

Black Spider: (to Horsea) Why don't you introduce yourself to Maury, Allegra, and Kai before we do?

Horsea: Okay!

Allegra felt something touch her foot and looked down to see Horsea.

Allegra: (picks Horsea up) Aw, how cute! It's a Horsea!

Horsea: Hi there!

Maury: (shocked) Whoa! You can talk?!

Horsea: I sure can!

Kai: (smells something) Wait… do I smell lasagna on you?

Me: She's with us.

Maury, Allegra and Kai saw us.

Maury: Wow! Team Loud Phoenix Storm!

Allegra: Wow! It's such an honor to meet you all.

Kai: We heard so much about you all and love all your adventures.

Maury: And Ash, Dawn, Brock it's great to see you all again.

Ash: Same to you guys.

Dawn: How have you guys been?

Kai: Really good.

Nico: Ash told us a lot about what happened here in Alamos Town and that must've been one doozy of an adventure.

Pinkie Pie: No kidding and I thought it was really cool.

Me: Yeah. But it's great to meet you guys. Ash told us so much about you.

Maury: We're glad. Want to go see Alice?

Ash: Sure.

We walked with them to meet Alice.

We saw a blond hair girl named Alice.

Alice (Pokemon): Wow! Team Loud Phoenix Storm.

Retrax: (to Alice) Hi. You must be Alice.

Alice (Pokemon): I sure am and it's such an honor to meet the famous Team Loud Phoenix Storm.

Me: Same here Alice. Ash told us so much about Alamos Town and we had to come and see for ourselves what it's like.

Alice (Pokemon): It's great having you here. Ash, Dawn, Brock it's great to see you all again.

Ash: Same to you Alice.

Dawn: How have you been since the last time we were here?

Alice (Pokemon): Doing really well. But Baron Alberto still won't stop leaving me alone to win my heart.

Me: Baron Alberto? I've heard of him. He was responsible for trying to destroy the universe because of Darkrai.

Alice (Pokemon): That's right.

Qin: Who is he?

Me: Someone I don't like already.

I pulled up his history.

---

Baron Alberto is the main human antagonist of the 10th Pokémon film The Rise of Darkai.

He was voiced by Ax Norman.

Alberto constantly insists that all of the trouble happening in Alamos Town was caused by Darkrai and was intent on stopping it. He means to have Alice as his wife, but the feeling is not mutual. However this doesn't seem to get in the way of his goal. When Alice says she wants Tonio, Alberto just laughs thinking that her feelings for Tonio are a joke. During the events in the movie, he was transformed into his Lickilicky due to a combination of Darkrai's Dark Void and Palkia's interference with space. Lickilicky dreamed that it was Alberto and thus Alberto became Lickilicky. Angered by this, Alberto offers a reward to whoever could take down Darkrai. Later on he turns back to his normal form when the effects of Dark Void fade.

Alberto is seen again during the credits of the 12th movie Arceus and the Jewel of Life. He is piloting his own hot air balloon and still attempting to win Alice's heart

We gasped and were disgusted by the way he was after Alice like that.

Me: This is guy is one seriously crazed up fruit loop.

Danny Fenton: Aw J.D.! I was gonna say that!

Me: Sorry Danny. Beat ya to it.

Sakura H.: He reminds me so much of how I was when I was fawning over you Sasuke.

Sasuke: That is scary.

Ino: How repugnant.

Me: Still he is completely repulsive. He won't leave you alone.

Alice (Pokemon): I know.

Me: Lets go talk to him.

We went and did so and we found him and he saw us. We met BARON ALBERTO!

May: So, you must be Baron Alberto.

Baron Alberto: (smugly) I see my reputation precedes me.

Maria: (sarcastically) You mean the reputation of you almost blowing the universe up during the Palkia and Dialga fiasco? It sure does!

Nico: You tell him, Maria! (high fives her)

Baron Alberto: (scowls at this) Well, you don't have to be so sarcastic about it.

Girder: She's got every reason to be sarcastic about it, you tiny dick asshole!

Muscle Man: (glares at Baron Alberto) You know who else wouldn't be stupid enough to mess around with Legendary Pokemon? My

mom!

High Five Ghost: (angrily) Muscle Man is so pissed off at you right now that he's not even laughing at the My Mom joke he just made!

Me: That's right! And we're ALL pissed off at you too!

DING!

Eli kicked Baron Alberto in the crotch!

Me: (Winces) OOH!

Lola: Nice one Eli.

I picked Baron Alberto up by his shirt and braced him up against the wall.

Me: Lets get something straight Alberto! Endangering the universe and driving off a legendary Pokemon like Darkrai just to win Alice's heart makes you a freak of nature and everything you do just to win her heart is disgusting! You do this again and a kick to the crotch will be the least of your worries! I'll slash your throat and leave you for dead!

Eli: And I'll disembowel you and leave you for the crows!

Ets: And Nico will rip your heart out and eat it in front of you as you bleed to death!

Nico: YEAH!

Lola: And it won't be pretty!

Me: So don't fucking test us!

We let him go.

Alice (Pokemon): Now with Baron Alberto out of the way, at least for the moment, why don't I give you a tour of Alamos Town?

Maury: Can me, Allegra, and Kai tag along as well?

Plug Man: You sure can.

Me: Sweet! It will be cool to see all of Alamos Town.

Nico: Yeah. I want to see that cool bell tower in the center.

May: It sure is beautiful.

Emma (ELGVTWD): It sure is. I heard that it plays the most beautiful melodies ever known.

Alice (Pokemon): You will love it.

We were walking around Alamos Town.

Kai: (to Horsea) Seriously, why did I smell lasagna on you?

Turtle: Well, Horsea's not your ordinary Pokemon.

Me: She eats as much food as our friends Garfield and Shaggy & Scooby and Nico here.

Nico: Yeah I have a huge appetite.

Shaggy: Like yeah and we ate 30 trays full of Lasagna yesterday.

Garfield: What can we say? We have bottomless appetites.

Lynn Sr.: And I make the best lasagna in all of Michigan.

Me: Mr. Lynn is a great chef and owns his own restaurant that we use as our own hangout.

Kairi Yano: Just like all the rangers do.

Eli: And the food is awesome.

Alice (Pokemon): We'll have to try it sometime.

Me: You won't be disappointed.

Nico: Yep.

Me: (Sees something) Wait what's that?

We saw pitch black mist on the ground.

Me: That mist is pitch black.

Princess Luna: Mist that's as black as night? Unusual.

The mist them took shape and then a figure appeared and it was the legendary Pitch Black Pokemon, DARKRAI!

Me: Whoa! Darkrai!

Darkrai: (Through Telepathy) The famous Team Loud Phoenix Storm. It's an honor.

Me: Wow you too Darkrai.

Eli: Wow!

Drag Strip: Darkrai, that is you, isn't it? Or is it some unfortunate soul gene slammed into a Darkrai.

Darkrai: No I am the only Darkrai here.

Alice (Pokemon): He's my friend.

Darkrai: Indeed and Ash, Dawn, Brock and Pikachu it's great to see you again.

Ash: Same to you Darkrai.

Brittney: It's awesome meeting one of the Darkness Pokemon. As the Empress of Darkness we have a really powerful understanding with the forces of the dark.

Darkrai: Our powers of darkness are really strong and yours is the strongest I've seen.

Brittney: It's not just me. It's all of the Goths of Darkness in my team that we have connections to the powers of darkness.

Lucy Loud: We do have powerful ties.

Haiku: Indeed we do.

Me: We also heard that Baron Alberto is trying to drive you away.

Darkrai: Yes he is and he wants me gone.

Me: He obviously didn't do his homework on the powers of Legendary Pokemon.

Nico: No he didn't.

Vince: Yeah and he has a Lickilicky and he has no right to call himself a Pokemon Trainer.

Me: Neat choice.

Cluemaster: (to Darkrai) It was obvious that you were trying to protect Alamos Town the last time. If you were trying to destroy it, you wouldn't have used your Dark Void to put to sleep the Pokemon that you fought.

Darkrai: That's right and Alberto refuses to believe that I am a protector.

Me: He is really an arrogant monster isn't he?

Nico: I would call him more like a lovesick puppy.

Shizuka: And I thought Kokuyō was bad when he was trying to win my heart.

Nicole: Don't remind me of that Shizuka. He was a disgusting freak.

Eli: I have a feeling that Alberto is not finished with us or Darkrai yet.

Darkrai: I will gladly help you all face him.

Me: Thanks Darkrai.

We walked around Alamos Town some more and we saw the Space Time Towers and they were absolutely beautiful.

The **Space-Time Towers** (Japanese: 時空の塔 *Space-Time Towers* ) are two anime-exclusive buildings located in Alamos Town, Sinnoh. They first appeared in *A Secret Sphere of Influence*, albeit as a diorama in the Eterna Historical Museum, and then had a major role in *The Rise of Darkrai* . The Space-Time Towers were designed by Godey and constructed a century ago. Besides being buildings, they are the largest musical instrument in the Pokémon world.

The Space-Time Towers were vital for the safety of Alamos Town during the events of the movie. When played, the song Oración, which is able to calm the fiercest rage, soothed Dialga and Palkia and saved the town from destruction. The towers later appeared in flashbacks in both *Giratina and the Sky Warrior* and *Arceus and the Jewel of Life* . They also briefly appeared in *I Choose You!*, which is set in a timeline different from the main series.

The origin of the Space-Time Towers was discovered through entries on Godey's diaries, which are kept by his great-grandson Tonio. Godey once had a nightmare caused by Darkrai in which a fight between Palkia and Dialga broke out in Alamos Town. The clash of the two Legendary Pokémon was of such magnitude that it destroyed the entire town.

When the towers were under construction, Godey witnessed Alicia playing Oración in the town's garden. Seeing how the song was able to comfort and relieve others, he thought of developing a musical instrument that would play the song in case the events in his nightmare became a reality. Godey's main purpose was to leave Oración for future generations, as he expected the song to bring peace to the furious Pokémon that Darkrai was informing him about.

## Design

Within the **Space Tower** (Japanese: 空間の塔 *Space Tower* ) are large, pink-colored spheres rotating on orbits. Within the **Time Tower** (Japanese: 時間の塔 *Time Tower* ) are large, blue-colored pendulums swinging back and forth. At the center, there is a mural depicting Alicia sitting on a tree branch and playing Oración to a group of wild Pokémon. Tonio's laboratory is located on the basement, where he conducts research on the mysterious events occurring in his hometown.

Outside in between the two towers is a long and thin winding staircase, leading up to the top of the tower. On the topmost floor lies a large machine that plays music by inserting special disks into a place-holder and pulling a lever. This is a similar function as a piano, but the strings are aligned in a cylinder.

The building also serves as a Contest Hall, attracting a number of Pokémon Coordinators who wish to compete for the Alamos Ribbon. In contrast with many modern Contest Halls, where spectators sit in the stands, the Alamos Hall has several rows of seats at stage level in addition to a sloped seating area.

Me: Wow! The Space-Time Towers are absolutely breathtakingly beautiful.

Lola: Yeah they sure are.

They were playing bell melodies like wind chimes.

Nico: Wow that is so melodious.

Terramar: It sure is.

Alicia Berricks: Yeah it sure is beautiful.

Alice (Pokemon): Thanks guys.

Carolyn Hope: It sure is magnificent.

We went outside.

Block Man: Guys, I've got a feeling that Baron Alberto could be the least of our problems today.

Me: He's right! Look up there!

We saw the sky grey up and then a massive blast of blue energy streamed across the sky and then we saw the legendary Time Pokemon Dialga and the legendary Space Pokemon Palkia REALLY going at each other with a merciless fight!

Me: WHOA! It's Dialga and Palkia and they are fighting like they were before!

Ash: Not good! We got to calm them down!

Me: This is not good guys! This is not good! If they keep fighting like this it will destroy everything!

Silver Samurai: We must prepare ourselves to stop this conflict!

Me: Right! We better calm them down. And I know just the Pokemon to help us out.

I flared up my Aura and called the legendary God Pokemon Arceus and the Dimension Pokemon Giratina appeared.

Arceus: This is not good. You called us just in time J.D.

Giratina roared.

Me: Arceus can you, Giratina and Darkrai calm them down?

Arceus: We'll hold them off as long as we could while you have your fun with your frenemies.

Me: Thank you. Darkrai you better help them out.

Darkrai: Right!

Right on cue, Baron Alberto came

Baron Alberto: Get out of here Darkrai!

Darkrai went with Arceus and Giratina as he arrived.

Mushi: We have to stop Baron Alberto before he seriously harms Darkrai!

Bastion: Leave this to me, gents.

Bastion walks right between Baron Alberto and Darkrai.

Baron Alberto: Do you mind? I'm trying to save Alamos Town here!

Bastion took a deep breath. The next thing he said surprised us. At least, those of us not in chapter 607.

Bastion: Day-o! (everybody is shocked) Day-ay-ay-o! Daylight come and me wan' go home. (Kairi Yano's jaw drops) Day, me say day, me say day Me say day, me say day, me say Day-ay-ay-o. (to Chazz as Keiichiro's eye twitches) Everybody.

Chazz: (shrugs and joins in as Tsukasa face palms) Daylight come and me wan' go home

Bastion: (Sakuya's rolling on the floor laughing) Work all night for a drink a'rum.

Bastion and Chazz: Daylight come and me wan' go home.

Bastion: (Touma groans at this) Stack the banana till the morning come

Bastion and Chazz: Daylight come and me wan' go home.

Bastion: (Umika smiles and bobs her head to the rhythm of the song) Come, Mr. Tally Mon, tally me banana

Bastion and Chazz: Daylight come and me wan' go home.

While this was happening, Noel saw his chance, gave Darkrai an apologetic look and shot the ground in front of him with his X Changer. Darkrai nodded in understanding and fled.

Bastion: Lift six foot, seven foot, eight foot, bunch!

Baron Alberto: What the Hell are you two playing at?!

Noel: Darkrai is out of your reach now.

Baron Alberto: WHAT?!

Chazz: Nice job singing again, Bastion.

Bastion: Thank you.

We were rolling on the ground laughing our heads off!

Me: (LAUGHING HYSTERICALLY) OH THAT WAS SO FUNNY!

Twilight Sparkle: (Laughing)

Rainbow Dash: (Laughing Hysterically) OH THAT WAS FUNNY!

Qin: Man I haven't heard that song in like forever!

Eli: Me neither!

Applejack: What was that song?

Qin: It was called Day-O and it is also known as the Banana Boat Song. It's a Jamaican Ballad widely known over in Jamaica.

Kangor: (Jamaican Accent) That is a great song mon. I'm honored that you know that song.

Bastion: Thanks Kangor.

Baron Alberto: I hope you're happy. Thanks to your little musical, Darkrai got away!

Black Spider: You're just jealous because Bastion can sing better then you!

Bastion: (to Baron Alberto) Say what you will but I am not ashamed of the distraction I caused.

Baron Alberto: That was just pathetic.

The people of the town cheered for Chazz and Bastion.

Bastion and Chazz bowed.

Me: Take that you vomitchewing freak! (Gives Baron Alberto the Stink Eye)

Nico flipped the bird at him.

Noel: (To Darkrai) My apologies for shooting near you.

Supernova Zap: It was only so you could get away before Baron

Alberto's Lickilicky could do anything bad to you.

Darkrai: And I appreciate that.

Me: Be careful. Help Arceus and Giratina all you can.

Darkrai: Right!

He flew off to help them.

Multiplex: Me and my clones will help Darkrai, Arceus, and Giratina out as well!

Me: Right!

Multiplex made 400 clones and they went to help!

Baron Alberto: No! Stop them!

Woman: No Alberto! We won't let you hurt our protector!

Baron Alberto: Protector!? What are you talking about!? He is a monster!

Man: The only monster is you Alberto! We followed your lies for far too long!

Woman 2: Yeah! Darkrai is our protector and not you! Team Loud Phoenix Storm is our heroes too!

Me: And you have plagued this whole town with lies for far too long! And all this just to try and win Alice's heart!

Man 3: You make me sick Alberto!

Baron Alberto: You're all fools for believing them!

Me: You're the fool!

THEN HE WENT BALLISTIC!

Baron Alberto: YOU DOUCHEBAGGED FOOLS!

He went at us and Eli kicked him in the face and smashed him down and Baron Alberto got up and went at Eli and Eli punched him in the stomach!

Applejack saw Dialga coming in at her.

Applejack: UH OH!

But then a bull roar was heard and then thunderous footfalls and the Dialga was smashed back by a giant orange Minotaur! But it wasn't just any ordinary Minotaur. It was the Minotaur Wild Zord!

Me: WHOA! Is that the Minotaur Wild Zord!?

Applejack: Wow! It sure is and it saved my life.

An orange light appeared and it landed in Applejack's hands and it formed the Minotaur Zord Animal Crystal!

Applejack: Wow! The Minotaur Zord Animal Crystal!

Lola: It chose you Applejack!

Apple Bloom: Wow! That's amazing sis!

Nico: It sure is! That makes 5 of the 12 Myth Zords.

Lori: Yeah!

Applejack: YEEHAW! Wow!

Me: That is so cool Applejack!

Coloratura: Way to go A.J.!

Eli: Yeah that was awesome!

Me: Lets not give her a swollen head guys.

Villamax, Roquefort, Griffin, Vortex, Bronze Kneecap, Evil Star, Mr. Touch & Go, Dr. Destiny, Oculous and Count Spankulot then appeared!

Me: Villamax, Roquefort, Griffin, Vortex, Bronze Kneecap, Evil Star, Mr. Touch & Go, Dr. Destiny, Oculous and Count Spankulot.

Griffin: Looks like we got here just in time.

Villamax: Well, looks like things are intense here.

William: Yep. As you can see, two battles are happening right now.

Roquefort: I can tell. One is Darkrai, Arceus, and Giratina trying to calm Palkia and Dialga down.

GRiffin: And one is Eli beating the crap out of Baron Alberto:

Vortex: (to Bastion) By the way, Bastion, nice job singing that song!

Bastion: Thank you.

Me: That was funny though. We were laughing and rolling on the floors.

Applejack: Yeah and Rainbow Dash and Twilight thought it was funny too.

Nico: Boy it sure was and the last time Bastion did a song like that was when we were in the world of Tarzan 1999 the first time.

Me: I remember that! And that was when we first found out about the Dark Orbs.

Laney: Yeah that was crazy!

Eli: Boy that must've been crazy.

Nunnally: Yeah no kidding.

Vince: It was guys.

?: Boy that must've been intense.

A figure came out and it was GNATU from episode 16 of Mystic Force!

**Gnatu** is an incubus/insect-like creature and is one of the many monsters of the Underworld. Gnato also has partner Spydex. She is the main antagonist of the episode "Soul Specter".

Gnatu and Spydex were summoned by Imperious. Both Gnatu and Spydex attacked the city of Briarwood with army of Hidiacs, and began draining Life Force from people in the park. The Mystic Force Rangers soon showed up, but were forced to deal with the Hidiacs first. Chip managed to get to Gnatu and battle her, but she was too strong for him. Both Gnatu and Spydex then managed to escape. They then went to the Underworld were Imperious praised Gnatu for her job and pinned her against Necrolai putting Necrolai in a bad mood.

Later Gnatu and Spydex again appeared in the power plant and Nick managed to get Life Force from Spydex and Chip caught it, but Gnatu again stole Life Force. Then after the Rangers had gotten the Life Force Orb out and away from the Giant Spydex, Gnatu attacked the Rangers before they could obtain the orb. With the Life Force still in their control, the evil duo escape once more. Then Necrolai tricked the Chip making a black hole appear in his chest. He had to go to a mountain alongwith Daggeron to cure the black hole with the Staff of Topaz. Gnatu and Spydex both returned to the city to steal more Life Force. Nick, Vida, Xander and Madison jumped into action and fought against the twosome. The Rangers were still outmatched, and Gnatu prepared to fire the now Dark Life Force Orb into the sky, thus attacking the city with an explosion. Before the orb was fired, Chip arrived and put a stop to Gnatu's plan. Daggeron was then able to get the Dark Orb out of the firing device. The Mystic Force Rangers attacked Gnatu and Spydex with the Magi Staff Speed Spell. With this attack, the Rangers had the advantage. Chip was successful in destroying Spydex with his Magi Staff. After Spydex was destroyed, all the Life Force was returned to those it was stolen from. But Gnatu wasn't finished yet. She grew large and attacked the Rangers by crushing them with her foot. Our heroes fought back with the Titan Megazord. Gnatu then tried to escape by flying away, but the Rangers used the Titan Megazord Spirits of the Ancient Titans Attack to destroy the monster for good.

Charlie Thorn: Gnatu!

Gnatu: Been a while Yellow Ranger.

Me: I remember you! You and Spydex went to Briarwood to steal life force for the Life Force Orb.

Gnatu: Good memory on you J.D. You are just as sharp as Mistress Vypra said.

Me: Never missed an episode.

Gnatu: This kind of mess is probably something Octomus would cause.

Nick Russell: What happened to calling him the Master?

Gnatu: He lost that title when he was defeated by you Rangers!

Me: And me. Don't forget that I was the one that destroyed him the second time and Banished him to the Warp.

Gnatu: Right that's right. That must've been fun.

Me: It sure was.

Roaring was heard and then out came THE DEVIL BEAR and THE WAX PHANTOM!

Shaggy: ZOINKS! It's the Devil Bear and The Wax Phantom!

Twilight Sparkle: Whoa! What were they known for?

Qin: The Devil Bear was Chuck Hunt who was trying to scare his crew away to keep an Indian Treasure of Arizona all for himself. The Wax Phantom was really the TV Station Manager, Roger Stevens who was stealing money to frame a man he cancelled a while back and escape to South America. Chuck Hunt got 30 years and Roger Stevens got 40 years.

Fluttershy: And then life right?

Qin: Half right on that. Chuck Hunt got Life and Roger Stevens died in prison of cancer.

Rarity: Good riddance.

But they weren't the only ones. Out came two more figures and they were GRAMMA STUFFUM and MCWOLF (Tex Avery)

---

Gramma Stuffum

**Gramma Stuffum** is a recurring antagonist of *Codename: Kids Next Door* . She is a fat old lady obsessed with force-feeding her disgusting food to children to fatten them up, believing that a child that is too fat to move can't get into trouble. She speaks with a German accent.

She was voiced by Grey Delisle, who also voiced Asajj Ventress in *Star Wars: Clone Wars* .

History

She first appeared in *Operation: N.O.-P.O.W.U.H.*, in which she was interviewed by The Delightful Children From Down The Lane, who wanted to find a villain to bring havoc upon the KND. They convinced her to do so by saying their foes were famished. Gramma Stuffum then attacks Sector V Treehouse with her food army while their power is out. She is able to fatten Numbuh 1, Numbuh 3, Numbuh 4 and Numbuh 5 into a state of helplessness, but Numbuh 2, who has an enormous appetite and is more tolerant of her disgusting dishes, proves much more difficult to subdue. When he is finally full and about to give up, the Hamsters return and eat the rest of her food. Numbuh 2 then fires Gramma Stuffum back to the Delightful Mansion From Down The Lane, where she decides to feed the Delightful Children.

She appeared again in *Operation: F.O.O.D.F.I.T.E.*, She is apparently revealed to be a cafeteria chef at Gallagher Elementary. During lunch period, the members of Sector V have an extended battle with her and her food, which is implied to be a regular occurrence during lunchtime. Gramma Stuffum then summons the monstrous Slamwich, which overwhelms the children until the super-powered hamster Joaquin appears and eats it. During the battle sequences are lyrically altered versions of the GWAR songs "The Private Pain of Techno Destructo" and "Gor-Gor". GWAR provided the music for this episode under the name "RAWG". After her defeat, she tells them to prepare for lunch the next day and Numbuh 4 throws a chicken leg at her, hitting her in the head as he tells her to get a real cookbook.

## McWolf

**McWolf** is the main antagonist of the "Droopy and Dripple" segments, and one of the most recurring villains in the show. His character is based on Tex Avery's Wolf from Red Hot Riding Hood and other shorts. Like Tom and Jerry, he is voiced by Frank Welker.

### *Dumb-Hounded*

The Wolf first made his first pairing with his best friend and partner Droopy in Droopy's first cartoon *Dumb-Hounded* in 1943. In the story, the Wolf, who is a killer, escapes from prison and keeps running into Droopy no matter where he goes, scaring him. In the end he is captured and Droopy gets a lot of money for his capture.

Since Droopy gained a new antagonist in the cartoon *Wags to Riches* in 1949, The Wolf has temporarily been used as an antagonist for Droopy. Butch Dog came in to mind taking another role, and has interestingly proven to be a far more cruel and effective villain than The Wolf has ever been by comparison; Butch stooping to the lengths and lines The Wolf would never go and become close to succeeding in a few cartoons.

### *Red Hot Riding Hood*

The Wolf is most famous however, in the short, *Red Hot Riding Hood*, which is the first in the trilogy mentioned above. In the short, Little Red Riding Hood, Grandma, and the Big Bad Wolf get fed up with how the story was never changed and the narrator, annoyed complies. He changes the setting so that Grandma lives in a penthouse, Little Red Riding Hood is a gorgeous dancer/singer at a nightclub, and the Wolf is a womanizer heading towards the nightclub. He soon sees Red dancing and singing and he falls madly in love with her and goes really nuts, to the point making his famous cartoonish reactions. He asks her out but she refuses and goes to visit her Grandma. The wolf heads to Grandma first and to his horror, Grandma instantly falls in love with him and chases him all throughout her home. The Wolf ends up falling out the window and says he's through with women and would kill himself before he looked at another girl. Red shows up and he kills himself by blowing out his brains, but his ghost falls in love with Red and goes nuts.

*The Shooting of Dan McGoo Swing Shift Cinderella Wild and Woolfy Tom and Jerry: Robin Hood and his Merry Mouse*

The Wolf is also used as one of Prince John's guards in Tom and Jerry: Robin Hood and his Merry Mouse.

Villainous Acts

# Nico's Birthday Bash and Train Rangers

HAPPY 24TH BIRTHDAY TO NICOCHAN11!

---

May 26th, 2021

---

In the briefing room, I was discussing plans for Nico's Birthday Party tomorrow.

Me: Okay now we should know why we are here. Tomorrow is Nico's birthday and I gathered you all here to discuss how we're going to go with setting up Nico's birthday.

May: I always love celebrating Nico's birthday.

Vypra: It's so awesome.

Me: I know. Celebrating birthdays is always awesome.

Lincoln: Lets have Myotismon take Nico out of the estate while we set everything up.

Me: Good idea Lincoln. And I have just the mission in mind for him.

I pulled out a newspaper article about a criminal chicken named The Yolker.

Vypra: "The Yolker Strikes Again." That's perfect and Nico LOVES chicken wings.

Me: He sure does. While Myotismon takes Nico out of the estate to face him, Pinkie Pie, Cheese Sandwich and Leni will get the party set up.

Pinkie Pie: You can count on us J.D.!

Leni: Nico is totes gonna love what we all have planned for him.

Cheese Sandwich: He sure will. It's gonna be so epic!

Me: Yeah!

---

May 27th, 2021

---

In the city, Nico and Myotismon were facing The Yolker and he was pulverizing the Police Station with giant eggs!

Nico: Hey, buddy! Eggs are supposed to be for breakfast, not for throwing at the police!

Yolker: (Squawks) Well the Yolk's on you! (Laughs and Clucks) Get it? Yolk? (Laughs)

Crowd: BOOO!

Nico: That was pathetic!

Myotismon: Yeah leave the jokes to our friend Luan!

Nico: Try these on!

Announcer: GIANT EGG MAGISWORD!

Nico fired giant eggs and smashed him with eggs.

SMASH SMASH SMASH SMASH SMASH!

Nico and Myotismon punched and pulverized the Yolker all over and arrested him.

Nico: For some reason, I'm in a good mood today. So, you get to go to the local prison this time. Cops will be here soon to gather you up and put you back in the coop. (laughs) Coop… ha ha, I crack myself up.

Myotismon: (Laughs) Hey that was a good one!

Chief: That was funny!

Me: (On Myotismon's radio) J.D. to Myotismon.

Myotismon: Myotismon here.

Me: Everything is ready. You can bring him in.

Myotismon: Roger that.

Nico: That was fun. Lets head home.

Myotismon: Okay.

They headed back home. The Yolker was sent to the Gotham Royal York State Prison.

Back at the estate we were getting everything ready for Nico's birthday.

King Dedede: I hope Nico likes this party.

Me: With Pinkie Pie, Cheese Sandwich and Leni planning it and putting it all together he will love it.

Naruto: Yeah they are the best party masters ever.

Eli: They will do a great job planning it all.

Pinkie Pie: Nico is about to have the Best Party ever!

Vypra: I'm so happy for Nico.

May: Me too.

Myotismon: (On the radio) We're coming up into the elevator.

Me: Roger. Places everyone!

We hid and turned out the lights.

Nico and Myotismon came out of the elevator.

Nico: Whoa it's dark.

Myotismon: I'll hit the lights.

Myotismon turned the lights on and then…

Me and everyone: SURPRISE!

Poromon, Manaphy, Poliwag, Horsea, Jirachi, and Tentacool: HAPPY BIRTHDAY, NICO!

Nico: (Gasp) OH MY GOODNESS!

May: Happy Birthday honey!

Videl Chan: Happy Birthday daddy!

May and Nico's kids hugged him.

Nico: Oh you guys are the best!

Me: Happy Birthday Buddy. You ready to have the best party ever?

Nico: You bet!

Smolder: We've got plenty of food for you. Including the secret stash of wings that Horsea apparently found.

Nico: Thanks guys!

Me: LETS PARTY!

Burnertron lit the candles on Nico's cake.

We cheered!

Pinkie Pie: (Singing)

Get your hooves up, party's starting out right now

Everypony, everypony get down

Time to make a wish, better make it right now

It's been a year and today is your birthday party

Make a wish, it's your birthday

Make a wish, it's your birthday party

Make a wish, it's your birthday

Make a wish, it's your birthday party

We had an awesome party! Nico had a giant multi-layer chocolate and cookies and cream ice cream cake, a giant punch bowl swimming pool full of fruit punch, giant numbers of chicken wings and pizza and more! It was time for presents and Ed's present was a replica of Goku's gi but with Nico's favorite colors and Ed made one for May as well and it's based on Chi-Chi's outfit during the Anonymous Proposal episode of Dragonball but with pink as the color. I gave Nico an enchanted sword like Trunks's sword and it has the powers of the elemental forces of Nature, Eli's present was an awesome spell book on all the spells of Equestrian and Light Magic and we had many presents for him.

Acid Storm: What do you think, boss? Is this the best party or what?!

Nico: YOU BET IT IS! YOU ALL HAVE MADE THIS THE BEST AND MOST EPIC PARTY EVER!

Me: YEAH!

We cheered wildly for Nico.

Me: Happy Birthday Nico!

Leni: You totes earned it!

Pinkie Pie: BEST PARTY EVER!

Laney: All of your parties are the best ever. Pinkie Pie, Cheese Sandwich and Leni are ALL the greatest party planners ever.

Rainbow Dash: AWESOME!

Skids was among the people enjoying himself in the party. But he saw that Leni looked sad for some reason.

Skids: Is something wrong, Leni?

Leni: Skids, do you think I'm important to the team?

Skids: Of course you are. Why do you say other wise?

Leni: (sadly) Because I doubt I've contributed anything useful to Team Loud Phoenix Storm, unlike Lori, Lincoln, and the others. I mean, I'm so stupid I even let burglars into the Estate!

Me: Leni you may be airheaded but you are still an amazing and golden-hearted girl!

Rarity: That's right darling. You make amazing fashions like I do and they are the talk of all of Equestria.

Laney: And they are just as popular as Rarity's.

Carol: Yeah Leni your clothes are just as magnificent as Rarity's. Not only that but you, Varie, Rarity, Teresa and Maria make so many awesome clothes whenever we encounter gene-slammers or any other fashion emergency,

Me: Yeah and you made me the most amazing trench coat ever on my birthday 3 years ago.

Rarity: I didn't know that Leni did that.

Me: Yeah it's awesome. And lets not forget Leni that you have the most awesome boyfriend ever who has always been there for you even when Belle framed you for a crime you didn't commit.

Fiona: That's right Leni.

Ed: You got it Leni. You are the most perfect girlfriend ever and no one can tell you otherwise.

Eddy: That's right Lumpy. Ed has always been there for you just like I will be with Luan.

Rita: That's right Sweetie and you made my birthday one to remember too.

Nico: And lets not forget that you not only have Ed to look out for you, but you also have what it takes to be one of Rarity's fashion partners. Same with Fiona, Miguel, Varie, Teresa, Maria and several others.

Me: Yeah your clothes are awesome!

Leni: Oh you're right guys. Thank you.

Me: You're welcome Leni.

Nico: Anytime.

Me: And Nico it's time for your awesome Birthday mission. We're going to Japan to meet the ToQger rangers.

Nico: Oh sweet! We owe them a huge debt for helping us take down Sholmes and Wilson.

Proto Man: It'll be fun meeting the ToQgers again.

Me: And we owe them a huge debt of gratitude for helping us take down Sholmes and Wilson.

Nico: As well as helping us fend off Goche.

Laney: That was awesome.

Leni: It totes was.

Me: Also Carter since we're going to meet the ToQger rangers in Japan, I think it's a cool idea if we use the Lightspeed Rescue Supertrain for meeting them.

Carter Grayson: That's a great idea!

Ryan Mitchell: Perfect way to meet them.

Lana: And I can have Thomas and his friends come too.

Eli: So awesome!

Evil Star, Vortex, Touch and Go, Dr. Destiny, Villamax, Roquefort, Griffin, and Bronze Kneecap then appeared.

Evil Star: Can me, Vortex, Touch and Go, Dr. Destiny, Villamax, Roquefort, Griffin, and Bronze Kneecap come with you guys?

Me: You all sure can. We're heading over to Japan to meet the ToQger rangers.

Villamax: Oh wow!

Griffin: They helped us take down Sholmes and Wilson when we were there.

Vortex: They sure did. Also Nico, Happy Birthday man.

Nico: Thanks. That means a lot.

Me: Lets head out guys!

Carter Grayson: RESCUE ZORDS MOBILIZE!

The Lightspeed Rescue Train Hanger appeared on top of the World Tree and a huge energy train track extended from the giant tree over to Japan.

Me: ALL ABOARD!

We got on the train and we were off to Japan.

* * *

TOKYO, JAPAN

* * *

We were riding the rails in Tokyo.

Princess Rose: Here we are. The part of Japan that the ToQgers protect.

Me: Yep and they protect the whole city of Tokyo. I looked up what part of Tokyo the ToQger Rangers protect and it didn't say so we'll say that it's ALL of Tokyo.

Nico: That's interesting.

Thomas the Tank Engine: This is so cool!

Eli: I think it's so cool that they are on trains that protect the city.

Me: It sure is.

Varie: I love going on trains and it is awesome.

Rainbow Dash: You said it. Riding the Friendship Express and the Crystal Empire Trains are just as fun as this.

Optimus Prime: Lets not forget that Team Bullet Train is liking this too.

Railspike: You said it Optimus.

Midnight Express: This is gonna be so cool meeting the ToQger rangers.

Rapid Run: Yeah man!

Me: I know and it will be awesome helping them take down one of their enemies.

Nico: I can't wait for that.

Then we saw explosions up ahead.

Me: Uh oh. We got explosions up ahead. Stand by for battle!

We got ready.

In a park we jumped out and we saw HOUND SHADOW!

The **Hound Shadow** is a hound/bear trap-themed Shadow Monster that appears in the ToQger's summer movie *Ressha Sentai ToQger: The Movie - Galaxy Line SOS* . He is the servant of Count Nair.

History

The Hound Shadow made his first appearance with his master on planet earth at an unknown station cleaning his master off with a feather duster. When Count Nair is about fire at the Safari Ressha, but due to the Ressha coming into the station he'd pushed his master out of the way taking blow as he was sent flying towards train post.

During the battle he was seen battling Right Suzuki where he managed to knocked towards the down Safari Ressha which he thought fuel. So both he and Count Nair were about to board their Kuliner, but they were stopped by the presence of Emperor Z. So they left railways to greet the king back at Castle Terminal.

Speaking of which back at Castle Terminal they introduced themselves to the king. Once Count Nair is done talking to the king both the Hound Shadow and him left the castle.

A while later the Hound Shadow was using his sense of smell to sniff the trail of the Galaxy Line which is surprisingly close by.

Then he appeared along with his master at the bridge when Count Nair open fired on the two train conductors. A while later during the fight he was then battling Haru and Kagura.

Later he appeared on the grassy hill when Count Nair open fired on the ToQgers de-transforming them. So the Hound Shadow stay behind to prevent the ToQgers from stopping his master hunt the Safari Ressha.

A while later when his back was turned the Hound Shadow was shot from behind by the team. After that he ran towards the city to help his master out.

Later he appeared at the city asking Count Nair if he was okay, but he was pushed out of the way by his master and they witness the team transforming to the Safari Ressha. After that they battle the animal rangers. After that both the Hound Shadow and Count Nair were then defeated by this finisher called Imagination Rush! Safari Park! (which is the animals that the ToQgers transferred to (a lion, a bald eagle, a wildcat, a crocodile and a panda)).

But due to his master choice he fused with him to form the Giant Nair Hounder. They managed to overpower the Cho ToQ-Oh Police Shield and Build Dai-Oh until the Safari Ressha returned and ToQ1 gou piloted it to form Safari Ga-Oh and with ToQ-Oh, the two Sentai Robo destroyed Nair Hounder with double flying kick.

---

Me: Hound Shadow! I remember you!

Hound Shadow: Team Loud Phoenix Storm. Nice entrance.

Me: Skip the pleasantries. Now it's time for you to die.

Hound Shadow: (to Nico) I hope you had a Happy Birthday. Because it'll be the last one you'll have!

Mr Go: Not likely. Ready, Mr. Touch?

Mr. Touch: I'm always ready, Mr. Go.

The two of them were about to touch each other to power up when suddenly, we heard a harmonica playing.

Hound Shadow: (recognizes the music) You're a long way from your team, traitor.

Soon, all of us recognized who was playing that harmonica.

Hound Shadow: (growls) You better run back to that Build Ressha of yours before something bad happens!

Suddenly, Hound Shadow was kicked to the ground. He looked up to see that the person who did that was Akira Nijino

Akira Nijino: Don't bother getting up, Hound Shadow. This is your place to die.

Hound Shadow: (gets up) That's what you think! But I will leave you some parting gifts! Kuros!

Several Kuros appeared as Hound Shadow retreated.

Akira Nijino: (Gets out Applichanger) This is going to be easy. ToQ Change!

Now transforming! Please stand behind the white line!

In a flash of orange light, Akira transformed!

ToQRoku!

Nico: AWESOME!

Me: Wow! Also these Kuros look reminiscent of the Outlaws from the American Old West!

Nico: They sure do!

Me: Akira we owe you one for helping us distract Goche and for helping us destroy Sholmes and Wilson.

Akira Nijino: Think nothing of it J.D.

William Dunbar: And you are more than welcome to join the Redemption Squad.

Akira Nijino: Thanks William.

Me: Lets tear these monsters apart!

We went at the Kuros and slashed and blasted them and they blew apart in fiery explosions!

KRABBBBOOOOOOMMMM! KRABBBBBOOOOOOOOOMMMMM! KRABBBBOOOOOOOOOOMMMMM! KRABBBBBOOOOOOOOOOMMMM! KRABBBBOOOOOOMMMMM!

They were dead in seconds.

Me: Yeah! That was too easy.

Lola: Yeah it was.

Maria: (to Akira Nijino) Now that the Kuros are gone for the moment, how about showing us the rest of your team?

Akira Nijino: They should be here now.

We saw the Rainbow Express pull up.

Me: Wow! The Rainbow Express.

Nico: Just like when we saw come in.

Lola: So awesome!

Leni: That train is totes amazing!

Me: Lets link with it and go aboard. Luckily I have a universal pass.

I pulled out my pass. We boarded the Rainbow Express and we linked up the Lightspeed Rescue Trains with the Rainbow Express.

We saw the ToQger Rangers again.

Manterror: Nice to see you and your team again, Right!

Me: (Speaking Japanese) カイリとケイイチロウとそのチームに会い、彼らを助けてくれたとき、私たちはあなたに大きな時間を割いてくれました。(We owe you big time for helping us when we met Kairi and Keiichiro and their teams and helped them out.)

Right: Think nothing of it guys.

Hikari: We're glad we could help.

Tokatti: It was an honor to help out the famous Team Loud Phoenix Storm as well as 2 of our fellow Ranger Teams.

Kairi Yano: Thank you very much for that.

Me: We have so much to tell you about what happened. First of all we had a lot of help from your fellow Rangers from over the course of 45+ Years from Japan when the Battle with Thanos reared its ugly head.

Right: Right I heard about that! All the rangers came out of retirement to help out.

Me: They sure did. That was one of the most devastating battles we've ever had.

Nico: Yeah it sure was.

Laney: But it was also one of the most memorable battles we've had.

Villamax: Also, we can't thank you guys enough for fending Goche off while we were fighting Herlock and Wilson.

Hikari: No problem.

Mio: It's shame we weren't able to destroy her.

May: Not to worry. At least she won't be able to enlarge any more allies that she has.

Me: And that is a fact. But we still have many of your enemies to deal with. But I remember that Emperor Z has a lot of honor.

Right: He does and he is a truly worthy adversary to me.

Me: He might be a worthy candidate for joining our frenemies in the Masters of Evil.

Mio: Who are the Masters of Evil?

Me: Our frenemies. They took the place of the Legion Of Doom after the Battle with Thanos.

Nico: It's a really awesome and strange story.

Nico told them all about it and it was awesome.

Right: Wow! That's amazing. But it's good that Bowser and Ra's are back after what happened to them a year and a half ago.

Me: Yeah. That was a tragic loss. But wwe have them back now.

Lincoln: Yeah we sure do. But we saw how great of an adversary Emperor Z is.

Me: Let me see here.

I looked up his info.

---

Emperor Z, also known as the Emperor of Darkness, is the evil leader of Evil Army Shadow Line and the main antagonist of Ressha Sentai ToQger.

He was portrayed by Kengo Ohkuchi, who also played Sōsuke Aizen in live musical adaptations of Bleach.

Raised by Marchioness Morc, Z's arrival in the human world was being prepared by the Shadow Line while Baron Nero opens a path connecting their railway to Z's location. However, unlike his subordinates, a moment in Z's life changed his ideals forever as he developed an obsession with light. This unhealthy obsession lead to him leaving his Kurainer prematurely to see the human world, meeting Right and realizing he and the ToQgers are those who were swallowed in darkness before he is forced to be carried by his followers when he begins to die from being in the light for too long.

Meeting his future wife Miss Gritta, Z fell in love with her eyes as he redecorated Castle Terminal to suit his taste. But while he first appeared to be clueless to the treachery of Madame Noir and the agenda General Schwarz, Z played them both by feigning ignorance so he can absorb Glitta to obtain her inner light. Though he now wants the ToQgers' light, Z is warned by Mork not to allow himself to end up being consumed by their light.

He later kills both Noir and Schwarz for disobeying his orders out of the demand that Gritta be released from his grasp. This would make him absorb their darkness and sink the ToQgers' childhood hometown of Subarugahama into the darkness underneath the ground, as well as summoning multiple Kuliner Robos to attack the ToQgers in order to buy him more time to retreat to the Castle Terminal.

When Gritta leads the ToQgers on a raid to Castle Terminal, Z battles Right in a one-on-one duel. Eventually, he somehow forgot their first encounter but was shocked to discover that Right's attempt to transform causes the darkness inside him to manifest, Emperor Z regains enough of his memory to remember that the light he saw in Subarugahama was Right himself and is shocked to find the youth transformed into a dark-version of his ToQ 1gou form. While in the middle of the fight, Nero and Mork spirited Z in their Kuliner. Emperor Z finds Gritta and learns that her actions for betraying him and relocating the Castle Terminal were an act of mercy and pity to him. After apparently killing Gritta, now intent on destroying all light if he cannot have it, Z-Shin decides to mount an assault on the world and orders Castle Terminal to surface. He was challenged by ToQ 1gou of Darkness during his final raid on Castle Terminal as he emerging to greet him. After Emperor Z inquires about Right no longer having his inner light, the two begin their fight with Z-Shin derailing the Ressha when the Conductor, Ticket, and Wagon attempt to run him over. Once ToQ 1gou is defeated, Z-Shin has Castle Terminal transform into the Behemoth of Darkness that blankets the entire city and Subarugahama in darkness before Emperor Z leaves a powerless Right to waste away in the dark. Eventually, the other ToQgers joined the battle as they defeated the remaining Shadow Line armies. After Emperor Z is hit by the Yudou Rainbow Rush, Nero and Morc sacrifice themselves for their leader to restore his power by absorbing their darkness. However, the other ToQgers give ToQ 1gou their Ressha to use them, combined with the Hyper Ressha to become Rainbow ToQ 1gou. This allows ToQ 1gou to overpower Z-Shin with all of his power before he and his friends use the Daikaiten Cannon for the final blow. Returned to his usual form, the dying Emperor Z finally gained his light after seeing a rainbow (much like Zaram), before he explodes into a torrent of darkness that is gathered by Gritta, revealed to having been spared by him, as she brings the reconstituted emperor back into the darkness. Gritta holds his hands, advising him that light cannot exist without darkness and vice versa.

When I was done we were amazed.

Nico: Whoa!

Me: Yeah he is a truly formidable adversary. And he has a sense of honor.

Leanbow: Just like me and Koragg.

Me: Out of all the villains of Power Rangers and Super Sentai that we have seen from over the course of 46+ Years, Emperor Z is one of the honorable ones. And he has definitely earned a place in the Masters of Evil after everything that happened.

Right: He sure has.

Me: But Me and Vypra will have to test him in our own battle to see for ourselves.

Nico: That is gonna be so cool.

?: I'll say.

We saw the Conductor and his puppet Ticket.

Red Hood: Hi there! You must be the Conductor and his trusty puppet, Ticket!

Conductor: That's right.

Ticket: Pleasure to meet you and an honor.

Conductor: Same here to the famous Team Loud Phoenix Storm.

Nico: It's a pleasure to meet you too.

Laney: We are honored to be on the Rainbow Express.

Me: We sure are.

Nico: Also it was so cool that you were a Purple Ranger for one time. It would be so awesome if you were helping the entire ToQger Ranger Team.

Right: It sure would be awesome.

Conductor: I appreciate that you would like me on the field. But the ability to transform would be virtually wasted on me. (gestures around him) This is where I spend my days, helping out the ToQgers as a mentor, not a fighter.

Bronze Kneecap: That's not true. If anything, the ability to transform would be wasted on Ticket.

Ticket: Yeah! (realizes what Bronze Kneecap meant and becomes offended) Hey! Wait a minute!

Me: Now that's enough. But Bronze Kneecap is right. Transforming is not a waste. Watch.

I transformed into Super Angel.

Me: It doesn't take that long. This is one of my transformations.

Nico: (Goes Super Saiyan) And this is one of mine.

Eli: (Goes Super Human) And this is one of mine too.

Ets: Wow! So cool!

Emma (ELGVTWD): Awesome!

Me: But you transform into a Purple Ranger and that covers all the colors of the rainbow. (Powers down) Besides transforming as a waste of time is absolutely preposterous. If the rangers and the ToQger Rangers can do it in a split second then so can you to help out.

We powered down.

Conductor: Oh you're right. If you can do it then so can I. But only if you all can help me be like you.

Me: Done. We'll gladly help. Besides it's really cool. Also With Great Power Comes Great Responsibility.

Lola: But it's really awesome that you have a train powered by imagination.

Me: It sure is.

Right: It sure is cool huh?

Me: Also the power of the imagination knows no limits. Watch.

I fired a pink beam of energy from the middle of my forehead and it hit Kagura and she was in a pink bikini swimsuit and was smoking hot.

Kagura: Hey look at me. (Strikes a pose) Like what you see Right?

Right: (Entranced) Abbra.

We laughed.

Me: Hubba hubba.

Muscle Man: Hey, Right. You know who else likes using imagination?

Sandman: (grins) I know the answer to this question.

Muscle Man: My Mom!

We laughed at his joke.

Right: I don't get it.

Lola: We don't either but his jokes are funny!

Mordecai: Yeah they sure are.

The ToQger Rangers saw that Leni looked sad.

Right: You okay, Leni? You look sad.

Griffin: Leni's concerned that she hasn't contributed much to the team.

Leni: You don't have to say it in a nice tone, Griffin. Just say it as it is! There's no point in having me on the team! Ever since I got my powers, I've only gotten 1 new transformation! And I'm so dumb that I'm not a genius like Lisa! (sobs) I'M SO USELESS!

Kagura: Leni, don't say that!

Gravity Man: Yeah! I mean, how many people on the team besides you and me have gravity powers?

Me: Yeah Leni! And also your Royal Defenders self and male self have gravity powers too. You are not useless. Also you have Poison Ivy's powers too.

Nico: Right I forgot about that.

Me: Yeah and also so does Carol with King Ghidorah's powers. And like Rarity and Carol said you are also a great fashion designer and make great clothes and help Varie, Rarity, Maria and Teresa with the Emergency Fashion Team.

Nico: That's a short name.

Me: It's a work in title.

Nico: Oh.

Me: And lets not forget that you have an awesome bunch of friends and have an awesome boyfriend.

Ed: Yeah Leni.

Sakura Haruno: That's right Leni. You are not a useless member of the team. I once thought like you Leni.

Leni: Really?

Sakura Haruno: I sure did. When I was starting out as a Genin, I once thought that I was a useless crybaby that would rather wait for her knight in shining armor to come and save her. I thought that I was a worthless girl but I was wrong. My friends and love makes me stronger and it makes me more powerful than ever not just spiritually but physically and mentally too. You can have that same drive too. I got that drive, you can too.

Leni knew that Sakura was right.

Leni: You're right Sakura. If you can do it then so can I!

Me: That's the spirit Leni!

Blast Man: We ran into another one of your enemies on the way here.

Akira Nijino: Blast Man's right. Hound Shadow's back. Which means Count Nair can't be far behind.

Me: I remember him! He was trying to destroy the Safari Line. Then that must mean that the Safari Line landed on Earth like it did before.

Conductor: I did pick up a distress signal from Lady a while ago.

Me: Then we got to find her before he does.

Nico: Yeah!

I pulled up the info on Count Nair's info.

---

**Count Nair** (voiced by Kenichi Maeyamada) is the main villain of *Ressha Sentai ToQger: The Movie - Galaxy Line SOS* .

History

Stationed himself on the space branch of Shadow Line, Count Nair and Hound Shadow rode his Kuliner and pursued Lady to hunt the Safari Ressha while on it's way to Earth. With four other Sfari Ressha lost in space, the Lion Ressha crash-landed on Earth, where Count Nair and Hound Shadow faced the ToQgers. As they retreated, both of them met Emperor of Darkness Z and decided to hunt the ToQgers on himself.

Bringing along an army of Combatant Kuros, he commissioned Hound to take care of the ToQgers while he aboard his Kuliner and attempted to destroy the Lion Ressha along with the ToQ Ressha. It wasn't long until the Lion Ressha managed to get to space and his Kuliner crashed into the groud. While surviving the impact, however he and Hound Shadow defeated by the ToQgers whom used the Safari Ressha to their advantage and finished both Count Nair and Hound Shadow off with "Imagination Rush! Safari Park!" which is the animals that the ToQgers transferred to (a lion, a bald eagle, a wildcat, a crocodile and a panda).

Count Nair had no choice but to fuse with Hound Shadow to form the Giant Nair Hounder. They managed to overpower the Cho ToQ-Oh Police Shield and Build Dai-Oh until the Safari Ressha returned and ToQ1 gou piloted it to form SafariGaOh and with ToQ-Oh, the two Sentai Robo destroyed Nair Hounder with double flying kick.

---

When I was finished reading we were shocked!

Me: Whoa man! He is a monster.

Nico: He sure is. We have to destroy him.

Lola: And we will!

Leni: Yeah!

Dr. Destiny: (to the ToQgers) You guys lead the way since this is our first time with you guys.

Right: Roger that.

Me: Get ready Count Nair (Eyes glow red) we're coming for you.

Kagura: His eyes are glowing red.

Nico: He does that to show that we mean business.

Eli: That's bro for you.

Laney: Guys are there horses running along side the trains?

Nico: No why?

Laney: Look.

We looked out the window and we saw 5 kids riding rocket-propelled horse motorcycles and they were THE SIX-GUM GANG!

---

The Six-Gum Gang are a criminal gang of cowboy-style robbers who work for The Delightful Children From Down The Lane and Father. According to the credits, their names are Runt, Dixie, Wilbur, Lunk and Goof. Runt is the leader of the group, despite being the smallest and seemingly the youngest.

Runt and Dixie were voiced by Jennifer Hale, Lunk was voiced by Dee Bradley Baker, Goof was voiced by Tom Kenny, and Wilbur was voiced by Ben Diskin.

History

They made their first appearance in "Operation: R.O.B.B.E.R.S.", where they staged a hold-up on a school bus, stealing other kids homework and giving it to the Delightful Children so they can get extra credit for it. They were only shown stealing A+ homework.

In "Operation: F.O.U.N.T.A.I.N.", Lunk was delightfulized and used by the Delightful Children From Down the Lane. He interrogated Leaky Leona to ascertain the location of the Fountain of Youth and was told by his brainwashers to watch for intruders as they went down into the catacombs under Gallagher Elementary School. Lunk was then distracted by a hoop bracelet by its shininess that had dropped from Leona's wrist, and was immediately defeated by Numbuh 5, who was sitting in the stall behind him and kicked the door into him, hitting his head through the wall.

The Six-Gum Gang won in this episode, but their actions backfired on their boss(es) when Mrs. Thompson saw Numbuh 4's terrible homework, and believing it to be their work, sent them to detention.

They later appear in "Operation: E.L.E.C.T.I.O.N.S.", where they were appointed as the DCFDTL's Hall Monitors when they are falsely elected as school president. They were fired from the force and tossed into Permanent Detention along with their employers after the DCFDTL were removed from office.

In "Operation: S.A.F.E.T.Y.", they are seen attending a "butt-busting" contest at the school playground.

In "Operation: M.E.S.S.A.G.E.", they were told by Wilson Woodrow to give Numbuh 2 a secret message that was intended for Muffy Jenkins. Numbuh 2 left the message in Eggbert Eggleston's office.

They were last seen in "Operation: I.N.T.E.R.V.I.E.W.S.", trying to steal one of the Truck Driver's pianos, which Lunk accidentally crushed Runt with it, just like what happened to Numbuh 4 in "Operation: P.I.A.N.O.".

---

Numbuh 1: It's the Six-Gum Gang!

Lana: Wow! They look like train robbers!

Me: Train Robbers from the American Old West to be exact.

Numbuh 1: But they were also the minions of the Delightful Children from long ago.

Me: Obviously they haven't gotten the memo that Father is dead.

Nico: No they haven't.

The Six-Gum Gang came aboard and they were looking at us.

Runt: Team Loud Phoenix Storm it's an honor.

Ruth: It sure is pardners.

Stalker: (to the Six Gum Gang) I take it that you guys joined the

Masters of Evil today?

Runt: You better believe it partner!

Lola: Wow!

Me: Looks like we're gonna have a bunch of Old West Outlaws in them.

May: I can't wait to see how cool it is to try out something I saw in the movies with you guys.

Ruth: What's that?

May: Chase you while riding my Blue Flame Rapidash in a battle.

Goof: Now that will be fun!

Wilbur: Yeah!

Me: I take it you are gonna be one the ToQger Ranger's archenemies?

Lunk: You got it pilgrim!

Runt: We chose Right as our archenemy.

Right: Oh wow!

Me: (Imitating John Wayne) You chose a fine adversary little man.

Runt: Thanks and good John Wayne imitation.

Sea Clamp: Before we take Count Nair out, why don't we have the usual battles now?

Me: Good idea Sea Clamp. Maria call them in.

Maria: Roger that.

Me: Right you and the ToQger rangers are all in for a great show. I think I can help set up something for us to fight in an arena.

I concentrated and then on top of the trains a fighting stage appeared on top both of our trains.

Nico: Cool!

Right: Wow! That's genius thinking.

Akira Nijino: It sure was.

We got onto the arena and Beautiful Gorgeous, Red X, Spymaster, Rojo, Shiv, Krusty, Common Cold, Whiplash, Killer Croc, Count Marzo, Shrapnel and David Cain then appeared!

Me: Beautiful Gorgeous, Red X, Spymaster, Rojo, Shiv, Krusty, Common Cold, Whiplash, Killer Croc, Count Marzo, Shrapnel and David Cain. 4 of you guys must be extra battles.

Krusty: Hey hey kiddies! (Goofy Laughter)

Red X: We sure are.

Spymaster: But this is gonna be fun.

Shiv: It's an honor to meet the ToQger rangers.

Common Cold: I see you guys met our newest recruits and your archenemy for Right. (Sneezes)

Hikari: We sure did. And bless you.

Common Cold: Thank you.

Me: He can't help that. He's sick all the time hence why they call him the Common Cold.

Hikari: Poor guy.

Beautiful Gorgeous: You having a Happy Birthday, Nico?

Nico: Damn right I am!

Krusty: Well, it's not a birthday without a clown like me! (laughs)

Red X: Well, you don't have to get too excited about it.

Spymaster: (to Leni) You feeling okay, Leni?

Leni: I'm totes much better.

Me: Awesome! And Nico had the best birthday ever.

Lori: Yeah he literally did!

But then we heard crazy laughter and 3 figures came out! 2 of them were the Laughing Green Ghosts and the third one was the Hypnotizing Clown Ghost!

Shaggy: ZOINKS! It's the Laughing Green Ghosts and the Ghost Clown!

Green Ghosts: (Laughing Crazily)

Clown Ghost: You will soon feel the fun of time, and then your thoughts will soon be mine.

Me: I wouldn't count on it.

Twilight Sparkle: What were they known for?

Qin: The Laughing Green Ghosts were really Carlsgood Creeps and his partner Mr. Crawls and the Clown Ghost was really Harry the Hypnotist. Creeps and Crawls were trying to scare the heirs of a huge fortune off an island to make sure they don't spend the night to collect it. It was really $1,000,000 in Confederate Money. Money that was totally worthless.

Applejack: So they scared away all those people all for nothing.

Qin: Yeah they got totally screwed over big time. They scared them all for nothing. Harry the Hypnotist once worked at a circus and he wanted revenge after he was caught stealing and sent to prison. They were both busted. Creeps and Crawls got 20 to 40 years for their crimes and Harry the Hypnotist got 50 years for his crimes.

Twilight Sparkle: And then life right?

Qin: Yep. 5 Life Sentences for Creeps after he and a bunch of others tried to kill the gang.

Fluttershy: Goodness.

?: That sure is crazy.

A figure came out and it was GARBAGE WARRIOR from episode 25 of Operation Overdrive!

---

A bowling ball-headed monster with a body of multiple other themes (such as a fan, an air conditioner, and other garbage) was summoned by Kamdor alongside other monsters to fight the Rangers while he snagged the Star of Isis located somewhere in the Everglades. He fought Dax after being created, and wielded a bowling pin. He was the first monster to be destroyed by the Red Sentinel Ranger after being hit with a power punch.

---

Mack Hartford: Garbage Warrior!

Garbage Warrior: Been a while rangers!

Me: I remember you! You were sent by Kambor to fight the rangers while he got the Star of Isis. Also you were the first monster to be destroyed by the Red Sentinel Ranger with just a Power Punch.

Garbage Warrior: That's right J.D. Good memory on you.

Me: Never missed an episode.

Right: How did you know what he does?

Me: We watched all of the series of Power Rangers both in Japan and in America from over the last 46+ years. It's amazing how many monsters and enemies that all the rangers faced from 1975 and ongoing.

Nico: It sure is.

Garbage Warrior: (to Operation Overdrive Rangers) This is actually my first full battle against you Rangers.

Mack Hartford: Boy it sure is. This is gonna be fun.

Me: I can't wait to see it.

Then a vortex of darkness appeared and it was EMPEROR Z!

Me: Emperor Z, I presume?

Emperor Z: That's right and it's an honor to meet you J.D. Knudson of Team Loud Phoenix Storm.

Me: And it won't be the last time. This is gonna be interesting to see how you fair against me to look for the sparkle. Even though you already found it in Right.

Emperor Z: Indeed.

Vypra then appeared.

Vypra: Maria told me that you have what it takes to be one of us Z. I've heard a lot about you. You look like you have all the qualities of a member of the M.O.E.

Emperor Z: It will be interesting.

Me: It sure will.

Emperor Z: Also, Vypra has my permission to include the Shadow Line Monsters in her forces.

Maria: And the generals?

Emperor Z: Sadly, General Schwarz is the only one who agreed to be part of the Masters of Evil.

Me: That's all right with us. And I think we have the perfect archenemy for him.

Ink Rose: The forces of darkness are telling me that I would be a perfect match for him.

Brittney: And they would agree.

Me: Cool. Lets get it on!

Sweetie Belle: They sure are. It's horrible that the Power Rangers and Sentai Villains are that ruthless and evil.

Hikari, Khorror, Sherman and Spinner Cortez and Henry were smashing and mashing the Kuros all over.

Zoom: Thanks Kagura.

They were blasting the Kuros all over and smashing them all over.

Akira, Tezz, A.J., Sage (Battle Force 5) and Nira were pulverizing and slashing and blasting the Kuros all over.

Akira: (gives Tezz Drill Ressha) AJ already has a drill on his vehicle. So, you can use this.

Tezz: Thanks Akira.

He used the Drill Ressha and mowed down a bunch of Kuros. The Kuros were all dead and destroyed!

Right: Time to enter Hyper Mode!

He put in the Hyper Ressha and he donned his Hyper Mode Battlizer! He had a gold train shoulder armor on.

Me: **WHOA! Right that battleizer is sweet!**

Right: Thanks.

Me: **Lets finish him!**

The Rainbow Rush attack summoned a sea bear and mutant bear that growled at Count Nair and Hound Shadow and they merged with the blasts.

Maria: (laughs) They're in for it now!

The blasts all hit Count Nair and Hound Shadow and they exploded in a massive explosion of fire!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then a massive vortex of darkness exploded out and Count Nair and Hound Shadow were giant!

Me: **OH FUCK ME SIDEWAYS!**

Then a figure appeared and it was BARON NERO!

---

**Baron Nero** is one of leading members of the Evil Army Shadow Line and the secondary antagonist of *Ressha Sentai ToQger* . He is the acting leader of the Shadow Line before Emperor Z's arrival.

He is voiced by Jun Fukuyama, who also voiced Lelouch Vi Britannia and Grell Sutcliff.

History

As acting leader of the Shadow line, Baron Nero believes that amassing darkness is vast amounts is essential to bring Emperor Z into the human world. This leads to him clashing with Madame Noir over her prepping Miss Gritta and using her Shadow Creep followers to gather darkness by quality. When Emperor Z arrival is ready, Nero sent General Schwarz to retrieve their leader before learning Z left the Kurainer in prematurely to enjoy the sights in the human world.

Upon finding Emperor Z, Nero is shocked by his leader's obsession with light and initially dismissed it as a phase before becoming overly concerned when he learns Noir is using the wedding of her daughter to the emperor for her own ambitions. But after Z consumes Glitta, Nero accepts his leader's ideals that the Shadow Line must consume light to take over the world as he begins taking an more active role.

---

Me: **Baron Nero! I remember you!**

Baron Nero: Indeed J.D. Knudson.

Akira Nijino: Baron Nero. So you're back as well.

Baron Nero: Of course I am. After all, I can't let you use your mecha to defeat Count Nair and Hound Shadow, can I?

Emperor Z: Baron Nero, as emperor, I order you to stand down!

Baron Nero: You stopped being emperor when you joined up with that pretender Vypra!

Suddenly, a roar was heard. And then, a strange yeti like creature jumped in front of Baron Nero.

And it punched and pulverized Baron Nero all over the place.

Nicole: Whoa! Wait a second. I know that creature! That's Kameo!

Kameo reverted back and she was a fairy elf.

Kameo: It's an honor to meet the Goddess of Video Games.

Nicole: You too Kameo and it's an honor to meet you for the first time.

Fox McCloud: Is she from the Nintendo world?

Nicole: No she is from the Xbox Universe.

Kameo: That's right. I may need your help later on in the future.

Nicole: We'll gladly be there for you Kameo.

Kameo: Thank you Nicole.

She turned into Pummel Weed and went at Baron Nero.

ToQger Rangers: Ressha Mech Mobilize!

The ToQger Rangers summoned the Rainbow Express Megazord!

Announcer: Thank you for riding. ToQ-Oh is now complete.

ToQgers: All aboard. ToQ-Oh!

Me: **SWEET!**

Eli: Wow! That megazord is so cool!

Lola: Yeah!

Carol: That is amazing!

Me: **Yeah!**

Pummel Weed just finished taking down Baron Nero.

Baron Nero: I won't forget this! (Retreats)

Kameo reverts back to normal.

Kameo: The rest is up to you guys. Good luck, Team Loud Phoenix Storm.

She flew away.

Kameo: (To the viewers) See you all on June 15th.

She teleported away.

We fired energy blasts at Count Nair and Hound Shadow and the ToQger Rangers fired a massive energy blast from their Megazord and destroyed them both!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were blown to smithereens in a massive fiery explosion!

Nico: YEAH! Count Nair and Hound Shadow you both have failed this universe!

We powered down!

Baron Nero: First, the Emperor has betrayed us. And now, Count Nair and Hound Shadow have been defeated yet again?! Damn those ToQgers! I'll make every last one fof them pay!

?: Music to my ears.

Baron Nero turned to see Goche and Mr. Mind approaching him. It was Mr. Mind who spoke.

Goche: What a coincidence. I happen to have suffered a defeat at the hands of the ToQgers as well.

Baron Nero: Wait. I know you!

Goche: You should. I am Goche Re Medou.

Mr. Mind: And I am Mr. Mind. And we come to make an alliance with you. How would you like to make sure the ToQgers and Team Loud Phoenix Storm are destroyed for good?

Baron Zero: I'm listening.

Mr. Mind: Good. We will be working together for this.

OH BOY!

We regrouped.

Me: That was awesome and epic!

Rojo: It really was fun teaming up with you guys.

Right: Thank you. But our adventures with you guys are just starting.

Shiv: Got that right!

Common Cold: Now, all that's left are Yamoto and Lucky's teams.

Whiplash: (to Nico) Was this the best birthday ever or what?

Nico: You better believe it was! YEAH!

Lola: YEAH!

We cheered wildly for him!

Nico: One more thing. (snaps fingers)

Maria: What did you just do?

Nico: I made a copy of the Super Sentai world. Just in case some asshole tries to single handedly conquer it with ease.

Me: Sweet! Good thinking. Lets go home.

Right: Good idea. (To the viewers) We've seen the last of Count Nair and Hound Shadow. We still have many more enemies to face.

Me: And we'll be ready for them. I think your enemies will appear in our usual battles after Super Megaforce and before Dino Charge. ToQger came out in 2014 to 2015 so it will be right around there.

Right: Yeah.

We went back home and the ToQger Rangers were settled in and we had an awesome dinner and went to bed. This was the best birthday Nico had.

THE END

# The Interdimensional Imposter of Iron

In the middle of the city things were going really well.

Tom and Sheila were driving their police car home for the night.

Tom Lair: (salutes to a police officer) At ease, fellow officer.

They were driving down the highway when they spotted something in the sky.

Sheila: What's that?

Tom Lair: It's probably just a passing by jet plane. Don't pay it any mind.

Sheila shrugged as they continued driving. But then, they barely avoided a laser blast that hit the road near them.

Sheila: (looks behind them to see the supposed jet plane) Wait. That's not a passing by jet plane. That's a jet plane sent to kill us!

They continued driving as Tom got a good look at who was attacking them. It wasn't a jet plane at all. It was…

Tom Lair: (eyes widen) Iron Boy?!

IRON BOY!? WHAT THE FUCK IS GOING ON!?

Iron Boy said nothing as he continued firing laser blasts that the police car avoided.

Sheila: Double D, have you lost your goddamn mind?!

He didn't say anything.

"Iron Boy" was about to use his repulsors to blast the police car Tom and Sheila were in off the highway.

Tom Lair: Double D, no!

Suddenly, Keiichiro, Kairi Yano, and Right ran up to them already morphed. "Iron Boy" saw this and flew off.

Right: Is it Double D?

Keiichiro: No. He would never act so cowardly. (runs after him)

Right got Tom Lair out of the car but it fell with Sheila screaming inside it. Fortunately, Kairi Yano, in his Dial Fighter, caught the car just in time.

Kairi Yano: You alright?

Sheila: (dizzy) I'm peachy. (Airbags deploy right in her face)

POOF!

Keiichiro was looking around in an abandoned gas station. He turned and saw "Iron Boy" as he shot his repulsors at him, knocking him out before flying away.

30 minutes later, in the infirmary we were checking up on Keiichiro. Keiichiro woke up groggily.

Ratchet: That's it. Follow the light.

Keiichiro gasped and got up.

Keiichiro: (sighs) Not the best choice of words, Ratchet.

Sakuya: You okay, sir?

Keiichiro: I am. Except being knocked out easily by Iron Boy.

Fu: That's impossible.

Keiichiro: I'm only saying what I saw.

---

Earlier, Me, Maria, Nico and May were playing video games. We were playing Super Smash Bros. I was playing as Lincoln and the girls and Nico were the Super Mario Stars.

Tom and Sheila came in.

Irma: Hey daddy.

Tom Liar: Hey sweetie. Love to talk but we have urgent matters.

Me: Officer Lair, Sheila what's wrong?

Tom Lair: Double D, where are you?!

Fubuki: Sorry, Mr. Lair. But Double D's not available at the moment.

Sheila: I'll take that as confirmation that he's in his Iron Boy suit trying to blast us off the road!

Lisa: Sheila, that hardly seems likely.

Me: Yeah that can't be right.

Nico: Yeah.

Me: I don't understand Sheila. Double D is not here and we are playing video games.

Nico: Yeah what's going on?

Tom Lair: We think that Edd has lost his marbles. He was flying around in a black Iron Boy suit.

Me: A Black Iron Boy suit? How can that be?

Varie: Double D's suit is not black.

Sakuya and Touma came in with a knocked out Keiichiro!

Nico: Oh man!

We took Keiichiro to the infirmary.

In the present we were talking it over.

Me: That is not Edd. He would never be so cowardly like that.

Nico: Yeah it doesn't make sense. Double D would never go off the deep end like that.

Laney: Yeah. I agree.

Lori: Why would Double D literally attack Tom and Sheila like that?

Lynn: Maybe he has amnesia and thinks he's a bad guy.

Lola: (guilty) Or maybe he got tired of our reckless ways and decided to go rogue.

Ed: You guys are jumping to conclusions so easily! Me and Eddy know Double D. He would never do this!

Eddy: Lumpy's right. (goes to the computers) A simple check for Sockhead's signal will show that he's nowhere near the location of tonight's incident. In fact, he's returning right now while not in his armor.

At that moment, Double D walked into the room.

Double D: Hey, guys. (sees our suspicious looks) Something wrong?

Sunstorm: (suspicious) We… were just wondering where you were.

Acid Storm: We haven't been able to reach you.

Double D: I was out shopping… (reaches for something in his pocket)

Thinking it was a weapons, Skywarp and Thundercracker aimed their blasters at Double D.

Nico: Everyone, calm down!

Me: Stand down everyone.

Double D… for some gifts for Linka to celebrate our successful realtionship!

Double D revealed some flowers chocolates he got Linka.

Eddy: (to the others) Guys, this is ridiculous!

Ed: Yeah! Can't you tell that he's the same Double D we know and love?!

We put our weapons away.

Tyler Navarro: (guilty) Sorry about that, Double D.

Tom Lair: (to Double D) Don't blame them, Double D.

Sheila: Earlier tonight, me and Tom were attacked by someone in an armored suit. One that bore a striking resemblance to yours.

Edd: What! That's impossible! I would never deploy my Iron Boy suit like that.

Eli: Double D is telling the truth. I sensed that he was not in that part of the city when this Iron Boy lookalike attacked.

Linka: Aww Double D you are such a sweet guy.

He got kissed by Linka.

His face glowed atomic red and sizzled.

Me: Aww.

Nico: So cute.

Aylene C.: But whoever this lookalike is that is imitating Double D we got to find him.

Double D: It's got to be Jock that's framing me. There's no other explanation!

G1 Inferno: Except Jock and the rest of the Sullen 6 were Super Hakaiied out of existence.

Tyler Bowman: Plus, there are a few other explanations as to why it isn't Jock.

Shope: Jock usually brags and gloats about his armor and weapons and how his suit is more superior to Double D's. The Iron Boy we saw was silent.

Roach: Plus, Jock's previous armors were blue and purple. The suit of the imposter is black.

Kevin Reynolds: And even if the Sullen 6 weren't Super Hakaiied out of existence, Jock would have no reason to go after Tom and Sheila. He would've gone after us directly.

Me: They do have really good points. Double D's Iron Boy suit is red and gold. Whoever has this Iron Boy Knockoff suit is really crafty.

Nico: He sure is. This Iron Boy Suit is something that Tony Stark would make.

Laney: Yeah.

Fu: But whoever built it is really ruining Edd's image.

Nico: We need to find him.

Eddy looked on the radar and the satellites and sure enough he was heading to the Flower Garden where Lincoln and Weiss had their date.

Eddy: Found him! He's over in the Flower Garden.

Shaymin: He's in my home with my fellow Shaymin.

Nico: Strange. Why would he go there?

Me: We'll have to find out when we go there.

Wind Man: How about we go to the Flower Garden to find the imposter tomorrow? It's getting late.

Me: Yeah it is getting late. Lets hit the sack everyone.

Nico: Right. Night everyone.

We went to sleep for the night.

Later the next morning after breakfast we got ready to go solve the mystery of the Black Iron Boy Caper.

Krusty, Shiv, Red X, Beautiful Gorgeous, Common Cold, Spymaster Rojo, and Whiplash then appeared.

Krusty: Hey hey kiddies! (Goofy Laughter)

Me: Hey Krusty. Hey guys.

Krusty: Can me, Shiv, Red X, Beautiful Gorgeous, Common Cold, Spymaster Rojo, and Whiplash go with you guys?

Me: You all sure can Krusty. There's an Iron Boy imposter running around and we tracked him to the Flower Garden that Shaymin came from.

Shaymin: (Through Telepathy) We have to stop him from ruining Double D's image.

Dawn: I bet I know who's behind all that! Zero!

Me: Wasn't he that assistant of Professor Newton that is now out to destroy the world?

Ash: That's him.

Me: Hmm.

I pulled up his info.

Zero is the main antagonist of the movie Pokemon: Giratina and the Sky Warrior. He resides in Giratina's dimension, the Reverse World, and wants to harness its power to destroy the Real World and protect and forever live in Giratina's realm.

He was voiced by Parker Anderson.

In the Reverse World, Zero worked with Professor Newton, studying the Reverse World. They soon became interested in the powers of Giratina, the Pokemon that controlled the Reverse World. Professor Newton and Zero began to work on a project to obtain Giratina's power, but when Newton realized it would mean the death of Giratina, he deleted all of his blueprints.

Years later, during the events of the movie Pokemon: The Rise of Darkrai, the battle between the spatial Pokemon Palkia and the temporal Pokemon Dialga left the Reverse World in a state of ruin, with the place overflowing with toxic clouds. Giratina became infuriated with Dialga and Palkia. Sometime around this time, Zero built the machine he and Newton were planning, knowing all the blueprints by memory.

Giratina finds Dialga at a nearby lake when Dialga starts to drink. Using the reflection in the lake, Giratina opens a portal to the Reverse World, dragging Dialga in and sucking in Shaymin, a Pokemon who happened to be nearby. Zero watches the battle between Dialga and Giratina. Shaymin, who happens to be caught in the fray, uses its move, Seed Flare, to protect itself. This allows Dialga to hit Giratina with Roar of Time, and manage to escape, along with Shaymin. Dialga's attack made Giratina unable to leave the Reverse World. Zero realizes that Shaymin's power can open up the portals inside the Reverse World, and is determined to capture Shaymin and release Giratina.

Shaymin finds Ash and his friends, and after a series of events, Ash and his friends decide to return Shaymin to the Flower Garden. As they are traveling, they get attacked by Zero, who is controlling hordes of Magnemite and Magneton, along with one Magnezone. Ash, Shaymin, and co. flee and hide in a train, but are soon discovered. Shaymin, transformed into it's sky form after absorbing the pollen of a boquet held by a passenger, aids Pikachu and Piplup in the fight. They manage to escape. Boarding a ship and heading to the Flower Garden, they soon get pulled back into the Reverse World. Meeting up with Professor Newton again (he helped them escape earlier in the movie when they were pulled in), they get captured by Zero, who forces Shaymin to use Seed Flare to rescue Ash and co.

A portal opens, and Zero encourages Giratina to enter the real world. There, he captures Giratina with his machine (the project Newton deleted the blueprints to), and begins to absorb Giratina's power. Ash, Dawn, Newton, Shaymin, and Pikachu board Zero's machine as it absorbs Giratina's energy. Newton enters the machine and shuts it down, as the others hold off the hordes of Magnemite and Magneton. The machine crashes after absorbing 99% of Giratina's energy. Shaymin heals Giratina using it's move Aromatherapy. However, an escape pod launches from the crashed machine- with all of Giratina's powers. Zero, inside the machine, enters the Reverse World with Giratina, Ash, Pikachu, and Shaymin in hot pursuit. Zero begins to destroy certain foundations in the negative world that causes a giant glacier to slide towards the Flower Garden- and the towns nearby. Giratina teams up with Ash, Pikachu, and Shaymin to fight Zero and his machine. The chaos awakens an ancient Pokemon- Regigigas. It leads a herd of Mamoswine to hold back the glacier in the real world while Zero and the others fight. Shaymin uses Seed Flare to open a portal to the real world, while Giratina and Ash help to push the machine out. The Mamoswine hit the machine with Ice Beam, freezing it against the glacier. Later, he was arrested by Officer Jenny.

---

When I was done we were shocked!

Me: Whoa man! So he's out to destroy the world thru an alternate universe called the Reverse World!

Lola: Whoa man! This is bad!

Eli: We have to stop him!

Lenalda: And it looks like he is gonna get acquainted with me when I show him the power of Giratina.

Me: And get this. 3 weeks ago he escaped from prison.

Ash: What!? But how?

Me: He snuck out through the prison garbage system.

Nico: Stinky and clever.

Lola: Yeah.

Me: Lets go!

We were off to the Flower Garden.

---

We arrived at the Flower Garden.

Sixshot: Look at all the beautiful flowers.

Me: The flowers are always beautiful here.

Laney: They sure are and I love the smell of nature.

Lisa Simpson: It's so beautiful out here.

Weiss: And it is just as beautiful as when we had our date here Lincoln.

Lincoln: You said it Weiss.

Fluttershy: It sure is beautiful. And look at all the Shaymin. They are so adorable.

Laney: They sure are.

Dawn: I'll never forget what it was like when I was here the last time.

Nico: It sure is beautiful.

But then we heard explosions and we followed them and saw a man being attacked by the Black Iron Boy!

Professor Newton: Who are you?!

Iron Boy imposter: My name is Iron Boy aka Eddward Double D. And I bring you this message. (opens fire with his repulsors)

Professor Newton ran.

Me: Lets go help him!

I fired an energy blast and it hit the Black Iron Boy's arm and blasted it off and then Common Cold fired snot at the Iron Boy imposter but it avoided them before flying off.

Common Cold: That jerk has the nerve to call himself Iron Boy?

Double D: Exactly! I would never run from a fight! At least, I don't anymore.

Me: I never run from a fight either!

Professor Newton: Thank you all so much.

Me: You're welcome professor.

Professor Newton: Why Team Loud Phoenix Storm it's such an honor to meet you all.

Me: Same to you Professor Newton. Ash, Dawn and Brock told us so much about you.

Ash: Good to see you again Professor Newton.

Pikachu: Pika!

Professor Newton: Ash, Dawn and Brock and Pikachu it's great to see you again.

Dawn: Same to you Professor.

Me: Sorry about what happened with that impostor Iron Boy.

Professor Newton: It's all right.

Me: We think that Zero might have built it.

Professor Newton: But that's impossible! Zero is locked up in prison where he belongs.

Me: We think he might have escaped.

Varie: Yeah he got out through the prison garbage system.

Professor Newton: Oh man.

Elec Man: You know, your name sounds similar to Isaac Newton.

Me: I was just about to point that out. Isaac Newton is one of my favorite mathematicians.

Lisa Loud: Indeed and he is the famous scientist that discovered gravity.

Applejack: Wasn't he the man who discovered gravity?

Lily: Yep. By sitting under an apple tree.

Me: Which is amazing.

Professor Newton: Indeed and that is right.

Laney: Yeah.

Beautiful Gorgeous: Before we talk any further, I want to ask something.

Professor Newton: What's that?

Beautiful Gorgeous: Can I hug the cute little Shaymin?!

Nico: They are cute aren't they.

Me: But they pack a massive and explosive energy ejection output with their Seed Flare attack. Nico remember seeing how powerful the Seed Flare was when we went to the Saint Patrick's Day Festival in Ireland 2 years ago?

Nico: Boy how can I forget. That was incredible!

Laney: Yeah that was as much power as a nuclear explosion.

Shaymin: I do have amazing power huh?

Dawn: You sure do.

Me: That was intense.

Varie: But it was really something.

Lana: Yeah it sure was.

Aria Blaze: How did Zero even create his own Iron Boy armor to begin with?

Maria: My guess is that he saw all our adventures on the news.

Double D: For him, it was only a matter of finding blueprints for my armor.

May: All he did to do was copy the armor from inside to out.

Nico: And say hello to IronWarhawk!

Me: Ooh good name.

Iron Man: That's perfect for him.

Me: Nice. And Zero does have a photographic memory.

Laney: Just like Bane.

Me: Yeah. He is a very smart guy too. Ash how did you all defeat him before?

Ash: Me and Giratina destroyed his ship and expelled him from the Reverse World.

Me: Whoa. That's amazing that the legendary Pokemon of Dimensions, Giratina helped out.

Red X: If Zero wants Giratina, we'll gladly bring Giratina to him!

Me: Leave that to me.

I flared up my rainbow aura and a roar was heard and out came the legendary Pokemon of Dimensions, Giratina!

Lenalda: WOW!

Nico: Wow! Just like when he helped us take on Dialga and Palkia.

Dawn: Wow!

Giratina roared.

Me: Giratina can you help us take down Zero again like you did before?

Giratina roared in agreement.

Magnet Man: Zero's HQ is in the Reverse World, right?

Me: That's what we were told. It's another universe that is connected to this one somehow.

Nico: We'll have to see it to believe it.

Lenalda: I can't wait to pummel that monster into pulp.

Me: Me too.

Whiplash: How are we getting to the Reverse World?

Giratina roared.

Me: We have to follow Giratina.

We followed Giratina.

Tom Lair and Sheila then appeared.

Tom Lair: Let me come with you guys too.

Cheetah: That's not an option, Mr. Lair. It's too dangerous.

Tom Lair: Look, I'm not planning on fighting IronWarhawk again. But there's a human element in play here. And I am a highly trained police officer, after all.

Irma: Plus, Zero tried to blast Dad and Sheila off the road. This is personal for them!

Sheila: I know but this is personal for us too.

Nico: But if you want a piece of the action yourselves then we won't stop you.

Lynn: We still owe you guys one for letting me and the Masters of Evil bring that evil version of me to justice.

Tom Lair: You're welcome Lynn.

Irma: Okay daddy. We'll let you help us.

Me: Also Officer Lair, I made this for you.

I handed him two arm gauntlets that are like those of Space Ghost.

Tom Lair: Wow! These look just like the arm gauntlets of Space Ghost.

Me: Exact copies of them. I watched Space Ghost all the time in my youth and he is awesome.

Tom Lair: So cool!

Tom put them on and we were off and following Giratina. We flew through a portal and we arrived in THE REVERSE WORLD!

---

The **Reverse World** (Japanese: 反転世界 *Reverse World* ) is another universe directly opposite the Pokémon world. It is where Giratina resides and it plays an important role in *Giratina and the Sky Warrior* .

It is depicted as an ultimate world in which there is no solid ground where it might be expected and mirror images of scenery is in vertical symmetry with itself. According to Newton Graceland, it is a location of which is exactly opposite of the world of reality. The force of gravity in this world gets weaker or stronger depending on the subsequent areas or locations.

The Reverse World has a direct and symbiotic connection to the Pokémon world; even though these two worlds work together side by side, they do not intersect at all. Whenever there are imbalances in the real world, it takes in abnormal pollution from the Pokémon world, which assumes the form of poisonous clouds, and then corrects them to maintain the balance between time and space.

Many pillars and crystal shards freely float around the Reverse World, depicting objects in the real world. If the shards are shattered or if any part of a pillar is destroyed, an explosion happens in the real world near the place or thing within the shard or whatever the pillar is currently mirroring. Giratina has the exclusive ability to stop a glacier from collapsing by repairing the damage it sustained in the Reverse World.

In order for Giratina to return in the Reverse World, it unleashes a powerful whirlwind it emits from its mouth into a surface, and opens the portal that leads to the world's entrance. Shaymin may also use Seed Flare when toxic air is nearby and create a portal.

It was also mentioned occasionally, and briefly seen during the opening montage and ending credits of *Arceus and the Jewel of Life* .

---

Me: WHOA!

Rojo: So this is the Reverse World? Spooky.

Me: Wow! What a freaky place. It's like we're in a combination of another planet and another universe where the very physical laws of nature don't apply.

Nico: Yeah it's amazing.

Lola: It sure is amazing!

Laney: Wow!

Lenalda: Wow! So this is Reverse World. I always wondered what it was like.

Lana: This is incredible!

Naruto: Wow! It's freaky.

Sakura H.: It's hard to imagine that a world like this is even here in our world.

Me: But it's connected to our Earth somehow.

Lucy Loud: It sure looks amazing.

Lily: Yeah.

We flew around and it was something. The crystals were all filled with images of the world all over connected to those very places.

Me: Wow! These crystals in this world have images of the many places we went to all over the world.

Eli: This is amazing and really cool.

Ets: This is my first time in another universe and it's already got me so intrigued.

Emma (ELGVTWD): Wow! This is amazing that it's like this.

Iron Boy: Alright. Split up. If you see anything, take it down. Even if it's me.

Teresa: You got it!

Zero was watching this from the monitors.

Zero: Team Loud Phoenix Storm is persistent. (smirks) Too bad it'll be their undoing.

Buzzer Beak was looking around when he heard something. He turned to see IronWarhawk in the shadows.

IronWarhawk: (pretending to be Iron Boy) Buzzer Beak, be on your guard. My double could be anywhere.

Buzzer Beak squawked.

IronWarhawk: I'm sorry. What?

Buzzer Beak squawked in anger and charged at IronWarhawk but he knocked him out with one punch.

I fired a wave of energy and it hit the IronWarhawk and exploded!

Me: You ruined Double D's image for far too long.

Shiv: Let's slice open this tin can!

Iron Boy (steps forward): No, Shiv. He's mine.

Zero: (through IronWarhawk) Iron Boy. So nice to finally meet you.

Iron Boy: The deception ends here, Zero!

Zero: (through IronWarhawk) Does it?

Me: You have tormented Edd for far too long Zero!

I unsheathed my sword and slashed him and cut him open. He was empty and full of chips.

Me: Whoa! He's a remote control robot!

IronWarhawk fired its repulsors at Iron Boy, but he dodged them.

Zero: (through IronWarhawk) My robot chassis possesses all your strength, speed, and firepower. (dodges Iron Boy's punches and punches him back) Add my martial arts training and I've clearly made the perfect tech soldier. (grabs Iron Boy by the throat) But the key difference between you and me? My body can't feel pain! (shoves Iron Boy into the ground)

Iron Boy: (chuckles weakly) This would hurt a lot more if you just added swords to your armor.

Zero: (through IronWarhawk) Joke all you want. But this is just the beginning. Imagine an army of robots like your armor. I could crush anyone that opposes me, including Team Skull! No one would be able to get in my way again.

That's when Tom Lair and Sheila bust into the room Zero is in.

Tom Lair: Think again, Zero!

Zero: Tom Lair and Sheila Castille. In the flesh at last.

Sheila: We're pulling the plug on your video game!

They fired energy rays and burned his controls and destroyed them!

Sheila then grabbed Zero and spread her wings and flew out and Irma grabbed Tom and they flew out just as the ship exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Zero: NOOOOOOO!

Me: Now lets get out of here and fight.

I grabbed the Black Iron Boy Suit and we were outside in our world.

Tom Lair punched Zero but he got up and kicked him away.

Tom Lair: (recovers from this) Martial arts training?

Zero: Just like I told Iron Boy. Been doing it since I was a teenager. What about you two?

Sheila: Same. Except we got it from police academy training.

Zero: Interesting. Though I wonder why you haven't turned into your monstrous spider form.

Blot: (chuckles) Oh, they're not trying to defeat you on their own. They were just buying time for your old friend to get here.

Giratina roared and he came and fired a blast of energy and it hit Zero and smashed him down.

Lenalda then came and kicked Zero in the face.

Lenalda: Zero you didn't count on one thing.

Zero: And what is that?

Lenalda spread her wings of Giratina.

Lenalda: That I am also a Giratina!

Lenalda smashed and punched Zero all over with incredible fury.

Spymaster: (to Lanalda and Giratina) I think you two can handle it from here.

Lanalda: With pleasure!

Giratina roared.

Noah Carver: There can be only one Iron Boy!

Megaforce: Legendary Ranger Mode: Lightmask Squad!

The Megaforce Rangers turned into the Maskman Rangers.

Me: Lets get him guys!

We went at IronWarhawk!

Chaor, Dhilas, Cyrenox, Mudeenu, Kamengareth, and Lyssta blasted and pulverized the IronWarhawk all over the place with incredible fury!

Sunstorm, Fubuki, Inferno and Fu used the Earth Cyber Planet Keys and they enhanced Sunstorm's Heat Seeking Missiles, Fubuki's Ice Style Techniques, Inferno's Extinguisher Rifle and Fu's Jinchuriki Powers 100-fold.

Sunstorm and Fubuki: COLD FLAME MISSILE BARRAGE!

Sunstorm fired numerous missiles and Fubuki fired a wave of ice fire.

They fired waves of energy.

Lincoln, Jessica, Gluko, Batch, Entrapta, Perfuma, Frosta, Hilda, Toph, Shantae, R. Mika, Menat, Nanami, Yuna and Mai: FINAL SMASH: URSHIFU STRIKE BARRAGE!

They unleashed their own Urshifu and the blasts all smashed into the suit and destroyed it and reduced it to scrap metal and it was gonna be of no use to anyone now.

Lenalda kicked Zero in the face and knocked him down and smashed him all over and he grabbed a tree branch and so did Lenalda and they clashed and were really going at each other.

Zero: IT'S OVER!

Lenalda: Take your best shot you bastard!

Lenalda and Giratina: DIMENSION OBLITERATION BLAST!

They fired a wave of energy and obliterated Zero in an instant and it Super Hakaiied Him!

Lenalda: Good riddance.

Me: That's it for those clods.

Lenalda: Good riddance.

Professor Newton: I failed him.

Me: It's not your fault Professor Newton. He brought all this on himself.

Nico: Yeah.

Me: Lets go home.

We went back home.

---

We got back home in time for lunch.

Me: WHEW! What an adventure. And we got back in time for lunch and for the usual battles.

Nico: You said it.

Naruto: I can't wait to eat some of Lynn Sr.'s leftover chocolate chip pudding cake with my ramen for dessert.

Laney: (Drools) Get in line Naruto. I called first dibs on that.

Naruto: I can share with you Laney.

Puff, El Diablo, Molten Man, Evil Lyn, Dr. Light, Wolf, Leonard and Trickster then appeared.

Me: Puff, El Diablo, Molten Man, Evil Lyn, Dr. Light, Wolf, Leonard and Trickster.

El Diablo: Just got back guys?

Me: Yep and we were about to eat lunch.

Puff: Can't have our usual battles on an empty stomach.

Nico: Nope.

Puff: You guys sure had a busy day.

May: We sure did.

El Diablo: But we heard that you guys buried the imposter before taking out Zero.

William: Damn straight! Even though the controls were destroyed.

Molten Man: At least the imposter didn't do any real damage.

Evil-Lyn: (to Double D) I'm glad you found time to buy romantic gifts for Linka.

Edd: Thank you Evil-Lyn.

Linka: He is the best boyfriend ever.

Me: Aww. Sorry you guys missed out on all the fun.

Puff: That's okay. Thank goodness Zero got what is coming to him.

Me: You said it. Lets eat our lunch before we head to the gym.

Molten Man: Good idea.

We went and got our lunch and ate and then went to the gym.

Me: Okay now we're ready.

?: Not without me you're not.

A figure came out and it was CARDEN from episodes 10 and 11 of Jungle Fury!

---

Carden and Bai Lai served Carnisoar. Carden performs graceful air maneuvers with his twin swords. Carden has light coloring and an extended right wing, complimenting Bai Lai's dark coloring and extended left wing. They were summoned by Carnisoar, who ordered them to gather the fear of people to destroy Ocean Bluff. They attacked the city and easily defeated the Rangers. Then they grew and defeated the Jungle Pride Megazord using their ability to fly. They left. Then they returned and easily fought with Casey and Lily, while Theo trained with Master Swoop. Then Theo returned and defeated the monsters with the Jungle Fan. Then they grew again but the Rangers formed the Jungle Pride Megazord and combined it with the Bat Animal Spirit. Carden was defeated and thrown in the rock, while Bai Lai was destroyed. Carden wanted to avenge him. He returned to Carnisoar and asked him to let him avenge Bai Lai. Carden returned and again attacked the city. He fought with Lily, who defeated him single-handedly using her Cheetah Jab attack. Carden grew but he was destroyed by the Jungle Pride Megazord with Bat Power.

---

Lily Chillman: Carden!

Carden: Been a while Rangers.

Me: I remember you! You and your friend Bai Lai served Carnisoar and you both were sent to gather fear of the people of Ocean Bluff to destroy the city.

Carden: That's right J.D. Good memory.

Nico: Never missed an episode.

Casey Rhodes: Bai Lai's not with you?

Carden: Mistress Vypra wants to see how the two of us do separately.

Me: That makes sense.

Lola: This is gonna be interesting.

Then we heard scary and ominous laughter and two figures came out. It was THE SPACE KOOK and THE RAMBLING GHOST!

Zhaggy: ZOINKS! It's the Spooky Space Kook and The Rambling Ghost!

Qin: These guys are ugly.

Twilight Sparkle: What were they known for?

Qin: The Spooky Space Kook was really Henry Bascomb, he was dressing up as the Spooky Space Kook to scare everyone and buy an abandoned air space really cheap. The Rambling Ghost was really Buck Bender who got fired from a football team and he swore to get revenge. Henry Bascomb got 40 years in prison and Buck got 50 years.

Pinkie Pie: And then life right?

Qin: Yep. Life without parole.

Sailor Mercury: I'll face the Space Kook.

Gusty the Great: And I'll face the Rambling Ghost.

Nico: Sweet! This is gonna be good.

We got the battles underway.

Lynn: He sure did.

Lynn Jr.: Yeah good riddance.

Elephant Spirit Ranger: **"With the spirit of an Elephant! Jungle Fury Elephant Ranger!"**

Jarrod: **"With the spirit of the mighty lion! Black Lion Warrior!"**

Camille: **"With the cunning of a chameleon! Green Chameleon Warrior!"**

All: **"We summon the Animal Spirits from within! Power Rangers Jungle Fury!"**

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

Megaforce Rangers: LEGENDARY RANGER MODE! JUNGLE FURY!

The Megaforce Rangers turned into the Jungle Fury Rangers too!

Stella Zhau: So awesome!

Lincoln: Yeah it is!

Lola: Lets get him!

Rangers: CLAW CANNON!

They summoned the Claw Cannon!

Rangers: CHARGING! POWERED BY ANIMAL SPIRITS!

R.J.: WOLF BEAM!

Dominic: RHINO SHOOTER!

Stella Zhau: Lets get it on!

Stella, Lola and Lincoln fired blasts of lightning and fire and the Rangers fired energy blasts and the blasts all hit Carden and he went flying and exploded in a massive fiery explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Carden was dead!

Stella Zhau: Yeah! Like Nico says, Carden you have failed this universe!

Then a red glow formed on Stella's right hand ring finger and she saw that she had a ring with a red gem on it that had a Crane in it.

Stella Zhau: Wow! The Crane Spirit chose me.

Isabel: The Crane Spirit is perfect for you Stella. They represent Longevity, Good Fortune and Happiness.

Stella Zhau: Wow! That is amazing!

A red light then appeared and it landed in Stella's hand. It was the Red Crane Wild Zord Crystal.

Stella Zhau: Wow! The Crane Wild Zord Crystal.

Lola: That is so cool Stella.

Lincoln: Way to go Stella.

Troy Burrows: Rangers that's a Super Mega Win.

Battle 10: Sailor Mercury VS Space Kook

---

The Space Kook was next.

Space Kook:
WWWWWWOOOOOOOOOOOOOOOOOOOHOHOHOHOHOHOHOHO
HAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Sailor Mercury: Your laugh is really scary. Lets get it on glow boy.

Sailor Mercury spread her blue wings as he went at her and she flew into the air and blasted him with water and smashed him down.

---

Battle 11: Gusty the Great VS Rambling Ghost

---

The Rambling Ghost was next.

Rambling Ghost: (Laughs) YOU WILL PAY!

Gusty the Great: Bring it on glow head!

Gusty went at him and kicked him in the face and smashed him down.

---

In their hideout, Goche, Baron Nero, and Mr. Mind were looking at the damaged form of the IronWarhawk armor

Baron Nero: Are you sure you can restore this armor? It looks badly damaged.

Mr. Mind: I think you'll find that with my intellect, nothing is beyond recovery.

Goche: I will get to work restoring this armor. After all, you need some way to participate in combat.

UH OH!

---

The Usual Battles were done.

Dr. Light: (to Lanalda Ramirez) Are you glad you got to settle things with Zero?

Lanalda Ramirez: I sure am.

Wolf: That's good.

Leonard: And we've finally seen the last of IronWarhawk.

Tom Lair: Don't be too sure.

Sheila: Me and Tom checked to see if the imposter was still buried. It wasn't.

Trickster: That doesn't sound good.

Dawn: No need to worry! The important thing is that we're not going to see that ripoff for a very long time.

Me: Yeah but if he ever does return we'll be ready for him.

Nico: Yeah we will.

Dawn: Yeah. (To the viewers) Zero is gone but this was a great adventure.

Me: Yeah it was.

We enjoyed the rest of the day and then had dinner and went to bed.

THE END

Another awesome fanfic done.

Pokemon Movie 11: Giratina and the Sky Warrior was a great and awesome movie! It was amazing how Ash went to another universe and helped the legendary Pokemon, Giratina take down Zero like that. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, ninjakingofhearts and Etstheclarencefan gave me the ideas for this.

Thanks guys. Next up is the funny and crazy episode of The Powerpuff Girls called Hot Air Buffoon and we're not only going to stop the mayor of Townville from going on a nasty vigilante spree and acting like a total brainless idiot but we're gonna have an amazing surprise in store for the chapter as well. You'll have to find out what it is later in the chapter.

See you all tomorrow.

# Hot Air Buffoon and Dictator

In Bulgaria we were having fun in a local park.

Sandman: Another nice day at the park.

Me: Boy you said it Flint and it's cool because we're having fun in Bulgaria.

Svilen: (Bulgarian Accent) Glad you all are liking my native lands.

Nico: It's beautiful.

Laney: It sure is. It's just as beautiful as Germany or any part of Europe.

Carolyn Hope: It sure is pretty.

Lana: I'll say.

Then we heard a really eerie noise.

Me: (Gulp) What was that?

Svilen: It came from that cave.

Me: From Makura Caves? That is a popular cave here in Bulgaria.

Eli: We better go check it out.

Ets: Yeah.

Shaggy: Like g-g-g-g-g-go in there!? No way! There's no way we're going into that cave!

Scooby Doo: And you can't make us!

I grabbed Shaggy and Scooby and lifted them up.

Shaggy: Like they made us Scoob.

We went into the cave and it was a beautiful sight and it was amazing and geologicially well made.

Me: Wow! What a cave.

Laney: It's beautiful.

Lola: It sure is.

Rarity: I wonder if there are any jewels in here that I can use for my next fashion line.

Me: If there are we'll find them.

We heard the noise again and it was louder.

Me: We're getting closer.

Shaggy: (Whimpering) Like can we go home now?

Me: You two are such a pair of chickens.

Scooby and Shaggy clucked like chickens.

Eddy: Don't get Ed going.

Ed: I love chickens Eddy.

Eddy: Shut up Ed.

Luan: But the way they cluck like them is funny.

Eddy: It sure is.

We saw black mist on the cave floor and then it formed into a Darkrai!

Murray: Darkrai? (sighs in relief) Don't scare us like that. We thought you were a monster in the cave.

Darkrai: (Through Telepathy) Uh I'm right behind you Murray and that wasn't me.

Me: It was coming from this Darkrai.

Darkrai 2: (Through Telepathy) (Woman's Voice In a Russian Accent) Sorry to scare you all like this.

Me: Oh no worries.

Dayna: I know that voice. Natalia? Is that you?

Darkrai 2: Yes Dayna it's me.

Me: Whoa man! You're the Darkrai Gene-Slammer we were hoping to find.

Darkrai 2: How did you know that?

Me: Funny you should ask. We mentioned that if there was a Darkrai Gene-Slammer we would find one.

Yuna: Yeah.

Olga: Natalia we are so glad you are all right.

Me: But what were you doing when you were slammed?

Natalia: I was just minding my own business at home when suddenly I was hit with a dart. I had a stomachache and went to take a nap. Next thing I knew I looked like this.

Lola: That's awful.

Cutthroat: Have you been hiding out at this cave the whole time?

Darkrai 2: Yes where no one can see the monster that I have become.

Olga: Natalia you are not the only one that was turned into a Pokemon because of Team Rocket.

Carolyn Hope: That's right Natalia. There are many others that have been gene-slammed and turned into Pokemon. I was turned into a Dialga.

Olivia: I was turned into a Palkia.

Lenalda: And I was turned into a Giratina.

The Pokemon Gene-Slammers revealed what they can turn into.

Darkrai 2: Wow! That's amazing.

Me: Natalia, I can revert you back and give you the ability to transform at will. And you will have all of Darkrai's powers.

Darkrai 2: Oh wow!

Dayna: It will be awesome having you join the club.

Me: Yep. But it is gonna be really painful.

Darkrai 2: It will be worth it.

Me: Okay. Boys cover your eyes.

They did so.

I pulled out my blind man glasses and put them on.

Me: Here we go Natalia.

I snapped my fingers and Natalia was in excruciating pain. She got her purple hair back and she had the body of a goddess.

Natalia: IT HURTS SO MUCH!

Tracks: At least no perverts will see you in this cave.

Me: Uh don't be so sure.

Eli: I sense that Jiraiya is here.

Lola: WHY THAT LITTLE!

As soon as it stopped Jiraiya laughed hysterically and he had a launching nosebleed and then…

CRASH!

He crashed head on into the cave ceiling.

Nicole then piled onto Jiraiya and pulverized him into pulp.

Me: Fashion Squad move in.

They did so and gave Natalia new awesome clothes. She had an awesome purple Chinese shirt, purple gloves and a beautiful purple jeweled skirt and purple boots.

Varie: You can look now.

We looked and we saw that Natalia had amazing clothes on and they were beautiful.

Lola: Wow! Love your new clothes Natalia.

Natalia saw me form a mirror and she saw herself and was amazed.

Natalia: Wow! I look amazing.

Dayna: Glad you're back Natalia.

Natalia: Same here Dayna.

The 4 friends all hugged.

Narrator: The city of Gotha-

(He is interrupted by a very agitated Mayor as the camera pulls back to show the scene framed in the office window.)

Mayor: Never mind all that hoo-ha! I got an emergency! (picking up hotline) Team Loud Phoenix Storm, help!

(Freeze frame of two men robbing a bank; they resemble Fred Flintstone and Barney Rubble.)

Mayor: (voice-over) The bank is being burgled by barefoot bandits!

(Freeze frame of all of us beating the robbers into submission.)

Mayor: (voice-over) Oh… thanks. (In the office, he calls again.) Team Loud Phoenix Storm, help!

(Freeze frame of a dinosaur in the city streets; it breathes fire as townspeople panic.)

Mayor: (voice-over) A dinosaur is destroying downtown!

(Freeze frame of Buttercup and Bubbles tying the beast's legs in a knot while Blossom uses her ice breath and the Ice Power members using their ice powers on it.)

Mayor: (voice-over) Uh… thank you. (In the office, he calls again.) Team Loud Phoenix Storm, help!

(Freeze frame of a large, ugly girl in a baby-doll dress, carrying buckets of jewelry; She is based on Jill from Jack and Jill.)

Mayor: (voice-over) Jewels are being jacked by Jill!

(Freeze frame of the girls beating the robber with the buckets.)

Mayor: (voice-over) Uh… thanks. (In the office, he calls again.) Team Loud Phoenix Storm!… Team Loud Phoenix Storm!… Team Loud Phoenix Storm!…

(The line echoes as the screen is tiled with smaller images of the Mayor holding the phone. We were REALLY busy helping out and stopping crimes and all that. It was mostly robbers that were parodies of our favorite characters. Cut to an extreme close-up of him wiping his forehead, then pull back to show him at his desk.)

Mayor: Pheeeew! What a day, eh, Ms. Bellum?

(The camera pulls back again on the end of this line, and we see the back of a fat woman with curly red-orange hair and wearing a red dress. The strings of an apron are tied at her waist. The Mayor does a double take when he sees that this is not Ms. Bellum, his trusted assistant.)

Mayor: Who the heck are you?!

(Across the desk, we see the woman. Her face is repulsive at best: a hairy chin, big nose with a wart on it, serious five o'clock shadow. She has a mop and bucket next to her.)

Cleaning lady: (surly) I'm the nighttime cleaning staff.

Mayor: Well, you're in kinda early, then. We don't pay overtime, you know.

Cleaning lady: It's 11:30.

Time Sure Flew By.

Mayor: 11:30?! (laughing) Well, I guess time sure flies when I'm keeping my fair city safe. (Stay on him.)

Cleaning lady: (from o.c.) You clod! (leaning into view across the desk) Do you really believe that you are responsible for keeping this town safe?! You, little man, are nothing but a political beard hiding behind the real head of this town!

Mayor: (stammering) Uh- Who? Ms. Bellum?

Cleaning lady: (backing off) No! Team Loud Phoenix Storm! They're the ones busting their butts and risking their lives out there in the mess, while you sit here in the comfort of your easy chair!

Mayor: (stammering) Uh- Well, I do the phone thingy…

Cleaning lady: (sarcastically, walking away) Oh! Well, pardon me! If anything should happen to your dialing finger!

(The door slams behind her, then opens a moment later. She sticks her head in.)

Cleaning lady: P.S., I didn't vote for you.

(The door slams again. Cut to the Mayor, now boiling mad.)

Mayor: Ooh, I'll show her! (reaching for hotline) I'll have Team Loud Phoenix Storm beat her up!

(He picks up the receiver and flexes his fingers, but stops himself from pushing the button. It is at this moment he realizes she is right. A disgruntled look comes into his eye as he hangs up. Long pause. We see the phone flung against the wall, smashing to pieces, as the Mayor screams off-camera. He has just snapped. He slams his head on the desk and begins tearing up the office and pulling his own hair out. Slow pan across the room; everything is now in shambles, and the Mayor is lying on the floor in the middle of the destruction. Fade to black.)

(Snap to the office door. It opens and Ms. Bellum steps in, carrying a cup of coffee. She gasps and drops the cup when she sees the wrecked room and the Mayor at the remains of his desk.)

Ms. Bellum: Mayor, are you all right?!

Mayor: (almost raving) All right? All right?! I feel great! In fact, I've never felt better IN MY LIFE! I'm glad you're here, Ms. Bellum, 'cause it's time to get to work!

Ms. Bellum: Work? What work? All you ever do is sit around calling the Power-

Mayor: ENOUGH OF YOUR SILLY TALK! It's time to seize the helm, baby! (He grunts and does a low hand-pump.)

Ms. Bellum: Uh- Do you want me to leave for that?

Mayor: To the roof, my good woman!

(He jumps down off the desk and climbs the stairs. Cut to the roof; a hatch opens and he steps out, laughing, with Ms. Bellum behind him.)

Ms. Bellum: Mayor, where are we going?

Mayor: Patience, woman, you'll know soon enough!

(We see a hot-air balloon tethered to the roof. It has a purple and yellow check pattern and is decorated with ribbons and sashes.)

Mayor: (from o.c.) Behold… the Dirigible! Oh, gosh, she's a beauty… (Back to him and Ms. Bellum.)

Ms. Bellum: Mayor, what's about to happen?

Mayor: I'm glad you asked that question, Ms. Bellum. What's about to happen is, I… (Pull back to show the skyline, with them on the roof.)… THE MAYOR OF GOTHAM ROYAL YORK… (Close-up.)… am embarking on a new deal! No longer will I sit on my rear and have others doing my work! For I… (Pull back.)… THE MAYOR OF THE GOTHAM ROYAL YORK… (Close-up.)… will defend my precious city from the likes of evil criminals! Because I am… (Pull back.)… THE MAYOR OF GOTHAM ROYAL YORK! (Close-up.) Keep an eye on things for me, Ms. Bellum.

(He jumps into the balloon and ducks down, coming up in a WWI aviator helmet and bomber jacket.)

Ms. Bellum: (from o.c.) Oh, no. (stepping into view, climbing in) I can't let you go into this crazy thing alone! (He starts to undo the tether.)

Mayor: As you wish. You can be my trusty sidekick! (The rope falls free.) And away we go!

(The mouth of the balloon, which hid Ms. Bellum's face when she climbed in, will do so for the rest of this episode. The balloon floats up o.c. Pan across the city as it moves along.)

Mayor: Whoo-hoo! Higher! Farther! Faster! Citizens of Townsville, do not fear! Your Mayor is here! From up here I can see everything! All of Gotham Royal York will be under my watchful eye!

Ms. Bellum: But, sir, what could you possibly do to protect Townsville while floating at the mercy of every stray wind in a hopelessly unguidable hot-air balloon?

Mayor: (sneering) Well, I'll show you, Ms. Smarty Face! (He rummages around.)

Ms. Bellum: (to herself) "Smarty Face?"

Mayor: (to himself) I got it stashed right down here somewhere…

(He comes up with a spyglass.)

Mayor: The opening chapter in a book called "Justice"! (He puts it to his eye and begins to look around.) With this new-fangled close-up seeing contraption, I can close in on despicable crime-committers committing crimes despicably!

(He rummages around again for a moment.)

Mayor: And with this!

(He holds up a boxing glove on an extendable arm. Close-up of this.)

Mayor: (from o.c.) The closing chapter in a book called "Justice"! (Pull back.) I call this baby… (He extends the arm, scaring a bird away.) (POW!)…"The Equalizer!" (shaking his fist at the spot he just punched) Bullseye!

(Cut to the view through his spyglass as he scans the town.)

Mayor: Things seem to be quiet in Gotham Royal York Park.

(A scream is heard. Close-up of him, still looking through the spyglass.)

Mayor: Hark!

(Spyglass view: a mugger holding an old woman at knifepoint.)

Mayor: A heinous act! (Cut back to him, holding the Equalizer.) Time to equalize! (He deploys his weapon.) Take this, no-gooder!

(On the end of this line, the camera shifts to ride with the glove toward the mugger.)

KABLAM! OOH THAT IS GONNA LEAVE A MARK!

(The blow connects; freeze frame of him falling to the ground. Cut to the Mayor and Ms. Bellum.)

Mayor: (laughing triumphantly) Direct hit!

Ms. Bellum: (clapping) Yaaaay! Wow, Mayor, I'm impressed! I mean, I have my doubts, but you have a real knack for this.

(The balloon floats over the city.)

Mayor: Oh, crime fighting's a breeze. You just have to know where to look.

(Spyglass view: a man breaking into a car.)

Mayor: Like the mall parking lot! Oh, no, you don't… (Back to him, using the Equalizer.)… Mr. Grand Theft Auto!

(On the end of this line, cut to behind the thief as he turns around in surprise.)

Mayor: (voice-over) Eat leather fist!

KRAPOW! OOH! THAT IS GONNA HURT!

(The thief is knocked through the car window. Close-up of the Mayor, shouting in triumph.)

Mayor: Two for two! Hmmm… at this rate, we won't need that entire team anymore! But I digress. Crime is afoot, and I am here to give a hand in fighting it! (Pull back to show him and Ms. Bellum; he points.) Forward, Ms. Bellum!

(The balloon floats o.c. in the opposite direction. Cut to a man walking down the street.)

Man: Hey, I'm thirsty! (He comes to a lemonade stand.) Convenient! I'll take some lemonade, kids.

(He drinks it down and drops the cup toward a trash can at his feet. It bounces off the rim and lands on the ground. There is a sudden crash; freeze frame of the man and the lemonade stand being smashed by the Equalizer.)

KRASMASH! OOH! HE'S GONNA BE FEELING THAT IN THE MORNING!

Mayor: (voice-over) Take that, litterbug!

(Cut to a construction worker at an ATM. Close-up of the screen: "INSERT DEPOSIT." He inserts a check into the slot; side view of him, receiving a stack of cash from the machine.)

Worker: Finally, my first paycheck. Now I can pay all those bills! (He turns to leave.) Not to mention feed my family-

BLANG! OOH! THAT'S GONNA HURT!

(Another impact is heard. Freeze frame of him being hit over the head by the Equalizer. The money flies everywhere. Close-up of Ms. Bellum.)

Ms. Bellum: Mayor, that guy was only making a withdrawal from his account!

(Quick pan to him, looking through the spyglass.)

Mayor: No time for small talk now! I've got crimes to bust!

(Cut to a boxing ring, where a fight is in progress.)

White boxer: Hey, what's that behind you?

Black boxer: (turning his head) Who? What? Where?

KRASOCK! OOH! THAT'S NOT GONNA FEEL GOOD IN THE MORNING!

(Freeze frame of him taking an Equalizer blow to the head. Cut back to the Mayor and Ms. Bellum.)

Mayor: That'll keep you ruffians at bay!

Ms. Bellum: Mayor, those people are paid to fight. They're boxers!

Mayor: Ooh, look, more criming!

(He starts punching in all directions as Ms. Bellum tries to stop him, to no avail.)

Mayor: Take this! And some of this! And a little of that! And how about some of this? And maybe one of these? (laughing maniacally) Vile scum!

Ms. Bellum: Mayor, those are tourists! Oh, my gosh! Sorry! Please visit again soon! Mayor, control yourself! Please stop! Oh, don't!

Narrator: Oh, no! The Mayor's gone stark raving mad! Where are the Team Loud Phoenix Storm when you need them?

(Cut to a close-up of the hotline, completely silent. Pull back to show Blossom behind it in the living room at the estate, looking down at it worriedly.)

Blossom: Our phone hasn't rung all day… (addressing herself o.c.) You guys! It hasn't rung all day!

Me: Hmm that's weird.

(On the end of this line, pan from her to the TV. Bubbles and Buttercup are playing a video game with the characters from Super Smash Bros.; all we see of them are the backs of their heads over their beanbag chairs. Mario is being hit repeatedly all over by Luigi.)

Buttercup: So what? You know that the Mayor always calls when something is wrong.

Bubbles: (to Buttercup) Oh!… You're bonking me! (Blossom flies into view and faces them.)

Blossom: But that's just it! The Mayor always calls, and he hasn't today. That's what's so weird. I think something's wrong.

(She returns to the phone. Cut to in front of Bubbles and Buttercup, still playing. Buttercup is clearly having the better game.)

Buttercup: Yeah, yeah. All I know is, I'm bonking up a new high score!

Nico and May were making out on the couch. Same with Maria and William.

Livewire: (watches this with a smile) Aww. Look at those two couples making out. (records it on her phone)

Me: That is so adorable.

Lola: Yeah.

Natalia: It's good to be able to be back to human.

Dayna: It sure is Natalia. We missed you so much.

Me: But I can't help but wonder that something is wrong with the Mayor.

Nico: Yeah it's not like him to call when a crime could happen at any moment.

Bubbles: Blossom, Nico and J.D. are right. He does always call. (She joins Blossom at the hotline.) Maybe we should call him.

Blossom: I'll give it a try.

(She picks up the receiver, but gets a recording that startles her.)

Recording: We're sorry, the number you have reached has been disconnected. Please hang up and try again.

Blossom: (hanging up) Well, that didn't work. (Buttercup flies up between her sisters.)

Buttercup: Come on, you worrywarts! You're ruining my concentration! Let's just fly to the Mayor's office and I'll prove everything's okay.

(Dissolve to a slow pan across the office, still trashed from the Mayor's earlier rampage-this is the girls' perspective.)

The office was totally in shambles and a mess.

Buttercup: See? I… (losing steam)… told you everything would be okay.

(Blossom and Bubbles glare at her for her belief that everything would be fine when it is clear it wasn't; she appears puzzled.)

Buttercup: What? What?

Laney: What a mess!

Me: What happened here? Something really got to the Mayor's Office.

Lola: Yeah it's totally trashed.

Nico: I wonder what happened.

Me: Well it has something to do with the Mayor and we need to find out what. Lets head back and get ready.

We went back and got ready.

Puff, Wolf, El Diablo, Molten Man, Evil Lyn, Dr. Light, Leonard, and Trickster then appeared.

Puff: Can me, Wolf, El Diablo, Molten Man, Evil Lyn, Dr. Light, Leonard, and Trickster go with you guys on whatever mission you have planned?

Me: Sure.

The Alarm went off.

Me: Uh oh.

We went to the computer and we saw the people of the Townsville Sector running for their lives!

Me: Uh oh! Lets go!

We went to the Townsville sector and we saw it all happening.

Me: Uh oh!

We went to a man!

Blossom: WAIT! What's going on here?

Me: Yeah sir what's happening!?

Blossom: We're looking for the Mayor.

Me: Do you know where he is?

Running man: (panicky, terrified) Looking for him?! We're running from him! If you're looking for him you should start running from him too (He runs off.)

Blossom: Running from the Mayor?

Nico: I don't get it.

(We all look up o.c. and gasp; the camera points straight up to show the balloon descending. The Mayor is once again laughing insanely.)

Mayor: This city is clean! (Side view of the balloon; the girls fly up to confront him.)

Blossom: Mayor! What in blazes are you doing?!

Me: Yeah what the fuck is your problem!?

Ms. Bellum: Girls! Everyone! Thank goodness you're here!

Mayor: Oh no, you don't, you little glory hogs! This is my parade! Now get back!

(He starts trying to hit us all with the Equalizer. Close-up of Blossom, dodging punches.)

Blossom: Mayor! What… are… you doing?! (Close-up of the Mayor.)

We duck.

Me: What the fuck has gotten into you!?

Mayor: This is my city, and I'm gonna be the hero of my city, so get!

He sent the glove at me and I punched it and smashed it into a million pieces!

Circe: Before we do anything else, we need to know the full story of what's going on.

But then without warning I was hit in the back with a missile.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Nico: J.D.!

I fell to the ground!

CRASH!

I got up out of a hole and I saw DONALD J. TRUMP!

Trump: THIS IS MY WORLD YOU FUCKER!

Me: Trump! I should've known you would show your blond ugly fucking face and hit me in the back like the fucking coward you are!

Trump: YOU DON'T BELONG HERE!

Nico: You are the one that doesn't belong here! You and your supporters have tormented the world for far too long!

Varie: YEAH!

Evil-Lyn: I'll use my magic to keep Trump frozen. (to Ms. Bellum) Meanwhile, you should explain what's going on with the Mayor.

Ms. Bellum: Thanks Evil Lyn.

Evil Lyn: You're welcome.

Ms. Bellum: Now Mayor explain yourself! Why did go out and attack innocent people like that?

Varie was healing me up.

Mayor: I'm sorry, everyone. I just wanted to save the town myself for once. I really wanted to help out.

Me: We understand Mayor. But who told you to do so?

Nico: Yeah who?

Mayor: It was the Nighttime Cleaning Staff Lady. She said this to me? (Imitating the Nighttime Cleaning Staff Lady) You clod! Do you really believe that you are responsible for keeping this town safe?! You, little man, are nothing but a political beard hiding behind the real head of this town! Team Loud Phoenix Storm! They're the ones busting their butts and risking their lives out there in the mess, while you sit here in the comfort of your easy chair!

We were shocked that she would insult the Mayor like that!

Ms. Bellum: That rotten parasite! She thinks she can get away with saying that!

Me: Yeah she obviously doesn't know that without us the world and the universe would be completely destroyed and everyone would be dead.

Nico: Yeah!

Trickster: Don't listen to that bitch. Sure, you may sit in your chair while we're out saving the world with J.D. and the others. But what more can you do? You're not a fighter!

Me: Yeah! You're a politician and you look after the city by solving its problems.

Trump: Easy for you to say!

Me: Shut up! Nobody asked you, you white supremacist fuckhead!

Nico: YEAH! (Flips the bird at Trump)

Eli: Yeah! (Moons him)

Burst Man: (to the Mayor) Look, bottom line? Everyone good is a hero. Even you.

Me: That's right Mayor. You keep the city safe by calling us whenever you need our help to deal with villains like say the Gangrene Gang or Sedusa or anyone that threatens the peace.

Nico: Gangrene Gang is dead and Sedusa is in the Uranus Prison.

Me: I know but I'm just saying.

Mayor: Oh you're right guys.

Lugnutz: (to Trump) Don't go anywhere, Mr. Jabroni. We'll be right back.

Me: Yeah!

Wolf: (to the Mayor) What do you say we go after the bitch who insulted you?

Mayor: Oh I would like that! But can we deal with her after we deal with (Points to Trump) That monster!?

Wolf: That works too.

Me: Nice! And Lugnutz that was awesome using Dwayne Johnson's Wrestling Line.

Lugnutz: Neat! I thought I made that up.

Nico: Nope. That was one of the Rock's Wrestling Lines. Great job.

Lugnutz: Thanks boss.

Me: Yeah!

Lady Deathstrike: I actually prefer if we go after that maid whore who insulted you.

Maria: Well, we might as well get her out of the way before we deal with Trump.

Me: Well if you insist. Okay then. But she doesn't usually appear till about 10:30 tonight. But okay.

Nico: Great!

Me: We'll be right back!

We went to City Hall.

El Diablo: Well, what do you know? She actually showed up during the day.

Me: Must have a daytime shift too.

We waited in the Mayor's office after we cleaned it up and made it good as new.

Bubbles: Boy J.D. Trump got you good didn't he?

Me: He sure did. OW! I'm gonna be feeling this in the morning. Ouch.

Nico: Yikes.

The door opened and in came the woman that insulted the mayor. We were glaring at her.

Me: You the Nighttime Cleaning Lady?

Cleaning Lady: Yeah that's right.

Me: We need to have a little talk.

Mayor: Yeah lady!

Cleaning lady: So there you are! I turn my back on you for one minute, I come back, and find your office in shambles! Where on Earth have you been?

Mayor: Uh…

Ms. Bellum: I'll handle this, Mayor. He's been out fighting crime, like you wanted.

Cleaning lady: What're you talkin' about?

Ms. Bellum: You called him a clod. He took everything you said to mean that he should fight crime.

Me: And he was smashing skulls left and right because of you!

Cleaning lady: Him? Fight crime? Listen, sister, I said no such thing. Look at him! This cream puff couldn't even catch pneumonia, let alone criminals and supervillains! No, what I meant was, the Girls and Team Loud Phoenix Storm are the ones who deserve the credit for defending Townsville, not him!

Me: No! The Mayor deserves the credit too!

Cleaning Lady: I was only giving you the credit you deserve! You all bust your asses protecting us from evil. And all the mayor does is be lazy and sit on his ass all day!

Dominique: And while we do appreciate that, it shouldn't come at the Mayor's expense!

Me: Yeah! Just earlier he terrorized the entire city by bashing peoples skulls in with an extendo-boxing glove! He wasn't just punching the living crud out of criminals, he was punching the living crap out of innocent people too! And you have the gall to call him a clod and a lazy bum after how he uses the phone to call us whenever there is trouble!

Nico: Yeah what is your problem!? Do you have a death wish against the Mayor just doing his job by having us help him whenever he needs it!?

Cleaning Lady: No.

Me: Good. Like we told this to Stanley and Sandra Practice, the Powerpuff Girls are just as important to this entire city as we are to this entire planet and the entire universe and without us you and everyone else everywhere would all be dead.

R.D. Me: That's right! I was freed thanks to them.

R.D. Lincoln: And J.D. is a hero to us despite us being corrupted by Sindri Myr!

Nico: And he is a hero to many people all over the universe.

Molten Man: We're letting you off with a warning because what you said actually counts as a compliment towards us. Next time, we won't be so nice.

Me: That's right. The Mayor deserves just as much credit as we do because he calls us to the scene where the crime is taking place just like he does with the Powerpuff Girls. He is just as important to the team and to the city as the Powerpuff Girls and all of Team Loud Phoenix Storm is for all the universe. Now. If you'll excuse us we have a certain white supremacist fuckhead that we need to bring to justice to be held accountable for his crimes against the United States and the world in general.

We went back to face Trump.

We arrived and we were facing DONALD J. TRUMP!

Trump: Look who's back for round 2.

Kairi Yano: Don't expect to talk yourself out of this.

Me: Now where were we? Oh yes how silly of us. We were getting ready to pound your ugly fucking face in!

Trump: I'm the president this world needs!

Xion: The Hell you are!

Keiichiro: Look, just turn yourself in right now and you might get a light sentence.

Trump: I'll never submit to the likes of you!

Me: All right then. (Cracks knuckles) Then we do this the hard way. And another thing you were never president to begin with at all! Hillary Clinton deserved to be president! Not you! You cheated your way to power!

Trump: YOU FUCKFACED FREAK!

Me: Says the pot calling the kettle black.

Vypra and ALL of the Masters of Evil then appeared.

Trump pinned Keiichiro to the ground.

Muscle Man: You know who else likes America? My mom! (punches Trump)

Lola: And you are looking at facing your crimes!

Trump was later brought to trial for his crimes before the United States Supreme Court and he was IN REAL HOT WATER! No scratch that. He was in molten lava from the Earth's core.

(PEOPLES COURT THEME PLAYS)

Bailiff: Calling Courtroom to order in the case of People of The World VS Donald J. Trump. Honorable Judge Katherine A. Rockell presiding.

Scrap Shooter: Katie, good to see ya again, see. I'd like you to meet the three Red Rangers we met from Japan.

Judge Katie: Pleasure to meet you all.

Kairi Yano: Same to you your honor.

Keiichiro: Glad to meet you.

Judge Katie: Pleasure is mine.

Me: Sorry, we wanted you to meet our newest recruits that joined us over the last few weeks.

Judge Katie: No worries. Lets get it on.

We sat through hours and hours of testimony and we were showing the entire world the kind of monster that Trump really is by showing everyone the crimes he did and the atrocities he committed and so much more and all that and everyone was shocked! What was more shocking is how he caused the January 6th Insurrection.

When the closing arguments were done the case was handed over to the jury. It didn't take them long.

Judge Katie: Has the jury reached a verdict?

Juror 1: We have your honor. We find the defendant Donald John Trump, GUILTY on all charges!

Everyone outside cheered wildly.

Me: Wow!

We heard the WHOLE WORLD CHEER!

Nico: Whoa!

Eli: Wow! What a thunderous roar of cheering.

Donald J. Trump, once a celebrity billionaire is now the most hated man in the world and now a traitor and a convicted felon and murderer.

Judge Katie: Boy no kidding. Donald Trump, I have had many criminals come through this courtroom. Some were thieves, some were harassers, some were cold-blooded killers. But without a doubt, you are by far the most despicable, reprehensible criminal that I have ever had come through my courtroom. It's a good thing the USA seized literally everything you own, because that will definitely help with restitution payments and quite frankly, you don't deserve to have anything anyway. With that in mind, I hereby sentence you to death by firing squad! May God have mercy on your worthless soul! (BANG BANG BANG!)

Trump: NO! This is not happening! This is all a witchhunt!

Me: You are the reason everything is happening Trump.

We got him ready for execution at the Capitol Building and had him tied to a wall and a lot of people had signs and they said Death To Trump, Kill Trump, Go To Hell Son Of Satan, and more!

We were armed with guns.

Me: Do you have any last words?

Trump: YEAH! YOU ARE ALL FUCKERS! ALL OF YOU!

Me: Ready!

We loaded our guns.

Leonard: (puts on sunglasses) Hasta La Vista, baby!

Me: Ooh good. But here's how I do it.

We pointed our guns at Trump.

Me: (Imitating Arnold Schwarzenegger) Hasta La Vista, baby!

Eli: (Imitating Dirty Harry) Go ahead, make my day!

Blade: Some motherfuckers are always trying to ice skate uphill.

Laney: (Imitating Sylvester Stallone) You're the Disease and I'm the Cure.

Vince: (Imitating John Wayne) Fill your hand you son of a bitch!

Loki Loud: Give my regards to King Tut, asshole!

Indiana Jones: Prepare to meet Kali in Hell!

Nico: (Imitating Scarface) SAY HELLO TO MY LITTLE FRIEND!

Me: Yippee Ki Yay, Motherfucker!

Varie: Say hi to daddy IN HELL!

Nico: (Imitating Trump) You're fired.

Then…

We blasted him all over with all our rounds of ammo!

Trump was pumped full of over 75,000 shots. Major Overkill!

I blew smoke out of the muzzle of my gun.

His evil spirit then appeared.

Nico: Your reign of terror is finished. (Holds hand out to him) HAKAI!

Trump glowed purple and was banished to the Warp.

I incinerated his body and we had his ashes buried in an unmarked grave at the very bottom of the Mariana Trench.

Weather Wizard, Technus, Xiao Fung the Demon Sorcerer of Wind, LaGrange, Taskmaster, Selma & Patty, King Hiss and Billy Numerous then appeared.

Me: Weather Wizard, Technus, Xiao Fung, LaGrange, Taskmaster, Selma & Patty, King Hiss and Billy Numerous.

LaGrange: Great job guys!

King Hiss: Good riddance to that monster!

Weather Wizard: That was a nice trial, don't you think?

Technus: I, Technus, agree. I even eat popcorn through the whole thing.

Xiao Fung: Our country is fine with the President it has now.

Patty: (to the Mayor) By the way, Mayor, here's some pickles to cheer you up for what happened today. (gives him pickle jar)

Mayor: Ooh thank you.

Me: Let me open those for you.

I opened the pickle jar.

Xiao Fung: Those were great lines you all said.

Me: Oh yeah.

Selma: And Nico that was really genius throwing Trump's You're Fired line back at him.

Nico: Thanks.

Me: Nothing hurts worse than having your own words thrown right back at you.

Nico: Yep.

Eli: Now Trump will have all the time to think about his crimes.

Ets: In the Warp.

Nico: Yep.

Me: Lets go to Lynn's Table and celebrate. And We can have the usual battles there.

Xiao Fung: A most good idea.

We went to Lynn's Table.

---

We were at Lynn's Table..

Everyone: CHEERS!

We clinked our glasses.

Me: DEATH TO TRUMP!

Everyone: YEAH!

Lynn Sr.: Great job guys!

Me: Thanks Mr. Lynn.

Adult Blossom: That was awesome.

Selma: You said it.

?: Boy no kidding.

A figure came out and it was DUMBBELL BOT from episode 27 of RPM!

---

With the completion of Tenaya 15 and the destruction of Shifter by the Rangers, this new Dumbbell Bot was created to attack the city. He attacked with the Grinders and the Ranger Operators, except for Dillon responded. While the other Ranger Operators fought off the evil army, Dillon kept an eye on thing from above, waiting for Tenaya 15 in hopes of using the Control Key on her to get her back.

Dumbbell Bot proved to be much more powerful than the Rangers could handle. He had the team down and almost out, but the Ranger Black used the Control Key on Dumbbell bot, causing him to shut down for a few seconds. This bought the Rangers enough time to combine their weapons and blast the bot.

Dumbbell Bot was then made huge, but he was quickly destroyed with the Road Attack Zord and the Mach Megazord.

---

Scott Truman: Dumbbell Bot!

Dumbbell Bot: Long time no see rangers.

Me: I remember you! You were sent to attack the city and you easily overpowered the rangers with your brute strength.

Dumbbell Bot: I sure did.

Nico: You are powerful.

Dumbbell Bot: I really gave you Rangers a run for your money, didn't I?

Scott Truman: You sure did.

Me: No kidding that was awesome!

Lola: Yeah it was!

Nico: I'll say.

?: That was a cool battle.

Another figure came out and it was SEADRAMON!

---

**Seadramon** is the fourth Digimon that the DigiDestined encountered (in order Kuwagamon, Shellmon, and two Monochromon), and also a minor antagonist in *Digimon Adventure 01*, *Digimon Fusion*, and the reboot of *Digimon Adventure* . Seadramon is a Champion Level Digimon that resembles a giant sea serpent with teal skin, a red tail, and a yellow head.

He was voiced by Dan Lorge in the English version.

*Digimon Adventures 01*

During their first night in the Digital World, the DigiDestined come across an abandoned trolley car on the shores of Dragon's Eye Lake, where they decide to spend the night. However, Tai and Agumon accidentally strike a large, red, leaf-like object with an ember from the fire, and it turns out to be the tail of a very angry Seadramon, who retaliates by dragging the chunk of shore with the trolley car on it to the middle of the lake. Matt is the only one not on that part of the shore and leaps into the water to save the others. Seadramon notices him and grabs him with his coils. To save him, Gabumon digivolves to Garurumon for the first time and battles Seadramon, defeating him with his Howling Blaster technique.

*Digimon Adventures 02*

Michael Digimon partner is also a Seadramon, but who is more heroic then the other from the previous season.

*Digimon Fusion*

A huge Army of Seadramon were members of the Bagra Army. They all serve for of the Bagra Army generals; Neptunemon. Some were taken out by MailBirdramon, some were attracted to MarineAngemon Digi-Memory, and the rest spewed ice onto the water. It is unknown what happened to the Seadramon after Neptunemon's defeat, although they were presumably destroyed by the Waves of Depth.

*Digimon Adventure*

While the Digidestined were on the journey to the new continent, a Seadramon fights a wild Ebidramon. It eats it and absorbs its data, Digivolving into WaruSeadramon. Two more Seadramon were summoned by WaruSeadramon. They try to attack Taichi and Agumon, but were rescued by Joe and Zudomon, and were quickly overpowered and defeated by Zudomon.

---

Nico: Whoa Seadramon!

Tai: I didn't know Seadramon was now in the Masters of Evil!

Me: I remember he is the Champion form of Mimi's friend Michael's partner Digimon, Betamon.

Mimi Tachikawa: That's right.

Me: And I also heard from Matt that he is the 4th Digimon you all faced from when you spent your first night on File Island.

Nico: That's right. I remember that. That was crazy.

Varie: I would love to have a Seadramon as my Digimon Partner.

Me: That would be something.

Seadramon: It sure would. But I'm now one of your archenemies. I chose Poromon.

Poromon: (to Seadramon) I get to have you as my archenemy? Yay!

Me: Sweet!

Seadramon: This is gonna be good. And Digidestined don't think I forgot about how you burned my tail.

Me: They burned your tail?

Nico: Yeah Tai was playing around with the fire and he got some embers on Seadramon's tail and burned it and he got really steamed.

Me: Geez! I'd be pretty mad too if someone did that to me.

Nico: (to Seadramon) Does this mean you're a mascot for the Masters of Evil?

Seadramon: You could say that Nico.

Nico: Awesome!

A roar was heard and 2 figures came out. They were THE BLACK KNIGHT GHOST AND THE CREEPER!

Creeper: CREEPER!

Shaggy: ZOINKS! It's the Black Knight and The Creeper!

Nico: Wow! I remember the Creeper and the Black Knight.

Twilight Sparkle: Who were they known for?

Qin: The Creeper was Mr. Carswell the president of a bank. He was robbing the bank from the inside and stealing a lot of money. What he didn't know however is that the guard that worked for him installed a concealed infrared camera that took a picture of him stealing all the money, catching him essentially redhanded. The Black Knight Ghost is really Old Man Wickles who was running an Art Swindling Ring in a local museum. He dressed up as the Black Knight to make sure that a professor never discovered it.

Twilight Sparkle: Whoa man!

Rarity: What were the fates of them?

Qin: Mr. Carswell got 40 to 80 years for stealing $5,000,000 from the bank and the money was never found. Wickles got 10 to 20 years in prison and was released for Good Behavior after serving 5 years.

Twilight Sparkle: Wow! $5,000,000.00! That's a lot of money.

Nico: Yeah it is.

Me: Lets get some fun going.

---

Battle 1: Shane Clarke, Rainbow Dash, Storm Rainbow, Scootaloo, Magma Gloom, Flash Magnus, Air Skylanders, Silver Banshee and Livewire VS Weather Wizard

---

Weather Wizard was first.

Weather Wizard: (to Shane) Did you really meet a Darkrai Gene Slammer this morning?

Shane Clarke: We sure did. Her real name is Natalia and she is from Russia and is a friend of Dayna, Olga and Yuna.

Rainbow Dash: She was living in a cave all by herself ever since Team Rocket got to her and turned her into a Darkrai.

Storm Rainbow: Yeah that was crazy. What they did to her was awful.

Scootaloo: It sure was.

Magma Gloom: Poor Girl went through a dark nightmare. No pun intended.

Flash Magnus: Yeah she did not deserve to be turned into a Pokemon like that.

Whirlwind: But we helped her and now she has all of Darkrai's powers.

Free Ranger: She sure does.

Silver Banshee: It's really amazing lads.

Livewire: I'll say.

Weather Wizard: Wow! That's both amazing and terrifying. Lets do it!

Weather Wizard fired a wave of lightning and they dodged it and fired waves of lightning and wind and smashed him down.

Shane Clarke: All right!

Rainbow Dash: That was AWESOME!

---

Battle 2: Cyborg, Sunset Shimmer, Phoenix Shimmer, Tornado Bolt, Gusty the Great, Fire Skylanders, Elena Validus and Circe VS Technus

---

Technus was next.

Technus: (to Cyborg) Which Gene Slammer do you want to meet next?

Cyborg: I hope we meet a Jirachi Gene-Slammer next. That would be amazing!

Sunset Shimmer: I would love to meet a Jirachi Gene-Slammer and see if he or she has the powers of wish-granting like a genie.

Phoenix Shimmer: That would be so amazing mom!

Tornado Bolt: Boy it sure would be. We saw the Millennium Comet last month and met Jirachi and that was so awesome!

Gusty: It sure was. And we won't see that comet again for 1,000 years.

Eruptor: But it was beautiful seeing it.

Hot Dog: (Barks) Yeah it was!

---

Xiao Fung was next.

Xiao Fung: (to Ulrich) It's understandable that the mayor only wanted to protect Townsville himself. You yourself didn't have any powers outside of Lyoko before meeting J.D. and the others.

Ulrich: I know but the Mayor is just as important to Team Loud Phoenix Storm as he is to everyone in Townsville and Gotham Royal York.

Fluttershy: That's right and whenever he needs our help he just calls us.

Mirage Daffodil: No one should have to tell him otherwise.

Buttershy Rose: Yeah that old bat has no right to tell him otherwise!

Pip-Squeak: (British Accent) And I respect and life the mayor for his great services to both the city and to us.

Xiao Fung: Well said Pip-Squeak well said.

Mage Meadowbrook: What that old bat said to the mayor is absurd!

Stealth Elf: Yeah she has no idea what she is talking about.

Thrillipede: Without all of us everything would be gone.

Cloud Man: That's right.

Burst Man: Yeah!

Xiao Fung: That's crazy! Lets do it!

He fired a wave of wind and they dodged it and smashed him down.

Ulrich: All right!

Fluttershy: That was fun.

---

LaGrange was next.

LaGrange: (to Vert) I actually feel sorry for the Mayor.

Vert Wheeler: I do too. But he is just as important to everyone as he is to the team.

Applejack: Yeah the Mayor may not be light in the head but he does call us to keep the city and safe.

Thunderbird Apple: That's right mom. The mayor may be a brainless idiot but he is a great leader.

Lightning Fritter: He sure is. I just Don't like the way he was insulted by that fat crone.

Apple Bloom: Yeah who does she think she is insulting the mayor like that?

Frozen Fright: She is obviously someone that doesn't have a brain.

Rockhoof: (Scottish Accent) Aye lads. She needs to learn some respect.

Princess Luna: Yeah she was placed in charge of the elderly and she kicked them out for being one lousy second late.

Snowdrop: What a fiend! She deserved to be sent to death.

Gari: She sure did. But what that Cleaning Lady said to the mayor makes her a worthless dirtbag.

Blackout: Definitely!

Knight Mare: You said it!

Lady Deathstrike: (Japanese Accent) She has no right to be human either.

Mystique: Yeah!

Taskmaster: Yeah. Lets do it everyone.

Princess Luna: A victory of the night.

---

Selma and Patty were next.

Patty: (to Mandee) I can see how that maid was actually complimenting you guys. But she didn't have to insult the mayor at the same time!

Selma: Yeah she should have given the mayor some of the credit for his work in calling you guys!

Mandee: I agree. The mayor is just as important to us as he is to the city. She has no right to insult him like that. He is the president of the city after all.

Patty: That is a good way to put it. The Mayor is technically the president of the city or head in a way.

Selma: Yeah that is more accurate.

Pinkie Pie: I like the president of the city.

Little Cheese: Me too. Head honcho of the whole city.

Triple Berry: Good way to describe it.

Somnambula: (Egyptian Accent) But that gives no right for that maid to insult her own boss like that.

Sprocket: Yeah she has no right.

Drobot: (Techno Voice) Drobot agree. Mayor superior, cleaning maid inferior.

Caitlyn: Yeah!

Dominique: Yeah!

Selma: Indeed. Lets do it!

Starburst Aurora: Yeah good riddance to bad rubbish.

Fireheart Flame: He has had it coming for a long time.

Cozy Glow: And what he did makes him anything less of a human. He is a monster.

Clover the Clever: You said it Cozy Glow.

Hex: People like him have no place on Earth.

Cynder: Yeah and the world is now a much better place without Trump spreading pain and suffering to everyone.

Karai: (Japanese Accent) He has no honor.

Xion: And no chance of redemption.

King Hiss: Yeah. Lets do it!

King Hiss went at them and blasted them with poison and dodged them and smashed him all over with skulls and energy and smashed him down.

Seadramon: This is gonna be so fun having you as an archenemy. I heard you know MegaSeadramon's powers.

Poromon: Not bad for an In-Training Level Digimon huh?

Seadramon: Lets see it in action. (Echoing) ICE BLAST!

He fired a wave of ice from his mouth. Poromon dodged it and flew into the air.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a powerful blast of lightning from his head and it smashed into Seadramon and electrocuted him and knocked him down.

Buttercup: I'm not gonna lie. I really enjoyed watching you guys blow his brains out!

Me: That was really therapeutic. And we saved the world from Trump's evil influence and gave him his just desserts and buried him in an unmarked grave in the bottom of the Mariana Trench.

Nico: Wow! All the way down there.

Lola: Yep.

Lana: Good riddance.

Me: Yeah. Now the world is a much better place now that Trump will no longer be part of the world.

Buttercup: Yeah. (To the viewers) We are now free of Trump and the world will never see his ugly face again! I hope he likes the Warp.

Me: I have a feeling he won't.

We continued our celebration of the abjudication of Trump. We later went back to the estate and went to sleep after we had dinner.

THE END

Another awesome fanfiction complete.

The episode of the Powerpuff Girls, Hot Air Buffoon was an awesome and amazing episode. I can't believe that the Mayor would go bonkers all because the Nighttime Cleaning Woman told him that the Powerpuff Girls deserve all the credit. Stupid woman. The episode aired on December 1st, 2000 and it was awesome and funny! The surprise mentioned in the previous chapter was us bringing down Trump and making sure he pays for all of his crimes he did to the country over the last 4 years. And the investigation is still going on to this day in 2021 in real life. I hope they send him to jail for everything he did! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Etstheclarencefan, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. Get ready for an awesome underwater adventure as we go to awesome underwater cities all over the ocean and stop one of Jabberjaw's enemies. It will be awesome meeting the Neptunes and we're going to take down the Phantom and we're going to stop him from flooding the cities with evil prehistoric seeds and plants.

See you all tomorrow.

# Jabberjaw and The Neptunes

At the World Tree Estate we were getting ready to help Salem be part of the team for real.

Beast Wars Scorponok: Um… can anyone explain what we're doing again?

Nico: We're going to give Salem back her body so she can be with us forever.

Me: It's gonna be a tricky process but thanks to my magic I can do it.

Salem: It will be an honor to fight along side all of you. But I still will be bound to Nico after everything I did.

Me: I know Salem.

Nico: It will be awesome having Salem be part of the team.

Me: It sure will.

Erza Scarlet: Fair warning. This might sting a bit.

Nico: I'm ready for anything.

Me: Okay. Here we go.

I stood and used powerful magic and chanted a powerful incantation and I fired a wave of light and it hit Nico and he groaned in pain as the symbol on his forehead glowed yellow and then a mist came out of him and it formed into Salem and she was in her old dress and clothes before she was made the Queen of The Grim and she had amazing golden angel wings.

Salem opened her eyes and saw us all.

Salem: I'm outside.

Me: You sure are Salem. Welcome back to the land of the living.

Ruby Rose: How does it feel to be back?

Salem: It feels amazing.

We saw that she had a choker on her neck that looked like her emblem and it showed that she was bound to Nico.

Me: That choker around your neck that had her symbol and it shows that you are still bound to him to protect him from all threats.

Salem: I see.

G1 Dirtbag: So, Nico's still protected from mind control, right?

Nico: (chuckles) Did you really think I'd let myself become vulnerable to mind control again?

Me: No you are not one to let go that easily.

Salem: That's right. I am still Nico's Guardian Angel. It's just that I am now free to move around on the outside.

Lola: Wow!

Me: I don't think everyone on Remnant is gonna be happy seeing you again though Salem. Especially after everything you did over the course of thousands of years.

Salem: I know. I became like that because I lost Ozma and did everything I could to bring him back. But in the end I was punished for it. I was cursed with immortality.

Neith: That is so unfair. You were just wanting to be reunited with Ozma and you were punished unfairly for it. That is just not fair.

Me: I agree Lady Neith. That is not right. Love does have a way of making people do the craziest of things. But punishing someone unfairly like that just for bringing back the one they love is going too far.

Nico: I agree completely.

Grapple: Next, we'll need to spread the truth about Salem's actions.

Me: Yeah but we're gonna have to tell them that there was a reason why she did everything she did. She was consumed with grief and sadness over losing Ozma.

Nico: Yeah.

Lola: I can't believe she had to suffer for thousands of years because of all that.

Ed Cowart: Yeah it's hard to imagine that all that happened to you Salem. I would call all that a fate worse than death?

Salem: Just what I was thinking.

R.D. Me: Yeah that is awful.

R.D. Girl Jordan: It's just totally unfair that you went through all that.

Me: But we're gonna have to figure out how to get everyone in Remnant together in one place so that we can talk to them all at once.

Salem: Many of Remnant's enemies are still at large.

Me: I know. But we'll be ready for them. Anyway now that we took care of that it's time for our next mission.

Babs Seed: Are we going somewhere underwater this time?

Me: We sure are and you guys are gonna love it. Lisa, deploy the submarines.

Lisa Loud: Aye aye captain!

Nico: I have a feeling this is gonna be good.

We got to the submarine and it was the TLPS Nautical Phoenix and the Ulysses in one and we were on a track that lead to the Pacific Ocean.

We were readying our submarine for an awesome undersea adventure. We launched and we went down the track and went into the Pacific Ocean.

Selma & Patty, Taskmaster, LaGrange, Technus, Billy, Weather Wizard, Xiao Fung, and King Hiss then appeared.

Selma: Can me, Patty, Taskmaster, LaGrange, Technus, Billy, Weather Wizard, Xiao Fung, and King Hiss come with you guys this time?

Me: You all sure can. We were just about to dive. Dive down.

The dive alarm sounded and we dove down underwater.

Me: Here we go guys.

We were going down into the depths of the ocean.

John: Can the Ocean Gene-Slammers go out into the water to swim alongside?

Me: I was just about to suggest that John. Go for it.

Eli: I'll swim too.

Ariel: Count me and my sisters in.

Me: Go for it.

They opened the hatch and the Ocean Gene-Slammers transformed and Eli and the mermaids were swimming alongside us.

Me: Wow.

Patty: That is so amazing.

Selma: It sure is.

Me: Light you girls?

Selma: Oh thanks.

They got cigarettes out and I pulled out my lighter and lit their cigarettes for them.

Patty: Thank you.

Me: You're welcome.

Patty: By the way, Salem, it's good to have you on the outside.

Salem: Thanks Patty. It's great to be outside again.

Nico: It will be perfect having her help us all.

Me: It sure will.

Laney: Where are we going J.D.?

Me: You guys are gonna be in for an awesome surprise. I did some scans of the oceanic topography and found a really awesome number of cities all over the ocean floor.

Nico: What? Cities all over the ocean floor?

Emma (ELGVTWD): How is that possible?

Me: I did a scan and these cities came from the year 2076.

Vince: Wow! That's 55 years from now.

Me: It sure is partner. And I found something else out. These are all cities I saw in an old cartoon from my childhood years ago.

Nico: Wait a second. (Gasp) We're gonna meet Jabberjaw and the Neptunes!

Lana: OH WOW! I love Jabberjaw!

Lily: He is so funny! I love how he sounds like Curly Howard.

Curly Howard: A shark that talks like me?

Me: He sure does Curly. And he sounds like you too. You died however back in 1952. Jabberjaw sounds so much like you. He's just as funny too.

Curly Howard: Wow! Nyuk nyuk nyuk nyuk nyuk. This is gonna be really amazing.

Moe Howard: Who would have thought that grapehead would have a shark that sounds like him.

Me: Well lots of things have changed over the last 70 years Moe.

Nico: They sure have.

Moe Howard: (Laughs) That's true.

Bowser Jr.: (to Mario) Remember when you used to go underwater sometimes?

Mario: (Italian Accent) How can-a I forget?

Me: He has been doing it for over 35 years.

Bowser Jr.: Wow.

Jared: I think we arrived at our destination.

We saw an amazing underwater city. It was a domed city and it was beautiful!

Me: Wow!

Laney: Oh wow! This is gonna be so cool seeing this city.

Nico: I can't wait to see Jabberjaw and meet the Neptunes.

Luna Loud: Their songs are awesome dudes!

Me: When we have our usual battles we'll have to make them a combo with a Battle of The Bands.

LaGrange: That's an interesting idea.

Lola: Yeah!

Me: Engage docking procedures.

Jared: Aye aye captain.

We landed and hooked the sub up to the dome and we went in and we saw that we were in an awesome and amazing underwater city.

Me: Wow!

Nico: This place is amazing.

Naruto: It sure is.

We then saw a group and with them was a 15 foot tall anthropomorphic shark and it was JABBERJAW and THE NEPTUNES!

King Hiss: Hi there. You must be Jabberjaw.

Jabberjaw: Woo woo woo. You better believe I am. Nyuk nyuk nyuk nyuk. Eyah! Team Loud Phoenix Storm!? Wow! It's an honor! Woowoowoo!

Clamhead: Wowwee wow wow! It's such an honor to meet you all!

Me: Pleasure to meet you all too. And you all must be Biff, Shelly, Bubbles and Clamhead.

Bubbles (Jabberjaw): Do you know any other Bubbles.

Shelly: You are Bubbles. But it's awesome meeting you guys.

Biff: Same here. We heard so much about you all.

Me: We get that a lot.

Curly Howard: It's an honor to meet you Jabberjaw.

Jabberjaw: Same to you.

Biff: Wait a minute! Are you Curly Howard of the Three Stooges!?

Curly Howard: That's right. Who did you expect? Moe? Nyuk nyuk nyuk nyuk.

SLAP!

Moe slapped him.

Moe Howard: Quiet you nitwit.

We laughed.

Shelly: He's funny.

Nico: That's Moe Howard for you.

Eddy: So, you must be Shelly. I've heard all about you. And, I've got something to say.

Double D: And we apologize if what he says offends-

Eddy: You be quiet, Sockhead! I'm gonna say what I want to Shelly!

Shelly: Which is what, exactly?

Eddy: J.D. told me about what you do all the time. And I can't believe any of it! You insult Jabberjaw all the time. You push him around. I got an aiea. How about you push ME?! Because I won't let you get away with that!

Ghuul: Okay, I don't think Shelly literally pushes-

Eddy: Everyone, be quiet! I'm trying to do a rant here!

Ed: Eddy what are you?

BLAM!

Eddy bashed Ed on the head with a shovel!

Eddy: Shut up Ed!

Me: Ouch.

Eddy: Okay. Let me summarize my rant to you so it's easier for you to understand. 1. You're loud! 2. You're rude! 3. You're a bully! 4. You like tearing up your own house! 5. You- (Taskmaster starts laughing) What's so funny?

Taskmaster: (laughing) You just described yourself. Everything you just said is about you!

Eddy: No, they're about Shelly!

Taskmaster: Why are you mad at Shelly at the moment?

Eddy: Because I see my past self in her!

Ed Edd N Eddy Kevin: You actually have a good point.

Eddy: (to Shelly) Look, you have to change. Because one day, all your friends will be gone. And then, you'll be all alone.

Me: That's right Shelly. Jabberjaw is a funny guy. But he is a great drummer and is really helpful.

Laney: That's right Shelly. You don't want to be alone do you?

Shelly: No I don't. You guys are right. I'm sorry Jabberjaw.

Jabberjaw: Aw it's all right Shell.

Me: Good. Also we saw all your awesome adventures and they were awesome. It's amazing that you all took down so many criminals.

Laney: It sure is.

Salem: Do you all have any enemies for us to take down?

Biff: As a matter of fact we do. We just got word that The Phantom of the Kelp is back and is after us for revenge.

Nico: I remember him. He tried to destroy the underwater version of San Francisco with a number of dangerous prehistoric kelp plants.

Me: And it's hard to imagine he was a cop in disguise.

Eli: What a monster.

Me: Yeah he sure was.

Ty Lee: Prehistoric kelp plants? Are those even real?

Littlefoot: I never saw kelp plants like those in the ocean.

Nico: Yeah that's unusual.

Aylene C.: It sure is.

Shelly: Kelp is seaweed. Do you guys like seaweed?

Me: YUCK! I don't like seaweed. It tastes awful.

Lincoln: Yeah I tried seaweed raw and it made me hurl my guts out.

Nico: EW!

Weather Wizard: First, we should find a way to destroy those kelp plants.

Me: We can always burn them.

We heard growling and then we saw a bunch of kelp plants with mouths at the ends.

Biff: JUMPIN JELLYFISH!

Clamhead: Abababababa! Those plants again!

SpongeBob: (SCREAMS)

Patrick: I don't get it.

Eli: I got this!

Eli ran fast and ate all the prehistoric plants like they were a salad!

Eli: BBBBBUUUUUUUUUUUUUUUUUURRRRRRRRRRRPPPPPPPP! Pardon me. That is good seaweed.

Me: Whoa! Eli that was awesome!

Ets: Yeah you ate those plants like they were a big salad.

Eli: I had seaweed-dogs when Sebastian was a hot dog vender and he made them. I liked them and I ate them all.

Ariel: Oh yeah I remember that!

Melody: Wow! That was interesting.

Me: Wow.

Nico: I didn't know Eli likes seaweed.

Twilight Sparkle: Learn something new all the time.

Me: We better search and see if there are more plants.

Dive Man: I'll dive in the water to see if there's more!

Me: Okay. Wave Man, Splash Woman, Water Man, you all better follow him too.

Splash Woman: Roger that.

They dove into the water and began searching.

Me: We better search for the Phantom. While we're here, Biff do you think you can show us around the city?

Biff: Sure thing.

We walked around the city and it was amazing and incredible.

Billy Numerous: This City's almost like Atlantis.

Me: Boy it sure feels like it.

Aquaman: It's like I'm home in Atlantis again.

Me: Wow! But this city is from the year 2076.

Biff: It sure is amazing.

Me: Yep. But you guys will like it here in the year 2021. You are in the oceans of our Earth in the year 2021. I think you guys got here by a Dimensional Merging.

Biff: What's that?

Lisa Loud: It's what happens when two dimensions merge into one.

Biff: Interesting and complicating.

Nico: Yeah but it sure is something to learn about.

Salem: Yeah.

Me: Yeah.

Trent: You know, Jabberjaw, on the outside, you might be scary. But deep down, you're a friendly guy.

Jabberjaw: Aw thanks Trent. Now that is respect right there.

Me: Also I know another awesome undersea show from my past. The Snorks.

Nico: Sweet! We'll meet them in the future. They are like the underwater version of the Smurfs.

Me: Yep. They are awesome too.

We saw a bunch of plants and they were monster kelp plants!

Me: WHOA!

Biff: Hoppin Halibut! More Prehistoric Kelp!

Nico: (Gulp) I won't like it but here goes.

He went at the kelp and ate all of the kelp!

He was green around the gills.

Nico: YUCK!

Me: I know it's gross huh?

LaGrange: Let's see if my car works underwater!

Me: Go for it LaGrange!

He got into his racer and he drove it and went out into the water and it surprisingly drove awesomely in the water!

Me: It works! Just like Speed Racer's Car. Wait! LaGrange will your car have enough air?

LaGrange: Don't worry J.D. My car has the power to convert water into oxygen whenever I'm down here.

Me: Cool!

Muscle Man: Hey, guys. You know who else likes sharks?

Overbite: (laughs) I know the answer to this one!

Muscle Man: My mom!

We laughed at his joke.

Jabberjaw: Nyuk nyuk nyuk nyuk nyuk! That was a good one! Woo woo woo!

Biff: I don't get it.

Me: We don't either but that was funny.

Nico: Yeah.

Curly Howard: He cracks us up every time.

Me: He sure does.

Rip: Lets go get this sicko!

Me: Right! Lets do it!

Technus: I have an idea for the entrance this time.

Cyborg: What's that?

Technus: (smirks) Remember our merged form during the war?

Cyborg: You bet I do Technus! That was awesome!

Me: Sweet! And I know just where The Phantom is. Scans show that he's in a submarine 10 miles southwest from here.

Technus: Great! I, Technus, will get us all there for the entrance.

Cyborg: Lets do it guys.

Me: We can have our usual battles after we take the Phantom down. I have something awesome planned for them.

Biff: What is it?

Me: It's a mixture of a Battle of The Bands combined with our usual battles. We have a great singing talent and know so many songs.

Rainbow Dash: That's a great idea!

Applejack: It sure is. Can't wait to see it.

Me: Great. Lets do it.

We went out to find him and we found his submarine.

We were inside a torpedo and it was locked and loaded and ready to fire.

Technus: Ready guys?

Me: Locked and loaded and ready to fire.

Skalor: Alright, you two. Go for it!

Cyborg and Technus merged and became CYTECH!

Me: YEAH!

Lane Loud: So awesome!

Luan: This is gonna be an Aqua good time. (Laughs to Rimshot) Get

it?

We laughed at her joke.

Eddy: (Laughs) Good one Luan.

He had the submarine locked on.

Cytech: Ready? Aim? Fire!

TORPEDO TLPS PEERED AND LEFT THE TUBE!

They fired a torpedo and inside it was us and then it hit the Phantom's submarine and it pierced through the side.

Phantom: What the?

It opened and a wave of water came out and the singing of mermaids filled the air inside it and we came out riding on surfboards!

Me: YEAH!

Phantom: Team Loud Phoenix Storm!?

Me: That's right Phantom. You're under arrest!

Biff: We're not letting you get away with your crimes again!

Phantom: We'll see! Get them you fools!

We blasted his minions.

Me: Your minions were pathetic.

Yumi: Jabberjaw's not the only shark you have to worry about!

Yumi suddenly held her stomach in pain as her eyes started pushing out of her head.

Xiao Fung: (laughs) You're in for it now!

She turned into a HAMMERHEAD SHARK!

The Street Sharks and the Ocean Gene-Slammers turned into their fish forms!

Biff: Jumpin jellyfish! What happened to them!?

Nico: It's a really ugly story Biff.

Eli: And it is not pretty too.

Ets: Yeah.

Salem: But it's amazing that they were given this kind of power.

Lola: Yeah it sure is.

Lana: And it's not just fish they turn into.

Nico: They can turn into different kinds of Pokemon too.

Carolyn Hope: The Pokemon are the Coolest.

Natalia: (Russian Accent) They sure are.

Noah: I know the perfect team to use!

Megaforce Rangers: Legendary Ranger Mode: Alien!

The Megaforce Rangers turned into the Alien Rangers.

Me: Perfect for fighting bad guys underwater!

Delphine: (Alien Voice) **Good choice.**

Then mermaid singing was heard.

Me: Whoa you guys hear that?

Rarity: Wow! Look out there!

We looked outside and we saw an aqua blue Mermaid. But it was THE MERMAID WILD ZORD!

Nico: WOW!

Eli: WOW! That's the Mermaid Wild Zord!

Me: That's the 6th member of the 12 Myth Zords that we have encountered.

A blue light appeared and it landed in Rarity's hand and it was the Mermaid Zord Crystal!

Rarity: The Mermaid Zord Crystal!

Me: It chose you Rarity. Wow!

Applejack: Way to go Rarity! The Mermaid Zord is perfect for y'all.

A Crystal Saber then appeared in a holster on Rarity's left hip.

Nico: It sure is.

Lincoln kissed Rarity on the cheek.

Lincoln: My princess of generosity has earned it.

Rarity: Oh Linky thank you.

She picked him up and kissed him.

Everyone: AWWW…

Me: Lets get him guys!

We went at The Phantom and punched, kicked and pulverized him all over the place.

Laney: I got the seeds he was using.

Laney had a container full of them.

Nico: Great job Laney.

Tassanil, Crawsectus, Accato, and Pyrithion blasted and pulverized the Phantom all over.

Earthworm Jim: EAT DIRT DEFILER OF THE OCEAN! (BLASTS

THE PHANTOM ALL OVER)
HAHAHAHAHAHAHAHAHAHAHAHAHA!

Ed Cowart: EAT DIRT MALEVOLENT OCEAN DESTROYER! (BLASTS THE PHANTOM ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHA!

Ets: You make me sick looking at you! OCEAN STYLE NINJA ART: TRIDENT MAELSTROM BLAST!

He fired waves of water and they formed into a bunch of tridents and skewered him all over.

G1 Dirtbag: Lets tear him appear.

Scorponok: Yeah! Scorponok, TERRORIZE!

He transformed.

Dirtbag, Scorponok, Grapple and Erza used the Earth, Fiore and Animatron Cyber Planet Keys and they enhanced Dirtbag's missile launcher, Scorponok's weapons, Grapple's, Arc-Welder Rifle and Erza's magic 100-fold.

G1 Dirtbag and Beast Wars Scorponok: SCORPION MISSION BARRAGE!

Dirtbag and Scorponok fired missiles.

Grapple and Erza Scarlet: FIRESTORM SLASH BLAST!

Grapple fired waves of infrared energy and Erza fired a fire blast from her sword.

Jabberjaw, Clamhead, Bubbles, Shelly, Biff, Curly Howard, Pinkie Pie, The Neptune Crusaders and me: NEPTUNE FUNNY MEGABLAST!

We fired waves of water and energy and smashed the Phantom down.

Maria: How about we strangle you with your own kelp?!

Laney: Just what I was thinking!

Me: Biff I'm sorry you have to see this but there are times where we kill bad guys. We do it to make sure they don't come back and hurt people again.

Biff: That's understandable. I can tell you have your reasons but go for it!

Laney controlled his kelp and then strangled the Phantom to death!

Biff: WHOA!

We sealed the Phantom into the Book of Vile Darkness.

May: (to Biff) Trust me. This is actually one of the less messy deaths.

Me: Yeah.

Biff: Thanks for telling us this guys.

Me: You're welcome.

Nico: At least that's one of your major enemies down.

Shelly: Thank goodness. Guys thank you for helping in reforming me.

Me: Anytime Shelly but you have Eddy to thank for that.

Shelly: Yeah.

Me: Lets get back to the city so you can see our usual battles in action.

Biff: Good idea.

Jabberjaw: Woo woo woo! This is gonna be fun!

We went back to the city and in a stage we got ready for our Usual Battles and Battle of The Bands Combo.

Evilseed, Calamitous, Mysterio, Aqueduct, King Shark, Beetle, Biowulf, Skalamander, Ranamon, Hydro Man, The Big Top Werewolf, The Ghost of Amos Littlefield, The Cat Mummy, The Ghost of Geronimo, Dr. Croaker, The Miner 49er, The Snake Demon, The Ice Demon, and King Snorky appeared.

Mysterio: Yeah hope we are in time.

Me: You all made it just in time actually.

Evil Seed: I take it the Phantom's dead?

Maria: Yep. Strangled by his own kelp.

Calamitous: (laughs) That's poetic justice for you.

Mysterio: I hope you left his corpse in the water.

Jabberjaw: (to King Shark) I'm glad that Vypra has a fellow shark on her team.

Biff: Wait. Aren't you that nerdy shark guy from the Harley Quinn cartoon?

King Shark: (Sweatdrops) Um… no comment!

We laughed.

Me: That's funny that you know that Jabberjaw.

Lola: Yeah. But he is not like the one in the Harley Quinn Cartoon.

Nico: Yeah.

King Shark: Thank goodness for that.

Me: Yeah. There's a lot of you this time. I was just about to test out a bunch of group ideas that I came up with.

Dr. Croaker: Me ready to see them.

Emma (ELGVTWD): This is gonna be cool!

King Shark: Yeah it is! We also have a new recruit for you all.

A figure came out and it was THE ICE KING!

---

The **Ice King** (real name: **Simon Petrikov** ) is a major antagonist and anti-hero in the Cartoon Network series *Adventure Time* . He appears as the main antagonist of seasons 1-3 and an anti-villain/ protagonist for the remainder of the show. Though initially the main antagonist, his role has shifted into a tragic villain/anti-hero.

He was voiced by Tom Kenny, who also played Heffer in *Rocko's Modern Life*, Dog in *CatDog*, SpongeBob SquarePants, Gary the Snail, Patchy the Pirate and the French Narrator in *SpongeBob SquarePants,* Chester in *Kids Next Door* and The Mayor and The Narrator in *The Powerpuff Girls*, Scoutmaster Lumpus, Slinkman and a Weasel in *Camp Lazlo*, and Commander Peepers in *Wander Over Yonder* .

A Christmas-themed episode ("Holly Jolly Secrets . II") revealed the tragic backstory about the Ice King by a video. Sometime before The Great Mushroom War, the Ice King was Simon Petrikov, a young glasses-wearing human who was working to be an antiquarian. One day, he bought a crown and went to show it to his fiancee Betty, whom he dubbed "Princess." He put the crown on his head for a laugh, which made him do something so terrible (of which he had no memory) that Betty left him. He then begins to slowly lose his sanity and look more and more like the "Ice King". It is revealed that he kidnaps princesses to fill the gap made when Betty left him. Finn later develops for his nemesis, because he knew that he was once human.

Sometime during the Great Mushroom War before Simon became Ice King, he met a young Marceline in the middle of the wreckage.

He then comforted her by giving her a teddy bear from a destroyed toy shop. He also tried to find her soup after finding out that she was sick, though he had to protect her from unknown creatures.

*Adventure Time*

The Ice King is the lonely and of the Ice Kingdom. He constantly kidnaps princesses (including Princess Bubblegum) in hopes that one of them would marry him, even if he has to threaten them with death. He is a lowly villain and was easily defeated by his own heart, Ricardio. He has a small gold crown with three red jewels that help him to bring monsters made of snow to life or fly using his beard. He is hated by Finn, Jake, the princesses, and even by. He has with the penguins of the Ice Kingdom, though. He has a long beard and blue skin (most likely from frostbite) and a blue robe that makes his body look big, though he is really skinny. He first appeared in "Prisoners of Love". The Ice King seems to have a bad habit of threatening others to do his bidding.

In "Betty," after a demon negated powers from wizards, including the Ice King, his crown became useless and he turned back to Simon. However, since he had his ice powers (which made him immortal) for 1,000 years, Simon started dying and he and Marceline tried to track down Betty. His Ice Kingdom was also melting. He used a time portal to communicate with her. Afterwards, Betty jumped into the present and decided to help her fiance regain his powers before it was too late. When Betty defeated the monster back in Wizard City, Ice King and everyone else got their powers back. Afterwards, the Ice King was seen in his castle explaining the story to Muscle Princess (whom he had her feet frozen in ice).

In the series finale, Betty took the crown, thus is reverted back into Simon Petrikov once again.

Finn (Adventure Time): Ice King!

Me: Whoa man! This is gonna be awesome!

Ice King: It sure is and the pay is really good!

Me: I hope you aren't gonna go after princesses like you did before.

Ice King: That would be cool. And I have just the princess for me as my archenemy.

Me: Who did you pick?

Ice King: Water Princess.

Water Princess is our newest recruit and we were honored he would pick her.

Water Princess: Wow! I'm honored that you would pick me.

Me: Hmm. We'll have to see if we can have all the princesses of Ooo take turns against you. I can tell that they want some payback against you.

Ice King: I can tell.

Antberry then came out.

Me: Back for round 2 Antberry.

Antberry: Yep and this is gonna be awesome.

Me: It always is.

Antberry: It took me a while. But I finally found the perfect archenemy.

Me: Who is that?

Antberry pointed to Princess Bubblegum.

Princess Bubblegum: You chose me? Oh wow!

Marceline: Nice pick for you Bonnibell.

Finn (Adventure Time): Right on PBo!

Princess Bubblegum: I am honored.

Ferocious growling was heard and out came THE WEREWOLF GHOST!

Then wicked cackling was heard and then…

POOF!

Out of a puff of smoke came THE SWAMP WITCH!

Shaggy: ZOINKS! The Werewolf Ghost and The Swamp Witch!

Twilight Sparkle: Wow! These guys look tough. What were they known for?

Qin: The Werewolf Ghost was really the ringleader of a huge Sheep Smuggling Ring and the Witch was really Zeb who was really a hijacker. He and his friend Zeke hijacked an armored car and sunk it in a swamp and waited for the heat to die down. They had a really clever scheme going. They would search the swamp with a metal tipped boat pole and when it hit the armored car it would make a metallic sound when it hit it and then they would pull it up with a winch.

Twilight Sparkle: That's genius.

Qin: But they got busted. The Werewolf Ghost got 20 to 40 years and Zeb and Zeke got 50 years and then life.

Me: Yep.

Twilight Sparkle: Wow!

Applejack: When are these dirtbags gonna learn that crime doesn't pay?

Me: Probably never. There are lots of people out there Applejack, that can never change.

Applejack: I see.

Me: Lets ROCK!

Fluttershy pulled out an ocarina and she was playing The Legend of El Dorado by Derek Fiechter & Brandon Fiechter. Leaves and butterflies and fairies swirled around her and they went at Evilseed.

Mallow: Here's one of my favorites. CELTIC STYLE NINJA SONG ART: BRIAN BORU!

Mallow pulled out a lute and played Brian Boru.

Celtic symbols and energy swirled around her and she fired them.

Zecora: A most traditional dance this will be and lets see how well you fair against what you see. AFRICA STYLE NINJA SONG ART: NYANGA DANCE!

Zecora pulled out a flute and was playing the Nyanga Dance and had African symbols swirl around her and she fired them.

They fired energy blasts and smashed Evilseed down.

Mallow: YEAH!

Fluttershy: That was fun!

Everyone cheered wildly.

---

Calamitous was next.

Calamitous: (to Lisa) How was it even possible for the Phantom to control those Kelp?

Lisa Loud: They were some kind of prehistoric kelp seeds that he found and he made a powerful revitalization ray that made them grow really quickly.

Pinkie Pie: Wow! That is amazing!

Calamitous: Most impressive use and genius inventing.

Little Cheese: It sure was. I got to give the Phantom credit.

Maud Pie: (Monotonously) Me too. I like plants but only if they are fossilized only in amber or rocks.

Marble Pie: It was amazing that they were brought back like that.

Limestone Pie: It sure was. Wow! We were impressed.

Calamitous: I can tell. I heard that Eli likes eating seaweed hot dogs.

Cheese Sandwich: He sure does. When he was with Ariel he loved eating seaweed hot dogs made by Sebastian.

Moe Howard: Yeah the little guy ate all of Sebastian's sea-dogs like they were candy.

Larry Fine: He must've been really hungry back then.

Calamitous: Indeed. And Curly it is most amazing and humorous that Jabberjaw sounds so much like you.

Curly Howard: Yeah he's like me in shark form. Nyuk nyuk nyuk nyuk nyuk.

BOOF! BONK!

Moe bopped him in the stomach and bonked him on the head.

Moe Howard: Shut up ya baboon.

They laughed.

Mr. Cake: You got to admit that is really funny.

Mrs. Cake: It sure is! And I love watching the Three Stooges.

Pumpkin Cake: Me too Mom. They are so funny and J.D.'s dad used to watch them all the time back in his youth.

Pound Cake: That is so funny.

Alizarin Bubblegum: It sure is. And I love a good laugh.

Somnambula: (Egyptian Accent) Who doesn't love a good laugh every now and then.

Calamitous: Indeed. Jack O-Lantern, the one that Billy and Mandy know give us really good laughs.

Silverstream: I heard he is quite a good prankster.

Sprocket: But he drove all of Endsville bonkers all those years ago.

Trigger Happy: Yeah that was nuts.

Chang Chengku: Yeah it sure was.

Stewie: At least his pranks don't involve people getting hurt.

Bowser Jr.: That's a relief.

Calamitous: Indeed. Lets do it!

He fired missiles at them and they dodged them and went at him.

Lisa Loud: Take this. TECH STYLE NINJA SONG ART: WILD THING!

Lisa got to breakdancing and she was singing Wild Thing by Tone Loc.

Let's do it

Workin' all week

9 to 5 for my money

So when the weekend comes

I go get live with the honey

Rollin' down the street

I saw this girl and she was pumpin'

I winked my eye, she got into the ride

Went to a club was jumpin'

Introduce myself as Loc

She said, "You're a liar"

I said, "I got it goin' on baby doll

And I'm on fire"

Took her to the hotel she said

"You're the king"

I said, "Be my queen if you know what I mean

And let us do the wild thing

Wild thing

Wild thing

Shoppin' at the mall

Looking for some gear to buy

I saw this girl she cool rocked my world

And I had to adjust my fly

She looked at me and smiled and said

"You have plans for the night"

I said, "Hopefully if things go

Well, I'll be with you tonight"

So we journeyed to her house

One thing led to an other

I keyed the door, I cold hit the floor

Looked up and it was her mother

I didn't know what to say

I was hanging by a string

She said, "Hey, you two, I was once like you

And I liked to do the wild thing"

Wild thing

She loved to do the wild thing

Wild thing

Please, baby, baby, please

Posse in effect

Hangin' out is always hype

And when me and the crew leave the shindig

I want a girl who's just my type

Saw this luscious little frame

I ain't lyin' fellas she was fine

The sweet young miss go gave me a kiss

And I knew that she was mine

Took her to the limousine

Still parked outside

I tipped the chauffeur when it was over

And I gave her my own ride

Couldn't get her off my jack

She was like static cling

But that's what happens

When body start slappin' from doin' the wild thing

Wild thing

She wanna do the wild thing

Please, baby, baby, please

Wild thing

Doin' a little show at the local discotheque

This fine youg chick was on my jack so I say what the heck

She want to come on stage and do her little dance

So I said, "Chill for now but maybe later, you'll get your chance"

So when the show was finished I took her around the way

And what do you know she was good to go without a word to say

We was all alone and she said, "Tone, let me tell you one thing

I need Dollar 50 to make you holler, I get paid to do the wild thing"

Say what

Yo love you must be kidding

You're walkin' babe

Just break out of here

Hasta la vista baby

Wild thing

She fired waves of gears and energy.

Pinkie Pie: Here's a good one! PARTY STYLE NINJA SONG ART: DISCO INFERNO!

Pinkie Pie got to disco dancing and the floor underneath her lit up in rainbow colors and she sang Disco Inferno by the Trammps.

To my surprise, one hundred stories high

People getting loose y'all, getting down on the roof

Folks are screaming, out of control

It was so entertaining when the boogie started to explode

I heard somebody say

disco inferno

(Burn baby burn) burn that mother down
(Burn baby burn) disco inferno
(Burn baby burn) burn that mother down
Satisfaction came in a chain reaction
(Burnin')
I couldn't get enough, so I had to self-destruct
The heat was on, rising to the top
Everybody going strong, and that is when my spark got hot
I heard somebody say
disco inferno
(Burn baby burn) burn that mother down y'all
(Burn baby burn) disco inferno
(Burn baby burn) burn that mother down
Up above my head
I hear music in the air
That makes me know
There's a party somewhere
Satisfaction came in a chain reaction
(Burnin')
I couldn't get enough, so I had to self-destruct
The heat was on, rising to the top
Everybody going strong, and that is when my spark got hot

I heard somebody say

disco inferno

(Burn baby burn) burn that mother down

(Burn baby burn) disco inferno

(Burn baby burn) burn that mother down

burn that mother down

(Burn baby burn) disco inferno

(Burn baby burn) burn that mother down

when my spark gets hot

(Just can't stop) when my spark gets hot

when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

When my spark gets hot

when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

(Just can't stop) when my spark gets hot

disco inferno

She fired waves of pink and colored energy.

They fired waves of energy and all smashed down Calamitous.

---

Mysterio was next.

Mysterio: (to Yusei) What was that underwater city like? BTW, the next Robot Heartless I'll summon will be a Pot Centipede.

Yusei: Good choice and the Underwater City is amazing here. Aquaman said that it reminds him every bit about Atlantis.

Mysterio: It sure does look like Atlantis in every way doesn't it?

Rarity: It sure does and it is amazing how the people of the future built such an amazing and incredible series of cities this far down underwater.

Emerald Shine: It's really cool and J.D. said that the cities are from the year 2076.

Topaz Flare: 55 Years into the future.

Mysterio: Wow! That's amazing! And I remember watching Jabberjaw all the time back when I was a little kid. It was awesome!

Sweetie Belle: It sure is! And Jabberjaw sounds just like Curly Howard of the Three Stooges.

Thunder Terror: And Curly died almost 70 years ago in 1952. Whoever voiced Jabberjaw back then really knew how to do a great impression.

Button Mash: I'll say. Even though I like video games, I still like watching cartoons.

Pip-Squeak: (British Accent) Jabberjaw is so funny and it's amazing how he plays the drums really well.

Sassy Saddles: (British Accent) J.D. used to play the drums from what I remember.

Sapphire Shores: And Pinkie Pie plays the drums for the Rainbooms. That is awesome.

Saffron Masala: (Indian Accent) It sure is amazing and I like playing the Sitar.

Vinyl Scratch did some sign language.

Octavia Melody: (British Accent) Vinyl said she likes her D.J. Music and rave music. I always liked playing the Cello.

Mysterio: You all have really good tastes in music.

Jet Set: Indeed we do.

Upper Crust: It's all really good music to listen to.

Fleur-De-Lis: I have always been a huge lover of classical music myself.

March Gustysnows: (Minnesota Accent) Folk music for me don't ya know.

Mistmane: Practically everyone has their own tastes in music and that's fine with me.

Sable Spirit: I agree with you on that.

Mysterio: I agree. I love practically all kinds of music.

Ocellus: Who doesn't. It's so much fun to listen to.

Gill Grunt: I like Nautical Music.

Thumpback: Me too lads.

Geronimo Jr.: Being Native American, I like Native American Indian Music.

Ri'Oha: It's all amazing.

Ghuul: Yep.

Mysterio: Indeed. Lets do it!

He summoned a robot in the shape of said Heartless and they went at Mysterio and the robot heartless.

Rarity: This is one of my favorites! SEASONS STYLE NINJA SONG ART: WALTZ OF THE FLOWERS!

Rarity floated into the air and the elements of the 4 seasons as she was playing Waltz of The Flowers by Pyotr Tchaikovsky.

Pip-Squeak: This is gonna be good. HEARTS STYLE NINJA SONG ART: SEDUCES ME!

Pip-Squeak floated into the air and hearts swirled around him as he sang Seduces Me by Celine Dion.

Everything you are

Everything you'll be

Touches the current of love

So deep in me

Every sigh in the night

Every tear that you cry

Seduces me

All that I am

All that I'll be

Means nothing at all

If you can't be with me

Your most innocent kiss

Or your sweetest caress

Seduces me

I don't care about tomorrow

I've given up on yesterday

Here and now is all that matters

Right here with you is where I'll stay

Everything in this world

Every voice in the night

Every little thing of beauty

Comes shining through in your eyes

And all that is you becomes part of me too

'Cause all you do seduces me

And if I should die tomorrow

I'd go down with a smile on my face

I thank God I've ever known you

I fall down on my knees

For all the love we've made

Every sigh in the night

Every tear that you cry

Seduces me, oh, seduces me

And all that you do,

Seduces me

He fired hearts and they fired jewels and energy blasts and smashed Mysterio down and destroyed the robot.

Yusei Fudo: A stellar victory!

Rarity: Rapture darling that was grand!

Cozy Glow, and Ty Lee VS Aqueduct

---

Aqueduct was next.

Aqueduct: (to Raiden) Was the underwater city like Atlantis?

Raiden: It sure did remind me every bit of Atlantis. Aquaman said it was just like it.

Applejack: Yeah and it's absolutely amazing that the people of the year 2076 would come so far as to build these amazing cities underwater.

Apple Bloom: It sure is amazing! I wonder how they harvest apples or make food down here underwater.

Thunderbird Apple: No idea Aunt Apple Bloom but that would be so cool to see.

Lightning Fritter: I think it's just like what the Phantom did when he made those kelp plants grow. That is genius in his part.

Tender Tap: It sure is. It's amazing that the Phantom was able to grow his kelp plants that fast.

Frozen Fright: I'll say. Nico didn't like eating the kelp however. He hurled his guts out when he ate it all.

Aqueduct: EW! Yeah I don't like seaweed either. It tastes awful.

Big Mac: Eeyup.

Sugar Belle: It sure is nasty stuff I'll tell you that.

Granny Smith: You ain't kidding there. Stuff is as nasty as a tapeworm in a barrel full of raw sewage.

Apple Rose: You said it cousin.

Goldie Delicious: Yeah it's nasty to eat seaweed by itself but it's good on sushi.

Aqueduct: Now that I can handle. I like sushi with seaweed.

Bright Mac: That I can handle too.

Pear Butter: Yeah seaweed is nasty stuff. But it was amazing how Eli ate it all.

Cheerilee: It sure was. Eli has an amazing appetite.

Strawberry Sunrise: I think so too. He can eat anything underwater.

Blue Raspberry: Got to admire his good tastes.

Grand Pear: I agree on that. It's good he can eat that stuff.

Rockhoof: (Scottish Accent) Aye. As good as haggis in traditional tales.

Cocoa Axe: (Irish Accent) And as good as Shepherd's Pie on a grand day lads.

Steela Oresdotter: (Norwegian Accent) And as good as lutefisk.

Aqueduct: All this talk about food is making me hungry.

Autumn Blaze: Yeah it sure is.

Coloratura: No kidding.

Petunia: It sure is making me hungry too.

Yona: Yak agree with blue pony.

Flashwing: After this lets get some good food.

Crusher: Always love some good food.

Albert Heinrich: Me too.

Cozy Glow: Same here.

Ty Lee: Yep.

Aqueduct: Lets get it on!

He fired blasts of water and they dodged it.

Applejack: Try this! COUNTRY APPLE STYLE NINJA SONG ART: AIN'T GOING DOWN TILL THE SUN COMES UP!

Applejack floated into the air as apples and elements of the country swirled around her as she was singing Ain't Going Down Till The Sun Comes Up by Garth Brooks.

Cheerilee: I love opera. OPERA MAELSTROM STYLE NINJA SONG ART: BAILERO!

Cheerilee floated into the air and she was singing Bailero by Sarah Brightman.

They fired waves of apples and energy and earth and smashed him down.

Raiden: Flawless Victory.

Applejack: YEEHAW! That was great!

Everyone cheered.

King Shark was next.

King Shark: (to Peyton) It's always nice to meet a fellow shark like Jabberjaw.

Peyton: It sure is nice. And Jabberjaw is one of the funniest sharks ever.

Rainbow Dash: And he is awesome! I love how he did it all over the years and brought awesome enemies to justice.

Storm Rainbow: Yeah he is great! And it's amazing that he and his friends are awesome as a great band.

Lightning Dust: The Neptunes are awesome. Just like the Rainbooms.

Scootaloo: Same with J.D. and everyone. They sing awesome too.

Tornado Bolt: They sure do. And the songs they all know are so awesome!

Rumble: Yeah they are! I love how they change the room into awesome scenes as they sing. Everything that happens as they sing is incredible.

# Trent Fernandez and Leanbow VS Beetle

---

Beetle was next.

Beetle: (to Connor) Jabberjaw's the nicest shark I've ever met.

Connor McKnight: He sure is and he's also really funny too. I love how he sounds like Curly Howard.

Sunset Shimmer: I love that too! He is so funny and is just as hilarious.

Phoenix Shimmer: Yeah he is hilarious!

Triple Berry: Curly and Jabberjaw are both so funny! I think Jabberjaw might be Curly's reincarnation in an alternate timeline.

Pepperdance: That is a very strong possibility. Ooowee! Love a good spicy theory.

Cayenne: But it's great that Jabberjaw and team are gonna be with us.

Wallflower: It sure is. I love Jabberjaw and how funny he is.

Beetle: Me too. I used to watch him all the time when I was a kid.

Adagio Dazzle: Wow! But it's a darn shame that they don't air cartoons like that anymore.

Aria Blaze: I know what a bummer. But we can still watch them on the internet.

Sonata Dusk: That's true. I know tons of cartoons from the golden days of cartoons.

Gusty the Great: We'll have to watch them in the future.

Eruptor: Maybe we can get some good ideas for adventures from them in the future.

Flameslinger: J.D. says he knows lots of cartoons so that is a great idea.

Beetle: If I may make a suggestion, do an adventure where you go into the world of The Littles. That was my favorite cartoon from 1983 and it's based on a book from the 1960's.

Trent Fernandez: That's a great idea!

Leanbow: Yeah that's perfect.

Beetle: I used to read that book constantly back when I was in kindergarten.

Leanbow: Cool!

Beetle: It sure is. Lets do it!

He fired energy blasts and they dodged them.

Sunset Shimmer: Hunter has been getting me into the German Music. GERMANY STYLE NINJA SONG ART: WALPURGISNACHT!

## Battle 7: Jake Long, Twilight Sparkle, Thunder Sparkle, Luster Dawn, Princess Cadance, Princess Amore, Flurry Heart, Lilly Crystal, Cloud Star, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Bon Bon, Donut Joe, Spike the Dragon, Shining Armor, Tempest Shadow, Swift Foot, Gallus the Griffin, Star Swirl the Bearded, Magic Skylanders, Rai, Sena, Joe Shimamura, Overbite and Seawing VS Biowulf

---

Biowulf was next.

Biowulf: (to Jake Long) So, I heard you guys got Salem out of Nico this morning.

Jake Long: We sure did and Salem is loving it. But she is still bound to Nico as his guardian angel.

Twilight Sparkle: And that is a good thing. The last thing we want is for him to go through what happened when he had the Digimon Emperor in him.

Thunder Sparkle: Yeah that was crazy! I can't believe that the Digimon Emperor was that dangerous and evil. Even though it all wasn't his fault.

Luster Dawn: Yeah he was brainwashed all because of a dark spore that was inside him from what we were told.

Biowulf: Yeah that was crazy. But do you think it's possible that Ken still has that Dark Spore still inside of him now that he is back?

Princess Cadance: I don't think we ever thought about that. But it's a really strong possibility.

Princess Amore: If that's the case then we need to get that Dark Spore out of him and we can analyze it to see how it affected him.

Flurry Heart: That's a good idea. We can understand how it affected him and turned him into the most ruthless tyrant ever to terrorize the Digital World.

Cloud Star: And we can use that information to make sure the deeds of the Digimon Emperor are never again repeated.

Lilly Crystal: That's right! What the Digimon Emperor did because of Oikawa was completely unforgivable even though he was the one pulling his strings.

Biowulf: Yeah that was terrible. And Oikawa was doing all that because of MaloMyotismon inside of him.

Minuette: So in a way that makes MaloMyotismon the true ringleader of Nico's pain and Ken's demise and all of the things that happened.

Twinkleshine: Yeah that was horrible!

Lemon Hearts: But we destroyed MaloMyotismon and the Digimon Emperor for good.

Moondancer: But I think the Dark Spore might still inside Ken like Luster Dawn said.

Lyra Heartstrings: I agree. And we need to make sure that it gets out of Ken forever.

Bon Bon: But how will we get it out of him?

Biowulf: Hmm. Since the Dark Spore came from the Digital World then it must be made of data. So we can get it out of Ken electronically.

Donut Joe: That's interesting. I hope we can learn from the Dark Spore and make sure that it never hurts another person ever again.

Spike: Yeah we have to learn from the past about it.

Shining Armor: What happened to Ken because of MaloMyotismon was absolutely terrible.

Tempest Shadow: It sure was. Poor Nico did nothing to deserve all that.

Swift Foot: Yeah. Ken was the real victim. He was used as a pawn in a diabolical plot to destroy the world.

Gallus: Yeah that was terrible.

Star Swirl: And MaloMyotismon took advantage of Ken's grief and turned him into the most ruthless tyrant ever.

Spyro: Ken got turned into a tyrant that made Genghis Khan, Henry VIII, and the worst kings in all of history look like saints compared to him.

Star Strike: Yeah that was terrible.

Rai: A brainwashed tyrant.

Sena: Yeah.

Joe: Poor kid.

Overbite: And he was just a pawn in a diabolical plot.

Seawing: Yeah.

Biowulf: No one should EVER be used in a plot like that. Lets get it on!

He went at them with incredible speed and his claws drawn and they dodged his strikes.

Twilight Sparkle: This is my kind of music! MAGIC STYLE NINJA SONG ART: PLACE IN THIS WORLD!

The wind is moving

But I am standing still

A life of pages

Waiting to be filled

A heart that's hopeful

A head that's full of dreams

But this becoming

Is harder than it seems

Feels like

I'm looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

If there are millions

Down on their knees

Among the many

Can you still hear me?

Hear me asking

Where do I belong?

Is there a vision

That I can call my own?

Show me

I'm looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Looking for a reason

Roaming through the night to find

My place in this world

My place in this world

She had suns and magic swirl around her and she fired the blasts and they fired energy and magic blasts and smashed Biowulf down.

Jake Long: ALL RIGHT!

Twilight Sparkle: That was magical!

Everyone cheered.

Battle 8: Chris Taylor, Starlight Glimmer, Starburst Aurora, Fireheart Flame, Cozy Glow, Thorax, Sunburst, Trixie, Juniper Montage, Diamond Tiara, Silver Spoon, Toxic Horror, Louie PoisonSea, Clover the Clever, Undead Skylanders, Sir Great Britain, Skalor and Tentakil VS Skalamander

Skalamander was next.

Skalamander: (to Chris) How's Salem enjoying her new life?

Chris: Much better than what happened when she was a monster on Remnant. And it was all because of those gods there.

Starlight Glimmer: Yeah all Salem wanted was her love Ozma back and the gods punished her for it by cursing her with Immortality. It's so unfair that she was punished that way.

Starburst Aurora: It sure was. She just wanted her love back and she was punished for it.

Fireheart Flame: Poor Salem. Her heart was shattered and those gods added more fuel to the fire by cursing her with Immortality.

Cozy Glow: Yeah. When we go to Remnant we have to tell everyone what happened with her.

Skalamander: I'm not sure how everyone is gonna take that. Salem did all kinds of horrible things that would make even the worst dictators and conquerors in the world look like saints compared to her.

Thorax: Yeah but Nico did save her from herself and Salem is on the road to redemption now.

Trixie: But still Remnant needs to know what happened to her and why she did what she did.

Juniper Montage: Everyone has a right to know what happened to her.

Diamond Tiara: It's just so wrong that the Gods punished her for doing what she thought was right in her heart.

Toxic Horror: Yeah she was just wanting her love back after she lost him due to a terminal illness.

Silver Spoon: Salem's actions need to be brought to light and we need to tell everyone on Remnant that the reason she did what she did is because she was bringing her love

back and got punished unfairly for it.

Louie PoisonSea: And because of that she lost her mind and the people that are REALLY to blame for it are the Gods of Remnant.

Clover the Clever: Yeah they are the ones that need to be punished. Not Salem.

Hex: I agree with you on that Clover.

Rattle Shake: I agree on that too.

Sir Great Britain: Same with me.

Skalor: Absolutely.

Tentakil: Same.

Skalamander: I agree too. Lets do it!

He fired crystal shards at them and they dodged them.

Starlight Glimmer: This will send shivers down your spine! UNDEAD STYLE NINJA SONG ART: PHANTOM OF THE OPERA!

Starlight Glimmer floated into the air as skulls and bones swirled around her as she was singing Phantom Of The Opera.

In sleep he sang to me

In dreams he came

That voice which calls to me and speaks my name

And do I dream again? For now I find

The Phantom of the Opera is there

Inside my mind

Sing once again with me

Our strange duet

My power over you grows stronger yet

And though you turn from me to glance behind

The Phantom of the Opera is there

Inside your mind

Those who have seen your face

Draw back in fear

I am the mask you wear

It's me they hear

My spirit and my your voice in one combined

The Phantom of the Opera is there

Inside my mind

In all your fantasies, you always knew

That man and mystery

Were both in you

And in this labyrinth

Where night is blind

The Phantom of the Opera is here

Inside my mind

Sing, my angel of music

He's there, the Phantom of the Opera

Sing, sing for me

Sing, my angel of music

Sing for me

She fired waves of skulls and energy and they fired energy blasts and smashed Skalamander down.

---

Ranamon was next.

Ranamon: I hope Salem is forgiven by the people of Remnant.

Stacy Bolton: I hope so too. But we have to be ready in case they don't forgive her. Some people have been known to carry a grudge till the day they die.

Princess Celestia: Yeah it's absolutely terrible that people are that crazy and they don't let their hatred go.

Princess Platinum: It's horrible. I hope Salem gets forgiven even though it all wasn't her fault.

Commander Hurricane: Yeah those gods on Remnant made her this way.

Chancellor Puddinghead: And because of them countless lives over the course of thousands of years have been destroyed.

Smart Cookie: They need to pay for it.

Private Pansy: Salem did nothing to deserve what she went through.

Clover the Clever: No she didn't.

Alt. Chrysalis: It's absolutely inhumane!

Spotlight: Yeah it is!

Knight Mare: Yeah.

Skull Man: They are the ones that need to be punished.

Wave Man: Big time.

Ranamon: I agree y'all. Lets do it! (Echoing) DARK VAPOR!

She fired a wave of black mist and they dodged it.

They fired waves of water and darkness and smashed Hydro Man down.

Hardball (Samurai Jack): As a debt for J.D. saving me from the control of Demongo I will graciously help.

The werewolf growled and Stygian fired waves of dark fire and Knight Man fired blades of fire and Hardball smashed the werewolf all over with his spikeballs and knocked him down and they burned him all over.

RD Sam Sharp: I am looking forward to this.

Peisinoe (Samurai Jack): (Singing) You are gonna be fun. Lets sing sisters.

The Sirens sang a divine haunting melody and it was the one from episode XLVI of Samurai Jack and it was scary and haunting. The hypnotising melody of the Sirens that we as the Brave 12 faced was so powerful that it put the Ice Demon in a hypnotic trance and it sent him out into the ocean and he stole treasure from all of Jabberjaw's enemies and the enemies themselves ALL came to us. It was a fitting for us to get them. Like drawing flies to potato salad or a bug zapper. We also got to keep their treasure as some trophies. We brought them down and arrested them. It was a very profitable day.

Thetis and RD Sam blasted the Ice Demon and smashed him down.

Antberry: Like what.

Princess Bubblegum: This!

She held out her hand and fired a massive wave of jellybeans as a nasty fart sound was heard from the attack. They smashed Antberry down. He got up.

Antberry: Jellybeans? Wow!

Princess Bubblegum: That's not all.

She fired a stream of root beer from her hands and then fired a stream of jawbreakers and then a stream of licorice and tied up Antberry as the root beer drenched him and the jawbreakers smashed him all over.

Jayden: Wow! And Nico's Ex girlfriend can do all that!

Kevin: That is awesome!

Princess Bubblegum: Yeah it sure would.

Lauren Shiba: It sure would be cool. Thank you for your support.

Princess Bubblegum: You're welcome.

Jayden Shiba: FIRE SMASHER! CANNON MODE!

The Rangers put their disks in.

Lola: Jayden mind if J.D. puts in his disk for this?

Lola gave him a new disk. It was The Phoenix Disk!

Jayden Shiba: The Phoenix Disk? Cool!

Lola: J.D. just got it and he thought it would be perfect for this.

Jayden Shiba: Cool!

Lola put it on the cannon.

Lola: Lets do it!

They fired waves of fire and energy.

Rangers: FIRE!

They fired elemental and fire energy and it formed into a powerful phoenix and the blasts all hit Antberry and he exploded in a massive fiery explosion!

Laney: YEAH IT WAS!

Aqueduct: Did you like seeing the usual battles?

Jabberjaw: I sure did! Woo woo woo! They were awesome!

Beetle: Glad to hear it.

Biowulf: Now, let's go to Lynn's table to celebrate another successful mission.

Jabberjaw: As long as there's no shark meat.

Skalamander: (laughs) Relax. I guarantee that there's no shark food on the menu.

Lynn Sr.: Don't worry Jabberjaw. I don't serve shark at my restaurant.

Me: He serves really awesome food and we are one of his big endorsers.

Jabberjaw: That's amazing! Nyuk nyuk nyuk nyuk.

Laney: It sure is.

We went to Lynn's Table and enjoyed the rest of the day and had a great meal and more. Then we had an awesome rest of the day before going to bed.

THE END

---

Another awesome fanfic complete!

Jabberjaw is one of my favorite cartoons from my childhood. It was on from September 11 - December 18, 1976 and it was so awesome how Frank Welker made Jabberjaw sound like the late Curly Howard of the Three Stooges and it was funny! It was like we were listening to Curly reborn as a shark. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Etstheclarencefan, Nflemingful and ninjakingofhearts all gave me the ideas for this one. Thanks guys. Next up is the 8th chapter for My Little Pony and we're going after Daring Do's ultimate archnemesis, Ahuizotl and we're going to make that ugly monkey jackel pay for his crimes. Indiana Jones and Team Loud Phoenix Storm style.

See you all tomorrow.

# Search For The Sword of The Sun

The U.S.S. Valorous Phoenix was flying through the depths of space.

Me: Captain's Log, Stardate 2942.3: We are on our way to Remnant to meet Yang and Ruby's father before we head over to Atlas to get everything set up to announce the return of Salem and tell everyone the truth about what happened. Lets just hope that everyone all over Remnant will forgive her for everything she did.

Nico: I'm sure that everyone will forgive Salem J.D.

Me: I know Nico but I'm just worried that not everyone will be as forgiving as a lot of people we know are. You remember how some people are always known to carry a grudge and will never let it go?

Nico: Yeah I know that feeling.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We have arrived at Remnant as the screen turned on.

Me: Initiate Landing Procedures. Land us near the city of Vale.

Lana: Aye aye captain.

We went down to Remnant and landed near the city of Vale.

City of Vale

---

We were in the City of Vale and it was home to the school of Signal Academy.

**Vale** is one of the four Kingdoms of Remnant, located on the eastern end of the continent of Sanus, to the east of Vacuo and is considered a safe haven from the Grimm. Like the other three Kingdoms, Vale is governed by a ruling council to represent and see to its people's needs.

The notable locations of the Kingdom include its capital, Vale; and the island of Patch.

Vale is the primary setting for the first three Volumes of *RWBY* .

Vale is located on the northeastern end of Remnant's largest continent, Sanus. It is bordered to the northwest by shallow waters and to the southeast by steep mountains. These geographic features make Vale a place of relative safety.

The Vale region is known to contain the City of Vale and several coastal cities, as well as Patch, a small island to the west. Beacon Academy, one of the four main Huntsman Academies of Remnant, is located in the City of Vale, while Signal Academy is located on the island of Patch.

An attempt to expand the reach of the region to the southeast resulted in the ill-fated extension, Mountain Glenn. Other areas of interest include the Forever Fall Forest and the Emerald Forest. The island of Vytal is situated to the north of the Kingdom. Merlot's Island was used by Dr. Merlot to help him continue his experiments after he caused the destruction of Mountain Glenn.

History

Due to the natural barriers of shallow waters to the west and mountains to the east, Vale has managed to endure the onslaught of Grimm and become a beacon of safety in Remnant. At some point, Ozma reincarnated into the last King of Vale.

Around eighty years before the beginning of the series, a massive ten-year conflict, simply known as the Great War, came to an end. In this conflict, Vale and Vacuo fought Mantle and Mistral. Throughout the century leading up to the Great War, Vale disliked the behavior of Mistral and Mantle. This behavior included the treatment of their citizens, their use of slavery, their abolishment of the arts and self-expression and their insistence that their way of life was best for everyone.

Eventually, Vale and Mistral both set their sights on settling the small islands and peninsulas on the east coast of Sanus. The King of Vale, in an effort to avoid conflict, decided to share the land with Mistral's settlers, but his citizens disagreed with this choice. A riot broke out between two bands of settlers and devolved into the first battle of the Great War. Due to a prior alliance, Mantle quickly came to Mistral's aid, and for a while, Vale fought them alone, on both Sanus and Anima soil. Vale's enemies pushed for Vacuo to join the war on their side. However, fearing they would be conquered if Vale fell, Vacuo pushed all Mantle and Mistral presence out of their territory and allied themselves with Vale.

During the war, Grimm attacks increased worldwide, and as a result, Vale lost many of its settlements to the creatures, some of which were never reclaimed.

The Great War finally came to an end with the deadliest battle in the war's history, when Mistral and Mantle attempted to take Vacuo's Dust mines to cut off Vale and Vacuo's supply. In the ensuing battle, the King of Vale personally led his army alongside Vacuo's. It is said that he laid waste to countless men, thus earning him the nickname the Warrior King. Historians state this to be nothing more than grandiose hyperbole and suggest that this feat was aided by the unusually violent weather and Mantle's inexperience in desert combat.

With the war over, the leaders of the four Kingdoms gathered on neutral ground on the island of Vytal to form a treaty and plan the future of Remnant. There, all four Kingdoms' governments were restructured, their territories were redistributed, the tradition of the Vytal Festival was begun, and the King of Vale founded the Huntsman Academies. Vale's academy, Beacon, was secretly given the Relic of Choice to safeguard, and the King of Vale placed one of his most trusted followers in command of the school. As a gift from Atlas, a tower for the Cross Continental Transmit System was set up on Beacon's campus, enabling communication between Vale and the other Kingdoms.

Sometime before the events of the series, an attempt was made to expand the city of Vale to the southeast, creating a suburb known as Mountain Glenn. However, the attempt proved disastrously unsuccessful when repeated Grimm attacks destroyed the settlement and killed its residents. The failed expansion was sealed off from the rest of the Kingdom. The failure of Mountain Glenn is generally attributed to its lacking the natural defenses of Vale, but the involvement of Merlot Industries was also a factor. After this, Merlot used his own personal Island to continue his research on Grimm while everyone else thought he was killed during the destruction of Mountain Glenn.

At some point following his death, the King of Vale reincarnated into Professor Ozpin, who become the Headmaster of Beacon Academy. At one point, Gretchen Rainart joined Beacon Academy against the wishes of her brother Hazel Rainart. After she died on a training mission, Hazel blamed Ozpin and met Salem who he tried killing until she convinced him to join her Inner Circle.

Later, Cinder Fall travels to Vale to recruit followers for her faction, one of which being Adam Taurus, who is forced to work with her after she defeats all of his men. Afterwards, they recruit Roman Torchwick and have him steal Dust all over Vale, as well as obtain Atlesian Paladin-290 prototypes and use Mountain Glenn as their base for their planned attack on the main city. Once they reach underneath the city, Grimm manage to enter and have to be fought off by students and Huntsmen along with the Atlas Military. After they stop the attack, Roman is arrested and due to the reports of the events the Vale council remove Ozpin as head of security for the upcoming Vytal Festival and place Ironwood in charge while also informing him that they would talk about his position as Headmaster at a later date.

Before the Vytal festival began, the Kingdom of Vale started seeing strange types of mutated Grimm created by Dr. Merlot. Team RWBY and Team JNPR were sent to investigate these Grimm and discovered that Dr. Merlot was still alive and that his company, Merlot industries was still active and creating these Grimm using a special serum. They go to his personal island and manage to put a stop to his plans, but he activates the island's self-destruct device to kill them. They manage to escape the explosion in time and destroy his company, but whether Merlot survived the blast or not is unknown.

Eighty years after the end of the Great War, the Kingdom of Vale was the host of the 40th Vytal Festival. Due to sabotage, the Festival ended in disaster with the destruction of Beacon Academy and the Cross Continental Transmit tower in Vale along with the death of Ozpin. Beacon Academy became overrun with Grimm, and the presence of a petrified Wyvern drew in even more Grimm. This made attempts at retaking the campus and repairing the Cross Continental Transmit tower difficult.

After Ozpin's death, one of his closest allies Glynda Goodwitch takes his place as Headmistress of Beacon while trying to restore it to it's former glory. Many of the surviving students later transferred to Shade Academy while Ruby Rose and the remaining members of Team JNPR traveled to Mistral to track down the ones responsible for the Fall of Beacon. During the several months between the end of Volume 3 and the beginning of Volume 4, the Vale council voted to ban all air traffic not associated with evacuation. In "Of Runaways and Stowaways", a news network reported that Vale's council voted to continue the ban.

The Kingdom of Vale later hears Ruby's broadcast in "Amity", publicly revealing the existence of Salem, and asking the other Kingdoms for assistance in Atlas. However, the broadcast is cut short and unable to finish. In the end though, nobody came to help Atlas as it is destroyed in "The Final Word".

Me: Wow. So this is the city of Vale.

Yang: Yep. It's home.

Ruby Rose: It will be so awesome seeing dad again.

Me: I can tell you all are so excited.

We arrived at Signal Academy.

Toad Man: So, this is Signal Academy, huh?

Yang: Yep this is where my father Taiyang works.

Me: It sure looks like a nice place.

Ruby Rose: It will be nice to see dad again.

Me: I know.

Salem: I'm nervous about being back here again.

Me: I know Salem and I promise that everything is gonna be all right. Nico is the true hero here on Remnant and everyone will listen to him when we have our press conference in Atlas.

Eli: Yeah Salem. What happened to you was not your fault. Love makes people do crazy things.

Emerald Sustrai: That's right Salem. We'll be there for you when we tell everyone what happened.

Salem: Thanks guys.

We went in and we found Taiyang working.

Me: Excuse me?

Taiyang saw us.

Alexandra Kemphur: (to Taiyang) Hi. You must be Ruby and Yang's dad.

Taiyang: I sure am. Team Loud Phoenix Storm it's such an honor to meet you.

Me: You too Taiyang.

Yang: Daddy!

Ruby: Dad!

They hugged him.

Taiyang: Wow! You girls sure have grown!

Ruby Rose: We missed you.

Yang: We sure did.

Me: We have so much to tell you.

Taiyang: Really?

We told him everything that happened and he was shocked!

Taiyang: So, all that happened after I helped Yang rcover from the loss of her arm?

Wildrider: Yep. She has said arm back, by the way.

Taiyang: So, all that happened after I helped Yang recover from the loss of her arm?

Wildrider: Yep. She has said arm back, by the way.

Taiyang: Really?

Lincoln: Yep. Thanks to me. My name is Lincoln Loud and I am Ruby and Yang's boyfriend.

Yang: Lincoln is the one who gave me my arm back.

Me: It's true. And Lincoln saved Ruby and her team from themselves when we came here the first time. Lincoln is a true light at the end of the tunnel for them.

Dew Gayl: He sure is.

Taiyang: Wow! Lincoln you have my debt for helping my daughters. And you are a great future husband for them.

Ruby Rose: Daddy! (Blushes)

Yang: Daddy! (Blushes)

Lincoln: I just do what I can for them.

Taiyang: Don't do anything bad with them or it will be the worst castration ever!

Lincoln gulped in fright.

Me: Please don't scare him like that Taiyang. Lincoln is a man of his word just like my brother Naruto here is.

Naruto: That's right.

Me: Also we should tell you the real reason why we're here.

Nico: It involves Salem.

Taiyang: You guys brought her back didn't you?

Me: Well there's a story behind it and it happened after our big war with the Royal Defenders in Universe 23 last year.

I went over everything that happened when we first came to Remnant as well as dealing with Weiss's so-called father and then what happened with the 20 Days of Darkness and also how we brought her back to what she was before the whole 12 Millennia Nightmare of Remnant Began.

Taiyang was horrified!

Taiyang: Whoa man! That's horrible!

Me: Yeah it sure was. From January 23rd to February 11th we went through a nightmare.

Nico: Yeah that was awful.

Lola: And Salem is now Nico's Guardian Angel.

Me: Yep.

Smokescreen: Lionheart's back as well.

Taiyang: That sellout? Don't tell me you guys brought him back!

Maria: Actually, it was the Aparoids. They revived Lionheart with a mixture of a Number Card and a Dark Orb while infecting him at the same time. Turning him into a monstrous mutation that was on the verge of turning the entire population of Fishman Island into mindless blood sucking zombies!

Me: Yeah that was disgusting.

Nami: And really horrifying.

Me: But we brought Lionheart back to Remnant to face trial and he was condemned to spend eternity in the Neptune Prison in our Solar System.

Taiyang: Wow! Good riddance to that monster.

Me: We have the Aparoids to thank for that. They brought him back so that unfinished business here on Remnant with Lionheart can be dealt with.

Twilight Sparkle: And that was right before we went into a huge war.

Nico: It sure was.

Me: Yep.

Salem: Also Taiyang, I'm sorry for everything I did.

Me: I know it's gonna take a long time for everyone on Remnant to forgive Salem for all the countless years of pain and suffering she caused. But there is a reason why she did what she did and it's the reason why we're here on Remnant: To tell everyone the truth about what happened and why Salem did everything she did.

I went over everything that happened with Salem and why.

**Salem** is the main antagonist of the American animated web series *RWBY* . She leads a group of people with malicious plans, with her goals being to divide and weaken the people of Remnant, then collect the four Relics and summon the gods so they will finally end her immortality.

She is voiced by Jen Taylor, who also voiced Cortana in the *Halo* series.

In a time before the world was Remnant, Salem was a human woman locked in a tower by her cruel father. One day, she was rescued by a brave knight named Ozma. The two fell in love and spent their life together until Ozma fell deathly ill and passed away. Desperate to bring back her lost love, Salem met with the God of Light to beg him to bring Ozma back, but the God of Light refused in order to maintain the balance of life and death.

Seeing no other hope, Salem turned to the God of Darkness for help. The God of Darkness, thinking he has a worshiper and follower, agreed to her request. However, the God of Light intervened and explained the situation to the God of Darkness, who corrected his mistake. The two of them then cursed Salem with immortality by bathing her in the Fountain of Life, hoping that it would teach her the importance of life and death.

Salem was distraught that she could not die and be with her beloved, even trying to kill herself many times. However, she decided she could use her gift to get revenge on the gods. She went around the world, flaunting her immortality and claiming she stole it from the gods. She would describe the gods as being able to be overthrown, leading to a massive human revolution against the gods. When humans tried to kill the gods, the God of Darkness wiped out everyone in the world except for Salem, and the gods abandoned the world as a "Remnant" of what it once was.

Salem wandered the world for centuries as life returned to it, but only desired to die. She eventually came across the God of Darkness' Grimm Pool, which she thought would counter the Fountain of Life and finally kill her. She dove in, but was not killed, but rather transformed into an entity craving destruction while also given authority over the Grimm.

However, Ozma was given the chance by the God of Light to return to Remnant and reunite humanity. Once he did, he could gather the relics of knowledge, creation, choice, and destruction to summon the gods again and have them once again live among them. However, if humanity was still divided when they returned, the gods would wipe the world clean again. Ozma agreed to the task so he could be with Salem again, and returned in a new body. He found Salem, and the two reunited, though she blamed the destruction of the old world on the gods and Ozma did not tell her of his task. Seeing each other as immortal beings, Salem suggested they use their powers to become the new gods of the world. Ozma reluctantly agreed, and the two grew a following as god-like beings, establishing a kingdom. The two quickly married and started a family, parenting four daughters.

However, Salem's ambitions grew stronger, and her desire to rule over humans began to become her one goal and obsession. Ozma, fearful of the person she had become, explained to her why he had been sent back. She didn't mind this and stated instead that she plans on replacing the current humans with magical humans from their bloodline. Alas, such dreams would come to a tragic and brutal end when Ozma, finally unable to tolerate Salem's malicious ways any longer, tried to sneak away with their children. Salem caught them and betrayed, furiously attacked Ozma. Although Ozma was the more powerful warrior, Salem's immortality allowed her to emerge victorious as though he was able to kill her, she would simply resurrect until he was finally too injured to be able to fight back anymore and Salem killed him while condemning Ozma for not being able to just settle in with her, as their daughters were killed in process.

However, because his task was not yet completed, Ozma's soul traveled into the body of a like-minded individual. This continued for centuries until Ozma, now known as Ozpin, remembered his task and began trying to reunite humanity. However, Salem opposed him and tried to divide humanity. She kept a facade that she wanted to use the Relics to remake the world, but in truth she had long lost interest in such dreams: Shattered by the deaths of her daughter and the destruction of the kingdom she and Ozma had built and with it, the only time she was truly happy, Salem only cared to find a way to be released from her immortality. Knowing that bringing the Relics together would summon the Gods, Salem planned to find and unite the relics after she had divided humanity so when the gods would see how divided the world still was, it would be destroyed and Salem along with it, finally giving her rest.

Sometime before the beginning of the series, Salem identified Silver-Eyed Warriors as being threats to her Grimm conquest, and began working on wiping them all out. This included hiring Tock to assist in the genocide. At some point, Salem was challenged by Summer Rose, a Silver-Eyed Huntress and mother of series protagonist Ruby Rose, and presumably killed her, the encounter being enough of a fight that she seemed to respect Summer for her capabilities and courage.

### Volume 1

In "Ruby Rose", Salem narrates the early of history of humanity, born from dust. She tells of their struggles against the Creatures of Grimm, their discovery of nature's wrath, Dust and the beginnings of civilization in the absence of the shadow of the Grimm. Salem ominously warns that "there will be no victory in strength". However, Ozpin replies that "Perhaps victory is in the simpler things that you've long forgotten. Things that require a smaller, more honest soul."

### Volume 3

In "End of the Beginning", after the fall of Beacon Academy and the death and destruction that are wrought upon Vale, Salem's conversation with Ozpin is continued. Salem declares that this is merely the first step in her plan to divide humanity, to snuff out their source of hope which they draw strength from. She claims that she will destroy everything that Ozpin has built, and she invites him to send in his Guardians, his Huntsmen and his Huntresses, and his "simple soul", for she is confident she will defeat them all and expresses malicious joy at the idea of seeing Ozpin burn.

### Volume 4

In "The Next Step", after the Fall of Beacon, Salem holds a meeting with her subordinates in her lair. She orders Doctor Watts to meet with an informant in Mistral, Hazel Rainart to meet with the White Fang leader, Sienna Khan and Tyrian Callows to hunt down Ruby Rose whilst Cinder Fall stays at her side for "treatment". She claims

Haven Academy will be the next to fall.

In "Of Runaways and Stowaways", Salem remains in her lair with Cinder as she receives her "treatment". Salem tells Cinder "it" can sense her fear and tells Cinder to make it fear her instead. A Seer floats into the meeting room and gives a message to Salem regarding the Grimm's lack of progress in finding the relic at Beacon Academy. Salem turns to Cinder and adamantly asks her for a final answer reporting on whether she killed Ozpin or not.

When Cinder turns to Emerald to speak on her behalf, Salem angrily slams the table and orders Cinder to say it herself. Cinder reaffirms Ozpin's death. Salem orders the Grimm to reinforce their numbers at Beacon Academy, stating "The relic **is** there." She then mutters to herself, "What are you planning?"

In "Taking Control", Salem is seen training Cinder to control her Fall Maiden powers by pitting her against Grimm. Furious that Cinder continues to have difficulty using them, Salem asks Cinder if she lied about wanting power. Tyrian then enters the room and Salem asks if he succeeded in retrieving Ruby Rose. Upon hearing he failed his mission, Salem expresses disappointment in him before leaving the room.

In "No Safe Haven", Salem is seen watching Cinder train with more Grimm and smiles when Cinder mercilessly incinerates a vision of a defeated Ruby Rose created by Emerald.

Volume 5

In "Dread in the Air", Salem and a recovered Cinder are contacted through a Seer by Watts and Leonardo Lionheart. Lionheart informs Salem that Qrow Branwen had arrived at Haven Academy with Team RNJR and told them he believes the Spring Maiden is hiding in Raven Branwen's bandit tribe. Pleased at this news, Salem instructs Cinder to travel to Anima with her team to meet with Watts and convince Raven to cooperate with them.

Once they have the Spring Maiden and use her to retrieve the relic, Cinder will then contact Hazel and fulfill their promise to let the White Fang destroy Haven Academy. In the meantime, Salem assigns Watts to begin work on a new tail for Tyrian, who lost it in battle with Qrow and Team RNJR, before ending the call.

Salem then listens to Cinder vent her frustrations about working with bandits and keeping Ruby Rose alive. Salem tells Cinder not to underestimate the usefulness of others, using Lionheart as an example and warns Cinder that if Ruby has learned to harness her powers, she must make sure to protect her own. Before Cinder departs, Salem requests that she informs Tyrian she wishes to have a word with him.

In "Haven's Fate", when Professor Lionheart attempts to gather items in his office and flee the losing battle at Haven, Salem contacts him through the Seer and asks Lionheart where he was going, to which Lionheart can only stammer. Salem then asks him if there was something he wanted to tell her, to which he tells her that Cinder was to blame for deviating from the original plan. When Lionheart begs that he could flee to her location and prove he still has used to her, she replies with nothing but silence, having decided to kill Lionheart, upon realizing just how cowardly Lionheart is and how easily he would turn his back on her. Realizing that Salem has no intention of letting him live, Lionheart tries to destroy the Seer only for Salem to have it knock Lionheart's weapon away, after which Lionheart attempts to run away only to be grabbed by the Seer and while begging for his life and contentiously telling Salem he could still be of use to her, Salem coldly ignores Lionheart's pleas and has the Seer viciously stab Lionheart until he dies. After killing Lionheart, Salem looks through the Seer and disgustingly notes that Lionheart was a coward.

Volume 6

In "Uncovered," the God of Light's creation Jinn reveals that Salem was once a human.

In "The Lost Fable", Jinn tells Team RWBY, Oscar, and Qrow Salem's story, from being locked in her tower as a human to her fall, her rebirth as a monster, and her conflict with Ozpin. However, she also reveals that Salem cannot be destroyed.

In "So That's How it Is", Salem calls a meeting. She disciplines

Hazel, demanding he tells her the reason they failed at Haven Academy. Hazel explains that it was Cinder's fault, and Salem decides that she will leave Cinder behind. Hazel then tells her that Ozpin is still alive, and has inhabited a new body much sooner than normal. This infuriates Salem, as Ozpin getting the Relic to Atlas would prevent her from achieving her goals, to where she emits a dark aura and starts cracking the windows of the room and dismisses her faction. Once they have left, Salem tries to calm down but eventually snaps and unleashes her magic in a rage with a scream so powerful it shatters the windows of the room.

In "Our Way", Emerald and Mercury look on in shock and horror as Salem creates new, hybrid Beringels with wings on their backs. Hazel tells them that Salem is taking matters into her own hands.

Volume 7

In "Gravity", as tensions rise between Team RWBY, general Ironwood, and the Ace-Ops, a seer Grimm bursts out of Watts' duffle bag. Salem's disembodied voices addresses Ironwood. Shortly after, the seer Grimm dies. Upon death, it releases a smoke projection of Salem. Salem tells RWBY and Ironwood that Watts and Tyrian were not sent to Atlas to "win", but to set the stage for her. Salem offers the choice of surrender or die, to which, Ironwood refuses to back down. Ruby steps in and tells Salem they are going to stop her. Salem retorts and tells her, her mother said those words. Ruby then breaks down and her silver eyes flash for a brief second. The Salem smoke projection dissipates.

In "The Enemy of Trust", Salem is seen riding on top of a whale Grimm with an army of Grimm flying behind her.

Volume 8

In "Divide", Salem sits on a throne inside Monstra, where she is reunited with Cinder. She expresses disappointment with Cinder, telling her she put her trust in having Cinder as the host for the Maiden powers, and it wouldn't have been wise coming back empty handed. To the immortal queen's surprise, Cinder offers her the Relic of Knowledge, the Fall Maiden takes full credit in stealing it from Ironwood, this frustrates Neo. Tyrian then steps forth from the shadows and begins taunting Cinder. Telling her she isn't cunning, but that Ironwood is an idiot.

Cinder retorts by saying that very same General outsmarted him and Watts. She then sarcastically tells the Faunus it is a shame Watts never made it back. Tyrian answers her and says Watts was a necessary sacrifice. Their argument is cut short when Salem asks who Neo is and Cinder answers that Neo is a very useful asset. This further frustrates the mute enforcer. Shortly after, Hazel, Emerald, and Mercury arrive. Emerald sees Cinder and is delighted her old master has returned, but Cinder berates her, shutting down any happy emotions Emerald had. Cinder tells Salem that Polendina's robot got in her way from obtaining the Winter Maiden powers, and will soon claim what is hers. But Salem tells her to know her place and Cinder reluctantly grovels before her queen. Salem places her hand on her throne and an image projects the city of Atlas on Monstra's front. She dismisses her subordinates afterwards.

Much later after her subordinates were dismissed, Salem seemingly talks to the Relic, telling it she has questions, but first needs to know how to use it. She puts the object in front of a Grimm and the latter sniffs it. She then orders the Grimm to bring her the one who has the knowledge of using it.

In "Fault", after the Hound was successful in bringing Oscar to her, Salem is finally reunited with her former lover. When Oscar wakes up, Salem was conjuring a dark cloud of her daughters before she dismisses it and proceeds to mock Ozma for choosing a vessel as small as Oscar and asks if he has nothing to say to her. Oscar's attempts to imitate Ozma irritate Salem to where she furiously grabs him by the face to make it clear she can tell he is not yet fully Ozma. She then calmly asks Oscar where the Relic of Beacon is, but Oscar truthfully answers her, saying he has no idea what she is talking about. Salem is unsurprised, knowing fully well Ozma would keep it hidden as long as possible. She then asks the farm boy how to access the Lamp of Knowledge and Oscar lies, saying the Lamp is out of questions. Not fooled, Salem then shoots a magical beam at Oscar's chest, causing him to writhe in agony. Salem gives off a sardonic smirk as she caresses Oscar's face and admits that now she can see why Ozma choose Oscar and tells him to give her the password to the Lamp. Oscar defiantly claims she will never have it. Salem simply smirks and summons Hazel to physically beat Oscar. Claiming that is for Salem's failure at Haven Academy, and the rest will be for his sister.

Walking through the halls with her pet by her side, Salem encounters Cinder and Neo, who nervously asks what that Grimm is. Salem coolly response it's an experiment. Cinder then tries to get Salem's approval in locating the Winter Maiden, but Salem immediately denies Cinder's request and mocks Cinder for believing she could demand her and get what she wants after her failures. Cinder then scolds her master, telling her without the Maiden powers, the vault is useless, and that they are doing nothing. While hearing this, the Hound turns around and roars at Cinder. Salem tells her subordinate to know her place, and the latter reluctantly claims without her she is nothing.

In "Midnight", after Ozpin finally takes control of Oscar and tries to reason with Hazel, Salem gives a dark smile as she states Ozpin has wonderful timing. She then prepares for her assault on Atlas and when Ozpin tries to reason with her allies, Salem sadistically says that he is too late. As the grimm pool she has conjured unleash hordes of Grimm upon Atlas, Salem smirks and states it is time.

In "War", Salem is seen starting to attack Atlas herself, while Ozpin finally reveals what Salem's true goals are: Her reasons to gather the four Relics together was never to be able to remake the world, but to summon the Gods to Remnant. Her true goals are to have the Gods judge humanity and the world unredeemable and thus eradicate Remnant along with her, finally releasing her from her curse, thus why she has been dividing the world, knowing if humanity remains divided, the gods will destroy Remnant, clearly rattling him. Ozpin tells the disbelieving Hazel that and even tells him the password for the lamp so he can confirm the truth for himself. Meanwhile, Emerald also hears and unlike Hazel believes Ozpin and tells Mercury. Despite Mercury's initial disbelief, he comes to believe it once Tyrian callously admits Salem is highly destructive and is left unnerved but is forced to go to Vacuo, though the look on his face suggests he is planning to betray Salem just like Emerald is.

In "Witch", Salem is alerted to Emerald's betrayal and Oscar's escape, with Emerald and Hazel having betrayed Salem after realizing Oscar was right, when the Lamp is stolen by Neo, who has overheard everything. She soon corners Emerald, Oscar, Yang, Jaune and Ren and easily defeats them all but Hazel arrives and saves them and fights Salem, eventually restraining her as Oscar uses a powerful spell on them both.

In "Ultimatum", it is revealed that Oscar used most of the magical power stored in the Long Memory wielded by Ozma's reincarnations to summon a powerful bolt of magical energy that killed Salem and presumably Hazel as well. Though it leaves the Long Memory weakened, Oscar states that Salem was damaged enough that she won't be able to recover for a long period of time and it also ends her invasion on Atlas temporarily.

In "Final Word", Salem has reformed and she goes to the Atlas Vault to meet with Cinder, who has acquired both the Staff and the Lamp. Presented with 2 of the Relics and closer than ever to finally achieving eternal rest, she ignores Ruby's death, which she clearly knew Cinder had caused, and instead tells her she has done well, pleased with the results. As she leaves, ignoring Ironwood, she also asks on what Cinder used the Staff to create to unmake what the Staff had made before and when Cinder said she added more flames to the fires of Atlas, Salem simply nods satisfyingly, clearly knowing she meant she had killed Watts and not caring, and flies away victoriously.

---

When I was finished, Taiyang was shocked and horrified!

Taiyang: Salem did all that because she was punished unfairly just for bringing back her love Ozma?!

Me: Yeah. It was terrible. The gods punished her and cursed her with immortality. She lived for thousands of years and caused pain and suffering to all of Remnant. So if anyone is to blame for all of Salem's misfortune's it's really the God's that cursed her here.

Taiyang: That's awful. Salem I'm so sorry you went through all that.

Salem: I appreciate that.

Emerald Sustrai: What happened to Salem was so unfair and unjust.

Taiyang: And what happened with the rest of Salem's followers?

Me: They are all either in prison, dead or banished to the Warp.

Taiyang: The Warp?

Hunter: (German Accent) It's a powerful interdimensional plane that is made of a powerful and intense psychic energy.

Me: The psychic energy of the Warp is so powerful that anything trapped in it never escapes. It keeps you in it for all eternity.

Taiyang: Wow! That's incredible. Who did you banish to the Warp?

Me: We banished Cinder Fall, Tyrian Callows, Mercury Black, Adam Taurus and just recently Weiss's so-called father Jacques Schnee.

Taiyang: Oh man! I didn't except Jacques Schnee to be involved.

Me: Well this was the second enemy of Remnant we faced.

Taiyang: That makes sense. I heard about everything that they did and it's horrible. You guys gave them what they deserved.

Pyrrha: And I'm glad we did. Tyrian killed me the first time.

Me: And I resurrected Pyrrha. Emerald had a bomb on her and I saw right through her illusions and saved her from a bomb collar around her neck.

Taiyang: Wow! That's amazing.

Nico: And I killed Salem by obliterating her with the power of the Spirit Bomb. I told her that maybe she would one day return as a better person.

Salem: And now here I am back forever. But I'm also Nico's guardian angel. It's my punishment for all the pain and suffering I caused to all of Remnant over the course of thousands of years.

Taiyang: Wow. That's interesting. You guys went through a lot.

Me: Yeah. But we still have many of Remnant's enemies to deal with and they are still out there and are no doubt in hiding.

Nico: But we'll find them and bring them to justice.

Taiyang: I wish you all the best. I will get everyone together in Atlas and have all of them listen to what you have to say Nico.

Nico: Thank you Taiyang.

We later went back to Earth.

---

Back on Earth in the World Tree Estate we were getting ready for an awesome treasure hunt!

Chomp Chest: I can't wait to get me some treasure!

Me: Me too! This is gonna be a really cool treasure hunt.

Daring Do: And it will get me inspiration for my newest book.

Rainbow Dash: This is gonna be so awesome!

Scootaloo: Yeah it is!

Twilight Sparkle: I hope we get to face Ahuizotl in this adventure.

Sunset Shimmer: What treasure are we going after?

Nicole: It's a very perilous hunt. We're going after a legendary treasure called The Sword of Viracocha.

Brittney: Viracocha is the God of The Sun in Incan Myth and he is considered to be the most important deity in the Incan Religion.

Nico: Wow! This is gonna be so fun!

Nicole: Here's a map of where it's at.

She pulled out a map and showed that it was at an uncharted island right off the coast of Uruguay.

Me: That island is not even on the world map. This will be our first time seeing it.

Eli: Yeah it sure will be the first time.

Ets: I can't wait to find an awesome treasure.

Nunnally: I can't wait to have an awesome adventure.

Me: Me too.

Aqueduct, King Shark, Beetle, Calamitous, Evil Seed, Mysterio, Biowulf, and Skalamander then appeared.

Aqueduct: Can me, King Shark, Beetle, Calamitous, Evil Seed, Mysterio, Biowulf, and Skalamander go with you guys on this treasure hunt?

Me: You guys sure can.

Evilseed: What does this sword do?

Nicole: Legends say that the Sword of Viracocha has the intense power of the sun and has incredible fire powers that are as strong and as powerful as 400,000,000 suns.

Everyone: WOW!

Laney: That is powerful!

Me: This is gonna be so awesome.

Indiana Jones: It'll be so awesome to face the challenges that are where this sword is located.

Nicole: I know and I'm always up for a challenge when it comes to an awesome treasure hunt.

Rainbow Dash: Me too!

Daring Do: Same here!

Naruto: Treasure Hunts are awesome.

Me: Lets head out!

We were off to the island.

## UNCHARTED ISLAND, URUGUAY

On the uncharted island off the coast of Uruguay we were trekking through the jungle and keeping our eyes peeled for anything. The journey was perilous. We avoided pitfalls lined with spikes, killed numerous bloodthirsty savages, cut down net traps, cut down snare traps and even got over spiked canyons and gorges.

We slashed through leaves.

Rhino: Are we getting close to the temple?

Nicole slashed some plants with the machete and looked at the map.

Nicole: We should be just about there.

She looked up and saw that we were at the temple.

Nicole: There it is!

Me: Wow. What a temple.

Gabrielle: (British Accent) This temple looks really interesting.

Me: And I have a feeling that there's gonna be lots of traps in it.

Eli: I have that same feeling too.

Ets: Same with me.

Nico: Look what the Temple is on.

We saw that the temple was right on top of a volcano.

Me: It's on top of a volcano.

Nicole: (Whistles) This one is a volcano I've never seen.

Lola: Yeah.

Lightning Dust: But I'm always up for an awesome journey.

Spitfire: Me too.

Me: Yeah. Lets head in.

We went into the temple and we had torches and flashlights lit and we saw pictures on the temple.

Laney: Wow! Look at all these pictures.

Nicole: These are pictures and hieroglyphs from the Incan Era.

Me: And it looks like there's a story behind it.

Nico: What does it say?

Me: Lets see. It says "Long ago, The Incan Tribes lived in joy and great prosperity under the light of the Sun given to us by the Great Viracocha. He gave us a sacred golden sword made from his own sun and it would one day be used to bring the life and joy of nature and nourishment to all things in life great and small. For centuries peace reigned until one day, the evil warlord Quetzal Crow sought to possess the Sword of Viracocha for his evil plans to destroy the world with its power. The Incan Tribes successfully destroyed Quetzal Crow and his forces. Before he died, Quetzal Crow vowed that he would one day return from the darkness of Mictlan to finish what he started and get the sword no matter what it took. He also placed a terrible curse on all of the people of the Incan World and that it would slowly destroy them all and wipe out their great civilization. Fearing his threat to be true and that the sword would be used for evil, it was decided that the sword would be hidden away for all eternity in an unknown part of the world. Never to be seen again. The power of the sun must never be used for evil or there will be nothing disastrous catastrophe."

Nico: Whoa! That is an amazing story.

Nicole: Wow. So the Sword would have been used for evil and they hid it here for protection.

Eli: That's very smart thinking.

Ets: Yeah.

Me: If there are people like Quetzal Crow out there and we know that there are then we have to be ready for them.

Varie: Yeah.

Nicole: And it was this curse that wiped out the Incan Civilization.

Jessie K.: And the Spanish Conquest helped it along.

Laney: That is terrible.

Ronnie Anne: No kidding. That is absolutely horrible.

Lana: Yeah.

Me: Horrible.

Our stomachs growled.

Biowulf: Before we continue exploring the temple, let's have a lunch break.

Me: Good idea.

Nico: I am hungry.

We got to having lunch.

We were having Ulti-Meatum Sandwiches and more.

Muscle Man: You know who else loves treasure hunts?

Waspinator: Ooh Waspinator knows answer to this.

Muscle Man: MY MOM!

We laughed at his joke.

Jabberjaw: Nyuk nyuk nyuk nyuk nyuk! Good one!

Daring Do: That was funny!

Muscle Man: Here's another one. You know who else likes exploring ancient temples?

Riku: (grins) Besides Indiana Jones over here?

Muscle Man: My Mom!

We laughed at his joke.

Indiana Jones: (Sarcastically) Very funny.

Me: Sorry Indiana. It was funny.

Lola: Yeah.

Daring Do: But I love treasure hunts. This treasure hunt is for my next book.

Nicole: And we can't wait to see it.

Me: Yeah.

Calamitous: We made the right choice including the Ice Demon in a warmup battle.

Nico: What do you mean?

Calamitous: Well, by having the Sirens in the battle against the Ice Demon, they used their song to hypnotize it and steal the treasure from all of Jabberjaw's enemies. Then, we were able to send them to prison. To make a long story short, that battle ended up doing

Jabberjaw a favor.

Me: It sure did.

Nico: Yeah that was awesome.

Laney: It sure was. The divine song of the legendary Sirens of Odysseus being used to capture bad guys and take their treasures as trophies is a stroke of genius.

Me: We'll have to use that when we're not able to do all those enemies in one sitting. But yeah that was awesome.

Thetis: It sure was.

Nico: By the way how did you manage to get the Sirens to join the Redemption Squad, J.D.?

Me: That is a really interesting story. It was back when we were fighting the evil forces of Aku when we were the Brave 12.

FLASHBACK - TAKES PLACE IN BETWEEN CHAPTERS 176 & 177

* * *

The Brave 12 minus Jack were searching for Samurai Jack as we had heard that something happened to him. I sensed that something was seriously wrong and knew that it was involving Jack somehow.

We got to the beach and we saw the Scotsman and he had Samurai Jack and he was in a refreshment boy uniform!

Me: There's the Scotsman! And is that?

Varie: I think it is!

We went over to them.

Scotsman: (Scottish Accent) Nice try twinkletoes! You're with me! I have to retrace your steps and find out how you lost your brain! Not to mention find your sword!

Me: And we can help you Scotsman.

Scotsman: Lads and lassies. It's great to see you all again!

Me: You too Scotsman. Jack is that you?

I went up to him.

Me: Jack it's me J.D. Knudson don't you remember?

Jack: Like no I don't know you.

Me: Hmm.

My eyes glowed and I saw that his mind was totally blurred up like he has amnesia! His mind was robbed from him!

Me: Someone robbed him of his mind!

Fu: Was this Aku's doing?

Me: I don't think so. Aku is capable of doing that but this is not his handiwork.

Sakura H.: We got to help him out!

Jack: How are you gonna find my mind if it's like lost?

Me: That's just it.

Scotsman: I need just one lead.

The Scotsman then saw a nasty scar on Jack's chest!

Scotsman: A scar!?

Jack: Scar? Like what scar?

Me: (Whistles) That's a nasty scar.

Scotsman: Still fresh to. There's only one creature alive that can make a mark like that: The Tangu Beast. It's a doozy and I know just where to find it.

Me: We'll follow you Scotsman.

I grabbed Jack and we followed the Scotsman to an interesting rock area.

Scotsman: Tangu Beast Territory.

Me: This place gives me the creeps.

Scotsman: This is where you fought the beast. (To Jack) Look familiar?

Jack: No! I've told you. Look, okay like I'm this guy is like really cool and everything but like all of you have got the wrong guy. Like, I'm Brent okay?

Scotsman: Humor me. We just have to reenact the fight to find another clue.

Sakura H.: If there is a clue here.

Me: How are we gonna get it to come here?

Scotsman: If there's one thing this creature hates more than any other thing, it's the stench of the Wily Jubjub Plant. Just a whif can send it into a frenzy.

He pulled out a tiny little plant and it was the Wily Jubjub Plant.

Me: That tiny little thing can make it go crazy?

Lincoln: It must have a really sensitive nose.

Then glowing yellow eyes peered out of the darkness of a cave and a thunderous footstomp came and out came THE TANGU BEAST! It was a green and blue furry dragon creature with razor sharp teeth!

Tangu Beast: (ROARS IN RAGE!)

Me: WHOA! He looks mad!

The Scotsman then punched it down as it went at him.

Me: Wow! That was awesome!

He pulled the Tangu Beast over to us and picked up Jack.

Scotsman: Do you recognize this man?

The Tangu Beast saw Jack.

Tangu Beast: Oh yeah. Yeah I remember him well. Yeah really really straightened me out.

Me: Do you remember where he was heading when he met you?

Tangu Beast: Yeah it was a few moons ago and I was terrorizing this town until we had a you know a confrontation. He beat me and we started talking and he told me the root of my problem and that it was I was attacking the village to make myself feel better. To compensate for a lack of self esteem.

Scotsman: You're playing with us Tango.

Me: Scotsman let him talk. Tango do you know which way he went after that?

He pointed to the west.

Me: Thank you.

We continued on and Jack got up.

Jack: Like what happened?

Me: You fainted.

We saw Sandal Tracks.

Me: Sandal Tracks.

Laney: And they are still fresh too.

Lisa Loud: Looks like they were made not too long ago.

Jack: Sandals? Uch!

Scotsman: You wear sandals.

Jack: Like never.

Scotsman: Shut it!

We continued on and we arrived at a huge seaport.

Scotsman: Hecks Bucket Seaport.

Me: Oh yeah. We were here before. Dealt with numerous bounty hunters out to kill us.

Scotsman: You will never find a more wretched hive of scum and villainy and the crab cakes aren't bad neither.

Naruto: No they sure aren't.

Jack: Uch! Gross.

Scotsman: It makes perfect sense you would come here.

Jack: I don't think so.

Scotsman: SHUT IT!

Jessie Bannon: Lets just head in to find out some information.

We did so and we came across the remnants of a bar that was destroyed.

Sakura H.: We were just there less than an hour ago.

Me: Looks like Jack was here too. No way it's a coincidence.

We came across a nautical man.

Nautical Man: Hey it's great to see you all again!

Me: You too. We need your help with something.

The Nautical Man: (Sees Jack) Hey! Yeah! I remember you!

Scotsman: You've seen him before!? He's been here before!?

Nautical Man: Yeah! It was a while ago! He was looking to hire a boat out of here. For a long journey somewhere far. I don't know. And you all liked my story.

Me: It was really cool.

We went to a sea boat renter. We went to charter a boat for the Great Unknown. It was gonna be a good adventure.

We sailed the rough waters and we then got to the Great Unknown. The ocean was as calm as the Bermuda Triangle.

Captain: It's calm.

Helmsman: Aye sir.

Captain: Dead calm.

Helmsman: Aye sir.

Captain: I don't like it.

Helmsman: Aye sir.

Me: Man it's as calm as the Bermuda Triangle out here.

Lily: Yeah it sure is.

Lincoln: Yeah.

Jack: Refreshments.

He handed us glasses full of water.

Me: Thank you.

I drank the water.

We drank them.

Jack: Like somebody call the weatherman.

A huge thick fog came and covered us.

Scotsman: That was sudden.

Captain: Keep your wits about you men.

Helmsman: Aye sir.

We were sailing on.

Me: Man I can't see a thing in this fog.

Vince: It's so thick you can cut it with a knife.

Lincoln: Yeah.

Me: Wait shh. Listen.

We then heard divine singing.

Me: Hear that?

Laney: Sounds like singing.

Then the Captain and the crew and Jack minus the Scotsman and us were hypnotized by the singing!

Scotsman: Sounds like someone stepping on a cat. Sounds like someone stepping on a lot of cats.

Me: I know this kind of singing. This is the divine singing of the legendary Sirens of Odysseus!

Laney: I've read about them in Greek Myth.

Lisa Loud: That singing is magical to them.

Me: Yeah.

Lily: I wonder why we aren't being affected.

Me: I think it might be our powers. They're protecting us.

Captain: (Droning) Beautiful.

Helmsman: (Droning) Aye captain.

Captain: Music go.

Helmsman: Aye captain.

Scotsman: Have you all lost your brains!?

We wondered what this has to do with the song of the Sirens.

Me: I think the Sirens did something to Jack and made him this way.

Varie: Yeah! Just what I was thinking.

Jack: (Droning) Lovely.

We later came out of the fog and saw an ominous looking island with a huge face.

Scotsman: Well now you don't see that every day.

Lily: That island must be where the singing is coming from.

Me: I've got a really bad feeling about this.

Naruto: The singing is getting loud.

Fu: And we're getting closer.

We got closer to the island and we arrived.

Captain: Tribute.

We all got off the boat and went up to the island and we went up a path to the face and we went through the ear of the face and into a cave and we saw massive piles of gold and treasure and we saw on a huge rock pillar, THE SIRENS OF ODYSSEUS! They were 3 ladies, one was a red haired woman and they other two were blue haired woman and they were hot girls dressed in white. We saw that their divine song hypnotized many sailors and creatures and robots and enslaved them.

I looked at the sirens and I knew that something was up with them.

Me: (In my head) Something is wrong with the sirens. I sense an evil spirit inside all three of them and they are being this way because of them. Maybe we can talk to them.

Scotsman: So you're the cause of all this racket! Nice thing you got going here, turning people into mindless zombies with a sound that can gag a yak!

Red Siren: (Singing) One seems to resist.

Blue Siren 1: (Singing) Are you not affected by our song?

Blue Siren 2: (Singing) Don't you love us?

Red Siren: (Siren 2) Adore us?

Scotsman: You're all tone deaf! A bunch of girlies carry a tune! The sound of breaking glass has more rhythm! I've heard pigs squeal better than you! You call this singing? Now my wife, she can sing. Her angelic voice floats such melodious and heavenly tunes it makes angels weep. The sun rises up to hear her morning melodies. Even the sweetest of birds can learn a thing or two from my precious bonny lass. But you!? You call that wilted nostril fit for a whistle! (Grabs Jack) So what did you do to me friend here!

Red Siren: Oh yes. He was most troublesome.

Blue siren 2: Trying to free our slaves.

Red Siren: Until we sang a song that robbed him of his mind.

Blue Siren 1: And sent him out to wander the world as a fool. Forever.

The Scotsman was enraged.

Red Siren: While keeping his treasure as a prize.

We turned and we saw Jack's Gi, Sandals and Sword on a pile of gold!

The Scotsman and us were shocked!

Scotsman: THAT'S IT! SHE-DOGS MUST PAY!

Me: No Scotsman! I got this.

Naruto: What are you gonna do?

Me: Trust me on this. I know what I'm doing.

I flew up to the sirens.

Me: You sirens are not yourselves. You are being possessed by an evil force and you need to have that force removed. So we can free you all from these monsters you became.

Red Siren: We don't know what you mean.

Me: Just trust me on this.

I chanted a powerful incantation and fired a beam of rainbow light and it hit the Sirens and blue fire came out of them and it formed into a hideous and ugly black and white three headed hydra monster with glowing yellow eyes on each head and the heads all had blue fire for hair. Then Jack reverted back to what he was. He had his memory back!

Jack: I remember now!

Jack donned his clothes and had his sword unsheathed!

Jack: HHHYYYYYAAAAAAAAAAAHHHH!

SLASH!

He slashed the hydra's heads off and then it vanished in an instant!

Me: YEAH!

Varie: That did it!

Vince: Yeah it did!

Jack came up to us.

Jack: I am forever in your debt. All of you.

Me: No problem. Welcome back Jack.

Scotsman: Aye.

The sirens got up.

Me: It's all right guys.

I went up to the sirens.

Red Siren: (Not singing) What happened?

Blue Siren 1: (Not singing) I feeling like I was hit by Hercules.

Me: You were all possessed by an evil force that made you hypnotize people and take their treasure and turn the people into slaves. I freed you all.

Peisinoe: Wow. That explains it. We are forever in your debt.

Me: My name is J.D. Knudson, leader of the Brave 12. My team is down there.

We introduced ourselves.

FLASHBACK ENDS

Me: And that's how we met Peisinoe, Aglaope, and Thelxiepeia.

Peisinoe: And we are forever grateful to you J.D.

G1 Darkwing: You made the right choice in redeeming the Sirens, J.D.

Me: Thanks Darkwing.

Aglaope: And we are forever grateful that you saved us from that

monster.

Me: It was nothing.

Fu: But that was a really awesome adventure.

Laney: Yeah and it was amazing.

Twilight Sparkle: Wow! That must've been a really awesome adventure.

Sunset Shimmer: We'll have to read Jack's book when we get back.

Samurai Jack: You'll love our adventures in it.

Nico: Yep. But that mystery with what happened to Jack like that must've been really something.

Naruto: It sure was.

Eli: Wow! That is amazing.

Thelxiepeia: It sure was.

Evil Seed: Everyone done with lunch?

We burped.

Me: Oops. Pardon me.

Daring Do: That was a great lunch.

Lola: Yeah it was.

Lori: Always literally love those burgers dad makes.

Me: Thank Ajay, Mordecai and Rigby for putting them on Mr. Lynn's menus.

Mordecai: They are awesome.

Rigby: Yeah man!

Me: Right. Careful guys.

Eli: Right.

We continued on into the temple.

Then Nico stepped on a button.

Nico: Uh oh.

A boulder was heading right towards us!

Skalamander: Oh please. (fires crystal shards at it)

The shards hit it and shattered it into a million pieces.

Me: Nice one Skalamander.

Skalamander: Thanks.

Cricket: Yeah nice one.

Beetle spotted some quicksand.

Beetle: This is too easy! (Uses suit to fly over quicksand)

May: Showoff!

Me: Lets follow his example.

We floated over the quicksand like it was nothing.

Daring Do: That was too easy.

We landed on the other side and I accidentally stepped on a button.

Me: Uh oh!

Eli: (Senses what's coming) Hit the deck!

We ducked and spears came flying and we grabbed them.

Me: We can use these.

Nico: Good thinking.

We saw a purple sheen on the spear head and that meant that it was laced with deadly poison.

Me: These spears are poisonous.

Ets: Whoa!

Gemini Man made clones of himself to protect him as they were hit by poisonous spears.

Gemini Man: Better make sure it's my clones that get it, not me!

Me: I don't think poison works on you Gemini Man.

He saw that his clones were unaffected.

Nico: The spears stopped

Me: Lets go.

With that, we continued on and we saw swinging axes.

Me: Axes.

Twilight Sparkle: They look sharp.

Mysterio: One of my robotic Heartless will make short work of these axes!

Me: Go for it Quenton!

He summoned a robot Sköll and blasted the axes with ice and shattered them.

Me: Nice thinking!

Sora: Using a Sköll is genius.

Mysterio: Thanks guys.

Me: This whole adventure reminds me of when we went into that volcano and faced the Lava Monster.

Varie: That was epic.

Samurai Jack: It sure was.

We continued on and we got passed all the traps. I used force fields to protect us from a poison dart shower, destroyed a spiked wall that was closing in and even smashed a boulder that was gonna squish us flatter than a pancake. We then arrived in a dark room and in a beam of sunlight on a pedastal was THE SWORD OF VIRACOCHA! It was a gold, jewel-encrusted sword and it was all made of solid 24K gold and it was radiating with the energy of 400,000,000 suns.

Me: There it is.

Nicole: Wow! The Sword of Viracocha.

Daring Do: It's amazing.

Cyclonus: Let's see if there are more traps.

Eli: I don't sense any but we better be careful.

We tip-toed up to the sword and there were no traps. We saw that there was writing on the pedastal.

Naruto: What does it say on the pedastal sis?

Nicole: Lets see. (Reading) "Only with a heart of sun and blood pure, shall you free the sword from its darkness and bask in the sunlight's pure allure."

Nico: Whoa. This is gonna be tough.

Me: Some of our hearts were tainted because of the dark orbs inside us.

Yang: Maybe it will work for me.

Me: Go for it Yang.

Yang went up to the sword and grabbed the handle and it glowed white and she successfully pulled the sword out! The power of the sword surged powerfully through her and she was now chosen by the sword to be its wielder. She is now the wielder of the Sword of Viracocha!

Rex Goodwin: She did it!

Me: WHOA!

Daring Do: The Sword is now hers!

Lola: Way to go Yang!

Ruby Rose: Yeah that's my sister!

Yang: Wow! Its power is incredible!

?: (Spanish Accent) NO! You have a lot of nerve coming here Daring Do!

We turned and we saw the legendary creature of Aztec Myth, AHUIZOTL!

---

Ahuizotl is a character and a former antagonist from My Little Pony: Friendship is Magic. He is Daring Do's former arch-nemesis and the main antagonist in the episodes "Read It and Weep", "Daring Don't", and "Daring Doubt". He also appears as the main antagonist in the book Daring Do and the Eternal Flower. Initially, it is believed that he is a fictional character within the series, but he is revealed to be real in his second appearance. He was thought to be a cruel and evil villain who wanted to take over Equestria. However, it is later revealed that he is one of the Guardian Creatures, who is tasked to protect the artifacts in his Basin so that they won't be stolen.

He was voiced by Brian Drummond.

Read It and Weep

He first appears in Read It and Weep and the main antagonist of the book Daring Do and the Quest for the Sapphire Stone. He, like

Daring Do, was also after the Sapphire Stone. Ahuizotl captures Daring-Do with the help of the wild cats, whom he calls with a quick whistle. He then puts Daring-Do into a room with closing walls with spikes, quicksand, snakes, and spiders. However, she escapes and reclaims the Sapphire Statue from Ahuizotl. He is then surprised and he calls out angrily "What! Noo! Curse you Daring-Do!".

## Daring Don't

Ahuizotl later appears again as the main antagonist in Daring Don't, where it is discovered that he is a real inhabitant of Equestria. During a scene in which Dr. Caballeron is about to sell a golden ring to a disguised Daring Do, Ahuizotl angrily storms onto the scene and demands the ring. After Caballeron runs off and Daring snatches the ring away, Ahuizotl sics his jungle cats upon her. Using the nearby Rainbow Dash as bait, Ahuizotl distracts Daring Do long enough for her to be subdued and restrained, and hauls her off to the Fortress of Talicon.

After leaving Daring Do bound to a wall in a chamber filling with piranha-infested water, Ahuizotl begins a ritual with the ring to usher in 800 years of unrelenting heat. His efforts are thwarted by not just Daring Do, but also Rainbow Dash and her friends. Through Rainbow Dash and Daring Do's actions, the Fortress of Talicon comes crumbling down. Upon emerging from the rubble, Ahuizotl swears revenge on Daring Do.

## Daring Doubt

Ahuizotl makes his final appearance as the main antagonist in Daring Doubt before his true motives are revealed and redeems himself in the end. Rainbow Dash and Daring Do run into him, whom he believes they are trying to steal the Truth Talisman. Rainbow and Daring escape from Ahuizotl just as Caballeron and his team open the temple entrance, and thus he followed them. Later, he caught up with them and catch them attempting to steal the Truth Talisman of Tonatiuh, so he unleashes stone "Guardian-goyles" upon them.

Later, while attacking them, Fluttershy reaches out to Ahuizotl with kindness and a willingness to listen. Touched by this, Ahuizotl picks up the Truth Talisman and this causes him to reveal his true motives, as he is the guardian of the Tenochtitlan Basin and he is just guarding its artifacts so it will not be stolen by Daring and Caballeron and that he won't get into trouble with the other Guardian Creatures. Because they took the time to understand his true intentions, Ahuizotl lets them all go on the condition that they will never steal another artifact from his basin again, to which they all unanimously agree. In the end, he becomes a new author in order to share his side of Daring Do's stories with the public.

Daring Do Adventure Collection

In the "Daring Do Adventure Collection", he is shown to be the main focus in the first two books. In "Daring Do and the Marked Thief of Marapore", he is mentioned but is a big plot point to the main antagonist, Mojo; who is using the Flankara Relics to heal his scarred cutie mark. During Daring Do and Mojo's aggressive confrontation, Daring compared him to Ahuizotl before she begins her action. Mojo went into shock and confessed that Ahuizotl was the one that causes his cutie mark to be scarred. Because of this, Mojo is reformed.

In "Daring Do and the Eternal Flower", he is one of the few antagonists who tries to get to the Eternal Flower. A holy grail-esque plant that grants eternal life and immortality to anyone who drinks its nectar. Ahuizotl sent Caballeron to retrieve one of the Everleaves that are used to locate the flower and succeeded. He then told Daring that Ahuizotl took Gallant True as a hostage in search for the Eternal Flower as he has one of the leaves. When Daring track down Caballeron, she convinces him that it would doom all of Equestria due to Ahuizotl living forever. He did not listen of course.

After her battle against his henchponies, she is aided by a Pegasus mare named Rosy Thorn who was also trying to track down Ahuizotl. However, Daring decline due to her loyalty towards Caballeron. When they were at the fortress, Ahuizotl uses a magical device that disables Gallant True when they and Ahuizotl's army of "Hench-ponies" went outside of his fortress. After a battle to retrieve the leaves and rescuing her uncle, Daring uses the leaves to head towards a magical island where the flower is located. Ahuizotl has kidnapped Rosy Thorn after Daring and Gallant went away. Daring then summons a dragon named: Knuckerbocker to head towards the island. But when the arrived, Ahuizotl got there first. And Gallant True's colleague is shown to work with him. And Rosy Thorn turned against Daring for not rescuing her. Ahuizotl also brought a couple of his henchponies with him after the travel. He then uses the Everleaves to head towards the location of the flower, but a dragon swoops up and made a hassle. When Daring and Gallant True is in the island's Grotto after they built a raft to get there, Ahuizotl claims that he has the flower and shouts in victory. However, it is revealed to be a Poison Joke and shrunk into mouse size. He is then scooped up by his henchponies and retreated back.

In the ending pages of Daring Do and the Marked Thief of Marapore, and in Daring Do and the Eternal Flower; he appeared in the books glossaries with his pronunciation, spelling, and summary. He is said to be "a giant evil beast who will stop at nothing to gain riches and power". He is also Daring Do's biggest foe.

---

Daring Do: Ahuizotl!

Me: The legendary Dog Creature of Aztec Myth!

Ahuizotl: Team Loud Phoenix Storm. It's an honor. But you will not make it out of here alive!

King Shark: (smugly) Did you come to congratulate Yang for pulling out the sword?

Ahuizotl: No! I came to get revenge on Daring Do for the humiliating defeats she dealt to me!

Daring Do: You brought all those on yourself Ahuizotl!

Me: What did you do to him Daring Do?

Daring Do: I stopped him many times in the past for destroying all of Equestria. I stopped him from using the Rings of Scorchero, Got the Seven-Sided Chest of Chicomoztoc, Got the Amulet of Culiacan and many more from him. He has never forgiven me for everything. He wants nothing more than to kill me.

Me: And lets not forget that we had a lot of big finds in South America too.

Ahuizotl: And you all will join her fate too!

Me: We'll see about that!

Nico: You will never hurt Daring Do again Ahuizotl!

Discord: Do you even care that Yang pulled the sword out?

Ahuizotl: No! All I want is for Daring Do to be out of my life forever!

Me: Sheesh! And I thought Jabberjaw was never respected.

Jabberjaw: Woo woo woo. No respect at all. Nyuk nyuk nyuk nyuk nyuk.

Yang: Besides, finding this sword is more than enough and I also got the respect of my family and friends.

Lola: That's more than enough praise.

Laney: You said it.

Nicole: And this was an awesome treasure hunt.

Me: And now we got a fight on our hands.

Daring Do: You want to get me, you got to go through my friends!

Ahuizotl: With pleasure!

He summoned his henchmen!

Me: Bring it on!

But then Trombipulor, Bane, Abomination, Pete, Tala, Webstor, Enchantress (DC), Roxy Rocket, Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin and Greiger then appeared and Rex Goodwin went with them.

Me: Trombipulor, Bane, Abomination, Pete, Tala, Webstor, Enchantress (DC), Roxy Rocket, Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin, Greiger and Rex.

Nico: Lots of you guys this time.

Trombipulor: I know.

Pete: We also included the Dark Signers in extra battles for this because they have the Earthbound Immortals.

Me: Because they are from South America. And that's a good theme. And Bane is from Cuba.

Bane: (Spanish Accent) That's right.

Me: This is gonna be awesome.

Maria: Did you guys run into any traps too?

Trombipulor: Actually, yes.

Bane: It was mostly the quicksand though.

Abomination: And the poisonous spears.

Pete: (to Yang) Nice job getting the sword, Yang. You've earned it.

Yang: Thanks guys.

Me: And thank goodness you all made it safely.

Bane: Gracias. It was a harrowing adventure.

Me: It sure was. But thanks to everything we learned from Nicole, Daring Do and Indiana Jones we made it through the temple.

Nico: We sure did. And it was a clever theme you all made for South America with the Dark Signers.

Roman Goodwin: Thanks.

Carly Atlas: We also have new recruits.

3 figures came out and they were ones we know all too well!
HECTOR CON CARNE, SPELLBINDER AND SHRIEK!

---

Hector Con Carne

**Hector Con Carne** is the main protagonist villain of the 2001 Cartoon Network series *Evil Con Carne*, and the main antagonist of the *The Grim Adventures of Billy and Mandy* crossover episode " *Company Halt* ". He is the leader and founder of a group known as Evil Con Carne.

He was voiced by Phil LaMarr.

Early life

Hector Con Carne was a millionaire playboy that desired world domination until a bomb disguised as a nurse from Cod Commando destroyed his human body except his still living brain and now somehow sentient stomach. In order to keep him alive, Major Doctor Ghastly attached him to a circus bear named Boskov.

New Vessel

Now attached to the body of Boskov, Hector Con Carne decides to continue his attempts to conquer the world. Deciding to move into Bunny Island to continue is goal of world domination and use it as base for his organization, Evil Con Carne.

Spellbinder

**Ira Billings**, also known as the **Spellbinder**, is an antagonist in the DC Animated Universe. After feeling that he deserves more in life, he decides to use his skills for his evil purposes, especially to accumulate wealth.

He was voiced by Jon Cypher.

Spellbound

As a high school psychologist at Hamilton Hill High, Billings felt that he was unappreciated and underpaid while helping troubled children deal with their problems. To that end, he later devised a plan to mind control wealthy students to steal valuables from their parents. His first victim was Chelsea Cunningham, a classmate of Terry McGinnis (Batman), whom he made believe she was experiencing a jungle exploration in search of an artifact, which was, in actuality, a valuable statuette that belonged to her father. He had Chelsea throw the "artefact" in a volcano, but in truth it was a local stream from which Spellbinder later retrieved. As Ira Billings, Spellbinder covered his tracks by describing Chelsea's actions as a means of gaining attention from her distant father. The following night, Spellbinder brainwashed the father of another student. The man was working as the curator at the Gotham City Museum of Fashion. Spellbinder made him believe he was in a jungle war zone trying to save a fellow soldier, but in reality the man was carrying for the villain a priceless gown out of the building. Later that week Spellbinder infiltrated the wedding of the mother of yet another one of Terry's friends, and made her believe she was on an alien planet. She threw her jewelry off, believing them to be insects, thus allowing Spellbinder to retrieve them.

Billings summoned Terry to talk to him about the radical changes in his life following the death of Terry's father, Warren McGinnis. But really Billings wanted information on Bruce Wayne (the previous Batman) and his valuables. Later that night, Terry was brainwashed by Billings under the guise of "Spellbinder" (as the media had dubbed him). Terry was stealing from Wayne, believing himself to be participating in a supermarket-themed game show. Terry was eventually snapped back to reality and chased after Spellbinder. With the help of Bruce, Terry was able to overcome the villain's mind control technology, defeated and unmasked Spellbinder who was later arrested.

## Hooked Up

Months later, Spellbinder created illegal VR rooms which offered runaway teens their idealized version of their lives, but under the condition that they work for him as thieves. Addicted to the machine, they agreed to steal, but also to bring in new teens in order to replace those who had been rendered comatose do to serotonin overdoses, the adverse result of the VR. Maxine Gibbson, an associate and sidekick of Batman's, who was investigating the disappearance of the same teens was brought in on the VR craze and as a result became addicted to the VR rooms after hooking her up to one.

In her fantasy world Maxine still lived with both of her parents (her father left following a divorce, while her mother was usually gone on business trips) and her older sister, with her family being very supportive of her over-achievements. Terry followed one of the addicted teens (a runaway boy from his High School) to the Spellbinder's hideout, an abandoned medical clinic. He tried to bring Maxine to her senses, but she wouldn't listen, believing that her fantasy was more welcoming then reality. Batman was ambushed by Spellbinder, who then tried to fry Batman's brain, but Maxine had came to her senses and electrocuted Spellbinder, who was later arrested.

### Eyewitness

Spellbinder escaped prison yet again and tried to frame Batman for murder as revenge for having foiled his previous plans. During Batman's fight with the terrorist Mad Stan, Spellbinder projected an illusion to Commissioner Barbara Gordon in which Terry had killed Mad Stan, thus making him a fugitive of the law and Mad Stan, a pawn in Spellbinder's plan. With the help of Bruce Wayne, Batman was able to clear his name after exposing Spellbinder in front of the commissioner, revealing his plan. As Spellbinder was being apprehended he momentarily stopped to mock Gordon, telling her that his plan had worked so easily because she was prepared to believe the worst possible outcome. Eventually the police were able to find Billings' pawn, Mad Stan, who was being held inside one of Spellbinder's VR rooms, dreaming of his ambition of destroying Gotham City Hall, thus ending "the bureaucratic nightmare", much to the police's bewilderment.

### Where's Terry?

Following his crime spree, Spellbinder, alongside Blight and the Royal Flush Gang, had became an idol for half of the grade school children of Gotham, with the other half idolizing Batman. Dak (Darius

Arthur Kelman), a runaway orphan, was one such child and brought up his admiration of Spellbinder and the other rogues while being trapped underground alongside Batman.

## Powers and Abilities

As a trained child psychologist Billings was able to procure sensitive information regarding his patients' parents' valuables and as a result was able to device intricate plans for his thefts. Billings was also gifted in the field of virtual reality technology that was able to induce life-like hallucinations ranging from nightmarish to idyllic. His primary weapons of choice was either the eye located on the palm of his left hand, or an eyeball shaped sphere which feeds hallucinations inside the victims mind. This technology not only could induce visual and auditory illusions, but also induce fake smells. Spellbinder used one such projection against Batman, causing him to believe that he was leaping from a cliff towards a waterfall's basin, in actuality he was falling towards the traffic street bellow. Terry recounted that during said hallucination that he could smell the water.

With his knowledge of VR technology, Spellbinder created VR machines that could induce intense levels of happiness by making the people inside the machines experience their fantasy life, for instance Maxine believing that she was still living with her entire family, or one boy believing himself to be an influential hit rock star. However, this machine caused massive overdoses of serotonin in the brain which eventually caused the users to fall into comas. The machines also proved to be highly addicted and prolonged absences from them caused withdrawal.

Spellbinder also proved to be a master of stealth able to allude his pursuers with ease. He would often combine stealth alongside his mind control technology and holograms. During their chase through Wayne Manor's garden, Spellbinder hid behind trees and was able to get behind Batman and threw one of his eye-shaped spheres at him, causing Batman to endure a zombie hallucination while Spellbinder began beating Batman. He also almost managed to trick Batman into falling off a cliff after tricking Batman with a hologram of himself. Spellbinder's eye-spheres could also be used to grant him a form of invisibility, as Spellbinder could stand in an open crowd next to several Gotham policemen without being noticed and even hid near Batman while the latter was searching for Mad Stan at the Gotham morgue, following Mad Stan's alleged murder. The invisibility could be cancelled if someone was looking at him while wearing infrared lenses, flashed ultraviolet rays at him, or if the eye-sphere was destroyed. During the wedding scene in the episode "Spellbound", Spellbinder disguised one of his eye-spheres as a photo-camera so as to hypnotize the bride without being caught.

Shriek

**Shriek** is an antagonist in the DC Animated Universe, appearing in the *Batman Beyond* episodes "Shriek", "Babel", and "Where's Terry?" and in the *Justice League Unlimited* episode "Epilogue". Walter Shreeve was an intelligent sound engineer who created a sound suit that could generate and control sound. He would later use the suit and became the criminal Shriek.

Shriek was voiced by Chris Mulkey, who also played Ward in *First Blood* .

Shriek

Walter Shreeve was a very talented sound engineer and owned his own business called Shreeve Sound Laboratories. However, he spent all his money on his research, and subsequently drove his company into bankruptcy. Despite this tragedy, Derek Powers saw potential in Shreeve's work and acquired his business and funded his experiments.

Shreeve would create a sound suit with four sound generators placed in the suit, each of which capable of different effects. He intended this technology to be used in demolition work. However, Powers had other ideas. Shreeve was ordered by Powers to use the suit to kill Bruce Wayne.

Shreeve followed Bruce to Gotham City's historical district, where he attempted to kill him with focalized sound vibrations. Thanks to Batman, Shreeve failed in directly killing Bruce, but he hurt him enough to be committed in a hospital.

Before escaping, Shreeve left behind his right hand sound generator, which was vital for Batman to track him down. Later that night, Terry posed as a pizza delivery boy who got his address wrong in order to get into Shreeve's lab. Shreeve didn't resist to an offer of a free pizza, and let the pizza boy inside his lab.

Shreeve allowed Terry to look around his gizmos, and even explained to him how sound masking worked. He then asked him to leave so that he could get back to work, but as soon as Terry asked him about sound vibrations, Shreeve realized he was being duped, so he tackled the impostor. He put on his sound suit and wrecked most of his lab in an attempt to kill Terry. He followed him outside, where he was intercepted by the GCPD. Shreeve repelled the police blimps, and escaped.

Now a wanted fugitive, Shreeve sought retribution against Powers, whom he blamed for his current predicament. Powers appealed to Shreeve's vanity, arguing that he should be contented with the absolute power bestowed by his suit. He even gave him a new name, which would fit his new persona and impart fear in others. As of that moment, Shreeve adopted the moniker "Shriek".

Now referring to himself as Shriek, he implanted a two-way radio in Bruce Wayne's bandage, which tries to influence him to commit suicide (despite Bruce being in a secured hospital). However that failed, with Bruce being transferred to a psychiatric ward. Shriek then decides to try and drive Bruce insane enough to kill himself by suggesting that his food was poisoned. However, Terry (as Batman), finds the hidden transmitter and traces the signal back to the Zanti factory near the hospital.

Shriek then attacks Batman, using his sound abilities from his suit. He blasts him with vibrations, suppresses the sound of the contiguous area, and turns up his suit's volume to hear Batman's footsteps. Despite Shrieks powerful abilities, Batman destroys his sound masker with a batarang, canceling its muting effect. Consequently, Shriek was overwhelmed by the surrounding sound amplified by his helmet, leaving him permanently deaf. Shreeve was arrested but refused to testify against Powers.

Babel

Shriek was sent to a mental hospital and was released months later, after being declared cured (it is unknown how Shriek deceived, bribed, or obliged the doctors). After his fight with Batman, all Shriek could hear was an everlasting buzzing sound, which he could only damp with a special headphone that enabled him to hear again. Shriek blamed Batman for his deafness, and became obsessed with killing him. He moved in to a fork shaped tower at Hill Square and recruited Ollie to assist him. With his help, Shriek used the tower as a tuning fork to unleash turmoil in Gotham City.

Shriek's first begins his plan by emitting high pitch frequencies that drove animals crazy and violent. Then, he ran interference with the air molecules, thus disrupting human speech and spreading confusion all over Gotham. After wreaking havoc in the city, Shriek shut off the jamming signal momentarily and contacted Police Commissioner Barbara Gordon to deliver an ultimatum - Batman was to give himself up quietly, or he'd escalate his attack on Gotham.

When Batman showed up at the rendezvous point, Shriek fights him, but Batman defends himself. Shriek turned up the sound vibrations of the tower, in an attempt to stun Batman, and took off his special hearing aid, so as to be immune to the deafening sound. Batman managed to elude him and tried to shut down the sound device from inside, but he inadvertently activated low frequency vibrations that tore the building down. Unaware of the collapsing tower, Shriek pursued the battle against Batman, who tried to alert him. However, the warning fell on deaf ears, literally, and Shriek was seemingly buried in the rubble.

Where's Terry?

Despite this, Shriek survived and hid in an underground shelter for the next few months. There he planned to once again try to get his revenge on Batman. One night, while returning to the hideout, Ollie was spotted and followed by Terry. Hearing his associate shouting a warning, Shriek estimates their location and hurled a sonic blast at Batman. Due to the quality of the tunnels, Shriek miscalculated his target's position and failed to kill him. Instead he caused a small cave-in that left Batman knocked unconscious for a couple of hours.

Shriek activated a giant scope that picked up a heart pulse in the proximity. Suspecting it was Batman's, Shriek emitted another low frequency discharge to finish the job. Once again, he misses the target, but this time he causes the tunnel to collapse, trapping Batman. Shriek decides to play it safe, and took off to make sure he had succeeded this time.

In the nearby tunnels, he stumbled upon Dak, a runaway child. Shriek takes the boy back to his shelter, and sent out a message to draw Batman out, unaware that he was imprisoned. When Dak let it slip that he knew of Batman's whereabouts, Shriek threatens to kill him, unless he show him the way. Fearing for his life, Dak obliged. However, Shriek was tricked into breaking through a wall that obstructed Gotham's River, and he was swept away by the flood.

Shriek quickly regroups and attempts to kill Batman. However, he didn't seize the opportunity quickly enough. Instead, he gloated, allowing Bruce the chance to bludgeon him with his cane. Shriek was swiftly knocked out and subsequently handed over to the authorities.

Epilogue

Shriek is seen years later with other enemies of Batman and was a member of the supervillain group, the Inquity Collective, to battle the superhero group Justice League Unlimited.

Nico: Long time no see Shriek.

Shriek: You ruined my life Chan!

Spellbinder: Its good to see you again J.D. Knudson. Its been a long time.

Me: Same here Ira and it really has been a while. Last time was three years ago.

Spellbinder: Time sure flew by hasn't it.

Me: It sure has. And that was when you played illusions on Sandman and Spiderman.

Nico: I don't remember that.

Me: It was before you joined us Nico. Weird story.

Laney: Yeah it was crazy.

Me: Yeah. And Hector how has prison life been for you?

Hector: Been different for me.

Twilight Sparkle: He's just a brain and stomach on a bear?

Fluttershy: What happened?

Me: He was blown up in a huge explosion that left him as nothing more than a disembodied brain and stomach and Boscov a circus bear is his body now.

Twilight Sparkle: Whoa! That must've been brutal.

Me: It was.

Applejack: What powers does Spellbinder have?

Me: He has a powerful ball that can make powerful illusions.

Mysterio: Like me.

Me: Exactly.

Spellbinder: That's right.

Me: Who are you three gonna be the archenemies of?

Hector Con Carne: I chose Pandora.

Pandora (Billy and Mandy): Me?

Hector Con Carne: No no. I meant the one that Pit knows.

Pandora (Kid Icarus): Wow! I'm honored.

Spellbinder: I chose Dr. Light of the Justice League.

Dr. Light (JL): Wow!

Shriek: And I chose Black Canary.

Black Canary: Wow!

Green Arrow: Way to go.

Me: This is gonna be awesome.

A screech was heard following by malevolent laughter and out came two figures. They were THE PTERODACTYL GHOST and THE HEADLESS HORSEMAN!

Shaggy: ZOINKS! It's the Pterodactyl Ghost and the Headless Horseman!

Qin: Whoa! I didn't expect the Pterodactyl Ghost to show up.

Twilight Sparkle: What were they known for?

Qin: The Pterodactyl Ghost was really Jonathan Jacobo. He was one of the heads of a huge multi-million dollar piracy operation.

Leni: Piracy? You mean like pirates?

Lisa Loud: No Leni it means to download and copy music or videos and sell it illegally.

Leni: Oh right.

Me: It's a federal offense.

Qin: Yep. The Headless Horseman was really Elwood Crane who wanted to steal the Crane Family Diamond so that he can restore his shoe business.

Twilight Sparkle: Jeez! what did they get?

Qin: Jacobo got 40 years for Piracy and ordered to pay $20,000,000 in restitution. But he then busted out of prison and vowed to get revenge on Mystery Inc. and they busted him again and he got life in prison without parole. Elwood Crane got 30 years in prison and he died of Natural Causes.

Twilight Sparkle: Geez! I am glad they got what they deserved.

Me: Yep.

Maximum Ride: I'll face the Pterodactyl Ghost. I haven't had some fun.

Megan Williams: And me and Firefly can have our fun with the Headless Horseman.

Firefly: All right!

Luan: Nojoke. Back for round 2.

Nojoke: Yep.

Nico: Sweet.

Nojoke: I know how to get Ahuizotl's men out of the way.

Emma: How are you going to do that?

Nojoke: Just watch. (farts in front of Ahuizotl's men)

FFFFFFAAAAAAAAAAAAAAAAAAARRRRRRRRRRRTTTTTTTTT!

They laughed and were frozen solid by him.

Me: You need to lay off the beans for a while Nojoke!

Nojoke: Can't help it.

Me: Lets get it on!

---

Trombipulor was first.

Trombipulor: (to She Hulk) I think this is similar to when Ben, Gwen, and Max went to that temple to retreieve the Sword of Ek Chuaj.

She-Hulk: Yeah Ben told us all about that. The Search for the Sword of Ek Chuaj, The Mayon God of War was really something.

Applejack: No kidding. Too bad that sword was older than Granny Smith on a hot day.

Apple Bloom: I think it was like 3,500 years old or something.

Frozen Fright: Yeah and thank goodness that Enoch never got to use it.

Rockhoof: (Scottish Accent) Aye. That's a good thing.

Flashwing: It sure is. Enoch must've not been happy about that.

Rubble Rouser: Yeah.

Trombipulor: And thank goodness for that. I see you guys have the members of the Legion Of Doom with you all.

Black Manta: It's part of a theme that J.D. made. He got it from the Superfriends cartoon.

Gorilla Grodd: The only members not present are Lex Luthor, Scarecrow and Brainiac.

Captain Cold: Brainiac we haven't met yet, Scarecrow is in the space prison and Luthor is dead.

Giganta: But it would be cool to have the Superfriends Brainiac with in the Masters of Evil instead of the one we heard about from Luthor.

Toyman: Yeah that would be awesome.

Trombipulor: Yeah. But that's a good theme. Lets do it!

Trombipulor trumpeted and went at them and they dodged him and blasted him all over with earth and apples and elemental blasts and smashed him down.

She-Hulk: Yeah Baby!

Applejack: YEEHAW! That was amazing!

---

Battle 2: Laney, Fluttershy, Pip-Squeak, Mage Meadowbrook, Life Skylanders, Spiderman, Mary Jane, Lucas Cage, White Tiger, Venom and Rhino VS Bane

---

Bane was next.

Bane: (to Laney) Why do I get the feeling that this temple has one more trap in store for us?

Laney: I have that same feeling too. I've read that usually ancient temples like this collapse or explode whenever they are stopped in evil plots or something like that.

Fluttershy: Goodness. But Rainbow Dash told us about that and it is intense.

Pip-Squeak: (British Accent) But we'll get out of here before that happens.

Mage Meadowbrook: That's right. The heroes always escape.

Stealth Elf: They sure do.

Stink Bomb: You said it.

He pressed a button on his arm and pumped himself with Venom and he was stronger and then he went at them and punched and kicked at them and dodged his strikes and they blasted and smashed him all over with leaves and energy and smashed him down.

Laney: YEAH!

Fluttershy: That was fun.

Abomination: (to Ripster) I bet Ruby and Yang were happy to see their dad again.

Ripster: They sure were. And it was awesome meeting him too.

Rarity: Indeed it was. I am so happy for them.

Sweetie Belle: And it was great that they were reunited with him after everything that happened with them.

Abomination: I heard about that. I'm sorry they went through so much because of Salem even though it wasn't her fault.

Thunder Terror: Yeah those Gods on Remnant ruined Salem's life by cursing her with immortality. We don't know how long Salem lived exactly but she caused so much pain and suffering and it's all because of those Gods.

Mistmane: That is so wrong. And all because she wanted Ozma back. It's so unfair.

Joan: Yeah that was horrible.

Cammy: She did nothing to deserve such a punishment.

Bebe: Yeah it's so unfair.

Chloe Bolton: Yeah.

Sean: Love makes people do crazy things and she did nothing to deserve that.

Abomination: Yeah I agree. Poor Salem. Lets do it!

Bolton Siblings: SHARK ATTACK!

They went at Abomination and he went at them and they punched and kicked Abomination all over and the group blasted and smashed Abomination down.

Ripster: ALL RIGHT!

Rarity: Rapture darling that was grand!

Bolton Siblings: JAWSOME!

Pete: (to Penny) It's good that Taiyang reunited with Ruby and Yang after so many months. I know the feeling of being seperated from a kid all too well.

Penny: I never knew that feeling at all because my real parents were murdered.

Pinkie Pie: Right that is awful!

Triple Berry: I heard about that Penny! I can't believe that Medusa would kill your parents in cold blood like that! Your real parents rather.

Somnambula: (Egyptian Accent) She has no honor for that. And all because of her search for the worlds largest diamond.

Sprocket: Yeah that was horrible.

Drill Sergeant: That's awful.

Pete: It sure is. Now it's a REAL good thing that Maleficent and the Masters of Evil didn't recruit Medusa.

Mojo Jojo: Indeed. For I, Mojo Jojo, would never allow such a disgraceful act in our organization.

Fuzzy Lumpkins: You said it Mojo!

Boss: Me neither.

2016 Morbucks: But a diamond like that must've been really valuable to kill for.

Mask Scara: No kidding.

Femme Fatale: Yeah it was.

Manboy: Yep.

Pete: I know. Lets get it on!

Pete went at them and they dodged his strikes and blasted him all over with confetti and gears and energy and smashed him down.

Twilight sparkle: Yeah it was!

---

Battle 6: Lucy Loud, Princess Luna, Snowdrop, Children of The Night, Dark Skylanders, Domon Kasshu, Sai Saici, Argo Gulskii, George de Sand, Chibodee Crockett, Riku and Demona VS Webstor

---

Webstor was next.

Webstor: (to Lucy) Considering Lincoln's immortality, Taiyang's going to introduce an eternal world of pain to Lincoln if he breaks Ruby and Yang's hearts.

Lucy Loud: Luckily Lincoln is never like that. He is a man of his word and never would hurt anyone like that. I know my brother and he would never do that.

Webstor: Indeed. Lets get it on!

Shuffle Alliance: THESE HANDS OF OURS ARE BURNING RED! THEIR LOUD ROAR TELLS US TO DEFEAT YOU!

They went at Webstor and fired waves of darkness and energy and smashed him down.

Lucy Loud: Wicked.

Princess Luna: Victory of the night.

## Battle 7: Ilana, Princess Celestia, Canterlot 5, Light Skylanders, Gulper, Chompy Mage, Dreamcatcher, Golden Queen, Chef Pepperjack, Wolfgang, Dr. Krankcase, Kaos, Darkwing and Dreadwind VS June Moone A.K.A. Enchantress (DC)

Another awesome fanfic complete.

This was a great one and the timing couldn't be any better. Not only is today Memorial Day but it's also the day when the new Loud House Episode, Camped aired and that had an awesome treasure hunt in it too! It was so cool! We had a really fun adventure in this one! I know that Ahuizotl redeemed himself in the series but in my mind he hasn't. But this was a great one. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Etstheclarencefan, Nflemingful and ninjakingofhearts gave me the ideas for this. Thanks guys. Get ready for an extremely funny laugh as we go through the funny Ed Edd N Eddy episode Sorry Wrong Ed and we're going to see what happens when Lincoln is cursed by the Telephone of Despair only this time it will be Liam that has it and we're going to find a way to destroy it before he gets done in. It will be funny and painful.

See you all tomorrow.

# The Curse of the Telephone of Despair

On Remnant we were in Atlas to have Nico start his press conference on why Salem did everything she did over the eons and why she tormented and destroyed so many lives.

Ironwood: Is everything all set?

Me: Ready. We go on in 3 minutes.

Laney: I hope Nico gets through to everyone.

Lana: He will. Eddy, Dark Spicer and Eli will make sure no one attacks Salem.

Me: Got to have precautions ready just in case things get out of hand.

Nico: Awesome.

We got the conference underway.

Horsea: Thank you for coming, everybody.

James Ironwood: Now I'm sure you're all wondering why you all were gathered like this. Well Nico has something he would like to say to you all.

Nico came to the Podium.

Nico: (Clears throat) Hello everyone and thank you all for coming. Now I'm sure you all are wondering why you all were called here. Well it involves Salem.

Everyone gasped.

Nico: Now, I'm sure you all probably know about Salem's crimes.

To lighten the mood, Poliwag was behind me doing some funny faces.

Me: Poliwag let them listen.

Poliwag: Sorry.

Nico: Now Salem has been a huge terror to you all here on Remnant and I destroyed her as you all know with the help of all my friends on Team Loud Phoenix Storm.

Me: Yes it's true.

Nico: Now, I know that Salem's actions have harmed countless people in Remnant. In fact, she put so much pressure on Ruby and her friends so much that they almost gave up on life.

Manaphy: (hugs Yang) Putting so much pressure is saying it nicely.

Yang: Yeah.

Lincoln hugged her too.

Nico: But, her motivation for those actions can be described by one word.

Tentacool: It starts with the letter L.

Nico: And that word is Love. Salem was devastated when her love Ozma died of a terminal disease and she went to the gods to bring him back.

Oscar Pine: As you all know my name is Oscar Pine but I am the reincarnation of Salem's love Ozma. I rescued Salem from a tower like one of those princesses in a fairy tale and we married and were very devoted to each other. But my past life died of a terminal illness. It devastated Salem.

Lincoln: That's right.

Oscar Pine: Ozma actually reincarnated as Professor Ozpin, the head of Beacon Academy. And now, he's inside my head as me, Oscar Pine.

Nico: That's right.

Jirachi: Salem did not mean any harm to you all. She just wanted Ozma back.

Me: And she wanted to be free of her curse so she can be with Ozma in the Afterlife.

Nico: And I know that most of her associates carried out her dirty work. But the most evil of said associates have been… dealt with.

Me: That's right and you have us to thank for that. Tyrian Callows, Cinder Fall, Mercury Black, Jacques Schnee, Adam Taurus and Leonardo Lionheart have been either eliminated or thrown in prison where they belong.

Lola: That's right.

Nico: And to show you that Salem is back to normal she has something she wants to say.

Salem came and she was wearing a cloak and she pulled it down and revealed herself and she was back to what she was eons ago.

Salem: People of Remnant, as you know I was once the Queen of The Grimm and I have done all kinds of horrible crimes to you. But I want to tell you all that I'm sorry I did everything I did to you. Words can't even begin to describe how horrible everything I did was to all of you and it will take you a long time for you all to forgive me. But I did all those crimes because I was punished by the gods. They cursed me with immortality and I would never die or be destroyed. It was my punishment for bringing back Ozma. I was consumed with grief and so much sadness that I lost my mind. I wanted nothing more than to destroy all of Remnant so that I would be free of this curse. I was a monster that wanted nothing more than to destroy you all. And because of everything I did I paid the ultimate price for my crimes at Nico's hands when he used the Spirit Bomb on me and he freed me from myself.

Me: But there is more. Nico can tell you all about what happened to us in January to February back on Earth.

Nico: Long story short, some douchebag named the Digimon

Emperor and went inside my head. Then, he caused some other 6 douchebags to be freed from their prison cells.

Me: We had to also deal with the evil of 13 monsters in an organization that was also to destroy the entire universe. We call those 20 days from January 23rd to February 11th the 20 Days of Darkness. On the 3rd day, Salem came to me in spirit and told me that she would be Nico's Guardian Angel. She vowed that she would protect Nico from any and all villains that would mind control him after the Digimon Emperor and Organization XIII have been dealt with. After we dealt with said dirtbags, Salem came into Nico's mind and this is her form of punishment for all the pain and suffering she caused to all of you in Remnant over the course of thousands of years.

Nico: That's right everyone. Salem was just wanting to be rid of her curse. She wanted to be with Ozma in the afterlife. But because of those gods, the curse she had on her wouldn't allow it.

Me: Yeah. Salem just wanted to be with her love. And you know all about that. Love can make people do all kinds of crazy things.

Nicole: That's right.

Nico: If I found out that my wife May died, I would go to great lengths to bring her back.

Jack Atlas: Same with me and Carly.

Me: And me and my awesome fiances. I don't get married for another 7 years.

Eli: And I would do the same thing if Nunnally died.

Everyone agreed with that.

Jirachi: Are there any questions? Comments? Apologies? (takes out jar) Bail money?

Eddy: That sounds like something I would do Jirachi.

Jirachi: Yeah.

Everyone had guilty looks on their faces and they felt sorry for Salem and she went through an absolutely unfair punishment just for bringing her love Ozma back to be back with him. It was completely unfair.

But then they had looks of forgiveness on their faces and then one pieces applauded and then the whole audience erupted into applause of forgiveness and Salem was forgiven for causing thousands of years of pain and suffering. She was now fully pardoned for her crimes.

Salem smiled as she was pardoned for her crimes.

Salem: Thank you guys. Thank you all.

Me: You're welcome Salem.

Laney: You didn't deserve to be punished like that.

Nico: Yeah it's not right.

Lola: I agree.

We later went back to Earth.

---

Later at Liam's farm, he was in the forests and digging something.

*[Shovelfuls of dirt fly throughout the forest. Lincoln and Clyde look through the trees and see Liam working furiously, a saltshaker on his head. Liam shakes the salt into a bag and unknots it, revealing a fancy phone.]*

It was really and antique 19th Century Swedish Telephone. And it was really eerily familiar.

Clyde: That's a neat phone!

**Lincoln:** "Yeah it is! Check out the phone! Liam I didn't know you had a great phone like this. How's a dud like you get a happening phone like this?"

**Liam:** "Stay back guys! This phone is dangerous!" *[He picks the phone up with a shovel and holds it over the hole.]*

**Lincoln:** "Why are you throwing a cool phone like that away Liam?"

**Liam:** "It's for everyone's safety!" *[He dumps the phone in the hole.]* "Shlack nor dah!" *[Liam buries it.]*

**Edd:** "A ceremonial telephone burial? My, how quaint."

Maria: Guys, why is Liam burying a phone?

Clyde: No idea but that phone is cool.

**Ed:** "Can I help, Liam?"

CRASH!

He tripped on the fence top and smashed into the wood.

Ed: Ow!

(Donkey Bray)

**Liam:** "Don't come any closer guys! I have to complete this task forced upon me or we are all doomed!" *[Lincoln has taken the phone and is dusting it off.]*

**Lincoln:** "I'll give ya… $500,000 for it."

**Liam:** "That's a lot of money but NO THANKS LINCOLN!"

SMASH!

*[He slaps the telephone into the hole, making Lincoln's hand swell up like a beach ball, then buries it again.]*

**Edd:** "This is very familiar. Pardon me, Liam, but how can a telephone be a messenger of doom?"

**Liam:** *[having buried the phone]* "You remember this before Double D?"

Edd: Yeah but I'm having a hard time remembering.

Liam: Oh.

**Lincoln:** "Don't bury it, give it to me!"

**Liam:** "Walk away from the suffering that has cursed my entire family for days Lincoln!

**Lincoln:** *[leading Liam away]* "I got a feeling you cracked there, buddy. Why don't you get Victoria to give you a massage or something, and I'll guard the big bad phone for ya?"

**Liam:** "Victoria's hooves are magic on my hardened muscles. Thank you, Lincoln. I owe you one.

**Edd:** "That was really nice of you, Lincoln, to ease Liam's intrinsic guilt."

**Lincoln:** "Yeah I'm always there for my friends and family." *[Liam turns the corner out of the trees.]* "Okay, Ed! Dig!"

**Ed:** "Goodie goodie!" *[digging]* "Dig a hole, dig a hole."

**Edd:** "Really, Eddy? Another knickknack for that already overstimulated room of yours?"

**Lincoln:** I think it's a cool phone Double D.

*[As the screen goes black, an errant clod of dirt hits Edd.]*

*SMACK!*

**Edd:** "Ouch!"

---

Back in Lincoln's Room, Lincoln was getting everything ready for his new phone.

*[Lincoln puts a CD on and swats a candle off his bedside table. He places the telephone in the newly vacated spot and looks at it admiringly.]*

**Lincoln:** "Cuts a figure in society, don't it!"

May Came in.

May: Hey, Lincoln. Where did you get that cool phone?

Lincoln: Liam was burying it in the forest. But I can't help but wonder why there is something familiar about it.

Clyde: Yeah I forgot where I've seen it before.

Ed: Is that a new phone?

Edd: Please stay with us Ed.

RING! RING! RING!

Lincoln: Somebody is calling me!

Edd saw that there is no cord connected to it.

Edd: Strange, there doesn't seem to be any connection to it.

Lincoln: Yeah that is strange. But lets see who it is. (Answers) Hello?

Then the CD popped out of the radio and zoomed at Lincoln and then…

SMASH!

It hit Lincoln on his head and shattered and he got a nasty cut.

May: Lincoln!

Lincoln: Ow.

**May:** Are you okay?

Lincoln: Yeah but that hurt. Ed was that you?

**Ed:** "It wasn't me, Lincoln!" *[He hangs the phone up.]* "Honest and for truly!" *[The phone rings.]* "Got it!"

**Lincoln:** Let me see. It might be Twilight Sparkle.

**Edd:** "And I'm Theodore Geisel."

**Lincoln:** *[picking up the phone]* "What's cookin, good lookin?"

BOING!

*[A spring from his bed suddenly shoots up, sending Lincoln flying towards the ceiling. Lincoln falls back down onto the spring, wrapping himself in it.]*

**Ed:** "I know where you're going with this, Lincoln!" *[He climbs into bed.]* "Nighty-night."

May: I think your bed is now shot Lincoln.

Shiv came in.

May: Oh hey Shiv.

Shiv: Hey May. Lincoln needs a new mattress.

Lincoln: Yeah.

Electro: Lincoln, don't you think there's something odd about that phone?

Lincoln: Yeah but I'm having a hard time figuring it out.

May: Maybe Liam might know.

Lincoln: Hmm.

RING! RING!

Edd: Could be more girlfriends to add to your harem Lincoln.

Lincoln took the phone and answered it.

Lincoln: Yello?

Then a rumble came and the door bursted open. A bicycle ice-cream-cart bursts through his door and rebounds off the wall and ceiling, landing on Lincoln.

CRASH!

Lincoln: Ouch.

Ed takes the phone.

Ed: Lincoln's in pain now. He'll have to call you back.

He hung it up.

May: See if there's any ice cream in that cart Ed.

Ed: Roger that.

Ed lifted the cart and it opened and it was full of ice cream.

Ed: Lots of it.

Edd: Oh boy!

**Edd:** *[walking outside after taking the elevator]* "What an unfortunate set of circumstances."

May: Yeah.

Clyde: Ouch.

*[Lincoln runs out and places the phone on his entrance of the World Tree. He then goes back and cowers in a bush.]*

**Lincoln:** "Something's up with this phone!"

*[It rings, and Ed goes to get it.]*

**Ed:** "They're off!"

**Lincoln:** *[holding his friend back]* "Let it ring, Ed! Pretend we're not home!"

*[Ed throws Lincoln at the phone.]*

**Ed:** "It's for you, Lincoln!"

*[Lincoln hits the phone, knocking it off its perch. He stands up and looks around warily, afraid of the next disaster. Fearfully, he picks up the receiver.]*

**Lincoln:** "Hello?"

*[A skunk tail protrudes from a bush beside him.*

SPRAY!

*[Lincoln gets blasted.]*

FOGHORN!

*[The skunk walks away.]*

**Edd:** "Oh look, Ed, a skunk! Did you know in some places it's also known as a polecat?"

Lincoln smelled extremely horrible!

**Ed:** "Who stepped on a duck?"

**Lincoln:** "THIS STUPID PHONE'S CURSED!"

Edd: Cursed? Wait a second. This couldn't be the same phone that hurt Eddy could it?

**Lincoln:** "It could be. But if it is we got problems. Lets test it."

**Edd:** "Test it?"

**Ed:** "Like mustard?"

Yang: I'll help you guys.

Lincoln: Thanks Yang.

---

*[Lincoln, wearing a helmet and behind a blockade, is working a*

*makeshift air-raid siren.]*

**Lincoln:** "Evacuate the area! Man your stations!"

*[Ed, wearing a mattress and helmet and carrying the phone with hockey sticks, sets the phone in the middle of the construction site.]*

**Lincoln:** "Easy, Ed. Easy… stand clear buddy!" *[Ed hustles off.]*

Shiv: Lincoln, I think Goche and Baron Nero might be causing all this stuff.

Lincoln: I don't think so. I don't sense them anywhere. But they are not the ones causing this.

Edd: Lincoln this phone is not cursed.

Clyde: Double D we've seen many things over the years that are beyong all forms of human understanding. We saw everything that revolves around the supernatural, paranormal and more.

Edd: Oh right. I forgot about that.

---

Lincoln: Answer it Ed!

Ed lifted it up and picked up the receiver and popped his head through his arm.

Ed: Hello?

But then…

CLANG!

[A lightpole breaks and falls on Lincoln.]

Lincoln: (In pain) Ow.

Yang: Lincoln!

She lifted the pole off of Lincoln and he was bruised up.

Shiv: Ouch!

**Lincoln:** *[dazed]* "Bad phone… evil… rotten…"

**Ed:** "And itchy."

*[The phone rings.]*

**Lincoln:** "Don't answer it, Ed!"

**Edd:** "Rusty worn nut, Eddy!"

**Ed:** *[answering the call]* "Me again!"

*[Lincoln, fearful, looks up at another light. He pushes Ed in front of him in order to keep the light away. From behind, a giant concrete pipe rolls onto him.]*

---

*[Liam is relaxing in his home when somebody knocks on his door. He opens it, a steaming cup of cocoa in hand.]*

**Liam:** "Hey Lincoln. WHOA MAN! What happened to you!?"

**Lincoln:** "Take back your stupid phone, it's cursed I tell ya!" *[He gives Liam the phone.]*

**Liam:** *[realizing he holds the phone]* "Yiglac! You have resurrected the dispatcher of despair! Let it be on your head!" *[He tosses Lincoln the phone.]*

*[The phone rings.]*

**Shiv:** "Oh, for goodness sake! If this curse is real I got to find out." *[picking up the phone]* "Let's put an end to this once and for all!" *[on the phone]* "Hello, Shiv of the Meta-Breed here."

*[A truck comes along and crushes Eddy.]*

**Lincoln:** "Mommy!"

CRASH!

The Semi-Truck ran him over!

---

Later Lincoln gave the phone to Jonny and he thought it was really cool. We got back to our normal lives. The next morning Lincoln was having breakfast by the lake.

*[A tree falls onto Lincoln]*

SMASH!

**Ed:** "Good morning, tree."

**Lincoln:** *[crawling out] Ow.*

*[Lincoln looks around nervously. Suddenly, a bucket and shovel fall into his hands. He looks up just in time to see a sandbox fall onto him.*

CRASH!

*[The sand follows shortly thereafter. A rumbling is heard.]*

**Lincoln:** "HIPPOS!" *[He is trampled by the rampaging herd.]*

LINCOLN GOT TRAMPLED BY A STAMPEDE OF WILD HIPPOS!

*[Lincoln is struck by lightning.]*

THUNDERCLAP!
ZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

*Lincoln is then crushed by a massive rockslide that appeared out of nowhere.*

*[The cursed phone rings. Jonny picks it up and hands it to Plank.*

BOOM!

*[In the distance, a explosion from a land mine and Lincoln's scream can be heard. Jonny was in the forest and he places the phone on its stand, where it rings again.]*

**Jonny:** "Boy, Plank, you sure are a popular guy!"

**Plank: (Says nothing)**

WOLVES GROWL!

*[Lincoln screams as the wolves maul him.]*

**Lincoln:** "HELP ME!"

Lincoln was brutally massacred by the phone and then he was mauled all over by bears and he screamed in excruciating pain as every bone in his body was broken badly!

Jonny: JEEZ! What was that!?

Jonny came and he had the phone.

Firefly: Where's Eddy when you need him?

Eddy: Someone call?

Lincoln: Eddy you have to help me!

Eddy: Good grief Lincoln! What the heck happened to you!?

Lincoln: It's because of this!

He showed the phone and Eddy recognized it immediately!

Eddy: The Cursed Telephone of Despair!

Lincoln: WHAT!? That cursed phone we destroyed is back!?

Eddy: Lincoln where did you get this!?

Lincoln: Liam was burying it in the forest!

Eddy: But how!? We made sure that phone was destroyed!

Yang: I'll go get J.D. and the others.

Lincoln: (In pain) Okay. Ow.

Yang went to get us.

Robo Blaze: Has anyone seen Eddy since the press conference?

Lori: He took Luan out to the candy store.

Robo-Blaze: Oh.

Yang came in frantic!

Yang: GUYS! Lincoln is hurt REALLY BAD!

Me: Uh oh!

We followed Yang and we got to where Lincoln was badly hurt.

We gasped in shock!

Me: HOLY FUCKING SHIT!

Nico: What happened to him!

Varie and Sakura got to healing him.

Me: GEEZ! Lincoln looks like he got smashed by two planets smashing into each other!

I saw the phone on Jonny's head.

Me: Oh man! That's the Telephone of Despair!

Eddy: That's the phone that almost killed me!

Dark Spicer: That's the phone that almost killed you?!

Eddy: It sure is!

Me: I thought we were rid of this horrible phone after how it thrashed Sailor Mars and how it nearly destroyed Eddy.

Nico: I can't believe that a phone like this can inflict so much pain!

Eli: Yeah that's crazy!

Ets: I've never seen a cursed phone like this.

Varie: This phone is a supernatural nightmare.

Me: Yeah.

Brittney: Lets see here.

Brittney pulled out her book on Supernatural Cursed Artifacts.

Brittney: Hmm lets see. Cursed Hallways, Cursed Computers, Cursed Lanterns, Cursed Telephones..

Brittney looked through the pages to find it and she found a grey picture of the phone we have.

Brittney: Here it is, the Curse of the Telephone of Despair.

Ets: Wow. It looks just like an old antique Swedish Telephone. We haven't used phones like these in over 130 to 140 years.

Vince: That's exactly what I said the last time we saw this.

Lori: So that phone is literally the same phone that has cursed our brother? Talk about creepy.

Laney: Yeah. That is creepy.

Aylene C.: Scary too.

Twilight Sparkle: I've never seen a phone like that or do the damage it caused to Lincoln.

Me: Eddy and Sailor Mars went through this phone too.

Luna: And look dudes. There's some kind of writing under it.

Me: Lets see.

Brittney: Hmm. It's a riddle.

"Telephone of Despair, Hopelessness and Gloom, The first person to answer its call will face their doom.

Because the holder has been bestowed a curse,

The pain and suffering gets worse and worse.

It isn't impossible to break from the Despair of He,

There is a way to set the holder free.

In order to ensure that the curse is lifted alone,

A spoonful of salt must be dumped on the phone.

The curse will lift for the next caller that should,

Unless the phone is put down for good."

Nico: Whoa!

Rolf: Just like what Rolf was doing.

Dark Spicer: (to the Loud sisters) If you girls call Lincoln bad luck because of what's happening right now…

Lynn: We won't Dark.

Lola: Yeah Lynn is not as delusional as her evil self was.

Webstor: (to Lucy) Wait. Didn't something like this happen before during your pre-hero days?

Lucy: Yes it sure did.

Laney: I remember that.

Carol: Me too.

Poromon: Why don't we transfer the curse over to Lola, Lynn, and Lori? It'll teach them a lesson in humility.

We gasped at what Poromon said.

Nico: Poromon are you crazy!?

Me: Yeah there's no way we are using this cursed phone on them. Look what it did to Lincoln. He looks like he went through a wood chiper.

Eli: Or worse!

Blake Belladonna: Yeah that phone nearly ripped him to pieces! I say we destroy that phone for good!

Eli: I agree! Lincoln did nothing to deserve this!

Snake: Dude, are you absolutely sure we can't use the curse to our advantage in the future?

Me: A curse like this is too dangerous. I was originally planning to use this curse on Lila Rossi but after seeing what it did to Lincoln and how it broke practically every bone in his body, those plans were flushed down the toilet.

Nico: Geez! The curse on Lila would have been really therapeutic.

Marinette: It sure would have.

Nico: By the way Eddy what did this phone do to you?

Eddy: I got my head smashed in with my record, my bed spring broke loose and I smashed into the ceiling, then an ice cream cart smashed onto me, I got sprayed by a skunk, a lamppost smashed onto me, crushed by a huge concrete pipe, run over by a semi-truck, crushed by a tree that fell over onto a scam we were doing, hit by a sandbox, trampled by a stampede of hippopotamuses, struck by lightning, smashed by my house, blown up by a land mind and mauled by wolves.

Luan: GEEZ! (Hugs him) Oh Eddy.

Lensay: Poor daddy.

Nico: Whoa man! That's horrible!

Lincoln: Those same things happened to me!

Nico: OUCH!

Lincoln: Except I also got mauled by bears and old bed before I got the bed I got crashed onto me and I also got mauled by bears.

Me: Well one thing is for sure this phone will never hurt Lincoln again. We got to get rid of it.

Sora: First, no one else answer the phone. I'll use a Cure Spell on Lincoln.

Me: Great Sora. And I know just what to do with this phone.

Sora: HEAL!

Sora healed Lincoln and he was as good as new.

Lincoln: Wow! That's Sora.

Sora: You're welcome.

Nico: What are you gonna do with the phone?

Me: Put it in the vault. Bobby I'll need your help with this.

Bobby S.: You got it amigo.

Nico: You okay now, Lincoln?

Lincoln: Much better.

Yang and the girls hugged him.

In the vault we had a compartment ready.

Me: Bobby can you line the walls of this compartment with salt crystals?

Bobby S.: Salt is a crystal?

Me: It sure is. Sodium Chloride or salt in its natural form is a mineral called Halite.

Bobby S.: Wow! I didn't know about that. But sure here goes.

Bobby touched the wall of the compartment and halite crystals grew all around it and I put the phone in and it stopped ringing.

Me: As long as it's surrounded by halite crystals it will never ring.

Nico: That's clever.

Nicole: Very geologically well thought out.

Me: Yep.

I closed the door to the compartment and painted a skull and crossbones with a star of Satan on its forehead on it as a warning that said Do Not Open Under Any Circumstance.

Me: There.

We got to fixing everything that the phone used to nearly destroy Lincoln and we fixed up his room and made it much better. This was one crazy day and I had a very strong suspicion that it was Mr. Mxyzpltk that was behind the resurrection of the Telephone of Despair and that he wanted to make Lincoln suffer the horrible pain of the phone. We later had dinner and went to bed.

Another Fanfiction Complete.

Sorry Wrong Ed was one of the funniest episodes of Ed Edd N Eddy that I have ever seen and it was so funny! It aired on October 15, 2003 and it was so funny! NicoChan11 gave me the ideas for this non-combat chapter. Thanks man. Next up is the 9th chapter for My Little Pony. We're gonna go to Camp Everfree and help Gloriosa Daisy save it from going under because of the human version of Diamond Tiara's dad, Filthy Rich and we're also going to destroy the Spirit of Gaia Everfree that will separate from Gloriosa. We're going to have a lot of fun in this one as well as make it just as fun and funny as any awesome Ed Edd N Eddy, Camp Lazlo and SpongeBob Squarepants episode.

See you all tomorrow.

# Camp Everfree Buttkicking

We were over in the park of Hollywood, California in Los Angeles, California. We were in the Entertainment Capital of The World and home to the biggest and most famous stars in all of Tinseltown. Many famous people starred in many movies. We were walking through the Warner Bros. Studio.

James (Pokemon): So, what's this place called again?

Me: We're going to the Warner Bros Studios to meet Minerva Mink. It's located in Hollywood, the Entertainment Capital of the world.

Nico: And home to the biggest stars in all of Tinseltown.

Eli: Love Hollywood.

Me: Me too. We got to meet Danny from Cats Don't Dance here and that was so awesome!

Ets: Oh I love that movie! That was so awesome how they proved all the people of Hollywood wrong that Animals are just as good as people too.

Me: And it was a movie dedicated to the late Gene Kelly.

Nico: I love his dancing.

Laney: Me too. Love his song Singing In The Rain.

Me: That was one of my dad's favorite songs from the 1960's.

Varie: That was awesome.

Nico: It sure was. And Darla Dimple got her just desserts when she opened her big mouth.

Eric Myers: She sure did.

Lola: What a spoiled brat.

Naruto: You got that right.

Lola: Yeah!

We walked around and we were at the park and near the forest we heard humming.

Shirahoshi: Is that Minerva Mink?

She was sitting on a log reading a book in a very seductive and hot manner.

Me: Oooh hubba hubba that is her all right.

Rachel S.D.: It's an absolutely darn shame that she was removed from Animaniacs.

Lincoln: I know and she is one of my favorites from that show.

Lola: She is beautiful. I can't believe they would throw her off like that.

Me: I know.

Lincoln: I'll talk to her.

Lincoln went up to her.

Lincoln: Excuse me.

Minerva saw him.

Lincoln: Minerva Mink?

Minerva: (Seductively) Ooh the famous Lincoln Loud. It's an honor to meet you pretty little man.

Lincoln was sweating and blushing in an atomic red.

Lincoln: It's a pleasure to meet you too.

Minerva: You are quite the brave hero.

Lincoln: I sure am.

Minerva kissed him and then he sputtered and then launched high into the sky and exploded in a dazzling fireworks show!

He landed and melted into a puddle of slop.

Lincoln: I think I found another member for my harem.

But little did we know that someone was watching us. And it was MCWOLF!

McWolf: Something sure is going on down there with Team Loud Phoenix Storm.

He pulled out Binoculars and he saw Minerva Mink and then he did his trademark Tex Avery reaction.

McWolf: (CATCALL! HOWL! MULTIPLE CATCALLS AS HE WAS SMASHING A TABLE IN THE SHADOWS) Now she is one smoking hot babe! She is perfect for me!

McWolf then swooped in and grabbed McWolf.

Nessa: McWolf.

Me: Wow! Just like in the cartoons when you went after VaVoom and Droopy would always appear after you.

Crankcase: (to McWolf) We don't have a major problem of what you're doing right now since it's funny. As long as you remain loyal to Vypra.

McWolf: I know. But this is what I do all the time in the good old days. I always kidnap the goil and they the hero comes after me.

Minerva: Let me go!

McWolf: Not a chance!

McWolf teleported away.

Lincoln: I'll save you Minerva!

THUNDERCLAP!

Lincoln went Super Angel 25,000,000 and he was ready for electrifying action!

Lincoln: (Divine Electrifying voice) **Follow me guys. I know where he's going.**

Me: Right buddy!

We followed Lincoln.

We went through a portal and we saw that we were in Honey Marsh in Spyro's home planet.

Me: Wow! Look at this place.

Spyro: Wow! I didn't expect McWolf to have a hideout in my world. This is Honey Marsh.

Lana: Wow! The rivers are made of pure honey.

I dipped my finger into the honey and tasted it.

Me: Mmm! This is really good honey.

Nico: Wow!

We heard thunder and we saw REALLY Ominous and ferocious storm clouds over in the distance and lightning was flashing all over them.

Me: Whoa! Those clouds over there look really ferocious.

Spyro: Yeah but the way they flash all over the place like that is really scenic.

Varie: It sure is.

Laney: And it's beautiful. I didn't know that there was a giant lake of honey here on your home planet Spyro.

Spyro: It sure is a nice place though.

Lincoln: **Follow me guys.**

We followed Lincoln and we got to a castle that said Fortress McWolf.

Nico: That is pretty obvious.

Lola: Yea but it's funny.

McWolf saw us.

McWolf: What the!? How did they find me!?

Lincoln: **Let Minerva go McWolf!**

McWolf: You want her!? Then come and get her! (THROWS A SAFE) TAKE THAT! (THROWS A SINK) AND THAT! (THROWS A TABLE) AND THAT!

CRASH! CRASH! SMASH! BLAM! CRASH! BOING! BLAM! CRASH! KRASMASH! CRASH!

McWolf threw a safe, a sink, a table, a piano, a chair, a dumbbell, another chair, a garbage truck, another table and more.

Me: He's throwing everything at us!

Eli: Everything including the kitchen sink.

Me: Yep.

Lincoln: **I'm going in.**

Lincoln went in and just as he went in a 4 ton weight crash landed behind him!

KRACRASH!

McWolf: I'm warning you for the last time Lincoln Loud! Don't come any closer!

Lincoln: **The fury of the thunderstorm will be unleashed upon you bub.**

Lincoln walked up the stairs.

McWolf: Okay you asked for it!

He threw a bunch of bombs at Lincoln and the lightning he had blocked them and threw them away and Lincoln appeared in front of him out of the smoke from the explosions.

Lincoln: **Is that the best you can do?**

McWolf screamed and the ink he had on him melted off and then he took a paintbrush and repainted himself and ran and then he locked himself in a room with Minerva tied up in a chair and he slammed many doors and Lincoln fired a wave of lightning and the doors glowed white hot and melted and Lincoln went in.

Lincoln: **Surprise.**

Lincoln pulled out a 44 Magnum Gun and pulled the trigger and out came a tickly feather duster?

Lincoln: **Coochy coochy coo.**

McWolf laughed as he was tickled all over.

McWolf: (Laughing hysterically) OKAY OKAY OKAY! I GIVE UP!

Lincoln: **Good.**

Lincoln untied her.

Lincoln: **You okay?**

Minerva: My hero.

Lincoln: **That was fun.**

Armada Hoist: (to Minerva) Would you be interested in joining Team Loud Phoenix Storm?

Minerva: I would be honored. (Seductively) Would you like that Linky? (Kisses him)

He has hearts in his eyes and then he has lightning all over him and then…

POOF!

He puffed up like a fluffy marshmallow.

Lincoln: **I am glad.**

We laughed.

McWolf: That was good times!

Me: Just like in the old days of my childhood.

McWolf: It's not the same without Droopy though. But if I take goils you and Lincoln and Clyde like, you'll fill in for him.

Me: You bet we will McWolf.

Lincoln: **That will be awesome!**

Clyde: Yeah! Just like the funny cartoons you know.

Me: We'll have to meet Droopy someday later in the future. He and his son Dripple will be great additions to the team.

Lola: So will Ms. VaVoom! I like her too.

McWolf: Oh yeah! Man good times.

We laughed.

We later went back home.

* * *

We were later getting ready for our next mission. We were gonna see Camp Everfree.

* * *

**Camp Everfree** is a summer camp located in an alternate world of

Equestria. It serves as the setting of the fourth *My Little Pony Equestria Girls* film *Legend of Everfree* and its book adaptations *The Legend of Everfree* and *Legend of Everfree: Save Our Camp!*

### *Equestria Girls: Legend of Everfree*

In *My Little Pony Equestria Girls: Legend of Everfree*, the students of Canterlot High School raise money in order to fund a field trip to Camp Everfree. There, the campers and their principals engage in various camping activities; Sunset Shimmer and her friends, in particular, seek to get away from the numerous magical menaces that had threatened their school over the course of the past year. However, a magic surrounding the camp causes strange phenomena to occur, such as earthquakes. It also causes the magic within Sunset and her friends to change, granting them new magical powers and abilities.

The camp is run by sibling co-directors Gloriosa Daisy and Timber Spruce, and it was founded many years ago by their great-grandparents. At the time of Canterlot High School's trip, businessman Filthy Rich seeks to buy out the land that the camp is built upon, tear the camp down, and build a spa resort in its place. Gloriosa is able to keep the camp running as long as she makes regular monetary payments to Filthy Rich, but she falls behind on her payments, and Filthy gives her until the end of the month before Camp Everfree closes its doors. With the possibility of Canterlot High being Camp Everfree's last campers, Gloriosa resolves to make it the best week of camp ever, and she later resorts to using dangerous Equestrian magic to keep it out of Filthy's hands. With the help of Sunset Shimmer, Twilight Sparkle, and their friends, the campers organize a Crystal Gala fundraiser to save the camp.

Camp Everfree bears the appearance of a typical summer camp, with various extracurricular activities and campfires. One of the camp's traditions, called the "camp gift", is for campers to create something for future campers to appreciate. According to Timber Spruce, the forest surrounding the camp is home to a nature spirit named Gaea Everfree, though it is later revealed that he fabricated the legend himself in order to cover up for his sister's use of magic.

### Equestria Girls: Dance Magic

Camp Everfree is mentioned throughout *Dance Magic*, as the Equestria Girls come up with ideas to raise money for reparations to it. They eventually succeed by winning the "Chance to Prance" music video contest.

Equestria Girls: Movie Magic

In *Movie Magic*, Camp Everfree is mentioned twice by film director and camp alumnus Canter Zoom, who thanks the Equestria Girls for saving both the camp and the production of his film.

Equestria Girls: Summertime Shorts

The short Mad Twience features photos of the Equestria Girls and of Timber Spruce taken at Camp Everfree.

Equestria Girls: Better Together

In Turf War, Timber Spruce mentions that his time at Camp Everfree taught him to trust in himself and be confident.

Equestria Girls: Forgotten Friendship

In *Forgotten Friendship*, Camp Everfree appears in flashbacks of the events of *Legend of Everfree* during We've Come So Far.

Spoiled Rich: So, we're going to the same camp the human version of my husband tried to tear down?

Twilight Sparkle: Yep we sure are.

Sunset Shimmer: It will be so awesome to see Camp Everfree again.

Me: I've never been to this camp girls. I also heard that's where you fought Gloriosa as Gaea Everfree.

Sunset Shimmer: That's right.

Eli: And I heard it's where you guys got your crystal guardian

powers.

Rarity: It is most amazing.

Fluttershy: It sure is.

Applejack: And it's where we discovered that we had amazing powers.

Me: Where you were seeing that Equestrian Magic was all over the camp.

Pinkie Pie: Yep. And it was really amazing!

Starlight Glimmer: Wow! That must've been an amazing adventure.

Twilight Sparkle: It sure was Starlight. You will love Camp Everfree.

Trixie: There's so much fun things to do there.

Me: I can't wait to see what it's like.

Lazlo: This camp sounds really fun.

Nico: It sure sounds like it.

Roxy Rocket, Bane, Abomination, Tala, Webstor, Trombipulor, Pete, and Enchantress then appeared.

Roxy Rocket: Can me, Bane, Abomination, Tala, Webstor, Trombipulor, Pete, and Enchantress go with you guys?

Me: You all sure can. We're going to see Camp Everfree where Gloriosa Daisy is.

Webstor: That's gonna be interesting.

Pete: This brings back memories of my days in Summer Camp. Oh it was years ago.

Goofy: We went to summer camp together and it was so much fun. Ahyuck!

Me: Wow! I didn't know you two went to summer camp together.

Pete: It was years ago but it was the funnest times we've ever had.

Shaggy: Like yeah and I was a camp counselor too.

Scooby Doo: Me roo.

Me: Wow! I remember that Shaggy and that's where we met the Toxic Terror.

Shaggy: Yeah that was crazy.

Scooby Doo: But it was a run mystery.

Me: It sure was. Lets head out everyone!

We were off to Camp Everfree.

We were flying over the forests of the Rocky Mountains.

Wallflower: I think this is my first time at this camp.

Me: We've been to many camps all over. We went to Camp Kidney, Acorn Flats and even Camp Jellyjam.

Nico: Oh yeah! Camp Jellyjam was scary but cool.

Twilight Sparkle: Wasn't that the one where you all met that blob of ooze that was eating all the kids in the Goosebumps books?

Nico: That's the very one. That was one of our most action packed adventures dealing with one of the most barbaric monsters ever.

Wendy (Goosebumps): Yeah. I was one of the campers of Camp Jellyjam. Here's what happened back then.

Wendy told them what happened during the events of chapter 821 and it was horrifying. When she was done they were shocked.

Twilight Sparkle: That's horrible!

Fluttershy: Goodness!

Me: And we also met the Dino Thunder Rangers before we went to Jellyjam.

Connor McKnight: I remember that. That was so cool!

Me: Yeah it was! And it was awesome that we now get to take down many of your enemies too. But what would really be satisfying is if we destroy Mesogog forever.

Nico: Yeah but we'll wait on that.

Laney: Yeah.

Pete: (to Goofy) Yep. This is definitely like the good old days.

Goofy: Yep. You said it.

Nico: This camp must be as good as you all say it is. And I have a feeling that Filthy Rich's human version will come back to the camp to try and do it again.

Me: If he does we'll be ready for him. I have a plan.

Nico: We'll have to see it later.

Me: Yep. But we'll put the camp under our protection and endorse it and the Rainbooms can do so too.

Rainbow Dash: Awesome!

Twilight Sparkle: We would like that J.D.

Me: Awesome.

Granny Smith: Here we are guys!

We arrived at Camp Everfree.

Me: Wow!

Twilight Sparkle: Welcome to Camp Everfree everyone.

Lola: Wow!

Dirt Boss: How long has it been since you girls have last been here?

Sunset Shimmer: I don't really know.

Twilight Sparkle: I think it was 2 years ago.

Applejack: But it will be great to see Timber Spruce again.

Me: Who is Timber Spruce?

Applejack: He's Gloriosa's brother. You would like him.

Me: He would make a great addition to the Knights of The Friendship Table.

Fluttershy: Good idea.

Gloriosa was watching the campers and seeing them having fun when she saw us.

Gloriosa: Hey guys!

Twilight Sparkle: Gloriosa!

They hugged.

Gloriosa: This is quite a surprise!

Me: Good to see you here Gloriosa. Wow. This camp is awesome.

Gloriosa: It sure is.

Timber Spruce came.

Timber Spruce: What's going… (Sees us) Wow! Team Loud Phoenix Storm it's an honor to meet you all.

Me: You too. You must be Timber Spruce. We heard so much about you and Applejack told us about you too.

Timber Spruce: I can tell and Twilight, Applejack, everyone it's great to see you all again.

Applejack: Same to you Timber.

Twilight Sparkle: How have you been?

Timber Spruce: Really good thanks.

Me: Awesome!

Timber Spruce: (Sees the Masters of Evil) You all must be the Masters of Evil.

Pete: That's right.

Webstor: (to Timber Spruce) Gloriosa has been a really good fighter whenever there's a usual battle with Stinky Butt.

Timber Spruce: I heard all about that. That is so awesome!

Me: And I'm amazed how she handles his foul reeking stench.

Crag: Stinky Butt was one of our enemies before he joined the Masters of Evil as Loki's frenemy.

Chunk: Yeah and he was a tough guy.

Me: He sure is.

Timber Spruce: Wow! I'm proud of my sister for helping you all out.

Me: We are proud of her too.

Timber Spruce: I heard she helped you all in a terrible war.

Me: Oh yeah. That was one of our most epic adventures we've ever had. The fate of the universe hung in the balance and we couldn't let everything be destroyed.

Eli: Yeah. It was an epic battle.

Timber Spruce: Wow!

Sunny Flare: Gaea Everfree wasn't part of the war though. She was killed in the Ridonculous Race.

Me: Yep. And I have a feeling that she will be back.

Gloriosa Daisy: Oh no.

Me: Don't worry Gloriosa. If we can destroy 26 of the most dangerous enemies that Equestria has ever seen then we can do the same to Gaea Everfree.

Gloriosa: Thanks guys.

Nico: You're welcome.

?: Well look who is here.

We turned and we saw the HUMAN VERSION OF FILTHY RICH!

Me: (Whispers to Nico) That's the human version of Filthy Rich all right. Who does he remind you of?

Nico: (Whispers to me) A certain capitalistic monster whose name starts with a T and ends in a P.

Me: Yep. A merciless racist fuckmonger.

Gantu: (to EG Filthy Rich) Can we help you?

EG Filthy Rich: The famous Team Loud Phoenix Storm. An honor to meet you. But I didn't come for pleasantries. I came to talk to Gloriosa about buying this camp.

Gloriosa: I already told you it's not for sale!

EG Filthy Rich: I am buying this camp whether you want me to or not!

Me: The nice lady said she is not interested! Also you're not gonna be getting this camp for one single red penny. Because as of right now this whole camp is hereby placed into the protection of Team Loud Phoenix Storm!

The campers cheered.

Me: You're welcome everyone!

Abomination walks up to EG Filthy Rich.

Abomination: You're not getting this camp. But here's what you WILL be getting. A knuckle sandwich if you don't back the fuck off!

EG Filthy Rich saw Abomination and he was turned into THE TOXIC TERROR!

He roared ferociously!

Filthy Rich screamed in fright as his hair stood up in fear!

Filthy Rich ran.

EG Filthy Rich: YOU HAVEN'T SEEN THE LAST OF ME!

Me: What a capitalistic freak! No offense to your version of your father Diamond Tiara.

Diamond Tiara: None taken J.D. but yeah that version of daddy is not my father.

Nico: Yeah I like the pony version of your father better.

Granny Smith: He's much nicer than this version.

Laney: By the way how did you turn Abomination into the Toxic Terror?

Me: That's easy. I had Yakumo here put a genjutsu on Abomination and made it look like he was the Toxic Terror.

Yakumo. J.D. came up with the plan for scaring him away,

Gloriosa: That is genius!

Me: Thanks Gloriosa.

Nico: Nicely done.

Me: Yep.

Air Man: Is there any food in this camp? I'm getting hungry.

Gloriosa: There is but we are running low on food.

Me: I think I can fix that for you.

I fired beams of pink energy and turned a bunch of flowers into Ulti-Meatum Burger trees, pizza bushes, meat bushes, and many kinds of fruit trees and bushes and food bushes and trees.

Me: Ta-da!

Gloriosa: Wow! That was amazing! J.D. how did you do that?

Me: We learned how to utilize the powers of the imagination.

Right Suzuki: That's right.

Me: Oh right. We also have tons of new members. These are the Japanese ToQger Power Rangers. And we also have the LupinRangers and PatRangers.

Kairi Yano: Pleasure to meet you.

Keiichiro: Same here.

Right Suzuki: It's an honor.

Gloriosa: Same here. Wow!

We got to eating food for lunch and we were hungry.

Muscle Man was eating some of the camp's food.

Muscle Man: Hey, guys. You know who else love eating food at camp? My Mom!

We laughed at his joke.

Nico: Good one!

Gloriosa Daisy: (Laughs) That was a good one!

Nico: Yeah!

Trombipulor: (to Gloriosa) At least we know you've been spending time here when not on mission and the usual battles.

Gloriosa: Yeah this camp has been in my family for a long time.

Me: Wow! I can see that. It's a really good job for you.

Gloriosa: It sure is.

Me: Summer camp is much more fun than Winter Camp.

Mandy: Yeah winter camp is a total nightmare.

Nico: Isn't that how you also met Nergal Jr.?

Mandy: It sure is.

Me: I don't think we ever met Nergal's son.

Billy: Yeah my cousin is really cool.

Me: I bet he has the same kinds of powers his father has.

Billy: He sure does.

Mandy: And he can shapeshift.

Me: Whoa! That's neat.

Laney: Yeah it sure is.

Joey: (British Accent) It most sure is.

Me: Yeah.

Vince: It would be really cool to have him on the team.

Billy: Yeyeyeyeyeyeyeyeyeyeyeyeah! I would like that.

Bane: (Spanish Accent) I don't think this is the last we'll see of this version of Filthy Rich.

Me: I agree. But we'll be ready for him when the time comes.

Besides he can't do anything to this camp now that it's under our protection. Also we'll gladly endorse this camp.

Rainbow Dash: And so will the Rainbooms. We saved this camp from Filthy Rich the last time and we'll gladly endorse it.

Gloriosa: You would do that for me?

Me: We sure would. You are our friend and a great team mate Gloriosa and we always are there for our friends.

Gloriosa: Thank you guys.

Me: You're welcome

Motormaster: Me and the rest of the Stunticons will keep an eye out for Filthy Rich's car.

Gloriosa: Awesome!

Me: After we're done with lunch can you show us around the camp?

Gloriosa: Sure thing.

Me: Awesome.

Lazlo: I have a feeling this camp is gonna be just as good as Camp Kidney.

Raj: (Indian Accent) I like camp no matter where you are.

Clam: Camp fun!

Nico: Better than what it was like with Lumpus.

Enchantress: I'll put a spell around the camp. That way, if Filthy Rich tries to mess with this camp, he's gonna get punished big time!

Me: That's a great idea June. Good thinking.

Enchantress: Thank you.

We were finished with our lunch and we were shown around the camp. We saw the mess hall, the tents, archery grounds, sports grounds and more.

Lynn: I like the sports grounds. It brings back memories of my days at camp.

Nico: It sure does and it brings back memories of my days at Summer Camp.

Lori: Yeah.

Lynn Sr.: Boy everything here brings back memories of my days at Summer Camp.

Me: I didn't know you went to Summer Camp too Mr. Lynn.

Lynn Sr.: Oh yeah! It was when I was with my dad and we went to Camp Mastodon.

Me: Cool! You guys must have had a lot of fun.

Lynn Sr.: We sure did.

Eli: That's cool.

Ets: It sure is.

Emma (ELGVTWD): Yeah it sure is.

Cybertron Menasor: (Irish Accent) Lads, we need to stay alert. Filthy Rich and Gaea Everfree could show up at every moment.

Maria: (smirks) We should have Rolf beat up Filthy Rich if he comes here again.

Me: Nice!

Rolf flexed his muscles!

Rolf: Rolf is ready for them!

Ed: Party at Rolf's house!

Eddy: Shut up Ed!

Then I felt an incredible energy signal!

Me: WHOA! Do you guys feel that?

Nico: Yeah I sense it.

Eli: Whatever has that enormous energy is evil.

Ets: Is that it on the lake?

We saw a skeleton with green flames and it was really familiar.

Me: (Gasp) Oh no! Not him!

The figure came closer and it was THE LICH!

**The Lich**, also known as the **Lich King**, is the main antagonist of the cartoon series *Adventure Time* . He appears as the main antagonist of Seasons 2, 4, 6, and the Season 5 premiere arc, the final antagonist of *Adventure Time: Distant Lands*, and the overarching antagonist of every other season. He is an ancient undead entity who constantly attempts to bring extinction to all life in the multiverse, as well as the arch-nemesis of Finn the Human.

He was voiced by Ron Perlman, who also played Slade in *Teen Titans*, Xibalba in *The Book of Life*, Bular in *Trollhunters*, the High Mage in the 2003 *Teenage Mutant Ninja Turtles* cartoon series, Warhok in *Kim Possible*, Stabbington Brothers in *Tangled*, Dieter Reinhardt in *Blade II*, and Drekk in *Men In Black: The Series* .

Background

Not much is known about the origins of the Lich, but it is hinted that he was created by GOLB's breath and sent to Earth as a Catalyst Comet, to destroy all life for him. According to the Lich himself, he was one of the monsters created before time existed, which means that he is older than existence itself.

Early on, the Lich (or Lich King) had a plan to suck all life from the Land of Ooo. Using the stolen power, he planed to destroy all life, but he was attacked by the hero Billy. He was trapped in a prison of amber in the heart of the Candy Kingdom after Billy personally pounded him into it.

## Escape from the imprisonment and First Defeat

One day, in the Candy Kingdom, Princess Bubblegum, the ruler of the Candy Kingdom, Finn the Human Boy, and Jake the Dog were thinking hard. While Finn and Jake were dreaming about regular day dreams, Princess Bubblegum saw a hellish scene where a threatening black shadow stands in front of a backdrop of flames. Fearing that the amber prison was weakening, she takes Finn and Jake with herself to the prison. They wear protective gems first so they do not fall prey to the Lich's mind-controlling voice, which was still a problem even though the Lich himself wasn't.

While they were up there, the Waving Snail (an Easter Egg which appears in every episode) comes out of Finn's backpack. Since the Snail was not wearing a gem, its eyes go big, hollow, and black with a strange glow coming from them. Slowly, Waving Snail moved to the sphere of amber. The Snail breaks the prison and an oily liquid comes out and forms the Lich, which turns into a black vapor and runs away, leaving behind a black trail of death.

Princess Bubblegum gives Finn the Gauntlet of Billy, which defeated the Lich the first time, and they start to chase the Lich. But Ice King comes in and pesters Finn and Jake for permission to marry Princess Bubblegum. Finn and Jake shut him out and run along where they come close to hit the Lich with a power beam from the Gauntlet several times but Ice King gets in the way.

Annoyed, Ice King decides to kidnap Princess Bubblegum instead. Just as the Lich is about to be blasted, Ice King comes in with the captive princess. This allows the Lich to escape to his Lair to regain his power via the Well of Power.

Following the Lich into the Lair, Finn and Jake are met by dead human skeletons which attack them, but are destroyed by the Gauntlet. Going down even farther, they look through a collapsed ceiling the Lich standing over the Well of Power (a radioactive pit of broiling green liquid). The Lich thrusts his hands into the Well and soaks up the power making pale green smoke come from the Lich's eye sockets.

Finn then fires a beam down at the Lich and Jake uses his stretching powers to make wings that glide Finn towards him. Before Finn could deliver another blast, the Lich grabs Finn by the Gauntlet and brings him up to his huge skull face. The Lich brings up a finger to its mouth and says *shhhhh* . The Gauntlet then explodes in thousand of pieces leaving Finn`s hand singed and then the Lich throws Finn to the other side of the room.

Ice King and Princess Bubblegum come in, see the Lich and freak out. Jake then goes up to the Lich carrying Finn on his back and barks at him. The Lich then simply creates a ball of burning green fire that hits Jake in the face, sending him teetering backwards. Finn hits the floor and shatters his protective gem and his world goes dark. The Lich tries to make Finn walk into the Well of Power, but Finn fights the heavy voice of the Lich King. He goes back into his world and Finn brings out the sweater that Princess Bubblegum had made him and uses that as his weapon.

Finn pulls the sweater in one eye socket and then out the other and starts to pull. Surprised, he staggers but then regains balance and laughs at Finn. The hero breaks the Lich's skull and he turns to dust, sending him to the floor.

Jake then helps Finn up and the Ice King frees Princess Bubblegum. With that the ice wizard drops Princess Bubblegum into the broiling Well of Power.

Later what remains of Princess Bubblegum is brought to a hospital where she is revived. But she seems *strange* . In her room she tells Finn to bring her some things. At that moment Jake comes in with Peppermint Butler but when Peppermint Butler sees Bubblegum talking to Finn, he goes on four legs and hisses at the Princess and scampers off.

When Finn leaves to get the 'things' for the Princess Jake tries to sing her a song but she is angered by this and twitches followed by yelling at Jake in an angry babble. Jake again tries to play a song and she put her hand into the large amount of picked flowers brought to her by Finn and Jake and they all wilt and die. Again Jake tries to sing and Bubblegum and her bed fly into the air and all of flowers are consumed by a fire that has the faces of a thousand of tortured spirits.

Jake runs out and tries to warn Finn that something is wrong and tries to prevent him from giving Bubblegum the 'things' she wanted. These things where bleach, gasoline, etc. but before Jake could finish Bubblegum takes all of the things from Finn. They enter her room and find Princess drinking the mixture of the toxic things that Finn had gotten.

Mutated Princess Bubblegum grown into a huge black demon which punches Finn and Jake through a wall and hurtle them beside the Ice King who was listening through the wall with a cup. The Princess grows even bigger until she break through the ceiling sending out chunks that almost kill several candy citizens.

While in the mutated demon body, the Lich runs to the gates of the Candy Kingdom and is fought by a giant Gumball Guardian who is easily smashed to bits. Finn and Jake go out to fight her but Finn is punched taking out some of his teeth he is sent back to the tower where he came from; Jake is then caught by the Lich and is strangled.

Finn and Ice King work together and Finn stalls the demon while Ice King freezes it and the plan works. But then Bubblegum's foot was frozen at a wrong angle and the ice covered Princess fell over and broke into shards.

A close up shot at the end of "Mortal Recoil" shows Waving Snail on a window ledge waving forcibly. Its eyes were sunken and dark and filled with a green deadlight which showed that it was a host body for the Lich King who was angry and looking for revenge on Finn. It is likely that since he is a lich, he would have a Phylactery, which would house his soul.

The Snail is used by the Lich in "Mortal Folly" to free the Lich from his amber prison. The Lich does so by taking control of Snail's mind and making him/her/it break open the prison. After the events of "Mortal Recoil", the Lich returns to the Snail's body. As of season 3, the Snail has continued to appear in every episode, now in possessed form. In "Following In Your Footsteps" the bear gives the possessed snail the hero's Enchiridon. In "The Lich," the Lich ends up changing bodies moving to that of the deceased Billy. After this, the snail no longer shows any further sign of possession as revealed in "Up a Tree."

## The Time Room incident

The Lich possesses Billy in most of the episode "The Lich," and tricks Finn and jake into gathering the gems of power needed to activate the Enciridion. The events surrounding how the Lich assumed Billy's identity remained ambiguous until the Season 5 season premiere where it was shockingly revealed by Prismo that the Lich was in fact wearing Billy's dead body as a macabre disguise the entire time when he refers to the Lich as, "a ghost wearing a dead guy".

Finn used his wish to wish that the Lich never existed. This however triggered a series of events that ended with Farmworld Jake coming in contact with the pool of green goo created by the Mushroom Bomb, mutating into a Lich/Dog hybrid and attacking Finn.

After seeing how horrible life was with the Lich never existing, Jake tries to save the day with his wish. Prismo tries to help him with the perfect wish and Jake ends up wishing to change the Lich's wish to sending him and Finn home. Jake and Finn go back in time and sees the Lich get ready to wish for the end of all life on Ooo. However, thanks to Jake's wish, the Lich ends up wishing for Finn and Jake to go home safely. Realizing what he said, a now surprised Lich tries to change his wish but it was too late and Finn and Jake go back to Ooo, with the Lich now stuck in the Time Room, his wish wasted. Finn is concerned with the Lich's wish but Jake assures him that everything is now fine.

## The Citadel and Third Defeat

Some time after the events of Billy and the Time Room, Finn learns of a place called The Citadel, where his father has been imprisoned.

The Lich is currently in a *standstill,* with no one to kill and lying lifeless in the Time Room. Finn tries to get the the Citadel by taking Prismo's human body, in which killing him will commit a cosmic crime and take Finn and Jake to the Citadel. However, with a new presence in the room, the Lich springs to life and knocks Finn and Jake aside, killing Prismo and destroying his human body. A portal opens and the Lich laughs, before being crystallized and drawn into the portal.

Finn and Jake grab on to the Lich's crystallized form, and it is drawn to a sphere in the middle of the Citadel alongside countless other villainous creatures. As Finn and Jake search for Finn's dad, the Lich's breath corrupts the crystal and releases a noxious gas throughout the citadel, lighting a black fire and melting the crystals imprisoning the creatures within. After Finn and Jake reunite with his father (who does not recognize Finn) the Lich appears in the water and the crystal containing him explodes, reducing him to a skeleton.

The Lich, as a skeleton, knocks out Jake and Finn, and slowly walks towards them. He proclaims that he will use the Citadel's denizens as an army and extinguish all light and life. He reaches out his hand to Finn to kill him, but Finn sprays the Lich's hand with a Guardian's blood, causing flesh to grow on the Lich. In pain, the Lich starts uttering nonsense, and Finn, realizing this weakness, sprays Lich with the blood, causing him to grotesquely mutate and collapse. When Finn returns to Jake after failing to reach his father, Jake reveals the Lich reborn as a human child, and it is though that his mind is rebooted. At the end of the episode, "Baby Lich" says a proud "Hello!"

## An Evil Lurking Within

However even turning into a baby wasn't the last we have seen of the Lich In the episode "Gold Stars" his human child form, Sweet Pig-Trunks (Sweet P) has a nightmare about his past life as the Lich as he appeared in "Mortal Folly" laughing and destroying everything. It can be implied that he has frequent nightmares. When the King of Ooo and Toronto threaten to burn down the orchard, the Lich regains control over Sweet P and almost kills them. With this said, it is revealed the Lich is still alive, but just trapped inside Sweet P's subconscious and awakens when he sees fires, or is threatened.

## Farmworld Lich and the Lich's Hand

In "Crossover" since the emergence of the Lich possessed Jake in Farmworld he has been working to open a portal to the multiverse with Farmworld Finn with the ice crown at his side. They use the Enchiridion from Farmworld to collect gems and activate it using Bobby (Farmworld Billy). The real Finn and Jake then arrive to stop him by orders from Prismo. They fight off the Lich but end up with Finn getting frozen and Jake getting captured. When Farmworld Finn opens the portal he is excited to live everywhere, but is brought down by the Lich when he says that in every dimension Finn and his parents would die. The Lich is about to kill Jake when frozen Finn's grass hand grows out a vine and cuts the Lich's hand off freeing Jake. Jake then tosses the hand into the portal and it arrives in Ooo. The Lich is then destroyed by Finn and Farmworld Finn using the maid. Saving Farmworld and freeing Farmworld Jake from the Lich's control.

In "Whispers" the Lich hand from Farmworld still contains a portion of the Lich's spirit and has been chasing after Sweet P to change him back into another Lich. It is revealed that the Hand contains the same consciousness as the original Lich, and can speak like the Lich. Finn chases the hand to the Lich's pit where it tries to throw Finn into it. Sweet P then arrives to help Finn but then the hand tries to convince Sweet P to join him but Sweet P refuses and kills the hand with Finn's sword.

## The Lich's status after the finale

Although the Lich himself did not appear during GOLB's arrival, it is certain that his spirit still exists within Sweet P. One thousand years after the events of the show, Sweet P is shown as an adult hero wandering the Land of Ooo, so it can be assumed that the Lich's spirit is still dormant. Nevertheless, as Sweet P is depicted as having become a hero like Finn and Billy, it's highly likely that the Lich's control over him is possibly gone or is at least controlled.

When the Lich's hand fell into the portal to the Multiverse, it separated into all dimensions as seen by Jake. The Multiverse is an infinite number of dimensions, so the hand itself has become infinite, which means that the Lich, in fact, has reached eternal existence.

What may have become of these multiplied hands, however, is up to speculate, and it's unknown whether the Lich can reconstitute from these hands or not.

*Adventure Time Comics*

The Lich returns again as the main villain in the first 3 issues. In the first issue, it escapes the Waving Snail by journeying into The Bag of Holding, an ancient artifact capable of sucking up the entire world. The Waving Snail returns to its original form and the Lich to its skeletal form seen in "Mortal Folly". The Lich seeks revenge on Finn and Jake and the Land of Ooo by sucking people in the magical Bag of Holding, which contains mostly sand and Desert Princess, a sand-controlling fusion of various Candy People sucked into the bag on a previous occasion. The Lich's goal was to suck all of Ooo into the bag and throw it into the sun, but Finn and Jake, with the help of Desert Princess, Princess Bubblegum, Marceline, Lumpy Space Princess and an army of Finn and Jake clones made from ice and desert sand, tear a hole in the bag and assault the Lich with physical blows and "battle burn" insults until the bag is destroyed and the Lich is hurled into the sun. The sand from the bag is later used by Desert Princess to fill in the hole in the planet made from the Mushroom War.

As stated above, this story is not canon to the TV series' continuity.

Finn (Adventure Time): It's the Lich!

Jake the Dog: I thought he was destroyed!

Me: He is obviously back for revenge!

The Lich came and he saw us.

The Lich: You are strong J.D. I'm impressed you managed to defeat me the last time.

Me: And this time you will be destroyed forever.

The Lich: There is only darkness for you, and only death for you and your people. I will command a great and terrible army. We will sail to a billion worlds. We will sail until every light has been extinguished. You are strong, child, but I am beyond strength. I am the End.

Me: I am Alpha and Omega, the Beginning and the End. The Beginning of all life and the End of all Evil.

Tom: (thinking of Tiaane) A friend once told us these words.

Kaz: Every end's a beginning.

Sarah: Every beginning's an end.

Peyton: And dude, your end's beginning right now!

Me: That's right!

But then I saw right into the Lich's eyes and there I saw a horrible revelation! It was all because of the Lich that most of the entire human race was completely destroyed! It was because of him that the Holocaustic Event called the Great Mushroom War happened. He possessed a man and launched an all out Nuclear War that destroyed much of the entire human race and forever changed the planet and resulted in 15% of the entire planet being completely blown to space dust! It was all because of him that he was going to destroy everything and kill everyone! It was all because of the Lich that he killed most of the human race and destroyed much of the planet in a terrible Nuclear Holocaust that wiped out 99.99999999% of the human race and left Finn as the only one left!

Me: I can see it now! (GROWLS) YOU!

I clenched my fist so tight and blood poured out between my fingers.

Me: You destroyed the entire human race in Finn's world! You are the one that started the Great Mushroom War and annihilated the entire human race but Finn!

The ground then started shaking violently as my rainbow aura swirled around me!

Me: I will avenge every single person you killed! ALL OF THEM!

Then my power exploded out and my rainbow aura exploded out in a massive vortex of rainbow fire and energy that went incredibly high into the sky!

Nico: WHOA!

Eli: WHAT POWER!

Ets: UNBELIEVABLE!

Emma (ELGVTWD): WHOA THAT IS POWERFUL!

Twilight Sparkle: What is happening to him?

Sunset Shimmer: Something got to J.D.!

EG Filthy Rich came.

Rolf: (to EG Filthy Rich) You have broken the celery stalk on the back of a sea urchin!

Tsukasa: Um… what did Rolf just say?

Varie: He is REALLY pissed!

Rolf then thrashed EG Filthy Rich into pulp!

Suddenly the vortex of rainbow fire faded and in the center of a ring of rainbow fire, I was forever changed!

(IMPERATRIX MUNDI BY JO BLANKENBURG PLAYS AT 1:35)

My hair was now rainbow color and my clothes were all made entirely out of pure rainbow fire and the elemental forces of nature were swirling around my hands and I had the 10 tails of the 10-Tailed Wolf and my wings were now made entirely out of pure rainbow fire and my sword now had rainbow fire around the blade. My aura had the elemental forces of nature all swirling around me with incredible power. I was now a SUPER ANGEL-EBONWU-PHOENIX-HARMONY 10,000,000,000 RAINBOW FRIENDSHIP HARMONY PHOENIX!

Nico: WHOA! Look at J.D.!

Varie: Wow! J.D. you look incredible!

Eli: Wow! His power is completely unreal!

Ets: WHOA!

Rachel S.D.: WOW!

Nico: J.D. how do you feel?

Me: (Divine Echoing Elemental Voice) **I'm more powerful than ever Nico. I feel amazing.**

Eli: Wow!

Naruto: Bro you look incredible! It's like you've become a whole new different person.

Me: **I know bro.**

Then I sensed a surge in darkness and I saw that it was coming from Gloriosa and a blob of darkness separated from her and it formed into GAEA EVERFREE!

---

Gloriosa Daisy appears in the film as the cheerful director of Camp Everfree alongside her brother Timber Spruce. She promises the Canterlot High School campers a full week of fun activities, including ones never before offered by the camp. Despite her excitable behavior toward the campers, she shows slight animosity and disagreement toward her brother in silence.

Throughout the film, Gloriosa shows much devotion to the camp and its campers, trying to provide anything they might need at any given moment. However, she exhibits strange behavior that Sunset Shimmer notices, including tension with local businessman Filthy Rich, sneaking around the camp forest at night, and heated arguments with her brother. Sunset initially comes to the conclusion that Gloriosa and Timber are arguing because of Timber's desire to sell Camp Everfree. However, when Sunset's changing magic grants her the ability to see Gloriosa's memories, it is revealed that Gloriosa is under a considerable amount of stress trying to keep the camp from being bought out by Filthy Rich.

With Camp Everfree in danger of closing, Gloriosa despairs until she discovers a set of magical geodes in the nearby crystal cave; taking possession of five of the geodes grants Gloriosa magical plant-controlling powers. She uses these powers to try and save the camp, but she inadvertently causes several incidents around the campgrounds. This especially puts her at odds with Timber Spruce, who perceives the geodes' power as too dangerous and fabricates the legend of Gaea Everfree to cover for his sister's actions.

Even after being found out by Sunset Shimmer and Twilight Sparkle, Gloriosa remains determined to save her camp, and she uses the power of the two remaining geodes to transform and become stronger. She then uses her magic to enclose the entire camp in a giant dome of brambles, promising to protect the campers and everything she holds dear. When she is unable to be reasoned with, Twilight and her friends use their own magic to destroy her brambles and defeat her.

Upon being returned to normal, Gloriosa reconciles with her brother and apologizes to the campers for her misguided actions. With the help of Twilight and her friends' Crystal Gala fundraiser, she is able to keep Camp Everfree from closing. After the Rainbooms perform Legend You Were Meant To Be, she interrupts an intimate moment between Twilight and Timber to introduce Timber to some new camp donors who were friends with their parents.

---

Gaea Everfree: I am back!

Nico: WHOA! Gaea Everfree!

Tala: (to Gaea Everfree) Look, you really have no reason to want to kill us. Rolf is clearly keeping Filthy Rich from tearing down this camp. Not to mention that it's under our protection.

May: You're welcome by the way.

Unknown to Gaea Everfree, Eddy was sneaking up behind her. He quietly took out his blaster and aimed it at the back of her head.

Eddy fired it and it hit Gaea and blew her head off.

Nico: Nice shot!

Gaea's head regenerated!

Eddy: Oh crap!

Selene, Kangor, Speed Demon, Vulkanus, Shiva, Whirlwind, the Box Ghost, Dr. Polaris, The Gentleman Ghost, The U-Foes and the Wrecking Crew then appeared.

Me: **Selene, Kangor, Speed Demon, Vulkanus, Shiva, Whirlwind, the Box Ghost, Dr. Polaris, The Gentleman Ghost, The U-Foes and the Wrecking Crew.**

Vector: Whoa! J.D. is that really you?

X-Ray: You look incredible!

Vapor: How did you get this new transformation?

Me: **I saw a terrible revelation involving the Lich here.**

Shiva: WHOA MAN! Is that the Lich we were told about from The Ice King?

Me: **The very same one.**

I went over everything he did and they gasped in shock and horror! So did us. We all were horrified!

Vulkanus: Oh man! That's horrible!

Speed Demon: J.D. now has a very good reason for wanting to destroy the Lich.

Dr. Polaris: Yeah!

Nico: Whoa man! The Lich is the one that caused the world and most of the entire human race in Finn's world to be completely destroyed!?

Varie: That's horrible!

Vince: I can't believe that he lead Finn to being the last human left!

Flame Princess: Oh Finny. I'm sorry.

Finn: It's all right F.P.

Me: **And I'm going to make sure that I get justice for every single life this monster snuffed out!**

Bane: Show no mercy to this monster J.D.

Me: **With pleasure.**

Shiva: By the way, Gloriosa, this is a really nice camp.

Gloriosa: Thank you.

Selene: (sees Rolf beating up EG Filthy Rich) Sounds like Rolf is having the time of his life.

Dr. Polaris: He sure is.

Speed Demon: Considering that the Lich is here, I'm surprised you haven't killed Gaea Everfree already.

Eddy: I tried, dude. I really did.

Selene: And you did your best Eddy.

Me: **This is gonna get ugly really fast.**

Vulkanus: It sure looks like it. We also have new recruits.

3 figures came out and they were DR. ABEL CUVIER, THE GHOST OF KING RAMSES AND PUPPETMON!

---

## King Ramses

**King Ramses** is the ghost of an ancient Egyptian Pharaoh and the main antagonist of the episode "King Ramses' Curse" of *Courage the Cowardly Dog* . He brings about three plagues on the Bagge family in order to retrieve an ancient slab that was stolen from his tomb. Eustace, realizing that the stone tablet is worth a huge amount of cash, refuses to give it back despite being plagued by the mummy's curse.

He was voiced by the series' creator John R. Dilworth.

King Ramses is the mummy of an Egyptian pharaoh whose soul is disturbed when a stone tablet is looted from his tomb. He first confronts the two greedy grave robbers who hid the slab next to the Bagges' water pump, sending a swarm of locusts to devour them.

When Courage finds the relic, Eustace is initially uninterested, but immediately clings to the slab when he realizes it's worth a million dollars. King Ramses visits the farm and demands that the slab be returned.

Even after being warned of suffering the mummy's curse and the insistence of his wife Muriel to give it back, Eustace refuses telling Ramses that he must give him milion dollars in order to get it back. King Ramses then bestowed three plagues upon the Bagge family, each worse than the last: a flood, loud repetitive music blasting from a phonograph, and a swarm of very hungry locusts. In the midst of the third plague, Eustace finally relents, but changes his mind quickly and claims the slab again.

King Ramses appears to have one more curse in mind and finally returns to his tomb, taking both the slab and Eustace with him, though as always, Eustace inexplicably returns unscathed in the next episode.

## Dr. Cuvier

**Abel Cuvier** is the main antagonist in the *Batman Beyond* episode "Splicers". He was a genetic scientist who developed the practice known as splicing. Abel Cuvier was voiced by Ian Buchanan, who would later voice Ultra-Humanite in *Justice League* .

## Past

Abel Cuvier's past is unknown but it is revealed that he eventually developed a penchant for splicing. He was later hired by the terrorist organization, Kobra, to teach Zander about the fundamentals of genetics.

### *Splicers*

Later in his life, rather than use his groundbreaking work for the betterment of mankind, Cuvier used it to start a trend to alter Gotham's youth, whether they wanted to or not. Cuvier also had three people become his spliced minions; King Cobra, Ramrod, and Tigress. After Batman learned of Cuvier's plans of attempting to kill District Attorney Sam Young (due to the DA outlawing splicing), he ends up getting captured by Cuvier and his minions. Instead of killing him, Cuvier injects Batman with bat DNA. The bat DNA would slowly turn Batman into a hybrid of man and bat. Despite this, Batman was able to rescue the DA from the three spliced minions. However, the bat DNA was starting to take effect as he began to turn into a man/bat hybrid.

Fortunately, Bruce Wayne was able to save Terry and extract the bat DNA. The two then decided that Cuvier needed to be stopped. So Bruce Wayne gave Terry a few Splice cures, so he could cure the three minions and Cuvier. After Batman managed to cure the three minions, he went after Cuvier. However, Cuvier injects himself with several animal DNA, including a Snake a hawk and a tiger, becoming what he considers a chimera.

Both Cuvier and Batman fought each other, with Cuvier having the upper hand. Batman then decides to inject Cuvier with multiple animal DNA. This caused Cuvier to go through an unstable mutation. After a long and grueling battle Batman, with the help from Ace the dog was able to defeat Cuvier by blowing up his facility. However, it's unknown what happened to Cuvier. It's unknown if he was killed in the explosion, or if he survived.

## Puppetmon

**Puppetmon** (also known as **Pinocchimon** in the Japanese version) is the second of the Dark Masters that the Digidestined faced.

*Digimon Adventure 01*

Puppetmon first appeared when he used the Digidestined as string puppets and attacks them with his Puppet Pummel attack. After MetalSeadramon was killed the DigiDestined go to Puppetmon's lair of Spiral Mountain which is a forest under the contol of Puppetmon's "toys". He lair is a mansion next to a forest.

He used voodoo dolls to let the Digidestined feel funny, and kidnapped T.K. to play a deadly hide and seek game (which had to be severely edited in the English dub, due to the original version involving guns and killing the other participant by shooting them), but T.K. tricked Puppetmon by tearing his map paper apart, destroying his remote, and destroying the television that looked like a camera.

Swearing revenge, Puppetmon summons three Garbagemon to attack the remaining Digidestined during Matt's absence. After Cherrymon tricks Matt and Gabumon into convincing to beat his rival, Tai, he meets up with his master. Just as the excited Puppetmon was going to watch Tai and Matt destroy each other, Cherrymon warns him that underestimating them could lead to a disaster, and to take them seriously. Puppetmon, on the other hand, feels like Cherrymon is letting him down and murders his minion out of anger, ignoring his warning.

While Joe and Mimi were taking care of Ogremon, Puppetmon showed up and Gomamon then Digivolved into his Ultimate form, Zudomon to fight Puppetmon, but he quickly defeated Zudomon.

Just then, Etemon (now as MetalEtemon) showed up and announced his return, but Puppetmon got annoyed by his singing and attacks him, allowing Mimi, Joe, Gomamon, Palmon and Ogremon to escape while MetalEtemon is distracted by the marionette. After tired of fighting MetalEtemon, Puppetmon returns to his mansion. The other Digidestined snuck into his mansion with Floramon and Deramon (who betrayed Puppetmon) did a sneak attack by shooting a cannon at Puppetmon just as he was returning. Angrily, Puppetmon ran, dodging the cannon attacks and Floramon and Deramon ran Digidestined then confront Puppetmon in a final showdown. At first, Puppetmon tricked the Digidestined by following him, then summoned a group of RedVegiemon, but were quickly defeated one by one. Puppetmon then used WarGreymon as a marionette to get the Digidestined, only to be knocked out by MegaKabuterimon and Garudamon destroys his hammer.

Just as Puppetmon was about to lose, he remembered Cherrymon's advice, and he summoned his "monster" mansion to keep the Digidestined busy while Puppetmon takes the opportunity to escape, as well as killing a remaining RedVegiemon along the way.

Just then, MetalGarurumon suddenly shows up, and Puppetmon orders him to attack the Digidestined, but he refused. Confused, Puppetmon tries to control MetalGarurumon as a marionette, but no avail. Matt showed up and told Puppetmon that no friends will be on his side because he didn't care about them. Angered, Puppetmon attacks, but MetalGarurumon destroys Puppetmon with his Metal Wolf Claw attack. Upon dying, Puppetmon asks Cherrymon's voice about what he dosen't have but the kids do, which is friends, then succumbs to his death. His mansion also collapsed upon his demise. Upon Puppetmon's defeat, the forest begins to disappear.

### *Digimon Adventure tri.*

Puppetmon reappeared in a flashback along with the other Dark Masters in Digimon Adventure Tri: Loss, where they attacked Maki and her Digimon partner, Megadramon. The Four Holy Beasts gave their power to Megadramon to defeat the Dark Masters.

### *Digimon Fusion*

In *Digimon Fusion*, Puppetmon's more of a slave than he is an actual villain. Puppetmon was forced to serve GranLocomon. When the Fusion Fighters showed up in Dust Zone, Puppetmon stole Mikey's Fusion Loader and gave it to GranLocomon. He felt sorry for what he's done and decided to team up with the Fusion Fighters. When the Fusion Fighters got close to GranLocomon, his minion; Hagurumon tried to stop them. Puppetmon manage to fight back and destroy Hagurumon. He also gave Mikey a MetalGarurumon DigiMemory card as a reward.

Me: **Dr. Abel Cuvier!**

Nico: Puppetmon!

Francesca: And the Ghost of King Ramses!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

Courage hid behind Francesca.

Twilight Sparkle: Whoa Dr. Cuvier looks wicked scary.

Dr. Cuvier: Nice to see you all again J.D.

Me: **Been a long time Cuvier. And you look just like you did when we took you down the first time. Also your splicing serum came in handy for us.**

Dr. Cuvier: How so?

Me: **We used it on an evil fashion designer named Helga Von Guggen and she turned into a horrific and gross monstrosity. It was a fusion of over 45 animals.**

Dr. Cuvier: Very impressive. Glad you put my serum to good use.

Me: **Indeed. Who are you three gonna be archenemies for?**

Dr. Cuvier: I chose Flamebird.

Puppetmon: I chose Yae.

King Ramses: Return the Slab! (Clears the throat) Sorry force of habit. I chose Naori Uchiha.

Me: **Brings back memories. The Ghost of Al Cabone was one of the first monsters we busted when we were in middle school.**

Velma: Good times.

Twilight Sparkle: What were they known for?

Qin: The Ghost of Al Cabone was Prestina, a former Magic Show Host that had her show cancelled. She was infuriated that her show got cancelled and she vowed that if she couldn't have a show at a TV Station then no one would. The Witch Doctor was really John Simms who was really the head of a Pearl Poaching Operation in Hawaii. And the Wiki Tiki was really a surfer named Manu who was running a very elaborate Real Estate Scam.

Twilight Sparkle: Whoa! That's terrible. What did they get?

Qin: Prestina got 30 to 60 years, John Simms got 40 years and Manu got 45 years. Manu's Girlfriend Snookie now works in our greenhouse for community service.

McWolf: HAHAHAHAHAHAHAHAHA! She's up there in the castle tower.

Me: Simple.

Shredgirl: But like in those fairy tales.

We went up to the tower and Stacy reverted back and we got to the door and I kicked the door down and we saw a girl tied up in a chair. She had red hair and amber snake eyes and a yellow shirt and she had a long snake tail. She was really a Lamia from Greek Myth.

Stacy: Whoa! A snake girl.

Me: She's a Lamia, the Snake Women from Greek Mythology.

We went over and cut her free.

Girl: Oh thank you both. Wow! You're J.D. Knudson, Leader of Team Loud Phoenix Storm.

Me: That's right.

Stacy: I'm Stacy Bolton. I was with J.D. so we can help you out.

Miia: I'm grateful. My name is Miia and yes I am a Lamia.

Me: Wow. And it's a pleasure to meet you.

Stacy: Same here. Your hair is beautiful.

Miia: Thanks.

Me: It sure is. Lets get you back to the estate so we can have you meet our team.

Miia: Awesome!

I carried her bridal style and her snake tail wrapped around my waist and we flew off back to the estate.

* * *

Back at the estate, everyone was watching TV and playing card games and Nico and May were making out.

Lola: Got any sevens?

Lisa: Go fish?

Lola: Dang it.

Me and Stacy came back.

Me: Hey guys.

Nico: Hey J.D.

Emerald Sustrai: I take it that since Stacy doesn't have a shirt right now that you two went on a mission together?

Me: We sure did and we have a new recruit.

Everyone saw Miia come in.

Nico: Wow! She's a Lamia from Greek Myth.

Eli: Wow!

Lola: She's pretty.

Miia: It's an honor to meet you all. My name is Miia.

Me: McWolf was holding her hostage a castle in the Crocovile Swamp of Spyro's world.

Spyro: Whoa! Sounds like he wants you to be a true knight in shining armor and grow your harem.

Me: Yep.

Miia: And J.D. is a true hero.

Me: Yeah. But McWolf is funny.

Stacy: He sure is.

Miia: But it's an honor to be part of the team.

Vince: Glad to have you with us Miia.

Miia: Same here.

We got to chatting about what Miia is like and all that and she is really good at climbing trees, swimming and even cooking. She is really awesome. But like all snakes she is awake during the day and asleep during the night. But we fixed that for her so that she can be in cold places and not get sleepy or slow down and be active even at night.

Miia: It's gonna be great being with you all. And if you all find my friends I want them to be part of your harem J.D.

Me: I think I can arrange that. McWolf is gonna be really busy.

Lola: Yeah he is.

Computer: ALERT! TEMPORAL DIMENSIONAL DISTURBANCE DETECTED.

Me: Uh oh. We haven't had one of those before.

Then a flash of light appeared in our living room and we saw a wormhole open up and then out of it came a bunch of figures. It was 3 teenage boys, 3 teenage girls and 1 robot.

Me: Whoa!

The wormhole closed.

Nicole recognized them and it was Crono and his team!

Jabberjaw: Are you guys alright?!

Nicole: Whoa man! That's Crono and his team.

Crono: Who are you all? How do you know us?

Marle: Yeah and where are we?

Me: We are Team Loud Phoenix Storm and you all are in our World Tree Estate on the planet Earth.

Luca: Wow.

Robo: (Techno Voice) How did we get here?

Glenn: Yeah what happened?

Magus: Explain.

Me: You all were pulled in through a temporal dimensional vortex. It took you from your world in your time to our time in our world.

Eli: It's strange and complicated.

Marle: Wow.

Luca: Man that is amazing.

Ayla: Ayla agree.

Me: It sure is something.

Nico: But we'll help you all adjust here to our world.

Me: Yeah.

Runamuck: It's been a while since those kinds of vortexes opened up.

Me: It sure has.

Laney: Marle what was your world like?

Marle: We have so much to tell you all.

Crono: Yeah it's a strange thing.

He told us everything he did in his world.

---

Crono was born sometime prior to the year 1000 AD to a single woman named Gina in the city of Truce. In his youth, Crono befriended a girl named Lucca. doing the year 1000 AD, on the day of the Millennial Fair, Crono met Princess Nadia under the name of Marle, though he did not know it at the time. Together, they enjoyed the fair's festivities until the unveiling of Lucca's new invention, the Telepod. Always faithful to his friend, he agrees to test the device despite the potential danger. The transportation was successful, however, when Marle wanted to tests it, she is sent back in time. Crono bravely decides to follow her, and the ensuing quest has him rescuing her lost ancestor Queen Leene to ensure Marle's existence in modern times. Crono, Lucca, and Marle all return to the present, after which Lucca suggests he escort Marle home back home, as lucca had to more work to do.

while Returning Marle home back to Guardia Castle, he is accused of kidnapping her in attempts to thwart the throne. Represented by Pierre in a trial, Crono is sentenced to death by the Chancellor, regardless of whether he is found guilty or not guilty. while in prison Lucca frees him seconds before he is brought to the Guillotine and together, they flee the Prison Towers. On their way to Guardia Forest, while Marle tags along and the three travel to the Future era via an open Time Gate. Investigating the area in search of a means to return home, as Crono and his friends find food supplies for the inhabitants of Arris Dome, where he also meets his descendant Doan and learns that the ruined future was caused by Lavos. He vows to save the planet from destruction through the use of time travel. Shortly after, he assists a robotic robot named Robo in activating the Derelict Factory's doors to find a way back home.

after activating the Derelict Factory the four Entered the time Gate, while they arrives at the End of Time where he receives magical abilities. With the aid of these powers and the powers of his allies, Crono successfully refuges the Masamune by acquiring Dreamstone in Prehistory era and attempts to slay the Fiendlord, Magus, whom he believes is the root of Lavos's presence in the timeline. This leads him back to Prehistory era where helps the Iokans destroy the Reptites, thus securing the evolution and prosperity of the human race whose lives were jeopardized by these sentient lizards. directly afterward, he realizes Lavos was not summoned by Magus but is an alien species who fell from the sky in this time period. Attempting to follow the beast to the crater it created by landing, he is transported to the Antiquity era.

meanwhile In the Antiquity time era, he rescues Melchior from the Mountain of Woe and subsequently attempts to rescue Schala, the innocent Zeal Princess who is being exploited by her mother, Queen Zeal. When Crono confronts Lavos in the Ocean Palace of the Kingdom of Zeal as a result of the rescue mission, Crono sacrifices himself to save everyone present. with the help of time travel, his friends manage to replace him at the moment before he dies with a clone received from the Millennial Fair in 1000 AD., while saving his life. While the other six playable characters have many lines of dialog, Crono's responses to events are usually implied only through reaction and gesture, often for a humorous effect, which wrongfully depicts him as insincere at the moment of his resurrection, as Crono and the others confront Lavos, destroy it, and return peace to Guardia. After, Crono travels back in time to rescue his mother who haphazardly stumbled into a Time Gate.

---

When he was finished we were shocked and amazed!

Me: Whoa man!

Shanan: Oh man! I know all about Lavos the World Ender. He was a dangerous and horrifying parasite that can destroy any planet.

Nico: That's terrible!

Eli: Yeah!

Shanan went over his history.

---

**Lavos** (in Japanese: ラヴォス *Ravosu* ) is the main antagonist and final boss of *Chrono Trigger* . It is an alien parasite which crash landed in the year 65,000,000 B.C.

It was named "Lavos" by Ayla, a word she made up from the root words " *La* " meaning " *fire* " and " *Vos* " " *big* " in the Iokan language. Lavos' true name (if it even had one) is unknown.

Lavos has three different forms. The first form is the outer shell, which resembles the Peluda, a mythical beast in French mythology. The second form consists of a large humanoid form with two arms. The third and final form is Lavos Core, consisting of three parts: a humanoid center, and two floating 'bits'. Apparently, the absolute core of Lavos is one of these bits, since it can revive its other parts and destroying it defeats Lavos.

After its defeat, the original timeline Lavos is cast into the Darkness Beyond Time, where it merges with Schala to become the **Dream Devourer** . This merged entity would later mature to become the **Time Devourer**, the true overarching threat of *Chrono Cross* as it sought to consume all of spacetime and thus end the multiverse. Balthasar manipulated events in such a way to allow for Searge and his friends to obtain the titular Chrono Cross and finally kill Lavos.

Lavos felt on Earth in the year 65,000,000 B.C., quickly digging its way through Earth's subsoil. There it resided in order to store power, until in 1999 A.D., it raised to the surface and released all of his power, destroying the planet completely. Then it started spawning its offspring, who would continue the cycle.

Lavos came to Earth with the intention of draining its energy so that it could produce genetically enhanced spawn, which would then continue the cycle on other planets. In the North American version of the game, it is claimed once in the series that Lavos directly influenced all technology and life on the planet, evolving the planet's life forms to cultivate it, and make itself stronger. However, the line is absent in the Japanese version. In the original timeline, Lavos slept for millions of years, gaining power until 1999 AD, when it emerged and put the world into an apocalyptic state. However, because of the interference of many of the characters, he was summoned at two other points in time-12,000 BC and 600 AD. While traveling in 2300 AD, Chrono, Marle and Lucca see a video of the Day of Lavos which occurred in 1999 AD, and decide to prevent it somehow. Magus is also after Lavos for destroying his home era of 12,000 BC.

While the natural "dreamstone" is a substance responsible for the first evolution of human beings from animal apes to sentient creatures, it is revealed in *Chrono Cross* that Lavos is responsible for the creation and advancement of the actual *modern* human species. Upon impact, a splinter of Lavos's shell broke off. This becomes the focal point of *Chrono Cross*, the Frozen Flame. Lavos is also the final boss in *Chrono Cross*, except in the form of the **Time Devourer**, the result of the defeated Lavos assimilating Schala in the darkness beyond time. Using the eponymous Chrono Cross, Serge successfully separated Schala from Lavos, and destroyed the parasite once and for all.

## Overview

Lavos has an outer shell that resembles a cross between an ant and a sea urchin. This shell is incredibly tough, and considerable force must be used to crack it open. The shell is capable of projecting plasma beams, and can store enough energy to cause a nuclear winter. In the middle of the shell is an eye, where Inside the shell is a cave-like structure that emits faint green light. At the core, there is a creature resembling an astronaut at a desk, which presumably is spawned along with the rest of the body and lives its entire life within the outer shell; this is the true Lavos. Despite its appearance, it is incredibly potent in combat, capable of projecting potent laser beams from turrets in the ceiling as a defense mechanism.

Lavos burrows into the core of a world once it lands on it. It continues to absorb the planet's energy and direct evolution to the point where the inhabitants can create massive power plants, such as nuclear reactors. With this jump-start, it kills all or most of the inhabitants by making the world uninhabitable. It then moves to a point on the surface closest to space, and churns out babies, much like a female rabbit or gerbil (only asexually). These young Lavos can move through space without any mechanical assistance; although the species appears to already be biomechanical by nature.

## But… The Future Refused To Change

If Chrono's party loses to Lavos at any of its three forms outside the Ocean Palace encounter, Lavos destroys the world, leaving a screen with destroyed Earth and the line *But… The future refused to change.*

---

When Shanan was done we were shocked and horrified!

Me: Whoa man!

Marle: Yeah it was awful.

Luca: Lavos is a monster that will destroy everything and destroy all life in the entire universe. He will stop at nothing until he does.

Me: That is awful.

Nicole: Lavos is the ultimate personification of Universal Armageddon and we have to make sure he is destroyed forever or else our Earth is next.

Me: Yeah.

Cybertron Red Alert: How would you all like to join the team?

Crono: We would be honored.

Marle: On one condition.

Me: Name it.

Marle: We would like Schala to join us.

Nicole: I remember her. She did nothing to deserve the treatment she received from her mother. Poor girl.

Me: Yeah. She was a gentle soul and her mother Zeal ruined her. You got a deal. Lets see here.

I concentrated and looked for her in Crono's world and in the year 12,000 B.C. I found her and I saw that she was used as a sacrifice to Lavos! I knew I had to make sure that Lavos was destroyed forever.

Me: Oh no you don't.

I concentrated hard and snapped my fingers and I brought Schala to our world just as she was about to be sacrificed to free Lavos and then concentrated more and channeled super hakai energy and destroyed Lavos with it just as he was about to be resurrected! Schala was here in our world and she was unconscious!

Marle: Schala!

Marle went over and she saw her.

I then fell over weak and disoriented!

Me: Whoa!

Nico: J.D.!

Nico and Varie came over to me.

Varie: Are you okay?

Miia: What happened?

Me: That took an incredible amount of energy and power. I used my powers to teleport Schala to us in this time from the year 12,000 B.C. and then I super hakaied Lavos in that time just as it was about to be resurrected. That took 95% of my power.

Goku: WHOA! Here J.D.

Master Goku handed me a Senzu Bean.

Me: Thanks Master Goku.

I ate the bean and I was fully reenergized.

Me: Much better.

Schala: (Wakes up) (Weakly) What happened?

Marle: Schala it's me.

Schala: Marle? (Gasp) Marle!

She hugged her.

Marle: Thank goodness you are okay.

Schala: My own mother.

Marle: I know Schala. I know. but J.D. made sure that Lavos was destroyed.

Eli: It's a strange story.

Ets: You are in our time in the year 2021 A.D.

Me: 14,000 years into the future.

Nico: But the good news is that Lavos will never terrorize the world again.

Varie: Or destroy any planets for that matter.

Schala: Thank goodness. My own mother was a monster.

Me: Yeah she was. I destroyed her forever with Super Hakai and made sure she never hurts anyone again. Queen Zeal is now nothing more than a forgotten memory.

Crono: Good riddance.

Laney: Yeah.

Nicole: Queen Zeal was a monster. She deserved to be destroyed.

Magus: Absolutely.

Glenn: Thou did a great job.

Me: Indeed Glenn.

Vegeta: By the way Glenn you look like a green hair version of myself.

Glenn: I most certainly do.

Me: He does have resemblance.

Nico: Yeah.

Crono and his friends joined the team and we got them some food and supplies.

Thundercracker: Luca, how would you and all of your friends like to go with us on your first mission?

Luca: We would be honored and it's gonna be so awesome!

Box Ghost, Shiva, Vulkanus, Kangor, Whirlwind, Polaris, Selene, and Speed Demon then appeared.

Box Ghost: Can me, Shiva, Vulkanus, Kangor, Whirlwind, Polaris, Selene, and Speed Demon come with you guys?

Me: You all sure can. We're going to the world of Eragon.

Shiva: Awesome! I love Eragon!

Dr. Polaris: I read all the books and they were awesome.

Speed Demon: So was the movie.

Nico: This is gonna be awesome!

Lola: Yeah it is.

Miia: It sure is. I read all the books on Eragon and they are amazing.

Me: They sure are. We're gonna be in for an amazing fight. Lets get ready everyone.

We got ready for an awesome mission into the world of Eragon. We opened a portal to the world of Eragon and we walked through it and we were in the land of Alagaësia.

Octane: This must be the place.

Me: Yep this is it. Welcome to the land of Alagaësia.

Laney: Wow!

Fluttershy: Wow. This is amazing.

Applejack: It sure is.

Luca: This is so cool!

Miia: Yeah it is. I have always wanted to see the world of the medieval times.

Me: This isn't the Medieval era Miia. This is a world of fantasy on another planet.

Nico: Yep. But this is where we'll meet Eragon and his friends.

Me: Lets go find him.

We walked around and we saw Eragon looking out at the sky.

Shiva: Are you Eragon?

Eragon: (British Accent) Yes I am. And you are?

Me: We are Team Loud Phoenix Storm. I'm J.D. Knudson, Leader of the Team.

Eragon: Oh my! I've heard so much about you. It's a great honor to meet you all.

Me: Pleasure is ours. We're sorry to appear so suddenly like this but we came to help you all. We came from Earth to help you kill one of your enemies.

Eragon: We are grateful for that. You can help us kill King Galbatorix.

Me: What can you tell us about him?

Eragon told us about him and how dangerous and ruthless he is.

---

Galbatorix is the main antagonist in the Inheritance series. He is a former Dragon Rider who became the king of Alagaësia by force.

In the 2006 film, Eragon, he was portrayed by John Malkovich.

## Descent into Madness

Born in the ancient province of Inzilbêth, and one of several siblings (all of whom were dead throughout the books), Galbatorix was accepted into the ranks of the Dragon Riders at the age of ten, after being traditionally tested for great potential. He quickly excelled in all areas of combat and spellcasting, which filled him with pride, arrogance, and vanity. Although some of his fellow Riders were wary of his swift rise to power, the majority of the order neglected caution, ultimately leading to their downfall. He was chosen by a dragon and became a Rider in his early years. His dragon Jarnunvösk was killed by Urgals some years later. Galbatorix, mad with grief and hatred, asked the Dragon Rider council to grant him another dragon, but they refused, sensing his mental instability.

With his request denied, Galbatorix took it upon himself to steal another dragon egg. He convinced a Dragon Rider named Morzan to leave the gates open to the place where the eggs were stored. Galbatorix stole a dragon. Then, he forced this dragon, Shruikan, to serve him by dark magic.

He formed the Forsworn, a group of thirteen dragon riders and their dragons loyal only to him, and killed all the other dragons and riders in existence, or so he thought. He proceeded to create a kingdom of his own that most of all Alagaësia's people called The Empire through which he ruled most of Alagaësia.

## The Empire

Galbatorix and his followers defeated both the elves and the dwarves, both of whom afterward went into hiding. Galbatorix then captured Ilirea with the Forsworn, where he deposed and murdered King Angrenost, the rightful ruler of the Broddring Kingdom. With this act, he proclaimed himself the new king of Alagaësia. From then on, his domain became known as simply the Empire. It should be noted that despite this, the Broddring Kingdom still officially existed, though by the time of the Rider War it was little more than a name upon royal decrees and became obsolete. Most of those under Galbatorix's rule never even knew it existed. His rule, though, was ruthless and cruel, and although much of the Empire stayed loyal to Galbatorix, there was a small rebel group called the Varden.

After naming himself king of Alagaësia, he took an active role among the Empire. Even so, he spent most of his time in his black castle in Urû'baen, formerly Ilirea. He spent forty years there, gaining power, enslaving his horde of Eldunarí, and never venturing beyond the walls of the capital. During this time, his Empire fell into chaos. After finally subjugating the spirits of the dragons confined in the Eldunarí he had captured, Galbatorix then embarked on a vicious and brutal military campaign to restore order in the Empire.

His ruthlessness and cruelty earned him the enmity of many places, such as Palancar Valley and its village of Carvahall, Eragon's place of childhood, although most of the Empire remained loyal to him, if only through fear. In particular, the country of Surda sought to remain independent of his rule, but did not feel it was wise to take up arms against him. Brom, a surviving Dragon Rider whose dragon, Saphira, had been killed in the Battle of Doru Araeba, sought revenge against Morzan and Galbatorix. He gathered together many people that had been exiled, imprisoned, or abused by the Empire, thus forming a rebel organization known as the Varden. With an elaborate network of spies and agents located throughout Alagaësia, it quickly became one of the most well-known organizations that opposed the Empire. During this time, the Varden assassinated many members of the Forsworn, Brom being a major contributor in many of the killings, leaving only one alive: Morzan.

After the fall of the Dragon Riders, Galbatorix had in his possession the last three known dragon eggs in Alagaësia. Try as he might, he could not get any of the eggs to hatch for his servants. A thief, hired by the Varden, named Hefring, later attempted to steal the eggs, but during his escape, he was only able to obtain one out of the three eggs. Morzan pursued this thief to Gil'ead, but Brom, still seeking revenge against Morzan, tracked him to there and slew him before he could, ending the Forsworn. He proceeded to transport the egg to the Varden, before going into hiding for about twenty years.

Prior to the War

After this incident, Galbatorix extended his friendship to Murtagh, son of Morzan, who had been living in Galbatorix's castle since the death of his parents. Murtagh, though knowing it would be unwise not to accept the offer, was seduced by Galbatorix's vision of turning the Empire into a Utopian society to benefit all Alagaësia, guarded and protected by a new order of Riders. Soon after, however, Galbatorix fell into a rage upon learning that rebels had intercepted and destroyed three brigades of Imperial troops, and commanded Murtagh to take a company of soldiers and decimate the village of Cantos, which was known to harbor the rebels. Murtagh refused the order when Galbatorix commanded him to slaughter the town's entire populace, and fled Urû'baen with his faithful teacher, Tornac. However, Galbatorix had anticipated this, and put soldiers to guard the gates to and from Urû'baen. While Murtagh was able to fight his way free, Tornac was killed in the struggle. Hoping to recapture Murtagh, Galbatorix sent the Ra'zac to pursue him.

Using his powers of dark magic, Galbatorix then took control of all the Urgal clans and placed his Shade, Durza, in command. He planned on using the ones who killed Jarnunvösk to eliminate his enemies before he chose to exterminate them at his leisure. One night, Durza and the Urgals ambushed the elven dragon egg courier, Arya while she was transporting the egg back to the Varden. Although Durza and the Urgals managed to capture Arya, their mission ultimately failed when Arya teleported the egg to the Spine, where it would be discovered by a young farm-boy named Eragon.

Galbatorix, now desperate to obtain the egg, told the Ra'zac to cease their pursuit of Murtagh and hunt down the egg instead. Their search led them to the village of Carvahall, deep in the Palancar Valley. Eragon, however, eluded capture, and Galbatorix would later learn that the egg had indeed hatched for Eragon, becoming Saphira.

Around the time that Eragon first became a Dragon Rider, Galbatorix, fearing an uprising in the north by local farmers, began the Northern Massacres, where he ordered mass raids by the Urgals on towns he suspected of supporting the Varden. His intentions were to scare them out of supporting the Varden and supporting him instead. Whole towns were decimated and their civilians slaughtered. At Yazuac, the entire population was murdered by the Urgals and piled together high at the center of the city. Some cities, such as Daret, were more fortunate, being able to fend off the Urgal attacks. Others, such as Carvahall, escaped the notice of the Urgals, being hidden by the mountains of the Spine. In order to cover-up these attacks from the general populace, Galbatorix had his agents spread rumors that the Urgals had allied themselves with the Varden, and that they were the actual instigators behind the attacks.

The Ra'zac would later encounter Eragon and Brom in Dras-Leona. They succeeded in murdering Brom later that night some distance south of the city, but were driven away by Murtagh, who had apparently been tracking them and Eragon. Murtagh, Eragon, and Saphira then made their way to Gil'ead, but were intercepted in their camp the night before they entered the city. Eragon was briefly imprisoned by Durza, but Murtagh and Saphira successfully rescued him, along with Arya.

Sometime in the same week, Galbatorix also planned to leave Urû'baen for the first in over a decade to deal with the ruler of Dras-Leona, Marcus Tábor, who had been disobeying orders and was becoming increasingly independent.

The Urgals pursued Eragon and his companions south towards the Beor Mountains, where the Varden was secretly located. By then, Galbatorix was aware of the location of the Varden.

## The Battle under Farthen Dûr

Eventually, Galbatorix hatched a plan to completely destroy the rebellion, the Urgals, and the dwarves altogether. He decided to make an all-out attack on the Varden and the dwarves in their capital of Tronjheim, a city that lay below the mountain of Farthen Dûr, with the Urgals. The Urgals, lead by Durza, would stage a surprise attack on Tronjheim via underground tunnels that connected his hidden fortress in Ithrö Zhâda, a captured ancient dwarven city formerly known as Orthíad. After they crushed the

Varden, they would proceed to kill the dwarf king and all his clan chiefs, eventually wreaking enough havoc upon the Beor Mountains to bring the dwarves to their heels. The Urgals would then be weak enough from the attacks that they would easily be wiped out by Galbatorix's armies. At the same time, he planned to capture Eragon and Saphira, so as to reestablish a new order of Dragon Riders under his control and recapture Murtagh.

In the Battle under Farthen Dûr, however, his plans ultimately failed when the Varden and the dwarves successfully fended off the Urgals by re-routing them and Eragon killed Durza. The Urgal clans turned on themselves, as Galbatorix forced them to unite against their rules.

Nevertheless, the battle wasn't entirely fruitless for Galbatorix. The Twins, two sorcerers that had served as Imperial spies the entire time they had been in the Varden, betrayed Murtagh and Ajihad by commanding a group of Urgals to ambush them. In the aftermath, Ajihad was killed while Murtagh was captured and brought before Galbatorix. Although Galbatorix was furious with Murtagh for defying his will, one of the dragon eggs hatched for Murtagh, and was subsequently named Thorn. Galbatorix then figured out Murtagh and Thorn's true names, and forced them to swear allegiance to him in the Ancient Language. With this act, Galbatorix made Murtagh his greatest general and taught him the secrets of magic and the dark arts. Galbatorix supplied Murtagh with multiple Eldunarí, enhancing Murtagh's power so that it was greater than Eragon's and that of the elves. Murtagh was also more powerful than any of the Forsworn had ever been, however Galbatorix kept the bulk of his Eldunarí for himself.

The Twins also provided Galbatorix with a very important detail: the name of Eragon's mother, Selena. They had figured out the connection between Eragon and Murtagh while scanning the former's mind. Therefore, both parties presumed that Morzan was Eragon's father, which would be demoralizing to the Varden if they knew that their enemy's own son is fighting for them. However, the Twins information was later discovered to be incorrect, as Eragon's true father was Brom.

Galbatorix desired to bring Eragon and Saphira into his service.

Saphira was named after Brom's deceased dragon and is the last female dragon in existence and when she breeds with one of his dragons, the entire species would be reborn once more. He gave Murtagh and Thorn specific instructions not to kill them.

## Continuation

Galbatorix was furious with Murtagh for allowing Eragon and Saphira to escape. Upon learning that Eragon and Saphira killed the Ra'zac, a disaster that could easily have been avoided had Murtagh and Thorn followed their orders, Galbatorix slew five nearby servants in a rage and then turned his wrath on Murtagh and Thorn. Then, he deployed Murtagh and a group of his painless soldiers to Surda, with stricter orders to bring Eragon and Saphira to him. However, Galbatorix's plan failed again when Eragon and Saphira drove Murtagh and Thorn away with the help of Arya and twelve other elves.

When Galbatorix heard the elves were attacking the north of his Empire, he responded quickly, rather than waiting for them to come to him. Murtagh was sent to Gil'ead to confront the elves.

While Oromis and Glaedr fought Murtagh and Thorn above Gil'ead, Galbatorix entered Murtagh's mind and asked Oromis to join him. Oromis refused, and the battle continued. Galbatorix swore to kill Oromis and take Glaedr's Eldunarí. Unpredictably, Oromis had one of his spasms and Naegling, his sword which had all of his wards was knocked from his hand. Galbatorix, through his possession of Murtagh, took advantage of the opening and rent Oromis from shoulder to hip with Zar'roc. Although Glaedr attempted to fly Oromis back to Gil'ead so Islanzadí's spellcasters could save him, he was ultimately unsuccessful, and Oromis perished. Glaedr dove back into battle with Thorn, but the red dragon was too quick for him to defeat. His physical body died as Thorn bit the back of his head and neck, killing him instantly. However, before departing for battle, Glaedr entrusted Eragon and Saphira with his Eldunarí, and consequently kept himself free from Galbatorix's bondage.

## Capture of Nasuada

After losing both Belatona and Dras-Leona to the Varden's advance, Galbatorix sent Murtagh to capture Nasuada, the leader of the Varden. Imprisoned in Urû'baen, Nasuada was tortured by Galbatorix who wanted her to join his cause and swear an oath to him in the Ancient Language. However, unbeknowst to the king, Murtagh was helping Nasuada withstand the torments and gradually fell in love with her. Determined to get her out of Galbatorix's hands, he believed that only by delivering Eragon and Saphira to him would work.

## Battle of Urû'baen

The Varden, along with the elves and the dwarves, arrived at Urû'baen at long last. Galbatorix gave command of the city's defenses to Lord Barst whom he trusted with one of his Eldunarí. He also rendered all his soldiers in Urû'baen immune to pain.

While the battle raged on, Eragon, Saphira, Arya and Elva confronted Galbatorix. However, Galbatorix used the Name of Names, the name of the Ancient Language, which he found on a tablet written by a race not of Alagaësia to immobilize them. He also had a boy and a girl held hostage by his side, making it impossible for his enemies to attack him for fear of their lives. Galbatorix expressed surprise to find Umaroth amongst the Eldunari in Eragon's possession. He then revealed his plan to use the Name of Names to win the battle and subjugate every magician in Alagaësia.

Tired of games, Eragon attempted to goad Galbatorix into an honest battle to decide the fate of Alagaësia. Galbatorix didn't care for "honest battles" and instead decided to pit brother against brother, declaring that Eragon and Murtagh will fight a non-lethal duel without magic or Eldunarí. However, Eragon revealed that Brom was his real father, not Morzan. Taken by surprise, Galbatorix could tell that he was telling the truth just by looking at him.

Eventually, Eragon won the duel. Then suddenly, Murtagh turned against Galbatorix, stripping him of most of his wards. Galbatorix retaliated and tried to force Eragon to swear fealty to him.

## Death

Galbatorix was defeated by the use of an Empathy Spell cast by

Eragon without the use of the Ancient Language, and aided by the Eldunarí. This spell forced him to understand and feel all the emotions he had invoked in others since he was born, which were mostly painful. As this was not a direct attack and Murtagh had already stripped him of most of his wards, Eragon made Galbatorix vulnerable at long last.

The king was unable to defeat Eragon in swordplay due to the painful effects of the Empathy Spell. He had a brief opportunity to attack Eragon whose leg collapsed from a previous injury, but failed to seize the opportunity due to the Empathy Spell's painful effects. With the king in extreme agony and stripped of most of his wards, Eragon was able to run Galbatorix through. Galbatorix was so overcome by the effects of the Empathy Spell that he pleaded with Eragon to end the spell even as he stood dying. When Eragon refused, the king, out of desperation, commanded himself to "Be not!". The ultimate effect of the suicidal, kamikaze-like spell that he cast literally caused himself to stop existing, converting every atom of his body into pure energy and creating a massive blast which would have killed all others present if Eragon had not shielded them in time. The shockwave of the blast destroyed the castle and caused great damage to the city and troops outside.

---

When he was done we gasped in shock!

Me: Whoa man! He's a mad king that took the entire kingdom by force!?

Laney: And he's a mad Dragon Rider!? He's insane and pure evil!

Me: Looks like we got here just in time.

Eragon: We all could use your help big time.

Me: We'll be honored to help you out. Galbatorix plunged this entire land into chaos. But we'll gladly help you all destroy him.

Demolishor: You got any friends with you?

Eragon: I sure do. Follow me.

We followed Eragon to his rebel camp and we saw the beautiful blue dragon he has: Saphira.

Me: Wow! Is that your dragon Saphira?

Eragon: It sure is.

Saphira: (British Accent) The famous Team Loud Phoenix Storm it's an honor to meet you all.

Me: Same here Safira.

Lola: Wow! You are really beautiful.

Saphira: Thank you.

Me: You're welcome.

Selene: You're not the only one with a dragon. Just ask Hiccup and Toothless over here.

Hiccup: Indeed.

Me: We all have amazing dragons. Would you all like to see them?

Eragon: We would like that.

Me: Watch this.

I fired a beam of energy into the sky and it formed into a portal and a roar was heard and out came all of our dragons!

Me: These are our amazing dragons.

Vince: Yep.

Nico: Aren't they a sight?

Eragon: Wow! You have all sorts of amazing dragons.

Saphira: A most amazing group.

Me: Thanks.

Marianas: It's an honor to meet you all.

Saphira: It's a pleasure.

Eragon: How did you summon them all like that?

Me: We all have amazing and incredible powers. We have many kinds of powers that enable us to do anything.

Eragon: That's amazing.

Laney: We are gods among men and our power is so incredible that we can do anything.

Nico: But there is one rule we have to always follow and that is With Great Power Comes Great Responsibility.

Eragon: Great rule to follow.

Saphira: Indeed it is.

Muscle Man: You know who else likes riding on dragons?

Bruiser Cruiser: Besides Hiccup and his friends?

Muscle Man: My mom!

We laughed at his joke.

Eragon: I don't understand.

Me: Lots of people don't either. But we think it's really funny.

Saphira: It is amusing.

Arya, Brom and Durza then came.

Arya: The famous Team Loud Phoenix Storm.

Brom: It's a true honor.

Me: Same to you all and you all must be Arya, Brom and Durza.

Durza: We sure are.

Brom: It's an honor to have you all here.

Ets: We're glad we can be here.

Miia: Same here.

Me: We came to help you all kill King Galbatorix.

Arya: Really? Wow!

Kangor: (to Eragon with a grin) (Jamaican Accent) I knew you had more friends, mon!

Eragon: I sure do.

Me: And we are also your friends too.

Nico: We'll gladly help you all take down Galbatorix.

Eli: He will pay for his crimes.

Ets: In blood.

Nunnally: And it won't be pretty.

Me: No it won't.

Freon: Where exactly is Galbatorix located anyway?

Eragon: He's locatated in Broddring Kingdom.

Eli sensed for him.

Eli: (Points to the west) It's over there by 10 miles.

Me: That's just beyond those hills. I can sense his evil presense there.

Nico: He has no idea that the most powerful force ever known in the universe is right on his doorstep ready to strike.

Varie: And the power we have is going to make sure he dies.

Speed Demon: Maybe I can use my superspeed to get us over there quickly.

Me: That could work. But we need to give Eragon and his friends all a demonstration of our power and skills.

Nico: And the only way we know how.

Laney: Yep. With the usual battles.

Marah: First, let's have some lunch.

Me: Yeah can't fight on an empty stomach.

Arya: Yeah.

Me: Watch this.

I fired a pink beam of energy and formed a flower into a huge Chicken Drumstick Tree.

Nico: Lets eat.

We got to eating chicken drumsticks.

Eragon: Wow. That was amazing.

Me: That's just one of our many powers that we have.

We got to eating and it was delicious chicken.

Whirlwind: Eragon, your world actually is similar to that of the Lord of the Rings.

Eragon: It does feel like it.

Me: It IS very similar too it and Galdatorix is just like Sauron.

Nico: And every villain like him will pay for their crimes.

Aylene C.: Yep.

We were eating.

Buddy Pine: Eragon, you don't have anyone like Gollum, do you?

Eragon: Who?

Me: A murderous freak of nature.

I went over who or in this case What Gollum was and he was shocked.

Eragon: Oh man. No we don't have anyone like that here.

Me: That's a relief.

Eragon: Yeah.

Buddy Pine: Thank goodness.

We finished our chicken drumsticks and there were huge bones on a plate on the table.

Dr. Polaris: Did everyone enjoy their chicken?

Me: (BELCH!) Pardon me.

Nico: (BELCH!) Excuse me.

May: (BELCH!) OOPS! Sorry.

Eli: (BELCH!) Sorry.

Me: I think that's a yes. Now that we're full lets show Eragon and friends how we fight. Maria call it in.

Maria: Aye aye sir!

Maria called the Masters of Evil.

Then out came Katnappe, Professor XXXL, Cad Bane, Captain Boomerang, Red Ghost, Toy Man, Artie Ziff and The Gentleman Ghost.

Me: Katnappe, Professor XXXL, Cad Bane, Captain Boomerang, Red Ghost, Toy Man, Artie Ziff and The Gentleman Ghost.

Gentleman Ghost: Greetings to you chaps.

Toy man: Looks like the fun is about to start.

Katnappe: Is that another dragon?!

Maria: (grins) It sure is!

Professor XXXL: I bet it's just as impressive as the ones we have.

Cad Bane: It's nice to meet you, Eragon.

Eragon: Same here.

Captain Boomerang: Did you mates just have lunch?

Me: We sure did. Just finished lunch too.

Nico: We also have a bunch of new recruits with us.

Miia: Hello there.

Crono: Pleasure to meet you.

Marle: Awesome to meet you.

Cad Bane: Same here.

Red Ghost: Pleasure to meet you all.

?: It's awesome to have new friends.

A figure came out and it was DUMBBELLTRON of Episode 21 of Beast Morphers!

---

**Dumbbelltron** is a dumbbell/weight-themed Robotron in Power Rangers Beast Morphers, and a minor villain of the episode "Boxed In"

Dumbbelltron was created off-screen by Robo-Blaze to try and destroy the Rangers. He attacks Devon, Zoey and Nate whilst they were investigating reports of his appearance and defeats them by throwing a giant weight on top of them. He was about to finish them when Ravi and Steel arrive. Dumbbelltron tries to outmuscle him but is picked up and thrown into a sign on an overpass like he was nothing and destroyed by Ravi with his Beast-X Cannon. Then Ravi, using his gorilla strength and Steel's help, frees the others Rangers from Dumbbelltron's weight.

---

Zoey Reeves: Dumbbelltron!

Dumbbelltron: Been a while rangers.

Me: I remember you! You were sent to destroy the rangers by crushing them with an incredible amount of weight.

Dumbbelltron: That's right. You really have watched us on TV.

Me: Never missed an episode.

Dumbbelltron: Lets see how you handle this weight.

He threw a huge weight and it was over me and I held up my hand and caught it and was lifting it like it was nothing.

Me: This is easy. How many pounds is this weight?

Dumbbelltron: 500,000 Pounds?

Me: Got anything heavier?

Dumbbelltron: So far that's all I got. But you are strong J.D.

Me: Training and superhuman strength.

I tossed the weight aside.

CRASSSSSHHHH!

Dumbbelltron: (to the Beast Morphers Rangers) Did you Rangers have a good workout from the last time I fought you?

Devon Daniels: We still are sore from what you did to us.

Nico: But that must've been good for your muscles.

Revi: Yeah it was.

Then we heard cackling and then out came THE GHOST OF WITCH MCCOY!

Shaggy: ZOINKS! It's the Ghost of Witch McCoy!

Qin: Oh man! Not her.

Twilight Sparkle: What was she known for.

Qin: She was really Aggie Williams. She was after a huge amount of money that she and her boyfriend stole, $500,000.00 in cash. When she found out about her boyfriend escaping from prison, she went to get the money before he could.

Applejack: Whoa.

Qin: Aggie and her boyfriend got life in prison for their crimes. Then it got buffed up to life without parole.

Twilight Sparkle: Whoa!

?: That's not the only things you have to worry about!

We then saw THE ROWDYRUFF BOYS AND THE SUMO WRESTLERS OF THE 5 GREAT NATIONS!

---

Rowdyruff Boys

The **Rowdyruff Boys** (named **Brick**, **Boomer** and **Butch** ) are major antagonists in the Powerpuff Girls franchise and the male but wicked counterparts and evil biological counterparts of The Powerpuff Girls created by Mojo Jojo and, after their death, they were resurrected by HIM. They are 3 to 5 year-old bullies, with powers stronger and better than the girls, but very easily targeted weaknesses. Eventually, these ruffian kids made their lives' mission to kill (not just to defeat) the Powerpuff Girls, and the Powerpuff Girls, in turn, resorts to rid of these thuggish boys from life.

Because these boys possess powers greater than Powerpuff Girls, the girls must bring out their all to have fighting chances against them (when fighting them, Buttercup who is well-known for all muscle and very little tact, actually discusses about strategy against Rowdyruffs). Whenever these two sides clash, collateral damages of immense proportion befall Townsville.

Brick and Boomer were voiced by Rob Paulsen, and Butch was voiced by Roger L. Jackson who also voiced Mojo Jojo in the same series.

Brick

**Brick**, nicknamed the **King of Crushing**, is the redheaded leader of the Rowdyruff Boys. He is the oldest of his younger brothers. He has a red hat and is the bossy, stuck up member of the team, as well as the brainiest out of all the Rowdyruff Boys, all of which is similar to Blossom, the leader of the Powerpuff Girls. Violent and cocky, his hatred for Blossom is what spurs Brick on throughout the show. In his first fight with Blossom, he mocked her repeatedly, calling her a sissy and expecting her to cry in pain when she gets hit.

Boomer

**Boomer**, nicknamed the **Dumber Than The Dumbest**, is the dumb blonde and big mouth of the team, similar to Bubbles, his counterpart. He is the blue one. He is the dummy of the team and is always picked on by others due to being the youngest, especially his older brothers. His official special power is lightning control. Like his brothers, he is also sly and cool.

Butch

**Butch**, nicknamed the **Baron of Berserk**, is a black-haired tough boy, the middle brother, and sociopath. He is reckless and enjoys fighting more than anything else, like Buttercup. While all three boys love to cause havoc, Butch seems to enjoy it the most. Often, he is the most caring but unlike his female counterpart sometimes, he'll be itching just to get out and do anything destructive. Butch seems to be a version of Buttercup that had all her battlelust and none of her conscience. He has a tendency to twitch when he gets particularly excited.

Ultimate Fate

After the Rowdyruff Boys' final appearance in the episode "Custody Battle", it is unknown what happened to them afterwards. It could be possible that they were simply defeated by the Powerpuffs off-screen or they just left Townsville, and forgot all about destroying the girls, and never returned. However, it is highly unlikely that the girls would've defeated them because, in all of the boys' battle encounters with the girls, the girls were unable to defeat them. Plus the boys wouldn't likely rest until the girls are destroyed for good. The girls relied on other methods to "beat" them such as in "The Rowdyruff Boys", when the girls flirted with them and kissed them on the cheek which destroyed the boys. Or in "Boy Toys" when the girls used Princess' plane, boat, and tank and the boys' natural love of violence against them, which resulted in the boys playing with and destroying Princess' mobile weapons. The boys had so much fun that they laughed to the point where they could not move anymore and so the girls had used their knowledge of the boys to "defeat them".

In "The Boys Are Back In Town", the girls embarrassed them and threatened their masculinity which caused HIM to angrily come and fetch them. In all of these fights, the boys were never actually defeated by the girls. The flashback from "The City of Clipsville" is considered non-canon, as Buttercup pointed out how dumb the flashback was and how it turned out. It should also be noted that in all of their fights against the girls, they were never exhausted or worn out. However, it is possible that the girls found a way to defeat the boys for good if another episode was made, since they didn't appear in the specials or the series finale. This could mean the Rowdyruff Boys were killed for good off-screen by the girls if the original series continued.

Sumo Wrestlers (Naruto)

The **Sumo Wrestlers** are a group of sumo wrestlers that go around attacking shinobi and samurai alike. Their leader is Yokozuna. As sumo wrestlers, they rely on their brutal strength in fights using open-handed slaps. They attempted to overtake Konohagakure, but were unsuccessful after being driven out by the Allied Mothers Force and Konohamaru.

---

Blossom: The Rowdyruff Boys!

Me: Looks like the Masters of Evil decided to recruit you guys after all.

Butch: Yeah and we're loving it!

Boomer: Yeah dude!

May: You three got your powers back?

Brick: We sure did! Now, you're probably wondering how we got out.

Butch: Mojo actually paid for our release. And let me tell you, it wasn't cheap.

Nico: How much did he pay?

Boomer: $912,000,000.00!

Me: WHAT!? That is a load of horseshit!

Nico: Yeah that's a lot of money in Russia.

Me: 66,781,108,800.00 Rubees to be precise.

Nico: Wow!

Lola: That's a lot of money!

Eli: It sure is.

Miia: No kidding.

Nico: I'll pay Mojo back the same amount of money when we're done here.

Me: Good idea. We have all the money in the world so we have more money than we know what to do with.

Laney: Yeah.

Me: By the way you sumo fatwads, you try to take over the Hidden Leaf like you did when the 4th Great War broke out in 150,000 years from now then Konohamaru and the Allied Mothers Force will be the least of your worries.

Eli: Yeah!

Yokuzuna: We make no promises.

Me: Hmm.

Marle: I'll face those tubs of lard.

Me: Sweet. Lets get it on. Eragon, you and your friends are all in for an awesome show.

Kairi Yano: Here's an advance notice, we're taking your treasure.

Nico: And kicking your big ugly ass!

Trixie: Lets gave him!

Trixie used her magic and held the Dumbbelltron in place and then Nico teleported behind the Robotron and placed his Lupin Morpher on the safe and cracked it and it opened and inside it was a sword!

Nico: A sword.

Nico held and he recognized it.

Nico: It's the Flame Tongue!

The blade of the sword then was covered in an extremely intense and powerful flame.

Nico: WHOA!

Trixie: Wow! That sword is powerful!

Devon: Lets finish him! Transport BEAST X BLASTER!

He transported said weapons to them and the LupinRangers were ready!

LupinRangers: THIEF STRIKE!

Beast Morphers: BEAST X BLAST!

Nico: Fire!

They fired energy blasts and they all hit the Dumbbelltron and he exploded in a massive fiery explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

LupinRangers: We bid you adieu.

Devon: VIRUS ELIMINATED!

Nico: Dumbbelltron you have failed this world!

Trixie: A great victory for The Great and Powerful Trixie!

Nico: And we got an awesome sword. This is from Dungeons & Dragons.

Trixie: Wow! That is amazing!

Nico: Here Trixie. You can use this.

Trixie: Really? Wow! Thanks Nico.

Nico: You're welcome.

Troy Burrows: Rangers that's a Super Mega Win.

---

Battle 11: Marle VS Sumo Wrestlers (Naruto)

---

The Sumo Wrestlers were next.

Marle: You guys better be ready for a major buttkicking.

Yokuzuna: We are ready for anything.

Marle: Bring it on tubby!

Marle had ice swirl around her hands and she fired ice blasts and froze them in blocks of ice.

---

Battle 12: Luca VS Rowdyruff Boys

---

The Rowdyruff Boys were next.

Boomer (to Luca): I guess this is our first days with both of our groups.

Luca: It sure is. And it's amazing that you all were made using that old myth of "What Are Little Boys Made of" with Snips and Snails and Puppy Dog Tails.

Butch: Yeah that is crazy.

Brick: But we're ready to kick some big time butt!

Luca: So am I. (Fire surges in her hands) My powers are for fire and I will burn you up.

Brick: Bring it on!

Luca fired waves of fire and she burned the Rowdyruff Boys all over and she kicked Brick down and punched Boomer in the face and sent him crashing into a tree and then she grabbed Butch and kneed him in the balls and smashed him down.

Luca: YEAH!

---

We had the usual battles done.

Eragon: That was so awesome!

Me: Glad you enjoyed the show.

Maria: Now we can go after Galbatorix.

Turbo Man: Speed Demon can't carry all of us to his location. So, I'll help him with that.

Me: Awesome. We're going after him on our dragons. We're gonna launch an all out Dragon Assault on his kingdom.

Nico: That's cool!

Eli: This is gonna be so cool using our dragons for that.

Me: Yep. He wants a dragon war then we'll give him a dragon well. From 100 levels of Armageddon.

Laney: Huh?

Me: It was something I made up.

Laney: Oh.

Me: Get ready Galbatorix, (EYES GLOW RED) We're coming for you.

Nico: Yeah!

Me: Lets ride everyone!

We got on our dragons and we were off to the Broddring Kingdom.

---

Outside the Broddring Kingdom we were hiding in the mountains and we were ready to launch our attack. But we were looking over the land with binoculars and we saw that it was crawling with guards and archers.

Me: They're all over the place.

Nico: We're going to have to launch our attack like we did on the Capitol District in the world of The Hunger Games.

Me: Just what I was about to suggest.

Katniss: Good idea J.D.

Me: Okay here's what we do. Carol you summon King Ghidorah and launch an attack on the castle with him from the air. Tara, you lead a group to attack the front gates and walls from the ground. Lynn, you lead a group that will attack from underground. When all the guards are cleared away, we'll have Vulkanus bust in and greet the "Good" king and then we'll do our entrance but with a dragon.

Nico: Nice plan.

Me: Thanks. Everyone ready?

Eragon: Always ready.

Me: Lets do it.

Troy: Since we're dealing with dragons and magic, I know the perfect Ranger team to use!

Megaforce Rangers: Legendary Ranger Mode: Mystic Force!

The Megaforce Rangers turned into the Mystic Force Rangers.

Eragon: ATTACK!

Carol held her hand up and a massive fiery explosion blasted out of the ground and it formed into a huge fireball and exploded numerous times and formed into KING GHIDORAH! King Ghidorah fired his Gravity Lightning and massive explosions were blowing the kingdom apart all over the place as fire was burning all over the place.

KRABBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOMMMMM!

Godzilla Jr. then appeared and fired an atomic ray blast and it hit the kingdom and it exploded in a massive fiery explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: CHARGE!

We flew at the kingdom.

Tara and her group blasted the walls all over the kingdom and Lynn and her group tunnelled undergroud and they destroyed all the guards all over the place and really blew them apart.

We got all the civilians out of there for the grand showdown.

Vulkanus went into the castle and standing in front of him was KING GALBATORIX!

Vulkanus: Sup, Galbatorix?

Galbatorix: Who the hell are you?

Vulkanus: Someone you don't want to mess with!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the castle wall and a massive dragon formed and it roared with incredible fury and fired a blast of fire from its mouth that incinerated numerous guards in an instant. Then the Dragon exploded and a phoenix cry was heard and we came out and landed and we were ready to fight.

Me: Galbatorix, so we meet at last.

Galbatorix: Team Loud Phoenix Storm. You all will die with those rebel fuckmonsters!

Me: Not if we kill you first.

I unsheathed my sword.

Me: Your reign of terror ends now!

Galbatorix unsheathed his sword.

Galbatorix: Then you will die!

We went at each other and clashed violently and sparks were flying all over and flames were searing everything in the castle.

Galbatorix: (Struggles against me) GET THEM!

The guards all came at everyone.

Nico: ATTACK!

Nico and everyone went at the guards and were slashing and killing all of them all over the place. Miia wrapped one in her tail and threw the guard and impaled him on a spear and Luca and Marle blasted them with fire and ice and blew them apart and Crono blasted them all over with lightning and electrocuted them all over the place. Slurhk, Ulfhedinn, Raimusa, and Spyder smashed and blasted and ripped the guards all over the place apart.

Earthworm Jim: EAT DIRT GUARDS OF TYRANNY! (BLASTS THE GUARDS ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHA!

Ed Cowart: EAT DIRT SERVANTS OF PUTRIDITY! (BLASTS THE GUARDS ALL OVER) HAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Jabberjaw: Time for some shark power!

He chomped a guard and bisected him and ate his legs.

Jabberjaw: You lost your legs on that one. Nyuk nyuk nyuk nyuk nyuk.

Jabberjaw, Red Alert, Emerald and Runamuck used the Ocean, Autobot, Remnant and Earth Cyber Planet Keys and they enhanced Jabberjaw's powers, turned Red Alert's shoulder rocket into a powerful plasma cannon, enhanced Emerald's powers and Runamuck's Friction Rifle 100-fold.

Jabberjaw and Cybertron Red Alert: PLASMA SHARK ULTRABLAST!

Jabberjaw fired a blast of energy and it formed into shark teeth and Red Alert fired a powerful blast of energy.

Emerald Sustrai and Runamuck: ILLUSION FRICTION BLAST!

Emerald fired a wave of energy and Runamuck fired a wave of friction energy.

Lincoln: LIGHTNING STYLE: STORM DRAGON!

Jessica: WIND STYLE: WIND DRAGON!

Ibuki: WIND STYLE: AIR DRAGON!

Gluko: EARTH STYLE: MOUNTAIN DRAGON!

Toph: EARTH STYLE: EARTH DRAGON!

Entrapta: METAL STYLE: METAL DRAGON!

Perfuma: NATURE STYLE: FOREST DRAGON!

Frosta: ICE STYLE: DRAGON!

Nanami: WATER STYLE: WATER DRAGON!

Minerva Mink: WATER STYLE: LAKE DRAGON!

Yuna: WATER STYLE: OCEAN DRAGON!

Mai: FIRE STYLE: FIRE DRAGON!

R. Mika: LAVA STYLE: LAVA DRAGON!

Menat: DARK STYLE: DARKNESS DRAGON!

Shantae: LIGHT STYLE: LIGHT DRAGON!

They fired elemental energy blasts and they formed into dragons of elemental energy and they hit the rest of the guards and obliterated them all.

I clashed with the king some more and then I slashed him in his stomach and cut him really bad!

Me: You have no idea who you are messing with.

King Galbatorix: What the hell are you!?

Me: Your worst fucking nightmare!

Eragon: Your reign of terror ends now!

Eragon, Saphira, Me, Marianas, Carol and King Ghidorah: GRAVITY DRAGON MEGABLAST!

We fired waves of energy and gravity.

Miia: LAMIA DRAGON SUPER BLAST!

Miia fired a wave of energy and it formed into a dragon snake.

Marle: ICE DRAGON SUPER BLAST!

Marle fired waves of ice and energy.

Luca: FIRE DRAGON SUPER BLAST!

Luca fired a wave of fire and it formed into a dragon of fire.

Lincoln, Jessica, Ibuki, Gluko, Toph, Entrapta, Perfuma, Frosta, Nanami, Minerva, Yuna, Mai, R. Mika, Menat and Shantae: DRAGON FINAL SMASH: ELEMENTAL DRAGON ARMOR STRIKE!

They donned armors of their elements and they each wielded a mystic sword of their elements which they used to slash Glabatorix all over.

The blasts all hit Galbatorix and smashed him down and he was brutally mangled!

Saphira: You have tormented the name of the Dragon Riders for the last time Glabatorix!

Nico: And you were never the king to begin with!

King Ghidorah roared at Galbatorix.

Galbatorix: Go to hell!

King Ghidorah did not like that insult.

He charged up his gravity lightning to full power as his necks glowed.

Galbatorix: Oh shit…

He fired a massive blast of gravity lightning and it hit Galbatorix full force and he exploded in a massive explosion of fire and blood.

Nico: YEAH!

Carol: Take that!

Then the castle rumbled!

Me: This whole castle is coming down! Lets get out of here!

We got out just in time as the whole castle collapsed and it was completely destroyed.

Me: That was a close one!

Nico: No kidding!

Eli: Yeah!

Miia: But that was so awesome!

Galbatorix's spirit then appeared.

Me: You will never be welcome in this life or the next.

I hakaied him with just a thought and he glowed purple and screamed in pain as he was obliterated in an instant and banished to the Warp.

Me: Enjoy your trip to the Warp forever.

Eragon: I want to thank you all for your help today.

Gentleman Ghost: Think nothing of it.

Artie Ziff: But that's one of your enemies down.

Red Ghost: And still many more to go.

Toyman: Ghidorah actually deserves all the credit for slaying Galbatorix.

Me: He sure does.

Carol: Yeah.

Me: This was one awesome adventure with our dragons.

Laney: It sure was.

Lola: Yeah.

Me: This was awesome.

Eragon: (To the viewers) Looks like the lands will be safe now that Galbatorix is gone. It's a new era of peace for us and dragons.

Me: You said it Eragon. And we're glad we can help you.

We later went back home and had dinner and went to bed. It's also gonna be awesome more adventures to come.

THE END

---

Another awesome adventure done.

Eragon was a great movie from 2006 and it was so awesome how dragons and humans can work together. It's a darn shame that those dumb critics had to ruin it by calling it a piece of garbage even though it did really well in the box office! Those stupid ingrates! They ruined a great movie that would have made a great franchise and those stupid critics wouldn't know a great movie if it kicked them in their ugly butts! It's a great movie! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Nflemingful, Drako1234658, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys. We haven't done a Goosebumps chapter in a long time so next up is the Goosebumps Book, VAMPIRE BREATH! We're gonna go after a vampire that needs to REALLY brush his teeth after being dead for so long! HAHAHA! I'm just kidding. We're also going to be recruiting the girls from Daily Life as A Monster Girl into my harem starting today. First up was Miia the Lamia. Now it's gonna be Rachnera Arachnera the Arachne of Greek Myth and she is gonna be a great help with eight eyes and eight legs.

See you all tomorrow

# Breath of Vampires

In the world of Spyro, me and Rice were flying over the volcanic realm called the Magma Cone and it was a deadly volcanic area that was overflowing with incredible lava flows.

Me: Wow! What a volcanic area.

Rice: It sure is something. I wonder which one of Miia's friends McWolf kidnapped.

Me: We'll find out when we get there.

We then saw his castle and it was a scary fortress.

Me: Wow! McWolf sure have a lot of castles all over Spyro's world doesn't he?

Rice: Vypra must be paying him a really hefty penny for him.

Me: Yeah.

We landed in front of the castle.

?: Let me go!

Rice: I guess we found one of Miia's friends.

Rice concentrated and groaned as her clothes got tight and her boobs vanished.

And then her clothes ripped as she turned into Razorfist!

Me: It's McWolf Buttkicking Time!

Razorfist: Yeah!

We flew at the castle and smashed in.

McWolf saw us and he screamed and his hair stood up and he screamed like in the Tex Avery Cartoons.

Me: That's funny!

Razorfist: Yeah it is!

We went at him and tickled him all over and he was laughing hysterically.

Me: At least we're not hurting him. Tickling him is much more fun and funny.

Razorfist: It sure is.

We then went up to the castle tower and we kicked the door down and we saw a Spider Woman. It was Rachnera Arachnera and she was an Arachne from Greek Myth.

Rachnera Arachnera: (to Razorfist) A crab? I hope you don't mind spiders!

Razorfist: I'm not just a crab.

Me: Wow! An Arachne, the Spider Women of Greek Myth.

Rachnera Arachnera: The famous J.D. Knudson. It's an honor to meet you. My name is Rachnera Arachnera.

Me: Same to you and wow you are really beautiful. You must be one of Miia's friends.

Rachnera: I sure am. How do you know Miia?

Me: Same thing happened to her with McWolf. He's doing these awesome rescues where me and one of the gene-slammer girls save one of you.

Rachnera: That's amazing! You are certainly my knight in shining armor.

Me: Yeah and Razorfist here is not just a crab. She is really a human girl that was spliced with DNA from another planet.

Rachnera: Wow.

Razorfist: Long story.

Rachnera: I'll have to hear about it later but thank you both for rescuing me.

Me: You're welcome.

Razorfist: I'm gonna revert back now and I'll be naked.

Me: Okay then.

Razorfist: My real name is Rice Fitzgerald and I was turned into this by the Shredder.

Rachnera: Oh man. I've heard about him. I heard you all killed him.

Me: Yep. Here we go.

I put on my blind man glasses and Rice reverted back and she was naked.

Rice was human again but was completely naked.

Rice: (covers herself) Is there a towel around here?

Me: Good thing I have my blind man glasses on.

Rachnera: Here Rice.

She handed her a towel.

Rice: Thanks Rachnera.

She covered herself with it.

Rice: That will hold me till I get new clothes.

Me: We'll have to ask Leni to make you a leotard for this.

Rice: Good idea.

Me: Lets get back home.

Rachnera: Good idea. It will be great to see Miia again.

We went back to the World Tree Estate.

We got back.

Rachnera: Wow. Is this were you all live?

Me: It sure is Rachnera. Welcome to the World Tree Estate of Team Loud Phoenix Storm. It's a massive tree estate that is 100 miles tall and the trunk is 100 miles wide and the foliage of the tree is 1,000 miles wide.

Rachnera: Wow! That is a massive tree.

Rice: It sure is.

Nico: Welcome back guys. Wow! An arachne, the Spider Women of Greek Myth.

Me: Yep.

Rachnera: You must be Nico Chan. I'm Rachnera Arachnera.

Nico: Pleasure to meet you.

Miia came.

Miia: Rachnera!

Rachnera: Miia!

They hugged.

Miia: It's great to see you.

Rachnera: Same here. J.D. and Rice here saved me from McWolf.

Miia: Awesome!

Nico: And I take it Rice doesn't have any clothes because of her transformation.

Me: Yep.

Leni came.

Leni: I'll take her to get some new clothes.

Me: Thanks Leni.

Lynn Sr. saw Rachnera and he freaked out!

Lynn Sr.: (SCREAMS) SPIDER!

Nico then restrained Lynn Sr.

Nico: Mr. Lynn it's all right. She's a friend of Miia. She is the spider woman of Greek Myth, the Arachne.

Lynn Sr. was shaking in fright.

Me: Lets get ready for a trip back to Atlas on Remnant.

Nico: Right.

We got ready.

* * *

Later we were back on Remnant in the city of Atlas and we were there for a reason. We were to find Ruby's friend Penny Polendina.

Blizzard Man: Here we are back in Atlas. I always love the weather here.

Me: I can tell. But it's awesome. It's so cold up here because we're so high up.

Ruby Rose: That's right.

Miia: Rachnera, I'm so happy that you're back.

Rachnera: Same here Miia. It's amazing that you are with J.D. now.

I'm honored that we're in his harem.

Miia: J.D. is an amazing guy.

Varie: He sure is.

Lynn Sr. was shaking in fright at the sight of Rachnera.

Laney: Daddy it's okay, Rachnera is not gonna hurt you.

Twilight Sparkle: What's wrong with your dad Laney?

Laney: Like Leni was, my dad is REALLY terrified of spiders. He has the worst case of arachnophobia ever known. No offense Rachnera.

Rachnera: None taken.

Me: Yeah Leni used to be terrified of spiders. She had a really bad case of Arachnophobia.

Rachnera: That's bad.

Miia: Yeah it sure is.

Lana: I like spiders. But I can't believe that dad and Leni were terrified of them.

Lola: Yeah.

Lucy Loud: I like spiders as much as bats.

Brittney: Spiders as a gothic symbol. The most gothic of them is the Black Widow Spider.

Blackarachnia: And that is the kind of spider that I am.

Nico: They are easily recognized by the red hourglass patch on their abdomens.

Rachnera: I don't have that on my abdomen. Mine is more like a skull.

Spiderman: It looks reminiscent of the Punisher's Skull.

Rachnera: It kind of does doesn't it?

Mary Jane: It sure does.

We then saw a girl sitting on a bench and it was Penny Polendina.

Penny Polendina: Salutations, Team Loud Phoenix Storm!

Me: Penny Polendina it's a pleasure to meet you.

Tarzan: Salutations to you too, Penny.

Penny Polendina: Same to all of you.

Ruby Rose: Penny!

Penny Polendina: Ruby!

They went over and hugged.

Nico: We heard so much about you from Ruby and her friends.

Penny Polendina: I am glad that you have Ruby and friends in the team.

My data vision came on. It was analyzing Penny and it saw that she was an android.

Me: Wow. You're an android.

Penny Polendina: That's correct.

Me: Wow. You are really advanced and well built.

Penny Polendina: Indeed.

Motormaster: It's always nice to meet a fellow robot.

Penny Polendina: Indeed it is. An honor to meet the Transformers of Cybertron.

Rodimus Prime: You know, Penny. You're almost similar to Pinocchio.

Penny laughed.

Penny Polendina: I sure do look like it don't I?

Me: Yeah and that is cool.

Maria: Penny, a lot has happened since you last saw Ruby and the others.

Me: Yeah. We arrived just as Salem came to Atlas and Ruby and her friends were taken to Earth. Where we come from.

Penny Polendina: Wow.

Weiss Schnee: Yeah it was crazy.

Yang: But it was a great adventure.

Ruby and friends went over what happened during the events of chapter 1181 and it was amazing.

Penny Polendina: Wow! You all beat Salem?

Me: Nico did actually. He used a powerful Spirit Bomb on her and destroyed her.

Penny Polendina: Whoa!

Me: Yeah that was intense. It was a brutal and devastating battle. But we destroyed and defeated a bunch of Ruby and her friends major enemies.

Penny Polendina: Who else besides Salem?

Me: We killed Tyrian Callows, Cinder Fall, Adam Taurus, Mercury Black and Jacques Schnee. We also threw Neopolitan, Roman Torchwick, Hazel Reinhart, Leonardo Lionheart and Dr. Watts in prison for their crimes.

Penny Polendina: Wow! You guys have been busy. But Lionheart is dead isn't he?

Nico: Not anymore. That sellout was resurrected by an evil insectoid alien race called the Aparoids. They brought him with the combined power of them, a Dark Orb and a Number Card put together and he was turning mermaids into mindless bloodsucking zombies on Luffy's world and they had mouths like the ones from the Reapers that Blade here faced.

Blade: Yeah they were really dangerous.

Me: They sure were.

Penny Polendina: Whoa! That must've been scary.

Me: A triple whammy infection as I call it. And that was one day before a big war that we were getting ready for.

Penny Polendina: I heard about that.

Nico: Yep and we won that war.

Ruby: Sorry we were away from you for so long, Penny.

Penny Polendina: It's all right.

Me: But the good news is after Salem was defeated we managed to help clear Team R.W.B.Y.'s names.

Penny Polendina: Wow!

Nico: Yeah that was great.

Eli: It sure was. It was awesome that we helped Remnant like that.

Me: Yep. But Salem is now back and she is now Nico's Guardian Angel. We went through a horrible ordeal called the 20 Days of Darkness. From January 23rd to February 11th we had to deal with a bunch of bad guys out to REALLY hurt Nico and us.

I told her about what happened during the 20 Days of Darkness and she was shocked.

Penny Polendina: Oh man! Nico that must've been horrible!

Nico: It was.

Me: But Salem is now back and she is completely changed and reformed in a sense.

Salem: That's right Penny. I'm sorry I did everything I did to you all.

Penny Polendina: It's all right Salem. But it's good you are redeemed. I heard about what happened and it was awful that happened to you.

Salem: I know. It was good that I am now reformed and all that.

Me: It sure is.

Penny Polendina: Yeah.

Me: I also heard that before we came here that Cinder Fall killed a girl named Amber who was the Fall Maiden.

Penny Polendina: That's right. And she stole her powers. I am the Winter Maiden.

Yang: And my mother is the Spring Maiden. We don't know who the Summer Maiden is.

Me: Oh wow. But Cinder Fall is such a bitch. Amber did not deserve this. But I can fix that.

I snapped my fingers and then leaves of autumn flew around and swirled around and a beam of light shined down on the leaves and out of the leaves came Amber the Fall Maiden, back from the dead!

Me: Wow!

Nico: That was awesome.

Amber (RWBY): Wow! Team Loud Phoenix Storm. It's an honor to meet you.

Me: Same to you Amber. I have good news for you. Cinder Fall is dead and Salem has been redeemed of all the things she did.

Amber (RWBY): I heard about that. Thank goodness.

Penny Polendina: That's right Amber. Cinder Fall is gone forever and she will never return.

Amber (RWBY): Good. I'm glad.

Me: I think everyone is glad.

Amber (RWBY): Yeah. But I am forever indebted to you J.D. Thank you for avenging me.

Me: You have Kaz and his group to thank for killing her.

Kaz: That group had me, Sunset Shimmer, Sandman, Spirit Bat Ranger, Weiss, R.J., Kaos, Piccolo, Nuova Shenron, Scream, Tea Gardner, Cana Alberona, Clawful, Vambre, Mimi Tachikawa & Rosemon, Vulture, AncientMermaidmon, and Molten Man in it.

Amber (RWBY): I am forever grateful to all of you.

Sunset Shimmer: You're welcome Amber.

Amber and Penny were now part of the team and it was gonna be cool.

We then went back to Earth.

Later back at home we were gonna go after our next Goosebumps Monster. We were looking at Nico's collection of Goosebumps books.

Keiichiro: Dogranio Yaboon would've liked these monsters in the Ganglers if it weren't for us bringing him into custody.

Dominique: I agree. These monsters are so terrifying that none of them are in the Masters of Evil.

Me: And thank goodness for that.

Eli: Yeah these monsters are awful.

Rachnera: Yeah I would not like these monsters.

Me: None of us do. How about we go after this one? Go Eat Worms.

Lana: Ooh! I would love that one! And I love to eat worms.

Lola: Lana!

Rachnera: You are my kind of girl Lana.

Miia: She is funny and loves eating everything gross.

Me: Yeah.

Nico: But no lets save that one for later.

Me: Okay then.

Artie Ziff, Cad Bane, Gentleman Ghost, Professor XXXL, Toyman, Katnappe, Captain Boomerang, and Red Ghost then appeared.

Artie Ziff: Can me, Cad Bane, Gentleman Ghost, Professor XXXL, Toyman, Katnappe, Captain Boomerang, and Red Ghost go with you guys on the next mission?

Me: Sure. We're looking through all of Nico's Goosebumps books to find a good mission.

Katnappe: Wow! We haven't gone after a Goosebumps monster in a long time.

Nico: I know. It feels like forever. Hmm. (Sees a good one) Ooh how about this one? Vampire Breath?

Brittney: That's a good one!

Lucy Loud: If there are vampires in that one I'm in.

Haiku: Me too.

Me: Well the Goths of Darkness all want to do that one.

Nico: It's settled. Vampire Breath it is.

Naruto: Scary but awesome.

Me: This is gonna be good.

Rita: Wouldn't it be funny if we gave a vampire a good brushing for drinking lots of blood.

Me: A vampires breath would smell like a rotten corpse. No offence Lucy.

Lucy Loud: None taken.

Me: Lets see. The main character in that one is a boy named Freddy.

I went to the computer and found that Freddy lives in Syracuse, New York.

Me: Freddy lives in Syracuse, New York.

Miia: Wow. That's a long way from here.

Me: It sure is.

Varie: But we've been to many parts of the world all over.

Celica: We sure have and they are awesome.

Me: Lets head over there.

We were off to Syracuse, New York.

## SYRACUSE, NEW YORK

We arrived in Syracuse.

Me: Here we are guys.

Nico: Nice place.

Gluko: This must be where Freddy lives.

We saw a really spooky house as Ominous Music Plays in the background and it looked like a house from a REALLY SCARY horror movie.

Me: Whoa! That house gives me the creeps.

Rachnera: It's perfect for me.

Miia: (Hugs me in fright) I'm scared J.D.

Me: (Comforts her) It's all right Miia. As long as you're with all of us you'll be all right. Lets go in.

Shaggy: Like us, go in there!? (Whimpers) NO WAY! No way are you gonna get me and Scooby in there!

Scooby Doo: Reah! Forget it!

Rachnera: How about my way?

She fired spiderwebs and grabbed them and picked them up in her arms.

Rachnera: You guys are such a pair of chickens.

Me: I've been telling them that for years.

Shaggy and Scooby clucked like chickens.

Sunset Shimmer: Those two are total cowards.

Fred Jones: Tell me about it.

We walked up to the house and lightning struck in the sky even though there were no clouds. Crows were cawing and owls were hooting and bats were screeching. Eerie moaning was heard and it was like a really scary house of horrors.

Me: Whoa. This place is like a house from hell.

We went up to the door and rang the bell. The doorbell sounded like the funeral march.

We shook in fear at the sound of that bell.

Varie: Whoa.

Aylene C.: Who in their right mind would have a doorbell like that?

Me: No idea.

Fu: It's creepy.

The door opened and lightning flashed and answering it was a blond hair boy named Freddy.

Freddy: Team Loud Phoenix Storm it's truly an honor.

Me: You must be Freddy.

Freddy: That's right.

Toyman: (to Freddy) Please tell me you're not really Freddy Krueger!

Freddy: No I'm not.

He showed his fangs and we screamed.

Shaggy: ZOINKS! He's a vampire!

Me: You're a real vampire!

I pulled out a silver stake and put some garlic bulbs around my neck.

Me: You're not drinking our blood!

Freddy: Whoa whoa I don't want to hurt you or drink your blood.

Me: Really?

Freddy: Yeah I heard about your adventures and I would never hurt you or drink your blood.

Me: Oh good. But you're a vampire.

Nico: Wait I remember in the book that Freddy and all of his family are vampires.

Miia: Wow. That is really cool.

Lucy: My kind of family.

Brittney: That must've been really shocking to know that you come from a family of vampires.

Freddy: It was at first but I like it.

Me: It sure is cool.

Sibella: (Transylvanian Accent) It's fang-tastic to meet a fellow vampire.

Freddy: Same to you Sibella.

Lola: I forgot that Sibella is a vampire too.

Nico: And she is the daughter of Count Dracula.

Mavis: So am I.

Masker Mind: You know, Freddy, I'm actually Undead as well.

Hex: So am I.

Freddy: Wow!

Sawyer (Camp Lakebottom): I'm undead myself.

Freddy: Wow! A zombie.

Sawyer: Yep. I'm Sawyer.

Freddy: Pleasure.

Me: Sorry for being so paranoid Freddy. You see we faced numerous vampires over the course of our entire career and they were ruthless and savage bloodsuckers.

Freddy: I take it you guys faced Deacon Frost and people like him.

Me: That's right! How did you know about that?

Freddy: I've heard so much about him and he was the most ruthless vampire that ever lived. La Magra the Blood God.

Blade: This kid has been doing his homework on all the fields of vampires.

Me: He sure has.

Brittney: Do you recognize the crest on this ring.

Brittney showed her ring I gave her to him and he saw it.

Freddy: That's the Crest of The House of Damaskinos.

Brittney: That's right.

Dracula (Hotel Transylvania): (Transylvanian Accent) You have good knowledge of all vampires.

Freddy: Indeed.

Grave Clobber: I'm also part of the Undead. I'm a mummy. But I represent both Water and Earth.

Gentleman Ghost: Being a ghost, I'm pretty much undead too.

Me: Lets not forget Danny Phantom. He's half undead too in a sense.

Danny Phantom: That's right!

Me: And the Ghosts of the Ghost Zone.

Nico: Yeah.

Me: We have a lot of friends of the great monsters of horror.

Bat Spin: (Transylvanian Accent) That's right. I'm a vampire myself.

Ghost Roaster: I'm a skeleton.

Night Shift: I'm a vampire too. Vampire Boxer rather.

Me: We also know all the great monsters in Hotel Transylvania.

Freddy: That is so cool!

Me: It sure is.

Nico: Yeah it is.

Mandy: Lets not forget about this. Irwin is also part of the undead.

Me: How so?

Mandy: He's half vampire and half mummy.

We gasped.

Me: Whoa!

Nico: Irwin is half vampire and half mummy? Wow!

Blade: I thought I was the only one that was half vampire too.

Irwin: It's true yo. I can walk in the sunlight but I'm weak to silver and garlic.

Me: So only one of those weaknesses covered. Is anyone in your family a vampire?

Irwin: Dracula is.

Grim: (Jamaican Accent) (To Dracula (Hotel Transylvania)) It's not the Dracula we know. It's you but a different version. The one we know.

Mandy: Same guy but a different version.

Me: Wow! What a family tree.

Irwin: It sure is yo.

Lola: That is really cool.

Rage Mage: Are any friends with you and your family right now?

Freddy: Actually yes. My friend Cara Simonetti. I also found out that she is a werewolf.

We gasped.

Me: Wow! You're a vampire and she is a werewolf.

Nico: That is amazing.

Lola: We faced a lot of werewolves many times before.

Me: We sure have. And check this out.

I growled and then my skin turned furry and my ears turned into wolf ears and my eyes turned glowing yellow and slit and my teeth grew into fangs and I grew a tail and then my fingernails on my hands and feet turned into claws. I turned into J.D. THE NOCTURNAL!

Me: (Beastly Voice) **I am also the famous hero J.D. The Nocturnal. A werewolf.**

Freddy: Oh wow! That is so cool!

Miia: J.D. is also a werewolf!? That is so cool!

Rachnera: That is amazing! Wow!

Minerva: I didn't know J.D. was a werewolf too.

Minerva Mink looked outside and she saw that the moon wasn't even out.

Minerva Mink: There's no full moon.

Eli: J.D. has the power to turn into a werewolf at will even when the moon isn't out.

Batman: It's really interesting.

Me: **It sure is. I used this form to destroy an evil werewolf cult that out to massacre many people from America.**

Nico: I remember that.

Laney: Yeah that was crazy.

Me: **Yeah.**

Professor XXXL: It's actually my turn for the usual battles again. But we still have to wait for the others.

Muscle Man: You know who else likes vampires and werewolves?

Pinkie Pie: I know what the answer is to this!

Muscle Man: MY MOM!

We laughed at his joke.

Freddy: I don't get it?

Me: **We don't either but he is really funny.**

Laney: He sure is.

Shaggy: Like yeah. But uh do you guys got any food here?

Fred: Shaggy is there anything you won't do besides think about food?

Shaggy: Like it's not my fault I'm not hungry.

Me: **You're always hungry.**

Nico: Yeah they sure are.

I reverted back.

Me: We got a lot of time professor.

Freddy: Why does he have a turtle shell?

Me: He does all kinds of crazy things to himself to set a good theme.

Freddy: Neat.

Komba: Let's see what's on the news right now.

Harpus: I hope it's something exciting like a car chase!

Me: Yeah!

We turned on the TV and it showed that there was an attack on a thug that was stopped from mugging an old woman.

Me: Wow! Someone did us a favor and stopped a mugging.

Varie: Yeah.

Sheila: Wait a second. I know him! That's Knifeblade Harry the Remorseless. Me and the guys on the force have been after him for a long time.

Laney: What did he do?

Sheila: He has been doing a huge string of robberies and assaults by stabbing people and mugging them too.

Me: Geez!

Katnappe: Well, I don't think we have any bad guy to- (notices something else happening on the news) Wait. Something else is going on in the news right now.

We saw that the thug had familiar looking bite marks on his neck and they were VAMPIRE BITE MARKS and he was totally drained of his blood!

We gasped in shock!

Me: Those are vampire bite marks!

Rachnera: Yeah.

Miia: Definitely the telltale signs of a vampire attack.

Nico: Yep.

Freddy: Looks like my grandfather got another one.

Me: In the daytime? But vampires will incinerate in the sunlight.

Freddy: Oh it was last night.

Nurzak: I take it your grandfather is Count Nightwing?

Sabator: We read all about him in your book.

Freddy: Yeah that is him.

Me: Lets see here.

I pulled up his info.

---

Count Nightwing is the main antagonist in the forty-ninth Goosebumps book, Vampire Breath, and its television adaptation.

Count Nightwing lived in a castle full of other Vampires and his daughter Cynthia for a hundred years and he was the feared leader of his clan. Every night, he and the other vampires would go out in search of blood in order to quench their thirst. Count Nightwing had been living off his life and reign by enslaving others and drinking blood. Sometime later, he fell into a deep sleep for a hundred years. But not before he was given a bottle of Vampire Breath, which was very important to all vampires as they can't live by blood alone and Vampire Breath does everything for vampires as it allows them to travel through time, become invisible and reappear, giving them energy, keeping their skin smooth and clear, helping them sleep, keeping their bones from drying into powder and freshening their breath. And it also restores the vampire's memory, helping them remember.

Count Nightwing's coffin was put at the end of a secret tunnel in Ohio and he slept there until two kids, Freddy Martinez and Cara Simonetti discovered his coffin after discovering the secret tunnel, which was located underneath Freddy's basement. Count Nightwing was terribly thirsty after his long sleep, so after he introduced himself to them, he went after the two children throughout the tunnel to drink their blood. He was about to take some of Cara's blood when he realized he didn't have his fangs. Count Nightwing feared himself to be doomed for a moment until he asked Freddy and Cara to help him by finding the Vampire Breath, to which they replied that they dropped it and a lot of it spilled out. Count Nightwing became desperate to have it so he can go back to his time where he had his fangs and was astounded to know that he had been asleep for a hundred years. He led Freddy and Cara back to the room where his coffin is and ordered them to find the bottle. Cara eventually found it and Count Nightwing opened the bottle and took him back to his time.

Count Nightwing had returned to his time and castle in hopes of being able to remember where he had left his fangs. While he was at it, he found that the Vampire Breath had inadvertently transported Freddy and Cara back to his time with him and they angrily told him that he had promised them that he would go away and leave them alone. They demanded him to send them home, to which Count Nightwing replied that he doesn't know how and told them that he will turn them into vampires as soon as he finds his fangs. Count Nightwing then remembered the VAMPIRE BREATH and explained to the two kids about what it does and since it was 1880, his bottle was still full so he went off to find it, trying to remember where he put it. Later on, Freddy had jumped out of the only window in the kitchen that didn't have bars that was facing a ravine while he and Cara were trying to escape, so Count Nightwing changed into a bat and caught Freddy before he could fall all the way down.

Count Nightwing then told Freddy not to try to escape again as it is a waste of time and he won't catch him next time. He then ordered the two children to help him find the bottle of VAMPIRE BREATH and went to a guest room to see if it was there. After that, he caught Gwendolyn advancing on his two prisoners, resulting in a fight between him and her. Then he caught up with Freddy and Cara in a room full of bottles of VAMPIRE BREATH and he remembered that this was where he hid his bottle. He started to look around for his bottle, with Freddy and Cara trying to get to it first. Freddy eventually found it and Count Nightwing was about to open it when Freddy made him drop it by ramming him in the chest. Then the two kids played a keep-away game of Monkey in the Middle with him, to which Count Nightwing soon lost patience with. He eventually got hold of the bottle and opened it. At first, it turned out to be an empty bottle and Freddy had the full bottle. Count Nightwing swiped at the bottle, only to cause Freddy to drop and break it and letting a thick sour mist pour out.

The mist had transported the three back into Freddy's basement at their time. Count Nightwing was most dismayed at this and even more upset that there wasn't any Vampire Breath to take him back to his time and he will never remember getting his fangs. Count Nightwing was just advancing on the two kids when Freddy's parents came into the basement. Count Nightwing recognized his daughter Cynthia who was thrilled to see her father awake after a hundred years. Her husband also introduced Count Nightwing to Freddy, who is actually his grandson which he was most astonished. Count Nightwing then told Cynthia that he had lost his fangs to which his daughter replied that they are in the glass in the bathroom where he left. After he finally got his fangs, Count Nightwing suggested to Cynthia and her husband that they fly into the night as he was really thirsty after a hundred years. The three vampires then changed into bats and flew out of the basement window, leaving Freddy in shock to know that he was a vampire too.

---

Me: Whoa man!

Nico: That is crazy! And it's hard to imagine that Count Nightwing is your grandfather and that your whole family is a vampire family.

Freddy: Yeah I was really shocked that I was a vampire.

Me: Boy I would be shocked myself.

Lucy Loud: I would like it. (Hisses at Freddy)

Freddy: Whoa!

Me: Lucy became a vampire because of an accident that happened at her family's house long before Royal Woods became Gotham Royal York.

Nico: Yeah that was really freaky.

Rachnera: What happened?

Twilight Sparkle: Yeah some of us don't know about that.

Me: Right okay.

I went over what happened during the events of chapter 5.

When I was done everyone was shocked and amazed.

Leni: I totes remember that.

Ed: Yeah that is crazy.

Eddy: No kidding Lumpy.

Edd: Really amazing.

Nico: It sure was crazy.

Red Ghost: We have to stop him before he starts biting people who haven't committed any crimes!

Me: I agree! We first have to find out where he is.

Nico: That's gonna be hard. With the Sun out he could be hiding in the alleys in between the buildings.

Me: And Vampires will be burned in the sunlight.

Brittney: Yeah.

Me: But we have to stop him. Lets go!

We went into town.

Dead End: If we don't stop Count Nightwing, he'll have an army of vampires at his command. And then, the entire Earth will be infested with vampires.

Hikari Nonomura: (sarcastically) You're a really positive guy, do you know that?

Me: Don't worry we will stop him. The only good vampire to Blade is a dead vampire. No offense Freddy.

Freddy: None taken.

Freddy had Nightingale's dark matter shielding him from the sunlight in a dome of the stuff.

Freddy: How are you able to protect me from the sunlight like this?

Nightingale: I have the power to make this dark matter that blocks out sunlight.

Me: She got those powers from an experimental mutagenic compound and it mutated her. Before, she and the Night Breed couldn't go out into the sunlight because the

Ultraviolet Radiation from the sun was like Kryptonite to them. It weakened them like a poison.

Nightingale: That's right. But J.D. fixed that for us.

Brickhouse: He sure did.

Captain Boomerang: I'm gonna throw one of my boomerangs. When it explodes and we hear a scream, we'll be able to find Count Nightwing.

Muscle Man: You know who else likes sucking blood?

May: Who?

Muscle Man: (Captain Boomerang throws a boomerang) My mom!

We laughed at his joke.

Me: Good one.

Freddy: I'm starting to get it now. He's funny.

Mordecai: He sure is.

KRABBBBOOOOOOOOMMMM!

We saw an explosion come from a dark alley and then we heard a scream.

Me: Target found.

We went to the alley and it was dark and shady and we found COUNT NIGHTWING!

Freddy: Grandpa?

Count Nightwing: Freddy?

He smelled blood on us and went at Octane.

Count Nightwing grabbed Octane and was about to bite him when he sniffed him.

Count Nightwing: (lets Octane go disgusted) All you have is oil. I need human blood. (walks away from him)

Octane: (offended) You don't have to be a jerk about it!

Me: I don't think Transformers have oil for blood. I think they have Energon for blood.

Optimus Prime: Some Transformers use energon for blood and some don't.

Me: That makes sense.

Count Nightwing grabbed me and sniffed me.

Me: Uh you don't want to taste my blood. It's poisonous.

Freddy: Is it really?

Me: Watch.

I took a dagger and cut my hand and then I sprayed blood all over the wall of a building and it dissolved a hole into the building like extremely strong acid.

Rachnera: Wow! That is potent blood!

Miia: No kidding! That stuff is lethal.

Me: Yep.

Count Nightwing: I see your point.

He then went at Horsea!

Count Nightwing just grabbed Horsea.

Cad Bane: Oh crap! He's got Horsea!

Count Nightwing: You have normal blood. So you'll have to do.

Horsea: No! Please! Somebody help me!

I held up a cross to Count Nightwing and he saw it and hissed and dropped Horsea.

Maria: Horsea!

Me: Back off foul demon!

He hissed ferociously!

Nico: Wow! I thought crosses not working on Vampires was only in the movies.

Me: I guess it's real now.

Brittney: We got to calm him down somehow.

But then Selma & Patty, Skulker, Shendu the Demon Sorcerer of Fire, Mumbo Jumbo, Professor XXXL, Zzzax, Golden Glider, Grizzly, David Cain and Shrapnel then appeared.

Me: Selma & Patty, Skulker, Shendu, Mumbo Jumbo, Professor XXXL, Zzzax, Golden Glider, Grizzly, David Cain and Shrapnel.

Shrapnel: Good to see you all here.

Shendu: Indeed. It's really amazing that you all have a vampire friend.

Skulker: Not only that but it was a long time since you faced a

Goosebumps monster.

Me: It sure has been a while.

Carly Beth: Yeah no kidding.

?: It sure has been a while hasn't it.

A figure came out and it was GAMEFACE! Back for round 2.

Me: Gameface.

Nico: Back for round 2 I see.

Gameface: Yep.

Laney: Awesome.

Gameface: I actually know who my archenemy is gonna be.

Paula: Who?

Gameface: Either you or Margo.

Margo: I'll go! I want to have my shot in.

Gameface: Game on!

Selma: You having a good day, XXXL?

Professor XXXL (goes over to them): I sure am!

Skulker: Glad to hear it.

Shendu: (to Count Nightwing) My, what sharp teeth you have.

Count Nightwing: The better to suck your blood with!

Shendu: I'll burn you if you do!

Bai Tza: My brother's blood is made of pure fire just like mine is pure water.

Tso Lan: And mine is made of moonlight.

Patty: That's lethal. Who is the spider girl with you J.D.

Me: This is Rachnera. She's an Arachne from Greek Myth.

Miia: And she's one of my many friends.

Selma: Wow! McWolf gave J.D. another awesome hottie.

Nico: Yeah he did.

A roar was heard and then out came a glowing creature! It was THE MOON MONSTER!

Shaggy: ZOINKS! It's the Moon Monster!

Qin: Whoa! I know this monster from China.

Twilight Sparkle: What did he do?

Qin: He was really Kim Chow Ling's uncle Chin and he dressed up as the Moon Monster so that he can get Kim's fortune all for himself.

Applejack: What did he get in China?

Qin: He got 10 years in prison and he then got sent to our prisons for life in exile.

Fluttershy: Goodness.

But he wasn't the only ones. Out came The Wax Phantom, Space Kook, The Laughing Green Ghosts, The Swamp Witch, The Ghost of Captain Cutler and the Devil Bear!

Nico: Whoa! A plethera of monsters!

Laney: Wow!

?: And us.

Out came two more figures too. They were TIMBERIUS and THE AWESOME ANDROID!

## Timberius

**Timberius** is one of several Inhuman criminals that Black Bolt finds guilty of treason and is banished from the Hidden Land of the Inhumans to another dimension. When the Hulk attacks Lockjaw, he teleports the Hulk to the dimension where the evil Inhumans have been banished. Maximus the Mad appears and recruits them all as part of his military takeover of Attilan, and teleports them all back to the Hidden Land. Maximus seeks a device created by the ancient Inhuman scientist Romnar, which can absorb people. The evil Inhumans use the Hulk to gain access to the device, and build a ray gun to use it to attack Black Bolt. The evil Inhumans squabble over the device for their own ideals of conquest, and Black Bolt is able to defeat them. To try to regain Black Bolt's favor, the evil Inhumans try to stop the Hulk as he rampages through Atillan, but only Black Bolt is able to stop the Hulk.

When Maximus captures the Fantastic Four and the Inhuman Royal Family, he selects Timberius as one of his loyal guard to serve him. When the prisoners escape, they defeat Maximus and the Inhumans loyal to him, but are unable to stop Maximus and his followers from escaping in a rocket.

Maximus takes over the island of Costa Salvador with his band of evil Inhumans, using a robot that puts people into a hypnotic trance, and intends to slowly take over the world with more of these robots. The Hulk arrives on the island, and the evil Inhumans attack him; when the military arrives, Maximus convinces the Hulk to join him. The Hulk attacks the army, causing them to retreat, and the evil Inhumans begin arguing over what to do with him as they fear his aggression. As they begin fighting with each other, Maximus calms them. When the Hulk smashes Maximus' robot, the Inhumans flee through a secret tunnel. As the Hulk and the military square off to fight, Maximus and the Inhumans blast out of the ground in an escape ship that flies off into the sky, providing a distraction for the Hulk to escape.

The evil Inhumans assist Maximus as he Maximus produces a couple of missiles to makes it look as though the Fantastic Four fired them at the Great Refuge; after Black Bolt destroys the missiles, he declares war on the Fantastic Four.[5] Black Bolt suspects Maximus may be behind the missile attack and dispatches Triton to check up on him, who discovers the missile silo and abducts Maximus to return to the Great Refuge for judgment.

When the Silver Surfer crash lands in the Hidden Land of the Inhumans he is attacked the evil Inhumans led by Maximus, who succeeds in making the Surfer believe that the Inhumans as a whole are responsible for the attack.

Timberius appears again some time later, after Atillan is relocated to the Blue Area of the Moon. When Thane Ector and the Brethren crash their spacecraft nearby, Karnak, Timberius, Quicksilver, and a group of Alpha Primitives go to investiage the crash, and are captured. Thane Ector tortured Timberius, breaking many of the limb-like projections from his head, until Timberius revealed that Earth was more ripe for conquest than the moon.

Timberius was part of a group of Inhumans, including Kaliban, Asmodeus, Avius, Falcona, Leonus, Pinyon, and a Seeker, that assaulted the Fantastic Four during a public appearance in the Bronx, New York. The Inhumans sought to recover Ahura, the son of Black Bolt and Medusa, for the Genetics Council. Ahura was convinced to return to Attilan peaceably, but the Chief Justice of the Genetics Council betrayed the rest of the Inhumans to usurp Ahura's power for himself. The "evil" Inhumans continued to defend the Genetics Council, but when the Chief Justice was defeated, they vanished into the shadows.

When Portuguese mercenaries attacked Atillan, Timberius' brother Naanis, a member of the royal guard serving as a pilot, was killed in the battle. Timberius requested revenge from the Genetic Council for his brother's death.

## Awesome Android

The **Awesome Android** is a supervillain from the *Marvel Comics* universe. He is an enemy of the Fantastic Four, Iron Man, Captain America, and Captain Marvel.

## Origin

The Mad Thinker created the Awesome Android using DNA replication notes stolen from Mister Fantastic. Splicing ape DNA with unstable molecules, the Thinker created an organic body in which he placed a computerized "brain" along with a solar charger; ultimately creating an artifical being that was part robot and part android. The Thinker used the Awesome Android to commit crimes, but was stopped by the Fantastic Four. The Thinker continued to use the Android, until he built more effective robots. Later, the Super-Adaptoid used the Android in his group of robots, Heavy Metal. In a battle with the Avengers, Namor ripped off the Android's head and let it's body sink into the ocean. The Android began calling himself Awesome Andy, and took a job working for the law offices of Goodman, Lieber, Kurtzberg, and Holliway. Andy was a hard worker, and everyone at work got along well with him. Andy wore a chalkboard to communicate with other workers. Although he was gravely injured in a battle with Titania, Mr. Holliway threatened to sue Reed Richards for all he is worth until he agreed to repair Andy.

## Future Foundation

Awesome Android followed Mad Thinker when he joined the Future Foundation in Reed Richards' attempt to defeat the other Richards from other realities that treatened this universe. After the appearance of the Inhumans at High Evolutionary's city, Awesome Android was captive at Attilan along with Mad Thinker and El Diablo.

## Last appearance and Return

After developing the Zero Cannon along with the Intelligencia, the Sinister Six attacked them to rob the weapon, which had the power to send specific objects to space. Doctor Octopus proposed to M.O.D.O.K. to use the weapon in a fight where only one team could survive, during which Awesome Android was sent to space. After the battle, M.O.D.O.K. was expelled from Intelligencia's base by Doc Ock, swearing that he would find a way to revive the dead members.

Apparently, M.O.D.O.K. managed to revive the dead members of the Intelligencia as well as making space for the Trapster to join them and formulate a their plans after their predicted shatter of the superhero community. Their meeting was inrrupted by Deadpool, who tried to sink the ship where they were, but was defeated by Trapster.

Andy with some persuasion does manage to convince Rhona to allow Stark to use a lifeline from the captives that Tony frees. Annoyed that Stark won, Rhona sends Andy to take care of Tony and his friends.

Andy some how easily manages to beat the gang of friends, so Tony puts on the Iron Man armor and ends up fighting Andy, but he appears to have super-strength and laser vision. Iron Man scan of Andy reveals he is actually an android.

Tony tries to make Andy realize that he is an android, but he attacks Iron Man anyway. Iron Man manages to damage Andy. It is revealed that Andy was built by Rhona out of loneliness and who losing grip from reality when she escapes from Ravencroft Insitute.

## Ultimate Spider-Man

The Awesome Android or "Andy" was an experiment in Dr. Curt Connors' lab on the S.H.I.E.L.D. Helicarrier in brick form. It was found by Spider-Man for him and Luke Cage to use in a science fair project. Before the science fair begins, brick comes to life and starts eating everything. Agent Coulson states that it is an artificial intelligence and that it eats inorganic matter to increase its growth. "Andy" swallowed Agent Coulson, who emerged with his clothes dissolved during Andy's ingesting of him. "Andy" then goes on to eat up much of the city.

While Power Man and Nova stop the train, the rest of the team fight "Andy". The fight with "Andy" is crashed by Juggernaut as "Andy" stubs his toe on Juggernaut. "Andy" then eats Juggernaut and emitted out of him with his clothes having been dissolved by "Andy" Upon absorbing some of Juggernaut's powers, "Andy" screams at the sight of Spider-Man and tries to stomp on him.

During the fight, Spider-Man and his team discover that "Andy" contracts to cold as it causes him to shrink. While Iron Fist tries to tap into Andy's powers, Spider-Man and Power Man use Nova and White Tiger's ice-making experiment as Power Man throws Spider-Man and the science fair experiment into "Andy" which caused "Andy" to be dissolved back into its harmless form. "Andy" is then reclaimed by S.H.I.E.L.D.

Princess Luna: Good idea!

Princess Luna moved the moon and blocked out the sun and formed a Solar Eclipse and we were in the night of day.

Lana: Perfect. Guess we should have thought of this before.

Me: We better hurry. Princess Luna can only hold this for 8 minutes.

Freddy bit him in his hand and Count Nightwing screamed in pain and then he calmed down.

Count Nightwing: What? What happened?

Me: It's a long and ugly story.

Freddy: Are you calm now?

Count Nightwing: I believe so.

Mumbo: At least no one was killed.

Zzzax: But now, you owe us an explanation.

Golden Glider: Yeah! Why'd you go crazy like that?!

Nightwing: I just trying to stop a robber from mugging an old lady.

But while I succeeded, I must've smelled blood from the injuries I gave him.

Grizzly: Well, at least you did a good deed before that.

Me: And you did us a favor. But the next time you get a craving for blood do what I do.

Nightwing: What's that?

Me: Go to a local blood bank and ask for a drink of blood.

Nightwing: Good idea.

Nico: Yeah.

Brittney: (To the viewers) This was a dark adventure and it was awesome getting back into the fray in destroying the Goosebumps monsters. But there are still many of them out there. So we have to be ready.

Nico: And we will.

We later had Count Nightwing and Freddy and his family put in our estate so it will be dark for him all the time and he will not worry about the use of Vampire Breath or anything like that and he can go to the same blood bank I give Lucy her blood. We had a nice dinner and limited the garlic around Freddy and Nightwing and then went to bed. But we had to have garlic bulbs around our necks for a while as it will take them a while for them not to bite us in the middle of the night.

THE END

---

Another awesome fanfic done.

Vampire Breath of Goosebumps was a freaky one. Can you imagine smelling that stuff? It would smell like a thousand rotten corpses. YUCK! NicoChan11, JediAvatarOfShinobi, XP4Universe, Omegahatchiyak12, vinjedi1995, Darkhai, Etstheclarencefan, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this one. Thanks guys. Next up in the girls of Daily Life of A Monster Girl is the rescue of Cerea the Centaur and we're going to rescue her in Cliff Town. Also the next chapter will be for another episode of Are You Afraid of The Dark? and we're going after the Braun Family and they are a family of evil vampires and we're going to kill them all and they will be new neighbors that are moving in at night and it will be weird. We're going to kill them all and make sure those monsters pay.

See you all tomorrow.

# A Family of Evil Vampire Neighbors

Flying over Cliff Town, me and Trudy Bolton were flying over the town and we were searching for the castle of McWolf.

Me: It should be here somewhere.

Trudy: Is that it over there?

We saw the castle up ahead.

Me: That's it.

We went up to the front door of the castle.

?: Help me!

Trudy: I've been waiting at my turn for a rescue.

Trudy concentrated and groaned as her shirt got tight.

And its back ripped and her wing fins popped out and she turned into her Flying Fish Gene-Slammer form, Fast Flyfish!

Me: Lets fly!

We flew and smashed into the castle and McWolf saw us and then he screamed like a little girl as he saw us.

We jumped him and tickled him all over.

Me: Coochy coochy coo!

He was laughing hysterically.

McWolf: (Laughs) OKAY OKAY! You got me! She's upstairs.

We went to a room and we saw Cerea the Centaur and she was a REALLY hot one!

Me: Wow! A Centaur from Greek Myth.

Cerea: Wow! The famous J.D. Knudson of Team Loud Phoenix Storm. It's an honor to meet you. My name is Centorea Shianus. But everyone calls me Cerea.

Me: It's a pleasure to meet you Cerea. We met two of your friends Miia and Rachnera.

Cerea: Awesome! I heard that they are now in your harem. Is that true?

Me: It sure is.

Cerea: Cool! I want to join too.

Me: AWESOME!

Trudy was human again. But without a shirt.

Trudy: There's really nothing for me to cover up, J.D. I'm still a kid. So, my inappropriate parts haven't been developed yet.

Me: I understand.

Cerea: But we'll get you a new shirt when we get back.

Me: Yeah. Lets head home.

Cerea: It will be awesome to see Rachnera and Miia again.

Me: It sure will.

I cut open a portal and we went back to the World Tree Estate.

When we got there Trudy went to her room to get a shirt and Nico came in.

Nico: Wow you got back fast and wow! A centaur from Greek Myth.

Cerea: It's a pleasure to meet you Nico. I'm Cerea and I'm a centaur yes.

Nico: Awesome!

Rachnera: Cerea? Is that you?

Cerea: Rachnera, Miia!

She went over and hugged them both.

Miia: It's great to see you!

Rachnera: We're glad you're all right. J.D. and Trudy must've saved you.

Cerea: They sure did. It'll be awesome being part of the team and the harem.

Miia: We're so happy for you to be with us.

Rachnera: You said it.

It was a great day for Cerea.

Later in Equestria, during the early morning hours, the Timberwolves were howling and that could mean only one thing.

[timberwolves howling]

**Applejack** : [snoring]

[pots and pans banging]

The Apple Family got disturbed by this.

[Banging continues under the cover of night]

**Granny Smith** : The timberwolves are a-howlin'! The timberwolves are a-howlin'!

[timberwolves howling]

They were howling in the distance.

**Big McIntosh** : Eeyup.

Now she was chanting like Paul Revere.

**Granny Smith** : The zap apples are comin'! The zap apples are comin'!

The Timberwolves howling meant that the annual Zap Apple Season was coming!

**Applejack**, **Apple Bloom** and **Big McIntosh** : Yay, the zap apples are comin'!

**Granny Smith** : That's what I said.

The next morning we were helping Applejack and her family get everything ready for the big annual Zap Apple Harvest.

**Granny Smith** : Hey, silly goose! Quit your gawkin' and move your caboose!

Livewire: Zap apples, huh? I think it's safe for me to eat those.

Me: And we're making perfect timing too. The Zap Apple Harvest is starting later this week.

Lincoln: Awesome! It will be so cool to see that.

Miia: I am looking forward to this.

Cerea: Me too Miia.

Rachnera: Me too. I have never heard of this before.

Me: We had Zap Apples before in Jam and juice form and it was really good. Remember Nico that we had it for breakfast when you were so pissed off about taking a shot for Lincoln and how you compared us to the Royal Defenders?

Nico: (Groans) I wish I could forget saying that!

Lori: You were just blind with rage Nico. It literally wasn't your fault.

Salem: Yeah Nico it's in the past.

Nico: Oh. So what is the first sign of the Zap Apples?

Me: Well I've been doing some research on the signs for Zap Apples coming and it says here that the first sign for the Zap Apples coming is the Howling of The Timberwolves.

Applejack: Right and that was already done last night.

Twilight Sparkle: This is gonna be really something seeing this in action.

Then we felt wind blow and storm clouds came in and then the trees had lightning and electricity surging through them and then purple leaves suddenly appeared.

Me: WHOA!

Applejack: The Zap Apple Leaves. Right on schedule.

Me: That's the second sign.

Nico: Wow! Those trees must be magic.

Applejack: They are indeed.

Granny Smith and Apple Bloom were in bunny costumes and they were hopping over water pitchers.

**Granny Smith** : A, B, C, D, E, F, G, H, I, J, K, L-M-N-O-P…

Filthy Rich and Diamond Tiara came.

**Diamond Tiara** : That is adorable.

**Granny Smith** : Well, howdy-doo there, Filthy Rich!

**Filthy Rich** : Hello, Mrs. Smith. Did I hear right that there's a zap apple harvest coming in a few days?

**Granny Smith** : Four days, to be exact.

**Filthy Rich** : Excellent news, and as usual, I get your first hundred jars?

**Granny Smith** : 'Course, Filthy.

**Filthy Rich** : Uh, I prefer Rich.

Me: We can't wait for the Zap Apple Harvest. Oh hello there Mr. Rich. Hello Diamond Tiara.

Filthy Rich: Hello J.D. How have things been?

Me: Really busy as usual. But this is gonna be really interesting for us. We're gonna see how the Zap Apple harvest happens. We saw 2 of the 5 signs that lead up to it.

Diamond Tiara: That's amazing.

Me: It sure is.

Filthy Rich: Thank you all so much for teaching that human version of me a lesson.

Me: You're welcome Mr. Rich. Unlike that version of you, you are the nicest version of him.

Filthy Rich: Glad you think so.

**Granny Smith** : Oh, and how is your pappy doin'?

Filthy Rich: He is doing great thank you.

Granny Smith: You're welcome.

Later at Apple Bloom's school we were listening to how Filthy Rich was explaining about how he does his business.

**Fillies** : [snoring under]

**Filthy Rich** : And, by capturing the whole sale market, purchasing in bulk and slashing all prices, we undermine every other gift market in town, and that's how Rich's Barnyard Bargains became the cornerstone of retail in Ponyville.

**Diamond Tiara** : [clapping]

Me: That's amazing.

Nico: I have a new respect for business now.

**Cheerilee** : Well, thank you, Mr. Filthy- I mean, Mr. Rich. What a wonderful day of sharing! And thank you for being a part of Family Appreciation Day! Now, uh, let's see who will be bringing in a family member for next Monday's Family Appreciation Day. Um… oh! Apple Bloom!

**Apple Bloom** : But Miss Cheerilee. Friday is zap apple harvest day, and Applejack and Big McIntosh will be too busy to come and speak.

Me: She's right Ms. Cheerilee. Zap Apple Harvest is one of the key important days for Ponyville. I heard it's where Ponyville came into being.

**Cheerilee** : That is true. Well, is there anypony else in your family that could-

**Diamond Tiara** : Miss Cheerilee. Apple Bloom's Granny Smith isn't working harvest. She could come.

**Apple Bloom** : Oh! But, uh, no, that wouldn't-

**Cheerilee** : That's a splendid idea, Diamond Tiara! Apple Bloom, you shall bring in Granny Smith on Monday.

Me: Actually I have a better idea. How about we bring Apple Bloom's mom, dad, Granny Smith, Grand Pear and me, Nico and Jared can come along too? And also some of the Transformers can share their stories too.

Cheerilee: That's a fantastic idea!

[bell rings]

**Cheerilee** : Have a great rest of the day, everypony!

Apple Bloom: Thank you Ms. Cheerilee.

Me: Don't worry Apple Bloom. This is gonna be awesome.

**Applejack** : I'm sorry I can't go to school with you, Apple Bloom. I already told you that we just can't take a break from harvest to come to your school. You know what'll happen.

**Apple Bloom** : I know… after the fifth day, the zap apples disappear…

Then the sign came.

[wind blows]

The wind blew again and the storm clouds rolled in and then a massive flock of crows appeared and they formed into an apple in the sky!

[crows cawing]

Nico: This must be the 3rd Sign!

**Granny Smith** : Look! The third sign! Right on time! Hot diggity!

Lightning and electricity surged through the trees and then teal flowers popped out and bloomed.

[electricity crackling and popping]

**Apple family** : Wow!

Nico: WOW!

Eli: That was incredible!

Cerea: The 3rd Sign has come.

Me: A huge flock of crows form into an apple in the sky and then teal flowers appear on the trees.

Applejack: That's right.

Nico: WHOA!

**Granny Smith** : Alright, you lazy daisies, move your caboose!

Later Granny Smith was talking to all of her jam jars like a drill sergeant.

**Granny Smith** : Ten-hut! Now listen here, troops! Now, I don't want any whinin' or cryin' or crackin' under pressure! Do I make myself clear?!

Me: How come you're talking to your jars like a drill sergeant Granny Smith?

Granny Smith: It's one of the things I've been doing since we started here in Ponyville.

Me: Cool. Must be for the Zap Apple harvest.

Granny Smith: Yep.

She smacked the table and then a jar cracked.

[jar cracking]

**Granny Smith** : Court-martialed!

Me: I got this.

I pressed my hand against the jar and my hand turned into glass and I fused the crack in the jar shut.

Granny Smith: That's amazing how you are able to do that J.D.

Me: Many powers.

Later at sunrise the following morning we were watching out for the 4th sign.

**Sweetie Belle** : Hey! Look!

We saw a meteor shower in the sky.

Me: A meteor shower!

**Apple Bloom** : That's the fourth sign!

Me: A meteor shower?

The trees crackled with lightning and then the flowers popped and then grey apples formed on them.

[electricity crackling]

Me: Wow! The 4th Sign is a meteor shower.

Nico: That is so cool!

Eli: The stars are an amazing enigma.

Cerea: They sure are.

Me: So when a meteor shower passes the Zap Apple Trees lose the flowers and grow grey premature apples without color in their place.

Cerea: Yep.

**Apple Bloom** : The zap apples have appeared!

Me: They sure have.

Poliwag: I always like eating apples! (about to eat one)

Yakumo: Poliwag, no!

He bit one and then…

ZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

He then got electrocuted by the apples.

Nico: Whoa!

Nico looked him over.

Poliwag: Ouch.

Me: What a shock. These trees are magic and they won't give the apples until they are ripe and ready.

Laney: Yep.

Twilight Sparkle: It's amazing that these trees were made like this.

Applejack: It sure is Twilight.

Cerea: They are really amazing to see.

Me: The best part is making Zap Apple Jam when they are fully ripe. These trees are amazing and the lightning in them must be some kind of magical defense mechanism.

Vince: Just what I was thinking.

Fluttershy: But it's really amazing.

Later it was Family Appreciation Day.

We came in.

Me: Hello everyone.

Silver Spoon: Hello J.D.

Dead End: Hello, kids. I hope you all aren't misbehaving.

Triple Berry: We aren't.

Cheerilee: You all have special guests for Family Appreciation Day?

Me: We sure do. Well actually Apple Bloom does.

Apple Bloom: As you all know I am not only part of the Apple Family but I'm also the Princess of Cutie Marks. I brought with me my parents, Granny Smith and Grand Pear.

In came said ponies.

Bright Mac: Howdy everypony.

Triple Berry: Hello there.

Pear Butter: As you all know we are Apple Bloom's mom and dad. But we should tell you all about our family's roots.

Granny Smith: And it starts here in Ponyville.

She pulled out a map and on it was a Ponyville, Canterlot and a couple of other places.

Granny Smith: Long ago, when I was a little pony, things were very different here in Ponyville, 'cause there was no Ponyville!

Me: That's right everyone. Long before this whole place was even started, this whole place didn't even exist.

Granny Smith: [voiceover] That's right, my little ponies. Me and my family were pilgrim pony folk, back when I was a little filly. Oh, we ventured far and wide, collecting new seeds and sellin' the old. But my pa was the finest seed collector in all of Equestria. Then, one day, the Smith family found themselves in the most brilliant, most grand, most magnificent of all cities. A place called… Canterlot. Well, I bet your hooves to hindquarters I had never seen anything like it before nor since. And as if the beauty of that city wasn't enough, suddenly, she appeared. Princess Celestia, the most regal of all ponies. When lo and behold, she stopped to look at my pa's seed collection. Then Princess Celestia saw that we were plumb-tuckered and hankerin' to find our forever home. And bein' a royal Princess and all, she knew exactly the place for us to lay down our stakes. My pa gave the Princess a mighty thanks. We quickly found that land near the Everfree Forest, and we built our first home. Next, we planted our first orchards. But an orchard don't grow overnight, and we were getting mighty short on food. Now mind you, we were cautioned about the forest, and we knew that it was not fit to enter.

[timberwolf howling]

Granny Smith: [voiceover] But I knew there was critters livin' there. There must be somethin' to eat. It was dark and musty, and I won't lie, it was scary. But every inch was covered in plant life, and before I knew it, wasn't I standin' in front of the most incredible apple trees! I had never seen anything that bore this kind of colorful fruit! Oh I started picking apples quick as a whip!

[timberwolves howling and growling]

Granny Smith: [voiceover] I turned, and there before me stood the timberwolves! I've never run so fast in my life. I did the only thing I could think of.

[pot banging]

Granny Smith: [voiceover] My pa and I planted those special apple seeds, and before our eyes they grew like wildfire.

The Zap Apple Trees grew in a strike of lightning and grew in less than a split second.

Granny Smith: Why, we had full grown trees faster than you could say 'lickety split'. Then each year, I paid close attention to the signs of the zap apples' special harvesting times-how the weather affects the Everfree Forest, how the timberwolves howl when the zap apples first start growing, and how they zapped away if you didn't pick 'em all in one day! And the fruits of our labor were the best fruit we ever tasted. Soon enough I was mixing up batches of zap apple jam. Just like harvestin' the zap apples had its special rules, so did makin' zap apple jam. I learned that you gotta be extra friendly with the bees, otherwise their honey won't taste rightly sweet to mix in with the zap apples. Who'd'a thought that glass jars needed talkin' to? Or that zap apples like pink polka dots? But magic is as magic does. Just funny that way. Then ponies started comin' to our farm from far and wide just to get a taste of my zap apple jam. Some of them decided to stay, like Stinkin' Rich, Diamond Tiara's great grandfather. Matter of fact, the first thing he ever sold was my zap apple jam.

[train whistle blowing]

Granny Smith: [voiceover] And before we knew it, we had ourselves a nice little town, bustling with all kinds of ponies. And that is how Ponyville was founded.

Me: So you see everyone. Zap Apples became a major export for Ponyville. It was what made Ponyville into what it is today. That and us defending you all from the terrible enemies that plagued

Equestria for years.

Nico: Yep.

Silver Spoon: [clapping]

Foals: [clapping]

Granny Smith: Oh, thank you kindly, little ponies. Oh, now now, let's settle down.

Scootaloo: So if it weren't for you and the zap apples, Ponyville wouldn't even exist?!

Granny Smith: Darn tootin', little filly!

Me: And also Mr. Rich wouldn't have gotten to where he is now without the Zap Apples.

Diamond Tiara: That's amazing.

Apple Bloom: If it weren't for my Granny Smith, your daddy wouldn't have Barnyard Bargains.

We cheered for her.

Bright Mac: Ponyville all started because of the Zap Apples brought by the Apples and it made Ponyville into the town it is now.

Pear Butter: That's right.

Twist: But I heard that you were gone before.

Me: They were yes. But me and Jared here went with Applejack, Apple Bloom and Big Mac and we did some detective work.

Jared: We found out some dark secrets about the Apple Family. There was a feud going on between the Apples and Pear Butter's family, the Pears over which was better: Apples or Pears. It wasn't a violent feud thank goodness. And when we found out about Bright Mac and Pear Butter kicking the bucket and that there is a tree made by them when they got married I decided it was not the same without them. So with one snap of my fingers I brought them back.

Twist: Wow! That's so cool!

Diamond Tiara: It sure is.

Nico: Yep.

Me: That's my son for you.

Everyone cheered.

Diamond Tiara: Wow!

Silver Spoon: So awesome!

Kup: Now, who wants to hear some of my war stories before me and the rest of the Autobots met J.D. and the others?

The kids were excited about that.

Me: This will be interesting.

We got to listening to Kup. He was a veteran of the Great War with the Autobots and the Decepticons.

Kup: And that is how me and Hot Rod escaped those Quintessons who were trying to execute us!

Rodimus: That was before Unicron's death.

Me: Yep and it was thanks to us that we destroyed Unicron.

Twist: Who is Unicron?

Me: You would not like this guy Twist. Unicron is what we call the Transformer Devil and the Ultimate Harbinger of Universal Armageddon. He was a Transformer that was as big as an entire planet and had just as much power as that of a god.

I went over Unicron's history and how we destroyed him in chapter 691.

---

**Unicron** is one of the overarching antagonists of the *Transformers* franchise. He is a giant cosmic Cybertronian god who serves as a multiversal singularity desiring to find peace by consuming and destroying all reality around him, as well as the twin brother and arch-nemesis of Primus, the creator of the Transformers.

Throughout animation, Unicron was voiced by the late Orson Welles in 1986's *Transformers: The Movie* and Roger C. Carmel in *The Transformers* Season 3, Mark Acheson in *Transformers: Armada*, David Kaye (possessing Megatron) in *Transformers: Energon*, and John Noble in *Transformers: Prime* .

*The Transformers: The Movie*

Unicron is the main antagonist of the 1986 film *The Transformers: The Movie* . He is known and feared by mechanical life forms (and all Transformers are tiny compared to him).

Unicron's flght through space.

At the beginning of the film, he devours the planet Lithone, leaving only one survivor (Kranix). Later, he recruited a mortally-wounded Megatron to destroy the Matrix of Leadership, transfiguring and upgrading Megatron into Galvatron while turning the bodies his Decepticon minions into Cyclonus, Scourge & the Sweeps.

Galvatron destroyed Ultra Magnus and took the Matrix for himself, planning to betray his master. But when Unicron devoured Cybertron's moons, Galvatron was enraged, claiming they and the planet itself belonged to him. He defied Unicron, trying unsuccessfully to use the Matrix as a weapon, but was tortured into obedience by him. Galvatron even tried to ally with his mortal enemies, the Autobots, in order to save Cybertron from being destroyed.

However, Galvatron was unable to withstand Unicron's torture, and obediently attacked Hot Rod - a young Autobot and the main protagonist of the film. Hot Rod took back the Matrix of Leadership - turning him into Rodimus Prime - and after despatching Galvatron by throwing him out into space right through Unicrons armored skin, opened the Matrix container, allowing its energies to radiate freely. Unicron was then torn apart from the inside, finally blasting into debris, with his head torn free relatively intact to orbit Cybertron as a new moon.

He was voiced by the late Orson Welles, who played the villainous Henry Potter in the 1977 TV-Movie remake of *It's A Wonderful Life* . Welles' voice also provided direct inspiration for the ever ambitious lab mouse, The Brain.

*G1 Transformers* (Season 3)

Unicron's head in the third season of *The Transformers G1* series.

After the events of the movie, Unicron made a brief appearance in the first part of Five Faces of Darkness, wherein Cyclonus, Scourge & the Sweeps visited Unicron's head to look for the whereabouts of Galvatron. They were able to pinpoint his location after replaying the footage of the final battle on the movie on his databank.

He was briefly mentioned by Astrotrain in the episode "Chaos" by claiming Galvatron will be more famous than him in history.

Later, Starscream's ghost, as well as a kidnapped & possessed Scourge, confronted Unicron by reactivating him in the episode "Ghost in the Machine". The deceased Decepticon made a deal with Unicron by resurrecting him in exchange for giving the Chaos Bringer a new body. The first task is giving Unicron a set of eyes from the Autobot City Metroplex. Starscream & Scourge succeeded but unfortunately were caught by the Autobots, causing one of the eyes to shatter. They soon left, while leaving a blind Metroplex to attack the Aerialbots out of confusion. They went to Chaar instead and took one of Trypticon's eyes as a replacement. After completing the first task, Unicron assigns them the second task: Trypticon's transformation cog, much to their annoyance. Starscream & Scourge returned to Trypticon, were he possessed the colossal Decepticon and kidnapped him. After completing the second task by installing Trypticon's transformation cog in him, Unicron assigns the final task: Connect him to Cybertron. Scourge was stunned by this and left, leaving Starscream to continue the task. He, while posessing Trypticon, brought Unicron to Cybertron to complete the final task, only to be interrupted by both sides, until the Decepticons successfully rid Trypticon of Starscream's control. Leaving no other choice, Unicron was forced to resurrect Starscream immediately for him to easily connect him to Cybertron. The Faustian bargain ended in betrayal - naturally - when Starscream abandoned Unicron, telling him to connect to Cybertron by himself and left. Unicron was driven from Cybertron when the Autobots planted Energon bombs on his head, causing him to launch into space, with Starscream in turn suffering the same fate as well.

Galvatron and the Decepticons returned to Unicron's head again in the episode "Grimlock's New Brain", searching for a dangerous element known as the anti-electrons, only to be attacked by his defenses. Grimlock - who had had his intelligence greatly enhanced at the time - arrived on the scene after the Autobots arrived to stop them by creating the Technobots out of some of the parts of the Chaos Bringer's head. The newly created Strafe disabled Unicron's internal mechanisms to deactivate his systems.

Unicron was last seen in the (noncanonical) episode "Calling All Primitives" in his final days of composition. Primacron, Unicron's "creator", made him a new "brother" and successor known as Tornedron who was even more powerful and successful than him. His creation was also revealed by the Oracle to the Primitives, Primacron's former assistant, as well as the one responsible for the Oracle's death.

*G1 Transformers* ( *Marvel* Comics)

Unicron is introduced when a group of Transformers accidentally ends up in the core of Cybertron and stirs Primus awake. The god, who has been sleeping for an eternity, responds to his rude awakening with a mind-shattering cry which echoes across the gulf of the cosmos. The Autobots had been direly warned by the ancient guardian of Primus that the god would have to remain asleep, for if he awake his counterpart would surely be drawn to his ancient enemy.

The guardian also tells all that he knows about Unicron: that he is the last and most dreaded of the gods of darkness, who had been destroyed at the dawn of time by the gods of light; and that it was

Primus' task, as a light-god, to defeat him. But as their struggle raged through endless worlds and dimensional planes, it became clear that Unicron was the more destructive of the two, and would ultimately prevail. Primus resorted to trickery: he lured Unicron to the base material level, but upon arrival managed to trap both of their spiritual essences in lifeless, metallic asteroids. Over the eons, the asteroids were seperated from each other; but the two gods still shared a mental connection. As a consequence, when one of them learned to manipulate the material of his body into a living body, the other did as well; and when Unicron learned to transform his living planet body into the shape of a giant warrior which resembled his original appearance, Primus also mastered the concept of physical transformation.

But Primus was frightened. He no longer believed he could defeat Unicron on his own. Instead, he created a race of robotic warriors, the first Transformers, and bestowed on the first of them the Matrix of Leadership, which contained the vast reserves of his power. He then entered a long hibernation, so that Unicron was unable to use their mental connection to find him, and hoping that his robotic creations would become powerful and formidable enough to defeat Unicron.

Now, this period was at an end; Unicron had become alert to Primus' location, and was coming to destroy him once and for all. However, he suspected trickery; so, he created three servants and sent them down one of the many timelines that he perceived stretched ahead of him, to retrieve for him a worthy servant. This servant, abducted by force from his rightful time, was none other than the fearsome Galvatron. Unicron compelled Galvatron to travel to the Cybertron of the present to destroy any opposition he might face and any threat that might impede Unicron's victory. But Galvatron was furious to be enslaved by Unicron again and sought revenge against him, seeking out Emirate Xaaron, an Autobot sage, to awaken Primus once again. Unicron, upon reaching Cybertron, met great resistance from the resident Transformers, who were inspired by Galvatron's own initial attack; even some humans with extranormal powers fought him, until, it seemed, Primus manifested again. Xaaron had managed to conjure Primus' consciousness, which was now inhabiting his body; but his power, divided across so many, was insignificant compared to that of the Chaos-Bringer, who readily destroyed Xaaron, seeming scattering Primus' spirit as well.

As all seemed lost, one other, improbable warrior stood against Unicron - Thunderwing, a Decepticon with a unique (for his kind) affinity with the Matrix of Leadership, had become possessed by the object after it had become corrupted and tainted by evil. The massive ethereal Matrix-demon attacked Unicron, and its dread dark power seemed to overwhelm even him; but then, the planet-eater proved the master of evil. In darkness, he has no equal, and so he destroyed even the Matrix-beast and Thunderwing.

Unicron transformed into planet mode and prepared to devour Cybertron and finally end billions of years of waiting for his ultimate victory, when one final warrior raced towards him. The Matrix, fallen to Cybertron's surface, seemingly lost to darkness for good, had been recovered by Optimus Prime; and he, through his thousands of millennia of carrying it within him, had a stronger bond with it than anyone. He overcame the darkness and banished it, and once again lay bare the essence of Primus himself - the god of light. Brandishing the now newly pure Matrix, he launched himself at Unicron and plunged it and himself into the great devourers hungry maw.

The effect was utter annihilation as light and darkness ultimately cancelled each other out… and Unicron exploded into nothingness. He, and his counterpart Primus, had finally fulfilled their destinies and perished.

T.V. series

The Evil Vok takes Unicron's form while speaking to Maximal leader, Optimus Primal in *Beast Wars* .

Unicron does not physically appear in the series, but was briefly mentioned several times. He was first referenced by a Starscream-possessed Waspinator by "explaining" he was "killed" by him, though it truth it was Galvatron. The Vok also took the form of Unicron's head when he talked to Optimus Primal, claiming they had scanned his mind and chose him as an "authority figure". Megatron later would refer a now traitor Tarantulas as a "spawn of Unicron".

Japanese anime

Unicron does not physically appear in the (noncanonical) Japanese anime continuity Beast Wars II but however left presence of his life force known as "Angolmois", which cause the the destruction of humanity in a post-apocalyptic future & Earth being known as Gaea. After thousands of years of the great wars between the Autobots & Decepticons, the Decepticon (later Predacon) leader Galvatron (a different Galvatron who had no connection to the original one or his alternate counterparts) attempted to harvest Angolmois for himself by using his artificial planet Nemesis & attempted to suck all of the Angolmois energy out of Gaea & into the craft. However, with the interference of Lio Convoy & Lio Jr., all of the Angolmois energy was sealed into capsules & ejected from Nemesis into space as it seftdestructs, while killing Galvatron in the process, as well as trapping the Maximals into a wormhole & the Predacons being sent adrift into space.

Unicron then made an appearance on its sequel Beast Wars Neo, playing a much more larger role than before. He created a group of freakish Beastformer servants known as the Blendtrons consisting of Elephorca, Rartorata and Drancron & engineered his rebirth. They confronted a forces of Maximals (led by Big Convoy) & Predacons (led by Magmatron) who were tasked of collecting the Angolmois capsules scattered across the galaxy that were wrecking havoc on the planet their in & interrupt them by the stealing the Angolmois capsules from them.

After successfully stealing the Angolmois from them, they released the Angolmois energy into the dead Galvatron's body, allowing Unicron to possessed him. A newly ressurected Unicron then abosorbed all the remaining strain of Angolmois back into him, including the Blendtrons as well, & left to confront Cybertron once again. Great Convoy & his Maximal armada attempted to stop him, only to be defeated & killed in the process after Unicron took the form of a fiery serpentine dragon.

He then possessed Vector Sigma & successfully turned Cybertron into his new body. He becomes fully unstoppable but was then fought by the conjoined forces of Big Convoy, his Maximal team, Lio Convoy, Magmatron & his Predacon team. Big Convoy then finally defeats him by installing his Matrix on his own Big Cannon, turning it into the Matrix Buster & shot Unicron with it, destroying him for good. With Unicron gone from Vector Sigma, the Maximals and Predacons set aside their differences and help each other rebuild Cybertron.

Unicron serves as the titular central antagonist of the *Unicron* Trilogy, being a trio of three anime television series: Armada, Energon, and Cybertron.

*Transformers: Armada*

Unicron in *Transformers: Armanda* .

Unicron served as the main antagonist of *Transformers: Armada*, where he was defeated by the Autobot warrior Omega Supreme during the past. Following his defeat, Unicron hid himself in plain sight of the Transformers, disguised as the moon of their home planet Cybertron. He was also revealed to be the creator of small robots known as Mini-Cons, as he intends to re-energize himself by using the Mini-Cons to feed off the hatred that the Autobots and Deceptions showed to each other during the war on Cybertron.

However, several human children (who were dispatched from the 21st century) caused an interference that led the Mini-Cons to develop sentience within themselves and lay dormant for millions of years. Following the Mini-Cons' awakening, Unicron took the opportunity to heighten the conflict between the Autobots and Decepticons. He also created a new being known as Sideways to serve as his agent with the purpose of manipulating both sides. Following the fourth season, Sideways was able to obtain all three Mini-Con weapons (the Star Saber, Requiem Blaster and Skyboom Shield) to reactivate Unicron, shedding off his lunar disguise and revealing his true form to the universe.

With the threat of Unicron at hand, the Autobots and Decepticons are forced to enter an alliance together to fight against Unicron, who fights back while transforming into robot mode. As Optimus Prime, Galvatron and the human kids enter into Unicron's body to free the Mini-Con weapons, Unicron addressed them through Sideways's form, absorbing all but Optimus into his collective consciousness and bringing the Mini-Cons back under his control. However, the kids were able to convince the Mini-Cons to free themselves from Unicron's control, deactivating him and freeing the Mini-Con weapons.

With the threat of Unicron seemingly over, Galvatron entered into a final battle with Optimus, but they both soon realize that hatred of each other is stirring Unicron back to life. Realizing his mistake, Galvatron plunges himself into Unicron's maw, destroying Unicron for good.

*Transformers: Energon*

Unicron appeared again as the main antagonist in *Transformers: Energon*, where it turned out that he has survived his defeat and continued consuming more planets. However, several inhabitants of a planet known as Planet Q were able to defeat Unicron by setting their planet's core to explode on Unicron's face, sending him to a state of dormancy. Despite being defeated, Unicron's life essence passed on to the planet's ruler Alpha Q, corrupting him and having him to recreate armies of Terrocons.

As Galvatron managed to revive himself by having his spark remain inside Unicron, Alpha Q was forced to escape, leaving Galvatron to round up the Decepticons of his new plan to revive Unicron and take over the universe. To that end, the Decepticons manage to raid Alpha Q's planets of enough Energon to successfully revive Unicron to his powerful form. With that in mind, Megatron directs himself to Unicron's head, extinguishing the Energon Sun and killing Alpha Q in the process. However, Unicron's power proved to be too powerful for Galvatron to control, and Galvatron ends up being controlled by Unicron.

Unicron proceeds to battle against the Autobots, but Optimus (being enhanced with the power of Primus) manage to defeat him and free Galvatron from Unicron's control, encasing Unicron's spark into a sphere. An angry Galvtron attempts to destroy Unicron's spark, but it soon merged with him again, much to his horror. Meanwhile, Primus merged with the Super Energon to create a new sun which arrived at the site of the battle. In a brief moment of conscience, Galvatron decides to plunge himself into the infant sun to rid himself of

Unicron's possession. The super energon mass, having now received Unicron's spark, ignited into a powerful red sun which gave new life to Alpha Q's worlds.

*Transformers: Cybertron*

Although Unicron doesn't appear in *Transformers: Cybertron*, he left a huge presence of his darkness in the series after his death. Primus had attempted to trap Unicron forever in the heart of the new sun, but failed to do so after it collapsed, turning it into a massive black hole, known as the "Grand Black Hole", consuming every planet on its path. The collapse of the sun also allowed Galvatron to escape alive, as well as upgrading himself with Unicron's remains into an armor, which gave him the ability to warp through reality, a devastating Energon aura, an ability to create new Decepticons, upgrade and repair fallen comrades and tap into the power of the Cyber Planet Keys. It is also revealed that Unicron's actions towards Galvatron has already twisted the latter to share the same goals as Unicron's, particularly using the Cyber Planet Keys to accelerate the black hole's growth and destroy the entire universe, as well as recreating it in his own image afterwards.

However, this plan failed after the Autobots, as well as several reformed Decepticons, successfully restored Primus' full power, and Galvatron ends up being destroyed in his final battle against Optimus Prime, destroying the last traces of Unicron forever.

---

When I was finished, everyone was amazed and shocked!

Me: And we destroyed Unicron and saved the entire universe from his evil and Nico was officially made the Leader of The Decepticons. Just like Rodimus Prime was made secondary leader and second in command of the Autobots.

Twist: That is so cool!

Cheerilee: Wow! That is amazing.

Nico: It sure is. That was one of our most harrowing and most unforgettable adventures. And it was also when I was officially recognized as the new leader of the Decepticons and ever since then, I've been leading the Decepticons on the road to redemption

Jared: It sure was a cool adventure.

We later went back home to the World Tree Estate.

---

Later that night were watching TV and playing card games. We then saw on the scanners a moving truck pulling up into a new house not far from the estate.

Me: Looks like new neighbors are moving in.

Cybertron Ransack: We're getting new neighbors again? Now, where have we seen this before?

Me: I don't think that they are like the Millers.

Nico: Good lets hope not.

Eli: But we're getting new neighbors this late at night?

Ets: That's weird.

Me: Well we better go check it out.

Patty & Selma, Zzzax, Skulker, Professor XXXL, Mumbo Jumbo, Grizzly, Golden Glider, and Shendu the Demon Sorcerer of Fire then appeared.

Patty: Can me, Selma, Zzzax, Skulker, Professor XXXL, Mumbo Jumbo, Grizzly, Golden Glider, and Shendu go with you guys to meet this new neighbors?

Selma: I hope no hired villains get sent to kill us this time.

Me: Don't worry. Scans show that there are no hired villains this time. But yeah you all sure can.

Nico: Lets go.

We went down to the street and we saw them moving in and they were a nice family from the looks of it.

Donna: Hi. You must be the new neighbors.

Mr. Braun: We certainly are. We are the Braun Family. And Team Loud Phoenix Storm it's an honor to meet you.

Me: Same to you.

We shook hands and I noticed that his hand was mildly cold.

Me: Your hands are cold.

Mr. Braun: It happens.

Mrs. Braun: But it's an honor to meet you all.

Lex Braun: I'm Lex Braun and it's an honor to meet you all.

Me: Same to you.

Brittney was getting foul vibes from them. Like they were not of the world.

Brittney: (In her head) Something is really off about them. I sense majorly powerful supernatural energy coming from them and whatever it is it isn't good.

Me: Pleasure to meet you all.

Brittney relayed a telepathic message to us.

We then went back to the estate.

Golden Glider: Brittney, what's wrong?

Brittney: I've got a really bad feeling about our new neighbors guys. I'm sensing incredibly powerful supernatural energy from them.

Eli: Weird. But Brittney is right. The Force is telling me that it's not good.

Brittney: I'm going to contact the spirits of the Netherworld to tell them what it is.

Nico: Okay.

Cerea: Whatever is going on with them, it can't be good.

Miia: Yeah my infrared vision is showing that their body temperatures are really abnormally cold for a human.

Nico: Weird.

Me: That explains why their skin is so cool. It's like they don't have any life in them.

Ets: But I sensed energy signals.

Me: Hmm. Keiichiro you better go search their home just in case.

I printed a search warrant for them.

Keiichiro: Thanks J.D.

Me: Okay. Wallflower you go too.

They went to search.

Mr. Braun: (sees the Patrangers come in) Can we help you?

Keiichiro: (shows his badge) We're here on Global Police business. Is it okay if we search your house?

Wallflower: Brittney has this crazy idea that you guys are like our last neighbors.

Mr. Braun: Certainly come on in.

They went inside.

Wallflower was scanning the house with a fancy machine.

They were searching and found nothing out of the ordinary.

Keiichiro: It's all clear. Thank you for your time.

Mrs. Braun: You're welcome officers.

Wallflower: Enjoy the rest of your day.

They left.

Later back at the World Tree Estate, they came in with their findings.

Me: Find anything?

Keiichiro: Nothing.

Wallflower: They look like ordinary people.

Me: Hmm.

Brittney came back.

Brittney: I have news guys.

Me: What is it Brittney?

Brittney: I just finished talking with the Spirits of the Netherworld and the news isn't good. Our neighbors the Braun's are worse than you think.

Cerea: What do you mean?

Brittney: They are vampires.

We gasped in shock.

Me: Are you sure Brittney?

Brittney: Yes and even the spirits of the the Spirit World themselves are looking for them so they can destroy them too.

Brittney told us about them.

The Braun Family were a family of 3 vampires and the eponymous main antagonists of the Are You Afraid of the Dark? episode "The Tale of the Nightly Neighbors".

## History

They were a new family that moved in Emma's neighborhood. Since they are from Eastern Europe, always dressed in black, are active at night and are very pale, Emma and her brother Dayday begin to think that they are a family of vampires. Also, after the new family's arrival, the townspeople begin to suffer from weakness and have neck pains. At night, Emma ventures in the Braun's basement, where she uncovers huge refrigerators full of bottles of blood. When Emma and Dayday meet Mr. and Mrs. Braun in pure daylight, the adults justify themselves by saying that they work at the hospital as paramedics. Then Mrs. Braun asks Dayday if Lex can come and play video games with him. Dayday agrees. The two kids leave, believing that they were wrong about the Brauns' nature. However, in the Brauns' basement, it's revealed that, although Mr. and Mrs. Braun aren't vampires, their son Lex is. Mrs. Braun wakes up his son, that was sleeping in a coffin, and tells him that now that he has been invited by his new victims, Emma and Dayday, he can feed on their blood. In fact, a vampire must be invited in order to enter into other people's home. The episode ends with the whole Braun Family laughing evilly.

It is quite likely that Mr. and Mrs. Braun are not Lex's parents at all, but rather human servants of Lex who protect him during the day and pretend to be his parents to throw off suspicion. This is shown by the fact that, at the end of the episode, Mrs. Braun refers to Lex as "Master."

A couple years after the episode premiered, a novelization of it was published which expanded the plot and gave it a happier ending. In it, Lex bites Dayday as well as his and Emma's parents, but Emma manages to escape. She goes into hiding for the next day, discovering that she is almost certainly the only non-vampire left in the town. She learns in a book on vampire lore that if the head vampire (Lex in this case) is destroyed, all the other vampires he or she infected will return to normal. She sets out to destroy Lex. When the other Brauns are distracted (Mr. Braun was locked in a room by

Emma, and Mrs. Braun eventually set out looking for him), Emma breaks into their basement late in the afternoon. It takes long for Emma to break through the lock to the area where Lex's coffin is hidden, so by the time she worked up the nerve to stake Lex, the vampire boy has managed to wake up. He backs Emma up against a basement wall, intent on sucking her blood. This, however, turns out to be a trick Emma had prepared as a "Plan B" in case things didn't go well. She reaches up and yanks down a blanket she had pinned to the wall, revealing a basement window she had covered to trick Lex into believing that night had already fallen. The last rays of setting sunlight pour through the window and into the basement, burning Lex to ashes. Emma's family and the rest of the infected townspeople do indeed return to normal, and Mr. and Mrs. Braun leave town, never to be seen again.

---

When Brittney was finished we were shocked!

Me: Whoa man!

Nico: We got to stop them!

Me: Wait Nico. Lets not panic. We can't act without any proof. We got to gather some evidence. If they are indeed vampires then we got to gather some evidence to show that they are vampires.

Miia: Like what?

Me: First we got to see if their reflections will show in either a mirror or on camera.

Skulker: I'll phase into the house and put a camera there.

Me: Okay.

Laney: I can shine this Ultraviolet Radiation Flashlight onto them to see how they will react to it. (Holds up said flashlight)

Me: Okay. That works.

Nico: Lets get to work.

We went back down and hid in the bushes outside the estate and I had their house under my watch with special infrared-x-ray binoculars.

Tania: And I thought Camula was bad.

Me: Yeah.

Laney saw Mr. Braun in the basement window and she shined the ultraviolet flashlight onto his back and he screamed in pain as it burned him.

Me: Bingo.

Laney shut it off and we vanished.

Skulker got a photo of Mrs. Braun exercising on a tredmill while watching TV and he snapped a picture and then came back with it.

Me: What did you find?

Skulker: Check it out.

We saw the picture of Mrs. Braun and saw that she didn't appear on the camera! She wasn't there.

Me: No reflection.

Nico: Another sign.

Varie: Now we are getting closer.

Mumbo: Maybe I can use my magic to get some more proof.

Me: No wait. I have another idea. We have one final sign and that's if they hate garlic.

Nico: Right.

Me: Here's my plan.

We went and set everything up for a dinner with them. We were gonna invite the Braun's to dinner and see how they react to garlic.

It's a steak dinner and it will have garlic bread as the only thing with garlic on it. The Braun's came and they were having dinner with us and it was a really good steak dinner.

Headstrong: This is a good idea. The minute one of them sniffs the garlic, we'll toss said garlic into their mouths and watch them choke to death!

Nico: No Headstrong we don't want them to know that we are on to them. If we do that then they will think that we are crazy. We have to wait until they show their true colors.

Brittney: And I have just the plan for that after the dinner.

Lola: Okay.

Nico: Right now lets watch.

We ate and watched.

Me: Would you like a slice of garlic bread Mr. Braun?

Mr. Braun: Garlic bread!? Oh uh no thank you but thank you for offering.

Me: Oh you're welcome.

Nico and Brittney were saw it.

Nico: (In his head) Gotcha.

Brittney: (In her head) Busted.

Me: (In my head) Hook, Line and Sinker.

Grizzly: How about you eat the rest of our food then? We've even got ice cream.

Lex Braun: That would be delightful.

We had the rest and it was great.

Later the Braun's went back home and when they were gone we got to thinking.

Me: That was a close one. Great job guys. Now it's official. They are indeed vampires.

Nico: Now we can strike.

2D Man: Applejack, do you still have some Zap Apples?

Applejack: Why do you ask?

2D Man: Well, since they're not ripe, they can zap anyone. Including the Brauns.

Applejack: It doesn't work that way unfortunately.

Cerea: From what we saw the trees will only give the Zap Apples when they are fully ripe.

Me: That's not until the 5th and final sign tomorrow morning. The trees have powerful lightning in them that acts like a defense mechanism if they are disturbed. It will electrocute anyone that disturbs them before they are harvested.

Applejack: That's right.

Brittney: I do have another option in mind for this.

Freon: What is it?

Brittney pulled out a book on Enchanted Magical Flowers and scrolled through the pages and found an interesting flower. It was a rose in the shape of a human heart and it had blood dripping from it.

Brittney: This is a flower called the Carnage Heart Rose. It's a flower that has a very potent smell that smells like that of human blood. It will draw in any vampire from a 3 mile radius.

Me: Wow! I never even knew a flower like that even existed.

Brittney: It only grows in the Netherworld. But this is part of my plan. I'm going to magically create these flowers in their yard and the

Brauns will come out to these flowers to eat them. The smell will draw them to it like flies to a bug zapper.

Rachnera: That's clever.

Brittney: It sure is. When we see their fangs we strike.

Nico: Clever.

Miia: That's genius.

Cerea: Yeah it is.

Blade: Lets kick those suckheads to the curb.

Me: We got 3 hours till sunrise everyone. After this we go to bed.

Nico: Good idea.

Professor XXXL: How about I give us snow cones to eat before this trap?

Me: Sure.

We got some good snowcones and we licked them all over and they were done.

Me: Refreshing.

Nico: Good.

Miia: He makes delicious snowcones.

Celica: He sure does.

We then put our plan into action. We were hiding in the bushes outside of the Braun home.

Me: Okay here we go.

Brittney: Lets do it.

Brittney fired a blast of black energy and it hit the ground and a

Carnage Heart Rose grew in the Braun's front yard and just like Brittney said, it emitted a very powerful smell of copper like human blood.

Me: Wow that is strong.

Nico: No kidding.

Moka Akashiya: I like it.

Naruto: Moka that flower is not for you. It's for the Braun's.

Me: Shh.

We saw them come out and the flower drew them in and we looked at them bending down and then they opened their mouths and we saw that they had fangs!

Me: Bingo! NOW!

We jumped out and kicked them in their faces!

Me: The jig is up vampire scum!

Mr. Braun: Vampires? What are you talking about?

Brittney: You can drop the act. We know you are vampires. We were on to you ever since I saw you.

Mrs. Braun: (Laughs Malevolently) Impressive that you knew our secret.

They showed their fangs and hissed ferociously and their eyes glowed red.

Me: We knew all along.

Nico: We don't fool that easy.

?: No you don't.

Captain Ōtake and the Special Defense Force then appeared.

Ōtake (大竹) is as a middle-aged brown-haired male, with a bang hanging down across the left side of his forehead, just above his left eye. He is the former captain of the S.D.F., possessing a commanding presence, as seen when he stops the other members from panicking after Yusuke's revival, as well as a stern sense of loyalty. Though he is respectful to Koenma, even in times when his authority overrides the prince's, he is nonetheless a man focused on getting the job done as quickly and efficiently as possible. He is later removed from his position as captain by Emperor Enma and is replaced by his subordinate, Shunjun. Towards the end of the series, he is seen being involved with a renegade faction in Spirit World who overtake the majority of the Spirit World palaces occupants hostage (including Botan) and attempt to use a spiritual weapon to cause damage to the Human world. Yusuke, Kuwabara, Hiei, and Kurama gather once again are able to take down and subdue the group, as well as prevent the weapon from being fired. While he becomes a traitor in the manga, in the anime, he is portrayed much more sympathetically, and even defends Koenma's decisions in helping Yusuke, despite his opposition to them. He is voiced by Hidetoshi Nakamura in Japanese and Troy Williams in English. He was voiced by Masaki Aizawa in the All or Nothing OVA.

Saitō (才頭) is a male in his mid-to-late twenties and has long dark hair extending down a little past his shoulders. As a member of the S.D.F. he shares similar traits to the others, expressing obedience by following the orders of his captain without question. This is seen when Ōtake asks him how long it will take for he, Sōrai, and Ōhō, to seal up the tunnel, to which he replies that it will take ten days with their combined efforts. Ōtake gives him a week to accomplish it, and Saitō readily agrees. He is voiced by Mitsumasa Kishimoto in Japanese and Merk Harbor in English.

Sōrai (草雷) is a bald male in his mid-twenties and is easily the shortest member of the S.D.F. Although he doesn't have much dialogue in the series, he is seen as one of the first members to panic upon Yusuke's resurrection, wanting to know how there could be beings who possess greater power than the S.D.F. He has also been shown as being obedient, like the others, as he follows the orders of his captain with little question. His voice is provided by

Ayumi Kida in Japanese. In the English dub, he was voiced by Ricky Page in the original release and replaced by Joel McDonald in the Blu-ray remaster.

Ōhō (翁法) is one of only two females in the S.D.F. and is distinguished by her shoulder-length brown hair, with three bangs that hang down over one side of her face, just above her eye. She also is tall, thin, and fair-skinned, giving her an appearance that is oddly somewhat similar to Shizuru Kuwabara. Like the other members, she is prone to following the orders of her commander, however, she is also one of the few who spoke out after Yusuke's resurrection. She is voiced by Kyoko Hikami in the Japanese version. In the English dub, she was originally voiced by Melissa Ellis for the original release and later by Alexis Tipton for the Blu-ray rerelease.

Ryūhi (俠妃) is the second of the two females in the S.D.F., is characterized by her pale-blond hair, which is kept up by a violet ribbon she has wrapped around her forehead. She is of average height and possesses an athletic build. Like the others, she is loyal and follows orders without exception, though she was outspoken when Yusuke's resurrection revealed him to have S-class level power. Her voice is provided by Sakiko Uran in the original Japanese. In English, she was voiced in the dub's original version by Clarine Harp and later by Stephanie Young for the Blu-ray remaster.

Rinbai (倫霞) is a male in his late twenties and is slightly tall in stature. He is characterized by his dark-violet hair, which is worn in a fashion similar to a mohawk and extends down past his shoulders. He also sports two red lines on both sides of his face and wears a stern expression. Though he doesn't speak, he is quite loyal to his commander, following orders without question, and is also one of the few who seemingly doesn't panic after Yusuke's resurrection, though he is initially disturbed by it during their brief encounter in the tunnel. He is voiced by Koji Ishii in Japanese and by Bob Carter in English.

Shunjun (舜潤) is a male in his mid- to late-twenties, and is characterized by his light blue hair. Initially, he is depicted as a reserved individual, as he doesn't speak and maintains a cool demeanor during their first appearance in Hangman's Cave. However, he is later shown to be a bit of a braggart, as he remarks to his two comrades about how the S.D.F. is feared among demons and considered their "boogeymen". It is also insinuated by one of his teammates, Rinbai, that he was responsible for the injury that forced Yoko Kurama to possess the unborn body of Shuichi Minamino, who later became one of Yusuke's allies and teammates. Shunjun is later seen as the replacement commander for the former captain Ōtake, who was removed from his position for failing to kill Yusuke. Shunjun is voiced by Kazuaki Ito in Japanese and by Troy Baker in English. In the All or Nothing OVA, he is voiced by Mitsuaki Madono.

Two unnamed members: Though their names are never mentioned, they wear the same standard uniforms as the other members. One is characterized by one being a tan-skinned male in his mid- to late-twenties, possessing a dark, bowl-cut hairstyle and a stout nose. The other is characterized as being very-tall, possibly the tallest out of the group, and possessing copper-colored hair, and is seen as also having stout facial features as well. These two remain in the Hangman's Cave with Captain Ōtake and are initially the ones assigned to carry out Yusuke's assassination, though Saitō, Sōrai, and Ōhō attempt to assist as well when Yusuke's body begins emitting Demon Energy. These two seem to be the harshest and most sadistic members as they beat up Mitarai while mocking him, despite his change of heart. They also seem to be the most cowardly, as one of them quickly begs for mercy in the English dub. In the Japanese version, the shorter one is voiced by Tsutomu Takayama in Japanese and Jeff Johnson in the English dub. The taller one is voiced by Atsushi Ishida in Japanese and in English he was originally voiced by Jim Foronda and later by Scott Freeman for the Blu-ray rerelease.

---

Me: Been a long time Captain.

Captain Ōtake: Indeed it has.

Me: Now we can destroy these monsters forever.

Mr. Braun: How did you know we were vampies?

Kickback: (laughs) Well, we might as well explain before you die. First, you probably noticed a camera in your house.

Skulker: Courtesy of me. I took a picture of Mrs. Braun exercising.

Me: Surprisingly a vampire has no reflection in a mirror or on camera.

I pulled out the photo and it showed that she wasn't there.

Me: They do say a picture is worth a thousand words.

Ryūhi: Geniusly thought out.

Ōhō: Yeah.

Me: And Mr. Braun you got burned on your back right?

Mr. Braun: Yes.

Laney: I shined an ultraviolet flashlight onto your back.

Me: The suns light is ultraviolet radiation. And vampires burn in the sunlight. That's another clue.

Nico: But the big one was when J.D. offered garlic bread and you turned it away.

Varie: Everyone knows that vampires hate garlic.

Lola: And they also hate silver and Holy Water.

Me: And Crucifixes.

Shendu: And even before that, your pale skin and cold temperature was a dead giveaway!

Me: That's right! Vampires have a body temperature of 50˚Fahrenheit.

Lex Braun: You figured us out. (Laughs malevolently)

Me: What is it that you were planning to do?

Mr. Braun: We wanted to move to Gotham Royal York and turn all of its citizens into vampires so that the world can be one big vampire planet. Vampires would reign supreme again.

Me: Hm. Obviously you didn't do your homework and learned all about who lives here. Have you forgotten that we are Team Loud Phoenix Storm, the most powerful force in the entire universe and the very same people that have destroyed the most dangerous and most evil forces ever to terrorize the universe?

Mr. Braun: No we haven't.

Me: Also you didn't know the full extent of our intelligence of how smart we are and how we can figure people out like a map.

Mrs. Braun: It was all a setup?

Eli: That's right fiend!

Ets: You fell for our trap hook, line and sinker.

Me: Now you will never realize your dream of turning everyone into vampires. In case you have forgotten we killed Count Dracula.

Brittney: And that I am the descendant of the greatest vampire hunter ever known: Abraham Van Helsing.

The Braun Family was shocked!

Mr. Braun: No matter.

He went and grabbed Poromon.

Mr. Braun: Let's see how clever you are when one of you is drained of blood! (About to bite Poromon)

Poromon: Before you suck my blood out, can I say something?

Mr. Braun: What's that?

Poromon: (ECHOING) LIGHTNING JAVELIN!

Poromon fired a powerful blast of lightning from his feather crest on his head!

Zzzax: Let me add my lightning as well!

Zzzax fired a blast of lightning as well and it hit Mrs. Braun and Lex and sent them crashing into their home windows.

Me: We have to hold them off till the sun rises so that it will finish them.

Concrete Man: Since we can't use Zap Apples, that lightning will have to do for now.

Me: Yeah!

Nico: And this too! DRAGON THUNDERCLAP!

The 5-Star Dragonball on Nico's bracelet glowed and Nico fired a powerful blast of lightning from his finger and it hit Lex and electrocuted him all over.

Lincoln and Linka and Paula fired blasts of lightning and it hit the Braun family and electrocuted them all over the place.

Me: That will only slow them down. Our usual battles should be starting right now.

Then out came Duskmon, Evil Green Ranger, Robo-Roxy, Selene, The Gentleman Ghost, Koragg, Condiment King, Mojo Jojo, Larxene and Saïx then appeared.

Me: Duskmon, Evil Green Ranger, Robo-Roxy, Selene, The Gentleman Ghost, Koragg, Condiment King, Mojo Jojo, Larxene and Saïx.

Condiment King: Yes it is us.

Me: Strange seeing you all out this late at night.

Koragg: It sure is.

Duskmon: I take it you found out who the new neighbors were?

Maria: We sure did. They were vampires!

Freddy: So these are the bad vampires that you guys destroy?

Evil Green Ranger: They sure are.

Selene: And no, they're not being driven crazy by the smell of blood.

Robo Roxy: These vampires are intentionally evil!

Me: They sure are and we're going to make sure that they are destroyed.

Nico: Damn right we are!

Lola: Yeah!

Lucy Loud: These monsters need to be stopped.

Brittney: And we're not going to let them get away with it. They want to infect all of Gotham Royal York and turn everyone into vampires.

Selene: Whoa man! And I know their kind too. I am a vampire myself. I have lived for 17,000 years.

Me: That's right! You have been around for as long as humanity has.

J.D. 3: Just like I have.

Selene: I sure have.

?: That's amazing huh?

A figure came out and it was the first of the ToQger Rangers monsters that we were going to face. It was BILLIARD SHADOW from episode 34 of ToQger!

---

Sent to convert the Tsukiai (月愛, lit. "Moon Love") Station into the Tsukiai (突き合い, lit. "Poking Each Other") Dark Station, Billiard Shadow's actions inadvertently precipitate a man into falling in love with Mio, resulting in a series of events that result with the Shadow

Creep being destroyed by a very frustrated Hyper ToQ 2gou taking his aggression out on him.

* * *

Haru: Billiard Shadow!

Billiard Shadow: That's right. Didn't think you would see me again huh?

Me: I remember you! You were sent to convert the Moon Love Station into the Dark Station and you inadvertently made a man fall head over heels with Mio and it really pissed off Haru!

Billiard Shadow: That's right. Mistress Vypra was right about you J.D. You have a really sharp memory.

Me: I never missed an episode. Either in Japan or America.

Billiard Shadow: (to John Bolton) You play pool, right? And no, I'm not talking about the aquatic type of pool.

John Bolton: You better believe I do. Learned all I know from dad.

Me: I learned all I know how to play pool from John.

Nico: And I know how to play myself. It's awesome.

Eli: Pool is great!

Cerea: It sure is. Think you can teach me J.D.?

Me: I sure can Cerea. And I would be honored to teach you, Rachnera and you too Miia as well as all of my harem.

Miia: That would be great.

Eli: I can teach you how to play too Rainbow Dash and you too Nunnally.

Nunnally: I would like that Eli.

Rainbow Dash: That would be awesome!

Billiard Shadow: Awesome!

Roars were heard and out came two figures. One was THE MINOTAUR OF HELIOS ISLAND and THE GHOSTLY GONDOLIER!

Shaggy: ZOINKS! It's the Minotaur of Helios Island and the Ghostly Gondolier!

Qin: Whoa man!

Twilight Sparkle: What were they known for Qin?

Qin: The Minotaur of Helios Island was really Nick Papas. He was using the legend of the Minotaur to frighten off the islanders so that he could steal art treasures from the island and sell them on the Black Market. The Ghostly Gondolier was really Mario who wanted to get the treasure of one of Italy's widely known kings. He wanted to get 4 medallions from the family of the king Doge Malvolio IV.

Jessie K.: I've heard of him. He was the king of Italy back in the 15th Century. But according to the records, after the Ghostly Gondolier was thrown in prison for high treason, he escaped and lead enemy armies into Italy past all their defenses and he ultimately overthrew the king. He was the worst ever traitor in Italy's history in over 2700 years since the murder of Julius Ceaser.

Me: JEEZ! So the Masters of Evil recruited a dangerous traitor from over 600 years ago into their midst.

Starscream: I hope he's not as bad as me. I am the most notorious traitor of them all.

Nico: No I don't think you are Starscream. Your G1 Counterpart would be but not you.

Starscream: True.

Qin: Mario wanted to get all 4 medalions so he can get the treasure all for himself.

Twilight Sparkle: That's awful! Was the treasure ever found?

Qin: It sure was and the villains were busted.

Fluttershy: What did they get?

Qin: Nick Papas got 10 years in prison and was released and is now a janitor at a school. Mario got 3 years in prison and he was released and Antonio forgave him and gave him a job at his pizza shop.

Shaggy: That was nice of Antonio.

Me: It sure was. But back in the ancient times in Greece, the punishment for theft was death. But now we don't do that anymore.

Nico: J.D.'s right.

Minotaur: So you all are gonna be one of my opponents.

Cerea: I will face you.

Minotaur: Centaur VS Minotaur. Interesting standards.

Ghostly Gondolier: (Italian Accent) And who will you be my opponent.

Delizia walked up to him.

Delizia: (Italian Accent) I will-a be. I am from-a Italy myself and it'll be-a an honor to face you.

Ghostly Gondolier: Indeed.

Me: Lets get it on before we kick some vampire butt.

Battle 1: Jeri Katou, Twilight Sparkle, Thunder Sparkle, Luster Dawn, Princess Cadance, Princess Amore, Flurry Heart, Lilly Crystal, Cloud Star, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Bon Bon, Donut Joe, Spike the Dragon, Shining Armor, Tempest Shadow, Swift Foot, Gallus the Griffin, Star Swirl the Bearded, Magic Skylanders, Rai, Sena, Joe

Shimamura, Venom, Toxin, Scream, Phage, Lasher, Agony, Ransack and Crumplezone VS Duskmon

---

Duskmon was first.

Duskmon: (to Jeri) Which girl did J.D. rescue this time?

Jeri: Cerea, she's a Centaur like the ones you see in story books and movies.

Duskmon: That's amazing! And Cerea is really a pretty one.

Twilight Sparkle: She sure is. And it's a darn shame that we don't have any centaurs in Equestria.

Thunder Sparkle: Yeah that is a shame.

Luster Dawn: That would have been really cool to see centaurs in Ponyville and all that.

Princess Cadance: It sure would have been cool.

Princess Amore: Absolutely.

Duskmon: And centaurs are half man and half horse. They would have been a perfect addition to the world of Equestria.

Flurry Heart: They sure would and there are many more other creatures in mythology in Equestria.

Lilly Crystal: From myths all over the world.

Cloud Star: And they are really awesome to learn about.

Duskmon: That's cool!

Minuette: It sure is. My favorites are phoenixes.

Twinkleshine: Mine are dragons.

Lemon Hearts: Hippogriffs for me.

Moondancer: Fairies

Lyra Heartstrings: I like Elves.

Bon Bon: Angels.

Duskmon: Good choices and Angels are quite commonly seen through us.

Bon Bon: That is true.

Donut Joe: And that is amazing.

Spike: You bet it is!

Shining Armor: And seeing so many mythological creatures is amazing.

Tempest Shadow: It sure is.

Swift Foot: Yeah it is. I love how there are so many of them. I wonder if Equestria has mermaids.

Gallus: It might be possible. We have seaponies so mermaids are possible.

Star Swirl: That's true.

Spyro: We have mermaids in my world and they are beautiful.

Wrecking Ball: Yeah they are.

Rai: And we see them all the time in movies and books.

Sena: Yeah and they are awesome.

Venom: We agree.

Toxin: Yeah..

Scream: They are awesome.

Duskmon: Indeed. Lets do it!

Duskmon fired waves of darkness and they dodged the blasts and the group fired waves of energy and magic and smashed him down.

Jeri: The lion roars!

Twilight Sparkle: That was awesome!

---

Battle 2: Mary Jane Watson, Sunset Shimmer, Phoenix Shimmer, Triple Berry, Pepperdance, Cayenne, Wallflower, Adagio Dazzle, Aria Blaze, Sonata Dusk, Gusty the Great, Fire Skylanders, Jet Link, Mighty Morphin Rangers, Toxin and Scream VS Evil Green Rangers

---

The Evil Green Ranger was next.

Evil Green Ranger: (to M.J.) I have to admit. Miia and her friends are perfect additions to J.D.'s harem.

M.J.: You got that right. J.D. is gonna be the envy of all men everywhere.

Sunset Shimmer: He sure is. And it's amazing that he and the gene-slammer girls are meeting several girls that are beautiful.

Phoenix Shimmer: McWolf is really picking great and pretty girls for him.

Triple Berry: He sure is and it's great adventures.

Pepperdance: Ooowee! Hilarious adventures too.

Cayenne: Yeah they are. McWolf's reactions every time he sees J.D. and one of the gene-slammer girls is priceless.

Wallflower: (Laughs) They are so funny.

Adagio Dazzle: We get a good crack out of them.

Aria Blaze: We sure do. They are so funny and awesome.

Sonata Dusk: Yeah they are.

Gusty the Great: I have a feeling that the next girl will be just as awesome.

Sunburn: She sure will.

Eruptor: Yep.

Jet Link: Yeah!

Evil Green Ranger: I know. And Jason it's just like on TV huh?

Jason Lee Scott: It sure is. It's like we're trying to save you on from Rita.

Tommy Oliver: Yeah it is!

Evil Green Ranger: It sure is! Lets get it on!

Tommy Oliver: It's Morphin Time!

THUNDERCLAP!

Tommy: **"Tigerzord!"**

Zach: **"Mastodon!"**

Kimberly: **"Pterodactyl!"**

Billy: **"Triceratops!"**

Trini: **"Saber-Toothed Tiger!"**

Jason Lee Scott: **"Tyrannosaurus!"**

All: **"Power Rangers!"**

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action. Evil Green Ranger fired energy blasts and M.J. formed a red shield and deflected the blasts back and the group smashed and blasted Evil Green Ranger all over the place and knocked him down.

M.J.: You have been bested by The Ultimate Spider Woman!

Sunset Shimmer: That was great!

---

Battle 3: Sam Simpson, Rainbow Dash, Storm Rainbow, Lightning Dust, Scootaloo, Tornado Bolt, Rumble, Magma Gloom, Spitfire, Vapor Trail, Sky Stinger, Angel Wings, Soarin, Night Glider, Wind Socks, Cloudkicker, Blossomforth, Thunderlane, Cloud Chaser, Daring Do, Derpy Hooves, Flash Magnus, Indigo Zap, Lemon Zest, Sour Sweet, Sunny Flare, Sugarcoat, Frosty Orange, Velvet Sky, Smolder the Dragon, Air Skylanders, Françoise, Marceline, Princess Bubblegum, Finn, Jake, Flame Princess, Sheep Creep and Wallflower VS Selene

---

Selene was next.

Selene: (to Sam) It was really clever of you guys to get the Brauns to reveal their true colors. I honestly expected you guys to recklessly charge at them right away.

Sam: It sure was. But Brittney's keen senses were what really exposed the Braun's.

Rainbow Dash: Yeah her knowledge of everything in the supernatural really came in handy for this.

Storm Rainbow: As well as awesome detective work.

Lightning Dust: Yeah Brittney really came through for this entire mission.

Scootaloo: She sure did.

Tornado Bolt: Absolutely. And Brittney knew that the Braun's were not right the minute they moved in.

Rumble: And also no one moves in at night.

Magma Gloom: Yeah we knew that was suspicious.

Selene: What clues did you suspect that they were vampires?

Spitfire: First was their cold temperature. Vampires have a temperature of 50˚Fahrenheit.

Vapor Trail: Next was when we saw that they hate sunlight when Laney shined an ultraviolet flashlight on Mr. Braun's back. Everyone knows that vampire will burn in the sunlight.

Sky Stinger: Then we saw that Mrs. Braun had no image in a photo when Skulker took a photo of her exercising. Everyone knows that vampires have no reflection in a mirror or on film or camera.

Angel Wings: And we invited them over for dinner and that provided the most critical piece of evidence.

Soarin: When J.D. offered a piece of garlic bread they turned it down.

Night Glider: And everyone knows that vampires hate garlic.

Wind Socks: Lets not forget that vampires hate silver and holy water.

Cloudkicker: And Crucifixes because they are demons. No offense Selene.

Selene: None taken but yeah those are all great observations. I'm proud of you all for your awesome detective work.

Blossomforth: Thanks Selene. But you have Brittney's suspicions and keen sense of darkness to thank.

Thunderlane: Yeah she was on to the Braun's from minute one when they moved in.

Cloud Chaser: And it's good she was otherwise the entire city would have been turned into vampires.

Daring Do: Yeah and we would have had to kill everyone in the entire city.

Derpy Hooves: But they didn't count on us being here.

Flash Magnus: No they didn't. It's like they haven't done their homework on all our adventures.

Selene: And all the experiences you all have had with vampires.

Indigo Zap: Yeah. We killed as many vampires as Blade did and Buffy didn't come nearly as close.

Lemon Zest: Blade is easily the greatest vampire hunter ever.

Sugarcoat: He sure is.

Sour Sweet: No one can match him.

Sunny Flare: Except for J.D. and he killed EVERY single vampire that Blade faced when we met Zoey and the Mew Mew Girls.

Frosty Orange: He sure did.

Velvet Sky: He sure did. It was awesome and epic.

Smolder: You got that right.

Whirlwind: Yeah that was so awesome!

Blades: You said it.

Françoise: A great adventure.

Marceline: Right on!

Princess Bubblegum: Yep.

Selene: But it was really smart thinking you all did. Lets do it!

Selene fired waves of energy and they dodged the blasts and fired waves of energy and rainbows and smashed her down.

Sam Simpson: YEAH!

Rainbow Dash: That was AWESOME!

---

Battle 4: Akiza, Applejack, Apple Bloom, Thunderbird Apple, Lightning Fritter, Tender Tap, Frozen Fright, Apple Fritter, Big Mac, Sugar Belle, Granny Smith, Apple Rose, Goldie Delicious, Bright Mac, Pear Butter, Cheerilee, Strawberry Sunrise, Blue Raspberry, Grand Pear, Rockhoof, Cocoa Axe, Steela Oresdotter, Autumn Blaze, Coloratura, Yona the Yak, Earth Skylanders, Albert Heinrich, Penny Plendina, Android 16, Android 17, Android 18, Mega Man, Roll, Proto Man, Valon and Tania VS Robo Roxy

Akiza: We'll probably put it back on the market. Can't let a good house go to waste.

Applejack: Yeah it still is a good house. But what the Braun's are doing is unforgivable.

Apple Bloom: And it's scary too.

Thunderbird Apple: Yeah and it is absolutely despicable.

Lightning Fritter: They have no honor and want to enslave all of humanity by turning everyone into vampires.

Tender Tap: Like Count Dracula.

Frozen Fright: Yeah I've read many stories about vampires and the terror and pain they cause and it is not a pretty sight.

Apple Fritter: I heard that Fluttershy was a vampire once. Wasn't she Big Mac?

Big Mac: Eeyup.

Sugar Belle: And didn't she suck almost every apple dry from the orchard?

Granny Smith: She sure did. And this happened to the entire Apple Family once before.

Apple Rose: Yeah I've heard about that. Vampire Fruit Bats sucked many apples dry and destroyed 85% of the orchard.

Goldie Delicious: That was a terrible sight.

Robo-Roxy: What happened?

Bright Mac: We had to ration all our apples for the winter.

Pear Butter: One apple per pony.

Cheerilee: And not a drop of apple cider.

Strawberry Sunrise: I would hate to imagine what would happen if they went after strawberries.

Cocoa Axe: (Irish Accent) They make better trees lads.

Steela Oresdotter: (Norwegian Accent) And spread their seeds.

Emerald Shine: You said it mom. They have no idea that this is the city that is home to us.

Maud Pie: (Monotonously) I would not like being a vampire. It would be worse than carbonitite lava.

Lex Braun: (glares at him) Just kill me! I'd rather die then live a life without my parents!

Me: Oh we aren't the ones that will kill you. We'll leave that part to the sun. Rise and shine assholes.

3… 2… 1… 0.

The sun rose and it shined on all three of the family members and then they screamed in excrutiatingly powerful pain and then they bursted into incredibly powerful flames and they were incinerated into ashes in an instant.

They were dead and destroyed.

Me: Some motherfuckers are always trying to ice skate uphill.

Blade: You said it J.D.

Gentleman Ghost: You said it. And now, no more vampire neighbors will be taking over the world anytime soon.

Condiment King: So, what now?

Lucy Dark: Now? We get some sleep.

Koragg: A wise choice. We could all use some shuteye.

Me: Good idea. We stayed up all night for this. But we also have to get ready for the zap apple harvest.

Nico: We can do that later.

We then went to sleep. Later we were rested up and for the final day of the Zap Apple Preparedness we saw the 5th and final sign. We saw a massive lightning storm and then the storm clouds went and a huge rainbow formed and the apples all got rainbow light hitting them and then they were all hit by rainbows from each one and turned into Zap Apples! They were ready for harvesting!

**Granny Smith** : Yee-haw!

**Applejack** : The zap apple harvest has begun! [thud]

Me: Ouch!

**Granny Smith** : And tomorrow we will be makin' up some zap apple jam!

**Foals** : We do, we do!

**Granny Smith** and **Foals** : A, B, C, D, E, F, G… [continues]

Diamond Tiara was about to join in but Filthy Rich stopped her.

**Filthy Rich** : Diamond Tiara?

**Diamond Tiara** : But dad!

**Me:** Oh let her have her fun Mr. Rich. Besides, this was the coolest and most awesome adventure we've had yet.

Nico: You said it.

Filthy Rich: That's true. Also how did you all like the Zap Apple Harvest?

Me: It was really something. We got to see the signs for when the Zap Apples come and everything.

Diamond Tiara went to have fun.

Nico: Again I'm sorry I was so mad at you for that when we went to the world of Tarzan.

Nico: Yeah I missed out on something awesome.

We got to eating the Zap Apple Jam.

Me: Yep.

We got ready for a fresh day.

THE END

---

Another Awesome chapter done.

The Braun Family of Are You Afraid of The Dark was the most evil family I've ever seen in that show. And the moral of this is to always be suspicious of neighbors. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Nflemingful, Etstheclarencefan, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. The Next girl from Daily Life of a Monster Girl is Monster Girl is Nan Que the Vermillion Bird and she will be in the Jurassic Jungle of Spyro Enter the Dragonfly. Next up is an awesome fruity and awesome adventure from my childhood as we get ready to go into the world of my childhood story that I used to read in school: James And The Giant Peach! # The Boy and the Ginormous Peach

In the Jurassic Jungle of Spyro's World, me and Qin were flying over the prehistoric jungles in search of another one of Miia's friends who was kidnapped by McWolf. It was an awesome series of adventures for us so far. Also today was June 6th, 2021 and today marked the 77th anniversary of D-Day, the Battle of Normundy. It was a big day for us back on June 6th, 1944. It was also the day we dealt a crippling blow to the armies of the Nazis back on that day.

Me and Qin were flying over the Jurassic Jungle.

Me: Wow. This jungle is amazing.

Qin: It's like something out of the prehistoric times.

Me: Yeah. It also feels like we're back in the Land Before Time.

Qin: Just what I was thinking. I wonder who McWolf kidnapped this time?

Me: We'll find out when we face him.

We flew on and we came across a temple and it was McWolf's hideout.

Me: This temple must be it.

Qin: It's been so long since I've been Scalebreath.

Qin concentrated and groaned as something was growing in her pants.

Qin turned into her Komodo Dragon Gene-Slammer Form, SCALEBREATH!

Me: Time to bring this temple down.

We smashed through the temple and McWolf screamed like he did in a movie theater!

McWolf: I'm not giving up that easily!

He threw bombs at us and they exploded.

KRABBBBBBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMMM!

We came out of the smoke.

Me: Is that all you got?

McWolf screamed and his head and hands stretched out like springs and we jumped him and tickled him all over.

Me: Coochie coochie coo.

McWolf laughed hysterically.

We went into a tall room and found the girl he kidnapped. She was really a Vermilion Bird from Chinese Mythology.

Me: Wow! She's a Vermilion Bird from Chinese Myth.

Scalebreath: That sure is cool.

We went over and cut her free.

Nan Que: Oh thank you. Wow! J.D. Knudson of Team Loud Phoenix Storm, it's such an honor to meet you.

Me: Same here.

Nan Que: My name is Nan Que. And you must be Qin Chen A.K.A. Scalebreath.

Scalebreath: That's right.

Nan Que: Wow! It's a pleasure. But thank you both for saving me.

Scalebreath: You're welcome.

Me: We also rescued Miia and her friends Rachnero and Cerea.

Nan Que: Wow! It will be great to see them again.

Me: It sure will.

Scalebreath: I'm gonna revert back now J.D.

Me: Okay.

I put on my blind man glasses.

Qin reverted back to human form but was naked.

Qin: (covers herself) It's also been so long since I've been naked too!

Me: Good thing I'm not looking at you Qin with my blind man glasses on.

Qin: Yeah.

Nan Que: That must happen all the time to them.

Me: Yeah and Nicole will beat the living crap out of anyone that looks at us in our birthday suits. She hates perverts with a merciless vengeance.

Nan Que: Do you know why?

Me: I don't know the exact full details of the story myself but she can't stand them.

Nan Que: Wow. Here Qin.

She gave Qin a bath robe.

Nan Que: This will cover you till we get back.

Qin: Thanks Nan.

She put it on.

Qin: You can look now J.D.

I pulled off my glasses and saw Qin in the robe.

Me: That's better. Okay lets get home.

We flew back to the World Tree Estate.

---

We got back to the World Tree Estate and Qin went to go get some clothes on.

Nan Que: Wow! Your house is amazing.

Me: It's a massive world tree estate now.

Nico came.

Nico: Welcome home J.D. Wow. A Vermilion Bird of Chinese Myth.

Nan Que: That's right. My name is Nan Que and you must be Nicolas Chan.

Nico: That's me.

Miia: Nan Que?

Nan Que: Miia!

She and Miia hugged.

Miia: Its been a while.

Nan Que: I know it sure feels like it.

Rachnera: It's great to have you with us Nan.

Cerea: It sure is.

Nan Que: I'm honored to be with you all.

Me: Awesome.

Varie: It sure is.

The doorbell rang.

Drill Man: I'll get that.

Drill Man went to the door and answered it and there were a bunch of people they were really Rukia's friends of the Soul Society.

---

Ichigo Kurosaki

Ichigo Kurosaki (黒崎 一護, *Kurosaki Ichigo* ) is the main protagonist of the *Bleach* series. A tall orange-haired high school student, Ichigo becomes a "substitute Soul Reaper" after unintentionally absorbing most of Rukia Kuchiki's powers. His cynical nature at first makes him ill-disposed towards the duty, but, with the passage of time, he accepts and welcomes the strength his Soul Reaper powers give him. When creating the manga series, Kubo commented that Rukia Kuchiki, the first character he created, did not seem like a lead character, so he created Ichigo to be the series protagonist. Ichigo is voiced by Masakazu Morita in Japanese and Johnny Yong Bosch in English.

Rukia Kuchiki

Rukia Kuchiki (朽木 ルキア, *Kuchiki Rukia* ) is a Soul Reaper,(死神, Shinigami, literally 'Death God'), who is assigned hollow extermination duties in Karakura Town. Rukia meets Ichigo for the first time when she breaks into his house, not knowing that Ichigo can see her. Their relationship further complicates when Rukia tries to save Ichigo and unintentionally transfers too much of her Shinigami powers into him. Rukia is left with little powers left and cannot return to Soul Society. She assumes a temporary lifestyle as a regular human, using a *gigia* (human form) obtained from Kisuke Urahara's shop, and enrolls into Ichigo's high school and takes up residence in his closet, while teaching him how to be a substitute Soul Reaper in her place.[8] Rukia was the first character of the series created by Kubo, her design being the one he decided to use for all the other Soul Reapers. Rukia is voiced by Fumiko Orikasa in Japanese and Michelle Ruff in English.

Orihime Inoue

Orihime Inoue (井上 織姫, *Inoue Orihime* ) is a long-time classmate of Ichigo Kurosaki and one of his closest friends. She used to have a crush on Ichigo since the beginning, however due to Ichigo's selfless wish to protect his loved ones, Orihime genuinely falls in love with him. Since the age of three, she had been an orphan when her older brother Sora left their abusive parents' home with her and raised her on his own. Later on, when Orihime was in middle school, he died in an accident. Though initially devoid of spiritual powers, she develops spiritual awareness early in the plot and later obtains the god-like ability to warp reality through rejecting past phenomena. Orihime is voiced by Yuki Matsuoka in Japanese and Stephanie Sheh in English.

Renji Abarai

Renji Abarai (阿散井 恋次, *Abarai Renji* ), is a Soul Reaper of Squad 6 in the Gotei 13. When he was first introduced he played an antagonistic role as he was sent to the human world to find Rukia Kuchiki and bring her back to Soul Society. He initially dedicates his life to defeating Ichigo Kurosaki, the protagonist of the series, before joining forces with him to rescue Rukia halfway through the Soul Society arc. He has since become a major protagonist and a consistent ally and rival of Kurosaki. His weapon throughout the series is Zabimaru. Renji is voiced by Kentarō Itō in Japanese and Wally Wingert in English.

Uryū Ishida

Uryū Ishida (石田 雨竜, *Ishida Uryū* )[n 1] is a Quincy, a descendant of a line of near-extinct, priest-like, hollow-hunting archers, who were historical enemies of the Soul Reapers. He bears a deep grudge against all Soul Reapers, including Ichigo, and is an early antagonist in the series. He comes to view Ichigo differently over time, and eventually becomes a valuable ally and a friendly rival. As a Quincy, Uryū possesses the supernatural power to gather invisible "spirit particles" called *reishi* from the atmosphere. Once gathered, these particles can be shaped into spirit-energy constructs, foremost among them a bow and arrow, and to fuel various magical spells and superhuman abilities. Uryū is voiced by Noriaki Sugiyama in

Japanese and Derek Stephen Prince in English.

Yasutora "Chad" Sado

Yasutora Sado (茶渡 泰虎, *Sado Yasutora* ), better known as Chad (チャド, *Chado* ), is one of Ichigo's friends at school. He is of mixed Japanese/Mexican heritage and a student who towers over his classmates at 6 feet 5 inches. Despite his imposing appearance and fearless attitude he is quite meek and refuses to fight unless it is for the sake of another. When he attempts to protect Ichigo's sister Karin and her friends from a hollow, he discovers a unique ability that strengthens and armors his right arm, enabling him to fight hollows. He is quite loyal to his friends, especially Ichigo, who is one of his closest friends. He displays little emotion except when something or someone he cares about is in danger. Chad is voiced by Hiroki Yasumoto in Japanese and Jamieson Price in English.

**Nelliel Tu Odelschwanck**

Nelliel Tu Odelschwanck (ネリエル・トゥ・オーデルシュヴァンク, *Nerieru Tu Ōderushuvanku* ) is the former *Tres* (three) Espada. She was also known as Nel Tu (ネル・トゥ, *Neru Tu* ) when she was a small, good-natured, childlike Arrancar. Nelliel lives in Hueco Mundo with her adoptive brothers and former Fracción, Dondochakka Birstanne and Pesche Guatiche, and their pet, Bawabawa.

**Kon**

Kon (コン, *Kon* ) is an Underpod (部下強化型 (アンダーポッド), *Andāpoddo* ; Japanese for " *Lower Part-Strengthened Form* ") Modified Soul created during Project Spearhead. His name is short for Kaizō Konpaku (改造 魂魄, *Modified soul* ). Kon typically inhabits a stuffed lion, but occasionally doubles as a Soul Candy pill for Ichigo Kurosaki, taking charge of Ichigo's Human body.

Drill Man: Can we help all of you?

Orihime: Is Rukia here?

Ichigo: We are the Soul Society and Rukia is one of our friends.

Uryu: Is she here?

Drill Man: Yeah come on in.

They came in and Rukia saw them.

Rukia: Orihime, Ichigo, Uryu, everyone!

She went over and hugged them!

Orihime: It's great to see you again!

Ichigo: We missed you.

Rukia: I missed you all too.

But then Eddy jumped them.

Eddy was tying Ichigo and his friends up.

Ed: What are you doing, Eddy?

Eddy: Lumpy, after our previous bad neighbors incidents, I don't buy that these guys are visitors with good intentions.

Rukia: Eddy it's all right. These are my friends from the Soul Society and they are good.

Eddy: Oh. Oops.

Rukia: Sorry guys, he's a little paranoid. (Cuts them free) We've had some encounters with bad neighbors in the past.

Orihime: That's all right.

Ururu: It happens.

Ichigo: Yeah.

Me: But it's great to meet you all. Rukia told us so much about you all and how you all preserve the peace with the dead and all that.

Orihime: I'm glad.

Cybertron Dirt Boss: You guys must be Rukia's friends.

Orihime: We certainly are.

Ichigo: We are her friends in the Soul Society.

Ururu: We are the protectors of the living and the dead. We are known as the Soul Society.

They told us all about what they do.

**Soul Society** (尸魂界 (ソウル・ソサエティ), *Souru Sosaeti* ; Japanese for " *Dead Spirit World* ") is an afterlife (also called the spirit world). This is also where Shinigami live and where most Souls dwell until they are reincarnated into the Human World. While referred to as simply Soul Society by its residents, this area is actually the **East Branch** (東梢局, *Tōshōkyoku* ; literally " *Eastern Office* ") of a larger Soul Society, with an area in Reverse London marked as the **West Branch** .

While Rukia Kuchiki initially describes Soul Society as something of a paradise, where nine out of ten times it is better than the living world and hunger is never a problem, Soul Society is far from sublime. In fact, aside from the slowed aging and aforementioned lack of hunger, life there is much like that in the living world.

Soul Society consists of the Rukongai (流魂街, *Wandering Soul City* ; *Viz* " **Rukon District** "), where souls live when they arrive in Soul Society, and Seireitei (瀞霊廷, *Court of Pure Souls* ), which is at the center of Soul Society. The mode of life here closely resembles that of feudal Japan.

The Human World and Soul Society are parallel to each other and are two sides of the same coin. Families separated by death are rarely reunited in the Soul Society unless they arrive in Soul Society together. People live nestled together like a family of strangers. One never gets hungry (if she or he doesn't have spiritual powers) and aging is slowed to a great extent, with lifespans of 2000 or more years not being unheard of, though such ages are limited to

Shinigami or other Soul Society dwellers with high spiritual power. Children can be born as they are in the Human World. People can also be killed as regular Humans are, though they are capable of surviving wounds that would normally be considered fatal. A soul that dies in Soul Society is reincarnated on Earth as a new Human with no past memories.

## Accessing Soul Society

Shinigami enter and leave Soul Society by unlocking the Senkaimon and using a Jigokuchō. Pluses, on the other hand, enter Soul Society through the ritual of Konsō. When people die, they are assigned a number to a part of Soul Society according to when they died. Spirits can be born in Soul Society as much as in the living world, with the Shinigami acting to balance the souls.

Intruders can pass through the Senkaimon in the same manner, but only in soul form. This allows spiritual beings, such as Ichigo in his Shinigami form, to enter without permission. Humans can also use such a gate through the use of **Reishihenkanki** (霊子変換機, *Spirit Exchangers* ), which convert solid matter into Reishi.

Finally, Hollows can also directly rip a hole to Soul Society from Hueco Mundo, or in the case of Arrancar, using Garganta.

## Government Soul King

Soul Society is maintained by the Soul King, whose existence is pivotal to the balance of the world as it regulates the flow of souls into and out of Soul Society, leaving administration to the Central 46 Chambers and Nobles. The Soul King lives at the Royal Palace in a dimension separated from Soul Society itself and protected by the Royal Guard. The King does have a specific system of "specialty duties" which are actively carried out but the exact nature of these duties is unknown.[14] The dimension can only be opened with a tri-pronged golden key fittingly named the Royal Key (王鍵, *ōken* ).[15] The location of this Royal Key is passed down verbally from one Gotei 13 Captain-Commander to the next, the former holder being Genryūsai Shigekuni Yamamoto.[16] According to Rangiku Matsumoto, no Shinigami has ever seen the king.

## Nobility

*Main article: Noble Houses* Another part of the government are the Noble Houses ( *Noble Families* in the English version), especially the four Great Noble Houses, which are considered to be the highest of them all. The lower noble houses all serve one of the four each.

## Judiciary

**Central 46** (中央四十六, *Chūō Shijūroku* ): The Central 46 serve the Shinigami royalty. They are made up of 40 wise men and 6 judges, selected from all of Soul Society. They are sealed into an enclave in Seireitei called *Seijōtōkyorin* (清浄塔居林) which no one else may enter, regardless of their military or civilian status. They act as a supreme judiciary organization whose authority puts it in direct control of the legal system. They handle all rulings on Shinigami and souls who have violated prohibitions. Their orders are absolute and no decision has been known to be overturned.

## Laws

The ultimate law is to maintain balance.

It is against the law for a Shinigami to give their spiritual power to Humans.

It is against the law for a Shinigami to use forbidden Kidō.

It is against the law for any citizen of Soul Society to create weapons of a dangerous nature not sanctioned by the feudal government. To do so is treason.

It is against the law to attack a captain. To do so is treason.

It is against the law to commit terrorist action(s) or attempt to overthrow the balance of Soul Society. To do so is treason.

It is against the law to commit murder.

It is against the law to kill a Human that a Shinigami has not been ordered to kill.

It is forbidden for a Shinigami to acquire or attempt to gain Hollow-like powers.

It is a crime for a Shinigami to remain in the Human World longer than a certain time limit.

It is against the law for the Gotei 13 to meddle in the affairs of the noble families unless the family in question breaks one of the laws of Soul Society beyond a shadow of a doubt.

It is by ancient law that two Shinigami cannot hold the same Zanpakutō. They must fight for the honor of bearing the spirit, with the spirit going to the winner, and the loser being executed.

It is forbidden for a Shinigami to intervene in anything that is related to Hell.

It is a crime to lose a sacred treasure.

It is against the law to alter the Dangai records.

All Modified Souls must be scrapped.

Punishment

**Exile** : Certain crimes allows for the punishment of exile, commonly stripping a Shinigami of their powers and banishing them to the Human World.

**Detention** : A punishment not well known among the citizens of Soul Society is the detention of Shinigami. It is commonly reserved for those who have either broken the law, quit the Gotei 13, or those who just seem dangerous and mentally unstable (as per the government's interpretation). This is carried out by the Onmitsukidō.

**Imprisonment** : The Central 46 can sentence a Shinigami to be held in the **Central Great Underground Prison** (真央地下大監獄, *shin'ōchikadaikangoku* ) for a set amount of time. The prison has eight levels which prisoners are confined in based on the severity of their crimes. For the use of forbidden Kidō techniques, Tessai Tsukabishi was sentenced to be confined in **Shugo** (衆合, *Gathering Group* ), the 3rd level of the underground prison. For the crime of treason, Sōsuke Aizen was sentenced to be imprisoned for 20,000 years in **Muken** (無間, *Voided Space* ), the 8th and final level of the underground prison underneath the First Division barracks.

**Sealing** : If a renegade Shinigami is resisting arrest and proves to be too powerful to be restrained or executed, they would be opted to be sealed away to prevent further damage. Kōga Kuchiki and Baishin were both sealed away when they retaliated against the Shinigami sent to kill them.

There are two known forms of execution in Soul Society:

**Spirit-Sealing Pit** : The Spirit-Sealing Pit is an ancient form of execution in which Shinigami criminals are thrown into a pit walled with sekki sekki rock - a type of stone that absorbs spiritual power, preventing those nearby from using their powers. Hollows are then thrown into the pit with the criminals as the means of execution. The practice was considered too barbaric and discontinued, and the Spirit-Sealing Pits were converted into garbage dumps. **Sōkyoku** (双殛, *Twinned Punishment* ): The "ultimate punishment", Sōkyoku is a form of execution usually reserved for those with extremely strong spiritual powers, namely Shinigami captains. The Sōkyoku is a giant halberd that utterly destroys a soul on contact. When released, Sōkyoku takes on the form of a phoenix, its true form, called ***Kikōō*** . The *Kikōō* has the destructive power of a million Zanpakutō, and that power is multiplied by a factor of 10 at the moment it pierces its victim. It was destroyed by Jūshirō Ukitake and Shunsui Kyōraku.

Military

The armed forces of Soul Society consist of three independent main branches: the **Gotei 13**, the **Kidō Corps** and the **Onmitsukidō** .

Gotei 13

*Main article: Gotei 13* The Gotei 13 (護廷十三隊, *goteijūsantai* ; 13 Division Imperial Guards, or 13 Court Guard Squads in the English dubbed version) is the organization which most Shinigami join. It is split into thirteen divisions (hence the name), with several divisions having certain specializations. The 4th Division is the medical/supply division, the 11th Division is the combat division (specialization in swordsmanship), and the 12th Division is the research/scientific division. The 9th Division is in charge of newspaper and magazine-related duties. It's unclear if the other divisions are specialized, as the four above are the only ones who receive any significant attention apart from their members. Additionally, it should be noted that Suì-Fēng is in charge of both the 2nd Division and the Onmitsukidō. The Gotei 13 somewhat seems to have superiority and little authority over the two branches (i.e., Suì-Fēng, the Commander-in-Chief of the Onmitsukidō and Tessai Tsukabishi, the former Grand Kidō Chief).

## Royal Guard

*Main article: Royal Guard* Also known as the Zero Division, it is made up of former captains of the Gotei 13 who have been promoted to this level. Only captains of the Gotei 13 know of their existence. They are said to have considerable power and tactical knowledge. Only the Royal family presides over them, the Central 46 have no say in them what so ever.

## Kidō Corps

*Main article: Kidō Corps* There is currently little information on the **Kidō Corps** (鬼道衆, *kidōshū* ) (known as the Kidō Force in English), due to the secrecy in which they operate. The members all excel in Kidō.

## Onmitsukidō

*Main article: Onmitsukidō* There is little information about the operations of the Onmitsukidō. They are currently lead by Suì-Fēng, who is also the captain of the Gotei 13's Second Division. She succeeded Yoruichi Shihōin in both posts.

## Technology Level

One of the more unusual aspects of Soul Society is its technology level. While the lifestyle and culture of Soul Society is comparable to feudal Japan, they possess technology of a level exceeding that time period. The Shinigami Research Institute has developed amazing technology to their credit, mixing technology with organic components. Allowing for the creation of creatures that do everything from detecting spiritual energy signatures to allowing Humans to see a spirit without the use of a Gigai. They possess touch-screens and databases which are in use for files and historical documentation storage found extensively in the **Daireishokairo** (大霊書回廊, *Great Spirit Book Gallery* ), which contains all the knowledge and history of Soul Society. View screen technology that is capable of sending signals to the Human World and Dangai, allowing for face to face conferencing. All manner of portable hand-held devices for tracking and communication purposes. Blending old traditions and ideas with new innovation, Soul Society is an enigma in this comparison.

Rukongai

**Rukongai** (流魂街, *wandering soul city* ) is the largest portion of Soul Society and the most populated. It is divided into 320 districts (80 in North Rukongai, 80 in West Rukongai, 80 in South Rukongai, 80 in East Rukongai).

Seireitei

*Main article: Seireitei* **Seireitei** (瀞霊廷, *court of pure souls* ) is in the center of **Soul Society**, a circular shiro with four main entrances, each guarded by a Gatekeeper. The walls of Seireitei are made of stone called **Sekkiseki** (殺気石, *spirit reducing stone* ), a material known to negate all Reiryoku, similar to magnetic lodestones. The stone also forms a spherical barrier around the city which stops anything spiritual from breaching it.

We were amazed.

Me: Wow! That's as big a responsibility as what we do.

Orihime: It sure is.

Nan Que: Wow.

Miia: That is amazing.

Rachnera: It sure is.

Cerea: And it's awesome.

Kon: Indeed.

Aang: That's just like what I do as the Avatar: Maintain balance between the physical and spirit worlds.

Me: That's a major league job.

He saw Lori and jumped onto her and nuzzled her.

Kon: You are so beautiful!

Lori: (Giggles) Thanks.

Ichigo: Better watch out Lori. Kon has a bit of a pervy streak in him.

Me: Don't make me get Nicole on you.

Nico: Yeah she hates perverts.

Kon saw that he was right and Nicole looked at Kon and gave the finger gesture that said I'm Watching You Bub.

Blurr: FYI, Rukia's been a great help to the team.

Me: She sure has. She is an incredibly invaluable asset to the team.

Nico: Her knowledge of events and things that have happened in the past and long ago is amazing.

Brittney: It sure is.

Jared: I'll say.

Orihime: We are just glad that Rukia was in really good hands.

Twilight Sparkle: She is a great friend.

Shana the Flame Haze: You got that right.

Me: Yep.

Jared came back with a bowl of peaches.

Jared: (Eating peaches) Mmm! Good peaches.

Muscle Man: Hey, guys. You know who else loves peaches?

Demona: (grins) Oh, we already know.

Muscle Man: My mom!

We laughed at his joke.

Orihime: I don't get it.

Me: We don't either. But his jokes are really funny.

Nan Que: Yeah they sure are.

Me: But hey! This gives me an idea for our next mission. We're gonna go into the world of James and The Giant Peach.

Laney: Oh wow!

Eli: That's one of my favorites.

Ets: Mine too!

Me: And it's one of the first ever stories I read when I was in Elementary School.

Nico: Cool!

Me: Yep.

Evil Green Ranger, Mojo, Gentleman Ghost, Selene, Robo Roxy, Condiment King, Koragg, and Duskmon then appeared.

Evil Green Ranger: Can me, Mojo, Gentleman Ghost, Selene, Robo Roxy, Condiment King, Koragg, and Duskmon go with you guys?

Me: You all sure can. First we're going to watch one of my favorite movies from my past. We're going to watch James and the Giant Peach.

Condiment King: Wow! That's one of my old childhood favorites.

Mojo Jojo: A most amazing and tantalizing story.

Me: It sure is.

We got to watching the movie.

---

In 1941, James Henry Trotter is a young boy who lives with his parents by the sea in the United Kingdom. On James' birthday, they plan to go to New York City and visit the Empire State Building, the tallest building in the world. However, his parents have vanished and are eaten by a ghostly rhinoceros from the sky, and finds himself living with his two abusive aunts, Spiker and Sponge. He is forced to work all day and they threaten him with beatings and the mysterious rhino if he tries to leave. While rescuing a spider from being squashed by his aunts, James meets a mysterious man with a bag of magic green "crocodile tongues", which he gives to James to make his life better. The soldier warns him not to lose the "tongues" and disappears. When James is returning to the house, he trips and the "tongues" escape into the ground.

One peach is soon found on a withered old tree, and it grows to immense proportions. Spiker and Sponge use the giant peach as an attraction, making lots of money as James watches from the house, not allowed to leave. That night, James is sent to pick up the garbage. While doing so, he grabs a chunk of the peach to eat as one of the "crocodile tongues" jumps into it. A large hole appears inside the peach and James ventures inside and turns into a stop-motion animated character, where he finds and befriends a group of life-size anthropomorphic bugs who also dream of an ideal home (Mr. Grasshopper, Mr. Centipede, Earthworm, Miss Spider, Mrs. Ladybug, and Glowworm). As they hear the aunts search for James, Centipede manages to cut the stem holding the giant peach to the tree and the peach rolls away to the Atlantic Ocean with James and his friends inside it.

Remembering his dream to visit New York City, James and the insects decide to go there. They use Miss Spider's silk to capture and tie a hundred seagulls to the peach stem, while battling against a giant robotic shark. They escape just in time. While flying, James and his friends eventually find themselves hungry and soon realize that "their whole ship is made out of food". After gorging most of the inside of the peach, Miss Spider, while using her web to tuck in James, reveals to him that she was the spider he saved from Spiker and Sponge. James then has a nightmare of him as a caterpillar attacked by Spiker, Sponge, and the rhino. When he wakes up, he and his friends find themselves in The Arctic, lost and cold. Mr. Centipede has fallen asleep while keeping watch, resulting in them further away from their destination than ever. After hearing Mr. Grasshopper wishing they had a compass, Mr. Centipede jumps off the peach into the icy water below and searches a sunken ship. He finds a compass but is taken prisoner by a group of skeletal pirates. James and Miss Spider rescue him and the journey continues.

As the group finally reach New York City, a storm appears. A flash of lightning reveals the rhino approaching towards them. James is terrified but faces his fears and gets his friends to safety before the rhino strikes the peach with lightning; The strings keeping the seagulls attached to the peach are cut and the James and the peach fall to the city. James coughs up the crocodile tongue as he reawakens, returns to his normal self, and emerges from the peach realizing it has landed right on top of the Empire State Building. As he is rescued by the police and firemen, his aunts arrive and attempt to reclaim James and the peach. James stands up to his aunts, revealing their abusive behavior towards him. The aunts attempt to kill James until the bugs returned to rescue him, thanks to the remaining seagulls. They tie up Spiker and Sponge with Miss Spider's silk and the police arrest the two. James introduces his friends and allows the children of New York to eat up the peach. The peach stone is made into a house in Central Park, where James lives with the bugs and has all the friends he could wish for. Mr. Centipede runs for New York's mayor and is now James' new father, Mr. Grasshopper becomes a professional violinist and is now James' new grandfather, Earthworm becomes a mascot for a new cream and now is James' new uncle, Mrs. Ladybug becomes a doctor (now delivering her 1000th baby) and is now James' new aunt, Miss Spider owns a club called "Spider Club" and is now James' new mother, Glowworm lights up the Statue of Liberty and is now James' new grandmother, and James celebrates his 8th birthday with his new family. In a post-credits scene, a new arcade game called "Spike the Aunts" is shown, featuring the rhino.

---

We got an awesome thrill out of it and it was awesome! When it was done we cheered wildly!

Me: That always is so awesome watching.

Nico: No kidding. That peach was amazing.

Laney: It sure was.

Me: A peach as big as a whole house would feed a lot of people.

Laney: It sure would.

Rukia: That sure would be something.

Me: But those aunts are heartless monsters!

Nico: You got that right! I've always hated those monsters in that movie.

Me: I think practically everyone does. Lets see here.

I looked up their history.

Aunt Spiker

**Aunt Spiker** (also known as **Spiker** ) is one of the two main antagonists of the 1996 Disney live action/stop-motion animated film *James and the Giant Peach* (which is based on the 1961 children's novel of the same name by the late Roald Dahl), the other being Aunt Sponge. She is one of James' two cruel aunts and Aunt Sponge's sister.

She was portrayed by Joanna Lumley, who also played Maudeline Everglot in *Corpse Bride* .

After the death of James' parents, Spiker and Sponge had no choice but to take in James and "raise" him. Instead of caring for him, she and Sponge force him to do all the work around the house, they had a tendency to beat him when he disagrees with them or backtalks, and almost always make him go into his room without dinner. She and Sponge never call James by his name, but always refer to him with mean, insulting, and opprobrious names such as "you nasty little beast". Why they despise him so much is unknown.

Like her sister, Spiker also hates James to the point that she would kill him over money. She also appears to have little regard for life in general since she tried to eradicate the insect crew. Thus, she can be as irrational as her sister despite being smarter. Overall, Spiker shows no actual redeeming traits and is nothing more than a sadistic child abuser and eventfully, attempted child murderer.

## Appearance

Aunt Spiker is a tall, thin, and ugly woman. She is probably the older aunt. Like her younger sister Sponge, she claims that she is a very beautiful woman, but looks beg to differ. At first, it seems like she has red hair, but later on, it's revealed to be a wig, covering short gray hair on an almost balding head. To further illustrate her skinny appearance, her eyes are sunken into her head. She is mostly seen wearing a long green gown. She also seems to be the smarter one of the two as she is less reckless and sometimes, more reasonable.

## History

Spiker and Sponge adopted James after his parents were eaten by a rhinoceros and are very abusive and treat him like a slave, forcing him to do hard labor and feeding him nothing but fish heads. Aunt Spiker is thin, quiet and cold. Both have a terrible hatred of insects and bugs and kill them in a variety of awful ways, and are thus hated by them as well. It is unknown if Spiker and Sponge are the sisters of James' father or mother. In the book, the illustrations show them to be elderly, so they could also be his great-aunts.

Sometime later, she and Sponge discover a peach on a withered old tree, and watch it grow to immense proportions in a matter of seconds. She and Sponge use the giant peach as an attraction, making lots of money as James watches from the house, not allowed to leave or play with the other children. That night, she and Sponge send James outside to pick up the garbage dropped by their customers.

Later, Spiker and Sponge go searching for James, annoyed at his lack of work at cleaning up the garbage. As they look for him, they tease about the rhino when Spiker hears a sound (Centipede gnawing at the peach's root). She and Sponge investigate where the noise is coming from, but then are thrown off balance by a sudden shaking of the ground. They turn around to see the peach about to roll in front of them and rush to their car in panic. After adjusting the seat and while grabbing the steering wheel, Spiker impatiently tries to start the car, but is unable to. As the peach rolls closer to them, Spiker keeps trying to start the car, unable to step on the accelerator.

One night, while navigating on the peach, James has a nightmare of him as a caterpillar being chased and attacked by Spiker, Sponge, and the rhino, eventually getting trapped in a blind alley before he awakens.

Later, when James escapes on the giant peach, he is followed by her and Sponge all the way to New York, apparently somehow managing to drive their now crushed car under the ocean and reach New York covered in seaweed and crabs, where they try to convince the authorities that James is a liar and that he be released to them. However, James, now no longer afraid of her and Sponge, stands up to them and reveals the truth about their horrible treatment of him.

Fed up with James daring to stand up to them, she and Sponge furiously attack him with firemen's axes until the sudden reappearance of the insects came to James' rescue. The aunts are frightened to see the bugs that turned their nephew against them. James and the bugs tie her and Sponge up with Miss Spider's thread, and the beat cop has them taken away on a crane. What happens with Spiker and Sponge afterwards is completely unknown, but most likely, the two sisters were arrested for child abuse after being taken away, paying for their crimes once and for all. Other possibility, however, could be that, with their faces clogged with spider web, they were not able to breathe and suffocated to death. However, it is plausible that James would have not allowed to get his aunts killed even though they tried to kill him.

After the credits, there is a scene showing an arcade-like game which consists of controlling a rhinoceros to attack replica models of her and Sponge.

## Defeat

In the book, when the peach gets loose and rolls, it rolls over her and Sponge, killing them both, and they subsequently do not reappear at the end.

In the 1996 film, she and Sponge survive and pursue James to New York City in their beat-up car (in the Ice World, James and Miss Spider see a shipwreck with figureheads, having a terrible resemblance of her and Sponge). Upon arriving in New York, both are soaked as if they had been driving their car across the seabed. She and Sponge attempt to kill James but are tied up with Miss Spider's silk and arrested.

In the 2015 musical, which combines material from both the book and the film, James' aunts survive like in the film. However, the peach lands atop the Empire State Building, and eventually it falls off at the story's climax. As such, Spiker and Sponge are both crushed to death by the peach-pit like in the book.

# Aunt Sponge

**Aunt Sponge** (also simply known as **Sponge** ) is one of the two main antagonists of the 1996 Disney live action/stop-motion animated film *James and the Giant Peach* (which is based on the 1961 children's novel of the same name by the late Roald Dahl), the other being Aunt Spiker. She is one of James' two cruel aunts and Aunt Spiker's sister.

She was portrayed by Miriam Margolyes, who also played Leef

Apple Glyn Slitheen-Blathereen in *The Sarah Jane Adventures* and Bessie the Cornish Cow in *101 Dalmatian Street* .

## Background

After the death of James' parents, Sponge and Spiker had no choice but to take in James and "raise" him. Instead of caring for him, she and Spiker force him to do every work around the house, they had a tendency to beat him when he disagrees with them or backtalk, and almost always make him go into his room without dinner. She and Spiker make fun of poor James, and they never call James by his name, but always refer to him with mean, insulting, and opprobrious names such as "you nasty little beast".

## Appearance

Aunt Sponge is a greedy, selfish and morbidly fat woman, who is equally cruel, repulsive, unsympathetic and vituperative as her sister Spiker, and presumably the younger of the two. Both she and Spiker are vain, each singing praises of their imagined beauty while they are actually grotesque, but each usually ends up attacking the other's repulsion. Dominated by Spiker, Sponge is apparently a bit more dimwitted, gluttonous, and acquisitive, thinking of eating the peach while Spiker seizes the money-making and remunerative opportunities it will bring to make them rich. According to the musical, Sponge also has "voluptuous curves" and a "solid gold tooth". Sponge attempts to save her own life instead of Spiker's when she notices the giant peach rolling towards her. However, they trip up over each other and both meet the same end.

## History

* * *

When we were finished we were shocked and horrified!

Me: Whoa man! They have three different fates in the book, movie and musical.

Nico: I like the movie fate better.

Me: Me too. The Book was too simple. But there is something about that Rhino that appeared in the movie that feels so evil.

Nico: Yeah. Horrible.

Nan Que: That was a scary sight to see.

Lola: It sure was.

Me: Lets get to work and head to the simulator and I know how we're going to meet James and his friends. We're going to meet them in the ocean.

Varie: Awesome!

We went to the simulator and we got ready.

* * *

In the simulator we got ready for an awesome adventure in the world of the movie James and the Giant Peach. The Simulator activated and we saw the ginormous peach in the ocean and it had fencing around it that made it look like a path.

Rubberband Man: Okay. This must be the big ass peach.

Me: This peach is ginormous!

Nico: Hard to imagine that a magical concoction could make a fruit grow this huge.

Laney: And turn bugs into anthropomorphic creatures.

Lisa Loud: Just what I was about to say that.

We walked inside and in the peach we saw James and the bugs.

Me: There they are.

They gasped when they saw us.

Me: It's all right everyone. We mean you all no harm.

James Trotter: (British Accent) Team Loud Phoenix Storm! It's awesome to meet you!

Me: Pleasure to meet you too James.

Nico: Same here.

Rukia: We heard a lot about what happened.

Gentleman Ghost: And you must be James' new bug friends.

Old Green Grasshopper: Indeed we are.

Earthworm: We sure are man.

Earthworm Jim: Always a pleasure to meet a fellow earthworm.

Earthworm: You too Jim.

Mrs. Ladybug: It's an honor to meet you all.

Ms. Spider: We heard so much about you all and we love your adventures.

Rachnera: And it's a pleasure to meet a fellow spider.

Ms. Spider: Indeed.

Mr. Centipede: It's a pleasure guys.

Frightwig: Rachnera actually joined us recently.

Me: Yep.

Cerea: Same with me, Nan Que, Miia and the Soul Society.

Me: Lots of people are joining us every time we meet them.

Nico: Our forces are continuing to grow with everyone we meet and help.

Glowworm: Your porridge is going out?

Old Green Grasshopper: No. (Through a megaphone) Their forces are continuing to grow! (Normal speech) Sorry about Glowworm she's a little deaf.

Nico: No worries.

Me: It happens.

Autumn Blaze: Yeah it's all right.

Me: James we know you're going to New York and we're going to help you get there.

Nico: That's right. It's what your mom and dad would have wanted.

Eli: Yeah man.

Mojo: We should probably move this peach from the inside. Before those two slave drivers find out what's going on!

Me: We're out in the middle of the ocean Mojo.

Mojo Jojo: Oh.

Me: And we need to figure out how to move this ginormous peach.

Nico: Hmm.

Eli: Lets think.

But then our thinking was interrupted by a strange sound.

Me: What's that?

Ets: No idea but I don't like it.

We went outside and we saw a whirlpool with tuna jumping around it.

Old Green Grasshopper: It's a school of tuna.

Me: I don't think it's the tuna we have to worry about!

Then a giant mechanical shark jumped out of the whirlpool!

James Trotter: It's a giant shark!

John Bolton: I've never seen a mechanical shark like that before.

Clint Bolton: Looks like one of those steampunk sharks.

Me: Soon it will be a destroyed shark.

I fired a Kamehameha Wave into the Shark's mouth and it exploded into a massive fiery explosion and blew the shark to smithereens.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jared: BULLSEYE!

Nico: YEAH!

James Trotter: And I have an idea. We'll make the peach fly by seagulls!

Fluttershy: Leave this to me.

She used her powers of animals to have the seagulls all come to her and then she had them help her and Ms. Spider tied the seagulls to the peach.

Mr. Centipede: SEAGULLS AWAY!

The peach was pulled up out of the water and we were off to New York City!

---

Back at the house of the Aunt Hags, Aunt Spiker and Aunt Sponge were really pissed on what happened. Somehow the peach got cut free.

Then Mr. Mind, Baron Nero and Goche then appeared.

Mr. Mind: Perhaps we can help.

Aunt Spiker: Who are you three?

Mr. Mind: I am Mr. Mind. And these are my two associates, Goche Ru Medou and Baron Nero.

Baron Nero: We came here on special business involving you two.

Aunt Sponge: If it's about taxes, we're not interested! Now, get off of our property!

Goche: Very well. I guess you don't want to know where your nephew and that peach is.

They were tempted.

Aunt Sponge: Where is that worthless little nothing?

Mr. Mind: He's heading to New York City.

Baron Nero: Also we are not Tax Brokers. Though that would be a good job for us to have.

Goche: Indeed it would.

Mr. Mind: We can always get day jobs before we launch our attack on our enemies. We do need the money for our funding.

Little did Spiker and Sponge know that Goche injected the two aunt hags with something and the aunts were on their way.

Baron Nero: What did you inject into those two?

Goche: A little something in case those two hags try to rat us out.

Mr. Mind: Clever. Now, let us return to base. Unlike the Sullen 6, we will continue to increase our ranks while Team Loud Phoenix Storm save the day like the heroes they are.

Baron Nero: Right.

They teleported away.

---

Over the ocean we were flying and inside the peach we were having peach drinks and pizza and more as Nico made a picnic out of various foods.

Luminous: James, can you tell us exactly what you know about the night your parents died?

Me: I know this is a hard subject to talk about but we need to know.

James Trotter: I understand.

James told us that he and his family were celebrating his birthday and he and his parents were planning to move to America to start a new life. But those plans were cut short when a storm rhinoceros appeared out of nowhere and killed his mom and dad and ate them. He lived with his cruel aunts for a long time and it was Hell on Earth. They treated him like a slave and worked him like a dog with no food or water. It was a nightmare for him.

We gasped in shock!

Nico: Those monsters!

Eli: I can't believe your aunts are like that.

Ets: They are devils in human form.

Laney: They have no right to be part of your family after everything they did to you.

Nan Que: You said it Laney. They are demons.

Miia: You got that right.

Rachnera: I will poison them for this.

Brittney: But something has got me curious about that rhino. I have a feeling that this is the work of dark magic.

Eli: Yeah I sense it too.

Me: There's something evil about that monster.

Rhino: Wait. You're saying a rhino killed your parents?!

James Trotter: Yes. That's right.

Rhino: James, I know rhinos. Heck, the suit I'm wearing is modeled after a rhino. What you described is no rhino!

Duskmon: I have to agree with Aleksei on this one.

Me: Yeah and Rhinoceroses don't eat people. They mostly eat plants.

Rhino: That's right.

Brittney: Hmm.

Brittney pulled out her book on Dark Magic and she scrolled through the pages and found something interesting.

Brittney: Found it!

Me: What is it Brittney?

Brittney: "Rampage of The Tempest Rhino." It's a deadly spell of dark magic that causes misfortune, death, destruction and pain to anyone the caster puts it on. It unleashes a terrible rhinoceros of pure storm clouds and lightning and it will only obey the caster and only the caster.

Nico: Whoa man!

Rukia: I've heard about this kind of spell.

Orihime: It must be a deadly one.

Brittney: It's worse than that. The spell however comes with a terrible price. It's a spell that is so deadly and dangerous that it will destroy the casters minds to the point of murderous insanity at the cost of the users sanity.

Eli: Whoa!

Nunnally: That is brutal.

Raven: Usually all dark magic comes with a horrible price like that.

Twilight Sparkle: It sure does.

Rukia: That spell is a dangerous one.

Orihime: It sure is.

Tentakill: Who would be stupid enough to summon a rhino like that?

Me: Aunt Spiker and Aunt Sponge obviously. They had no idea that they were messing around with forces no mere mortal can understand.

Brittney: Yeah. Dark magic is a very dangerous thing if its not used properly.

Me: And I have a strong feeling that it was all because of Aunt

Spiker and Aunt Sponge that they killed James's parents.

Nico: You might be right.

Ichigo: I can't believe that those monsters are that blackhearted.

Maria: Oh James.

James Trotter then broke down crying.

Maria then comforted him.

Koragg: Have those two no honor?

Horsea jumped into James' arms and cuddled with him.

Horsea: Please don't cry, James.

James Trotter: (Crying) They took everything from me!

Mrs. Ladybug: There there James.

Me: Are your aunts your fathers or mothers sisters?

Ms. Spider: Spiker is his mothers sister and Sponge is her sister in law.

Me: Oh man.

Sam S.L.: They give people like me and Luna a horrible name.

Luna Loud: You said it dudes!

Me: James I promise we will get justice for your parents. They will face the consequences for their crimes.

Eli: And it won't be pretty.

Nan Que: No it won't.

Me: Brittney does it say how to destroy a Tempest Rhino like that?

Brittney: Actually it does. The only way to destroy it is to banish it to another dimension where it can never be summoned again.

Nico: The Warp.

Me: Just what I was thinking.

Naruto: That's right.

Kairi Yano: I know how you feel, James. A certain ice bastard temporarily took away the loved ones of me, Touma, and Umika a long time ago.

Spectra Phantom: I think I know who you're referring to.

Me: Yeah. Zamigo Delma. I remember seeing him do all that on TV. That was horrible. But in the end you defeated him.

Nico: Yeah that was epic and awesome.

Lola: It sure was.

Ronnie Anne: His human form also reminded me of a Spanish version of Clint Eastwood from the Man With No Name Trilogy.

Me: He sure did look like it.

Nico: Yeah.

Selene: Poor James. I feel so bad for him. What his aunts did would make even the Hellfire Club cringe.

Lola: Yeah that's awful. I may be like a princess but I would never work any of my family to the bone like slaves.

Me: Icky Vicky would.

Timmy Turner: Yeah she would.

Selene: Maria, I know that look. What's on your mind?

Maria: I'm going to adopt James as my brother.

Horsea: Yay!

James Trotter looked at Maria.

James Trotter: You would do that for me Maria?

Maria: I sure would. You did nothing to deserve this James. I'm going to adopt you as my little brother to raise you and teach you everything I know and all that. You need to have some family in your life.

James smiled and then hugged Maria.

Me: Aww.

Varie: So happy.

Carmen: Yay!

---

Later we were waking up and it was freezing cold.

Me: What the?

We were in the Arctic.

Me: We're in the Arctic.

Nico: Freezing cold.

Lola: Yeah.

Me: I think we're lost.

Centipede: We are not lost!

Me: Now lets not panic. I think I know what we're missing. We need to find a compass.

Eli: There's pirate ships all over this place. One of them must have one.

Varie: Then lets go.

Me: Nico keep an eye on the peach while we're down there.

Nico: Right.

We dove down into the water and we went down to a shipwreck.

Me: I've got a bad feeling about this.

Cassandra: Guys, I don't think we're alone in here.

Ed: This calls for some music.

Ed got out his phone and started playing "I Think We're Alone Now" by Tiffany.

Me: What do you mean?

Nico: She thinks we're not the only ones down here.

Eli: Oh boy.

We went down to the captain's quarters and we found a compass.

Me: There's a compass.

Condiment King: Hey, guys! Looks like Jack decided to join us. Jack Skellington, I mean.

Me: That's not Jack. It's a pirate skeleton.

Nico: Yeah.

Jack Skellington: Plus, I'm right here with you guys.

Bonecrusher: He does look like you, though.

Me: I don't see any resemblance.

Nico: Yeah.

Lola: Lets just grab the compass and get back.

Centipede grabbed the compass.

Centipede: I'll take that. (Grabs the compass) Thank you sir!

But as he was walking back his suspenders were stretched and he saw that the pirate skeleton was alive!

He growled ferociously! Centipede screamed.

The pirates all came.

Robo Roxy: Tronics, keep these guys off us!

The Tronics then appeared and they smashed and blasted the pirates all over.

Me: Lets go!

We flew back up to the peach and we got the compass and we tied it to the peach and we were back on track.

Me: That's more like it.

Then Webstor, Ebon, Rich Texan, Angel, Skalamander, Black Adam, Red Ghost, Steam Smythe, Brain Freezer and Atomic Skull then appeared.

Me: Webstor, Ebon, Rich Texan, Angel, Skalamander, Black Adam, Red Ghost, Steam Smythe, Brain Freezer and Atomic Skull.

Atomic Skull: Good seeing you all here.

Nico: Is it time for our usual battles already?

Brain Freezer: Yep.

Webstor: Fancy seeing you guys here.

May: How did you guys get here?

Ebon: I used one of my portals to get us in here easily.

Rich Texan: And we may or may not have eaten some bits of the peach.

Maria: Also, I have an announcement to make to you guys.

Angel: What is it?

Maria: I adopted James Henry Trotter here.

Angel: Really!?

Nico: Yep. She sure did.

Me: We found out some horrible things you should know.

We revealed everything about what Spiker and Sponge did and they were shocked and enraged.

Nico: I know. Those guys are monsters.

?: No kidding.

A figure came out and it was SPEEDWING from episode 7 of Super Ninja Steel!

* * *

Speedwing is the next Galactic Ninja to fight the Rangers. He uses his evil Speed Star to attack the Rangers at super speed, but it is taken by Sarah, unbeknownst to him. He apologizes to Wolvermean, but Odius and Cosmo show him a clip from a Buzzcam showing him that Sarah took it. He goes to get it back and does but it gets stuck in Brody's helmet, and he runs very fast. It then gets stuck in Speedwing's back but the Rangers destroy him with the Super Steel Slash. He is gigantified, but is taken out by the Ninja Fusion Zord's Master Slash Final Attack and the Lion Fire Megazord's Lion Fire Slash Final Attack. His medallion is retrieved by Odius and she says when she gets all four, she'll be able to complete her master plan to destroy the Rangers.

* * *

Sarah Thompson: Speedwing!

Speedwing: Been a long time rangers.

Me: I remember you! You were sent to destroy the rangers but Sarah took your Speed Star and it ended up getting stuck on Brody's helmet.

Speedwing: That's right. Good memory.

Me: Never missed an episode.

Speedwing: Well, Pink Ranger. Did my Speed Star really make you the Fastest Ranger Alive? Or did that title go to your leader when my Speed Star hit him on his head?

Sarah Thompson: It actually did make me the fastest ranger alive and it was awesome being that fast.

Flash: Looks like you and me have some competition.

Me: I think a lot of you have a ton of competition.

Nico: Yep.

But then a roar was heard and a big towering lava monster came and it was VOLCANUS!

---

Volcanus emerges from a volcano when a construction vehicle mistakenly destroys a statue maintaining the seal placed on him and the fiend starts attacking the area around him.

When Manx's party escapes via boat, Volcanus pursues them underwater where he seemingly died until he re-emerges at Mega Kat City's docks and goes on a rampage across the city.

Eventually, Razor manages to plant a bomb in the monster's body to destroy him.

---

T-Bone: CATS ALIVE! That's Volcanus!

Aylene C.: The Masters of Evil have the Fire Demon of Anakata

Island, Volcanus with them? WHOA!

Me: So he is Volcanus!

Nico: WHOA! The heat coming off of him is amazing!

Nan Que: I'll face him and this will be a battle to remember.

Me: Lets get them but keep them away from the peach.

We got to battle.

---

Battle 1: Lucy Loud, Princess Luna, Snowdrop, Children of The Night, Dark Skylanders, Tassanil, Sarah Gunnerson, Riku and Demona VS Webstor

---

Webstor was first.

Webstor: (to Lucy) You guys are gonna bring back James' parents, right?

Lucy Loud: That's what we plan to do. I can't wait to see the looks on those putrid aunts ugly faces when they see us do that.

Princess Luna: It will be a most satisfying reaction.

Snowdrop: You got it.

Gari: What those monsters did to James is completely unforgivable.

Blackout: They have absolutely no love for anyone.

Knight Mare: And they will get the most horrible punishment ever.

Tassanil: You got that right.

Sarah Gunnerson: And it won't be pretty.

Webstor: No it won't. Lets do it!

Webstor fired waves of webbing and they dodged the webs and fired waves of darkness and moonlight and smashed him down.

Lucy Loud: Wicked.

Princess Luna: A victory of the night.

---

## Battle 2: Lily Loud, Rarity, Sweetie Belle, Thunder Terror, Mistmane, Water Skylanders, Shadow the Hedgehog, Maria Robotnik, Sonic, Tail, Inque and Rubberband Man VS Ebon

---

Ebon was next.

Ebon: (to Lily) I'm really proud of Maria for adopting James.

Lily: I am too.

Rarity: Indeed darling. Maria did a really good thing.

Sweetie Belle: She sure did. It's one of the right decisions.

Thunder Terror: You got that right. What those monsters he calls aunts did to him was atrocious.

Mistmane: Using dark magic like that to kill people is pure evil.

Gill Grunt: Yeah it's inhuman.

Slam Bam: It sure is.

Shadow: And I thought I was evil before.

Maria Robotnik: Yeah what those monsters did was an abomination.

Sonic: Absolutely.

Tail: Yeah!

Ebon: You said it. Lets do it!

Ebon threw darkness portals and they dodged them and fired waves of water, jewels and chaos energy and smashed Ebon down.

Lily: That was awesome.

Rarity: Rapture darling that was grand.

---

Battle 3: Becky, Starlight Glimmer, Cozy Glow, Clover the Clever, Undead Skylanders, Rattle Shake, Clay Bailey, Applejack, Frightwig and Bleez VS Rich Texan

---

Rich Texan was next.

Rich Texan: (to Becky) How in tarnation did James' aunts summon that rhino? They're not even magic users!

Becky: I think they might have gotten it from another source but we don't have any proof to how they got it.

Starlight Glimmer: Dark Magic like that just doesn't appear like that in their hands. Someone gave it to them.

Cozy Glow: Yeah it's weird but we have to figure out who gave it to them.

Clover the Clever: But it might be the work of Mxyzpltk.

Hex: I don't think it was Mr. Mxyzpltk. He only does comedy pranks.

Cynder: Yeah Dark Magic is not his style. It think it was a dark orb.

Rattle Snake: That could very well be the reason. But we'll have to sssee it to believe it.

Clay Bailey: Yeah but whatever the reason they are in a ton of hot water.

Applejack: More hot water than a geyser in a volcano.

Rich Texan: No kidding. Lets do it!

Rattle Shake: Go ahead, sssnake my day.

Rich Texan fired his guns and they dodged the blasts and Rattle Shake fired poison blasts and Becky and her group fired waves of energy and stars and skulls and smashed him down.

Becky: That was awesome!

Starlight Glimmer: YEAH!

Applejack: YEEHAW! That was great!

---

Battle 4: Skyla, Rainbow Dash, Scootaloo, Magma Gloom, Flash Magnus, Air Skylanders, Maximum Ride, Nudge, Angel, Nightshade and Luminous VS Angel

---

Angel was next.

Angel: (to Skyla) James' aunts are no better then the Dursleys.

Skyla: I think they are 100 times worse than the Dursleys. They worked James like a slave and didn't give him food.

Rainbow Dash: Yeah what the Dursleys did is nothing compared to Spiker and Sponge. At least they didn't treat Harry Potter like a slave.

Scootaloo: They are both REALLY bad and they deserve to spend the rest of their lives rotting in jail.

Fu: Yep.

Aunt Spiker: Well there you are.

Aunt Sponge: Yeah.

**Aunt Spiker** : This is all something he dreamed up.

**James** : Well, maybe it started that way, as a dream, but didn't everything? Those buildings, these lights, this whole city! Somebody had to dream about it first, and maybe that's what I did. I dreamed about coming here, but then I did it!

**Aunt Spiker** : The poor boy needs his medicine.

**Aunt Sponge:** Yes.

**Aunt Spiker** : So, we'll just take him.

**Aunt Sponge** : And the peach.

**Aunt Spiker** : Back to our cozy little house on the hill. Come along. You're going home with us.

**James** : No, I'm not.

**Aunt Spiker** : (tilts her head back in a creepy way and her smile disappears) What did you say?

**James** : I said, "No, I'm not!" I hate that house and that cold room and how I was always hungry.

I grabbed them and held them up.

Me: Who the hell do you bitches think you are!?

Nico: James has had enough with your cruelty and wishes to never see you hags again!

Kairi Yano: And we heard you saying to James that dreams are worthless! As if!

Aunt Sponge and Aunt Spiker: Dreams?

May: Dreams like going to New York City! Did you honestly think that making up a story about James being a liar would give you the advantage of taking him back to the miserable life he endured from the likes of you? James is right. You are nothing. Nothing but a bunch of miserable cowards who show no regard of other people's feelings!

Aunt Spiker: (cowardly) But there's no such thing as dreams!

Aunt Sponge: (cowardly) Yeah! No such thing!

Right: No such thing as dreams? No such thing as dreams?! You don't believe in dreams?! You two really are morons! He worked so hard to achieve his dream, and all you tried to do was shatter it by making his life miserable! We all have dreams! Everyone in the world has dreams! Even me and my team! What reason do the two of you have on destroying other people's dreams like James'?! James' dream of coming to New York became a reality and you have no right to destroy it! That is why we are here! All of us are fighting for James and his dream of having a better life in New York

City!

We punched and pulverized the living shit out of Aunt Spiker and Aunt Sponge!

**Simba** : Time to give you a lesson in dreams! (roars and whacks them with his paws) Take this! And this! And this! And that!

**Timon** : How about some of this?! (pokes Aunt Spiker in the eyes)

**Pumbaa** : They call me, Mr. Piggity Pig! (kicks Aunt Sponge in the face)

**Buzzie** : Yeah, yeah. (Aunt Spiker almost kicks him) Missed me a mile, they did.

(Pooh and friends throw fruits and vegetables at the evil women as they spin)

**Rabbit** : Take that, you ugly brutes! And that! And that!

**Tigger** : Take this! And that! And some of this! And one of those!

**Zhane** : This is for beating him, tormenting him, and making him into a slave! (throws a tomato at them)

**Misty** : This is for ripping up his travel book that he got for his birthday! (throws a nectarine at them) Staryu, Poliwhirl, Goldeen, Water Gun!

They fired blasts of water at them.

**Brock** : And this is for starving him to death, making him sleep in a cold room, and calling him a worthless little nothing! (throws a watermelon at them)

SPLAT!

**Ash Ketchum** : (grabs some of the giant peach) Take this! (throws some of the peach at them)

**Ducky & Petrie** : Take this!

**Mickey Mouse and Goofy** : Take that!

**Pluto** : (barks and bites Sponge in the buttocks; causing her to scream)

**Chomper** : (jumps up and bites Spiker in the leg; causing her to scream) I hope that hurts, ugly!

**Terk** : Hey, Spiker and Sponge! Looking for some fists? (punches Spiker and Sponge in the faces, knocking out several of their teeth)

**Cera** : (throws some fruit in the aunts' faces with his tail) Let's see if you like eating some of that fruit, punks!

Ash: Pikachu, Thunderbolt!

Pikachu: PIKA… CHUUUUUU!

Pikachu fired a massive blast of lightning and electrocuted Spiker and Sponge all over the place!

When we were done we held them up.

Me: And I think it's time for you to have a nice talk with your sister and brother in law. (Snaps fingers)

I snapped my fingers and then a beam of light shined down in between us and the two aunt hags and the divine singing of angels was heard and 2 figures came down and they were James's parents. They came down and opened their eyes.

James Trotter: Mum, dad?

James Mother: Hello James.

James Trotter: MUM! DAD!

He went and hugged them.

He cried hard into them.

James Trotter: I missed you both!

Aunt Sponge: NO! We killed you both!

The people of New York gasped!

Nico: Bingo.

Me: You guys are going to prison for a long time for your crimes! You will never be going back to England either.

Aunt Spiker: Why?

Me: Because I destroyed your house. It's now a worthless little smoldering crater in the ground just like you are.

Eli: You make me sick!

Eli then grabbed their eyes and ripped them out of their faces!

Ets: Yeah!

Nico: Yikes!

Eli then fired Force Lightning and electrocuted them all over.

James mom: You killed us with that Rhino, Sponge and you will never be welcome in our family again. As of right now you are hereby banished from the Trotter family and I renounce you as my sister and I never want to see you again.

James mom disowned her and severed her ties to her.

Nan Que: Who even told you where to find us?

Aunt Spiker: Fine! We might as well rat out our new friend if we can't get what we want in the end!

Aunt Sponge: The person who told us where to find you idiots is-

Sparks flew out of the two Aunts' heads as they screamed in pain and then were silent.

Skalamander: What just happened?

Black Adam: It seems that whoever led those two here also didn't want them talking.

Iron Boy: (scans the two) You're right. I'm detecting nanites in their bloodstream.

Me: The nanites must've made them braindead and put them into vegetable states.

Red Ghost: Our mystery villain must've injected those two with them.

Steam Smythe: Well, either way, they'll never hurt James again.

Me: I can still use my powers to find out who they were working for.

Flash: You can do that if J'onn can't find anything in what's left of their minds, dude. For now, let's enjoy our victory.

Me: Yeah you're right Barry. Besides I forgot that J'onn is a mind reader. Lets get them to the Justice League Watchtower for analysis.

Nico: Yeah.

James's mom went up to Maria.

James mom: (Hugs Maria) Thank you so much for taking care of our son.

Maria: You're so welcome. James is now my little brother and I will always be there for him just like Carmen.

Carmen: That's right.

James Mom: We are forever grateful to you.

James Trotter: (To the viewers) This was an awesome adventure. Hope you all loved it as much as I have.

Me: I sure have James. And James, I'm so proud of you for standing up to your wicked aunts like that. You are amazing.

James: Thanks so much, guys for everything.

Me: You're welcome James. It was our pleasure.

(James smiled warmly, as he and me hug each other.)

**Kid 1** : Could we eat some of your peach?

**Mr. Centipede** : It won't keep forever.

**James** : Go ahead.

(The crowd cheers and throws down tons of confetti. All of the children in New York gather and start gobbling down the giant peach like no tomorrow)

**Kid 2** : Hey, what was your name?

**James** : It's James!

(The crowd continues to cheer and people continue eating the giant peach)

**Narrator/Old Man** : They ate that peach all the way down to the pit. And set it up in Gotham Royal York Central as a permanent home in a giant tree. And James Henry Trotter, who was once the saddest and loneliest little boy you could find, now had his loving family with a great sister, and all the friends in the world.

It was a happy time for them. We later got dinner and had an awesome time watching TV and having fun and we then went to bed.

THE END

---

Another awesome fanfic complete.

James and The Giant Peach is one of my favorite stories from my childhood. I used to read it all the time back when I was in elementary school and it was awesome! I was too young to understand what was happening to James though but now I do know. Those aunts of his were monsters! The movie was just as awesome as the book was and it was awesome! Too bad it was a flop. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Etstheclarencefan, Nflemingful, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. The next girl from Daily Life of A Monster Girl is Papi the Harpy and she is gonna be in the Tree Tops of Spyro 1. And the next chapter is gonna be where we ALL go through the whole movie of Cloudy With A Chance of Meatballs and we're gonna make sure that the Mayor goes to prison for his crimes and save the world from a massive all you can eat buffet nightmare. Also we have a special ally appearing to join in too.

See you all tomorrow.

# Cloudy With A 100 Chance of Gluttony

Note: This is a revamped version of chapter 129.

---

In the world of Spyro, Me and Carolyn Hope were walking towards another realm and we came across REALLY tall trees. McWolf was no doubt in those trees with another girl.

Me: Wow! Looks like McWolf chose a tall realm.

Carolyn: Let's rescue another girl for you!

She concentrated and groaned as her hair began to fall out.

And her head extended out and she turned into DIALGA!

Me: YEAH! Lets go!

Carolyn Dialga: Hop on J.D.

Me: Okay.

I hopped onto Carolyn's back.

Me: I hope I'm not too heavy.

Carolyn Dialga: Not at all J.D. and I am a Pokemon that's over 17 feet.

Me: Wow!

Carolyn flew fast and we were searching the Tree Tops.

Me: Wow! You can see everything from up here.

Carolyn Dialga: Yeah it's beautiful.

We saw a castle in the tree tops and we went at it and smashed in and McWolf saw us and he screamed and then his clothes turned into different colors.

McWolf: It's amazing how you guys find me so easily.

Me: It sure is. Besides you make it really fun.

Carolyn Dialga: You sure do.

McWolf: Well lets see you like this!

He went at us with a bunch of anvils and he threw them at us and we dodged them and then we jumped him and tickled him.

Me: Coochy coochy coo.

We tickled him all over.

McWolf: Okay okay! (Laughs hysterically)

We went up to a room and we saw that the girl was really a harpy and she had blue hair and blue winged arms and she had a blue shirt and black shorts and bird talon feet.

Me: She's a harpy.

Carolyn Dialga: Wow!

I went over to her and cut her free.

Papi: Oh thank you. Wow! You're J.D. Knudson, the leader of Team Loud Phoenix Storm.

Me: That's right. You're cute for a harpy.

Papi: Thanks. My name is Papi.

Me: Pleasure to meet you Papi and the Dialga with me is Carolyn Hope.

Carolyn Dialga: Pleasure to meet you.

Papi: Same here.

Carolyn Dialga: I'm gonna revert back now.

Me: Okay.

I put on my blind man glasses and Carolyn reverted back and she was totally naked.

Carolyn: (covers herself) J.D., can you rub my back in case it aches? You were riding on me after all.

Me: Sorry Carolyn.

I pulled out a blue robe for her and she put it on.

Carolyn: Thanks.

Me: Leni gave this to me before we left.

Carolyn: Good thinking

She put on the robe.

Papi: Perhaps I can help.

Me: Sure Papi.

Papi rubbed Carolyn's back.

Papi: Sorry if my claws are a little sharp. We Harpies have sharp claws.

Carolyn: That's all right Papi. My back was itching there anyway.

Papi: Good.

Me: Awesome. Lets head back to the estate.

Papi: Okay.

We went back to the World Tree Estate and Carolyn went back to her room to get some new clothes on.

Papi: Wow! Is this where you all live?

Me: Yep.

Nico: Wow! A harpy from Greek Myth.

Papi: That's right. My name is Papi. Pleasure to meet you Nico.

Nico: Same to you Papi.

Miia: Papi?

Papi: Miia!

They went and hugged.

Miia: It's great to have you with us!

Rachnera: Welcome back Papi!

Cerea: It's great having you here.

Nan Que: It'll be awesome having you with us.

Papi: Same here. Wow you girls were kidnapped my McWolf too?

Miia: We sure were.

Nico: J.D. saved them all.

Papi: He is a true hero.

Me: I get that a lot and don't let it go to my head.

Nico: That's good.

Me: We'll show you around.

We did so.

---

POW! CRACK! BIFF!

Poromon was badly mangled up because of bullies that I am now beating up those bullies into pulp. Kevin Reynolds and Poromon were out on a walk when it happened.

Kevin Reynolds: You okay, Poromon?

Poromon: (cries) No, I'm not! I'll never be strong like Nico and J.D. as long as I'm this size!

POW! BIFF! CRACK!

Me: You freaks are worthless losers!

POW!

I punched a bully in the face and knocked out all of his teeth.

Me: Picking on my friends partner all for your own hatred!

KROW!

I kicked him in the balls!

Papi slashed a bully in his face and cut out his eyes and he was screaming in pain.

I kicked him in the face and knocked him down.

Me: You buttfaces better remember from this day or your heads with be first.

They ran fast and the police caught them and took them to the hospital.

Me: You guys all right?

Kevin Reynolds: Yeah we're fine.

Poromon: (Hugs me crying) It was awful! If only I weren't so puny I would give them a piece of my mind.

Me: I know Poromon but you are good on your own with your Lightning Javelin attack.

Poromon: (Sniffles) I know! But it is not enough.

Me: Yes it is.

Papi: Poor thing.

Me: Kevin how about you take Poromon to the gym for a bit?

Kevin Reynolds: Good idea.

He took him to the gym.

Poromon was lifting up some weights and he couldn't lift them up because of his size.

Man: Looks like your pet Digimon needs help.

Kevin Reynolds: He's actually my friend's pet Digimon. And yeah, he does need the help. Especially given what happened a few minutes ago.

Man: I think I have the solution. And it's free.

He gave him a syringe and it was full of steroids.

Kevin Reynolds: Sold!

Kevin then injected him.

Poromon: OW! What was… WHOA! This is an incredible rush of energy!

Kevin Reynolds: YEAH!

Poromon was working out like there was no tomorrow and he was REALLY pumping iron and all that.

Later he came home and we saw that Poromon was now an Arnold Schwarzneggar body builder in Digimon form!

We were watching TV when suddenly, Poromon came in. But with muscles!

Poromon: Hey, everybody. (flexes his muscles and picks up the remote) Anyone need the remote?

Spark Man: OH MY GOD! What the Hell happened to Poromon?!

Kevin Reynolds: Looks pretty strong, doesn't he? I'd like to see bullies beat him up now.

Maria: Bullies beat Poromon up?!

Kevin: Not to worry. J.D. and Papi took care of them.

Spark Man: You still haven't answered my question. Why the Hell does Poromon look like this?!

Kevin: Well, I took him to the gym, and the colorful gent there advised me that I put him on steroids.

May: And you listened to him?!

Kevin: You weren't there when those bullies beat Poromon up! The poor little guy was crying his eyes out! What was I supposed to do? Ignore that?!

Nico: Well, at least you did this to help a friend instead of out of stupidity.

Me: I got to admit though, Poromon looks buff. (Flexes arm) His muscles are as powerful as mine.

Poromon: You said it J.D. I look awesome! (Lifts up a weight) I HAVE THE POWER!

THUNDERCLAP!

We cheered for him.

Poromon (to Lori): What's going on, L minus? (flexes his abs) What's the haps?

Lori: Poromon, you look gross. You look like a Machamp's poop.

Poromon: I look like a guy who's been hitting the gym.

Lori: It literally has nothing to do with the gym. You're on drugs!

Poromon: Doesn't matter how you find the pot of gold, L to the Ori. All that matters is that you beat the leprechauns.

Sam Manson: That doesn't even make any sense.

Poromon: It doesn't have to make sense when you look like this! (flexes his muscles) I am hotter than phone sex with a blind girl.

Sam Manson: That is just wrong.

Papi: No kidding.

Nico: Yep.

Me: But he is a hunk for the Digimon and Pokemon girls.

Manaphy: (With hearts spiraling around her head) I'll say.

Lynn was going downstairs when she bumped into Poromon.

Lynn: Hey! What the Hell!

Poromon: Whoa! Is there a problem here? You wanna go? You wanna go?

Lynn: Go? What are you talking about?

Poromon: I'm talking about go! (punches himself, making blood appear on his beak) Yeah, that's what I'm talking about! First one's on the house! (wipes blood off)

Lynn: I've got things to do.

Poromon: (blocks her path) Where do you think you're going?

Lynn: I'm going downstairs.

Poromon: About that. There's a toll in the hall now, 10 bucks.

Lynn: Look, can I…

Poromon: (blocks her path) Uh!

Lynn: I just…

Poromon: (blocks her path again) Uh!

Lynn: Poromon…

Poromon: (blocks her path again) Uh!

Lynn: Look…

Poromon: (blocks her path again) Uh!

Lynn: Come on…

Poromon: (blocks her path again) Uh!

Lynn: I…

Poromon: (blocks her path again) Uh!

Lynn: Just…

Poromon: (blocks her path again) Uh!

Lynn: You…

Poromon: (blocks her path again) Uh!

Lynn: This is…

Poromon: (blocks her path again) Uh!

Lynn: Can I…

Poromon: (blocks her path again) Uh! (grabs her in a headlock) Ah! I was just messing with you, girl! You can do whatever you want. I was just kidding you. (gives her a noogie) Why are you so serious?

Nightbird: (to Kevin Reynolds) You know what? Injecting Poromon with steroids was the best idea you ever had!

Nico: I agree with Nightbird.

Me: You got that right.

Eli: Yeah maybe it will teach the Trinity of Violence some manners. The parents were spoiing Lynn too much.

Ets: I'll say.

Me: Yeah. Poromon let her pass.

Poromon: Fine.

He did so.

Lynn: Thanks J.D.

She went downstairs.

Lisa Loud was working on something in her room with her chemistry set.

Lisa Loud: Finally, some peace and quiet.

Unknown to her, Poromon was playing football with the mascots.

Poromon: Ready? (throws football) Hike!

The football went into Lisa's room and Jirachi ran after it.

Jirachi: I got it!

He got the football but accidentally bumped into Lisa, making her drop a bunson beaker. As a result, her equpiment exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Jirachi: (sees this) Uh oh!

Lisa: (gets pissed) ARE YOU KIDDING ME?! I NEEDED THAT!

In the Aligned universe…

Aligned Ratchet sneezed.

Aligned Optimus: Is something the matter, Ratchet?

Aligned Ratchet: Just have this weird feeling that someone's ripping off my line.

Me: What's going on in here?

I saw the mess.

Me: Whoa. What happened in here?

Nico: What a mess.

Lisa: (shows us her damaged tools) Just look at what he's done!

Arcee: Don't be so dramatic, Lisa. We can always replace any of your damaged equipment.

Lisa: This isn't about my equpiment, guys!

Lori: I literally agree with Lisa. We're talking about Poromon and his new muscles!

Lynn: He's been causing trouble with how he's always showing off his muscles!

Lola: He could be confined! Restrained even!

Poromon: (walks up to them threateningly) Wanna say that again, wimps?!

Me: Poromon that's enough! Now girls he likes his new muscles and it makes him look awesome.

Nico: That's right girls. Poromon is just showing off. No harm done.

Rukia: Yeah he just likes to show off.

Papi: And I think it's really cute.

Cerea: I do too.

Nico: Yeah.

Sandman: Look, regardless of how you girls feel about Poromon at the moment, his muscles could still come in handy on the next mission.

Me: They sure can. And I know just the mission for this.

Nico: What is it?

Me: This time ALL of us are going on this one. Many of you weren't with us when we did this. We're gonna go through the whole movie of Cloudy With A Chance Of Meatballs.

Nico: Oh wow!

Lori: I always literally love that movie.

Lola: It was fun helping Flynn and Sam out.

Nico: I wasn't with you when that went down but that was so adventure from what I heard.

Eli: This is gonna be so fun.

Papi: It sure is.

Cerea: I can't wait to have fun with that one.

Nel: Me too.

Rich Texan, Webstor, Angel, Red Ghost, Steam Smythe, Skalamander, Ebon, and Black Adam then appeared.

Rich Texan: Can me, Webstor, Angel, Red Ghost, Steam Smythe, Skalamander, Ebon, and Black Adam go with you guys?

Me: You all sure can. I don't know if any of you have read the books or watched the movies but we're going to the island of Swallow Falls to help Flint Lockwood and Sam in the world of Cloudy With A Chance of Meatballs.

Angel: Oh wow! I used to read that book all the time.

Black Adam: And the movies were just as awesome.

Qin: I remember going to the world of the second movie after what happened to the island after the 1st movie.

Nico: That was epic. This time we're all going to see the events of the first movie unfold.

Ebon: That's gonna be so cool.

Me: And it will be awesome to see Flint and Sam again.

Eli: It sure will.

Orihime: Lets get moving.

We were off to Swallow Falls.

## SWALLOW FALLS, ATLANTIC OCEAN

We were on the island of Swallow Falls and we were walking around the island on the water and it was a gloomy and depressing place.

Me: Wow. I forgot that this town has seen better days.

Maria: I forgot how depressing the town started off.

Me: Me too.

Rainbow Dash: What was the reason that the whole town was so depressing?

Me: Well Swallow Falls was primarily known for their sardines. But after the Baby Brent Sardine Cannery closed its doors forever the whole island was starving. The reason is because the world realized that sardines are super gross.

Laney: Yeah I don't blame them. Sardines taste awful.

Me: Yeah they taste like you're drinking crude oil in its pure form and that stuff is poisonous.

Rarity: Why are sardines so gross?

Me: Well Sardines are loaded with so much fish oil that it tastes like you're drinking gasoline. This whole town fell into poverty because they are now stuck eating sardines 24/7 and they had to eat them poached, fried, boiled, dried, candied and even juiced. BLECH!

Fluttershy: Goodness.

Applejack: Yeah I would not want to eat sardines like that.

Me: Me neither.

Pinkie Pie: It's like what happened when Zesty Gourmand was taking the flavor out of Restaurant Row in Canterlot.

Rarity: Indeed darling.

Emerald Shine: That was crazy mom.

Nico: Yeah.

We then saw someone sitting on a ladder in the docks by the water and he was looking sad and it was Flint Lockwood.

Me: There he is.

We find Flint, with Steve, hanging on the ladder at the end of the docks, hiding underneath.

Flint: (Sigh)

We came up to him.

Red Ghost: Are you Flint Lockwood?

Flint: (glares suspiciously at him) I am. Are you someone who's supposed to be in jail?

Me: Flint it's us.

Flint: Hey guys! Wow! It's great to see you all.

Me: Its been a while Flint. Sorry we couldn't talk very often.

Flint: I know. Are they with you?

Me: Yeah a lot of stuff has happened over the last 2 years since we saw each other last.

Flint: Boy no kidding. You guys sure have expanded a lot.

Nico: And we have tons of new recruits and members.

Eli: We sure do.

Me: We should introduce everyone.

We did so and he met everyone.

Flint: Wow! It's awesome meeting you all. You guys HAVE grown a lot.

Me: We sure have. Our forces have grown a lot.

Sam Sparks then came.

Sam Sparks: Hey guys!

Me: Been a long time Sam.

Top Man: It's good to see you again, Sam.

Sam: Same here, Top Man. But, is it okay if I ask what's wrong with one of your mascots?

Poromon: I'm gonna go work out.

Lola: Again? That's, like, the eighth time today.

Poromon: I'm not satisfied until every vein is forced up against my skin. Look how vascular I am, Lola. If there's one thing women love, it's a vascular man.

Poromon started walking past us.

Poromon: (singing) I got veins. They carry blood all over my baddy. (to Lola) That's how John Mayer would say it. Baddy. I'm really into him right now. You'd better be okay with it!

Lola: (annoyed) Okay, I get it!

Me: Yeah. But it's great to see you Sam.

Sam Sparks: Same to you J.D. and wow you guys have increased in numbers a lot.

Me: I know. A lot of things have happened to us over the course of the last year and a half to two years. And the last 4 years since we were here the first time.

Nico: Yeah no kidding.

Sam Sparks: I know. The Battle with Thanos, the Masters of Evil taking the place of the Legion Of Doom, The Battles with Voldemort, The War With the Royal Defenders, the War in Equestria, everything has been happening to you all.

Nico: I know. Hard to imagine.

Qin: And also Chester V is now in prison.

Sam Sparks: He sure is.

Flint: Yeah.

Nico: Whats been happening Flint?

Flint: Well my machine got launched into the sky.

He pointed up to the sky.

Me: Wow all the way up there?

Eli: Wow! That's a good distance.

But then a glob of mustard hit me in the face on my cheek.

Me: What the?

I wiped it and licked it.

Me: Mustard?

A tomato slice hit Nico in his face.

Nico: OW!

Flint: But that could only mean…

Thunder was heard and it caused Flint to turn and look up at the sky.

Flint: *GASP*

Sam turns and reacts in the same way.

Sam: *GASP*

Steve does the same.

Steve: *GASP*

We looked up and gasped.

All of us: (GASP)

All over town, people turn to the sky and react.

Mayor: *GASP*

Brent: *GASP*

Cal/Kids: (IN UNISON) *GASP*

Rufus takes off his hat, a woman takes off her glasses, Joe Towne takes off his beard.

Rufus: *GASP*

Regina: *GASP*

Joe Towne: *GASP*

Earl, in his cop car, turns, rolls down his car window.

Earl: *GASP*

Ratbird: *SQUAWK*

Back on the dock.

Flint: *SUPER-LONG GASP*

We saw what it was and we saw that Rainbow storm clouds had suddenly appeared out of nowhere and they were dropping perfectly-prepared cheeseburgers into the ocean and along the dock. IT WAS RAINING CHEESEBURGERS! CHEESEBURGERS FROM THE SKY!

Me: I DON'T BELIEVE IT!

Rainbow Dash: OH WOW!

Applejack: SWEET SASSAFRAS!

Big Mac: Well I'll be!

Steve: Happy! Cheeseburgers! Jump! Excited! Excited!

Flint stares to the heavens and laughs as beautiful burgers float down all around them. A burger lands in his hand. He takes a delicious bite.

Flint: My machine works… It really works! (Laughs)

Me: This is awesome!

Eli: YEAH IT IS!

He ate a burger and it was delicious!

Sam overhears and approaches.

Sam: Your machine? Is that what that rocket was?

Nico: I think it was!

Flint: (Mouth Full) Uh… Do you like it?

Sam: (Takes a bite of a burger) (Mouth Full) I love it! (Laughs) This is just amazing! Look at this. This is the greatest weather phenomenon in history!

Flint is happy.

Me: We were shocked ourselves when we were here the first time too.

Aylene C.: Yeah that was something!

Flint: (Mouth full) Hey, aren't you a weather girl?

Sam: (Mouth Full Gasp)

Sam went back into town.

Sweeping shot over the town as burgers rain down.

Me: Lets head into the town and talk to everyone.

Sam: (O.S.) Manny, get your camera!

People slowly come out of hiding and start to enjoy the delicious burgers. Everyone except Tim, who was standing inside the doorway of his shop and just stares at the sky in disbelief. Back in town, people cheered.

NYCT NEWS DESK - MOMENTS LATER

The WNN Anchor touches his earpiece, getting a message from his producer.

NYCT Anchor: This just in, our humiliated weather intern is apparently back for more.

Burgers rain behind an excited Sam.

Sam Sparks: Thanks, Patrick. Okay, everybody. You are not gonna believe this one, but I am standing in the middle of a burger rain. You may have seen a meteor shower, but you've never seen a shower meatier than this.

On Flint, surveying the scene, as Sam continues behind him. The town is going crazy with the burgers.

Sam Sparks: For a town stuck eating sardines, this is totally mana from heaven.

Joe Towne: This tastes significantly better than sardines!

Everyone was eating.

Me: Wow! Everyone is happy.

Laney: For the first time in years.

Fluttershy: The poor people were eating sardines for a long time. They must've been really hungry.

Me: No kidding. If I was eating sardines all the time, I would be so sick of it that I would be craving something else to the point where I would probably eat my own legs off first.

Nico: EW! Don't do that.

Squidward: I once said the same thing when I hated Krappy Patties.

SpongeBob: (Laughs) I remember that Squidward.

Lily: Yeah that was weird.

Cal shoves one into his mouth and enjoys it. We see the mayor steal burgers from people as he walks. We saw MAYOR SUSANO SHELLBOURNE!

---

**Mayor Susano Shelbourne** is the main antagonist of Sonny Pictures Animation's fourth feature film *Cloudy with a Chance of Meatballs* and its video game adaption and a recurring character in its prequel series.

He was voiced by Bruce Campbell in the film, Seán Cullen in the series, and James M. Connor in the video game.

Mayor Shelbourne was originally very healthy and salubrious, weighing probably not much over one-hundred pounds. He eventually plots with his minion Brent McHale that he would be big enough to conquer Swallow Falls. After the "food weather" began (thanks to a certain machine created by Flint Lockwood, called Flint Lockwood's Diatomic Super Mutating Dynamic Food Replicator, or FLDSMDFR for short), he became extremely acquisitive and gluttonous; eating three cheeseburgers in one bite, stuffing his mouth with bacon, and shoving an over-mutated hot dog (with scoops of ice cream) down his throat are just a few examples of his ravenous and acquisitive behavior.

Later in the film, Shelbourne gained hundreds of pounds in less than a month and became a very obese mayor after greedily consuming large helpings of food, and he had to move about on a scooter. He comes to Flint's laboratory unexpectedly and orders Flint to order pasta. But as Flint tries to explain the dangers of the food becoming larger, the Mayor dismisses this, and explains that everyone will love the big portions of food. He then manipulated Flint into keeping the machine going, or by turning it off, he will ruin everything and no one will like him at all. Without any other choice, Flint starts the big food supply, much to the Mayor's delight. He and the Mayor create a food park, an all around the world opening to people all across the world. Just as Flint is about to appear on stage, Sam Sparks tries to warn Flint of the upcoming food storm, but he dismisses her and appears on stage. As Flint begins to open up the food park for everyone, Shelbourne secretly sneaks into Flint's laboratory and activates a food storm, starting with a spaghetti cyclone, putting everyone in danger.

Flint then realizes his mistake, and rushes to his laboratory to shut down the FLDSMDFR to stop the storm, only to find Shelbourne sabotaging his machine. Unfortunately, Shelbourne refuses to let him do so and attacks Flint with a giant radish and destroys the communication device to the FLDSMDFR after mindlessly ordering a "Vegas' style all-you-can-eat buffet", causing the machine to become self-aware and start up the major food storm.

When the town of Swallow Falls became showered by huge food, the Mayor (who was now responsible for causing the FLDSMDFR to be evil and creating the major food storm) puts the blame on Flint, causing the townspeople to turn against Flint, but police officer Earl arrived to the rescue, stating that the events would not happen if the whole town (mostly the Mayor) had not pushed Flint into making so many food orders in the first place. Shelbourne then escapes on a sandwich boat, leaving the townspeople and the town to their fate, though they ultimately managed to survive by staying ahead of the food. At the very end, as Flint finally managed to apparently destroy the FLDSMDFR and end the food storm for good, Shelbourne was seen clutching on the sinking remains of his boat in the middle of the ocean after eating it.

During the ending credits, it is revealed that Shelbourne was found and deflated of all of his extra pounds and returned to his original weight, before being arrested by Earl for his greedy and materialistic actions. However, taking advantage that Earl and his son, Cal became distracted for a moment, he jumped into a hole, escaping from his imprisonment.

---

Mayor: This is gonna be big!

The mayor shoves three burgers into his mouth. A crowd gathers to watch Sam's report as they eat.

Sam Sparks: (ON TV) This food-weather was created intentionally by meekish backyard tinkerer, Flint Lockwood.

Earl and everyone around him.

Earl: Flint Lockwood?

Everyone turns and looks at Flint.

Me: Uh oh.

Flint: Hi.

Earl jumps over to Flint and tackles him again.

OOF!

The burgers stop raining.

Earl: Flint Lockwood! You're under arrest for- (sees Poromon)

Poromon: (smirks) Go on. What's Flint under arrest for?

Skalamander: For the love of God, Earl, please talk to Flint calmly for the sake of your health!

Earl: (nervously) Um, right. (to Flint) Can you explain what you did here?

Flint: I can try.

Me: Well it's complicated. But it's good to see you again Officer Earl.

Earl: It's been a while J.D.

Me: Yeah. We've been really busy. Sorry we couldn't talk. But this is part of an invention that Flint made to help end World Hunger.

Earl: I thought you guys already did that.

Me: Well with the number of people that we got to Earth that we met on our adventures in space over the last 3 to 4 years, we've been really bringing them in and a lot of food is gonna be needed. But this is part of what Flint invented. It's complicated. Besides a lot of people seem to love it.

We saw the people of Swallow Falls eating something else other than sardines and it was for the first time in years.

Nico: These burgers are delicious.

Nicole: Boy I'll say.

Twilight Sparkle: (Eats a burger) So delicious.

Eli: (Eats a burger) Yeah.

Sam Sparks: Flint, those burgers were awesome! The producer called and he was all like (DEEP VOICE) "Everybody loves that food weather."

The Mayor approaches, excited.

Mayor Shellbourne: Food weather. This could be even bigger than Sardine Land.

Sam Sparks: Can you make it rain food again? Please?

Me: First we got to figure out how to do it.

They gave Flint the Puppy Dog Eye look and it was cute.

Flint looks at her. God, she's adorable.

Flint: Yes.

Me: Lets head to your lab.

Flint: Okay.

We went to his lab and we saw Tim Lockwood.

Me: Tim been a long time.

Tim Lockwood: J.D. Knudson it has been a long time. And you guys have grown in numbers a lot since the last time you were here.

Me: I know. We've been so busy saving the universe that our forces grew exponentially.

Papi: I'll say.

Twilight Sparkle: They sure have.

Me: Don't worry Tim we'll be sure that everything goes smoothly.

Nico: Yeah.

Tim Lockwood: Look, you guys might think I'm crazy because it's too early. But I have a bad feeling about this.

Crystal Man: We feel the same way. But we're going to enjoy this while the food's still small enough to fit in our hands.

Me: Definitely. Besides, we handled situations like this before.

Tim Lockwood: That's true. But good luck guys.

Me: Not that we'll need it but thanks.

We went up to Flint's lab and we saw that it was amazing. We had to go in through the skylight because we wouldn't fit in the porta-potty elevator.

Twilight Sparkle: Boy this is some laboratory.

Dexter: Indeed it is. A well built place of scientifical engineering.

We were shown what the machine does.

Flint: So here's how it works. Water goes in the top and food comes out the bottom.

Me: Very interesting device.

Flint: Yes it is.

Sam: So when you shot it up into the Stratosphere you figured it would induce a molecular phase change in the vapor from the cumulonimbus layer.

Flint: That's actually a really smart observation.

Me: I agree. Also like I said, most of the Earth's water vapor and clouds are up in the Stratosphere and Troposphere.

Laney: That's right.

Varie: But for that to work wouldn't it need a huge amount of electrical energy?

Flint: That's right. My house didn't have enough electricity so I had to use the towns electric power plant.

Me: That also explained what that rainbow smoke stream was when we came here the first time.

Luna Loud: Yeah.

Nico: That's really amazing.

Naruto: It sure is.

Flint: The machine uses a principle of Hydro-Genetic Mutation. Water Molecules are bombarded with microwave radiation which mutates their genetic recipe into any kind of food you want.

Me: Wow! I remember seeing that the first time we were here. That was really interesting.

Eli: Really complicated.

Eureka: But amazing.

Miia: It sure is.

Papi: But it's really interesting.

Vince: Yeah.

Laney: That is so cool.

Lucy: This is all too complicated for me.

Sam: So Pizza?

Flint: Yes.

Sam: Mashed Potatoes?

Me: Pretty much any kind of food you could think of.

Sam: How about Jell-O?

Flint: Do you like Jell-O?

Sam Sparks: I LOVE Jell-O

Flint: I love Jell-O too. Oh, and peanut butter right?

Sam Sparks: Oh, no, no, no. I am severely allergic to peanuts.

Laney: Like I said, I have Epinephrine Shots in my bag for peanut allergies just in case.

Sam Sparks: Thanks Laney.

Me: What did you call the machine again Flint?

Flint: Oh right. It's called the Flint Lockwood Diatonic Super-Mutating Dynamic Food Replicator. Or for short: The F.L.D.S.M.D.F.R.!

Nico: That is a big mouthful.

Varie: That's exactly what I said when I was here the first time.

Me: Yeah that is a big mouthful so I shortened it down to the Flint Lockwood Fooderizer.

Nico: That's easy to remember.

Vince: It sure is.

Me: Anyway from the looks of things we'll have to set up a radio dish for the machine.

Lola: Good idea.

Lori: Yeah.

Me: Lets do it!

We got to work and set it up. We rigged a remote control system using a satellite dish and a bunch of wires.

Flint: Pushing. Folding. Connecting. Taping. Turning. Painting. Switching. Staring. Motivating. Placing button.

He sets up a Red "SEND" button, and re-boots the computer.

Me: Satellite all set up.

Flint types at his computer. Flint finishes his typing and the central screen now reads "ENTER FOOD CODE:"

Flint: It's working.

Me: We're online everyone.

Nico: This is gonna be so cool to see how it happens.

Laney: Yeah!

Steam Smythe: Let me make improvements to the machine, Flint. Just in case certain greedy people try to take advantage of it.

Flint: That's a good idea.

Me: Yeah. And I have a strong feeling I know who will take advantage of it like this.

Eli: The mayor of Swallow Falls?

Me: Bingo.

Sam Sparks: Seriously though, what's up with Poromon?

Alternate Chrysalis: (glares at Kevin Reynolds) Well, Sam, apparently, we have a friend who think it's ok to inject an In Training Level Digimon with steroids!

Kevin Reynolds: (to Sam) The poor guy was being pummeled by bullies! I'm sure Flint can relate to that!

Flint: Yeah I know that feeling.

Me: Yeah he told us what happened when he was bullied long ago.

Nico: Geez.

Me: Yeah.

Lincoln: This is a really interesting device.

Me: Now lets see how it works.

Flint: Yep. What do you guys want for breakfast?

Steve: I would like just fruit.

Laney: What kind of fruit Steve?

Steve: Blackberries.

Laney: Steve wants some Blackberries.

Flint: Good choice.

Me: How about ham.

Sam: How about eggs.

Flint: And toast.

Sam: Orange Juice.

Lincoln: Sausages.

Both Sam and Flint: And Bacon!

Luna: Great minds think alike huh dudes?

Flint: They sure do.

Nico: Yep.

Me: Lets do it!

Flint types the food code into the computer.

Sam Sparks: So, you're sure this is safe?

Flint: Don't worry. I have a Dangeometer that lets us know if the food is going to over-mutate.

Reveals a "DANGEOMETER" gauge with a needle safely in the green.

Lana: Is that what this little thing is?

Flint: Yep.

Vince: So we have to keep it in the green zone and make sure it doesn't get in the red.

Flint: Right.

Sam Sparks: Ooh, what happens if the food overmutates?

Flint: I dunno, but that'll never happen. All right. This probably won't explode.

Sam Sparks: What?

Flint pushes the red send button. We travel past the button to the Dangeometer, along wires to the satellite dish and up into the Stratosphere where the machine floats peacefully. An 8-bit graphic of an bacon strip pops onto the view screen.

Machine: Bacon.

We zoom inside the machine to see the molecules re-forming into little molecular bacon strips. Water changed into delicious succulent strips of juicy smoked bacon. The next day, Sam was giving her weather report for Swallow Falls.

Sam Sparks: Well those cheeseburgers are only the beginning because a breakfast system is on its way to Swallow Falls. My forecast: Sunny side-up.

(Lesley Gore's Sunshine, Lollipops and Rainbows plays)

It was raining awesome breakfast food like there was no tomorrow.

Breakfast is raining on Swallow Falls.

Joe Towne leaves the tackle shop to catch sunny side up eggs. A woman catches pancakes on a plate while she drives to work. A little girl tilts orange juice caught in an upside-down umbrella into the mouth of a gurgling little boy. The Mayor rips open a storm drain on the side of a building and bacon pours into his mouth. Ratbirds snack on breakfast foods on a power line. Flint and us watch happy breakfast eaters. The mayor walks up to us, covered in bacon.

Mayor Shellbourne: Flint, my boy, can you do lunch?

LUNCHTIME

It's raining sandwiches and The Mayor is eating and pacing. Brent holds up flashcards to illustrate the Mayor's points, kind of like Bob Dylan, but not really.

Mayor Shellbourne: Alright, here's the skinny. You keep making it rain the snackadoos, weathergirl provides free advertising, I have taken out a very high interest loan to convert this po-dunk town into a tourist foodtopia. All you have to do is make it rain food three meals a day, every day, for the foreseeable future, and in thirty days, we hold a grand reopening of the island as a must-see cruise destination, and everyone everywhere is going to love your invention.

He has a flashcard of people hugging a stick-figure Flint who has a big smile and hearts all around him.

FLINT You think so?

The Mayor takes this opportunity to eat the sandwich out of Flint's hands.

Mayor Shellbourne: (MOUTH FULL) I know so.

Flint types the menu into his computer and slaps the button. Sam does another weather forecast. A woman catches a turkey leg on her way to work. It was raining meat now.

Sam Sparks Now that's what I call poultry in motion. The Mayor munches on a ham hock as he points offscreen. The "Falls" in the "Swallow Falls" sign on the cannery is detonated and replaced so that it now reads "CHEWANDSWALLOW." The buildings get facelifts: "Gas Station" becomes "Anti-Gas Tablets." Stores become "Nothing but Floss," "Bibs."

Kid #1: Mr. Lockwood, may I please have waffles?

Woman #1: Falafels?

Kid #2: Jelly beans.

Rufus: Avocado!

Flint writes down their requests.

Flint: Coming right up!

Sam reports in front of piles of food on the ground.

Sam Sparks: Leftovers? Not a problem with Flint Lockwood's latest invention, the Outtasighter. So named because it catapults uneaten food out of sight, and therefore, out of mind.

Flint and Steve are inside a fantastical contraption. Its huge fork and spoon arms scrape leftovers onto the giant plate, which drops it into the bowl in the back. He pulls the lever and the bowl and catapults the food way into the distance. The Baby Brent Sardines billboard is replaced with one for "Flint Lockwood Brand Napkins." Brent gasps in horror but he knew that we were helping the town and his horror turned into joy. People eat from mouth funnels, and we see the mouth funnels store in the background. A rainbow of jellybeans rains into the open mouths of waiting kids.

Kids and Cal: Jellybeans!

Cal: Awesome!

Webstor: Is it okay if I have my turn in the usual battles again today? As an extra battle?

Me: Sure Webstor. In the meantime get a plate because it's chow time.

Goku: Yeah lets eat!

We got to eating all kinds of awesome foods that were raining down by the machine.

Throughout the days, people keep ordering more food and the music gets faster and faster.

Man #1: Pizza!

Man #2: Donuts!

We follow a donut that falls from the sky and into Cal's mouth.

Woman: #2: Pie!

Steve: Gummi bears!

Flint gives him a stern look.

Man #3: Fish!

Ratbird: *SQUAWK*

Man #4: Chicken pad thai.

Flint typing. Flint hitting the button.

People: (DEMANDING FOOD WALLA) Pizza / bologna / I want / gimme / more / come on! / etc…

Suddenly the MUSIC completely cuts out.

The mayor came and he was REALLY fat.

Mayor Shellbourne: A pizza, stuffed inside a turkey, the whole thing deep fried and dipped in chocolate. (BEAT) It's me, the Mayor.

Flint: Oh… uh, you look different. Did you get a new… haircut?

Mayor Shellbourne: Yes, I did. Thank you for noticing.

The music comes back in.

Flint was typing away and more food was falling like a bat out of hell. The Foodster rattles and shakes with overuse.

Later we were helping Flint.

Me: Man everyone is clammoring for this awesome food.

Rainbow Dash: You said it! (BURPS!) Sorry.

Rarity: It's most delectable.

Muscle Man: You know who else likes eating food from the sky? My Mom!

We laughed at his joke.

Papi: (Laughs) He's funny!

Cerea: He sure is.

Flint: Yeah!

Then the Doorbell rang.

Flint answered it.

Earl: (OVER INTERCOM) Flint Lockwood!

Earl stands outside the port-a-potty entrance, hat in hand. A hatch opens on the side of the lab, and Flint sticks his head out.

Flint: Yeah?

Me: What's up Earl?

Earl: Uh, it's my son Cal's birthday tomorrow and I was just wondering if you could make it rain something special.

Pinkie Pie: Ooh! You bet Earl!

Me: We make awesome birthday parties and we would be happy to help out.

Nico: Yeah!

Earl: Awesome! Thanks guys.

Me: You're welcome. Leave this to us.

We got to work.

The next morning, Cal wakes up and rushes to the window. It's snowing… beautiful, colored snowflakes. But it wasn't just snowflakes. The streets and houses were all covered in ice cream and there were balloons and decorations for Cal.

Cal: Whoa!

Earl and his wife Regina were in the doorway.

Earl: Happy Birthday, son.

Cal: Dad…?

Earl: This is your day. Go have fun. Cal rushes down the hallway…

Cal: I love you guys! You're awesome!

Earl: I love you, too, son!

Regina: Have a good time, baby! Cal opens the door and out into a landscape covered with 31 different flavors of ice cream. Cal and every kid in town burst out of their houses in their snow gear and were playing. Cal leaps headfirst into the snow and makes a face-down snow angel, munching ice cream.

Cal: Yeah! Cool!

Chomp Chest: It's like I'm in an ice cream wonderland!

Me: It sure feels like it!

Lola: Wow!

Later we were with Flint and Sam as we were walking along a grassy hill.

Sam Sparks: Where are we going?

Flint: Oh, nowhere, I just thought it'd be nice for the two of us to… go on a walk together. Like you do… as friends. (FAKE) Oh my, what's that?

Sam stops in her tracks.

Sam Sparks: Wow…

Reveals an enormous yellow/orange Jell-O Mold, refracting the setting sun like a stained-glass castle. It's breathtaking.

Me: Wow!

Nico: Now that is an awesome Jell-O castle!

Mary K.: Oh wow!

Sam Sparks: Oh, Jell-O's my favorite.

Flint: You never made a request, so, I made one for you.

Flint disappears into the Jell-O. Sam looks confused.

Sam Sparks: Flint? Flint?

Flint: (O.S.) Join me.

His arm pokes out of the Jell-O. He pulls her inside.

We followed in through the top window and we went in.

Sam Spark: Whoa!

Once inside, she tries to gain her balance on the squishy Jell-O floor, then realizes she's in a beautiful Jell-O cathedral.

Me: Wow! This is incredible!

Lola: This is amazingly artistic.

Laney: The whole thing is like a Jell-O bounce house.

Sam Sparks: (AMAZED) Who-oooa. But, how did you…?

Flint Oh, I just made it rain Jell-0 in the middle of the night, then I gathered it all up with the Outtasighter before everyone woke up and then I brought it here and pressed it into a gigantic customcarved plastic tupperware mold I made. No big deal.

Me: It's a very big deal Flint.

Nico: Yeah you would easily win a jell-o sculpture contest.

Flint: Thanks guys.

Flint is playing a Jell-O piano.

Flint: Everything's made of Jell-O. This piano, those sconces, that ghetto blaster, that Jell-O, that aquarium, that Venus de Milo with your face on it next to a Michelangelo's David that also has your face.

Me: Wow! Very creative!

Eli: It's very well made.

Sam gives a weirded-out look. Flint does several high vertical bounces.

Flint: Come on, Sam, what are you waiting for?

She looks at the EXIT sign. What will she do?

Sam Sparks: Nothing!

She suddenly does a bunch of fast little manic jumps.

Sam Sparks: Woooo! Yeahhhhhhhh!

Eli: WEEEEE!

We bounced all over the place.

Boing, boing, boing! Flint and Sam and us bounce around the room like crazy. Sam pushes Flint down the Jell-O stairs and he laughs and bounces. They both fly in and take bites out of the statue. Both jump in and out of frame making goofy poses. Sam jumps off the balcony onto a diving board, then lands in a Jell-O swimming pool.

Sam Sparks: Cannonball!

Flint: (RIGHT BEHIND HER) Bellyflop!

He smacks on the surface.

SLAP!

We winced at that.

Me: OOOHH!

Nico: That's gotta hurt!

Eli: Ouch.

Ets: Yikes!

Nunnally: He's gonna be feeling that.

Flint: Why did I do that?

Later, Sam and Flint and us are watching the sun set through the refracted light of the Jell-O wall.

Me: This is amazing.

Laney: It sure is.

Joey: (British Accent) It sure is gorgeous.

Sam Spark: So, Jell-O.

Flint: Right, right, right.

Sam Spark: It's a solid, it's a liquid, it's a visco-elastic polymer made of polypeptide chains but you eat it- (CATCHES HERSELF) I mean… it tastes good. (GIGGLES)

Flint: (CONFUSED) Why do you do that?

Sam Spark: Do what?

Flint: Say something super smart, and then bail from it?

Me: Yeah that's what we want to know.

Sam Sparks: Can you keep a secret?

Flint: No. (OFF LOOK) But this time, sure. Yeah.

Sam Sparks: Okay, well, it was a really long time ago, but I too was… a nerd.

Me: You are not a nerd.

Nico: Yeah Sam you look awesome.

Sam Sparks: Thanks guys.

---

Young Sam (glasses, ponytail) in her bedroom staring at a poster of a Doppler.

Sam Sparks: (V.O.) When I was a little girl, I wore a ponytail, I had glasses, and I was totally obsessed with the science of weather. Other girls wanted a Barbie, I wanted a Doppler Weather Radar 2000 Turbo. But all the kids used to taunt me with this lame song. It wasn't even clever!

Young Sam, finishing an equation, is mocked in class.

Flashback Kids: Four eyes! Four eyes! You need glasses to see!

Back to scene

Flint tries not to laugh at "glasses to see."

Flint: (STIFLES LAUGH, THEN, OFF HER LOOK) Go on.

Sam Sparks looks annoyed.

Then she continues.

Sam Sparks: So I got a new look, gave up the sciency smart stuff, and I was never made fun of again. And I still need these glasses, but I never wear them.

Flint: I'll bet you look great with glasses on.

Sam Sparks: Oh, I'm really not-

He grabs her glasses and starts to put them on her.

Flint: And on they go.

Sam's P.O.V. - as her glasses go on, a blurry handsome guy becomes a sharply in-focus, nerdy Flint.

Sam Sparks: Whoa.

Flint: What?

Sam Sparks: Nothing.

Me: Well have you ever thought about doing corrective laser surgery Sam?

Sam Sparks: Never really came to my mind.

Me: Well it will help you see better.

Sam Sparks: Can you do that?

Me: I sure can. Laser vision is one of my many powers.

Nico: Sam just stay still.

Me: Now look at my face and don't blink.

My eyes glowed red and I fired a tiny laser blast into her eyes and it made her warble a little and then her vision became crystal clear!

Sam Sparks: WOW! I can see crystal clear! Wow! Flint this is amazing!

Me: Also Sam you are not a nerd at all and Flint doesn't think so. He will do anything to help you out. Flint is a great inventor just like many of us on the team.

Sam Sparks: Do you really think so?

Me: Yeah no one cares what you look like on the outside. It's what you look like on the inside that counts.

Flint: That's right Sam. Now you are beautiful and more awesome than ever.

Sam Sparks: No I'm not.

Flint: Well, why not? I mean, this is the real you, right? Smart, beautiful eyed… who wouldn't want to see that?

Sam Sparks: (CHARMED) You know, I've never met anyone like you, Flint Lockwood.

Flint: (CHARMED) Me either. But about you.

Sam closes her eyes and leans in for a kiss.

Flint's cell PHONE RINGS - it's his voice singing: "FLINT YOU HAVE A CALL, FLINT YOU HAVE A CALL…"

Me: I'll answer that you resume your kiss.

Flint: No I got it. That's weird. Someone must have changed my ring. (LOOKS AT PHONE) Oh, it's the mayor. Do you mind if I take this?

Sam Sparks: No, no, no. Go ahead, take it. That's fine, really. I should be going too, it's getting late.

Flint: (COVERS PHONE) I'm so sorry. It's just really important. I'm just going to step outside real quick.

He walks through the wall and falls. Sam cringes as he lands with an oof.

Me: Ouch.

We were later at a restaurant that didn't have a roof.

Tim waits there for Flint, wearing a TIE, clearly uncomfortable. Flint runs in, excited as hell.

Flint: Dad, you came! I had the best day and I have so much to tell

you!

Tim Lockwood: Do I look alright?

Flint: You look great, come on let's go!

Flint drags him off. The Roofless, a fancy restaurant with a crowd waiting. Brent is in line at the velvet rope.

Flint: Oh, it was so cool, I almost kissed a girl- (GREETING PEOPLE) Hey. How's it going?

Brent argues with the Bouncer.

Brent: It's Baby Brent. You know? "Uh-oh!" I should be on the list!

Me: It's okay sir. He's with us.

Brent: Hey guys. Been a long time.

Me: It sure has Brent.

Brent was let in with us.

Flint and Tim go straight to the front.

Flint: Hey, Brian.

The Bouncer lets them enter. We all go in and the door closes.

It is raining steaks. There is no ceiling.

Townperson: Hey, Flint Lockwood! Team Loud Phoenix Storm.

Flint: Oh, thank you. Thanks so much.

Joe Towne: A toast! To Flint and his delicious steaks.

Flint: Oh, thanks. Thank you. Oh, wow.

Tim: (UNCOMFORTABLE) Very nice place.

Waiter: Salt, pepper. Pepper, salt.

Earl: Flint Lockwood!

Earl puts out a fist for Flint to hit, and he slaps it.

Flint: Earl!

As Flint and Tim sit down at their table, Tim notices the absence of any ceiling.

Tim: So, no roof?

Flint: Yup. You just hold out your plate.

We did so and steaks landed on our plates.

Me: That is clever.

Flint: And I even made it rain your favorite: meat. Mmmmm.

Nicole: This is my kind of restaurant.

Tim looks around the room as - CLANK, CLANK, CLANK - large steaks hit the tables all around them, rattling silverware. Everyone else enjoys it, but Tim is a bit freaked out.

Flint: Okay. So, you know how the grand reopening of the town is tomorrow? Well, the mayor has asked me to cut the ribbon.

Me: Wow! That's great Flint!

Flint: It sure is! He said my invention saved the town! Aren't you proud of me?

Tim looks torn. Then- SLAM! A large steak lands Tim's plate, startling him. He looks down at it. He looks at Flint, who's still celebrating, arms in the air, and doesn't want to have to burst Flint's balloon.

Me: Jumping peanut hams!

But then…

SLAM!

A giant steak crashed onto me and I was pinned to the floor!

Me: (Straining) Oh! A little help here!?

Nico and Eli lifted the steak off me and put it on the table.

Nico: Man that steak is huge!

Eli: That's as big as a whole cow!

Nunnally: I'll eat it!

Papi: Me too.

Nicole: Same here.

Crag: We will too.

They got to eating.

Tim Lockwood: Well… Doesn't this steak look a little big to you?

Me: Yeah it crashed onto me. Ouch.

Flint: Yeah, it's a big steak. Every steak is not exactly the same size. Did you even hear what I just said?

WHAM!

Another big steak lands between them, knocking their glassware off the table.

Me: WHOA!

Nico: These steaks are massive!

Nicole wasn't minding them.

Nicole: I don't mind it.

Tim Lockwood: Son, look around. I'm not sure this is good for people. Maybe you should think about turning this thing off.

Me: I agree Flint. And besides thanks to you Flint, this whole town will not go hungry anytime soon.

Eli: Yeah it was great.

Blitzwing: You know, Flint. This town won't go hungry even if the machine is turned off.

Maria: Our powers can actually make food.

Me: They sure can. Remember how Laney made a lot of fruit trees when we first came here?

Flint: Boy I sure do guys. That was amazing.

Me: Well our powers have not only evolved and gotten stronger but we also discovered that we have the power to use our imaginations to make food grew on trees too.

Watch this.

I fired a beam of pink energy from my forehead and it hit a flower and formed a Pizza Tree in the back of the restaurant.

Me: Ta-da!

Flint: Wow! That was amazing!

Eli got a slice for him.

Eli: Try a slice.

Flint tried a slice of pizza and it was the most delicious pizza ever for him!

Flint: Wow! That is delicious!

Me: Try one everyone.

Everyone did so and it was delicious.

Me: Also Flint I agree with your dad. I think it's time to turn it off.

Flint: But if I do everyone will hate me.

Me: No they won't Flint.

Black Adam: Flint, it doesn't matter what the people think of you because of that machine. You're a hero in our book regardless.

Me: That's right Flint and you are an awesome friend. You and Sam, Brent, Manny, Earl, Cal, you all are our awesome friends.

Flint: Thanks guys. That means so much to me.

Me: But one thing still puzzles me.

Nico: What's that?

Me: How in the world did Mayor Shelbourne get out of the Antarctica prison? The first time we were here we sent him there after this happened before.

Rainbow Dash: This happened before?

Me: It sure did R.D. and we weren't called Team Loud Phoenix Storm back then and we didn't have as many recruits on the team as we do now.

I went over what happened during the events of chapter 129.

When I was finished everyone was amazed.

Lola: I remember that!

Laney: That was an awesome adventure.

Lori: That was literally one of the most amazing adventures we were on.

Vince: And I wasn't even on the team back then.

Nico: Neither was I.

Gabrielle: (British Accent) But that was a really fun adventure.

Flint: That is suspicious.

Me: Yeah.

We went outside to think. But then a THREE-FOOT LONG HOT DOG plops down in front of us. We look around to see several other large hotdogs around Flint's neighborhood, including his dad's yard, which is full of hotdogs.

Flint: These are big hotdogs.

Me: These hotdogs are huge!

I took out a tape measure and measured one and it was 3 feet long.

Me: Three feet long! That's Texas Size!

Applejack: These are Texas Size hot dogs.

Rainbow Dash: I'll say!

Shaggy was eating one.

Shaggy: Like yeah! And they are delicious.

I lifted it up and it weighed over 10 pounds!

Me: Man they are heavy!

Lola: Yeah!

We looked up to the clouds.

Me: I think something is wrong with the machine.

We went to his lab and Flint looks at a scanner with a huge hot dog in it.

Flint: Oh, man. (DEEP BREATH) I mean, this isn't that bad, is it, Steve?

Steve has smeared mustard on his face and hands.

Steve: Yellow.

Flint goes over to the Dangometer which is in the yellow.

Me: Oh no! It's in the yellow!

Flint: You're right, Steve. The Dangometer is in the yellow. I don't know what to do.

He hears a whirring sound and turns to see…

Mayor Shelbourne: I do… declare these hot dogs to be delicious!

The Mayor, now grotesquely fat, riding in from the shadows on a rascal scooter and munching on a hot dog piled with food.

Flint: (FREAKED OUT SOUND)

Steve: Whoa.

Steve runs away.

Flint: How did you get in here?

Mayor Shellbourne: Tomorrow's the big day, Flint. The entire town's fate is resting on your food-weather! I'm thinking pasta. Some light apps. I know you won't let us down.

He wheels back into the shadows, still staring at him.

Flint: Well, Mr. Mayor, I think there's something you should see.

The mayor returns.

Mayor What?

Flint leads the mayor over to the scanner, and pulls up a display on the computer monitor.

Flint: This is the molecular structure of a hot dog that fell last week. And this is the molecular structure of a hot dog that fell today.

He pushes a button, revealing a very scary looking rapidly moving group of molecules.

Flint: The machine uses microwave radiation to mutate the genetic recipe of the food. The more we ask it to make, the more clouds it takes in, the more radiation it emits, the more these food molecules could over-mutate. I think that's why the food is getting bigger.

Mayor Shellbourne: Here's what I heard: blah blah blah, science science science bigger. And bigger is better. Everyone's gonna love these new portion sizes.

He shoves the entire hot dog in his mouth and swallows it.

Me: (In my head) He is such a pig.

Mayor Shellbourne: (MOUTH FULL) I know I do.

Flint looks over to the button, unsure.

Flint: My dad thinks I should turn it off…

Mayor: Geniuses like us are never understood by their fathers, Flint.

Me: (In my head) That is a big fat lie.

Flint: But what if things go-

The Mayor starts circling Flint.

Mayor Shellbourne: Who needs the approval of one family member when you can have it from millions of acquaintances? Not to mention that little cutlet, Sam Sparks. And me. I've always felt that you were like a son to me, Flint. And I'm gonna be so proud of you tomorrow when you cut that ribbon, save the town, and prove to everybody what a great inventor you are. So here's the cheese: You can keep it going, get everything you've ever wanted, and be the great man I know you can be. Or you can turn it off, ruin everything, and no one will ever like you. It's your choice.

The Mayor was about to drive away when Keiichiro spoke up.

Keiichiro: So what?

Mayor Shellbourne: Pardon me?

Keiichiro: So what if no one likes Flint anymore if the machine's turned off.

Sakuya: You and some of the people out there don't truly like Flint anyway! You're just in it for the food!

Tsukasa: Well, we've got news for you. Not everyone will hate Flint if the machine's turned off. Because we like him for who he is!

Noel: If turning off the machine to keep everyone safe will make Flint less popular, so be it.

Ramjet: And for the record, we're not going to let the town go hungry anyway. We'll use our powers to make the kind of food that's been appearing for everybody!

Mayor Shellbourne: I see. (to Ramjet) Well, Decepticon. You better shoot me in the head while you still can. Because tomorrow, I'm going to make you and your friends sorry for saying no to my offer!

Me: We'll see about that and you're gonna wish that we did.

Mayor Shellbourne left.

Flint: Thanks guys.

Me: You're welcome Flint. Thank goodness we saved you from making a terrible mistake.

Then came the big day for the opening of Chewandswallow.

Flint: You think the Mayor was telling the truth about making us sorry for saying no to his offer?

Maria: Flint, here's the difference between us and bad guys. We have the guts to carry out our threats. People like the Mayor don't.

Me: That's right. We've killed countless bad guys over the years and many of them were some of the most dangerous enemies that we have ever encountered. They are the worst of the worst and deserve nothing but death. People like Mayor Shellbourne are nothing but cowards. And he's also a gluttonous pig. Quite frankly I think there's a special place in Hell for someone like him.

Nico: And he can eat all he wants there until he explodes.

Eli: Yep.

Me: But we better be ready for what he is gonna do.

Angel: I'll patrol the air to see how bad the food is right now!

Me: Right!

But then a strong wind came and it was burning my eyes!

Me: AH! My eyes are burning!

Lori: (SNEEZES)

Laney: Bless you.

Nico tasted the wind and it was salt and pepper wind.

Nico: Salt and pepper wind?

Then a dry leaf smacked Ets in his face and he smelled it.

Ets: (Sniffs) This is oregano.

But the worst came. A look of horror in our eyes. We saw a massive SPAGHETTI TORNADO, ten blocks away, heading towards us.

Flint: Mamma mia!

Delizia: (Italian Accent) A spaghetti-a tornado!

Me: We got to stop the machine now!

I formed a huge force field around the city to protect us from the tornado.

Me: Come on!

We went back to Flint's lab!

Steve: Gummi Bears.

Flint Not now, Steve.

Steve hops onto his shoulder and they enter the Port-a-Potty and we flew through the roof.

We bursted into the lab. Steve is clinging to Flint's head.

Flint: (PANTING) Steve, we just have to upload the kill code and it will shutdown the - OAAAAAAAH no, what are you doing here?!

We saw the Mayor, furiously typing at Flint's computer.

Mayor Shellbourne: I've been up here ordering up dinner for the last ten minutes. Why? Is something going on?

Flint: I've gotta stop the machine. Everyone's in danger because of me.

Flint rushes for the machine in an attempt to turn it off but is bounced away by the mayor's large belly.

Mayor: Oh, it can't be that bad.

The Mayor hits the big red "SEND" button.

Flint: (NERVOUS NOISE) No!

Foods start to cycle on the computer screen, which creates a scary strobe lighting effect.

Mayor: Well, I'm outta here.

Flint: (DETERMINED) I can still stop the order with the kill code!

Flint makes it to the computer and types. He's about to hit the SEND button and stop the machine…

Flint: Sending kill code…

Mayor Shellbourne: I'm back!

… but the Mayor chokes him with a jumbo jumbo prawn, dragging him away.

Flint: (CHOKING) Got to get the button!

Flint grabs a huge hot pepper and shoves it in the Mayor's eye.

Mayor Shellbourne: AAAAHHH!

I kicked the Mayor in his face.

Flint races back… Steve rolls around, having a great time tossing food.

Steve: Play, fun, fun, play, fun!

Mayor: Hey, Flint!

Me: FLINT LOOK OUT!

Mayor Shellbourne: It's been nice to beet you! The Mayor tosses a big radish at Flint.

Flint: That's a radish!

Flint in midair dodges the beet/radish and it flies on, and smashes into the satellite dish, blowing it up.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

The Satellite was completely destroyed.

Steve: Uh-oh.

The satellite was smashed into a million pieces. Flint finally pushes the button. Nothing happens.

ON THE SCREEN: "ERROR: CONNECTION LOST. KILL CODE NOT SENT"

Flint: That was the only way to communicate with the machine…

Me: What the Hell have you done Shellbourne!?

Weiss: What have you done, you fat bastard…? WHAT THE HELL HAVE YOU DONE?!

Mayor Shellbourne: Ordered a huge meal?

Flint: What exactly did you order?

Mayor Shellbourne: 20 Vegas Style All-You-Can-Eat Buffets?

We gasped in shock!

Me: God help us.

Oh no.

Poromon: No sweat! I'll just pound the machine until it's nothing but scrap metal!

We saw that Flint was gone.

Me: Where's Flint?

Nico: He was just here.

I grabbed the mayor.

Me: Mayor Shellbourne do you ANY IDEA WHAT YOU'VE DONE!?

Mayor Shellbourne: I was hungry?

Me: Your hunger has doomed us all! Because of you the entire planet is now at the mercy of Flint's machine and it's all your fault!

Ets: Because of you we're all gonna die!

Me: And Flint is the only one capable of communicating with the machine and you destroyed the only way to stop it!

Nico: That's right! You had better hope that we get through this.

Eli: Or else we'll stain your sorry fat tub of lard butt all over the floor!

Me: YEAH!

Mayor Shellbourne: You can't threaten me! Who are you all!?

Me: You obviously don't recognize me after we were here the first time. Remember? We busted you and sent you to the Antarctica Prison after you did this before.

Mayor Shellbourne then remembered.

Mayor Shellbourne: Wait a second. (Looks at my face and saw that it was really me from 4 years ago when I didn't have the marks and the big muscles and the different eyes.) J.D. Knudson!? You are back again!? What happened to you!? You look completely different.

Me: Lets just say that I have evolved. Now you know who I am.

We let him go.

Me: We got to find Flint. Come on!

We left his lab.

Now almost completely covered in food, the FLDSMDFR monitor glows an ominous red. Overhead: the clouds part. The twister is gone. But it has created a path of mess and in its wake and covered everything in spaghetti and sauce. People start coming out of the mess, stunned. Two of them are Sam and Manny. Sam coughs.

Joe Towne: Everyone okay?

Townspeople: Yeah. / Yep. / I'm good.

Me: Thank goodness the force field held. Sam we got a bigger problem!

Sam Sparks: What is it?

Me: Look here.

She opened her doppler and I showed her some nasty activity brewing.

Earl runs up with Cal in his arms.

Earl: Help, somebody! Help me please! It's my son.

Sam Sparks: We need a doctor! Is anyone here a doctor? Anyone?!

Manny: (STEPPING UP) (Spanish Accent) I am a doctor.

Sam Sparks: You are?

Manny: I was, back in Guatemala. I came here for a better life. Pretty great decision, eh?

Manny pulls out a stethoscope and listens to Cal's heart.

Earl: How is he, doc?

Manny: (SERIOUS) He's in a food coma.

Really Concerned Man: Oh no!

Everyone gasps, especially Earl.

Manny: Too much junk food. I need a celery. Stat!

Someone hands him a stalk of celery.

Joe Towne: Here you go.

Manny snaps it in half under Cal's nose.

Cal: (Coughs) and wakes up.

Cal: Daddy?

Earl: Oh, Cal… Cal! I love you, son.

Cal: *VOMITS!*

Earl kisses Cal on the lips and smiles.

Earl: Looks like everything turned out okay.

Sam Sparks: Not yet it hasn't. That spaghetti twister was just an amuse bouche compared to what's on the way.

Townperson: (WHISPERS) What's an amuse bouche?

Me: That's another way of saying that we're in for the main course.

Eli: It was just an appetizer compared to the full fledge meal.

Me: Yep. Everyone, the mayor is to blame for all this. He messed around with Flint's computer and he overloaded the machine and because of him the entire world is in terrible danger.

Sam Sparks: Manny, patch us through.

Manny prepares for a broadcast. The satellite goes up. He plugs in some cables.

Sam Sparks: Go.

Me: Live in 5, 4, 3, 2.

WNN ANCHOR: Cute report, Nancy! KZZHHHHSSHHH! Hey! Four eyes?!

Sam has pirated in from CHEWANDSWALLOW!

As she speaks, we cut around the world to see people's horrified reactions.

Sam Sparks: Can it, Patrick! We are about to be in the epicenter of a perfect food storm. It's going to spread across the globe. I've calculated the Coriolis acceleration of the storm system. First it'll hit New York, then Paris, then the Jianguang Pass in Eastern China. And in four hours, the entire Northern Hemisphere will be one big potluck.

Everyone gulped in fear.

Me: This is bad guys. This is really, really bad!

Nico: I know but you dealt with this before right?

Me: Yes we have and there weren't very many of us back then and we weren't called Team Loud Phoenix Storm back then like we said. This is just like what happened back then.

Twilight Sparkle: We have to make sure that the Mayor pays for this.

Me: And we will. But first we have to find Flint. Lets go! Sam, you come with us.

Sam Sparks: Right!

We went to find Flint and Tim came out of his tackle shop.

Tim was walking out of the Tackle Shop to survey the mess. He looks over at the power line and sees Flint's dirty lab coat. He picks it up and looks at it.

Me: Flint's coat. He can't be too far away.

We looked over the ocean and saw a bunch of storm clouds forming over the ocean.

Me: The storm is building much faster than we thought.

We entered the junkyard.

Me: Flint?

We all enter and hears a low moan.

Tim Lockwood: Flint?

(MOAN)

Me: That's him but where is he?

We follow the sound and we found Flint in a rusty barrel, curled up under some junk and ratbirds flew away and a ratbird lands on Fluttershy's shoulder.

Tim Lockwood: Flint?

Me: Flint?

Flint: Hey, Dad. Hey guys.

Tim Lockwood: What are you doing?

Lola: Why are you in a barrel?

Me: Flint what's wrong?

Flint: Well, I tried to help everybody, but instead I ruined everything. I'm just a piece of junk. So I threw myself away. Along with all these dumb inventions. (Holds up the Spray On Shoes) This is junk. (Holds up Hair Unbalder) This is junk. (Point to himself) This is junk.

Me: Oh come on Flint you didn't mess everything up.

Applejack: Yeah Flint buck up. You've done so much good for this town. You're a hero to everyone.

Rainbow Dash: Yeah Flint what you did saved this entire town from starving to death because they were eating sardines 24/7.

Me: Yeah! If anybody is to blame for all this it's the mayor. He fucked everything up and HE is the one that ruined everything for you.

Varie: Yeah Flint.

Sam Sparks: And you saved the entire town and many people with our help.

Papi: And you helped Team Loud Phoenix Storm save the world many times before.

Me: And you got so many awesome friends and an awesome and amazing girlfriend to boot. Not only that but you are a hero to us and to the universe.

Flint: I know guys. I get it. Mom was wrong about me. I'm not an inventor. I should've just quit when you said.

Me: Flint that is not true. You have a great talent for all this and you have amazing skills. You think we got to where we were just by sulking? Hell no! We got to where we were because we worked together and we have many things that we use to help people. Friendship, Love, Courage, Hope and the most important thing is Faith. We never give up on anything. Your mother gave you the ability to be a great inventor because she believed in you. It was your determination and will to never give up hope that lead this whole town to be saved from starvation and you can do so again by saving the world from the wrath of a gluttonous madman that made your machine go haywire. Just like you did when you helped us the first time and like we did with you. So what do you say Flint?

I hold up Flint's lab coat.

Flint looks up to see the lab coat.

Me: Will you help us like you've done so before?

Flint: What…?

Flint stands up in the barrel, junk falling off him, and takes the coat.

Flint: My coat.

Flint looks at it for a beat, then realizes what J.D. means, looks back for Tim, but he's gone into the house.

Me: Your mother made this coat for you Flint. She got it for you because she believes in you. So what do you say? Will you help?

Flint: (Determined) You bet I will!

Me: Now there's the Flint we know!

Nico: Yeah!

Me: Lets get ready guys. But first.

I pulled out a phone and called the Masters of Evil.

Me: Vypra it's J.D. Our usual battles will have to wait till after we save the world. The world is in danger. Code Red Ω Emergency.

Vypra: We're on our way J.D.

Me: Lets go Flint.

Flint: Come on, Steve, Come on Guys, we've got diem to carpe.

Me: Lets do it!

We went to the lab.

Steve pops up out of the trashcan next to Flint. Flint and Steve and us went up to the lab in heroi-comic fashion.

SUPER FAST MONTAGE: He downloads the termination recipe onto a USB flash drive. Flint draws up plans. Pushes buttons. Calculates something. Measures something. Welds something.

Flint: Kill code downloading. Redesigning. Virtualizing. Cutting. Welding. Forging. Wiring.

Steve hits a bucket with a spoon.

Steve: Helping.

Flint presses a button and jet engines shoot above him.

Flint: Testing.

Flames from the engines burst behind him!

Flint: Yes!

The doors of a secret garage open. Then headlights turn on and a crazy car drives towards us with Flint and Steve inside looking determined.

Flint: Flying Car 2… Now with wings.

Wings pop out of the car. Awesome.

Me: That is awesome!

Vypra and all of the Masters of Evil then appeared.

Vypra: We're ready guys!

Me: Great! Lets go!

We went into town.

The storm clouds were getting closer and then once they were over the island, a giant watermelon smashes into the cannery sending goop and huge seeds flying all over town! Sam dives out of the way of a massive candy corn, just before it flattens a truck. A dozen enormous chocolate donuts roll down the street, chasing Joe Towne and others.

Joe Towne: I had a weird dream like this once!

A Man with a giant macaroni over his head runs around blindly, trying to get it off.

Macaroni guy: I have a macaroni on my head!

An enormous pancake covers the school and butter and syrup falls onto it. Kids outside watch, excited.

Kids: No school!

A cherry breaks a shop window and a man steals a TV. The walking TV breaks the window next to it and steals a man.

We got to the town center.

Me: Lets go guys!

We unsheathed our swords and blasters.

Poromon: (about to head out to punch the machine) You guys tell Flint that everything's going to be okay now!

Then a giant tomato went at Poromon.

Poromon: Uh oh.

The tomato squished Poromon into the ground.

SPLAT!

He got out of the tomato mess.

Poromon: (about to punch a falling meatball) Well, I can't destroy the machine, I can at least destroy the falling food!

He smashed the meatball into oblivion.

I slashed a huge pancake into pieces and then Nico slashed and smashed a Candy Corn and bagel into crumbs and pieces.

Eli chopped and slashed a hot dog and Twilight and team blasted a bunch of food all over into nothing.

Vypra slashed a donut into pieces.

Gravity Man: (sees a falling giant chicken leg) I've got this one!

He grabbed it and gave it to Nico.

Nico: Oh boy!

He ate the chicken leg and turned it into a huge bone and then smashed a banana with it and it launched out of the peel and smashed into a pile of lettuce.

Gravity Man used his gravity powers and sent the food into orbit and smashed them down.

Ebon: I'll evacuate the people with my portals!

Me: Go Ivan and hurry!

Ebon did so with his portals.

Dark Spicer: We have to go up to where the machine is at.

Nico: Right!

Me: Lets go!

Me: Earl! Get everyone to safety by building boats like you did before!

Earl: Right! (TO CROWD) Let's go build some boats!

The crowd cheers.

Earl exits.

Dark Spicer: Sakuya, how good is your aim?

Sakuya: Pretty good. Why?

Dark Spicer: The two of us and Eddy are gonna have to use our blasters to take out the machine from here.

Sakuya: Good thinking! Lets unleash hell!

They fired their blasters at the food left and right and were blowing it all into kingdom come and blowing it apart.

Eddy: YEAH! As Earthworm Jim says, EAT DIRT FOOD FROM THE NETHERWORLD! (BLASTS THE FOOD ALL OVER) HAHAHAHAHAHAHAHAHA!

Kughar, Vinta, Drakness, and Cyrenox blasted and smashed and slashed a lot of food all over the place.

Me: YEAH!

Eli: Man it just keeps coming!

Me: We got to attack the food at the source! Lets head up and get to the machine!

Nico: Right!

Me: Everyone follow me!

We flew up into the air.

Tim Lockwood: Good luck son.

Troy: Guys, we have to make sure Flint and the others get to the machine!

Megaforce Rangers: Legendary Ranger Mode: Wild Force!

The Megaforce Rangers turned into the Wild Force Rangers and slashed and cut much of the food.

We were flying through the storm.

Sam Sparks: Guys there's massive gastroprecipitation accumulated around the machine. It's almost as if it's-

Flint: Inside a giant meatball.

We all saw a huge sight as we emerged from the fog and it was a giant meatball asteroid - a huge mass of congealed food with food-blasting blowholes. The FLDSMDFR in the center. Sam looks above it, seeing white clouds getting sucked in through the top and black food clouds shoot out the bottom.

Sam Sparks: Water goes in the top, a food hurricane comes out the bottom.

Me: One with enough power to destroy the planet.

Brent: Glad I'm wearing a diaper.

Nico: This is what you fought before? Holy shit!

Me: We're gonna have to hit it with a massive combo-technique-final-smash blast.

Nico: WHOA!

Eli: Lets go for it!

Me: Lets go!

Me: There's the machine! Destroy it!

Sakuya, Eddy, and Dark Spicer successfully fired a shot that destroyed the machine from far away.

Keiichiro: (sees this) Yes! Perfect bullseye!

Me: BULLSEYE!

We went back and landed and everyone in Swallow Falls cheered wildly for all of us!

Flint: Well, the machine's gone.

Nico: You did the right thing, Flint. Food can be replaced. But human life can't.

Me: That's right Flint. Human life can't be replaced but it can be brought back.

I snapped my fingers and then out of the sky came a beam of light and a figure came down and it was Flint's mother Fran Lockwood!

Fran: Hello Flint.

Flint: Mom? MOM!

He went and hugged his mom for the first time in a while.

Me: Aww. But we have one last thing to tie up before we head

home.

We looked at Mayor Shellbourne and glared at him.

Dr. Light: When the usual battles are over, you're gonna get your just desserts!

Everyone cheered.

Flint Lockwood: This is gonna be awesome!

Fran Lockwood: It sure will be.

Rainbow Dash: Flint it always is awesome.

?: (German Accent) It sure is.

A figure came out and it was PROFESSOR PERICLES!

---

**Professor Pericles** is the main antagonist of the animated series *Scooby-Doo! Mystery Incorporated*, the eleventh TV series of the *Scooby-Doo* franchise and the arch-nemesis of Scooby Doo.

He is a scarred parrot who is the leader and former mascot of the original Mystery Incorporated, having betrayed the gang years ago to get the Planispheric Disk for himself to gain infinite power. He and Mayor Fred Jones, Sr. are the reasons behind the original Mystery Incorporated's disappearance.

He was voiced by Udo Kier, who also played Yuri in *Command & Conquer: Red Alert 2* and its sequel, Lorenzini in *The Adventures of Pinocchio*, Gitano Dragonetti in *Blade*, Zanrelot in *Vier gegen Z (4xZ)*, Yuri in *Command & Conquer*, Peter Straub in *Call of Duty: WWII- Nazi Zombies* and Dr. Krieger in the 2008 *Far Cry* movie.

Past

Professor Pericles is once a friend of a scientist named Abigail Gluck in 1930s, who he first met in Bavaria, though otherwise his early life prior to that meeting remained unknown. He later took over her robot factory after her death and took control of her Kriegstaffebots, which he used them to take what he needed.

When Ricky Owens was still a young child, Pericles met him when Ricky found him after he accidentally crashed into a tree in Ricky's front yard, and is injured from the fall. Despite initial mistrust, Ricky nursed Pericles back to health until the parrot was healthy enough to fly again. Initially sad, Ricky was then pleasantly surprised to see Pericles flied back, and decided to be Ricky's permanent friend and the two became best friends ever since. Together, they founded the original Mystery Inc., alongside Cassidy Williams, Brad Chiles and

Judy Reeves, and solved several mysteries, which inspired the new Mystery Incorporated years later. Pericles proved himself helpful in many situations such as when he was visiting the buried Darrow Mansion along with his gang, and helped in the investigation of the old Spanish church where a monster had been seen, speculating that the monster might have led them there on purpose.

Pericles was very interested when the drawing of the Planispheric Disk was discovered, so he led the original Mystery Incorporated to a site where the first Planispheric Disk piece was found, but he was corrupted by it, resulting in him teaming up with Fred Jones, Sr. to betray the original Mystery Incorporated and find the Cursed Treasure of Crystal Cove. However, Jones eventually betrayed Pericles as well and threw the latter on a rock, causing the parrot's left eye to be injured and blinded due to being cut by the rock, so Pericles was accused of the crime and sent to Crystal Cove's Animal Asylum, while his gang disappeared from the town for many years after this event as Fred Jones Sr. forced them to never return.

## Season 1

In the present, the new Mystery Incorporated, following the orders of Ricky, who poses as a mysterious man called Mr. E, managed to release Pericles from his imprisonment during a chaos in the Animal Asylum. Mr. E then told the Gang to "follow the parrot".

Now freed, Pericles started to put his plans into motion. To do this, Pericles first secretly gave the criminal Aphrodite her love potion formula to influence everyone in Crystal Cove to fall in love, so that he could get the help of Scooby-Doo to obtain things he needed to find the lost treasure. After the events was resolved, he ordered Ed Machine, a henchman of Mr. E, to send a message to the Mystery Gang (who just believed that Pericles was redeemed due to helping them against Aphrodite) through a recording tape, and told them the truth that he is behind Aphrodite's rampage and the one who gave her the formula in the first place, Pericles showed that he is still very much evil. Worse, Ed Machine also warned the Gang that if Pericles succeeds in his goal, it would mean the end of the world, foreshadowed Pericles's true intentions.

Later on, Pericles managed to haunt Mayor Jones in his home by hacking and taking over the latter's adoptive son Fred Jones Jr.'s traps under the disguise of the Shadowy Figure, and managed to steal the Mayor's piece of the Planispheric Disk, revealed to the Mystery Gang that the Mayor stole it from Pericles years ago. He then flied away while telling the Gang that they would meet him again.

After watching the Mystery Gang using video monitors when the gang was attacked by the Obliteratrix, who is actually Alice May, a minion ordered by Mr. E to attack the gang, Pericles thought about helping the gang because he still needed them alive.

Towards the end of season 1, the real mystery of what happened to Pericles along with the rest of the original Mystery Inc. in the past are finally revealed, as it was caused by none other than Pericles himself and Fred Jones, Sr. Pericles first went to Ed Machine's house and told Ed that he wanted to "deliver a message" to Mr. E, before brutally attacking Ed and presumably hurting him. He then showed up again when the new Mystery Inc. was down in the Crystal Cove Caves, having used a tracker to see where the Mystery Machine was and said there was nothing to fear, but Mayor Jones Sr., disguised as The Freak of Crystal Cove, suddenly appeared and knocked the parrot to the ground. Despite this, he still managed to steal a piece of the Planispheric Disk from the Mystery Machine after Mayor Jones is unmasked and arrested, as well as mocked Scooby for failing to catch him before flying away once again, and the Season 1 finale ended with Scooby-Doo, in anger, vowing to stop Pericles at all costs.

Season 2

Pericles returned in season 2, this time with bigger plans and his true intentions were fully revealed at last. Throughout the season, he and the rest of the original Mystery Incorporated set up several plans to take all the pieces of the Planispheric Disk from the Mystery Gang to achieve his ultimate goal.

With the mystery of him and his old gang now uncovered, Pericles summoned all of the former members of the original Mystery Inc. when the kids gathered the next two pieces adding with his own amount. Mr. E then invited them into a partnership, though this may be more than a mere partnership as the old gang may miss each other's friendship. After setting up a plan to kill the new Mystery Inc., Pericles told the new gang that he lived for more than 80 years, as he recalled being a friend of Abigail Gluck in the 1930s, and took over her underwater robot factory after her death, which he used it to achieve what he needs the most. He then departed as the factory exploded, ending Cassidy Williams in the process.

Pericles eventually created a mutant cattle herd to destroy Crystal Cove and give the gang no play to hide the Planispheric Disk, though the Mystery Gang managed to defeat the herd by capturing its queen, much to his anger. To force Mr. E to obey him, Pericles also implanted mutated cobra larvae in Mr. E's spinal column in his sleep to use as leverage against him, and assumed effective control of Mr. E's Destroido Corp.

After having recovered the Planispheric Disk after exchanging it from Fred to save Daphne, he returned to Destroido Corp. to find and to free his master, an ancient evil Annunaki known simply as the Evil Entity. It is revealed that he knew about the cosmological event called Nibiru the entire time. Using slaves from Crystal Cove, Pericles finally found the underground gate leading to the cursed treasure.

Following behind Mystery Inc., Pericles led his group through the elemental dimensions to the sarcophagus of the Evil Entity, where Pericles freed the Entity when Nibiru was at hand. Pericles offered himself up as the Evil Entity's vessel instead of Scooby-Doo, but instead of gaining the Entity's immense power as Pericles hoped for, the possession overwhelmed and killed him and transformed his body into the Evil Entity's monstrous vessel.

Post-Nibiru

After the Evil Entity was killed, in the new timeline that was created when the Entity's destruction removed its influence from history, Professor Pericles is no longer evil. He is now happy and without a scar, and had become the mascot for a now-married Ricky Owens and Cassidy Williams at the Creationex Corp.

---

Shaggy: Professor Pericles!?

Pericles: Good to see you all again Mystery Inc. Und J.D. how have you been?

Me: Its been a long time professor.

Laney: Wasn't he one of the predecessor members of the Mystery Inc. before You Fred?

Fred Jones: Yeah he was.

Me: And he's also the bird that unleashed an evil entity unto the world. The name of that entity was Nibiru.

I went over everything that happened.

---

The **Evil Entity** is the overarching and final antagonist of the *Scooby-Doo: Mystery Incorporated* series, and the main antagonist of the final episodes "Through The Curtains" and "Come Undone". It is an evil Anunnaki that wants to consume and destroy the universe. It was imprisoned in what would eventually become the Cursed Treasure of Crystal Cove, but was released by Professor Pericles.

It was voiced by Clancy Brown, who also played Hades in the *God of War* videogames, Mr. Krabs in the *SpongeBob SquarePants* franchise, Byron Hadley in *The Shawshank Redemption*, Undertow in Disney's *The Little Mermaid II: Return to the Sea*, Dr. Neo Cortex and Uka Uka in the *Crash Bandicoot* franchise, Dark Dragon in *American Dragon: Jake Long*, Savage Opress in *Star Wars: The Clone Wars*, Silas in *Transformers Prime*, General McGuffin in *Wander Over Yonder*, General Wade Eiling in *The Flash*, Viking Lofgren in *Bad Boys*, Surtur in *Thor: Ragnarok*, Gunmar in *Trollhunters*, Harry Bordon in *Cast a Deadly Spell*, Parallax in *Green Lantern*, and Lex Luthor in the DC Animated Universe.

Past

The Evil Entity is among the Annunaki that arrived on Earth thousands of years ago. But unlike the other, more benevolent members of its race, it desired to consume all life by possessing an animal, and had corrupted many other Annunaki. Its plan was discovered before it can do this, thus the Evil Entity, along with other corrupted Annunaki, was imprisoned within a sarcophagus buried in a treasure.

The imprisoned Evil Entity's mere presence proved corrupting to the conquistadors, who succumbed to dark impulses and were driven to destroy entire villages in search of riches. Deeming the sarcophagus cursed, El Aguirre and his men anchored in a cove on the North American coastline and took the sarcophagus and all of the other treasure its influence had compelled them to plunder deep into catacombs beneath the bay, intending to hide them away forever. Using the mysterious and alchemical Planispheric Disk, they charted a path through caverns, and through times and space itself, sealing the sarcophagus and the Entity away in the space between dimensions, barring the way with a series of four elementally locked inter-dimensional gates, and then splitting the disk into six pieces and scattering them to prevent the "Cursed Treasure" from ever being found again.

Although further sealed away, the Evil Entity's sinister and blasphemous influence over the earthly reality remained strong, and its mere presence shaped the town that grew on the land above its resting place dubbed "Crystal Cove" by the conquistadors for the dark secret it held. Under the Entity's sway, the town became a center of the mysterious and weird, where people decided that the best way to commit crimes was to dress up as ghosts and monsters using increasingly outlandish and unfeasible technology.

### *Scooby-Doo! Mystery Incorporated*

When Scooby-Doo and Mystery Incorporated succeeded in locating all of the disk pieces and reforming the Planispheric Disk, they were forced to hand the disc over to Pericles, who used it to unearth the elemental gates beneath Crystal Cove, and both Pericles and the Mystery Incorporated gang subsequently raced through the gates across the dimensions until they reached the fourth, fiery dimension holding the Cursed Treasure. As the celestial alignment of Nibiru came, Pericles released the Evil Entity from its sarcophagus.

The Entity intended to possess Scooby-Doo, but when Scooby rejected it, Pericles offered himself up to the Entity as a willing vessel, evidently unaware that he would be entirely consumed by the Entity upon possession. Taking Pericles's body, the Evil Entity gained physical form as a repulsively grotesque tentacled creature, and it immediately began releasing its cruel and evil Anunnaki servants. Together, it and its servants began rising to and destroying Crystal Cove; there, with its servants' help, the Evil Entity began consuming the inhabitants with the aim of growing strong enough to fully break free from its binding lifeline to the sarcophagus, so it could move on to consume planets and galaxies and eventually the entire universe.

Discovering that they were mystically protected against the Evil Entity's touch when they stood together, the Mystery Incorporated kids realized that (unlike the other mystery-solving groups forged by the Entity) their friendship was real, like the Hunters of Secrets before them, and in turn realized from this that their friendship was their weapon against the Entity.

With this revelation, the kids worked together to get the Heart of the Jaguar past the evil Anunnaki minions to the Entity, until Scooby succeeded in plunging the Heart into the sarcophagus. With the sarcophagus' destruction by the Heart of the Jaguar, the Evil Entity's link to its prison was severed before it was strong enough to fully break free. Crystal Cove, the evil Anunnaki, and the Evil Entity were then sucked up, and the Entity was destroyed once and for all.

The Entity's destruction undid all of its evil throughout time, creating an alternate timeline in which all those whom the Entity's evil influence had negatively affected over history lived good and happy lives.

---

When I was finished everyone was amazed and shocked!

Nico: WHOA! He is a planet destroying monster!

Me: He was. I helped Scooby and the current Mystery Inc destroy him. And all the damage that he did over the years was undone.

Eli: WHOA! That's incredible!

Me: Yeah. The deeds of the Entity are long forgotten by everyone but we will never forget. It was a terrible time back then.

Nico: When was that?

Me: 9 years ago on December 21st, 2012. It was a time that almost ended in Armageddon.

Nico: Holy shit.

Ets: That's incredible.

Miia: But you saved everyone J.D.

Rachnera: Yeah you sure did.

Nan Que: That makes you and Mystery Inc heroes.

Me: Yeah it does.

We heard bassoon playing and out came MR. BURNS! But he was a Bassoon. (Season 25 Episode 6)

Me: (GASP) Mr. Burns!

Bart: Whoa! He is an awesome instrument.

Lisa Simpson: The Bassoon.

Me: He reminds me of the Disney Silly Symphony cartoon Musicville.

Nico: He sure does. Good memories.

But then we heard a strange song.

?: (Singing Divinely)

A figure landed and it was none other than the Vocaloid Queen of Voice herself, Miku Hatsune!

Me: Oh wow! Miku Hatsune!

Laney: The Vocaloid Queen of Voice herself!

Miku: That's right and it's an honor to meet you Team Loud Phoenix Storm.

Me: Same to you Miku. You are a very widely known icon in the worlds of the internet.

Miku: I sure am.

?: That's amazing huh?

A figure came out and it was SAMON SHAKEKISUTANCHIN from episode 45 of LupinRanger VS PatRanger!

---

**Samon Shakekisutanchin** (サモーン・シャケキスタンチン *Samōn Shakekisutanchin* ) is a salmon-themed Gangler Monster from the Interdimensional Crime Group Gangler, equipped with the " *The wolf's hunger/Une faim de loup"* piece from the Lupin Collection.

---

Touma: Samon Shakekisutanchin!

Samon: Been a while rangers.

Me: I remember you! You were going to try and stop Touma from replacing fish with Chicken.

Samon: That's right J.D. and it was for Christmas.

Me: Yeah and that was cool.

Samon: Before we fight, would you all like some salmon?

May: Sure. After all, I am still hungry.

Mayor Shellbourne: What makes you think I'll eat anything you morons have after what you cost me?

That was the wrong thing to say. Because Samon grabbed the mayor and brought him close to his face.

Samon: EAT THE SALMON OR I'LL STRANGLE YOU TO DEATH!

Keiichiro: You realize that we're still taking you down by force regardless of how the salmon tastes, right?

Samon: Yeah I know.

Me: And fish is good for you Shellbourne. When we're done with you, we're putting you on an incredibly huge diet!

Lightspeed: And you'll need it too!

Nico: You're as fat as Peter Griffin is. Maybe fatter.

Maria: This salmon really is tasty. And healthy too.

Sakuya: Who's side are you guys on?!

Tsukasa: We're always on your side, Sakuya. But we're just stating the facts.

Me: Yeah and besides I like both chicken and fish. So I'm not divided on the two.

Nico: Me neither.

Me: But the one fish I can't stand is sardines. No offense Samon.

Samon: None taken.

But then we heard a Hulk Roar!

Me: Was that you Bruce?

Hulk: That not Hulk, roar come from him!

We saw a purple version of the Hulk come out and it was Thomas Kim A.K.A. TANTRUM!

---

**Thomas Kim** was among the brightest students of Dakota Union High. When he grew angry or outraged, a startling metamorphosis would occur, causing him to become **Tantrum** .

History

Thomas Kim was a brilliant student in his own right, though his father was only satisfied with perfection. Though unaware of it or its consequences, he was exposed to Quantum Vapor during the Big Bang. Whenever he was enraged, he would transform into a giant purple monster, whose only motive was revenge.

One of his first victims was Miss Pettibone, one of his teachers. Thomas had received a 99/100 rather than a perfect score because of one typographical error. After school, the monster attacked the teacher, but Static intervened. Tantrum was much stronger, and threw Static in a dumpster. Confident the "bad man" who zapped him was gone, the Tantrum left.

The next day, Virgil and Richie went to see Thomas. Richie had found Thomas' near-perfect essay on the crime scene, and the two wanted to return it-and investigate Thomas at the same time.

Threatened, Thomas sent them away. He became angry, and slowly transformed into Tantrum. Seeking revenge, he attacked Virgil and Richie in the Hawkins' home. Virgil drove him off, and-as Static-lured him to an abandoned amusement park. When he found all his powers had no effect, he tried a different approach: reasoning with him, as his mother did to him when he was a baby. He managed to calm the monster, and Thomas reemerged.

---

Tantrum roared ferociously!

Tantrum: TANTRUM SMASH! TANTRUM KILL!

He picked up a huge rock and threw it at us and I punched it and smashed it into pieces!

Me: Thomas Kim A.K.A. Tantrum!

Gear: Not this guy again!

Twilight: I can't believe you had someone like Tantrum in the Meta Breed in the first place!

Ebon: Trust me. It wasn't easy for us either! It took me, Francis, Maria, and Kangor to calm him down the first time!

Ed: I'll calm him down for you!

Me: Wait look!

We saw ugly purple splotches on him and it showed that he was infected by the Aparoids!

Me: He has been infected by the Aparoids!

Nico: Oh man! They must've made him a separate persona.

Me: Yeah!

Edzilla: Ed face puny Hulk imposter!

We got the show underway.

Kairi then cracked his safe and in it was a red jewel.

Samon: It's the Jewel of Pele. It is a legendary red ruby that was said to have been blessed by Pele herself and it has the power to turn into a sword with a blade of pure lava.

Kairi Yano: Wow! Sam would like this one.

Poromon: (horrified) Oh no! What's happening?!

Lori, Lynn, and Lola approached him with evil smirks.

Lola: We'll tell you what's happening. Your steroids have worn off.

Lynn: Now you're weak again. Just like any other In Training Level Digimon.

Lori: And guess what? (cracks her knuckles) There's literally a toll in the hall now!

Me: Don't even think about it girls.

Nico: Yeah Poromon has learned his lesson.

Laney: Yeah.

Mayor Shellbourne: Now, I'm sure we can resolve this peacefully.

Nico: Let's see if I can punch some food out of you!

Poromon: (to the Trinity of Violence) No hard feelings, right?

Lori: Yeah. No hard feelings.

Lori, Lynn and Lola hugged him.

Lola: Besides you're too cute to smash.

Me: And for good measure.

I flew at Mayor Shellbourne and kicked him in the stomach with extremely devastating force and then he released a massive stream of vomit that lasted for 75 minutes!

YUCK!

Me: Oh yuck!

Maria: Are you kidding me? I thought for sure there would still be undigested food inside him!

Me: Well look at him, he was inhaling everything in sight and growing big.

Maria: Yeah you're right.

Nico: (to Kevin Reynolds) Kevin, even though how you did it wasn't very smart, I want to thank you for helping Poromon.

Kevin: Really?

Nico: Yep.

Kevin: You're welcome.

Me: Come on guys. Lets get to work and fulfill our promise.

We cheered.

Flint: (To the viewers) Swallow Falls went through some really bad times but thanks to Team Loud Phoenix Storm we got them all resolved and now we will never be hungry again.

Me: And thank goodness for that.

We got to work and rebuilt the whole town and we grew massive fruit trees, food trees and plants that grew awesome fruit, vegetables, meats, breads and foods. We made sure that the town would never go hungry or ever have to face eating sardines again. We later had a good dinner and went back home and went to bed. As for Shellbourne, he was sent to the Uranus Prison and he will never go back to Earth and cause trouble. He got 40 Life Terms and ordered to pay $534,435,325,642,543 to all of Swallow Falls.

THE END

---

Another awesome chapter done.

This chapter is a revamped version of the movie from 2009, Cloudy With A Chance of Meatballs and that was an awesome book that I remember reading all the time back when I was in kindergarten and it was awesome and funny! And the movie was just as good as the book. NicoChan11, JediAvatarOfShinobi, Omegahatchyak12, XP4Universe, Darkhai, vinjedi1995, Nflemingful, Etstheclarencefan, Drako1234658 and ninjakingofhearts all gave me the ideas for this one. Thanks guys. The next girl from Daily Life of a Monster Girl os Mero the Mermaid and we're going to find her in Luan Island and it will be a tropical rescue. Next up is a non-combat chapter and we're gonna go on the 10th installment of MLP as we all go on an awesome camping trip to the beautiful and majestic Rainbow Waterfalls called Winsome Falls and after going on all kinds of great adventures, we need a good rest and have some fun with each other every now and then. We're gonna have s'mores, tell good stories and also have a great time under the stars.

See you all tomorrow.

# MLP 10 - Camping in Winsome Falls

Me and Olivia Pensagammon were flying over an island in the ocean and we were over Luau Island. It was a beautiful island.

Me: Luau Island. Wow. This place is beautiful.

Olivia: It sure is. It would make a great vacation spot.

Me: It is called Luau Island for a reason.

Olivia: Yep.

Me: And from the looks of things our next girl that McWolf kidnapped is underwater.

Olivia Pensgammon: Good thing my Palkia form is part Water type. (concentrates)

Olivia groaned as her hair started falling out in clumps.

She grew and turned into Palkia!

Me: YEAH! Lets go Olivia!

We flew into the water and we got to swimming and we saw an underwater castle.

Me: An underwater castle.

Olivia Palkia: Wow!

We swam up to it.

Oilvia: When we get inside, should I revert back?

Me: Sure I have an extra set of clothes for you. Leni told me to have them ready for you.

Olivia Palkia: Thanks J.D.

We got inside and I got onto the land and I put on my blind man glasses and Olivia reverted back and I gave her new clothes.

Olivia: Thanks J.D.

She put them on and we got to work.

Me: This way.

We went into the castle and then we busted into the throne room and McWolf saw us and he screamed and his hair fell out and we jumped him and ticked him all over.

Me: Coochy coochy coo!

He was laughing hysterically.

Me: Give up?

McWolf: (Laughing hysterically) I GIVE UP! I GIVE UP!

Me: Good.

We looked for the girl and I stepped on a button and then out of a hidden door in the floor rose up a platform and tied to a chair was a mermaid girl and it was Mero the Mermaid.

Me: She's a mermaid.

Olivia: Wow! She's beautiful.

We went over and freed her.

Mero: Oh thank you. Wow! The famous J.D. Knudson, Leader of Team Loud Phoenix Storm.

Me: That's right and it's a pleasure to meet you.

Mero: My name is Mero.

Olivia: It's a pleasure. I'm Olivia Pensagammon.

Mero: Pleasure.

Me: Miia and her friends are worried about you.

Mero: How do you know Miia?

Me: She's one of my harem. I saved her and her friends Rachnera, Cerea, Nan Que and Papi as well. They are part of my harem too.

Mero: Wow! I am forever grateful to you both.

Olivia: It was our pleasure.

Mero: (to Olivia) I sense something inside you for some reason.

Olivia: That's Palkia.

Me: It's a really long and ugly story Mero.

Mero: I'll have to hear about it.

Me: It's not pretty but here goes.

I went over everything that happened to the gene-slammer girls and how they went through a bunch of nightmares like that and it was terrible. When I was done she was shocked.

Mero: Oh man! That's awful!

Olivia: Yeah it was.

Me: But I helped them become human again.

Mero: That's amazing.

Me: Yeah. Show her Olivia.

Olivia: Time to transform again.

Olivia's shoes started to get tight.

And then she turned into Palkia.

Mero: Wow! She's a Pokemon too?

Me: Yep. The Space Pokemon. That's what Palkia is.

Mero: That is amazing!

Me: It sure is. Lets get you back to the World Tree Estate.

Mero: Awesome.

Me: Hold on.

McWolf: Let me guess? Naked gene-slammer?

Me: Yep.

McWolf: Don't worry. Even I know when to not look or Nicole would come and beat me to death.

Me: Good.

McWolf covered his eyes.

I put on my blind man glasses and Olivia reverted back to human again. And once again, she was naked.

Olivia: (covers herself) I hope no one thinks I went skinny dipping in here!

Me: Don't worry Olivia.

I hand her another set of clothes.

Olivia: Thanks.

She put on her clothes again.

Me: One of these days we need to make clothes that fit Pokemon of any size.

Olivia: Yeah.

Mero: But thank you all for saving me and it will be great to see Miia and the girls again.

Me: It sure will. One sec.

I formed a floating ball of water and Mero was in it.

Mero: Whoa! That was clever.

Me: Thanks. Lets go.

We went back to the World Tree Estate.

---

We arrived back home and Olivia went to sit on the sofa.

Me: This is the World Tree Estate.

Mero: Wow! This is amazing!

Nico: Welcome back. Wow! A mermaid this time.

Mero: Yep and it's a pleasure to meet you Nico.

Nico: Same to you.

Miia saw her.

Miia: Mero!

Mero: Miia!

They went over and hugged.

Miia: It's great to see you!

Rachnera: It's awesome having you with us.

Cerea: Same here.

Mero: It's great to see you girls here.

Papi: Same here.

Nan Que: We're happy you are here with us Mero.

Mero: It's a great honor.

---

Later the next morning me and Mero were walking to school in the middle of a powerful thunderstorm. I had my raincoat on and galoshes.

Me: Man it's really coming down.

Mero: No kidding but I like the rain.

Me: Yeah but not when it's got thunder and lightning with it.

Mero: Yeah.

We arrived at school and went in and I took off my galoshes.

Me: Whew!

I saw wet spots all over the floor and no wet floor sign.

Me: Uh oh.

I went to go get a wet floor sign and I put it up in front of the lockers.

Me: There.

I then pulled out my shoes in my backpack and put them on and took off my raincoat and shook it off.

Me: Whew.

I went to my locker and put my rain coat in it and got my books for class. Then I heard crying.

Mero: Uh oh.

We went over and saw that Rarity was a mess from getting to school late from her beauty sleep.

Me: Uh oh. Rarity did you sleep in again from your beauty sleep?

Rarity: (Crying hard)

Me: Oh Rarity I can fix this.

I fired a beam of red magic and made her better and got her into her normal look.

Rarity: Oh thank you J.D.

Twilight Sparkle and Sunset came in and they were soaked.

Me: Whoa you girls are soaked.

Twilight Sparkle: Yeah it was really coming down.

Me: No kidding.

I gave each of them a towel from my backpack.

Sunset Shimmer: Thanks J.D. Some storm huh?

Mero: I like the rain.

Me: It's good for the plants and the air.

We went ot class and Fluttershy came with a birds nest in her hair and she had a little dirt on her clothes.

Me: Wow Fluttershy. Are you all right?

Fluttershy: I'll make it.

Then we saw Pinkie Pie and she had her hair straightened.

Me: Didn't get your usual trend for a party Pinkie?

Pinkie Pie: I'll be all right.

Then a rainbow zoomed by us and then…

CRASH!

We saw Rainbow Dash crash head on into the lockers and she left skid marks on the floor and a human impact print in the lockers.

Me: Whoa!

We helped her up.

Me: R.D. are you all right?

Rainbow Dash: Yeah I'm okay.

Me: But your shoes aren't. Geez that is a nasty road rash.

Mero: Yeah.

We saw that her shoes were burned and torn.

Me: Those shoes went down the drain.

Mero: They sure did.

Applejack came in and we saw that she had her beach shoes on. They looked like strawberry sandals.

Applejack: Howdy everyone.

Me: Must've been in a hurry huh Applejack.

Applejack: Yeah I didn't have time to look for my boots.

Me: Oops. Luckily I got this.

I fired a beam of magic and put her normal boots on.

Me: There.

Applejack: Thanks J.D.

Me: Lets get to class.

We went to our classes and we got the day started.

Later after school we were getting ready for an awesome camping trip. We were going to Winsome Falls in Equestria. We were walking all the way. I was dressed in awesome camping and hiking clothes and had an awesome backpack on. We were hiking and walking.

Me: This is gonna be an awesome camping trip.

Applejack: You all will love it J.D. Winsome Falls is an amazing camping spot for many people and ponies and me, Rarity and Rainbow Dash do it every year with our sisters.

Apple Bloom: We sure do and it's so much fun.

Me: I love camping and we haven't gone camping in a while.

Nico: And we could use it too. Especially after all the adventures we have been having. I think we earned a good camping trip.

Me: I know.

Nico: Sorry, Mero. But you'll have to find some way to demonstrate your powers to us today.

Mero: I understand that you guys all want to relax after going on big adventures. But I'm more than happy to get some fish for you all.

Applejack: Hey that would be great.

Nico: Yeah!

The Masters of Evil then appeared and they were dressed in hiking and explorer clothes.

Vypra: Don't forget about us!

Me: We wouldn't. Always glad to have you all here with us.

Dark Spicer: Last time we had an awesome camping trip was after we destroyed Tara's father.

Carly Atlas: Yeah that was awesome.

Misty Tredwell came and clung to my arm.

Misty Tredwell: You have been real busy.

Me: That is an understatement Misty.

Miia: You're telling me.

Eddy: Where are we going anyway?

Me: We're going to Winsome Falls.

Applejack: You guys will love going there. It's a beautiful place where the rainbow waterfalls come out of the clouds.

Eli: I can't wait to dip my feet in the water.

Nico: It will be awesome to relax and have fun after a huge series of adventures.

Rarity: You all will love it.

Rainbow Dash: And it's awesome.

Scootaloo: It sure is.

Fluttershy: We'll all have fun.

Nico: We sure will.

Papi: This is gonna be so cool.

We then heard waterfalls and we saw that we were at Winsome Falls!

Me: WOW!

Robo-Blaze: Is this it?

Applejack: Yep we're here!

We saw the beautiful rainbow waterfalls of Winsome Falls!

---

Winsome Falls are composed of multiple rainbow-colored waterfalls. It is the camping destination for Applejack, Apple Bloom, Rarity, Sweetie Belle, Rainbow Dash, and Scootaloo in the episodes Sleepless in Ponyville and Campfire Tales.

---

Me: Wow!

Eli: This place is beautiful!

Varie: It sure is!

Nico: And it was well worth the journey.

Meru: It sure was.

Nico: I'll say!

Olivia Pensagammon: Wow!

Me: Lets set up camp everyone.

Firefly: I'll light the campfire.

Laney: I'll make some wood.

Laney used her plant powers and made firewood.

Lana gathered rocks for the fire.

Me: And I'll gather the things for the S'Mores.

Shaggy: Like oh boy!

We got the camp set up.

Maria: I hope there are no wild animals here.

Fluttershy: Don't worry Maria. I'll protect you all from them.

Mero: But it's beautiful all out here.

Nico: It sure is and the view of the stars is gonna be even more spectacular.

Rarity: It most will Nico.

Horsea: I'll help Mero catch some fish.

Maria: Okay Horsea.

We got the tents all set up and we were just about finished.

Me: There.

Varie: Tents are looking good.

Applejack: They sure are. As long as no Flyders or anything like that bothers us.

Me: And thank goodness for that.

Mero and Horsea came with lots of great fish for us to eat.

Mary K.: Awesome fish catches.

Mero: It was really easy to catch them.

Horsea: It sure was.

Mary K.: I'll get to work on our dinners.

Me: Awesome.

Mary K. got to work on our dinner.

Poromon: (to the Trinity of Violence) Are you girls still mad at me for pushing you three around when I had muscles?

Lori: Nah we literally forgave you for that.

Lola: We sure did.

Lynn: Yeah it's all water under the bridge. Besides we can never beat up one of the cute mascots.

Flint Lockwood: That is good and thank you all for helping all of Swallow Falls guys.

Me: Anytime Flint.

Sam Sparks: But that was just as awesome as the first time you were with us.

Me: It sure was.

Manaphy: (to Poromon) I think you were hot with those muscles!

Poromon: Thanks Manaphy.

Mero: For a little guy he sure was tough.

Me: You said it Mero.

Nico: Yeah.

Mary K.: Dinner's ready.

We were having cajun creole fish stew.

It was really good fish stew.

Maria: Anyone got a scary story to tell?

Poliwag: I've got one. It all started before I met Nico. It was a time when I owed some mobsters money.

Me: What happened?

We heard the story in detail.

Poliwag: And then I smashed the mobsters with my tail and blasted them into dust with my bubble beam.

Me: Whoa!

Nico: Wow! That was awesome.

Poliwag: Thanks.

Me: I have a story. This one actually happened to me shortly after we got the World Tree Estate.

Mero: What is it?

Me: Did you guys know that I actually met the Smurfs?

Nico: No we didn't. When did that happen?

(NOTE: This story I'm about to tell takes place between the events of chapter 1333 and 1334.)

Me: It was back after we got the World Tree Estate. I was feeling sad about our house turning into such a ginormous tree and I wasn't used to it after our estate got turning into it. So I went down to the surface to clear my head. I went into the forest and heard awesome songs singing and I stumbled upon a really amazing sight. I saw a little tiny village and in the village were these amazing little blue creatures called Smurfs.

Shiv: What are the Smurfs like?

Me: They are really friendly and magical creatures. They do awesome jobs and have their own amazing talents. Papa Smurf is the wisest one out of them all and Grouchy Smurf hates everything. (Laughs) Also there's Weepy and he cries a lot. Poor guy. Also there's Brainy Smurf and he is a genius and Lisa and Dexter would like him and Luan would like Jokey Smurf, he is a riot.

Luan: (laughs) I'm sure I would.

Me: Yeah and every Smurf has their own unique and amazing talent. And there's also Smurfette. She is the most beautiful of them all. She has long flowing blond hair.

Nico: That's amazing.

Vince: Man I used to watch the cartoons for the Smurfs a long time ago. They were awesome.

Carol: Those were great cartoons.

Me: They sure were. The Smurfs are great friends to all and amazing to learn from. But then there is one person that absolutely hates them with a vengeance.

Ets: And who is that?

Vince: I have a feeling I know who you're about to say.

Me: Yep. His name is GARGAMEL!

---

**Gargamel** is the main antagonist of the *Smurfs* franchise. He is an evil wizard of debatable skill. Since his first defeat at the hands of the Smurfs, his main goal in life is to capture the Smurfs, the reasons varying from story to story, but in general, so as to either eat them or use them as ingredients in one of his potions.

In the Hanna-Barbera cartoon, he was voiced by the late Paul Winchell who also voiced by Dick Dastardly from *Wacky Races,* another Hanna-Barbera cartoon.

Character

He is the main antagonist who, along with his cat Azrael, and later with a young apprentice named Scruple, continued to plot against the Smurfs in order to capture and/or eliminate them. He was accountable for the creation of Smurfette, who was changed into a real Smurf by Papa Smurf. Gargamel is a loathsome individual who is prepared to commit many sinister and cruel acts to achieve his goals and he can be downright ruthless on occasion, such as enjoying the time to torment the Smurfs, threatening to burn Puppy alive, and even attempt to harm the defenseless Baby Smurf. He has even gone out of his way to simply make sure to ruin the happiness of others. However, despite his dark and evil heart, there have been a few occasions where Gargamel has shown a small amount of genuine emotion, most notably with Azrael, who Gargamel has shown real care for on rare occasions despite abusing him and even goes against Lord Balthazar to guard his cat, claiming that Azrael is all he really has and is quite possibly his only real friend. Also, when he was once forced by Balthazar to behead

Puppy with a guillotine, he pleaded with his godfather to find a different way before submitting to Balthazar's intimidation.

Gargamel's unkindness and wicked nature seem to stem from a harsh life and upbringing. One example being that Gargamel hates having his Birthday on Halloween because every year nobody wishes him a Happy Birthday or gives him a present, and all Gargamel really wants is for somebody to remember his Birthday. His mother often mistreats him and tries to make him more evil, while also resenting him for flunking Wizard's School. Deep down Gargamel is aloof and insecure due to being ugly and even admits that no one has ever genuinely said they loved him. In the cartoon show episode "They're Smurfing Our Song", Gargamel is revealed to possess a small amount of goodness somewhere in his heart, as shown when he was moved to tears by Sassette's kind and loving words as even the force of evil within him could not withstand Sassette's love as she was the first person to ever say they loved him indeed. When affected by Woody's magic pan flute, Gargamel's inner goodness was brought out due to finally feeling happiness after so long and he revealed to Papa Smurf that he had not been his true self in a long time due to his many years of hate and even owed him an apology, and Papa Smurf accepted his apology, knowing full well that everyone had good in their hearts somewhere. The spell of happiness that brought out his goodness was only temporary, but according to Papa Smurf, the memory of the event would remain with Gargamel forever.

## What Does He Need the Smurfs For?

Gargamel's motive for capturing all the Smurfs varies, depending on the episode or the media he is presented in. His motives are:

To transform them into gold

To devour them

To eliminate them

However, the cartoon show clearly indicates in some episodes that he wishes to do all three, as noted in his song:

*Oh, I'll fry a few and pickle a few and serve a few real cold, Then I'll toast a few and roast a few and use the rest for gold.*

But regardless of his intentions, Gargamel just plain hates the Smurfs. In the original comic book stories, Gargamel kidnapped one of the Smurfs during their first initial encounter with him and intended to use the Smurf for making gold when the other Smurfs ambushed the wizard in his castle and rescued the abducted Smurf. When trying to use one of his formulas on himself to go find and capture the other Smurfs, it ended up shrinking him to Smurf size. As he found out that the Smurfs had switched his giant-growth formula with his shrinking formula, he swore he would get his revenge on them and has been terrorizing them ever since.

In the cartoon show, Gargamel's hatred for the Smurfs is explained in the episode "Gargamel's Time Trip", where a younger Gargamel, while still in wizard's school, came across some Smurfs in the forest. He walked past the oak tree when his kitten Azrael sniffed and spotted something hiding behind the bushes. The "something" in question turned out to be a Smurf, and soon Azrael tackled the Smurf to the ground, allowing Gargamel to get a better look at his catch. After searching through his wizard's book, he found out what it was and realized it was a Smurf, a necessary ingredient in the formula for turning base metals into gold. With this, he realized he would be a shoe-in at the school's science fair. He decided to go home with his prize catch but Papa Smurf tripped him, rescuing Brainy and apologizing to the wizard for hurting him while standing on a tree stump. Gargamel then tried to catch him and the other Smurfs as they stood on the tree stump, but as the Smurfs jumped away from the stump, a large boulder fell on Gargamel, crushing him and hunching his back. He then furiously promised that he would find the Smurfs no matter what and have his revenge. Unbeknownst to Gargamel though, the boulder was actually dropped by his future self who had traveled back in time to crush the Smurfs, hence making Gargamel's hatred for the Smurfs his own fault.

Skills

While Gargamel isn't the strongest villain, he is a highly competent wizard. He has many books of spells and knows how to do them right. His Great Book Of Spells can be used when there is a full moon for things beyond his normal repertoire. In contrast to his skills in the mystic arts, Gargamel at times is clumsy, foolish or gullible.

While he is generally regarded as a wizard, his methods seem to imply he is more of an alchemist. Two of the most renowned "holy grail" objectives historically sought in alchemy folklore are:

transmuting elements into gold (a process known as Alchemy, though the word is never used) (Gargamel seeks Smurfs to create gold) creating artificial lifeforms called golems or homunculi via chemical means (Gargamel created Smurfette and has transmuted himself into a baby Smurf). Family

Gargamel's mother has appeared in several episodes. Gargamel and Azrael are afraid of her and her cooking because it's so disgusting. She wants her son to be a very great wizard but has shown to be very disappointed in him at times.

Gargamel has a fiancee that his mother and Madame Lavinia has scheduled him to wed named Andria in "Wedding Bells For Gargamel" However, he was only interested in an item the Smurfs had put into her hope chest, which turned out to be a map to the Smurf Village. As he caused havoc trying to get his hands on the map, which the Smurfs were trying to get back, the wedding was canceled.

Gargamel had a cousin named Argus who appeared in the Smurfs cartoon special, "The Smurfic Games". His cousin only appeared in that special, and it seemed like he was good friends with Papa Smurf. He dies, though, and he claims that he's not fond of Gargamel.

A common relative shown throughout the show is Gargamel's godfather, Lord Balthazar - a more evil wizard who looks down on him. Lord Balthazar is easily angered by Gargamel and his stupidity. He also didn't believe in Smurfs until he saw them in his castle at one point. Gargamel is sometimes asked to take care of Lord Balthazar's castle, but this mostly ends up with Gargamel getting in deep trouble.

In Season 8, Gargamel is shown to have a god niece named Denisa in Season 8, who only appeared in 3 episodes. She is the niece of Balthazar and comes to Gargamel's hovel to play. Both Gargamel and Scruple find her annoying. Her only role was to probably be a human friend for Sassette and to be another headache for Gargamel.

In Season 9, ancestral relatives of Gargamel and Scruple have been encountered by the Smurfs in different time periods, ranging from a pharaoh's servant, a Roman chef, to even a Dutch wizard.

In the comic books, Gargamel has two cousins, Sagratamabarb and Barbapapa, a twin brother named Gourmelin, and three lookalike nephews. A crossover comic with Sophie Karamazout also featured a modern-day descendant, Edgar Gamel, who continues his ancestor's pursuit of the Smurfs. A father is mentioned in the Sonny Pictures' live-action film series.

As far as his own offspring, Smurfette, Sassette, Vexy, Hackus, and Dufus the giant are considered this, either by Gargamel or by the characters themselves, depending on the media.

Twilight Sparkle: What is he like?

Me: He is the worst wizard ever and he wants nothing more than to catch the Smurfs and eat them for dinner and turn them into gold. You guys would hate him.

Everyone gasped.

Vince: Yeah I've watched the Smurfs cartoons for a long time and what he does is awful.

Me: Yeah.

Electro: (to Grim) Didn't you meet creatures like the smurfs one time?

Grim: (Jamaican Accent) I sure did mon. It was Billy that met them first. They were called the Schlubs.

Me: Wow. That's interesting.

Mandy: I actually melted them down into 99 gold bars.

Me: Wow!

Mandy: Schlubs can be melted down into gold. But they are not like the Smurfs. They are actually more crazier than the Smurfs.

Electro: That's interesting. J.D. how did you save them from Gargamel?

Me: I faced him in a fight and his cat Azreal wants to eat them too.

Nico: I had a feeling you would face him.

Me: Yep. And all it took was one punch to his face and smashing him into a tree. After the fight I offered to have Papa Smurf and the entirety of the Smurf Village moved to the park under our protection.

Nico: And did they accept?

Me: They sure did.

Laney: Wow!

Tentacool: Gargamel is a fucking cannibal!

Me: No cannibalism is where you eat your own kind.

Tentacool: Oh my bad.

Me: I would call him a murderer.

Nico: That's more accurate.

Jirachi: But that's cool that you got to meet the Smurfs.

Me: It sure is. And whenever I would need time to chillax I would go talk to Papa Smurf and the Smurfs in the park.

Eli: That's so awesome.

Me: Yep.

Nico: Wow!

Eli: That is amazing.

Scootaloo: That is amazing! Anyone else have any stories?

Applejack: I got one.

Nico: What is it?

**Applejack** : I am gonna tell you all mine and Apple Bloom's favorite legend.

**Apple Bloom** : Ooh! You mean Rockhoof? I love that one! He was so strong, and when he-

**Sweetie Belle** : Apple Bloom, shhh! We haven't heard it yet!

Me: This is gonna be interesting. I've always wanted to hear all about the story of Rockhoof from your take Applejack.

Rockhoof: (Scottish Accent) I'm honored lass.

**Apple Bloom** : Oh, okay. But it's so good! Heh.

**Applejack** : Well, it's true. Rockhoof was known far and wide for his incredible strength. But he didn't start out that way. You see, Rockhoof was a tiny little fella, the son of a farmer.

**Apple Bloom** : Just like us!

[Beat]

**Apple Bloom** : [laughs nervously]

**Applejack** : They lived in a village that sat at the foot of a gigantic volcano.

The story began in Rockhoof's old village 1,000 years ago and it was right next to a huge volcano that had smoke coming out of it.

[flute music]

Two big ponies were clashing with spears.

[clink]

**Applejack** : [narrating] And the village was protected by an elite group of guard ponies called the Mighty Helm.

**Mighty Helm ponies** : [laughing]

The Mighty Helm loved each other like family and Cocoa Axe threw an axe at a stump.

[thunk]

She hit it.

**Applejack** : [narrating] Young Rockhoof wanted nothing more than to be part of the Mighty Helm.

[straining noises]

He tried to pull the axe out but he wasn't strong enough to do it.

[thud]

He crashed onto the ground.

**Mighty Helm ponies** : [laughing]

It was a good try though.

**Applejack** : [narrating] But he was told that he was too scrawny and weak to protect the village.

**Mighty Helm ponies** : [more laughing]

**Rockhoof** : [whimper]

**Applejack** : [narrating] But Rockhoof wouldn't take no for an answer.

Rockhoof knew that he would join if he just worked hard enough. He got to digging.

**Applejack** : [narrating] Then, one fateful day…

[rumbling]

An earthquake rattled the lands.

**Applejack** : [narrating]… the volcano erupted!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Volcano erupted with tremendous force!

**Rockhoof** : Eeeeeeeeeeee-

**Apple Bloom** : [continued] -eeeeeeeee! This is my favorite part!

Rockhoof: Aye good times lass.

**Rainbow Dash**, **Scootaloo** and **Sweetie Belle** : What happened next?!

Me: I have a feeling that this is gonna be good!

**Applejack** : The molten lava poured down the side of the volcano…

Lava was gushing out of the volcano.

**Mighty Helm ponies** : [indistinct chatter]

**Applejack** : [narrating]… and try as they might, the Mighty Helm couldn't figure out a way to save the village! They had to evacuate. But the village ponies didn't wanna leave their homes. They spent their entire lives there. They had nowhere else to go! So Rockhoof decided to do something crazy.

[digging]

Rockhoof knew it was up to him to save the village and he got to work!

**Applejack** : [narrating] He thought if he could divert the flow of the lava, he might be able to save his village. He started diggin' a trench!

**Sweetie Belle** : Wait a minute. All by himself?

**Rainbow Dash** : It'd be impossible for one pony to dig a trench fast enough to stop the lava. I mean, even *I* couldn't do that.

Me: But we could do that.

Nico: Yeah we have that kind of power.

**Apple Bloom** : [fangirl squealing]

Sakura H.: And I thought I was the only one that was excited like that.

**Applejack** : Good thing Rockhoof didn't believe in the word "impossible".

Me: And neither do we.

The story continued and the lava was getting closer and closer.

**Applejack** : [narrating] He continued to work, knowin' the odds were against him, but determined to push through it. Then, somethin' magical happened.

[digging]

[magic noises]

Then Rockhoof was enveloped in magic and he got brawny and stronger and more powerful in strength and turned into the awesome legendary pony we all know.

**Applejack** : [narrating] Rockhoof got visibly stronger! But the lava was getting' closer.

[rapid speed digging]

With his newly acquired strength he made a trench and got the lava to pour into the ocean

[crunch]

[steam hissing]

ROCKHOOF HAD SAVED HIS ENTIRE VILLAGE FROM CERTAIN DOOM!

[ponies cheering]

**Applejack** : [narrating] Through his extraordinary determination and sheer force o' will, Rockhoof more than earned his place in the Mighty Helm.

**Mighty Helm ponies** : [laughing]

**Cutie Mark Crusaders** : [cheering]

All of us: (Cheering)

**Rainbow Dash** : Good story, Applejack! Even if it wasn't about me.

**All but Rainbow Dash** : [giggling]

**Apple Bloom** : I love that story, no matter how many times I hear it.

Rockhoof: That was very well told lass.

Cocoa Axe: (Irish accent) It sure was. Those were good times back then.

Steela Oresdotter: (Norwegian Accent) They sure were and it was fun back then.

Me: It sure was awesome.

Vypra: That is a really cool legend.

Lyra Heartstrings: It sure was.

Nico: That was amazing. And it was just like what happened when we tried to save all of Los Angeles when a Volcano exploded and formed there.

Nicole: Yeah that was an amazing story.

Rarity: We'll have to hear about that. Now it's time for my favorite legend, Mistmane.

Mistmane: I'm honored that you know my story.

Me: Rarity told me the story about you Mistmane but she hasn't told ALL of us about you yet.

Sweetie Belle: Yeah.

Rarity: Did you all know that Mistmane is not only an amazing sorceress but she is also the most beautiful unicorn in all the land?

Me: I did. That's cool.

**Cutie Mark Crusaders** : So what happened to her?!

Nico: Yeah can you tell us?

**Rarity** : I sure can. Well, Mistmane was a very promising young sorceress.

The story begins in the old Imperial Empire of Equestria 1,000 years ago.

[Asian-style music]

**Rarity** : [narrating] She was as talented as she was beautiful and kind. Everypony loved her and missed her when she was sent to the finest magic school.

Mistmane was going to an awesome magic school many eons ago and a lot of people missed her as she was going away. Mistmane was a very prominent sorceress and learned so much at the school. And then she got a letter from her village.

**Rarity** : [narrating] While she was gone, she was delighted to find out that her best friend, Sable Spirit, was crowned empress. She couldn't wait to return home once she finished her studies.

When she finished her studies she was shocked to see her village in shambles and turned into a colorless and grey and rotten place.

**Rarity** : [narrating] But once she arrived, she was *devastated* by what she saw.

She went up to a villager.

**Mistmane** : What happened here?

**Villager** : The Empress happened. She makes everypony work day and night on her palace. We don't have time to take care of anything else.

The palace of the Empress was the only thing that was beautiful.

**Mistmane** : But that can't be. I know her! She would never do this.

**Rarity** : [narrating] But there was no denying what was in front of her.

A foal tried to make off with the only beautiful flower in the village and then…

**Foal** : [gasps]

The flower was taken from him by Sable Spirit.

**Rarity** : [narrating] Sable Spirit took everything that was beautiful away from anypony else! And Mistmane was sure there had to be some explanation.

She knew that there was something wrong and she went to go confront Sable Spirit.

**Sweetie Belle** : I'd assume there was, too. If somepony told me either one of you two'd gone evil…

**Scootaloo** : Yeah, I'd never believe it.

Me: I would be shocked myself and I would want some answers too.

Nico: Same with me.

**Apple Bloom** : I dunno. I've seen the way you two get when you miss breakfast.

We glared at her.

**Apple Bloom** : [chuckles nervously] Just kiddin'. But I'd want answers too.

**Rarity** : So did Mistmane. She went to confront her friend.

The story resumed and Mistmane walked through the palace and stood before the empress.

**Mistmane** : Sable, is that you?

**Sable Spirit** : Don't tell me you don't recognize your old friend.

**Mistmane** : I don't. My friend would never work our families and friends to the bone for something as silly as a palace.

**Sable Spirit** : Silly? My palace is a beacon of beauty! Anypony who passes will be in awe of its majesty!

**Mistmane** : What good is a pretty palace if it just hides the misery of its ponies?

**Sable Spirit** : Beauty is everything. *You* taught me that.

**Mistmane** : What?!

**Sable Spirit** : You were always the pretty one. You got to go to the best magic school. Everypony missed you. Everypony loved you! I admit I was jealous, so I tried to perform a spell that would make me beautiful. You can see how *that* went!

**Mistmane** : [gasps]

Her spell backfired and made her an old lady and it warped her mind.

**Sable Spirit** : I found if I couldn't have beauty, I would *take* it. I wasn't chosen to be empress, you know. I took it! Just like I'm going to take everything else.

**Mistmane** : I can't let you do that.

Mistmane knew that she had to stop her.

**Sable Spirit** : *Let* me? [laughs]

[magic zaps]

She fired a magic blast and trapped Mistmane in bramble vines.

**Sable Spirit** : [grunts, growls]

Mistmane busted out.

[magic dragons roaring]

Sable formed a red magic dragon and Mistmane formed her own dragon and they clashed powerfully.

[magic zaps]

Mistmane's dragon overpowered Sable's and knocked over a plant.

[wood creaking]

The wood grabbed Sable.

**Sable Spirit** : [grunts]

And trapped her in a wood cocoon.

[ponies cheering]

**Rarity** : [narrating] Everypony thought Sable Spirit was defeated, and that was that. But Mistmane knew there was more she could do to help.

She took the flower she took from the filly and went to plant it.

**Rarity** : [narrating] Beauty isn't everything. But Mistmane knew that it does have the power to make ponies smile.

[magic noises]

Mistmane sacrificed her beauty and brought all of the beauty back to her entire village.

**Rarity** : [narrating] She made a huge sacrifice to bring that smile back to her friends' and family's faces… including Sable Spirit's.

Sable Spirit was back to her youth after her spell went wrong.

**Sable Spirit** : [gasps] You did this for me? Even after I was so cruel?

**Rarity** : [narrating] Sable Spirit was so touched that she vowed to be more like her friend in the ways that mattered. From then on, she ruled with kindness and compassion.

Sable Spirit was now a benevolent ruler.

[ponies cheering]

**Rarity** : [narrating] Even though she gave away her physical beauty, she dedicated her life to spreading beauty all over Equestria. Any time you go out of your way to brighten somepony's day by doing something like giving them flowers, you're following in the hoofsteps of Mistmane.

**Sweetie Belle** : I think she's *my* favorite legend too.

Nico: That was an amazing story.

Mistmane: It sure was and I'm honored that you know my story very well.

Sable Spirit: Boy that brings back so many memories.

Eli: It sure was amazing.

Vince: Yeah.

Rarity: But J.D. how did you bring back Mistmane to what she was before she sacrificed her beauty?

Me: That's an interesting story. After she and the Pillars of Equestria were brought back from Limbo and we banished the Pony of Shadows to another dimension and saved Stygian, we talked to Princess Celestia about what happened and I knew that Mistmane was a really special pony so I decided to give her back her beauty. I used a powerful magic spell that I learned from all the Equestria Magic books that gave her back her beauty. It was the least I could do for her after how she helped Sable Spirit and helped save her friend from madness.

Mistmane: And I'm glad you did J.D.

Nico: Wow! That is really selfless.

Me: Yeah. Anyone else have a story?

Rainbow Dash: I got one. It's about my favorite legend, Flash Magnus!

Me: We haven't heard that one from you R.D.

Flash Magnus: But I would be honored to hear my story from you.

Nico: Awesome.

**Rainbow Dash** : A long time ago, before the Wonderbolts were even founded…

Rainbow Dash's story begins 1,000 years ago when Flash Magnus and his team were flying.

**Rainbow Dash** : [narrating]… Flash Magnus was a lowly cadet in the Royal Legion.

[heroic music]

[smacks]

He wing-fived his friends.

[plane propellor noises]

They were flying and they sounded like airplanes.

**Rainbow Dash** : [narrating] And the Legion needed to fly over the Dragon Lands to get to their comrades on the other side. But as they got closer to the dragons…

**Flash Magnus** : [coughing]

Smoke filled the air.

**Rainbow Dash** : [narrating]… the dragons attacked!

FEROCIOUS DRAGONS CAME OUT AND THEY WERE READY TO STRIKE!

[dragons roaring]

Rainbow Dash: Flash Magnus and the Royal Legion tried to get past the dragons…

The Dragons were gonna be tough.

**Rainbow Dash** : [narrating]… but the dragons wouldn't let them!

[dragons roaring]

Their fire breath spelled big trouble for them!

**Commander Ironhead** : Everypony, retreat!

Some of them flew away as a dragons tail went at them.

**Rainbow Dash** : [narrating] Flash Magnus and a few other cadets were separated from the battalion. He managed to get away, but the dragons captured his friends and took them back to their lair!

[Legion cadets screaming]

[plane propellor noises]

[thump]

The dragons took some of his comrades and took them back their lair.

**Flash Magnus** : Commander! We need to save our captured comrades!

**Commander Ironhead** : I appreciate your loyalty, Flash Magnus, but getting past those dragons is going to be impossible. Nothing will work.

**Apple Bloom** : The commander was right. You can't outfight dragons.

**Rainbow Dash** : But you *can* out- *think* them.

Me: Rainbow Dash is right about that.

Lynn: She sure is. It takes brains to out-think them. Me and Spike used our brains to out think Garble and get back Flash Magnus's shield.

Spike: That was really genius there.

Me: It sure was.

Rainbow Dash: Yeah. Anyway Flash Magnus's loyalty was very strong.

The story resumed.

**Flash Magnus** : Commander Ironhead, I'm pretty sure I can outfly the dragons. If I can lure them into chasing me, you can all sneak into the lair and retrieve our friends before they get back.

**Commander Ironhead** : Are you really willing to take that chance, soldier?

**Flash Magnus** : I am, sir.

Commander Ironhead was moved by his courage and loyalty.

**Commander Ironhead** : It's a very brave thing you're doing. You'll need all the help you can get.

He gave him his legendary shield.

[clank, shing!]

**Flash Magnus** : Is this… Netitus, the fireproof shield?!

**Commander Ironhead** : It has protected Legion heroes for generations. And today, I can't think of a worthier flank for Netitus to protect.

[clank]

**Commander Ironhead** : Good luck, soldier.

[plane propellor noises]

Flash Magnus was off.

**Flash Magnus** : [exhales] [shouting] Hey! Come and get me, fire-breath! If you can! [clanking shield] Hey, hey! Come and get me! Hey, I'm over here!

One thing you should never do is insult a dragon and BOY WERE THE DRAGONS MAD!

[dragon roars]

**Rainbow Dash** : [narrating] While Flash Magnus bravely flew for his life, Commander Ironhoof was able to get his soldiers back.

[dragons roaring]

The dragons were REALLY PISSED at him as he dodged their fire.

[plane propellor noises]

**Rainbow Dash** : [narrating] Flash Magnus flew like the wind…

[dragon roaring]

[shield burning]

**Rainbow Dash** : [narrating]… faster than the dragons!

[burning]

He was flying all over the place as the dragons were trying to burn him all over.

**Rainbow Dash** : [narrating] But he knew he couldn't do this forever. Luckily, he had a plan.

[lightning striking]

The pegasus gathered storm clouds for a trap.

[electricity crackling]

**Commander Ironhead** : [whistles]

[plane propellor noises]

**Rainbow Dash** : [narrating] He led the dragons straight into a storm that the Legion had planted!

[lightning striking]

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

**Rainbow Dash** : [narrating] One taste of the lightning, and the dragons retreated.

[long pause]

[pomf]

The dragons retreated with their tails in between their legs! Flash Magnus came out covered in soot.

**Flash Magnus** : [coughs]

**Rainbow Dash** : [narrating] Flash Magnus' plan worked!

He was hailed as a true hero and Commander Ironhead was so proud of him. Flash Magnus tried to give back the shield but he has more than earned the right to keep it and he was saluted for it.

We cheered for that story.

Me: WHOA! That was awesome!

Flash Magnus: Yeah that sure was! That was very well told Rainbow Dash.

Nico: Yeah that story was awesome.

Pinkie Pie: That was an amazing story. Here's my favorite legend. I'm going to tell you about Somnambula.

Somnambula: (Egyptian Accent) I would be honored to hear how you know about me Pinkie Pie.

Rainbow Dash: Well it was where we stopped Dr. Caballeron from ruining Daring Do by turning her into a villain.

Daring Do: That was an amazing story.

Me: Lets hear it.

Pinkie Pie: Okay. It was back in Somnambula's home village which was also her namesake. Somnambula. Long ago…

Many eons ago Somnambula was an Egyptian Style Village that was under the tyranny of an evil Sphinx.

**Pinkie Pie** : [narrating]… the village fell prey to an evil Sphinx who demanded most of their crops. Like her fellow villagers, Somnambula didn't have much, but she used what she had to keep others from giving up hope. The son of the Pharaoh, Prince Hisan, was so moved by her compassion that he decreed nopony would go hungry again. But when Hisan stood up to the Sphinx, the beast captured him, telling the Pharaoh the only way to get Hisan back was to solve her riddle. Nopony would volunteer to save the prince. Nopony except Somnambula. The Sphinx gave her the riddle. "I shine brightest in the dark. I am there but cannot be seen. To have me costs you nothing. To be without me costs you *everything* ." As Somnambula thought of the hardship she and her fellow villagers had experienced, she instantly knew the answer. "Hope!", she shouted.

The Riddle was solved but the Sphinx was mad that she got it right.

**Pinkie Pie** : [narrating] The Sphinx was so enraged, it seemed she might still refuse to release the prince, so Somnambula asked her for one more challenge. But if she accomplished it, the Sphinx would leave from the kingdom forever. The Sphinx quickly agreed, asking only that Somnambula walk to the prince across a deep chasm… blindfolded! Further, the Sphinx had cast a powerful spell that prevented Somnambula from flying.

[Sphinx laughing evilly in a demonic voice]

**Pinkie Pie** : [narrating] But Somnambula never lost hope! She knew she'd need to make a leap of faith to save the prince. Guided by the sound of the prince's voice… she easily made it across.

The Sphinx was enraged that she was beaten twice and she left never to return.

**Pinkie Pie** : [narrating] The Pharaoh asked how Somnambula prevailed, and she explained that she had always hoped she could make things better for her people and that hope had carried her through. The Prince replaced the pearls Somnambula gave up with a string of glowpaz. And around her neck, they glowed bright enough to light the entire kingdom.

We were amazed that Somnambula did that.

Me: Wow!

Somnmabula: That was an amazing adventure for me. I never gave up for my people just like I would never give up for my friends.

Me: And we never give up hope either. Just like I never give up hope for anyone.

Flint Lockwood. And that was amazing.

Me: It sure was. But that was a great story Pinkie Pie. We'll have to check out Somnambula's home village some day.

Somnambula: It's a really amazing village.

Nico: Wow.

Mage Meadowbrook: How would y'all like to hear my story?

Me: We would like that Mage Meadowbrook.

Mage Meadowbrook: It was back when I was in Hayseed Swamp. I tried again to brew an unsniffle elixir and I finally got it right!

She saw a Chipmunk sneezing from a cold.

**Chipmunk** : [sneezing]

She gave it the elixir.

[sipping noise]

And the chipmunk got better.

**Chipmunk** : [sighs]

**Meadowbrook's Mother** : Meadowbrook, I think it's time you had this.

She opened a present from her mom.

[thumping]

**Mage Meadowbrook** : [gasps] My very own healer's mask! You think I'm ready, mother?

**Meadowbrook's Mother** : Mm-hm.

[knocking]

A knock on the door came.

[door opens]

A sick pony came and she had ugly orange spots on her

**Meadowbrook's Mother** : [gasps] What caused this?

The pony pulled out a blue lily plant with the same orange spots on it

**Mage Meadowbrook** : [narrating] *Mother calls it Swamp Fever. We've been tryin' to find a cure, but it hasn't been easy.* [lily puffs]

The lily puffed out an orange smoke cloud.

**Meadowbrook's Mother** : [coughing]

[knocking]

[door opens]

They saw that many ponies were sick with SWAMP FEVER TOO!

**Royal Pin** : [coughs]

IT WAS AN EPIDEMIC!

A pony was coughing up bubbles.

**Mage Meadowbrook** : [narrating] *The fever spread like wildfire.*

[ponies sneezing and coughing]

They were coughing bubbles and sneezing lightning.

**Meadowbrook's Mother** : [coughing]

Mage Meadowbrook's mother had it too!

**Mage Meadowbrook** : [narrating] *I fear if we don't find a cure soon, everypony will be in grave danger!*

IT WAS SPREADING LIKE THE PLAGUE AND MAGE MEADOWBROOK KNEW SHE HAD TO DO SOMETHING!

**Meadowbrook's Mother** : [coughing]

Her mother was sick and in bed and coughing up bubbles

**Mage Meadowbrook** : [narrating] *With mother sick, I didn't think I'd ever find a cure. But starin' at those cursed flowers today, I saw somethin'.*

[flash bees buzzing]

Flash bees came and they were mean bees with blue stripes and lightning bolt shaped stingers.

[lilies puffing]

The flower puffed out orange smoke and it didn't affect them in any way. The Flash Bees were pollinating the flowers without any effect.

**Mage Meadowbrook** : [gasps] Flash bees!

She went to go get the cure from them.

Mage Meadowbrook: [narrating] *I realized the flowers' poison didn't affect the flash bees. And if they were immune to Swamp Fever, their honey could be the cure!*

[flash bees buzzing]

She followed them to their hive in a tree and got to their hive.

[branch snaps]

UH OH!

[flash bees buzzing]

The Flash Bees saw her and they were mad.

[zaps]

They flew at her and poked her with their stingers full of electricity and it hurt!

**Mage Meadowbrook** : [narrating] *But they were so aggressive defendin' their hive, I didn't know how I was gonna get it!*

But she had to think of something.

[flash bees buzzing]

**Mage Meadowbrook** : Here goes nothin'!

She put on her mask as the bees came.

In her mother's bed she had a phial full of Flash Bee Honey.

**Mage Meadowbrook** : [narrating] *That day I cured mother* and the rest of the bayou! It was the greatest feeling I've ever experienced, and I promise to dedicate my life to curing ponies all over Equestria!

Me: Whoa! That was incredible!

Nico: Amazing.

Lola: That was amazing.

Ranamon: It sure was.

Laney: That's my favorite story too.

Mage Meadowbrook: I'm honored.

Me: Boy those were awesome stories.

Nico: Some of the best ever.

Twilight Sparkle: It was really awesome.

Me: Lets make some s'mores everyone.

We cheered.

Jirachi: Can I have some s'mores?

Shaggy: Like they are good and ready.

Shaggy made awesome big s'mores.

We had really awesome s'mores for dessert.

Raj: (Indian Accent) I love eating s'mores as much as I love eating marshmallows.

Lola: I heard you ate many bags of marshmallows Raj.

Raj: You heard right Lola.

Mero: What other stories do you know J.D.?

Me: Oh gosh I know so many of them.

Twilight Sparkle: I heard Beetle mention that he knows an awesome legend about little people called The Littles.

Beetle: Yep. I told that one to the group with Connor as we were doing our usual battle with Jabberjaw.

Me: Boy its been a long time since I saw that one.

Nico: Yeah.

Vince: Same with me.

Me: But that reminds me of another awesome thing that happened to me. I know another friend from school that actually knows a big secret and it's my secret too.

Twilight Sparkle: What is it J.D.?

Me: I promised not to tell anyone until I made my own team and you guys reminded me of it. My friends name is Henry Biggs and he and I know about tiny little people living in his house's walls called The Littles. They are tiny people no bigger than a mouse and they are awesome.

Nico: Wow! I remember reading the books about the Littles. They are great.

Me: They sure are. One day I'll take you all to meet them.

Eli: Sweet.

We had s'mores.

Me: Mmm! Delicious.

Maria: You guys think Kameo's doing ok?

Snake: I'm sure she's doing fine, dude.

Maria: I'm just asking because a lot could happen before we see her again.

Nicole: Don't worry guys. Kameo is gonna be all right. As the Goddess of Video Games, I know all.

Nico: Wow.

Mero: That's awesome.

Eli: It sure is.

Miia: That was amazing that Kameo was able to help you all on Nico's birthday.

Rachnero: It sure was.

Cerea: It sure was awesome.

Me: Yeah. But one thing is for sure. This was the best camping trip ever.

Nico: It sure was.

We had a really great time. We watched the stars and then went to bed and we had steak and eggs for breakfast the following morning before heading back home.

THE END

---

Another awesome adventure done.

Camping in Winsome Falls was a great idea for this one especially after going through so many awesome adventures. NicoChan11 gave me the ideas for this. Thanks man. Next up is the awesome

1982 movie The Secret of N.I.M.H. and we're going to stop the evil rat Jenner from killing all the humans and declaring war on us for all the experiments we're doing to them in N.I.M.H. or the National Institute of Mental Health and make sure he pays for his crimes. The next girl we're going to rescue is Froze the Fenrir of Norse Myth and we're going to save her in the Monkey Monastery in Spyro's world.

See you all tomorrow.

# The Mystery of NIMH

Me and Julie Tancheno were flying over the realm of the Monkey Monastery in Spyro's world and it was a beautiful place that looked very much like Nepal and the Himalayan Mountains.

Me: Wow. This whole place reminds me of the Himalayas.

Julie Tancheno: It sure does. Wow. It's beautiful up here.

Me: It sure is.

Julie Tancheno: This area is perfect for me! (concentrates)

Julie suddenly felt very cold and then her arms turn into wings and she turned into Articuno!

Me: YEAH! Lets fly!

We flew into the air and we were in the Monkey Monastery. We flew fast until we found the temple that McWolf was in and Julie fired an ice beam blast and froze the door and I kicked it and smashed it down into a million pieces. McWolf saw us and he screamed and a word balloon came out of his mouth and he popped it with a pin and the scream was heard and we jumped him and tickled him all over.

Me: Coochy coochy coo.

McWolf: (LAUGHING HYSTERICALLY) HAHAHAHAHAHAHAHA! OKAY OKAY!

We went to a room and found a girl with wolf ears and a tail and it was Froze and she was a Fenrir from Norse Myth.

Me: Whoa! She's a Fenrir from Norse Myth.

Julie Articuno: That's awesome.

We went over and freed her.

Froze: Thank you. Wow! J.D. Knudson, leader of Team Loud Phoenix Storm. It's such an honor to meet you.

Me: Same here.

Froze: My name is Froze and yes I'm a Fenrir from Norse Myth.

Me: That's awesome.

Julie Articuno: My name is Julie Tancheno and I am also an Articuno.

Me: Long story on that.

Julie Articuno: I'm gonna revert back.

Me: Okay.

I put on my blind man glasses and she reverted back.

Julie was human again. And naked.

Julie Tancheno: (covers herself) Great! I'm naked and freezing!

I handed her some clothes for her from Leni as well as a fur parka.

Julie Tancheno: Thanks.

She put the clothes on.

Froze: Thanks for coming out here to save me. You all are true heroes.

Me: Anytime Froze and I've always had a really strong fascination with the Norse world.

Froze: That is amazing.

Julie Tancheno: It sure is something.

Froze: I'll say.

Me: We found Miia and her friends and they were kidnapped my

McWolf too. It's great rescue adventures.

Froze: That's great that you all know Miia and her friends.

Me: Yep. Lets head back to the World Tree Estate.

Froze: Okay.

We went back home to the World Tree Estate.

---

Back home we arrived and Julie sat on the couch.

Me: Here we are Froze.

Froze: Wow! This is amazing!

Me: Yep.

Nico: Wow! She's a Fenrir from Norse Myth.

Froze: That's right and it's an honor to meet you Nico.

Miia: Froze!

Froze: Miia!

They went and hugged.

Miia: It's awesome having you with us.

Froze: It's gonna be awesome being with you all.

Rachnera: Yeah it will be.

Cerea: I can't wait to see what adventures you like.

Mero: Same here.

Nan Que: This is gonna be awesome.

Papi: Yeah!

Later at the park, Taylor was having fun, or so it seemed. Anderson and Pablo forced Taylor to walk into the park.

Anderson: (smirks) I have to tell you, this feels really great.

Taylor: (with a straight face) Glad I could help.

Pablo: Any last words?

Taylor: I'm fine for now.

Anderson: (confused) I beg your pardon?

Taylor: I said I'm fine for now.

Pablo: We're going to kill you, Taylor. There is no later. If you have something to say, now is the time!

Taylor: (not losing her cool) Duly noted.

Anderson: Whatever. I'm not letting you ruin this for me. You may not have anything to say, but I do. Goodbye! (pulls trigger but nothing happens)

Taylor: (smirks) I removed the bullets before you confronted me.

Volcana: (walks out from behind a tree) Did you really think we would be stupid enough to leave a fully loaded gun for you to use?

We came out.

Me: We can add attempted murder to your crimes too. You sociopaths have no love for anyone but yourselves.

Nico: Yeah don't you care about anyone?

Anderson: No we don't! We fucking hate everything!

Pablo: And now we want you all to suffer!

Anderson: YOU ALL MAKE US FUCKING SICK!

Me: Fuck you too!

Winx Club Stella: Taylor also called in some new recruits here in case you two tried to make a break for it.

Pablo: New recruits?

Two figures came out and they were MARIONETTE SHADOW from episode 9 of ToQger and MANTA BAYARSH from episode 16 of LupinRanger VS PatRanger!

---

Marionette Shadow

**Marionette Shadow** (マリオネットシャドー *Marionetto Shadō* ) is a Shadow Monster that appears in Episode 9 of *Ressha Sentai ToQger* .

This Shadow Monster hung around in the shadows of the town, silently manipulating the hearts of humans in it by having the men save the girls from Kuros, including the visiting Mio. Right when Marionette Shadow decided to break some hearts, Mio had finally fessed up to her feelings to a guy named Toru that had saved her the day before, and she had made a lunch for him along with returning the man's dropped wallet. But while every broken hearted girl was emitting darkness like smoke from an intense fire, Mio did not.

Greatly confused, the Shadow Monster went down to ask why Mio was not emitting darkness, only to get hit by her bokken that she had on her (due to it being a poorly-veiled call to a duel on Mio's part due to her *tsundere* actions) in the face. When he saw Mio put on her ToQ Changer, he realized she's a ToQger and tried to attack the guy Mio had a crush on, but she tackled the guy out of the way of one of Marionette Shadow's thrown **Puppetry Cutters** (操り系カッター *Ayatsuri-kei Kattā* ). After getting the guy out of there, Mio transformed and fought Marionette Shadow after wiping out some Kuros, only for Marionette Shadow's **Doll Marionettes** ( ドール系マリオネット *Dōru-kei Marionetto* ) to pop up and beaten ToQ 3gou out of transformation. Before any harm could come to her, the other

ToQgers had arrived, and soon, the Shadow Monster was disarmed and sent airborne via a Shingo Hammer to the chin, and hit the ground hard enough to crater and make a cloud of dust, and the team finished him off with the Rainbow Rush in Present form, smashing Marionette Shadow with an oversized onigiri.

Once enlarged, the ToQgers summoned the Diesel, Tank, and Car Carrier Ressha (since the main Ressha were still being repaired from the Bomb Shadow incident), and during the formation of Diesel-Oh, the formation slammed into Marionette Shadow's leg, sending him flying. In retaliation, Marionette Shadow tried the direct approach, only to be powerfully beaten back by Diesel-Oh. In response, Marionette Shadow jumped over to a building top behind Diesel-Oh, and snagged Diesel-Oh's arms with his strings. Of course, the Ressha Combination powered its way out of the strings, sending the Shadow Monster sprawling back to terra firma. Once up, Diesel-Oh stunned the enlarged Kaijin with a Diesel-Oh Impact, then ended the Monster with a Diesel-Oh Spinning Kick.

Manta Bayarsh

**Manta Bayarsh** (マンタ・バヤーシ *Manta Bayāshi* ) was a manta ray-themed Gangler Monster of the Interdimensional Crime Group Gangler, equipped with the "Belles balles de feu/Beautiful fireballs" treasure from the Lupin Collection.

---

Taylor: Them.

Right Suzuki: Marionette Shadow!

Touma: And Manta Bayarsh!

Me: I remember you both! Marionette Shadow was using his puppet skills to have the men save the girls from Kuros and then breaking their hearts and Manta Bayarsh you switched bodies with Touma!

Marionette Shadow: That is right.

Manta Bayarsh: You have a really good memory.

Me: Not your turn to face us this time.

Marionette Shadow: We know.

Manta Bayarsh: We're just helping Taylor.

Pablo: You said you removed the bullets before we confronted you. (in realization) You knew we'd try to kill you here!

Taylor walks up to Anderson and looked him straight in the eye.

Taylor: I know you, Anderson. And so do J.D. and the others now.

Astrotrain: We may be driven by our emotions most of the time. Mainly hatred and disgust for people like you. But you're driven by something even greater. A desire to get even with those who have wronged you.

Me: And that is revenge.

Nico: And now it's time for a major league buttkicking!

Taylor: Yeah!

She unsheathed her sword.

She slashed and pulverized Anderson and Pablo all over the place.

She had her sword ready for them.

Anderson: Why don't you just kill me, Taylor?!

Taylor: You were the one who told me in person that hurting people was good. And I want you around as a constant reminder to never make that same mistake again.

Springer: Pablo will still have his uses though.

Pablo: What do you mean by that? (Marionette Shadow knocks Anderson out)

And I punched Pablo with devastating force and smashed all his teeth out of his jaw and knocked him out with a horrible concussion.

Nico: Ouch.

Manta Bayarsh: Thanks.

Me: You're welcome. (Blows dust off knuckles) I already left my mark on Anderson and that was when I punched his eye out.

Nico: Well you left your mark now on both of them.

Lincoln: You sure did.

Taylor: But I'll still be ready for them when the time comes.

Lola: We all will.

* * *

Later we were back at the estate and I was reading the paper.

Me: Hmm. Looks like things are really quiet. Lets hope it stays that way.

Nico: Yeah.

Bugly: Have we ever faced Jenner before?

Me: From the Secret of N.I.M.H.? No as a matter of fact we haven't.

Eli: I love that movie!

Ets: That movie was great.

Miku Hatsune: It sure was. I would love to go into battle against Jenner. What he did was horrible.

Me: Yeah.

Nunnally: Yeah it sure was. That was sick.

Me: Yep. Looks like our next mission is going after Jenner in the Secret of NIMH.

Varie: This is gonna be fun.

Froze: Yeah it is.

Shiv, Electrocutioner, Anti Wanda, Pyro, Grumblemon, Hydro Man, Hsi Wu the Demon Sorcerer of the Sky, and Dr. Light

Shiv: Can me, Electrocutioner, Anti Wanda, Pyro, Grumblemon, Hydro Man, Hsi Wu, and Dr. Light go with you guys?

Me: You all sure can.

Eli: But first we're going to watch The Secret of N.I.M.H. to help you all better understand who we're going after.

Shiv: AWESOME! I haven't watched that movie in a long time.

Pyro: Me neither! It will be awesome to see it again.

Me: Yeah!

We got to watching and it was a great story.

Mrs. Brisby, a widowed field mouse, lives in a cinder block with her children in a field on the Fitzgibbons' farm. She needs to move her family out of the field as plowing time approaches, but her son Timothy has fallen ill. She visits Mr. Ages, a friend of her late husband, Jonathan. Ages diagnoses the illness as pneumonia, provides Brisby with medicine, and warns her that Timothy must stay inside for at least three weeks or he will die. On her way home, Brisby befriends Jeremy, a clumsy but friendly crow. They both narrowly escape from the Fitzgibbons' cat, Dragon.

The next morning, Brisby discovers that Farmer Fitzgibbons has started plowing early. Although her neighbor Auntie Shrew helps her disable his tractor, Brisby knows she must devise another plan. Jeremy takes her to meet the Great Owl, who tells her to visit a colony of rats that live beneath a rose bush on the farm and ask for the services of Nicodemus, their wise and mystical leader.

Brisby enters the rose bush and encounters an aggressive guard rat named Brutus, who chases her away. She is led back in by Ages, and is amazed to see the rats' use of electricity and other technology. She meets Justin, the friendly captain of the guard, Jenner, a ruthless and power-hungry rat opposed to Nicodemus, and finally Nicodemus himself. From Nicodemus, she learns that many years ago the rats, along with her husband and Ages, were part of a series of experiments at the National Institute of Mental Health (NIMH for short). The experiments boosted their intelligence, enabling them to escape, as well as extending their lifespans and slowing their aging processes. However, they are unable to live as typical rats would, and need human technology to survive, which they have accomplished only by stealing. The rats have eventually settled on the decision to leave the farm and live independently in an area they refer to as Thorn Valley. Nicodemus then gives Brisby a magical amulet that will activate when the wearer is courageous. Meanwhile, Jenner, who wishes for the rats to remain in the rose bush, secretly plots with his reluctant accomplice, Sullivan, to eliminate Nicodemus.

Because of the rats' relationship with Jonathan, they agree to help Brisby move her home. First, they need to drug Dragon so that it can be done safely. Only Brisby can do this, as the rats cannot fit through the hole leading into the Fitzgibbons' house; Jonathan was killed by Dragon in a previous attempt, while Ages broke his leg in another. That night, she puts the drug into Dragon's dish, but the Fitzgibbons' son, Billy, catches her. While trapped in a birdcage, she overhears a telephone conversation between Farmer Fitzgibbons and the staff of NIMH and learns that the institute intends to exterminate the rats in the morning. Brisby then escapes from the cage and runs off to warn them.

As a rainstorm approaches, the rats begin moving the Brisby home, with the children and Auntie Shrew inside, using a rope and pulley system. Disregarding Sullivan's protests, Jenner sabotages the assembly, causing it to fall apart and crush Nicodemus to death. Brisby soon arrives to warn the rats about NIMH's arrival, but Jenner attacks her and attempts to steal the amulet. Sullivan alerts Justin, who comes to Brisby's aid. Jenner mortally wounds Sullivan and engages Justin in a sword fight, which ends with Sullivan killing Jenner and saving Justin's life before dying himself.

The Brisby home begins to sink into a mud puddle and Brisby and the rats are unable to raise it. Brisby's will to save her family gives power to the amulet, which she uses to lift the house and move it to safety. The next morning, the rats, with Justin as their new leader, have departed for Thorn Valley as Timothy begins to recover. Jeremy soon meets Miss Right, another crow who is just as clumsy as he is, and they fall in love.

When the movie was done we cheered wildly!

Me: YEAH! That was awesome!

Nico: It sure was.

Shiv: Ah that movie brings back memories.

Pyro: Good times.

Me: Yep. Lets get ready and going.

We went into the Simulator for it.

---

We were in the simulator and we were getting ready for an awesome adventure. The Simulator activated and we found ourselves in the world of The Secret of NIMH. We were tiny and we saw everything was big. We were as tiny as mice.

Me: Wow! Everything is ginormous!

Snaptrap: Okay, are we tiny again?

Me: The size of mice no doubt. We were tiny before when we went into the world of The Ant Bully.

Nico: Right! I remember that! And we were tiny when we were in the world of A Bugs Life.

Flik: Yep that's right.

Fievel: It's awesome having you guys our size.

Little Olivia: (Scottish Accent) It sure is lads.

Lola: Yeah!

Nico: This is amazing!

Me: Lets go find Mrs. Brisby.

We were off to find her. We found her at a tree in the forest.

Dr. Light: Excuse me, Miss. Are you Mrs. Brisby?

Mrs. Brisby: Yes I am. (Recognizes us) Wow! Team Loud Phoenix Storm! What an honor it is to meet you all.

Me: Same to you Mrs. Brisby. We're sorry to come in like this even though we are humans shrunk down to mice size.

Mrs. Brisby: No worries. But I'm so glad you're all here. I need your help to take down Jenner.

Me: That's why we are here. Also we heard that your son is critically ill.

Mrs. Brisby: Yes he is. He has Pneumonia.

Lily: Oh man. That's awful.

Mrs. Brisby: I'm afraid my son doesn't have much time to live. If you want to say something to him, you should do so now.

Teen Titans Lightning: We WILL say something to him. But he won't die today!

Mrs. Brisby: I'm afraid my son doesn't have much time to live. If you want to say something to him, you should do so now.

Teen Titans Lightning: We WILL say something to him. But he won't die today!

Me: Mrs. Brisby please. Your son is not gonna die. He will make it.

Lily: That's right. My water can cure him. Just give us a chance to show you.

Mrs. Brisby: Follow me.

We followed her to her home and when we got there we saw Timothy in really bad shape.

Hydro Man: (to Timothy) Hey, buddy. Your name's Timothy, right?

Timothy's breathing was really bad and he was extremely weak.

Miku Hatsune: He is really bad.

Lily: Stand back everyone.

We backed away and Lily spread her wings of water and then enveloped Timothy in a ball of water and the fluid that was inside him was destroyed and he was being cured and then when the water faded he was breathing normally and he opened his eyes.

Timothy: (Groans) Whoa. That was a big sleep.

Mrs. Brisby: Timothy!

She went and hugged him.

Timothy: Mom? What happened?

Mrs. Brisby: It's great you're all right.

Timothy saw us.

Timothy: Whoa you're Team Loud Phoenix Storm!

Nico: That's right.

Pam: How do you feel, Timothy?

Timothy: Better than ever. Thank you so much guys. You all saved my life.

Me: Thank Lily here. She is the one that cured you.

Lily: We couldn't let you die. Mrs. Brisby was doing everything she could to save you.

Electrocutioner: You need to eat some food before we discuss our next move.

Timothy: Yeah I am hungry.

Me: I think I can arrange that.

I fired a beam of pink energy and it formed a big buffet of cheese on his plate.

I brought it over to him.

Timothy: Oh boy!

He got to eating cheese.

He was one hungry little guy.

Bludgeon: (laughs) You sure are hungry, huh?

Timothy: No kidding!

Me: Being in bed for a while hanging on to your life by a thread with pneumonia makes you feel like you've been in a coma. I would be hungry too if that happened to me.

Nico: Yeah.

Me: And I've never been sick a day in my life.

Eli: Yeah that is crazy.

Miku Hatsune: Thank goodness he's okay.

Froze: Yeah and we got here just in time.

Miia: We sure did.

After he was done we got to talking.

Hsi Wu: I'll go fly up to Jenner's hideout to see what he's up to.

Me: Okay.

Bai Tza: Be careful brother.

Hsi Wu: I will sister.

He flew over to his hideout.

Gilda: Mrs. Brisby, if we're going to stop Jenner, we need to know who else is connected to him.

Mrs. Brisby: Okay. I'll tell you everything I know about him.

She told us about everything Jenner is doing.

---

Jenner is the main antagonist of Don Bluth's 1982 animated film The Secret of NIMH by MGM, which is based on the 1971 children's book Mrs. Frisby and the Rats of NIMH by the late Robert C. O'Brien.

He was voiced by the late Paul Shenar, who also played Alejandro Sosa in the 1983 film Scarface.

Beginnings

Just like the other rats of NIMH, Jenner started out as a ordinary street rat scourging for food alongside his kind until they were captured by men who were working for an institution called NIMH. There, Jenner, along with the rats and mice, were subjected to torture and experimentation, which surprisingly increased their intelligence.

With that in mind, Jenner escaped from NIMH with the other rats through the the ventilation systems, where most of the mice were blown away to their deaths (except for two, Jonathan Brisby and Mr. Ages). As the rats of NIMH (led by Nicodemus) took refuge in a rose bush near the Fitzgibbons' farm and formed a society of their own, Jenner became power hungry as he intends to overthrow

Nicodemus to become the new leader of the rats, even openly criticizing Nicodemus' plan to evade to Thorn Valley in case the humans would find out.

## Meeting Brisby

During a meeting with the rat council, Jenner continues voicing his opposition towards Nicodemus' plan of evading to Thorn Valley, demanding that they remain in the rose bush. When one of the rats pointed out that the farmer will find out and bring in more humans to exterminate them all, Jenner suggested that they should fight back against the humans, but the rats are not happy about this, knowing that doing so would put them in even more danger.

Eventually, Jonathan's widow by the name of Mrs. Brisby comes to the rats to ask for help moving her home, as she can't move her family without risking her son Timothy's health (due to having pneumonia). Mr. Ages and Justin (the captain of the guards) plead to the council that they use their machinery that they stole from the farmer to move the Brisby home into a safer place, but the council is very reluctant as they have their own problems. However, Jenner immediately voices his support to help move the Brisby home under the impression that it would honor the late Jonathan before convincing the council to support for it. Mrs. Brisby was uneasy with Jenner's presence, but thanked him anyway.

As Nicodemus, Justin and Mrs. Brisby are leaving for their boat ride, it turns out that Jenner intends to exploit the situation to kill Nicodemus as he carefully explains his plan to his confidant Sullivan: he will sabotage the operation by cutting the ropes that will be used to lift and move the Brisby home in the hopes that it will crush Nicodemus. Sullivan expresses reluctance to taking such a risk and when he asks what to do about Justin, Jenner replies that he'll handle Justin himself.

## Killing Nicodemus

During the moving of the Brisby home under the supervision of Nicodemus, Jenner and Sullivan stand ready to cut the ropes. Sullivan then starts to have second thoughts, but Jenner threatens him not to back down, saying that he has involved in it up to his neck. Eventually, as the home towers over Nicodemus, Jenner cuts the ropes himself (despite Sullivan's objections), dropping the Brisby home and killing Nicodemus in the process.

With Nicodemus dead and the rats fallen into grief, Jenner uses the situation to declare himself as the new leader and persuade the other rats to return to the rose bush. However, Mrs. Brisby arrives after drugging the Fitzgibbons' cat Dragon and informs the rats that the farmer has received a call from NIMH, who intends to send its exterminators to bulldoze the rose bush and wipe out the rats tomorrow morning with the farmer's permission. Jenner refused to believe this by calling Mrs. Brisby a hysterical liar and demanded the other rats to follow him, but they refused as they want to leave for Thorn Valley tonight as Nicodemus planned for. Fed up and deciding to make an example of his leadership, an angry Jenner shows his true colors by wielding out his sword in an attempt to kill Mrs. Brisby.

Finally realizing that Jenner has gone mad, a remorseful Sullivan confesses to Justin about the incident, prompting Justin to defend Mrs. Brisby by telling Jenner to leave her alone. However, Jenner refuses by slashing Justin in the arm and spotting the stone of power given to Mrs. Brisby by Nicodemus, desiring the magical item for himself. Fortunately, Sullivan gives his sword to Justin, but ends up being mortally slashed in the chest by Jenner.

## Death

Justin and Jenner then engage into a swordfight over the fate of the rats of NIMH. During the duel, Justin (being aware of Jenner's wrath and presumably informed by Sullivan) openly berates Jenner for deliberately sabotaging the moving that killed Nicodemus in the first place. In his rage, Jenner openly admits to this by saying that Nicodemus wanted to destroy everything they had and that he should "take what you can, when you can."

Knowing all too well that Jenner is too dangerous to be kept alive, Justin states that "Jenner has learned nothing" and defeats him by stabbing him in the stomach, putting him in great pain. Taking over as the new leader of the rats, Justin makes his announcement to the rats that they should leave for Thorn Valley as planned, but Jenner sneaks up behind him atop a large stone and prepares to kill him from behind. Fortunately, Sullivan takes out his dagger and throws it into Jenner's back, instantly killing him and causing his corpse to fall off the rock and into the mud. Satisfied that he put an end to Jenner's madness, Sullivan peacefully dies succumbing to his wounds, and Justin and the other rats mourn for Sullivan's death.

Mrs. Brisby would later use the stone of power to easily move her home away from the mud to a safer place while Justin and the rats left for Thorn Valley, leaving Jenner's plot for power in complete vain.

---

When she was done we were shocked.

Me: Whoa man! We are now more clear to stop him.

Pyro: Jenner's trying to kill all humans because of how rats are treated?!

Froze: THAT'S INSANE!

Nico: YEAH! What he's doing is total genocide!

Eli: It'll be like the bubonic plague all over again.

Me: Worse. It will be the extinction of humanity. Jenner is a monster! He is not a rat now. He is a monster and we got to take him down for good.

Sinestro: We need to take out any of Jenner's supporters first.

Me: Agreed and when it's just Jenner we'll do our entrance.

Fluttershy: I will never let a monster like Jenner torment my friends. I have a plan.

Me: Lets hear it Fluttershy.

Fluttershy then showed us a map of the building where the high council of mice and rats will begin and she showed us that all of

Jenner's men will be going after the high council. Fluttershy, Tree Hugger, Mage Meadowbrook and Laney will sneak up on each one and snap their necks and kill them and then when it's just Jenner we'll bust in with our entrance and expose Jenner as an insane traitor.

Me: That's a really genius and well created plan Fluttershy.

Anti-Wanda: I'll use my magic so none of us will be seen.

Fluttershy: Good idea Anti-Wanda.

Me: Awesome.

Twilight Sparkle: I'm impressed that you came up with a genius plan Fluttershy.

Fluttershy: Thanks Twilight.

Rainbow Dash: A plan like that is really awesome.

Me: Yeah it is. Lets head out everyone. (Eyes glow red) Get Ready Jenner, we're coming for you, you plague-infested vermin.

We set out for the main building where the council was taking place.

* * *

As the council was taking place, Jenner was making his speech about humans treating rats unfairly and how he wants to destroy all humans. His men all fell one by one as we snapped their necks without him ever suspecting a thing and killing them. But when it was just Jenner…

A massive wall of water splashed into the room and it formed into a powerful mermaid and angel and they sang.

omeriata esta dikore

arma amata mesta dikore

samariya iyarmai lasai adolo…

kormediata esta ridore

arma amata mesta dikore

samariya iyarmai lasai adolo

kormediata esta ridore

arma amata mesta dikore

samariya iyarmai lasai adolo

adolo…

The water mermaid and angel dispersed and we came out and we were confronting JENNER!

Jenner: Team Loud Phoenix Storm!? What are you doing here!?

Me: It's over Jenner! We know all about your little plan. You want to destroy all of humanity for how we were treating rats!

Jenner: You're lying! The stress of all your battles has obviously gotten to you! (to you) You're just encouraging your friends to be reckless like always!

Grumblemon: Actually, this time, the credit goes to Fluttershy. We even have some witnesses.

Mrs. Brisby: That's right! You all have been lied to! This monster is trying to gather forces to destroy all the humans for how the rats have been treated!

Nico: And they are planning to kill us all just like they killed Nicodemus!

The council gasped!

Jenner: They are lying!

Me: No! He's the true liar! He is deceiving you all and he wants you all to follow him into a war that will never happen!

Mice 1: YOU'VE GONE MAD!

Mice 2: YOU ARE A TRAITOR!

Everyone jeered and cursed at him wanting us to kill him!

Me: It's over for you Jenner! You will never conquer humanity as long as we have anything to say about it!

Then he showed his true colors and went completely insane! He went at us and roared and I then punched him in the face and kicked him in the stomach and smashed him down.

Firebrand, Scorcher, Manboy, Femme Fatale, Trapster, Saïx, Spot, Kangor, Captain Cold and Misty Tredwell then appeared.

Me: Firebrand, Scorcher, Manboy, Femme Fatale, Trapster, Saïx, Spot, Kangor, Captain Cold and Misty Tredwell.

Spot: Looks like you guys are tiny too.

Firebrand: It's actually weird being small like this.

Maria: Well, aside from the size difference, all of us are still the same.

Scorcher: You're right about that.

Man Boy: Except there are humanoid mice and rats around us.

Femme Fatale: (to Fluttershy) Nice job coming up with this plan, Fluttershy.

Fluttershy: Thanks Jessica. Whenever something involves my friends or animals, I always know what to do to make sure nothing happens to them.

Misty Tredwell: Nicely put.

Nico: It was really well thought up.

Captain Cold: It sure was. We also have a bunch of members for you to meet.

They pulled out 8 baskets and set them down.

Eli: 8 baskets? I don't get it.

Me: There's something familiar about those baskets.

Varie: I've got a bad feeling about this.

Then the baskets transformed and they were really EXTOR'S ULTRA ROBOTS!

---

The **Ultra-robots**, alternatively called **Ultrabots**, are eight specially designed intelligent killing machines made to hunt down and eliminate Samurai Jack. They appear in "Episode XVIII: Jack and the Ultra-robots" and the video games Code of the Samurai and Cartoon Network: Punch Time Explosion. Origins

The eight Ultra-robots were created by Extor, against his will, to solely hunt down Jack. They were each given their own unique weapon, studied Jack's fighting skills many times, and were powered by Aku's evil essence. After Extor completed them, Aku decided to test them on his village, decimating Extor's home.

Hunting Jack

The eight Ultra-robots first appeared after Jack had begun his search for what had been destroying several villages. He soon came upon eight identical baskets, who revealed themselves as the Ultra-robots; they explained that they destroyed the villages to lure out the samurai. Jack tried to fight them, but discovered he couldn't even damage them. He soon managed to reach safety thanks to the Ultra-robots' creator, Extor. After explaining the origins of the malevolent machines, Extor gave Jack a special gauntlet that would increase his physical power and help him cut through the Ultra-robots.

Soon, Jack found the Ultra-robots again and used the gauntlet to destroy seven of the eight robots, but the gauntlet ran out of power before he could do the same to the final opponent. Desperate, Jack called upon the Gods who forged his sword many years ago. The

Gods answered his call, empowering his sword with divine energy and allowing him to destroy the last Ultra-robot, ending their menace for good.

Their existence presumably has been erased after the past Aku's destruction, since he was no longer existed to order their creation.

## Appearance

Apart from their unique weapons, the Ultra-robots have identical designs; a thin body made of black metal (apart from their upper arms, which are light grey) and cylindrical heads with two glowing red eyes that flash when they speak. They have what appears to be wicker armor on their bodies, allowing them to disguise themselves as baskets by compressing themselves and retracting their limbs.

Although they are not the most physically imposing machines, these eight are terrifyingly strong; they were able to destroy countless villages despite being severely outnumbered, and gave Jack a terrific fight even after he gained the means to harm them.

## Personality

Being assassin robots built solely to kill Jack, the Ultra-robots have little personality; what traits they do exhibit are likely influenced by the essence of Aku that powers them. They are extremely brutal and willing to do anything to draw out their target, leaving a trail of ravaged villages and mangled robot bodies in their wake specifically to incite Jack's anger and draw him to them.

On the rare occasions where they speak, the Ultra-robots use short sentences that tend to link with each other, indicating their shared origin as weapons of Aku. They speak in deep, monotonous voices, but appear capable of rudimentary emotion; in particular, the katana-wielding Ultra-robot appeared to briefly gloat when it had the upper hand on Jack and displayed astonishment when Jack turned the tables.

## Powers and Abilities

Each Ultra-robot has incredible speed and strength, but their greatest asset is their nigh-indestructible armor plating called adamantium; not even Jack could cut through them on his own. They also have a special vision mode that enables them to find targets that would normally be hidden by obstructions, such as smokescreens.

Additionally, each of the eight assassins has a special weapon that is designed specifically for each one. Between the eight of them, they are capable of leveling entire cities and beating Jack to the brink of defeat.

**Flamethrower Ultra-robot** : This robot had a pair of incredibly powerful flamethrowers instead of hands that could incinerate entire streets and buildings. It can also cloak its entire body in fire, enabling it to charge through most obstacles and create intense bursts of heat. It was the first one to be destroyed when Jack cut in half and blew it up with its own flamethrower.

**Chain-Claw Ultra-robot** : This robot's hands were blade-like claws connected to chains that could be fired and retracted at will. It was the second one to be destroyed; Jack cut off one of its hands before horizontally bisecting it.

**Wire Ultra-robot** : This robot stored a roll of explosive wire in its body, firing segments of the cord from a port on its stomach. It was the third one to be destroyed after being stabbed in the chest by Jack and accidentally getting shot to pieces by its comrades.

**Shuriken Ultra-robot** : This robot had a propeller-like torso that could fire shuriken at high speeds, creating a deadly barrage of razor-sharp projectiles. It was the fourth one destroyed, being accidentally shot to pieces by the Gatling Ultra-robot.

**Gatling Ultra-robot** : This robot's arms ended in powerful gatling guns, allowing it to fire projectiles at the same speed as the Shuriken Ultra-robot. Its bullets proved to be extremely powerful, being able to pierce the armor of its fellow Ultra-robots despite it being nigh-indestructible. Jack exploited this to trick the Gatling Ultra-robot into destroying two of its comrades before making it the fifth casualty of the battle, cut horizontally at the waist and neck, then having its head vertically bisected.

**Buzzsaw Ultra-robot** : This robot's arms were equipped with large buzzsaws that could cut through solid rock as if it were paper. It was the sixth one destroyed; Jack cut off its left arm before slashing it across the chest.

**Gauntlet Ultra-robot** : One of the more dangerous Ultra-robots, this robot had large gauntlets for hands that made it powerful enough to smash solid objects. It was also equipped with a cloaking device, letting it sneak up on targets to deliver a swift pummeling. It was the seventh Ultra-robot to be destroyed; Jack identified its location and subsequently cut it to ribbons. It was also the last of the group to be destroyed with the help of Extor's power-enhancing robot arm; after destroying the Gauntlet Ultra-robot, the arm ran out of power, forcing Jack to discard it.

**Katana Ultra-robot** : The final Ultra-robot had no built-in weaponry; instead, it carried a high-tech black katana. It was a deadly swordsman with skills rivaling Jack himself; coupled with its adamantium armor, it managed to put him on the defensive even after all of its allies fell. It was ultimately destroyed when Jack called upon the power of the Gods to increase his sword's power, letting him cut the last Ultra-robot clean in half. Its last words are "Unbelievable".

---

Me: Ex-Tor's Ultra Robots!

Vince: Whoa man! These guys are dangerous!

Me: How did you guys get these robots? They were built by Ex-Tor for the sole purpose of hunting us down to kill us when we were the Brave 12.

Scorcher: Vypra found them in the Sahara Desert and Dark Spicer rebuilt them and reprogrammed them and they are no longer out to kill you all. Just fight in our usual battles.

Me: Wow! But what are they powered by now? They were powered by Aku's evil before.

Firebrand: They are now powered by the very same energy source that the BGY-11 or The Big Guy uses.

Me: You mean Cobalt-Thorium G? That stuff is highly unstable and as dangerous as a hundred tons of Nitroglycerin.

Rainbow Dash: How did you even make that stuff?

Scorcher: Dark Spicer is a genius in that field and so is Mojo Jojo.

Me: Whoa. How does it feel to be back on the side of the Masters of Evil?

Ultrabot 1: The feeling is amazing.

Ultrabot 2: We were originally built to destroy you.

Ultrabot 3: Now we are built to have our battles with you.

Me: Wow! Talk about a huge change. Who have you all chosen for your Archenemy?

Ultrabot 5: We have chosen Cassie of the Animorphs as our archenemy.

Cassie (Animorphs): One against 8? Whoa! This is gonna be awesome!

?: I'll say.

A figure came out and it was BONES from episode 2 of Mighty Morphin!

---

**Bones** was a skeleton monster and the main antagonist of the episode "High Five."

Bones was the first monster to fight the original Mighty Morphin Power Rangers, the very first monster in the first season of Mighty Morphin Power Rangers, the first monster in the entire Zordon Era, and is most notable known as the very first Monster-Of-The-Week to appear in the entire Power Rangers franchise.

Bones was the first original monster to be made by Finster after being released from the dumpster. He creates Bones with his clay sculptures and the Monster-Matic to seal the Power Rangers in a time warp like she had done to Zordon ten thousand years earlier, thus rendering the Earth completely open to invasion. After being created, Bones politely greets his queen and Rita is satisfied with Bones. After the Rangers defeats an army of Putties, Bones launches outside of the Command Center, Rita then sends Bones to Earth to battle them and he lands in the fairgrounds where he starts to blast everything and generally be a nuisance.

The Rangers morphed and took on their very first monster but he removed his head and teleported the Rangers into the time-warp. Bones then summons his Skeleton Warriors (basically Putties in skeleton spandex) to aid him in battle and he personally fought Jason whilst his comrades fought the others. While this is all happening, Squatt and Baboo set up a bomb on a tree that would blow up and seal the time-warp shut, trapping the Rangers. After taking out the Skeleton Warriors, Bones stabbed his sword into the ground and created a chasm which knocked down the other Rangers and allowed him to overwhelm Jason. However, the other four Rangers blasted Bones with their Blade Blasters as Jason dodged the blasts but Bones began to restore his body. Billy realizes that his head is his weakness so grabs Bones' head and tosses it to Trini who wraps the head in Bones' cloak. The last six Skeleton Warriors come in to get back Bones' head but Trini defeats all of them with ease. She then throws Bones' head right into the chasm Bones himself created, destroying both his head and his body which falls on its back and explodes. with Bones gone, Rita sends a Giant to Earth to destroy the Rangers, but he was destroyed by the Tyrannosaurus Dinozord.

---

Trini Kwan: Bones!

Bones: Been a long time rangers.

Me: I remember you! You were the first monster made for Rita and the very first monster that the rangers took down and were sent to attack the Earth by destroying the fairgrounds. That was also the time the Rangers got their powers and started out as the Power Rangers.

Bones: That's right J.D. Really good memory on you.

Me: Never missed an episode.

Bones: I'm happy to have been the first of my fellow monsters to ever fight Power Rangers.

Me: We are too and it was awesome seeing how you fought on TV.

Nico: And it was awesome that you became the 1st monster destroyed by the rangers.

Me: That was on September 7th, 1993.

Bones: Wow! That was over 27 years ago.

Me: 28 years ago later this year.

Maniacal laughter was heard and then out came THE HEADLESS SPECTRE!

Shaggy: ZOINKS! It's the Headless Spectre!

Nico: Whoa man!

Qin: This was an unusual one.

Twilight Sparkle: Whoa! What was he known for?

Qin: He was really Penrod Stillwall, the Great-Great-Great Grandson of Jefferson Stillwall. He was using this to scare people so he can get a treasure that was left to him in his estate.

Nico: Yep.

Twilight Sparkle: Wow!

Nico: And the true culprit was his greedy neighbor Asa Shanks.

Me: Yeah he had a real pathetic costume too. A sheet made him look like a ghost. Even a braindead monkey can see through that.

Qin: And he got 20 years in prison for attempted theft.

Nico: Yep.

Twilight Sparkle: Wow.

A roar was heard and then out came THE SEA DEMON OF DENMARK!

Shaggy: ZOINKS! It's the Sea Demon!

Qin: This guy too? Oh man!

Sunset Shimmer: What was he known for?

Qin: He was really 2 people actually: Rosey Crans and Gilly Stern. They were stealing oil from Denmark.

Sunset Shimmer: Whoa.

Qin: Yep. They got 1 year for theft in Denmark.

Sunset Shimmer: That's it?

Qin: Well every country has prison laws that are different from our own laws.

Sunset Shimmer: Oh.

Nico: Yeah we're trying to help them get stronger and stricter laws.

Eli: Wow.

Then Bassoon Burns and the Wolf Man from A Gaggle of Galloping Ghosts then appeared.

Shaggy: ZOINKS! THE WOLF MAN TOO!?

Shaggy then fainted.

FWOMP!

Me: Bassoon Burns and the Wolf Man.

Froze: I'll face the Wolf Man.

Mero: And I'll face the Sea Demon since I haven't had my shot yet.

Me: Awesome.

Hotaru Tsuchigumo: And I'll face the Headless Spectre.

Me: Great! Lets do it!

Sunburn: They will die by our hands if they keep pestering us.

Ignitor: They sure will.

Qin: I'm sick of those jerks.

Nico: Me too. They need to go away.

May: Yeah they sure do.

Jason Lee Scott: Yeah but J.D. sure left his mark on him. Pablo had his entire jaw smashed to pieces by J.D. with just one punch.

Scorcher: WHOA! That must've been one powerful punch.

Rainbow Dash: It sure was! You should have seen it. It was awesome!

Scootaloo: Yeah J.D. almost smashed his head off!

Magma Gloom: Yeah man! Ever since J.D. got his new Super Angel 10,000,000,000 form his strength has been incredible.

Flash Magnus: It's incredible. His strength is amazing.

Whirlwind: Yeah and Pablo will be feeling that.

Sonic Boom: He'll be talking like Roger Ebert by the time he recovers.

Lola: Yeah he deserved it.

Lynn: You said it.

Lori: Yeah!

Scorcher: Wow! J.D. has gotten really powerful. Lets do it!

He fired a blast of fire at them and they dodged them and fired waves of wind and energy and smashed him down.

Jason Lee Scott: YEAH!

Rainbow Dash: That was AWESOME!

Patrick: And we're ready.

Lily: And awesome!

We went at Manboy and smashed him all over with leaves and energy and smashed him down all over.

Flora: All right!

Fluttershy: That was fun.

# Dreams Turned Into Nightmares

Me: Wow! So this is the realm of Cloud 9.

Jessica Namiko: It sure is beautiful.

Me: Yeah.

And she turned into Zapdos!

Me: Wow! Cloud 9 is beautiful!

Jessica Zapdos: It sure is.

We saw the castle of McWolf and we flew at it and busted in and McWolf saw us and his jaw dropped and his eyes popped out and an elephant trumpet was heard.

Me: Coochie coochie coo!

McWolf: (Laughs Hysterically) HAHAHAHAHAHAHAHAHAHAHA!

Jessica Zapdos: Now lets go find his latest catch.

We went to a room and we saw a girl in a jar that was a Pink Slime. She was Jelli the Pink Slime!

Me: Okay.

I put on my blind man glasses.

Jessica was human again. But she was naked.

Jessica Namiko: (covers herself and laughs) Even though I'm naked, I feel badass with electricity going through me!

Me: It's so shocking that my hair is standing up.

I had my hair standing up with lightning arching through my hair.

Nico: Uh oh.

Nico went down to the Dining Room.

Nico: Have you guys seen J.D. and the Loud Kids this morning?

Slobber Trap: Sorry, Nico. I haven't seen them at all.

Nico: That's weird. I wonder where they are?

Eli: Have you checked bro's room?

Nico: Yeah he's not there.

Jelli: I don't know where he is.

Papi: I couldn't find any of the Loud Kids in their rooms either.

Miia: Yeah it's weird.

Emma (ELGVTWD): That is crazy.

Zoe Drake: C'mon, guys! Maybe they're out fighting terrorists.

Nico: You're right. Maybe I'm being a little too paranoid.

Eli: Lets go help him out!

Nico: Lets see if there are any terrorist attacks going on.

Vince went and did so.

Vince: That's weird. There's nothing on the scanners and I don't see J.D. and the Loud Kids signals anywhere.

Varie: Weird.

Naruto: That's odd.

Sweetie Belle: Maybe Muscle Man might know.

They went to Muscle Man's room.

Sixshot: Muscle Man, have you seen J.D. and the Louds at all today?

Muscle Man: Nope. (smirks) You know who else hasn't seen J.D. and the Louds today?

Maria: (grins) Always could use a joke in situations like this one.

Muscle Man (laughs): My mom! But seriously, I haven't seen them at all. Are they sick?

They laughed.

Nico: Good one but no we haven't. They aren't even in their beds in their rooms.

Eli: I can't even sense them with the Force.

Emma (ELGVTWD): Yeah something weird is going on.

Jelli: It's too weird.

Muscle Man: That is weird. I wonder what happened.

Irma: Maybe my dad and Sheila might know.

They went to the Police Station.

Tom Lair: Oh hello everyone.

Nico: Hello Officer Lair. Hello Sheila.

Wheelie: Shelia, have you and Tom seen JD and the Louds today?

Tom Lair: Sorry. The two of us haven't seen them.

Sheila: (groans) Don't tell me you guys got in an argument!

Eli: No it's just that we went to go check and see if they were ready for breakfast and when we looked in their rooms they weren't there.

Tom Lair: Weird. Did they have have to do early morning missions?

Nico: Well we had nothing scheduled for them.

May: This is really unusual.

Applejack: Yeah where could they have gone?

Apple Bloom: It's too crazy.

Tom Lair: If I see them I'll let you know.

Nico: Thanks.

They left.

Poromon: We're all worrying about nothing. I'm sure they'll turn up eventually! Until then, we should just go about our day as usual.

Nico: Maybe but we'll wait and see.

Eli: Yeah.

Then Dr. Destiny appeared.

Nico: John what's up?

Maria: Is it your turn the usual battles, Dr. Destiny?

Dr. Destiny: Not exactly. But I'm here to tell you that I've located where J.D. and the others are.

Azula: (Groans) They're somewhere far away, aren't they?

Dr. Destiny: Oh yeah. VERY far away.

Natilee: Guys!

Natilee and Princess Luna came.

Natilee: I found dad and the Loud Kids.

Nico: Where are they?

Princess Luna: They are in the Dream World.

Natilee: They got sucked into it by the Tantabus.

Nico: What's the Tantabus?

Princess Luna: I'll tell you.

Princess Luna told everyone about it.

---

The Tantabus is the main antagonist of the My Little Pony: Friendship is Magic episode "Do Princesses Dream of Magic Sheep?". It is a dark and parasitic magical force that turns dreams into nightmares.

Role

The Tantabus was a manifestation of darkness created by Princess Luna to punish herself for the things she did as Nightmare Moon. It resided in her dreams and gave her nightmares, such as her turning her into Nightmare Moon. But then in one such nightmare, the Mane 6 arrived and attempted to turn her back with Rainbow Power. Having gained enough power from Luna's nightmares, and learned of the existence of the Mane 6, the now self-aware Tantabus escaped into the dreams of the Mane 6, giving them nightmares.

The Mane 6 contacted Luna, who entered their dreams as they went back to sleep to find and defeat the Tantabus. One by one, Luna chased it through the dreams of the Mane 6: In Rarity's dream, it turned her dresses into monsters; in Pinkie Pie's dream, it turned cakes into monsters; in Fluttershy's dream, it turned Angel into a monster; in Applejack's dream, it turned all the apples to the state they are in after being sucked by Vampire Fruit Bats; in Rainbow Dash's dream, it turned her favorite dream of her fighting Changelings into a nightmare of "unbearably cute" flowers singing a song similar to Barney; and in Twilight's dream, it turned books into monsters that attacked her.

Luna was unsuccessful in catching the Tantabus, and having seen all the ponies of Ponyville in Pinkie's dream, the Tantabus was able to spread its influence to them. If it became powerful enough, it would be able to enter the real world and turn Equestria into a world of nightmares. Luna used her magic to make it so that the Mane 6 and all of Ponyville were in the same dream, so when the Tantabus arrived, they fought it off, able to do anything within the dream, however, they were unable to defeat it.

When Luna said the entire thing was because of her, the Tantabus got even bigger. She revealed to the Mane 6 that she created the Tantabus and the reason for which it was done. By this time the Tantabus had taken the form of a giant Nightmare Moon and was on its way through the portal; however, when Twilight convinced Luna to forgive herself and move on from the past, the Tantabus was absorbed back into Luna, vanishing for good.

---

When she was finished they were shocked!

Nico: Princess you made the Tantabus to punish yourself for all the deeds you did as Nightmare Moon!?

Natilee: Princess what happened back then wasn't your fault.

Eli: Yeah that was forgiven long ago.

Twilight Sparkle: Shadowfright did that to you and it was all because he made your jealously and anger reach the breaking point.

Gari: That's right Mother. You are not to blame for everything Nightmare Moon did. Shadowfright did all that to you.

Nico: That's right. But right now we got to head to the Dream World.

Femme Fatale, Firebrand, Scorcher, Man Boy, Trapster, Spot, Saïx, and Kangor then appeared.

Femme Fetale: Can me, Firebrand, Scorcher, Man Boy, Trapster, Spot, Saïx, and Kangor go with you guys to save JD and the others?

Nico: You all sure can. We got to hurry.

Natilee: Hang on tight guys. We're going to the dream world.

Natilee chanted an incantation on the scepter and opened a portal and it lead to the dream world.

Shocker: Wait. What about the physical bodies of JD and the others? We still don't know where they are.

Nico: They might be in the dream world too. Lets go.

They went through the portal and they were off to the Dream World.

They were flying through the portal to the Dream World.

Saix: We need to be ready for anything. There's no telling what the Tantabus might have in store for us.

Nico: Right!

They came out into the Dream World and they gasped in amazement!

(EDVARD GRIEG'S PEER GYNT - MORNING MOOD PLAYS)

What they saw was a world where everything was beautiful and so peaceful and there were so many beautiful flowers, trees, bushes and more and everything was good and peaceful and beautiful and there was no crime, evil or anything bad. It was all good. Everyone was good and having fun and they were playing and having fun and more.

Nico: Oh wow! Look at this place!

Natilee: Wow! It's a perfect utopia!

Princess Celestia: Wow!

Nico: This is amazing!

Maria: WOW!

Eli: This is a paradise!

Nico: This is a beautiful dream.

Commander Mars: You know what? If our former boss Cyrus was still here, he'd probably be happy about what we're seeing right now.

Nico: I'm sure he would.

Me: GUYS!

Me and the Loud kids all came.

Nico: J.D.!

Me: Thank goodness you guys found us!

Nico: Thank goodness you're all safe.

Lori: Where are we?

Nico: You're in the Dream World.

Me: The Dream World?

Firebrand: (hesitantly) Hey, guys. You still remember us, right?

Me: Yeah we still do.

Lori: We literally have no idea how we got here.

Laney: Yeah. We were sleeping and then all of a sudden we wound up here in the dream world.

Eli: That's them all right.

Jelli: But it's good you're all safe.

Me: How did we get here anyway?

Princess Luna: It was all because of me.

Luna Loud: Why do you say that Princess Luna?

She told us everything.

When she was finished we were shocked and horrified!

Me: So this parasitic creature that Princess Luna made to punish herself for all the crimes she did as Nightmare Moon called the Tantabus took us here.

Laney: That is really unusual.

Nico: Yeah it sure is.

Me: That's weird. Lets walk around.

We walked around and we saw an amazing place and it was what I had envisioned in a world that was absolutely perfect where there was no evil or crime or hatred.

Me: This world is everything that I imagined.

Laney: It's so beautiful.

Lincoln: It sure is.

Flywheels: (sees Dream me as a butler) Nico, I think you should look at this.

Nico saw himself as a butler.

Nico: Is that me as a Butler?

Me: I would never reduce you to that of a butler Nico.

Eli: That is a big insult to your Saiyan Pride.

Vegeta: You got that right.

Nico: (GROWLS)

Me: Nico calm down. I said the exact same thing to Danny when we went into Tucker's dream.

Tucker: I remember that. That was crazy.

Man Boy: This has happened to you guys before, right?

Me: It sure has. It was an amazing adventure. It's like what happened when we were facing Nocturne.

I went over everything that happened to us in chapter 452.

Eli: Wow! That's so cool!

Nico: Yeah it was an awesome adventure.

Laney: It sure was.

Varie: But that was an awesome adventure.

Vince: Yeah it sure was.

Cut Man: (sees Dream Anderson walking happily) Even some of our bad guys are nice here.

Nico: That reminds me. We have to put Anderson in a DISK after this is over.

Me: Noted. But this is something. This is practically every man's dream: A perfect utopia.

Nico: Yeah. Wait. Numbuh 1 didn't Chester do this sort of thing to you?

Numbuh 1: Yes he sure did and it was a perfect world.

Lana: Wow!

Taylor: Guys is that me?

We saw dream Taylor and she was in a beautiful outfit like one that Rarity would make.

Laney: That sure is you Taylor.

Rarity: And that ensemble looks so amazing on you darling.

Taylor: I would look good in that.

Me: That dress looks like something you would make Rarity.

Rarity: Indeed it would.

Jelli: It sure is beautiful.

Miia: It sure is.

Nico: I'll say.

Scorcher: Guys, I'm not sure we should get J.D. and the others out of here.

Maria: Why's that?

Scorcher: They have everything they ever wanted. A world where there's no evil. Only peace. And they even have their own families. Do we really want to get them out of here and take that all away from them?

Nico: That would be nice.

Me: As nice as that would sound and a world like this is amazing we still have our responsibilities back home. Like I said, As long as evil and hatred exists there will never be such a thing as a world like this.

Nico: Yeah you're right.

Lori: I agree with J.D. I still have my husband and kids.

Lincoln: And me, J.D. and Clyde have our harems and everything as well as our kids.

Storm Rainbow: That's right.

Me: Yeah.

Dreamcatcher: (to me and the Loud's) Look, we're going to take a look around to see if the Tantabus sent some minions to stop us. You guys should take this time to decide whether or not you want to leave. Who knows? Maybe I'll be able to use my powers to get us out of here.

Me: That's right you are a dream manipulator too Dreamcatcher. But it will give us a good look at what is going on. But we have to remain vigilante. Lets head out.

We got to exploring the dream world. We saw strawberry soda waterfalls and candy forests and more. It was beautiful.

Me: Hey what's that?

We saw a good version of what looked like Arkham Asylum.

Me: Is that Arkham Asylum?

Batman: It sure looks like it.

Trapster: Hey, Tantabus! Send whatever minions you want at us! We'll take them out easily!

Princess Luna: The Tantabus doesn't show up that way.

Me: We have to figure out where he is and then he will come to us. The dream world is a big place.

Natilee: Dad is right. This whole place is also full of infinite possibilities.

Me: And in this world you can do anything you want.

Nicole: That's right.

We walked up to the Arkham Asylum in the dream world and we saw all of our enemies being happy and peaceful?

Me: Wow. All our enemies did a total 180 in this world.

Eli: Yeah they sure did.

We then saw Dream Poison Ivy working in the gardens.

Poison Ivy: I'm in this Dream World too?! But I'm already redeemed thanks to you guys!

Me: Well you were an ecoterrorist before we came along.

Poison Ivy: That's right I remember.

Me: But you do plant lots of really amazing flowers and plants.

Poison Ivy: I sure do.

Batman: I remember seeing the Justice Lords version of you doing this Pamela.

Poison Ivy: Wow.

Me: Déjà-vu.

We went into the asylum and sitting in front of the TV were Scarecrow, Two-Face, Riddler, Penguin and MAXIMILLIAN "MAXIE" ZEUS!

---

Maximillian "Maxie" Zeus is the former C.E.O. of a shipping company, who became a supervillain after suffering a mental breakdown. He fashioned himself as the supreme God Zeus from Greek myhology. He carries a metal rod appropriately in the shape of a thunderbolt, which he uses to electrocute his victims.

History

Zeus suffered a serious financial crisis after turning to smuggling. Following a run of bad business, Maxie goes insane, develops a god complex, and starts to believe that he is the Greek god Zeus and his lawyer-girlfriend is the muse Clio. When Batman arrives at the top of his base of operations, the Olympus Building, Maxie believes he is Hades, as "no mortal can reach 'Mount Olympus" without his permission, and even calls the caped crusader his "brother". Batman quickly deduces that Zeus has lost his sanity.

Maxie steals a giant lightning gun which he uses on all the "pitiful mortals" who dare to oppose him, although on a couple of occasions he seems to revert to normal. When Clio tries to stop him, he has her gagged and bound to the barrel of the lightning gun by his henchmen, though she is saved by Batman before she can be killed. Maxie is eventually subdued by Batman with help from Clio.

While being paraded through the interior of Arkham Asylum, he looks at the prisoners watching him and believes that he sees a Greek deity in their place: Poison Ivy is the harvest goddess Demeter, Two-Face is the "double-faced" Janus (actually a Roman god), and The Joker is Hermes the trickster god. His last line is "Now at last, Mighty Zeus is home", indicating humorously that he is now where he belongs, in Arkham Asylum.

---

Me: Wow. Scarecrow, Two-Face, Riddler, Penguin and Maximillian "Maxie" Zeus.

Nico: We haven't faced Maxie Zeus yet.

Eli: No we sure haven't.

Me: Yeah and he has no idea what the true power of the Gods can do.

Eli: Look who's at the front desk.

We saw that working at the front desk was Batman's most dangerous Archnemesis: THE JOKER!

---

He also serves as the secondary antagonist of the film *Batman: Mask of the Phantasm* and the titular main antagonist of the film *Batman Beyond: Return of the Joker* .

He was voiced by Mark Hamill, who also portrayed Chucky in the 2019 remake of *Child's Play*, Skeleton King in *Super Robot Monkey*

*Team Hyper Force Go!*, Fire Lord Ozai in *Avatar: The Last Airbender*, Alvin the Treacherous in *Dragons: Riders of Berk*, Adrian Ripburger in *Full Throttle*, Py-Ro in *Crash Bandicoot*, Dictatious Maximus Galadrigal in *Trollhunters*, Darth Bane in *Star Wars: The Clone Wars*, Kavaxas in *Teenage Mutant Ninja Turtles*, Trickster in the DC Animated Universe (as well as his *Arrowverse* incarnation and Flash 1990s TV show), two other Batman villains, Tony Zucco and Ferris Boyle, again in the DC Animated Universe, and Vuli from *Elena of Avalor* .

Past

The novelization of *Batman: Mask of the Phantasm* indicates that the man who went to become the Joker was born around 1948, being 35 around the time of the flashback events of the movie, whose present time is 1993. He became a criminal at some point to make a living, a profession which would last for the rest of his life. It's unknown what the Joker's real name was, and while it's suggested to have been Jack Napier, it's possible that this may have been another alias, as he took several during his career. The reason is possibly to avoid getting detected by the police.

By 1983, he was an assassin and chauffeur working for Salvatore Valestra, Buzz Bronski and Chuckie Sol, the high-ranking members of the Valestra mob. When Carl Beaumont, a businessman who had embezzled from the mob, was unable to pay them back, he accompanied his boss and associates to pay a visit to Beaumont, who asked Valestra for one more day. Valestra reluctantly agreed, but unknown to him, Carl and his daughter Andrea fled the country that same night.

Beaumont paid Valestra back, but the mobster wanted "interest compounded in blood" and sent the hitman to Europe to find and kill Beaumont. Arthur Reeves, Beaumont's former employee, gave them Beaumont's location in exchange for funding his campaign for Gotham City Council. The hitman killed Beaumont, and passed by Andrea on his way out, greeting her nonchalantly moments before she found her father's body.

Eventually, the hitman formed his own gang. One night, he robbed the Ace Chemical plant, but Batman arrived, and in the ensuing scuffle, the hitman fell into a vat of chemicals. The chemicals beached his skin white, turned his hair green, made his lips bright red; driven insane by his reflection, the hitman reinvented himself as the Joker and dedicated his life to fighting Batman. After taking up his new identity, Joker would establish himself as one of the main crime bosses in Gotham and became Batman's greatest foe. During a stint in Arkham Asylum, the Joker manipulated his psychologist, Dr. Harleen Quinzel, into falling in love with him, driving her to join his gang as Harley Quinn, his accomplice and on again-off again girlfriend.

*Batman: The Animated Series*

As the Joker, he pulled numerous schemes for both his own amusement and for personal profit, such as a Christmas-themed kidnapping of Commissioner Gordon, Summer Gleeson and Harvey Bullock ("Christmas with The Joker"), filling Gotham City with his laughing gas using a garbage boat ("The Last Laugh"), planting dynamite at the birthday party of Mayor Hill's son ("Be A Clown"), poisoning all of Gotham's fish with his toxins and trying to copyright them ("The Laughing Fish") and escaping Arkham to blow up a casino that was using his name sake ("The Joker's Wild"), but Batman and Robin always managed to defeat him and send him back to Arkham.

In "Joker's Favor", Joker tried to blackmail a man named Charlie Collins after he encountered him on the highway, and threatened to kill his family if he didn't help him in his scheme to kill Commissioner Gordon during an award ceremony. Collins ended up getting the better of the cowardly psychopath, using one of his own fake explosives to trick him into giving up everything he knew about his family to Batman.

In "Almost Got 'Im", Joker, Penguin, Two-Face, Killer Croc, and Poison Ivy get together and play poker, remarking on the times in which they had nearly killed Batman. Joker, believing his story was the best, saved it for last, mocking the stories of his fellow criminals. When it was his turn, Joker pulls out a portable television set and played a recording of his failed attempt. In the tape, Joker and Harley Quinn had taken over Late Night Gotham Live, captured Batman and tried to electrocute him on live TV with an electric chair powered by the forced laughter of the kidnapped studio audience, but this attempt was foiled by Catwoman. Due to only being foiled by the appearance of Catwoman, all the other villains agree that Joker had the best story, while he simultaneously wins the poker game (by cheating). Joker then reveals that he had kidnapped Catwoman and was planning to kill her by turning her into cat food as revenge for her ruining his plan, although, he is then immediately knocked out by Batman (who was disguised as Croc the entire time) .

In the movie *Batman: Mask of the Phantasm*, a vigilante called The Phantasm came to Gotham and, one by one, killed the mob leaders Joker had once worked for. Batman was accused of these crimes, but the Joker doubted this and set up a trap to kill the Phantasm before he himself was targeted. Joker eventually managed to find out that the killer wasn't Batman at all and that Andrea Beaumont, daughter of the embezzler he once killed on mob orders, had taken up the identity of the Phantasm. He fought the Phantasm, but she vanished to escape in an explosion, taking the laughing Joker with her. It remained unknown what happened to him after this. But he survived off-screen and went back to do what he does best - fighting Batman and terrorizing Gotham City with his deadly jokes.

In *Trial*, along with other inmates in Arkham Asylum, Joker ran a sham trial for Batman with the inmates as judge and jury.

The Joker later gotten a hold of an atomic bomb, taken the mayor hostage (although this was one of the very few times that he showed affection towards Harley when he realized that she had enough 'guts' to kill him), and even tried to succeed as a stand-up comedian while ruining three comedians' acts for revenge on their judgment of him as unfunny - something he could never forgive. After this, he tried to destroy all Gotham City with his henchmen, but Batman, Robin and Harley Quinn destroyed his plane and defeated him.

## Superman and Financial Failure

Becoming broke and desperate, Joker and Harley Quinn stole a statue of a Chinese Dragon that turned out to be forged from Kryptonite. Using this, Joker traveled to Metropolis and put himself for hire for one billion dollars to kill Superman. Lex Luthor agreed to Joker's deal. Batman eventually fought The Joker along with the

Man of Steel. Then, Joker began to annoy Luthor when he demanded to be paid more to kill both superheroes. While attempting to betray Luthor (who needless to say, had also tried to betray him) The Joker ended up fighting the World's Finest in an aircraft, the explosion of which seemed to kill him, though his body was never recovered. But he survived that fall and went back to terrorize Gotham again off-screen.

He turned up alive, was captured, but was shocked when he inherited millions of dollars from a mob kingpin named Barlowe, who had always despised him. Through deception was incredibly and playing the Joker's ego and greed, Barlowe set up a trap. Joker almost literally bought his way to a clean criminal record and then lived the high life on what he believed to be hundreds of millions. It was eventually revealed that only the first ten million dollars were real, which the Joker not only blew through but was now, as Barlowe's heir, in the sights of the IRS. Joker could not reveal and possesses him, he's been tricked without looking like the clown he was. Joker decided to pull off a heist to restart his enterprises (without using any of his calling cards or signature styles that would link him to the crime) but was foiled, like always, by Batman. As he is taken back to Arkham Asylum, Harley Quinn (disguised as a police officer) beats Joker up with a baton for abandoning her to be arrested by Batman and Batgirl in the beginning of the episode and replacing her with a Fake Harley, rather than bailing her out.

On the seventh year anniversary of the Joker's "birth", the Joker's actions turned reporter Jack Ryder into the Creeper. The Creeper, while heroic, mercilessly harassed Harley and Joker, to the point that even Joker considered Creeper to be a lunatic, actually begging Batman to arrest him. Creeper captured Harley and defeated the Joker in a dump park, who was later taken in custody by Batman.

After this, Harley Quinn captured Batman and tried to kill him to obtain Joker's admiration, but he hit her and threw her through the window of the building, believing that no one had the right to kill Batman but himself. Batman eventually frees himself and fights Joker on top of a monorail, and punched the Joker into the chimney of Ace Chemicals, apparently killing him. But for unknown reasons, he survived the mortal fall and sent some flowers and a note to

Quinn.

## Later life and Justice League

The Joker later planned on forming a metahuman gang from the local mutants known as "Bang Babies". Villains such as Hotstreak and Talon eagerly joined his gang. However, Batman, Robin, and Dakota's own resident hero Static teamed up and escaped the Joker's death trap, arresting the Clown Prince of Crime in the process. Joker tried to shock Batman with a joy-buzzer after his defeat, only for Static to not only ignore and absorb the buzzer's power but shock the Joker right back, only worse. Joker and his gang were arrested after that.

Not wanting anything to do with Joker after their first encounter, Lex Luthor tried to keep him out of his Injustice Gang, but he is ultimately persuaded to relent by him after Copperhead is arrested and Joker provides knowledge on Batman. Using a tracking device Batman had planted on him, Joker lured Batman to the Injustice Gang's hideout and knocks him out. With Batman now captured, Joker urges Lex to let him kill Batman but is frustrated when he is not allowed to and then proceeds to annoy Lex as he searches through Batman's utility belt. Joker then forces Batman to watch the expected destruction of the JLA's Watchtower, knowing that Luthor would give him permission to kill Batman if his plan succeeded, but it fails and Joker is not allowed to finish Batman yet again. Knowing Batman was swaying her to his way of thinking, Joker betrays and electrocutes Cheetah into unconsciousness. During the Gang's final confrontation with the JLA, Joker uses a trick exploding doll and several marbles to attack Flash and Wonder Woman, but quickly runs away when he realizes that he's outmatched. After the rest of the Gang is defeated, Joker rushes to the basement of their warehouse base to kill Batman, only to be knocked out by Batman, who states that he could have escaped their prison at any time he wanted, but chose to stay and watch on them instead.

He discovered and entered a secret government compound dubbed Section 12. At the time, it was under the supervision of the Cadmus Project, a federal initiative to procure defenses against the Justice League in case they ever went rogue. Joker arrived at the facility and killed the staff using his Joker Venom. He then freed their captives and fashioned them as a card deckhand, dubbing them his 'Royal Flush Gang'. During his time at the facility, the Joker also came across some of Project Cadmus' secret technology and discovered a microchip that allowed it's users to copy their DNA.

Rather than use the technology early, the Joker decided to save the technology for another time. The Joker with his new team then left the facility before purchasing air time on several networks under the moniker of "Gwynplaine Entertainment" and broadcast a live feed of Las Vegas. The Joker secretly planted several dozen extremely powerful time-bombs all throughout the city and threatened to blow up the entire city early if anyone but the Justice League tried to stop him. Though the Justice League manage to disarm the bombs and defeat the Royal Flush Gang, the bomb stunt was merely to attract viewers throughout the world. The real plan was to use the powers of the Gang's fifth member, Ace, who could drive people insane just by looking at them in person or on TV. The Joker then transmitted Ace's thought waves across the air to render everyone under a mass psychosis. Batman confronted the Joker alone, and despite almost being driven insane by Ace's powers and receiving vicious beatings from Joker, managed to reveal to Ace that the Joker held on to a special headband used to nullify Ace's powers by Project Cadmus. Ace, in anger, used her power on the Joker and temporarily incapacitated him, rendering him temporarily catatonic.

## Joker's Death

Years later, he planned one final joke on Batman after realizing the "game" was getting old. The Joker and Harley Quinn kidnapped Tim Drake (the current Robin and Dick Grayson's successor) after Tim saved an unknown woman from a criminal, unaware that it is a trap and subjected him to three weeks of torture and brainwashed him into becoming a small version of the Joker called Joker Junior, much to Batman and Batgirl's horror, also finding out all of Batman's secrets (including Batman's true identity) in the process. On top of that, he documented the whole interrogation with an old video projector and possibly slides (since he claimed he had them). Batman came to the abandoned Arkham Asylum and saw what had happened to Tim. In retaliation, Batman engaged in a bloody fight with the Joker (willing to break the Joker in two for his actions), only for the Joker to stab Batman in the knee and gloat over his success (in the edited version, he punches Batman off the edge and the blood was removed).

He gave a Bang-Flag gun to Tim to finish off the Dark Knight, but instead Tim focused his rage on the one who had broken him, and fatally shot the Joker, (in the edited version, he pushed Joker into liquids (possibly water), who slipped and grabbed the lever and pulled it down as he was slipping, electrocuting himself) and says to himself, "That's not funny! That's not…" before he dies. Tim then enters into a mental breakdown, crying whatever sanity he has left of himself as Barbara Gordon (the current Batgirl) comforts him.

The remains of the Joker were buried under Arkham, and Tim was given therapy to cope with his trauma. Commissioner Gordon learned of what happened and promised to keep it a secret, while it seemed Harley had fallen into the bottomless pit and perished during the battle as well. The other people who also knew the incident were the Dark Knight's butler, Alfred Pennyworth, and Bruce's first partner and the former Robin, Dick Grayson who has left for Bludhaven. One year later, Tim was finally recovered from his trauma, but Bruce forbade Tim from being Robin again and swore that he will never endanger another young partner again. Tim soon left after this, choosing to make the right decision for himself. Barbara soon retired from her career as Batgirl and went on to follow her father's footsteps as the new police commissioner of Gotham City following her father's retirement. Despite his death, Joker's legacy as a criminal mastermind and homicidal maniac would live on for years. Whilst the people of Gotham were relieved at the Joker's final and ultimate defeat, they still feared his destructive legacy. Years later several groups of criminals called the Jokerz started appearing around the globe, honoring the Clown Prince of Crime's legacy. One of the gang's members, Ghoul (who coincidentally would be the member of the Jokerz gang that would serve the newly revived Joker.) stated that there are 9,453 active Jokerz that are divided into approximately 200 separate groups. Bruce continued the rest of his crime-fighting career as Batman for years after the incident a few years before his retirement in the prologue of *Batman Beyond* .

Legacy ( *Return of the Joker* )

It seemed not even death itself could restrain the Joker. It turns out that before Joker died, he had implanted the microchip he stole from Cadmus encoded with his DNA, memories, and personality on Tim's neck. The chip soon began to activate itself automatically, allowing the Joker to transform Drake into him, though he wasn't strong enough to permanently transform. According to the Joker, Drake chalked up any lingering memories as bad dreams.

Over the course of forty years, the Joker plotted his return using Drake's body. With Drake's knowledge of communications and his martial skills as Robin, Joker staged a series of corporate thefts utilizing a sub-group of The Jokerz which had formed in his absence, proving how influential he had become. With the technology, Joker created a satellite jammer and hijacked control of a Hyperion class defense satellite orbiting the planet. If any of Tim Drake's family were worried in any way, Joker would simply call on the phone with Tim's voice saying he'll be working late.

Joker then revealed himself to Bruce Wayne at a party during his return to Gotham. The new Batman managed to stop Joker from killing Bruce, but Joker escaped. After learning what happened to Tim, Terry deduced Drake was involved and decided to confront The Joker.

However before he could reach Joker's hideout, Joker tested the new Batman by chasing after him using his satellite to send a powerful laser at the Batmobile whilst incinerating a small part of Gotham. However, the Joker abruptly stopped the beam shortly after, allowing the new Batman to track Joker down to his hideout (an abandoned Candy Factory called the *Jolly Jack* ) and confronted Tim. Tim started to remember how he killed the original Joker and started to act strangely; when Tim accidentally mentioned the new Batman's real name, he transformed into the Joker, revealing he had deduced Batman's identity. After explaining how he survived, Joker and Batman fought.

In the skirmish, the electric joy buzzer that Joker was using gets knocked out of his hand and falls into the wiring of the jamming system, redirecting the satellite's laser straight to Joker's hideout.

Batman stranded Joker within the compound and fought him one on one. In the finale, Batman taunted the Joker, saying he had only returned because he could never make the original Batman laugh. This greatly enraged Joker and he managed to trap Terry under a wooden table and started strangling him.

Joker then ordered Terry to laugh before he dies and when Joker got closer in order to hear Terry better, Terry taunts by saying "Ha ha!" and uses Joker's own toy buzzer to electrocute him on the neck, much to his horror. The surge destroyed the microchip as the Joker let out a final scream, restoring Tim back to normal and destroying the Joker once and for all. After so many years of waging a one-on-one war, Batman had finally won after a long struggle, destroying the Joker forever.

Me: The Joker.

Twilight Sparkle: So he's the Joker.

Me: Yep. He may not look like it but he is Batman's worst archnemesis and is the most dangerous and most fucked up monster ever known to terrorize all of Gotham.

Eli: And he's the personification of pure evil and bad comedy. No offense Luan.

Luan: None taken. Hard to imagine we would be seeing him in the Dream World.

Me: Yep.

We went up to him.

Me: Hello Jack Napier A.K.A. the Joker.

Joker: Well if it isn't Team Loud Phoenix Storm. Nice to see you all here.

Nico: I've got one thing to say, Joker.

Dream Joker: What's that?

Cree Lincoln: We know you're just faking being nice. And we knew it was only a matter of time before we fought you again

Maria: So, if you're really faking it, why don't you drop the act so we can have one last dance?

Dream Joker: Gladly toots!

He went at us and I held my hand out to him.

Me: HAKAI!

I obliterated him from existence forever and super hakaied him forever.

Me: Even the most fucked up villains ever known must never be remembered.

Eli: Especially monsters like the Joker.

Girl Jordan: Yeah!

Ets: I hate the joker.

Jelli: I heard he killed over 2,000 people.

Miia: Whoa! That's a lot.

Me: Yeah. He makes even the worst ever serial killers ever known look like fucking jokes.

Nico: Yep.

Ets: That monster has had it coming for a long time.

Nunnally: He sure has.

Rachnera: Good riddance.

Sunset Shimmer: Is that Lex Luthor over there?

We looked and we saw LEX LUTHOR!

**Lex Luthor** is one of the main antagonists of the *DC Animated Universe* .

He served as one of the main antagonists of *Superman: The Animated Series*, the main antagonist of *Justice League* and one of the two main antagonists of *Justice League Unlimited* (along with Brainiac). He was a billionaire and a brilliant criminal mastermind and one of Superman's greatest enemies.

He was voiced by Clancy Brown, who also portrayed Mr. Krabs in *SpongeBob SquarePants*, Savage Opress in *Star Wars: The Clone Wars*, Byron Hadley in *The Shawshank Redemption*, Viking Lofgren in *Bad Boys*, The Kurgan in *Highlander*, Undertow in *The Little Mermaid II: Return to the Sea*, Long Feng in *Avatar the Last Airbender,* Dr. Neo Cortex and Uka Uka in *Crash Bandicoot*, Hades in *God of War*, Mr Freeze in *The Batman*, Grune in *Thundercats*, Mr. Sinister in *Wolverine and the X-Men*, the Evil Entity in *Scooby-Doo! Mystery Incorporated*, Rahzar in *Teenage Mutant Ninja Turtles*, Surtur in *Thor: Ragnarok*, Edgar Volgud in *Atlantis: Milo's Return*, General McGuffin in *Wander Over Yonder*, and Kojak in *Recess: School's Out* .

## *Superman: The Animated Series*

Lex Luthor is the founder and CEO of LexCorp. He grew to resent Superman when he stole his spotlight as Metropolis' savior and usually invested heavily in some of the Man of Steel's greatest foes, such as Metallo and Livewire. He sought to kill Superman for shutting down his major operations and costing him a lot of money. Although Superman already put away many of Luthor's co-conspirators, he could never convict Luthor himself due to lack of evidence. He was also known for his betrayals on many associates, causing many to leave LexCorp; the only one left was Mercy Graves. Lex also is shown to hate Batman as well, as he is an intellectual rival who teamed up with Superman to fight him when he and Joker teamed up, preventing Superman from being killed by Joker's kryptonite in the process. In Legacy, he was thrilled that the whole world turned against Superman when Darkseid brainwashed him and let him loose to take over and invade Earth. But Superman snapped out of it and earned the world's trust back and dismissed the charges against him.

### *Justice League*

Luthor later fought the Justice League, but was subsequently defeated, exposed as a crook, and sentenced to prison. He also learned that he had a terminal form of radiation poisoning as a result of carrying around a chunk of Kryptonite for years, leaving him with only a few more months to live. He then joined up with Cheetah, Star Sapphire, Shade, Copperhead (who would be in jail and replaced by the Joker), Solomon Grundy, and Ultra-Humanite, forming the Injustice Gang, in an attempt take down the Justice League, but failed. Luthor later "redeemed" himself by aiding the Justice League in defeating the Justice Lords and was given a full pardon.

### *Justice League Unlimited*

After being freed from prison and cleared of all charges, Luthor reestablished his company and later entered politics and ran in the U.S. Presidential Elections. However, still bent on destroying Superman, he created Project Cadmus and succeeded in ruining the Justice League's reputation twice: once by causing Superman and Captain Marvel to fight each other, causing great destruction in the city, and again by taking control of the Watchtower's orbital cannon and causing it to fire on a Cadmus-related building in New Mexico.

Luthor's malevolent plans were later exposed by Batman and the Justice League, only for Brainiac to reveal that he had been dormant inside Lex ever since the episode *Ghost in the Machine* . Luthor later convinced Brainiac to fuse with him because they both could reach their ultimate goals to gain universal knowledge then destroy the universe and recreate it in their image. He then battled the Justice League, proving to be one of the group's most difficult foes. However, the Flash was able to separate the two after tapping into the Speed Force.

Luthor went back to jail with a damaged psyche. After Luthor escaped prison again thanks to The Key, Gorilla Grodd offered him membership in the newly formed Legion of Doom. Joining only to revive and refuse with Brainiac, Luthor eventually overthrew Grodd and took over the Legion (who did not oppose him after they learned Grodd's ultimate plan was to turn humanity into apes). Eventually, Lex's quest to revive Braniac lead the Legion into space, where he found a version of Brainiac that had been destroyed years earlier. However, Tala freed Grodd and he and a faction of the Legion fought Luthor and his supporters (which included the likes of Giganta, Bizarro, Toyman, Sinestro, Cheetah, Star Sapphire, Evil Star, etc.) After killing Grodd and trapping and absorbing Tala's magic to resurrect Brainiac, Lex discovers that he had accidentally resurrected Darkseid instead.

Luthor and the rest of the surviving Legion members barely escaped from Darkseid and made their way to Earth, where Luthor warned the Justice League, and he and his allies reluctantly team-up with them to fight against Darkseid and his army. Before the battle against Darkseid, Luthor points out to the Justice League that he doesn't want to help them save the world, but get revenge on Darkseid for destroying Brainiac and ruining his plans, before he and the Justice League go back to being enemies again as usual. He later left the battle with Metron and discovered the Anti-Life Equation. Returning to Earth with the Equation, he offered to share the knowledge with Darkseid, and they both disappeared in a spark of light. While they are presumed dead by the public, members of the Justice League have theorized they will eventually return yet again. However, both Luthor and Darkseid were absorbed into the Source Wall, as such is the fate that occurs to those who solved the Anti-Life Equation, where they will stay for all eternity.

---

Me: That's him all right. Been a long time.

Nico: I never liked Lex Luthor.

Superman: Who doesn't like him. He has done so much shady activity that it's unbelievable.

Me: Yeah.

We went up to him.

Me: Hello Lex.

Lex Luthor saw us.

Me: Been a long time.

Lex Luthor: J.D. Knudson. It really has been a while.

Me: Yeah and you died of extreme Kryptonite Poisoning before you got to the prison that we sent you to.

Nico: That is weird.

Lex Luthor: You all have changed so much since we last fought.

Me: I remember. I was a Blue Lantern when we fought each other and we took down your business.

Laney: Hard to imagine that you were that big of a threat to the Justice League and to Ms. Waller.

Me: And the funny thing is we took down a comical version of the Legion Of Doom. I take it you are familiar with the Superfriends?

Lex Luthor: Yes I do know that cartoon. But its been so long since I saw it.

Me: Been a long time for everyone actually. Still watch it on the internet. Also we know that you are pretending so you can drop the act.

Dream Lex Luthor: (disgusted) It's about time you all figured it out! Do you know how infuriating it was to act nice all the time?!

Kangor: (laughs) (Jamaican Accent) Too bad you still have a bald head, mon.

Dream Lex Luthor: Insult me all you want. But if you destroy me, you'll never find out where Tantabus is!

Superman: Don't be sure, Lex. Right now, Princess Luna, Natilee, and Dr. Destiny are using their powers to locate where your boss is. Now, what do you say? One last fight to the finish? (to us) You guys stay back. This started between me and Lex and now, it's gonna end there.

Me: Go for it Kal. Show no mercy to this bald headed son of a bitch.

Superman: With pleasure.

Me: In the mean time there's another enemy for me to destroy here too. Eli, Nico you come with me.

Eli: Okay.

Me: Varie you stay with half of the group while we go face Zsasz.

Varie: Right.

Me and my group went to face Zsasz.

Superman brutally punched and kicked him all over the place and then ripped off Lex's left arm and knocked him down.

Dream Lex put a hand over where his left arm used to be.

Dream Lex Luthor: (laughs) That's it, Superman? Just rip off my left arm?!

Superman: I figured I'd let someone else kill you since Joker is truly dead now.

That's when Batman threw multiple Batarangs through Luthor's head.

Batman: Game over Luthor.

They hit him on his head and exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His entire body was blown to pieces in a gory mess.

Ets: Take that!

Lex Luthor's spirit then appeared.

Lori: You literally will never be welcome in our world again.

Varie: Your luck and lawless activity is over.

She held out her hand to him.

Varie: HAKAI!

She obliterated him and destroyed him. He was super hakaied from existence forever.

Aylene C.: Good riddance.

Later at the end of the hall we walked up to a cell that was a special solitary confinement cell and we opened it and in it was VICTOR ZSASZ!

---

**Victor Zsasz** is a recurring antagonist in the *Batman: Arkham* videogame series, appearing as a supporting antagonist in *Batman: Arkham Asylum*, as a minor antagonist in both *Batman: Arkham City* and the 2014 animated film *Batman: Assault on Arkham*, and as a background cameo antagonist in *Batman: Arkham Knight* .

He was voiced by Danny Jacobs, who also voiced Frank Boles in the same series.

Zsasz's Past

Zsasz was once a rich boy, but he lost his parents when he was young. All the money in the world couldn't bring his parents back, nor ease his pain. So to cope with the pain, Zsasz took on gambling, but he started to lose his money. After losing so much money, Zsasz devised an unknown plan to get his money back. He continued gambling Zsasz started to regain his money, to the point where he was able to gamble with others like Oswald Cobblepot, or what he considered, "a Disgusting Midget". Zsasz eventually gambled with the Penguin, and at first it appeared he would win as he had 4 sixes in his hands. However Penguin cheated as he had a three, a four, a five, a six and a seven in his hand. This resulted in Zsasz losing all of his money, and was kicked out of the Iceberg Lounge. Shortly after he lost all his money, and thinking of committing suicide, a nameless thug pointed a knife at him and demanded for his money. Without knowing, Zsasz grabbed the knife and rammed it into the thug's chest, instantly killing him. Zsasz said that plunging the knife into the thug felt good, but when the thug died, the feeling was gone. Before he knew it, Zsasz accidentally cut himself with the same knife, and that felt just as good, so in order to feel the enjoyment, Zsasz decided to kill anyone he encounters and cut himself for every kill.

Eventually, Zsasz encountered Batman. Batman managed to defeat Zsasz and was sent to Arkham. During his time in Arkham, Zsasz saw several doctors so he could be cured from his mental illness. One of the doctors was Dr. Sarah Cassidy. Dr. Cassidy had several interviews with Victor Zsasz, but she eventually grew more and more worried about him as he began threatening that she would be his next victim. Eventually, Zsasz was transferred to be a patient to Dr. Gretchen Whistler. One day, Zsasz managed to escape and went to find Dr. Cassidy. Dr. Whistler tried to warn Dr. Cassidy that Zsasz is on his way. However, before she could warn her, Zsasz arrived on her doorstep. After answering her door, Zsasz kidnapped Dr. Cassidy. He took her to the Old County Hospital. Just as he was about to kill her, Batman managed to arrive in time and rescued her from Zsasz. Zsasz was then arrested and sent back to Arkham.

## Joker's attack on Arkham Asylum

In the videogame Batman: Arkham Asylum, Victor Zsasz is the first real villain that Batman will actually encounter after Joker escapes. He keeps an Arkham Asylum guard hostage in an electric chair, and Batman had to be stealthy and use the gargoyles around the electric chair and knock Zsasz down without being seen. Otherwise, he will kill the guard and the player will get a game over.

Later in the game, Victor Zsasz is ordered by Joker, to get Dr. Penelope Young to give up her research notes. He does this by threatening her with a knife, until the Batman comes to her rescue. What happened to Zsasz after being knocked out by Batman is unknown, but it is implied that if he was not recaptured that he escaped while Batman was fighting Quinn's goons who had arrived, as his body was not seen in the room during it. Later on in the game, after Batman is drugged by Scarecrow's fear toxin, Zsasz appears in Batman's hallucination. He is not seen again after this.

In some of the games' challenge modes, Zsasz is one of various thugs to be fought.

## Before *Batman: Arkham City*

It was also implied that when Arkham City was opened, and all the inmates were transferred, Penguin managed to capture him and place him in a trophy stand. Zsasz managed to escape before Bruce Wayne was arrested and placed into Arkham City. He contacted The Broker in order to find a hideout in Arkham City in order to avoid the Arkham Gang War and continue his "holy mission" without interruptions.

## Taking hostages in Arkham City

Zsasz makes an appearance in *Batman: Arkham City* . He appears in one of the side missions. In Arkham City, Zsasz kidnaps several political prisoners. He then would call a random phone somewhere in Arkham City and wait for someone to pick it up. Then, he would threaten them that if they do not find another phone that is ringing in a certain amount of time, he would kill one, if not all, of the hostages. Batman does this several times, and every time he finds the phone that is ringing, he would track Zsasz's location while, at the same time, Zsasz tells him parts of his story of why he became the serial killer he is today.

After Batman manages to track down Zsasz, he takes him down, rescues the hostages, and locks him up in one of his own cages.

## *Batman: Arkham Knight*

Zsasz makes a *very* brief appearance in the game on Batman's Bat-computer in the Clock Tower.

---

Me: Victor Zsasz. Nice to see your big ugly scarred fucking ass again. How many kills have you added to your skin fur coat since the last time we saw each other? 3? 4? 50?

Zsasz: You'll wish you knew.

Cloud Man: You're outnumbered, Zsasz. There's no way for you to kill us all at once. So, you might as well tell us where the Tantabus is?

Nico: Just in case Natilee and the others can't find it.

Zsasz: (Insane laughter) You'll never find it.

Me: Don't be too sure Zsasz.

I pulled up a chair and starred into his eyes.

Me: I want you to see the kind of monster I am.

We starred at each other and I looked into his eyes and he looked into mine and I saw that his heart was just completely pure evil and he was absolutely the ultimate personfication of malevolence and sadism. He saw my eyes and he saw them become red and demonic and slit and they were burning with blazing pure hatred and overwhelming justice.

Me: (Demonic Voice) **You don't have any idea what kind of power and what kind of monster I am.**

Zsasz then was shaking in pure fear.

Zsasz: What the hell are you?

Me: **I am the Devil. Your worst nightmare and your master.**

Nico: (In his head) Clever. He's making him shit himself by having him think that J.D. is the Devil.

Me: **You have served me well Zsasz. But I am afraid your usefulness is done.**

I held out my hand to him.

Me: **HAKAI!**

He was obliterated and erased from existence forever and he was never gonna return.

Me: (Normal Voice) That was fun.

Nico: That was crafty J.D.

Me: It sure was.

We regrouped.

Me: Well our three biggest major enemies will never bother us again.

Nico: Good riddance.

Spot: You know, I could open up a portal to get us out of here.

Me: You could.

Natilee: Wait! I see the Tantabus. It's almost here.

Maria: Awesome. Dr. Destiny can you get the members for our usual battles?

Dr. Destiny: I sure can.

Dr. Destiny vanished and went to get the members that were gonna face us.

A blob of darkness and purple energy came and it was THE TANTABUS!

Me: That blob of energy is the Tantabus?

Princess Luna: That's right.

Lola: Oh man!

A figure then appears and it was ZIRCONIA!

Zirconia is the twisted leader of the Dead Moon Circus, the major antagonists of Sailor Moon Super S, and second only to Queen Nehelenia.

She was voiced by Rowan Tichenor in the Cloverway dub and Barbara Goodson, who voiced Rita Repulsa on the Mighty Morphin Power Rangers franchise, in the Viz dub.

She was created from Nehelenia's fear of becoming ugly, and came to exist in the real world when Nehelenia was trapped inside her mirror. She has a pet named Zircon, who has the appearance of an eyeball with wings and a flame, and usually resides on top of her staff, but also takes pictures of the Dark Moon's targets. She also took a tiger, a hawk, and a fish, and used her magic to transform them into human forms called Tiger's Eye, Hawk's Eye, and Fish Eye, the Amazon Trio.

At the solar eclipse, Zirconia and the Dark Moon Circus arrives on Earth in an attempt to find Pegasus so Nehelenia could escape her mirror by using her crystal, then rule the world. Zirconia sent the Amazon Trio to extract dream mirrors and look into them to search people's dreams for Pegasus, but they never found him (not even when trying targets that Zirconia herself suggested) and Sailor Moon and Sailor Mini Moon always fought them off.

When Zirconia revealed to them their origins and that they could remain human by taking Pegasus' horn, Fish Eye began to question whether or not what they were doing was right, and if Zirconia really intended for them to remain human. When Zirconia decided she did not need the trio anymore (not telling them this, of course), she sent Hawk's Eye to extract Serena's dream mirror, believing her to be the holder of Pegasus. After Tiger's Eye and Fisheye left, Para Para, one of the Dark Moon Circus's Amazon Quartet, sent a monster named Mr. Magic Pierrot to kill them. The Amazon Trio were all killed in the end, but after gic Pierrot was destroyed, Pegasus revived them in human forms.

From here, Zirconia sent the Amazon Quartet, consisting of Besu Besu, Cele Cele, Jun Jun, and Para Para, to search the dream mirrors, now knowing that the dream mirror Pegasus is inside will be gold. However, their many attempts failed, Queem Nehelenia plunged the world into darkness. When the Sailor Scouts came to stop her and fought off the Amazon Quartet, Nehelenia realized that Chibiusa was the holder of Pegasus, so Zirconia used Zircon to extract her dream mirror. She got it back, but he trapped her inside Nehelenia's mirror. The Amazon Quartet released her to ride Pegasus and take his horn, but Zirconia found out and trapped them in mirrors in another dimension.

After trying to trick the Sailor Scouts with their reflections, Zirconia fought them, and soon teleported the Amazon Quartet there and began to drain their power. However, they crushed their orbs, releasing them from Nehelenia's power and preventing her from absorbing more power. Zirconia retreated, where Nehelenia finally got Pegasus'ds horn and escaped from the mirror, and by doing so, Zirconia was destroyed, unable to exist in the real world while Nehelenia was outside of her mirror.

Manga

After the Dead Moon Circus was freed during a solar eclipse, Zirconia took charge in Queen Nehellenia's stead. She was an extension of Nehellenia and commanded the Amazoness Quartet. When the Amazoness Quartet were beginning to regan their memories as Sailor Senshi, Zirconia trapped them in their Amazon Stones and trapped Sailor Chibi Moon and Sailor Saturn in mirror shards and put them in Nehelenia's mirror. She attacked and mortally injured Tuxedo Mask and Super Sailor Moon, but they were saved by Helios. Zirconia tried trapping the Senshi in a nightmare, but Tuxedo Mask was able to awaken them, and they used their combined powers to injure Zirconia. Zirconia fled into Nehelenia's mirror and Sailor Moon followed, facing Nehelenia and rescuing Chibi Moon and Saturn. After Queen Nehelenia was hurt, Zirconia had the Dead Moon Circus retreat into Elysion.

* * *

Natilee: Zirconia!

JunJun: Not him!

Natilee: You should know by now that Nehelenia is dead just like you were when I killed her.

Zirconia: And I will get my revenge on you!

Me: (Whispers to Yoda) Master Yoda he sounds like you.

Yoda: Sounds like me he does. But not exactly.

Me: Yeah.

Zirconia: We should've killed you all when we had the chance! Why wouldn't you fools have just decided to stay in this realm?!

Nico: Because there's no way J.D. and the others would leave the real world defenseless. Even if the rest of us are still active to protect it.

Zirconia: Lucky for you, I still believe in some fates worse than death. Like me and the Tantabus trapping you all here for eternity.

May: How are you going to do that?

Zirconia: The Tantabus just has to turn this dream into the worst nightmare you all can think of.

Maria: We'll never give up trying to stop you!

Zirconia: [laughing] Well if it weren't for your futile efforts, this wouldn't be half so sweet.

Natilee: You're wrong Zirconia!

Natilee walked up to him

Natilee Princess Luna made the Tantabus to punish myself for all the crimes she did as Nightmare Moon. Now she sees that it was a mistake to make him. All those crimes were forgiven by everyone in Equestria! She let her own hatred cloud her judgement because of her jealousy being festered into hatred and anger towards her own sister! Shadowfright made her into Nightmare Moon because of it! Now she won't let the Tantabus turn anymore parts of the dream world into our worst nightmares!

Princess Luna: That's right! As guardians of the dream world, your time has come!

Natilee: Just like when I killed Nehelenia!

VesuVesu: And we were never part of the Dark Moon Circus!

JunJun: That's right Zirc the Jerk!

Me: Nice name for him.

?: I'll be sure to right that on your tombstone you fucking cur!

A figure came out of the Tantabus and it was AN EVIL SASUKE! And it was the most evil Sasuke of them all!

Nico: Uh oh.

Me: Well well well so the Tantabus resorted to summoning the fucklipped Uchiha dirtfucker Sasu-gay.

Evil Sasuke: (ENRAGED) YOU FUCKING CUR! I'VE HAD IT WITH YOU!

Me: Just like I've had it with all of your fucking godforsaken clan.

Evil Sasuke did not like that insult to him.

Zirconia: This is the only reality any of you will ever know!

Princess Luna: As J.D. and the others would probably say: Dream On!

Natilee: Even though I have the power to make dreams become a reality, and my dad would want it this way, there will never be such a thing as true peace as love as evil and chaos reign. Now you will pay for your crimes Zirconia just like Nehelenia did when I killed her.

Natilee walked up to him.

Natilee: He's mine Princess Luna.

Larxene, Electro, Demyx, Shade, Moonstone, Brain Freezer, Blizzard, Xiao Fung the Demon Sorcerer of Wind then appeared.

Me: Larxene, Electro, Demyx, Shade, Moonstone, Brain Freezer, Blizzard and Xiao Fung.

Shade: Glad you guys are all right.

Maria: Did you guys take a look around at this peaceful world?

Larxene: We sure did.

May: How did you like it?

Electro: (sadly smiles) Well, we can understand why some of you might not want to leave here.

Demyx: Maybe this world will be peaceful again once the Tantabus is defeated.

Shade: (to me and the Loud Kids) If you guys decide to stay here, then this could be the last time we'll have the usual battles.

Me: Don't worry we are not gonna stay here. We have too many responsibilities back home.

Nico: Yeah! The world always will forever need Team Loud Phoenix Storm.

Eli: We still have our missions to do on Earth.

Me: As much as we want to stay here we can't. We have our missions and responsibilities first.

Jelli: That's right!

Miia: Yeah!

?: (Texas Accent) Well howdy. That is good you are not gonna stay here.

A figure came out and it was SILVER HORNS from episode 28 of Mighty Morphin!

After the Power Rangers retrieve the Sword of Light, Serpentera travels too slowly to Earth for Lord Zedd's liking. As such, Zedd creates Silver Horns out of thin air to attack the Earth. Silver Horns was a very laidback and flamboyant monster with a thick Texan accent and stereotypical southern American vocabulary. Powers wise, Silver Horns attacks with beams from his horns and eyes, as well as fire. Silver Horns attacks the Park and encounters the new team of Power Rangers (with Rocky DeSantos, Adam Park, and Aisha Campbell having joined the team whilst the others attend a Peace Conference in Switzerland). The Power Rangers were ready to destroy him but he blasted them down with a laser blast as a team and then individually before creating Putties to finish them off. After they are defeated, Zedd enlarges Silver Horns who Rocky has to battle alone in the Red Dragon Thunderzord since the others have to prepare for the eventuality of Serpentera's arrival. Although the very first blow against Silver Horns (a jump kick immediately after it's transformation, they grapple before the Red Dragon throws him off and he delivers a beatdown with his claws. and backhands the Red Dragon away for several miles. The Red Dragon tries to use its staff but Silver Horns shrugs off multiple slashes and returns the favor. Fortunately, the Red Dragon's spinning staff kick finally stuns Silver and allows the the Red Dragon to perform its finisher. Unfortunately, even this fails to scratch the monster which forces Tommy to aid Rocky with the White Tigerzord in Warrior Mode. Enraged, Silver Horns smashes a mountain to bombard them with rocks but they barely make the Zords stumble so he blasts them with lightning and then fire. Unfortunately for him, the Zords are mostly unfazed so Tommy summons Tor and calls upon the other Power Rangers as well to bring the monster down. The other Rangers summon the four remaining Thunderzords and form the Thunder Ultrazord whilst Silver Horns can only yell in horror in reaction. The Red Dragon flies it into the air with it's staff and then stops spinning it which point the Thunder Ultrazord plummets out of the sky, crushing Silver Horns to death as it lands right on top of him.

Kimberly: Silver Horns!

Silver Horns: Long time no see in these here parts.

Me: I remember you! You were sent to attack a park and hold the rangers off till Zedd and Serpentera got to Earth.

Silver Horns: That's right pardner. Your memory is sharper than that of the broad side of an armadillo.

Me: Never missed an episode.

Applejack: Always nice to meet a fellow Texan.

Silver Horns: (laughs) If you think I'm awesome, wait until you meet Dreadhead!

Applejack: YEEHAW! Can't wait for that.

Me: You would make a great rodeo champion if you had a human form.

Silver Horns: Indeed I would.

Then a roar was heard and out came THE GOLD MONSTER! He looked like a man made of 24K Gold!

Shaggy: ZOINKS! It's the Gold Monster!

Qin: Whoa man!

Twilight Sparkle: What was he known for?

Qin: He was really Fort Knox Drill Sergeant, Payne. He wanted to go into business and steal the ingredients from the Fort Knox beverage company Goldade so he can become the king of drinks.

Me: I like that stuff Goldade.

Shaggy: Like me too. It's great stuff.

Nico: Sounds good.

Qin: Payne got life in prison for deserting.

Nico: Yep.

Sunset Shimmer: How come life?

Me: Fort Knox is the toughest bank in the world and it's guarded by the United States Military. It's also home to the United States Gold Reserves.

Nico: Yep.

Me: Time to show what the power of the Dream World can do.

I concentrated.

Me: I am the Spirit of The Wolf.

I turned into The Wolf ZyuohRanger! I was a Ocean Blue Ranger with a wolf on my chest!

Me: MONARCH OF THE MOONLIT FOREST! ZYUOH WOLF!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive blue fire explosion went off behind me and a wolf howl was heard!

Nico: WHOA! You look awesome as a Wolf Zyuohranger J.D.

Me: Thanks Nico.

The Tantabus sent numerous Moeba Foot Soldiers at me,

Me: UNLEASH THE BEAST!

A wolf howl was heard and I split into many clones like a wolf pack and we went at the Moebas and blasted and slashed and blew them apart and they exploded into massive fiery explosions!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMMMM!

Nico: YEAH!

Laney: That was so awesome!

Nico: YEAH! Way to go J.D.! Not bad for your first time as a ZyuohRanger.

Me: Watched it all on TV.

I reverted back and I had a Cube Zyuoh Morpher that was for the Wolf.

Me: Sweet!

I put it on my belt for future use.

Me: Lets go!

The Battles were on.

---

Battle 1: Volcana, Sunset Shimmer, Gusty the Great, Fire Skylanders, Linka, Edd, Zuko and Azula VS Larxene

---

Larxene was first.

Larxene: (to Volcana) I really do hope J.D. and the others don't think about all the stress from all the previous missions and make the right decision in the end.

Volcana: Don't worry. I know J.D. This place does bring back memories from our previous missions but we have to learn from them.

Sunset Shimmer: That's right. We have to learn from the past and make sure it won't happen again.

Gusty: That's right.

Sunburn: No one likes what happened to happen again.

Eruptor: Yeah.

Linka: It's crazy:

Edd: Indeed.

Larxene: That's good that you learn from the past. Lets do it.

Electro: (to Lincoln) Lincoln, I know staying in this world is tempting. Especially with all the pressure from all the previous missions. But is it really worth leaving the real world at the hands of bad guys like Grandfather and the Hellfire Club?

Linoln: No it's not. Like J.D. said there will never be such a thing as true peace as long as evil and hatred exist and we were given so many responsibilities back home.

Princess Celesta: That's right and I am a princess and that comes with responsibillities too.

Spotlight: Just like we were given responsibilities too when we were made the protectors of Skylands.

J.P.: And like when we were given the responsibility to protect the Digital World from Lucemon when Ophanimon called us.

Linka: Yeah that's right!

Paula: That was a big adventure.

Electro: It sure was. Lets do it!

Electro fired a wave of lightning and they dodged it.

Lincoln: Watch this one!

Lincoln concentrated and turned into an orange Mystic Force Ranger and his helmet had an Angel Window on it and he had angel wings in place of his cape! He was the ORANGE MYSTIC FORCE RANGER OF THE ANGEL AND THE LIGHT!

Lincoln: COLORS OF THE LIGHT, ORANGE MYSTIC RANGER!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive orange fire explosion went off behind him and he was ready for action!

Electro: WHOA! Lincoln you look awesome as a Mystic Force Ranger.

Lincoln: Thanks.

Lincoln unsheathed his sword and it was the mighty sword Excalibur and then he fired waves of light from his sword and the group fired waves of light and smashed him down!

Lincoln: CHECKMATE!

Princess Celestia: That was awesome!

Linka: Way to go Bro!

Lincoln had his own MagiMorpher and the mighty Sword Excalibur as his MagiStaff.

Omi: (Tibetan Accent) And McWolf picked a good place for them to rescue her from.

Clay: Yeah Cloud 9.

Kimiko: Very coinicidental since we are here in the dream world.

Rai: It sure is.

Knight Mare: It's amazing.

Amorpho: She is just like me and I'm a shapeshifter myself.

Danny Phantom: That is cool.

Sam Manson: As long as she isn't like The Thing.

Tucker: Yeah.

Shade: She sure looks awesome and I agree. Lets do it!

Shade fired waves of darkness and they dodged the blasts and smashed him all over with blasts of darkness and energy and smashed him down.

Black Widow: All right!

Princess Luna: A victory of the night.

---

Kopaka: And Victor Zsasz. J.D. faced him long ago and he had all these horrible tally mark scars on him.

Moonstone: What did each scar mean?

Fluttershy: It was the number of people he killed.

Mage Meadowbrook: Every time he killed someone he would cut himself with an additional scar.

Stealth Elf: He was completely nuts!

Camo: (Spanish Accent) No kidding amigos.

Moonstone: J.D. must have REALLY hated him.

Princess Luna: He sure did. And he stared at him and pretended to be the devil himself and scare him bad.

Bloom: Yeah thank goodness we Super Hakaied them.

Brain Freezer: Yeah. Does Natilee have a really bad history with that Zirconia guy?

Rainbow Dash: You better believe she does. She hates him just as much as Nehelenia.

Scootaloo: He was Queen Nehelenia's right hand man and he is just as bad an enemy to the dream world as Nehelenia was.

Magma Gloom: Yeah that was nuts.

Flash Magnus: Now Natilee will tear him apart and rid the world of the Dark Moon Circus forever.

Whirlwind: Yeah that circus was a menace.

Jet Vac: Indeed it was.

Freeze Man: You said it.

Ice Man: That was no circus of dreams. It was a circus of nightmares and evil.

Blizzard Man: Yeah what a bunch of freaks.

Tundra Man: Indeed.

Brain Freezer: No kidding. Lets do it!

Blizzard was next.

Blizzard: (to Troy) I can see why staying in this world is tempting. After all, peace in the world is what every Power Ranger dreams of.

Troy Burrows: You got that right. But as Tempting as it is we can't. There will never be such a thing as true peace as long as evil and hatred exist.

Twilight Sparkle: Yeah. But this world is amazing.

Star Swirl: It sure is. Even though I like it we still have to do our jobs back home.

Spyro: Yeah.

Pop Fizz: With great power comes great responsibility.

Lana: That's right and we can't leave our friends and those we love.

Skippy: That's right.

Ulrich: It sure did and let me tell you that was a crazy adventure.

Starlight Glimmer: What was X.A.N.A. like?

Ulrich: You would not like him Starlight.

He went over his history.

---

**XANA** is the main antagonist of *Code Lyoko* . It is a sentient and dangerous computer virus that infects the Supercomputer that holds Lyoko. It seeks world domination and to eliminate the obstacles that stand in its way, the Lyoko Warriors.

When possessing Jeremy in the episode "Canal fantôme" ("Ghost Channel" in English) it was voiced by Raphaëlle Lubansu and by David Gasman in the English dub.

Origin

XANA was created to counteract and destroy a French military project named Carthage, of which its creator, Franz Hopper, was a contributor. Along with XANA, Franz created a virtual world called Lyoko to give XANA access to the real world through its supercomputer. Hopper also created a Time Reversion program as a byproduct, allowing him to perfect his work and increase the supercomputer's power along with XANA's upon use.

Hopper realized that he could use the time reversion function to essentially give himself infinite time to work on XANA, so he repeated the day June 6, 1994 for the equivalent of over 7 years to keep working. Repeating the same day for over 7 years took a toll on Franz's mental health, and unbeknownst to him, XANA's own intelligence grew exponentially every time Hopper used the time reversion causing it to slowly become self-aware.

Hopper was in the final stages of Lyoko's creation when XANA betrayed him and alerted the men in black to his location. To avoid being arrested, Hopper virtualized himself and his daughter, Aelita onto Lyoko. XANA then attacked them and refused any notion of peace with Franz. Hopper shut down the supercomputer from Lyoko when XANA turned him down, trapping all three in the Supercomputer.

## First Encounters

The factory, XANA and Aelita were rediscovered by Jeremy Belpois nine years after being shut down. XANA launched an attack by activating its first Tower, which went undiscovered until after its plans were thwarted for the first time by Jeremy and his friends. The newly dubbed Lyoko Warriors made a pact to free Aelita from XANA's clutches so the latter could be terminated.

XANA launches random attacks against the city, Kadic Academy, and against its mortal enemies. It hacks technology, manipulates objects and forces, projects electromagnetic phenomena through networks, sets elaborate traps, and causes disasters.

When they finally managed to materialize Aelita, XANA took her memories of Earth. To survive, it uses them as a tether to keep the group from shutting down the Supercomputer, because doing so would kill Aelita too.

## Evolving Enemy

XANA displays signs of evolution, becoming smarter, more powerful, and more dangerous. It now seeks to steal Aelita's memory to gain the Keys to Lyoko using its newest monster, the Scyphozoa. XANA's growing power allows it to create new monsters on Lyoko, possess humans to do its bidding, and can generate polymorphic ghosts that appear as human. Its attacks are no longer random destruction, and are for achieving the aforementioned goal of stealing Aelita's memory.

The group also discovers Carthage, a fifth sector in the world of Lyoko. It is where XANA lives, and where the group can access all of Lyoko's and XANA's own data and information.

For the Scyphozoa to get to Aelita's memory, XANA launches attacks centered around getting her to Lyoko. This mainly includes having possessed humans take and virtualize her by force and isolating her from the others, but also methods like brainwashing her, taking advantage of her loyalty to her friends, blackmail, or using her stolen memories to compel her curiosity.

A few of Aelita's memories of her former life start to slip through and the Lyoko Warriors get closer to finding out the origins of Aelita, Franz Hopper and XANA. It used Franz's identity to trick them into thinking that he (who was really a polymorphic spectre) had emerged from the recesses of Lyoko, and tries to eliminate them along with taking Aelita's memory, but fails thanks to Jeremy.

The real Franz Hopper makes contact with the group by using a Tower to possess Sissi. XANA retaliates by sending Megatanks to attack his Tower to shut it down, and possessing a doctor to eliminate Sissi in the real world. It succeeds with the former, but the group deactivates XANA's Tower before the latter happens. Later, when the group decode Franz Hopper's diary and XANA tries to take over to gain access to all the Lyoko Warriors' data and programs, Hopper saves their operation at the last moment.

Its last tactic was to trick Jeremy into sending his friends after Aelita's missing memories using a fake signal hidden deep in the bowels of the fifth sector's core zone. This trap worked as Aelita was left alone so the Scyphozoa could take the Keys to Lyoko from her. After succeeding, XANA left Aelita lifeless on the floor, then activated Towers in all four surface sectors for its entire being as a giant, swirling spectre to escape from the Supercomputer and rendering the virtual world dead. Although XANA had escaped, Franz has revived Aelita with her real memories and used all his power to bring Lyoko back to life, deactivating all of XANA's Towers.

## Destroying Lyoko

XANA had escaped the Supercomputer into the world network. It didn't launch a single attack since then, thinking the Lyoko Warriors cannot interfere with its plans anymore, until Jeremie and Aelita upgrade the Superscan to track XANA on the network. It is alerted to this and changes tactics, responding by launching attacks focused on destroying all of Lyoko as well as the group.

It mostly sends monsters to assault the Core of Lyoko in Carthage, which would cause the entire virtual world to disappear. The core has two layers of shields, which take time for their Lasers to break through. XANA tries many attempts to hold them back while its monsters do their work, with Earth attacks or distractions, but the Lyoko Warriors always succeed in stopping them. XANA also uses possessed humans to target the Supercomputer to destroy Lyoko in the real world.

To lower their chances of stopping its attacks, XANA also destroys Lyoko's surface sectors one by one. It does this by using the Scyphozoa to brainwash Aelita, making her go into Way Towers to plant its virus code into the interfaces, allowing it to erase sectors off the Lyoko map and cutting off their access to the Core of Lyoko. XANA successfully wipes out the sectors in the order of Forest, Desert, Ice, and Mountain in this season.

Jeremy discovered the way to virtualize the team directly into Carthage, right when XANA destroys the last surface sector. At the same time, the group decided to recruit William Dunbar to help fight XANA and balance the team. While every member of the group was held up by real world matters, XANA wastes no time in attacking the Core of Lyoko. Aelita has to send herself and a rookie William to defend the Core of Lyoko. However, William, enraptured by Lyoko and his superior abilities, gets too cocky and allowed himself to be separated from Aelita. XANA takes the opportunity to capture him with the Scyphozoa, possessing his mind. William then proceeded to the Core to join the army of monsters who were preparing to attack it.

As William and the monster army easily rip through the Core's shields, the other Lyoko Warriors finally catch up with him, but none of them could defeat William. With the Core now exposed and no one left to stop him, William personally destroys the core along with Carthage and was deleted shortly after. However, XANA has salvaged his avatar code and turned William into its loyal slave.

## World Domination Scheme

With data sent by Franz Hopper, the Lyoko Warriors managed to reconstruct Lyoko. XANA used this as an opportunity to send William to Earth as an agent to kidnap Aelita. William is now in the clutches of XANA, as a dark Lyoko Warrior in its eternal service. Determined to save William, as well as uncover XANA's plans for the network, Jeremy and Aelita build a digital submarine named Skidbladnir to go after XANA on the network and retrieve William and Franz Hopper.

While XANA still continues attacking the Lyoko Warriors and targeting the Supercomputer, it is determined to eliminate Franz Hopper, its creator. XANA concludes that he is the main obstacle to its power and realizes the reason the Lyoko Warriors keep coming back from defeat is because he is always there to bail them out. To take out Franz Hopper, XANA tries to throw Aelita into the Digital Sea in order to lure him out because it knows he would come out of hiding to save his daughter, which they figured out the first time he appeared for this.

Having a Lyoko Warrior at its disposal allows XANA to use more effective means of fighting its enemies. It has turned William into a fighter that is more than a match for any warrior, lets him command its monsters like a general, and gave him a copy of the Keys to Lyoko, which allows him to influence or deactivate protected Towers activated by its enemies. XANA also gives him the Black Manta, a special Manta monster that he can summon and ride on like a vehicle, and a Nav Skid based on Skidbladnir data stolen by the Scyphozoa to fight in the Digital Sea. XANA can also materialize him using the Scanners without activating a Tower as a pixelized human to carry out missions on Earth, like kidnapping Aelita or sabotaging the Supercomputer.

Using their new ship to travel in the Digital Sea, the Lyoko Warriors find Replikas created by XANA, smaller copies of Lyoko, in the world network. They realize XANA uses them to infect other supercomputers, spreading its power over the world. They decide to track down and destroy them all, and isolate XANA's program in the network. In response, XANA launches attacks to destroy the Skidbladnir to keep them from destroying more Replikas.

XANA's supercomputers let it take over territories in the real world, like secret facilities and laboratories to use for its own evil purposes. The group found the Forest Replika connected to a laboratory in the Amazon Rainforest that makes cybernetic spiders, the Desert Replika for an automated New Mexico production factory for electronic implants, the Carthage Replika in a space station that produces dangerous floating, metallic spheres, and the Ice Replika in a research facility in Siberia with brains in tanks.

When inside the Ice Replika, XANA creates a new, gigantic monster called the "Kolossus" which forces them to retreat the first time, but not before it uses a Tower to teleport William into the arctic base. By doing this, XANA made the mistake of revealing the programs it uses to control William in the Tower's interface, which Aelita downloads to the Supercomputer. Their next encounter to the Ice Replika revealed XANA's plan of building weapons of mass destruction, powerful armies of robots to conquer humanity and the world. It sends William and the Kolossus against the Lyoko Warriors. Using a program made from William's data from the Tower, the group finally frees him from XANA's clutches, but the Kolossus destroys the Skidbladnir in the battle, taking out their way of traveling in the Digital Sea.

Due to XANA destroying their submarine, Jeremy devised an "Anti-XANA Program" based on Franz Hopper's original design of XANA, which he used a prototype version of to slow down the Kolossus long enough to save William. With the sub destroyed, their only remaining option was to enhance the program so that it would be powerful enough to destroy every trace of XANA in the world.

## Destruction

After William was freed from XANA's control, Franz Hopper sent Jeremy some additional data to improve the Anti-XANA Program, prompting Jeremy to bring his friends to Lyoko and protect Franz while the two finish the program. However, William was still anxious to go to Lyoko, so he joined them at the Factory, but they have him stay in the lab and only come as backup when they will need him. This would prove to be a bad compromise, as XANA possessed William, knowing its destruction was drawing near.

The possessed William would attack in the Factory, knocking out Jeremie to slow his progress on the program. Meanwhile, the Kolossus threatens Franz Hopper as it dredged closer on Lyoko. Even though the Kolossus was taken down, the program didn't have enough power to be launched by Jeremie, so only Aelita could do it from the fifth sector's interface. Upon arriving, she noticed her father who was sending the needed data from his own virtual energy to power up the program, was under fire and hesitated to launch the program. XANA's monsters finally destroyed Franz Hopper, which forced Aelita's hand.

The program was run, causing a powerful force to emerge from the Core of Lyoko that destroyed XANA's monsters and all of its Replikas on the network. Meanwhile in the real world, the spectre possessing William that was XANA's manifestation was ejected from William and writhed in agony before disappearing completely as its Tower deactivates, assuring that the malevolent program had finally been destroyed.

## Legacy of Damage

Even though XANA was completely destroyed, the Lyoko Warriors were far from celebratory with its demise. Aelita and Jeremy were emotionally stirred by Franz Hopper's death, the other Warriors, except William and Yumi, felt that they shouldn't shut down the Supercomputer due to its impact on their lives.

After deciding to move on with ther lives after Sissi discovers Jeremie's diary on the entire venture, the Lyoko Warriors shut down the Supercomputer and silently move on with their lives, leaving XANA as a bad memory.

Returns

However, despite apparently being destroyed, XANA managed to survive in two separate continuities, indicating that the program managed to escape total destruction from Jeremie's multi-agent program.

In the first continuity, the live action series *Code Lyoko Evolution*, XANA managed to infiltrate a virtual world known as the Cortex. As the Cortex was not registered as one of the program's Replikas, in addition to having a powerful firewall capable of destroying programs meant to cause direct harm to its functions, the multi-agent program was unable to destroy the remaining traces of XANA. However, the process had left XANA severely weakened and trapped in the Cortex. Unlike Lyoko, the Cortex had much more protective coding, making it near impossible for XANA to fully take control of it. However, XANA had a backup plan, just before its initial defeat, it had split a copy of its Source Code into four and integrated it into the Lyoko Warriors sans William and Jeremie without their knowledge, and rendered said codes dormant so as to avoid detection. After six months, XANA activated the codes and lured the Lyoko Warriors into reactivating the supercomputer, giving it the means to sustain attacks via its polymorphic specters, altered so that physical contact with the heroes would drain the Source Codes from them, increasing XANA's strength so that it could break out of the Cortex. Unfortunately for XANA, the program was unable to launch large-scale attacks due to needing the Warriors alive, and the interference from Professor Tyron, the man who created the Cortex, limited XANA's activity. The Lyoko Warriors eventually uploaded a virus into the Cortex, which threatened to delete XANA once and for all. Tyron had his supercomputer shut down so as to program in an anti-virus to stop this. At this time, XANA had retrieved 95% of its Source Codes, and, like the Cortex, was rendered dormant, meaning that once Tyron succeeded in programming it the anti-virus, XANA would be free once again. Due to the 2013 judicial recovery procedure against Moonscoop SA in France, which resulted in Moonscoop entering bankruptcy proceedings, resulting in the series not being renewed however, XANA remained down, but not out.

In the second continuity, a novel series known as *Code Lyoko Chronicles*, XANA was defeated at an earlier point in time. XANA's attempt at obtaining the Keys to Lyoko ended in failure, as Franz Hopper managed to reveal himself earlier, and gave the Lyoko Warriors the means to power up a different version of the anti-XANA program, which merely ejected and separated XANA from Lyoko. The process weakened XANA immensely, leaving it to drift in the world network without the means to empower itself. Desperate and without memories, XANA eventually created a file housing its programming, looking for a vessel that would be best suited for infiltrating Kadic and destroying its enemies once and for all. Choosing a girl known as Eva Skinner, XANA began to settle into its new circumstances, and learned of the Lyoko Warriors researching the history of the Supercomputer. Seeing a chance to gain its strength back, XANA befriended the group but planned on destroying them from the inside out. Seducing Odd, XANA managed to brainwash the boy, laying the groundwork for its return. XANA however, would later learn from Hopper's archives, a shocking truth, that it had been made with altruistic purposes in mind, and had been corrupted by leftover coding from a dark zone program that had been inserted Project Carthage, whose templates Lyoko had been created from. XANA would thus ally itself permanently with humanity, helping the Lyoko Warriors to defeat a terrorist group that was hoping to use Lyoko as a substitute for Carthage. While XANA seemingly sacrificed itself to upload a self-destruction program that would delete Lyoko for good, his programming was salvaged by the Lyoko Warriors, who managed to recreate XANA and bring him into the real world as a human.

It should be noted that neither of the above continuities are completely canon, as Evolution was disowned by the original show-runners, who confirmed that only a few of their ideas made it into Evolution and that the events within were not canon. Similarly, while the novels were written with the original documents in hand, not all of their events are noted to be canon either. Whichever is the case, it can be safely confirmed that while XANA suffered a crippling blow at the end of *Code Lyoko*, the program found a way to survive regardless.

Battle 12: J.D. Knudson VS Evil Sasuke

---

Evil Sasuke was next.

Me: Your clan paid the ultimate price for their crimes just like you soon will.

Evil Sasuke: (ENRAGED) I'LL KILL YOU 100 TIMES OVER FOR SAYING THAT!

Me: FUCK YOU!

Evil Sasuke went at me and I blocked his punch and kicked him in the face and smashed him down.

Me: Now you will face my true and ultimate power.

Evil Sasuke: What do you mean!?

I then was enveloped in a massive vortex of rainbow fire and a rainbow aura and then I went Super Angel-Ebonwu-Phoenix-Harmony 10,000,000,000 and I was at full power!

Me: (Divine Echoing Fiery Voice) **This is my ultimate power.**

Evil Sasuke saw how powerful I was and he then was infuriated even more!

Evil Sasuke: I HATE YOU! YOU SHOULD BE A HELPLESS WEAKLING BEFORE ME! We are the Uchiha! We are the Strongest!

Me: **You will never be the strongest as long as I'm around.**

Evil Sasuke: WHY ARE YOU SO STRONG!? YOU ARE NOTHING COMPARED TO THE UCHIHA! WE ARE THE STRONGEST!

Me: **Because the Uchiha are nothing but a bunch of traitors, murderers, thieves and delusional monsters that care about no one other than themselves. Your clans crimes against the world are completely unforgivable. You all think you are so entitled to everything and want to have everything handed to you all on a silver plater. That's all you ever care about is nothing but power. But there were exceptions in the Uchiha. Itachi, Naori, Izumi, Shisui, Mikoto, they were those that are exceptions. But the rest of the Uchiha are pure evil incarnate. You and your clan are nothing more than a bunch of sad and fucked up megalomaniacal fuckpots that have absolutely no respect for the value of human life at all and will do anything to get what they want. Even kill the people of their own village and those that are precious to them. You all fucking disgust me!**

Evil Sasuke was enraged.

Me: **You're now about to see just how merciless the power of a god can be to anyone. Including you. I'm far more powerful than you ever will be in a sextillion number of lifetimes and I am now going to make sure that you never get your hands on anymore power.**

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR!

Me: **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father were leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking**

**psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

RAGE - NARUTO SHIPPUDEN MOVIE 2 OST - RAGE PLAYS AT 2:18

Evil Sasuke Roared in an incredible amount of rage and fury and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

***KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Evil Sasuke: YOU CUR! WHY CAN'T I KILL YOU!?

Me: **Because my power didn't come to me by stealing it. I earned it. Power is earned and never given. You will always be weak and a worthless pathetic piece of dirt. Just like your fucking clan when they died. The Uchiha paid the ultimate price for their crimes just like you will. They had their chance just like you did. We wanted to be your friends Sasuke but you just threw us aside. That shows that you will never understand that true power comes from good things like Friendship, Love, Hope and Wisdom.**

Evil Sasuke: Those are all meaningless things!

Me: **Bullshit! They are things that can help you and you don't want any of that. You would rather make enemies and use fear to get what you want. Now you will join the rest of your clan in Hell.**

I fired a massive energy blast and it hit the Evil Sasuke!

Evil Sasuke: DAMN YOU J.D. KNUDSON! YOU MOTHERFUCKING CUR!

He was completely obliterated in an instant after he said that and I powered down.

Me: What a pathetic waste of life. But at least this one put up much of a challenge.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Nflemingful, Etstheclarencefan, Drako1234658 and ninjakingofhearts all gave me the ideas for this. Thanks guys. The next girl is Dina the Undine and we're going to find her in the Sunken Ruins of A Hero's Tail. The next chapter that's next is a tribute to the late Kirk Douglas as we go into the world of War Wagon and go take all the gold in that heavily fortified fortress on a stage coach.

See you all tomorrow.

# Old West Heist

HAPPY BIRTHDAY TO BUBBLEGUMSURPR4!

IN MEMORY OF KIRK DOUGLAS AND JOHN WAYNE

---

Me and Leia Nocturne were over at the Sunken Ruins in Spyro's world and it was an underground ruined city that was sunk there eons ago.

Me: Wow! Look at this place.

Leia: Yeah this place is incredible.

Me: Wow. It's like the lost city of Atlantis except on Spyro's world.

Leia: Yeah.

We walked around and it was amazing and the ruins were all loaded with history.

We then saw a huge door and it was the entrance into McWolf's castle.

Me: This must be it.

Leia Necturne: I hope there's water around here.

Leia concentrates and groans as she begins to feel bloated.

She then burped and turned into Kyogre.

Me: Whoa! I hope you don't bring the place down Leia.

Leia Kyogre: I won't.

Me: Good.

We smashed the door down and McWolf saw us and screamed and he had his face fall to the ground and then he screamed in fear and then we jumped him and tickled him.

Me: Coochy coochy coo.

He was laughing hysterically.

McWolf: (Laughing Hysterically) HAHAHAHAHAHAHAHAHA!

We went to a room and found the girl and she was an Undine from Alchemical Myth.

Me: Wow she's an Undine, the Water Elementals of Alchemical Myth.

I went over and freed her.

Dina: Oh thanks. Wow! J.D. Knudson of Team Loud Phoenix Storm. It's an honor to meet you.

Me: Same here and this is Leia Nocturne. She's also a Kyogre.

Leia: Pleasure to meet you. Long story on that.

Dina: I owe you guys big time for helping me.

Leia: I'm gonna revert back.

Me: Okay.

I put on my blind man glasses and Leia reverted back.

Leia was human again. But she was also naked.

Leia: (stands up and covers herself) I always have trouble standing up whenever I revert back.

Dina: That is understandable.

I handed Leia some new clothes.

Dina: But you look really amazing as a Kyogre, Leia.

Leia: Thanks Dina.

Dina: You're welcome. But these ruins that McWolf brought me down to are amazing.

Me: You should see the lost city of Atlantis. That is amazing. But yeah these ruins are incredible.

Dina: I can tell.

Me: We already rescued Miia and some of her friends.

Dina: Awesome! Who else besides Miia?

Leia Nocturne: We rescued Rachnera, Cerea, Nan Que, Froze, Mero, Papi and Jelli.

Dina: Oh wow! McWolf must be going after them to add to your harem.

Me: You hit the nail right on the head.

Dina: Wow! I'm honored to join your harem.

Me: Awesome! Lets head home.

We went back to the World Tree Estate.

---

We arrived and Leia went to sit on the sofa and everyone was setting up everything for a birthday. Today was June 11th, and it was Rachel's birthday today.

Me: Looks like I got back just in time for the festivities.

Dina: Wow! It's someone's birthday no doubt.

Me: Yep. Today is Rachel San Diego's birthday.

Nico: Yep. Wow! Is she an Undine from Alchemical Myth?

Me: That's right. This is Dina and she's an Undine.

Dina: Pleasure to meet you Nico.

Nico: You too.

Miia: Dina!

Dina: Miia!

They went and hugged each other.

Dina: It's awesome to see you here.

Miia: Same here. I'm so happy you're back.

Dina: Me too.

Lana: I can't wait to see who we rescue next.

Bloom: (On a radio) Bloom to Lana. Do you read me?

Lana: Lana here.

Bloom: We're almost at the top.

Lana: Roger. Places everyone!

We got to hiding and turned out the lights and Bloom and Rachel came in.

Bloom: Oh let me get the lights.

Bloom went to the lights and turned them on and then…

Everyone and me: SURPRISE!

Poromon, Manaphy, Poliwag, Horsea, Tentacool and Jirachi: HAPPY BIRTHDAY RACHEL!

Rachel S.D.: OH WOW! You guys are awesome!

Me: Happy Birthday Rach.

Rachel hugged me.

Rachel S.D.: You are awesome J.D.!

Me: You're welcome Rach. Lets get this party started!

We cheered and we had a great time and we had awesome cake, presents, food and games and more and we had so much fun. We also had songs and entertainment and more. It was a really awesome and fun day for her.

Later Beast Boy was gonna get ready to drive Cyborg's car.

Shade Man: (Transylvanian Accent) Beast Boy, are you sure you should be driving Cyborg's car?

Beast Boy: Relax. I'll have it back here before he notices it's gone.

Shade Man: Fine. But if something goes wrong, I'm not bailing you out.

Beast Boy started the car and he went for a joyride.

He was having fun.

But then we heard a crash!

CRASH!

May went outside and gasped at what she saw.

May: Guys, you're gonna want to see this!

We came out and we saw that the Car crashed into a street light!

Me: WHOA! Not Cyborg's awesome car!

Brian: Wow! Déjà-vu.

Me: This happened to you before Brian?

Brian: It sure did. Stewie took my car and then he thought that Lois and Peter were gonna ship him off to Siberia.

Lois: Stewie I would never do that.

Me: I saw this one story about a woman that shipped her daughter off to Siberia just for hanging out with her boyfriend. She hated her daughter.

Nico: What a heartless bitch.

Rachel S.D.: No kidding.

Beast Boy: Guys, I can explain what happened!

Bombshell: Well, tell us! Who's responsible for this?!

Beast Boy: It was Sebastion Shaw.

Maria: Say what now?!

Beast Boy: That's right. He came here without you guys knowing it and wrecked Cyborg's car.

Nico: He must've found out that we were planning to kill him!

I was suspicious about what Beast Boy said but I had a really good feeling his lie will do us some good.

Me: (In my head) Hmm. This is a clever lie. Better play along with it. (Out loud) If that's the case then we have to be ready for when we go to face them.

Perceptor: Cyborg, I promise you. This will not go unpunished!

Me: No it won't!

Cyborg: I will make sure that Shaw pays for this! I will blow his fucking head off and hakai him 100,000 times over!

Me: We ALL WILL!

Nico: Yeah!

We saw Lincoln, Lucy, Lynn, Lily and Luna sad about something.

Notacon: Something wrong, guys?

Lincoln: The 5 of us were just thinking.

Maria: About what happened in the Dream World, right?

Lucy: Well, what else would it be?

Lynn: (to Lola and Lori): I'm surprised you two are over it pretty quickly.

Lori: That's because I literally have a family to remind me that I'm happy with what I already have.

Lola: Plus, that Utopia was fun while it lasted.

Me: It sure was a pretty place.

Lily: I know. But we just miss the good old days when we were normal kids and only had to worry about normal things like school and graduating.

Me: I know. If I didn't have my powers I would have lived a normal life too. But all this happened. It was all fate.

May: Look, anytime you 5 want to live normal lives, permanently or temporarily, no one's stopping you.

Luna: Really?

Nico: Of course! Being on Team Loud Phoenix Storm is not mandatory.

Me: But I understand how you all feel. That dream was REALLY amazing. If you guys need a break just let me know.

Lincoln: Thanks J.D.

Me: You can use the Tree by Ponyville to relax and have fun.

Lynn: Great!

Me: Now it's time for us to get ready for our next mission.

Brain Freezer, Moonstone, Electro, Larxene, Xiao Fung, Blizzard, Demyx, and Shade then appeared.

Brain Freezer: Can me, Moonstone, Electro, Larxene, Xiao Fung, Blizzard, Demyx, and Shade go with you guys?

Me: You all sure can. But first we're going to watch an old movie from my dad's past.

Shade: Which one?

Me: (Pulls out the case) War Wagon!

Blizzard: WHOA! That's one of my favorites. My father used to watch that movie all the time.

Me: Sweet! My dad and I love John Wayne. Also Kirk Douglas was in this one.

Nico: Yeah he died earlier at 103.

Eli: Wow! That's a long time.

Ets: It sure is.

We got to watching the movie.

---

Rancher Taw Jackson returns to his hometown to settle a score, after being released early from prison for good behavior. Three years earlier, he was framed by corrupt businessman Frank Pierce and wrongfully imprisoned, while Pierce appropriated his ranch and lands, as well as the recently discovered gold on the property.

Jackson decides to steal Pierce's largest gold shipment, worth $500,000 (approximately $12M-$13M today). Jackson learns the date of the shipment from Wes Fletcher, an elderly wagon driver employed by Pierce. He then hires a marksman and safecracker known only as "Lomax" to assist him, even though Lomax had helped Pierce send Jackson to prison. The safe of gold dust is being transported in a "war wagon", a heavily armored stagecoach surrounded by armed guards on horseback.

Lomax and Jackson rescue Levi Walking Bear, a Kiowa translator, from a gang of Mexican banditos. Lomax is then sent to pick up Billy Hyatt, supposedly an expert on explosives, and is dismayed to find he is a teenage drunkard. Jackson, Fletcher, Hyatt, Lomax and Levi meet up to discuss their next move, and Fletcher instantly objects to Hyatt's presence around his teenage "wife" Kate.

Lomax rides into town and is confronted by Pierce, who offers him $12,000 for Jackson's head. Lomax spends the night with Lola, an old acquaintance, at one point having to stop Hyatt, who has become drunk again, from spilling the beans about the robbery. Jackson and Levi return from negotiations with the Kiowas, during which the warriors agreed to help, since Pierce is starving the tribe out. Jackson sends Hyatt to wait at Fletcher's farm. Kate, in Fletcher's absence, reveals to Hyatt that she is not married and was actually sold by her abusive parents. Hyatt starts trying to defend Kate from Fletcher's harsh behaviors, and Jackson has to stop Fletcher from killing Hyatt.

Levi, Jackson, and Lomax cause a disturbance in town to confuse Pierce's men. The conspirators later sneak onto Jackson's old ranch to steal some nitroglycerin from a safe in the mining shack. Jackson keeps Pierce distracted by pretending to collect some of his old things, while Lomax and Hyatt put the nitro in bottles.

The next day, Hyatt rigs a bridge to explode with the bottles of nitro, Levi blocks the normal route with a felled tree, and Lomax and Jackson set up a b*** trap in a narrow gorge. Pierce reveals he has added a turret with a Gatling Gun to the war wagon, and he and his guards set out with the shipment. The Kiowa warriors create a dust screen and separate the guard riders from the War Wagon. The bridge explodes behind the wagon as it crosses, stranding the guards on the other side of the cliffs. Chief Wild Horse and some more Kiowa warriors attack the wagon and try to take all the gold for themselves, but many are killed by the Gatling Gun.

When the wagon is diverted into the gorge by the fallen tree, Jackson and Lomax spring their trap, killing the drivers. Pierce shoots the last two of his men when they try to desert him and the wagon, but one of them shoots back as he dies, killing Pierce. The wagon crashes into a gulch, and the conspirators quickly load the gold dust into some flour barrels on Fletcher's cart. However, the Kiowa warriors kill Fletcher and attempt to take all the gold (and the flour) for themselves. Hyatt uses the last bottle of nitro to kill the chief and scare the warriors off, but the cart horses spook and run off. The flour barrels are lost and broken, with the Kiowa women, unaware of all that transpired, gathering up the flour to feed their families.

Jackson finds $100,000 worth of gold dust in a hidden compartment in the cart, where Fletcher had tried to steal it. Lomax angrily takes Jackson's horse as payment, and Jackson gives a small amount of dust to Hyatt, who rides off with Kate while Levi returns to the Kiowas. They plan to meet in six months to divide the rest, when the robbery will be old news.

---

We were amazed of the design of the War Wagon and how it was like Fort Knox on Wheels pulled by horses. When it was done we cheered.

Me: Yeah! That was great!

Dina: What a great movie.

Miia: It sure was.

Me: Yeah! My dad loved a lot of John Wayne's Western Movies. True Grit, El Dorado, The War Wagon, North To Alaska, those movies.

Nico: Those are all awesome movies.

Jared: And some of my all time favorites.

Blizzard: Brings back memories.

Jelli: They are great movies.

Me: They were also made back over 50 to 60 years ago.

Lori: John Wayne is dead now isn't he?

Me: He sure is. He died a horrible death from Stomach Cancer back in 1979.

Fluttershy: Goodness.

Applejack: Poor guy.

Laney: Yeah that's bad.

Me: Yep. Our mission is going after the War Wagon and clearing Taw Jackson's name.

Nico: My kind of mission.

Me: For this one we're gonna need to get dressed.

Lori: What do you mean?

I snapped my fingers and I changed my attired. I was dressed up as Clint Eastwood in The Man With No Name Trilogy.

Me: (Cowboy Voice) Like this little lady.

Nico: Oh I get it! We're going Old West Style. Great theme.

Applejack: You look great J.D.

Me: Thanks Applejack.

Applejack: I'll go get some special help for this.

Me: Okay. Lets head to the Simulator.

We went to the Simulator and Applejack went and got Sheriff Silverstar.

* * *

In the Simulator we got ready and we were ready to go after the War Wagon. The Simulator Activated and we found ourselves in the beautiful rock formations of Sierra de Órganos National Park in Mexico.

Me: Here we are.

Nico: Wow! This looks like Central Mexico.

Me: It sure does. I thought we were in the Rock Formations of Utah but this is actually Sierra de Órganos National Park in Mexico.

Ronnie Anne: Wow! It's amazing that War Wagon was filmed here.

Lincoln: It sure is.

Dina: My kind of place.

Sandpit: Is there sand around here?

Me: You're looking at it all over.

Nico: I look awesome in cowboy clothes.

Me: We all sure do.

Eli: This is gonna be awesome.

Nunnally: Yeah it is.

Me: With any luck we might run into Jonah Hex here.

Lori: That would literally be awesome. We haven't met him yet.

Nico: No we sure haven't.

We heard horses running far away.

Me: That must be the War Wagon.

We whistled and our Rapidash came.

We got on and we were ready.

Me: Just like in the American Old West.

Muscle Man: Hey, guys. Who know else loves stealing gold?

Demyx: (laughs) We all know the answer to this one!

Muscle Man: My mom!

We laughed at his joke.

Applejack: (Laughs) That's funny.

Moonstone: What are we waiting for? Let's ride!

Me: HYAH!

We were off and we went to where the War Wagon was going and we saw it. We saw THE WAR WAGON!

Me: Thar she blows.

Nico: This is gonna be awesome.

Lincoln: YEEHAW!

Sunny Tennyson: (laughs) I'm really enjoying being bad again!

Moonstone: ME TOO!

Me: Just like living the old days of the Old West.

Applejack: YEEHAW! Lets get that gold!

?: Need some help!?

A figure came riding up to us and it was JONAH HEX!

Me: WHOA! Jonah Hex!

Jonah Hex: Its an honor to meet you all Team Loud Phoenix Storm.

Nico: Same here.

Me: Awesome to meet you Jonah.

Shade: Surprised to see me and the others here, Jonah?

Jonah Hex: I sure am. And I'm glad you are now Team Loud Phoenix Storm's frenemies.

Me: They give us all an amazing battle.

Nico: Yep.

Me: We're coming up to the War Wagon!

We got up to it and we saw a bunch of men inside it.

Barbossa: Ahoy there! We be taking your treasure!

Frank Pierce: Come and get it!

Me: Gladly!

I smashed the side of the War Wagon with incredible force and strength and dented it big time!

We saw the men coming at us and they had rifles ready!

Eli: Not this time!

Eli fired light blasts from his finger and burned their shoulders open.

BANG BANG BANG BANG BANG!

I fired 5 shots at the men and blew their heads off.

Apple Bloom: YEAH!

Applejack: YEEHAW!

Blizzard: You guys need to chill out! (Fires ice into the path)

The men slid on the ice and they slipped and Moonstone and Sunny smashed them in their crotches and smashed them into pulp!

NIco: YEAH!

Me: Chew on this!

I fired fire blasts and burned them.

Energon Scorponok: Isn't there a local hero who's supposed helping us by now?

?: And you're looking at him.

We turned and we saw Taw Jackson, Lomax, Levi Walking Bear and Billy Hyatt.

Me: Whoa! Taw Jackson, Lomax, Levi Walking Bear and Billy Hyatt!

Taw Jackson: That's right. We'll talk after getting the gold.

Nico: Yeah!

Then Pete, Wiggum, Springfield Mafia, Chalmers, Control Freak, Private HIVE, Abis Mal, Kalin, Vreedle Bros. and Onyx appeared and they were riding on black horses with red flames for manes and tails!

Me: WHOA! Pete, Wiggum, Springfield Mafia, Chalmers, Control Freak, Private HIVE, Abis Mal, Kalin, Vreedle Bros. and Onyx and you guys have amazing Nightmare Horses.

Wiggum: Like them J.D.?

Fat Tony: We picked Nightmares for this.

Brittney: Nightmares are perfect horses for the Masters of Evil.

Abis Mal: Glad you all thing so.

Kalin: It was Vypra's idea just for adventures like this.

Nico: It's perfect!

Wiggum: You guys are awesome as Old West bandits. First time doing this?

Me: It's amazing what happened during these times in the American Old West. But yeah it sure is.

Electro: We're technically still criminals. So this heist is nothing new to us.

Me: Yeah.

Nico: Also this so awesome pulling a heist like this.

Me: And the real criminal is really Frank Pierce.

I smashed the War Wagon down with an incredible smash and smashed it down!

Me: YEAH!

Lori: That literally did it!

Taw Jackson: Nice job guys. That did it.

Me: We still have to deal with Frank Pierce. And get justice for you Taw.

Harley: (to Taw) So, how's your day been today?

Taw: Awful. I spent three years in prison because of Pierce.

He told us what he did to him.

---

Frank Pierce is the main villain of the 1967 Western movie The War Wagon.

He was portrayed by the late Bruce Cabot who also played Bert Saxby in Diamonds Are Forever.

Taw Jackson, the hero and rancher, makes his arrival back to his hometown to get payback on Pierce, the villain and businessman, who framed and sent Jackson to prison 3 years before. Pierce finds gold on Jackson's land and mines and sells the gold. When Pierce learns that Jackson has been released from prison because of good behavior and plans to steal a gold shipment, he sends 2 of his henchmen to hire Lomax, an assassin and villain turned good, to kill

Jackson.

Jackson hires Lomax because of his great gun skills and safe cracking skills and knows Lomax worked for Pierce and helped in sending Jackson to prison. Later Pierce tries to hire Lomax to destroy Jackson and offers to pay him a lot of money if he does it, which Lomax says he'll think about it and he'll do it when he's ready. Pierce transports the gold in a heavily armored and impregnable stagecoach known as The War Wagon, with a large Gatling gun mounted on top of it and guarded with armed men, in front and behind. Pierce runs the town and says he wants everything to be legal with everything he does.

Later when Jackson and the heroes steal the gold from the war wagon, Pierce is killed in a shootout when one of his minions tries to escape. Then The War Wagon crashes into a ravine.

---

We were shocked.

Me: Now we have a really good reason to kill Pierce.

Nico: Yep.

Eli: We're gonna clear your name Taw.

Me: Yeah! And get all the gold that is rightfully yours back to you.

Larxene: First, let's get that gold.

Me: With pleasure! I'll hold off Pierce and you guys get it.

Eli: Right!

Everyone went at the War Wagon and found over $13,000,000 in gold bricks inside it.

POW BIFF CRACK BLAM!

I punched Pierce all over the place and kicked him in the stomach.

Me: You are a monster and sidewinder!

POW!

I punched him in the crotch and kicked him in the face and smashed him into the ground.

Lomax: J.D. is quite a fighter.

Taw: He sure is. Must've been taught very well.

They got all the gold out of the War Wagon.

Grenade Man: How much do you think this gold is worth?

Nico: From the looks of things, over $500,000.00 in gold like in the movie. Or A LOT of money in 21st Century terms.

They got the gold bars out and put in a scroll.

Nico: Awesome!

POW!

I punched Pierce in the mouth and smashed his teeth out.

I grabbed him by his shirt and held him up to us.

Cyclonus (to Frank Pierce): Alright, dirtbag. Why don't you tell everyone that you framed Taw?

Pierce: NEVER!

I pointed my gun at his head.

Me: Tell them or else I'll blow your head open!

Pierce: Because he found gold on my land and I wanted it all for myself!

Me: That gold belongs to Taw and he found it first!

Nico: Yeah!

Xiao Fung: If you don't confess what you did, what we'll do to you will make you beg for death!

Me: He already told us Xiao Fung.

Xiao Fung: Oh sorry. Must've not been paying attention.

Me: And he's gonna be getting a really bad beating anyway. This is the Old West after all.

Xiao Fung: (to Luan) Please tell me you got that confession on tape!

Luan: Yep I sure did.

She pulled out her camera.

Nico: Nice!

Me: Just what we need for the Sheriff.

Sheriff Silverstar: And as sheriff you are sentenced to death Pierce!

Me: Yeah!

The Masters of Evil came.

Wiggum: That was so much fun.

Me: Just like in the old west days.

Wiggum: By the way, Cyborg, we heard about what happened to your car.

Beast Boy began to feel guilty.

Louie: Yeah, we heard that Sebastion Shaw wrecked it badly.

Beast Boy's guilt grew.

Cyborg: It's okay, guys.

Chalmers: At least this gives us all the more reason to take him down.

Beast Boy began to feel worse.

Private HIVE: That scumbag's gonna be court martialed severely for this.

Beast Boy couldn't take it anymore.

Beast Boy: IT WAS ME! I CRASHED CYBORG'S CAR!

Legs: Wait. That was you?!

Me: Beast Boy only wanted to go for a ride.

Cyborg: B.B. I understand. All you had to do was ask me.

Nico: But you're gonna have to fix his car when we get back.

Beast Boy: I know.

Lana: I can help Beast Boy too Cyborg.

Cyborg: Sure Lana.

?: That's nice.

A figure came out and it was KARAKASA!

Me: Karakasa! Back for round 2?

Karakasa: I sure am.

Me: You're the first of the Japanese Power Ranger Monsters back for round 2 out of many.

Karakasa: Indeed.

Aylene C.: Awesome.

Karakasa: (to the Mighty Morphin Rangers) You're very different from the Zyurangers. You all lived in the present day and you've all been to high school. Not mention that your Yellow Ranger is a girl and your fighting style is very different.

Tommy Oliver: Every rangers fighting style is different.

Me: And there have been many different Power Rangers as well as fighting styles of the rangers used in the last 46+ years.

Karakasa: So I have seen.

But then we smelled a really familiar and delicious aroma.

Me: Hey do you guys smell that?

Shaggy: Like, I know that smell anywhere!

Then roaring was heard and out came THE SCOOBY SNAX MONSTER AND THE SKELETON MEN!

Shaggy: ZOINKS! It's the Scooby Snax Monster and the Skeleton Men!

Qin: Oh man!

Nico: The Scooby Snax Monster is my kind of monster.

Qin: We know the Skeleton Men because we faced them before at Disney Castle. The Scooby Snax Monster was really Penelope Bailey and she was protecting the Scooby Snax factory from spies and thieves from Rival Snack Factories.

Nico: It was like how Mr. Krabs and Plankton were fighting.

Twilight Sparkle: Whoa man! That's understandable.

Dina: I'll face The Skeleton Men.

Sissi Delmas: I'll face the Scooby Snax monster..

Nico: Also I work at the Scooby Snax Factory as their Flavor Inventor.

Shaggy: And like he makes great flavors of Scooby Snax.

Scooby Doo: (Slurps) Reah.

Me: Yep. Lets do it!

Chief Wiggum was first.

Wiggum: (to Homer) Don't take this question the wrong way. But, how does it feel to be a criminal for a change?

Homer: It was great. But I'm not letting it happen for real. Besides it was an Old West thing.

Bart: Yeah but it was awesome!

Pinkie Pie: It was great being part of an old west theme.

Somnambula: (Egyptian Accent) It sure was a fun thing to do.

Sprocket: You got that right!

Spy Rise: That's right!

Keiichiro: Yeah it was awesome.

Jack Landors: Yeah it was.

Wiggum: You better believe it! Lets do it!

S.P.D. Rangers: READY! SPD EMERGENCY!

Legs: Yeah and if you have a problem with it I'll whack you in the lobanza.

Sora T.: You guys can have the gold. We have more money than we know what to do with.

Birdramon: We sure do and we have had a lot of fun with this one.

Sunset Shimmer: Yeah we sure do.

Pepperdance: Ooowee! You said it.

Cayenne: It was awesome being part of the Old West.

Gusty: It sure was.

Birdramon: We sure are.

Sunset Shimmer: Yeah.

Sora T.: She's also his partner in the store.

---

Chalmers was next.

Chalmers: (to Winx Club Stella) At least Beast Boy got to drive the T Car for the first time.

Stella: Yeah but next time we're gonna have to keep our eyes on him.

Princess Celestia: Yeah he also needs to get a drivers license.

Minuette: He sure does.

Twinkleshine: Yeah he can't drive without one.

Lemon Hearts: Absolutely.

Moondancer: Against the law.

Lyra Heartstrings: Yep.

Spotlight: No exceptions.

Principal Pixiefrog: You got that right my good friend.

Jake Spidermonkey: Yeah!

Chalmers: Indeed. Lets get it on!

He fired energy blasts and they dodged them and blasted him all over with light and energy and smashed him down.

Stella: That shines big!

Princess Celestia: That was awesome!

---

Battle 4: Emerald Sustrai, Princess Luna, Snowdrop, Children of The Night, Dark Skylanders, Dive Man, Splash Woman, Water Man, Wave Man, Barbossa and Long John Silver (Treasure Planet) VS Private H.I.V.E.

---

Private H.I.V.E. was next.

Private H.I.V.E.: (to Emerald Sustrai) I'm surprised Cyborg's not court martialing Beast Boy so harshly. The entire time I knew the cadet, he always was protective of his vehicle.

Emerald Sustrai: Yeah Cyborg loves his car but he can never hurt Beast Boy for it.

Princess Luna: Brian said the same thing happened to him when Stewie was driving his car.

Another adventure done.

Happy Birthday to Bubblegumsurpr4 and this chapter is for the movie The War Wagon from 1967 and it was a great movie from my dad's past. See you all tomorrow.

# Birds & Pigs Working Together

Over the Skelos Badlands of Spyro's world, me and Kayla Schmidt were flying over the place and we landed and the whole place was quiet.

Me: It's quiet. Too quiet.

Kayla: McWolf sure picked a quiet place.

I then sensed something.

Me: Uh oh.

I fired an energy blast and it hit a building and it exploded and out from the explosion came a soldier and it was a soldier of THE RED RIBBON ARMY!

---

The **Red Ribbon Army** (レッドリボン軍 *Reddo Ribon Gun* ), briefly renamed the **Black Ribbon Army** when Staff Officer Black took over in the *Dragon Ball* anime, is a paramilitary criminal organization in the *Dragon Ball* manga and anime. They are mentioned in *Dragon Ball Z* during the Androids Saga, and make their final anime appearance in *Dragon Ball GT* .

In *Dragon Ball Online* the group returns as the **Red Pants Army** .

The Red Ribbon Army is known across the world, including even in backwater places such as Penguin Village,[1] with Bulma stating that the Red Ribbon Army was so powerful and had such a massive influence that even Earth's Military couldn't stand a chance against it which was later proven extremely false . Officially led by a diminutive Commander Red, the goal of the Red Ribbon Army is to use any means necessary to obtain the Dragon Balls and wish for world domination; however, Commander Red secretly plans his wish for him to be a much taller person. According to Red, he specifically made sure that the army was staffed of the best minds of every conceivable industry as part of their search for the Dragon Balls. Since he is very short in size, he despises being around those who are taller than him, telling Black constantly not to stand near him.

When he finds out about Red's plan, the shocked Staff Officer Black asks how Red can sacrifice his own men to achieve this puny goal, to which Red simply grunted that if the soldiers had been more careful they would be alive. This causes Black to snap, and he kills the commander and takes control of the Red Ribbon Army, renaming it the **Black Ribbon Army** (only in the anime). The entire army was defeated when a young boy named Goku sought to stop the army's evil ways by infiltrating the Red Ribbon Army Headquarters, killing Black in the midst. After Black's defeat, the rest of the Red Ribbon Army flees the headquarters and presumably disbands.

### *Dragon Ball Z*

In the Androids Saga, Master Roshi mentions that, after its defeat, the Red Ribbon had been forgotten except for a few people.

However Dr. Gero of the Red Ribbon Army survived, and created several Androids who engaged in a conflict with the Earth's forces. Also noted, during the Androids Saga and the Cell Saga, the people on Earth aside from the Z Fighters do not know that the Androids and Cell were created by Dr. Gero from the Red Ribbon Army.

However in Trunks and Cell's alternate timelines Future Android 17 & 18 were apparently known by the surviving Earthlings to be Androids created by the Red Ribbon Army given that they wear the army's symbol on their clothing, though it is unclear if Future Dr. Gero's role in their creation and their murder of him is common knowledge

### *Dragon Ball GT*

In *Dragon Ball GT*, Dr. Gero meets Dr. Myuu in Hell. There they worked on a plan to create the ultimate android which could destroy Goku. They came up with a plan to combine both of their technologies and get a perfect android by fusing two Android 17s. They then created a dimensional hole to get both androids in the same place, Earth. By creating a dimensional hole, enemies from the past escaped from Hell; some of them were members of the Red Ribbon Army: Android 19, Staff Officer Black, General Blue, Major Metallitron, Lieutenant Dark, and Captain Yellow. All of them were defeated by Pan, except for Android 19 who was destroyed by Goten and Trunks.

Back to Hell, Metallitron, Blue and Black join up with Nappa in order to fight Piccolo. Super 17 kills Dr. Gero and Dr. Myuu later on, and is killed by Goku when he gets help from Android 18 (with it being heavily implied that the original 17's persona aided 18 and Goku in stopping him).

* * *

Me: It's a soldier of the Red Ribbon Army. Master Goku defeated them in his childhood.

Kayla: I wonder how they were brought back. They were all defeated by him and either killed or sent to prison.

Me: Good question.

We went to a street and we saw lots of soldiers and they had their guns ready to kill us.

Me: You guys are no threat.

Soldier 1: We'll see.

Kayla Schmidt: Time to get to work.

Kayla concentrated and groaned as she began to feel hot.

Me: Whew! That is hot!

Kayla then turned into MOLTRES!

Me: YEAH!

Kayla Moltres: Time to burn some bad guys!

Me: These aren't just any bad guys. This is the Red Ribbon Army. They are the very same monsters that Master Goku destroyed in his childhood.

Kayla Moltres: But this is gonna be good.

We went at them.

Soldier 2: FIRE!

They fired their guns at us and we blasted them all over with incredible blasts of fire and incinerated them into nothing.

They then fired missiles and bazooka blasts and they missed as they were blowing some of the town to smithereens.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOMMMMMM!

I fired a massive blast of fire and incinerated many of them men all over and killed them all. We continued on to the main castle and we busted in and kicked the Red Ribbon Army men into nothing.

Kayla Moltres: Now you all are nothing!

She fired a massive blast of fire and incinerated them into nothing and obliterated the men.

We busted down a door and McWolf saw us and he screamed with his eyes bugging out.

Me: Nice try with the Red Ribbon Army McWolf.

We jumped him and tickled him all over and he gave up.

We went to a door and kicked it in and we found the girl and she was a Dryad from Greek Myth.

Me: Wow she's a Dryad from Greek Myth.

We went over and I cut her free.

Riado: Whew. Thank you so much. Wow! You're J.D. Knudson, leader of Team Loud Phoenix Storm.

Me: That's right and you are?

Riado: I'm Riado and yes I am a Dryad. It's an honor to meet you.

Me: Same here. And this is Kayla Schmidt. She is also a Moltres.

Kayla Moltres: Pleasure to meet you Riado.

Riado: Same to all of you. Thank you all for saving me.

Me: Anytime.

Kayla: I'm gonna revert back now.

I put on my blind man glasses and she reverted back.

Kayla was human again. And naked.

Kayla: (covers herself and laughs) I really do look hot right now.

We laughed.

I gave Kayla some clothes.

Riado: That must be really cool to turn into a pokemon.

Me: It sure is. I can turn into a Rapidash and Kayla became a Moltres because of mad scientists in Team Rocket.

Riado: Wow that is terrible.

Me: It was. But they in a way gave her an incredible gift.

Riado: I can see that.

Me: We also met Miia and her friends and they too were kidnapped by McWolf and we rescued them.

Riado: Oh wow! That's awesome that you all know Miia and her friends.

Me: It is. Lets get you back to the World Tree Estate so we can talk.

Riado: Okay.

We went back to the World Tree Estate.

---

We got back to the estate and Kayla went to sit on the sofa.

Riado: Wow! So this is your home?

Me: Yep. We live in a giant tree that's over 100 miles tall and it has a trunk that's 100 miles wide and the foliage is 1,000 miles wide.

Riado: Wow! This is amazing.

Me: It sure is.

Nico: Welcome back. Wow she's a Dryad from Greek Myth.

Riado: That's right. I'm Riado and it's a pleasure to meet you Nico.

Nico: Same here.

Miia: Riado?

Riado: Miia!

They went and hugged.

Miia: It's great having you with us.

Riado: Same here Miia.

Later we were watching TV and we were also playing card games.

Magnet Man: (hears a crash and groans) Lynn, I thought we told you to play your sports outside!

Lynn: That wasn't me Magnet Man.

Eli: That's sounded like Velma.

Me: Uh oh.

We went over and we saw that Velma crashed into a table and she didn't have her glasses on.

Me: Uh-oh!

We helped her up.

Nico: Velma what happened?

Velma: I can't see without my glasses guys.

Lori: Uh oh.

Leni: Has she thought about wearing contact lenses.

Velma: No I don't like those.

Twilight Sparkle: What's wrong with Velma?

Me: She can't see anything without her glasses. She has severe nearsightedness. She's basically blind as a bat without her glasses.

Riado: Whoa that's rough.

Nico: Yeah she can't help it.

Me: She loses her glasses all the time even when she's not on a mystery.

Goemon: Geez, Velma! You lost your glasses outside of a Mystery?!

Velma: I know. It happens to me all the time.

Me: We got to find her glasses or she could get seriously hurt.

Riado: That must be really hard to not see without glasses.

Miia: It sure is.

Twilight Sparkle: Yeah.

Me: Okay Velma when was the last time you saw your glasses?

Velma: Lets see I took them off when I went to take a shower and then…

Lana: I think I know where they are.

We went into Velma's bathroom and Lana pulled them out of the toilet and they were wet.

Lana: Found them.

Me: Great job Lana.

Cindersaur: You're kidding me. Your glasses are in the toilet?!

Me: Let me clean those for you.

I took them.

Me: Thank goodness we never use this toilet.

I used her sink and cleaned them off and dried them and then gave them back to her.

Velma: Thanks J.D.

Me: You're welcome. You got to be careful when you leave your glasses in here.

Velma: I know.

She put them back on.

Wreck Gar: You should consider getting contacts.

Nico: She doesn't like wearing contacts Wreck Gar.

Me: Velma have you ever thought about getting corrective laser surgery?

Velma: My mom and dad considered that but it was too expensive for me.

Me: No sweat. I can fix your eyes for free. I did the same thing with Sam Sparks and she can see better than ever perfectly clear.

Velma: Wow!

Sam Sparks: That's right Velma. I can now see perfectly clear. All J.D. did was use his laser vision on me and I can now see perfectly crystal clear.

Velma: That's incredible!

Me: It sure is.

Laney: Who needs an Ophthalmic Laser Surgery gun when you can have J.D. do it with his laser vision.

Lana: Yeah that's cool.

Me: Yep.

Velma: All right.

She took off her glasses.

Velma: Here we go.

Me: Okay now hold still and don't blink and keep looking towards me.

I held her face towards me and I had my eyes at her.

Me: Here we go.

My eyes glowed red and I fired a laser blast from my eyes and it hit her eyes and then her eyesight was now perfectly clear and crystal perfect!

Velma: Wow! I can see perfectly!

Nico: Wow!

Sam Sparks: Wow! That is awesome!

Lola: It sure is.

Lana: How do you feel Velma?

Velma: I see everything so crystal clear and perfect.

Varie: That's awesome.

Steven Universe: I used healing spit to inadvertently make Connie see more clearly again.

Shanan: Wow! I heard about that Steven. That's so cool.

Laney: It sure is.

Volcana: Yeah.

We later went back to the living room and got ready for our next mission. Whatever that was.

Jack Spicer: You guys want to go check up on the island of the Angry Birds?

Shanan: I was just about to suggest that. We haven't seen our friends on Bird Island in a while.

Me: It has been a while. But Leonard has been supplying us with a lot of pork.

Nico: He sure has. Enough to feed the entire estate as well as much of the country.

Laney: Yeah he sure has.

Lori: And you have me to literally thank for that.

Bobby: You've been doing a great job babe.

Roxanne: Way to go mommy.

Lori: Thanks guys.

Private H.I.V.E., Pete, Wiggum, Springfield Mafia, Chalmers, Control Freak, Abis Mal, and Kalin

Private HIVE: Permission for me, Pete, Wiggum, Springfield Mafia, Chalmers, Control Freak, Abis Mal, and Kalin to accompany you to our comrades' home, sir?

Me: Granted soldier!

Nico: It will be awesome to see Red and friends again.

Leonard and his pigs then appeared.

Leonard: Mind if me and my brethren come along too?

Lori: You all literally can Leonard.

Me: This is gonna be cool.

We were off to Bird Island.

---

We arrived at Bird Island and it was doing really well from when Shanan and her group were there the first time.

Shanan: Wow.

Stalker: This sure does bring back memories.

Shanan: It sure does. Wow. Last time we were here, Leonard and his pigs set up shop and a huge battle broke out.

Leonard: Yeah that was an epic fight.

Flint Lockwood: Leonard I can't help but notice something.

Leonard: What's that Flint?

Flint Lockwood: I think our voices sound so much alike.

Leonard: Now that you mention it they sure do.

Chalmers: Well, everything seems to be okay here.

Me: It sure does. It looks like the birds are getting along great.

Red: Guys!

Red and his friends came.

Shanan: Hey Red!

Red and Shanan hugged.

Red: Been a long time guys.

Shanan: It sure has. Sorry we haven't been by to visit in a while. We were out saving the universe all the time.

Red: I can tell.

Nico: Yeah we've been really busy.

Me: Also there's a reason why Leonard is with us. He's now part of our frenemies in the Masters of Evil.

Volcana: I know you guys only saw Leonard once in our battles. But he's been a big help since then.

Red: That's what we were hearing.

Chuck: Yeah we are absolutely amazed with how far that Leonard made a big turnaround.

Matilda: And we're very proud of him.

Leonard: Thanks guys that means a lot to me.

Lori: Leonard is literally the most amazing frenemy ever.

Me: Whenever he and Lori battle she would give his pig minions as pork cuts to the homeless for food.

Bomb: Wow! That's amazing.

Me: Earth has grown a lot since we last saw each other.

Stella (AB): It sure was.

Red: Isn't he gonna run out of pig men that way?

Me: We asked the same thing and he told us that he has plenty of men.

Leonard: Yeah I sure do. And Red I'm sorry we tried to eat your eggs.

Red: It's all right.

Abis Mal: So, no one bad is causing trouble, right?

Red: Not that we know of. So far things have been very peaceful.

Hal: Yeah they sure have.

We walked around on the beach and Sakura Avalon was singing.

Sakura Avalon: (Singing Divinely)

Nico: Wow.

Miku Hatsune: I taught her that.

Suddenly a pillar of fire bursted out of the ground and a phoenix cry was heard.

Eli: Are we doing the entrance?

Me: No this is not the work of us. This is something else.

Out of the fire came a girl dressed in an Indian Sari and she had brown hair and Lucy Heartfilia recognized her!

Lucy H.: (Gasp) Éclair!

She went over and held her.

Éclair was unconscious but all right.

Lucy H.: Éclair?

Me: She's unconscious but she'll be all right.

Ghuul: Who did this to her?

Me: I don't think anybody did.

Nico: Yeah.

Lucy H.: She came here to our world through a magic.

Me: How do you know her Lucy?

Lucy H.: It's a really big story.

She told us everything that happened to her.

---

Four hundred years ago, Éclair participated as part of a festival of sorts. Wearing a bird helmet over her head, Éclair danced in front of a crowd as musicians played in the background. During her dance, the festival was attacked by mercenaries and numerous people were killed, much to Éclair's shock. Despite attempts to fight, the defense was over powered. Quickly, Éclair was taken by the hand by an old man, who grabbed a portion of the Phoenix stone from a nearby pillar and teleported her to safety. Taking her to the outskirts, the injured old man gave Éclair the Phoenix stone. Despite being injured herself, Éclair took the stone and escaped the cave but ultimately collapsed while running.

Some time later, Éclair moved into a cave on the outskirts of a village and lived alone. One day, Éclair went to the bazaar and met a merchant. Éclair asked if he had any cotton but purchased duck feather when he said he did not. While hearing the history of the village, Éclair corrected the merchant, stating a volcano, rather than a war, was responsible for the downturn which was experienced. After obtaining her goods, Éclair bid the man farewell. After arriving home, Éclair got to cutting apart material and stuffing it with the duck feathers, Éclair built a stuffed animal, which did not quite turn out as she expected.

That night, the Phoenix stone around her neck began to glow brightly and, much to her surprise, the stuffed animal she made was illuminated by light. Surprised, Éclair fell out of her bed and saw that the doll had come to life. Frightened, Éclair jumped back into bed and hid under the covers, trying to convince herself she was dreaming. The stuffed doll asked her for a name, prompting her to tell it to go away as she hated Magic. The doll was saddened but Éclair then asked what it was, to which it claimed it was a bird. Unsure if it was Magic, Éclair suggested the Phoenix stone did it, prompting her to jump back into bed and claim that a stuffed animal talking is impossible.

The next morning, Éclair woke up believing that what happened was a dream. However, the stuffed animal remained present and also greeted her, making her realize otherwise. Later on, Éclair went to work, with the bird following her against her wishes. Asking once again for a name, Éclair called it "Birdy", which the bird claimed had no love to it. Éclair stated that she hates Magic and also hates it as well, saying she never believed it would talk when told that she was the one who made it. In X686, Éclair walked through Hargeon Town amidst a crowd that consisted of the then-alive Mavis Vermillion and Precht Gaebolg.

Inside her fortune telling booth, Éclair told her client that she saw her ancestors working in a cave and consuming alcohol, stating that their health deteriorated because of it. After advising her client to be wary of alcohol, Éclair scolded the bird for appearing outside its container but relented when she saw that there weren't many people there. Éclair went on to state that she isn't a fortune teller, but is able to see the pasts of her clients and uses it to give advice, adding that what she does is not Magic.

Suddenly, a young boy came in with a dead weasel and asked Éclair if she could revive it. Éclair replied that she's not a Mage but that even if she were, there is no Magic that can resurrect the dead. After a discussion about the value of life, the boy left, vowing to continue living. Later, while walking home, Éclair suddenly noticed that the Phoenix stone was no longer around her neck. Insistent on returning to the village to find it, Éclair ignored the warnings of the bird regarding the approaching darkness and the wolves, telling it it couldn't understand the importance of the stone and telling it to stop worrying about her.

Despite searching the village, Éclair was unable to find the stone despite her attempts. As she continued searching, her memory began to fail her, rendering her unable to remember why the stone was important. Finally collapsing, Éclair was approached by wolves and, unable to leave, wondered what would happen if she were to be eaten.

The next morning, Éclair woke up back in her bed. Getting up, Éclair was surprised she was back home but was even more surprised to see that the Phoenix stone was back around her neck. Heading outside, Éclair noticed the stuffed animal, holding an ax and heavily damaged. Realizing that the bird found the stone and brought her back, it assured her that the wolves didn't do too much damage. Asking it why, Éclair was told that since it was the only one there, it must've been born to be her friend. Thanking it, Éclair began fixing it, and upon being asked, stated that she was no longer lonely because they were friends.

Éclair later named the bird "Momon", stating that it was supposed to be a flying squirrel. When asked where they were going, Éclair stated she wanted to restart her journey and that she had a mission related to the Phoenix stone, agreeing with Momon's statement that her would come with her. Some years later, while walking, Éclair passed by a blonde girl who was chastising a pink haired boy for destroying a hotel. Éclair briefly turned back and saw the girl but simply continued walking after a moment. Momon then told Éclair of a large town called Magnolia and suggested they go there. Éclair stated that while they might go there later but there were a lot of Mages there and she didn't like Mages.

* * *

When she was done we were shocked!

Me: Whoa man! She's immortal like me.

Laney: And she had amnesia like what me, Cammy and J.D. went through.

Me: Yeah. Poor girl went through a nightmare.

Nico: How did she get immortality?

Lucy H.: She got it through the Phoenix Blood she had put in her to save her life.

Me: She has Phoenix Blood? That's interesting.

Nico: It sure is.

Kalin: Okay. So, Éclair showing up was an unexpected surprise. But things are still peaceful around here, right?

Me: Yeah. And guys Éclair is a friend of Lucy. We got to help her in anyway we can. I know just how she feels.

Nico: What do you mean J.D.?

Me: I've walked this planet for 150,000 years and I know exactly the kind of pain she is going through. She needs to be shown that there are others like her. And Ra's should know how she feels too. You walked this planet for 500 years and you know how she feels right Ra's?

Ra's: Indeed I do J.D. Immortality is both a curse and a blessing. A curse because you will live forever and watch everyone you know die around you. A blessing because you will live on forever.

Me: Yeah and Salem you know that feeling too.

Salem: Yes I do.

Nico: Wow.

Rico the Robot: Scanning for any hostile activity in the area.

But then something caught his sensors.

Rico: Incoming enemy projectile!

We saw something coming in and it landed in the ocean with a tremendous splash and it formed a massive wall of water and then when it faded we saw a massive ice meteor!

Me: WHOA! Look at the size of that ice ball!

Nico: It's huge!

Eli: What in the world could make an ice ball that big?

Ets: No idea but that is huge!

Nunnally: No kidding.

Pete: And here I thought it was going to be a peaceful day.

Me: Me too. But who in the world would send an enormous ice ball this massive?

Leonard: I don't know but we're gonna need a bigger slingshot.

Red: No kidding.

Shanan: I think I know who's behind all this.

Mighty Eagle: You don't mean?

Shanan: Yep. ZETA!

Nico: Who is Zeta?

Mighty Eagle: She's my ex-fiancée.

We gasped.

Mighty Eagle told us all about her.

---

Zeta is the main antagonist of Sonny Pictures Animation's 24th feature film The Angry Birds Movie 2, appearing as the ruler of Eagle Island, and the archenemy of Red and Silver and also Mighty Eagle's ex-fiancée-turned-wife and Debbie's mother and boss. Zeta becomes increasingly frustrated with the frozen environment living on her polar island. She plans on turning both Bird and Piggy Islands into her own resorts, full of summer fun.

She was voiced by Leslie Jones.

Past

In the 1990s, Mighty Eagle and Zeta met each other in high school, and they both started dating. They enjoyed each other's company until one day, Zeta proposed to him. Mighty Eagle, in his cowardice, was not ready for the next step, so he fled and left her heartbroken at the altar. She gave birth to their daughter, Debbie, afterwards.

The Angry Birds Movie 2

Zeta makes her first appearance near the beginning. Fed up with her cold surroundings, she shoots ice balls at Bird and Piggy Island to force their inhabitants to evacuate.

Chuck and Bomb ask Red to speed date, where he meets Chuck's sister Silver and an excellent engineering student, but she deems him incompatible. Red quits the meeting and finds Leonard, the king of Piggy Island, comes to his house to negotiate. Red reluctantly agrees to build an alliance with the pigs and they recruit Chuck, Bomb, Silver and Mighty Eagle. They hold a special meeting in Mighty Eagle's cave. When Red shows a photo of Zeta, Mighty Eagle behaves abnormally. The meeting is disrupted when Zeta's ice ball hits Eagle Mountain and destroys it, but they escape just in time.

Later on, the team travels to Eagle Island via submarine, which is actually Garry Pig's, Leonard's assistant. Once there, Mighty Eagle reveals that Zeta is his ex-fiancée that he abandoned due to his cowardice, retreating to Bird Island. Red insists on fighting alone and Silver decides to follow him. They intrude the base from the mouth of the weapon only to be captured by her guards. The other team members put on a disguise known as Harvey, grab a key card from a staff member in a washroom, and get into the base. The guards are driven into a break-dance battle by the disguise's unusual movement, and the team find that Red and Silver were being caught. They are forced to escape when their disguise rips apart, but the guards are too busy dancing to notice.

In Red and Silver's cell, Zeta tells Red and Silver her plan to fire lava balls at Bird Island and Piggy Island, while the former regrets telling the islanders to not evacuate. After she leaves to start the countdown, Red admits to Silver that he put himself before anyone else as he's afraid of not being liked if he's no longer a hero. Silver frees them both using her Super String hair braids, reuniting with the team. Red transfers the leadership to Silver, who establishes a plan to destroy the weapon. Red and Silver will launch an ice ball down the chute, Chuck will block all the security cameras, the Pigs will push the leveler and Bomb will protect the area.

Silver and Red put themselves in an ice ball and roll towards Zeta's superweapon, but it didn't work, and the whole team are confronted by Zeta and her guards. At the same time, Mighty Eagle arrives to apologize to Zeta, but she quarrels with him, revealing his name as Ethan and that she gave birth to a chick he was unaware of named

Debbie. While Zeta is distracted, Silver tells Chuck to tie up the weapon using a Super String, which catches and decelerates the lava balls when Zeta fires them. As the rope breaks, Terrence's hatchling (Zoe), her friends, and the 3 piglets traveling above Eagle Island help grasp it. The lava balls slide back into the weapon, destroying the superweapon and the entire base.

Everyone escapes the exploding base, just as Zeta notices Debbie missing. Seeing her ice shoe under debris, Zeta believes her to be dead and begins to regret her actions just as Mighty Eagle appears under the debris and protects Debbie from being crushed by a metal plate. Zeta shows gratitude to him and they finally hold a wedding ceremony on Bird Island, with Red as the chief witness. Everyone cheers Red for saving the islands, but he reveals Silver and the team deserves the real credit instead of him, unveiling a Mount Rushmore-style monument to them. To his surprise, Red finds he is beloved even more now because of his honesty and selflessness. The birds have a huge party to celebrate while Red and Silver begin a romantic relationship, until Chuck arrives and interrupts the two.

When he was done we were shocked!

Me: Oh man! So she only wants some love.

Nico: Poor girl.

Qin: You know what they say: HELL HATH NO FURY LIKE A WOMAN SCORNED.

May: You said it Qin.

Carol: I know that saying all too well.

Nico: Me too.

Lola: That is a scary saying.

Flamefeather: How about we go inside to discuss our next move?

Me: Good idea.

Lucy picked up Éclair and we went into Red's house to discuss our plan.

But little did we know that someone or something was watching and planning. Hiding in the bushes were DEMON PIGS! And they were about to ambush us.

The demonic pigs attempting to ambush us were stopped by Ang Leung and his friends.

Beingal: What are these things?

Xuan Chi: Well, whatever they are, they don't look like minions of the Zodiac Master or the Emperor of the Darkest Yin.

Ang Leung: But they're still evil nonetheless. And that means we've gotta fight them! (powers up) EMPOWER THE DRAGON!

Ang unleashed the power of the dragon and went at the Demon Pigs and smashed and incinerated them with a massive blast of fire and burned them to a crisp.

Beingal: Well, that was fun.

Ang Leung: Well, compared to all the enemies we've fought, I'm glad those pigs weren't too dangerous.

They then saw Angry Birds Stella looking at them.

Xuan Chi: Hey, little bird. Listen, can you not tell your friends about us until the time is right?

Stella (AB): You have my word!

Xuan Chi: Awesome!

Stella (AB): But that was so awesome!

Ang: Glad you liked it.

Stella left.

Ang: (To the viewers) See you all on August 23rd.

They left too.

Stella later came back.

Fat Tony: There you are, Stella. We were concerned when you didn't follow us.

Angry Bird Stella: Well, I was keeping a lookout for anyone that might attack us.

Legs: How did that go?

Angry Bird Stella: All I saw were demonic pigs. But I drove them off.

Louie: Demonic pigs?! That can't be good!

Me: Uh oh. Demonic Pigs? What did they look like?

A pig then came out from a bush and it was a purple pig with horns and spines and it came at me and I blasted it dead.

Me: WHOA! These pigs look horrifying.

Legs: Wonder if they are good enough to eat.

Me: Lets get to cooking.

We got it cooked and ready.

Solar Man: Well? Are they edible?

Me: Lets find out.

We took some meat and tasted it and then our faces turned a sickening green and it meant that it tasted like eating shit from a cow!

We spit it out!

Me: OH YUCK! (BRUSHES TONGUE WITH A BRUSH)

Nico: THAT WAS DISGUSTING!

Vince: BLECH! That was the worst thing I've ever tasted!

Hunter: (German Accent) YUCK! That was the most disgusting thing ever. It's worse than that time we had meat made from the Zerg Swarm.

Andropov: (Russian Accent) Yeah that was horrible!

Wiggum: Why don't we purify the demonic pig corpses? Can't let good pork go to waste.

Me: That's a good idea. Be right back. Got to go gargle some mouthwash.

I pulled out some peppermint mouthwash and a cup and I poured some.

Nico: Can I have some of that?

Eli: Same with me?

Lana: Me too?

Me: Sure guys.

We went and gargled some mouthwash and we got the taste of that disgusting pork out of our mouths and spit it out.

Me: Ahh. Much better.

I used my magic and purified the pork and it was normal again.

We tasted it again and it was delicious.

Me: Mmm! Much better.

Nico: Delicious.

Eli: Good.

Me: Hmm.

I scanned the pork and it showed that it was made demonic because of Dark Orb energy.

Me: These pigs were made this way by Dark Orb energy.

Lola: That's weird.

Me: That is possible.

Krankenstein: Monster gonna smash demon pigs!

Me: YEAH! But these pigs were made this way because of Dark Orb energy.

Nico: Zeta must have a Dark Orb on her.

Lola: It's possible.

Laney: Yeah.

We heard groaning and then we saw Éclair waking up.

Lucy H.: Éclair?

She opened her eyes and saw Lucy.

Éclair: Lucy? (Gasp) Lucy it's you!

She went and hugged her.

Lucy H.: It's great to have you here.

Maria: Seriously?! You're waking up now while we're making battle plans?!

Me: Maria!

Maria: Sorry.

Me: Éclair it's a pleasure to meet you.

Lucy H.: These are all my friends from Team Loud Phoenix Storm.

Me: We are the most powerful force in the entire universe and we have destroyed some of the worst enemies ever known.

Éclair: I've heard many good things about you and it's an honor to meet you all.

Me: Pleasure is ours.

May: Éclair, now was probably a bad time for you to wake up.

Éclair: How come?

Me: Long story short we're on a mission to stop an evil bird named Zeta who is Mighty Eagle's ex-fiancée and you are on planet Earth. Our home planet. It's completely different from what you know over in Fiore.

Erza Scarlett: J.D. is right. But it's an amazing planet.

Natsu: It sure is.

Me: But you are more than welcome to join us if you want.

Lucy H.: Yeah it will be awesome.

Éclair: I would be honored to help you all out.

Me: Awesome.

Control Freak: Which video game monster should I summon for the upcoming battle?

Nicole: Since we're dealing with a bird themed battle how about Krow from Donkey Kong Country 2?

Control Freak: Good idea!

Nico: That was a weird one.

Éclair: I can't wait to face Zeta.

Riado: And we'll show her the error of her ways.

Dina: We sure will.

Miia: Definitely.

Rachnera: I can't wait to kick some bird butt.

Me: Me too.

Shanan: Here's my plan. Leonard and Red will head in to the base of Zeta and confront her and then when the time comes we'll do our entrance.

Laney: That's a good plan.

Nico: I like it.

Muscle Man: You know who else likes birds and pigs?

Shanan: I know what's coming in this one.

Muscle Man: MY MOM!

We laughed at his joke.

Red: I don't get it.

Me: We don't either but his jokes are funny.

Shanan: Lets go guys.

We were off to Zeta's home island.

---

We arrived at Zeta's Island and Leonard and Red went in and they were walking through it and they saw that it was a frozen island and it was really cold.

Red: It sure is cold.

Leonard: Yeah it sure is.

They went into a room and in it with the superweapon was ZETA!

Red: Zeta!

Zeta saw them.

Leonard: Me and Red are going to stop you.

Zeta: (laughs) Birds and pigs working together! Isn't this a nice surprise?

Leonard: You're forgetting that me and my pig army have been in the Masters of Evil for over a year now. So, this situation is nothing new!

Red: And there's one thing you didn't expect.

Zeta: And what is that?

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through her lair and blew her lava bombs all apart in massive raging inferno and a phoenix cry was heard and then it warmed up the entire lair and thawed it out and then we landed out of the fire.

Me: Surprise!

Zeta: Team Loud Phoenix Storm!? You're all working with Team Loud Phoenix Storm!? What kind of villains team up with heroes!?

Red: Frenemies!

Leonard: That's right!

Mighty Eagle: (Nervous) Hello Zeta.

Zeta: Mighty Eagle do you have any idea what you did to me!

Mighty Eagle: We can talk about this Zeta.

Me: After we get her to calm down and see reason.

Cantwell, Common Cold, Captain Cold, Mysterio, Man Ray, Cluemaster, Major Disaster, Tri-Klops, Xigbar, Malchior, Enchantress (Marvel), Candle Jack, The Big Top Werewolf, The Ghost of Amos Littlefield, The Snake Demon, The Cat Mummy, The

Ghost of Geronimo, Dr. Croaker and The Miner 49er then appeared.

Me: Cantwell, Common Cold, Captain Cold, Mysterio, Man Ray, Cluemaster, Major Disaster, Tri-Klops, Xigbar, Malchior, Enchantress (Marvel), Candle Jack, The Big Top Werewolf, The Ghost of Amos Littlefield, The Snake Demon, The Cat Mummy, The Ghost of Geronimo, Dr. Croaker and The Miner 49er. Wow! Lots of you this time.

Leonard went over to them.

Leonard: There sure are. Thought we might like to give you all some fun.

Candle Jack: Looking forward to it.

Malchior: Same here.

Cantwell: You guys should've told us that Zeta was attacking right away.

May: Well, she only started attacking after an hour when we came.

Common Cold: Okay, good point.

Captain Cold: (to Red) So, what's it like teaming up with Leonard and his pigs for the first time?

Red: Actually, not so bad.

Mysterio: Glad to hear it. For us, this is just another day in our lives.

Me: We're always ready for anything.

Nico: Yeah we are.

Captain Cold: Hope you don't mind us bringing a bunch more of us for a bunch of extra battles.

Me: Not at all.

Mysterio: And we have a new recruit.

?: That's me.

A figure came out and it was the young former 4th Grade President: JAMES NIXON MCGARFIELD!
